Explanation:

(This amendment revises the assumption in regards to the amounts for general fund revenue for transportation. The introduced budget assumed that a total of \$48.1 million in sales tax revenue would be used for transportation; however, revised calculations since the introduction of the budget bill indicate that the correct amount should be \$49 million. This translates to a reduction in general fund revenues of \$900,000. A companion amendment increases transportation revenues to account for this adjustment.)

"\$48,037,089,731", "\$42,896,367,170" and "\$90,933,456,901".

Explanation:

(This amendment reflects the revenue impact of the American Taxpayer Relief Act of 2012. The impact is attributable to the provisions that restore the phase-out of itemized deductions for federal adjusted gross income above \$250,000 (\$300,000 joint returns), and allow employees to transfer funds in a tax-deferral plan (401(k), 403(b), or 457(b) plans) into a Roth IRA at any time. This results in an estimated increase in revenue of \$172,000 in fiscal year 2013 and \$14,073,000 in fiscal year 2014.)

Page 51, after line 12, insert:

"7. Federal inmates placed in the custody of a regional jail as of January 1, 2012, and pursuant to a work release program operated by the federal Bureau of Prisons shall be exempt from the recovery of costs associated with housing federal inmates pursuant to paragraph H.1. of this item if such federal inmates have been assigned by the federal Bureau of Prisons to a home electronic monitoring program and are not housed in the jail facility. However, no such exemption shall apply to any federal inmate while they are housed in the regional jail facility."

Explanation:

(This amendment provides Riverside Regional Jail an exemption from the Compensation Board's federal inmate cost recovery methodology for those federal inmates assigned by the federal Bureau of Prisons to a home electronic monitoring program. While Riverside Regional Jail receives a per diem for monitoring these federal inmates to ensure they are complying with the Bureau of Prisons' conditions, these federal inmates have never been housed within Riverside Regional Jail. In addition, the Bureau of Prisons has required Riverside Regional Jail to purchase the actual monitoring devices worn by the federal inmates. Language states that no exemption is provided for any federal inmate actually housed in the jail.)

Economic Development Incentive Payments	\$0	\$2,600,000	GF

Language:

Page 82, line 40, strike "\$56,833,955" and insert "\$59,433,955".

Page 86, after line 24, insert:

"O.1. Out of the amounts in this item, \$2,600,000 the second year from the general fund shall be provided to establish a cyber accelerator which will be managed by the Center for Innovative Technology (CIT). CIT is directed to recruit companies for the Accelerator regionally and any participating company must agree to start and operate their company in the Commonwealth. Participating companies will be guided through a company initiation and development process support by key cyber security professionals, investors and technologists.

2. Companies participating in the Accelerator will be eligible to receive an initial \$25,000 investment from the Accelerator Fund. Upon graduation from the program, they may be eligible for an additional investment of up to \$100,000 from the Center for Innovative Technology GAP Fund. Any proceeds from the sale of equity in these companies shall not revert to the general fund but shall be used to support the Accelerator.

3. The Center for Innovative Technology shall report to the Chairmen of the House Appropriations and Senate Finance Committees as well as to the Secretaries of Commerce and Trade and Technology by September 1, 2013 with a detailed proposal for the implementation of this program and shall report within 30 days of receipt of the initial round of applications for funding under this program."

Explanation:

(This amendment provides \$2.6 million in the second year from the general fund to establish a cyber security accelerator program within CIT. Virginia would receive national recognition as the first cyber security dedicated accelerator in the nation. It is expected that approximately 10 new high growth companies will be created annually from this investment, with annual sales expectations of over \$50.0 million per company. These high-wage employment opportunities will help offset the loss of federally-supported positions throughout the Commonwealth.)

"H. Included in the amounts for this item is \$200,000 from the general fund in the second year for a competitive grant program to fund housing mobility counselors to work with participants of the Communities of Opportunity Program."

Explanation:

(This amendment is a companion to House Bill 2059, 2013 General Assembly. That legislation proposes to reduce the annual cap on the existing Communities of Opportunity Tax Credit program by \$200,000, freeing up \$200,000 in general fund revenue in the second year. This amendment would appropriate that amount to the Department of Housing and Community Development for competitive grant program to fund housing mobility counselors to work with participants of the Communities of Opportunity Program. This is a pilot program serving the Richmond MSA which seeks to enable low-income families who have Housing Choice vouchers chances to move into low-poverty, high opportunity neighborhoods by giving tax credits to landlords renting homes in such neighborhoods to tenants with the vouchers. The counselors would be used to match tenants with vouchers with participating landlords, assist with lease-up activities and act as intermediaries between these tenants and their landlords.)

"C.1. Out of this appropriation, \$600,926 the second year from the general fund is provided to the Department of Education to support implementation of the Opportunity Educational Institution. The Institution shall be established to provide an appropriate education for children attending any public elementary or secondary school that has been transferred to the Institution pursuant to § 22.1-27.2, Code of Virginia. The Institution shall be administered and supervised by the Opportunity Educational Institution Board, as established in § 22.1-27.1, Code of Virginia. The Board, in administering and supervising the Institution, shall be vested with all of the powers and duties of a local school board that are set forth in the Constitution of Virginia and Code of Virginia.

2. Any school that has been denied accreditation for the previous two school years shall be transferred to the Opportunity Educational Institution.

3. The Board shall supervise and operate schools in the Opportunity Educational Institution in whatever manner that it determines to be most likely to achieve full accreditation for each school in the Institution, including the utilization of charter schools and college partnership laboratory schools.

4. Each school transferred to the Opportunity Educational Institution shall be eligible to return to the local school division upon achieving full accreditation.

5. At the end of each school year, the Board shall make a report to the Governor and the General Assembly setting forth the status of each school in the Institution, the nature of its faculty and administration, the size of its student body, its organizational and management structure, and the levels of improvement in student academic performance.

6. No later than six months prior to the expiration of a school's fifth year in the Institution, the Board shall decide whether to retain the school in the Institution for a specified number of additional school years or transfer the school back to its previous local school division.

7. Each student enrolled in a school in the Institution shall have his state and local share of Standards of Quality per pupil funding transferred from the previous local school division of residence to the Institution. The per pupil funding transferred shall

consist of (i) the Standards of Quality per pupil amounts of the previous local school division of residence that are distributed on the basis of March 31 average daily membership, (ii) all federal funds as set forth in § 22.1-88 directly associated with any student enrolled in a school in the Institution and apportioned to the previous local school division of residence, and (iii) all funds sufficient for the reasonable special expenses directly related to the individual educational plan of any special education student, which may be assessed from the previous local school division of residence and transferred to the Institution. No other state funds or local share of funds from the local school division of residence shall be provided to the Institution. The state share per pupil portion transferred shall be based on the previous local school division of residence's composite index and shall include the per child share of state sales tax funding in basic aid. The local share per pupil portion transferred shall be based on the previous local school division of residence's composite index.

8. Students enrolled in a school transferred to the Institution shall not be counted in the March 31 average daily membership or fall membership of the previous local school division of residence. Such students shall not be counted in the required local effort of the local school division of residence required to meet actual need.

9. The state and local share Standards of Quality per pupil funding transferred from the previous local school division of residence shall be provided for eligible students based on their March 31 average daily membership in the school transferred to the Institution. The Department of Education shall pay the state share per pupil funding directly to the Institution semimonthly. Such state share per pupil funding shall be based on the Standards of Quality per pupil funding enacted in the current appropriation act. The Board shall certify on a monthly basis each school year the number of students enrolled in each school in the Institution. Based upon such monthly certification, the Board shall invoice the affected local school divisions of residence on a monthly basis in order for a one-month portion of the local share per pupil amount to be transferred from the local school division of residence to the Institution. The local school division of residence shall transfer the certified monthly local share per pupil payment to the Institution within 30 calendar days of the receipt of the monthly invoice from the Institution. Such monthly local share per pupil funding shall be based on the Standards of Quality per pupil funding enacted in the current appropriation act."

Explanation:

(This amendment details the implementation of the Opportunity Educational Institution, as proposed by House Bill 2096.)

Explanation:

(This language amendment requires that the Department of Education and the Center for Innovative Technology to annually report to the General Assembly on the level of broadband connectivity of each local school division as well as the level of computer ownership and access to broadband services for each secondary education level student. This is the companion amendment to House Bill 1915 that will require the Board of Education to only approve electronic textbooks for use in grades six through twelve if the "e-books" are equally accessible to all students at school and in their residence. Further, each student's residential access to an appropriate computer shall not be shared with another student.)

Page 251, after line 50, insert:

"G. Notwithstanding any other provision of law or regulation \$500,000 the second year from the special emergency medical services funding shall be provided to the Virginia Rescue Squad Assistance Fund for grants to emergency medical services organizations to purchase 12-lead electrocardiograph monitors."

Explanation:

(This amendment adds language to provide funding from the Rescue Squad Assistance Fund for grants to local Emergency Medical Services (EMS) organizations to purchase 12 lead electrocardiograph (ECG) monitors for ambulances to identify a patient who is suffering from a severe and often fatal heart attack known as a ST-segment elevation myocardial infarction (STEMI). One out of four heart attacks are classified as a STEMI heart attack and less than half of the patients receive treatment within the recommended 90-minute window. The mortality rate for these heart attacks is very high. The use of these 12-lead ECG monitors will allow the EMS provider to quickly determine the type of heart attack and transport the patient to the most appropriate hospital. Many of EMS providers, particularly rural providers, do not have this key piece of equipment, which can cost from \$20,000.00 to \$30,000.00 per unit, but have an extensive service life. Companion amendments in this item and Item 3-1.01 (Interfund Transfers) provide for the funding for this initiative in the Virginia Rescue Squad Assistance Fund (VRSAF) by (i) transferring \$375,000 nongeneral funds from the Office of EMS and (ii) decreasing the transfer of \$10.5 million from the special emergency medical services fund to the general fund by \$125,000 in fiscal year 2014. Another companion amendment in this item adds language requiring the Commissioner of Health to work with the State EMS Advisory Board to prioritize up to \$500,000 in the VRSAF for this new equipment.)

"JJJJ. The Department of Medical Assistance Services shall increase reimbursements to participating physicians in an amount of 3 percent over and above the 2012 reimbursement levels. This increase applies to the Medicaid fee-for-service program as well as services provided through the Medicaid managed care organizations, which shall pass through the entire amount of the increase to physicians."

Explanation:

(This amendment provides \$6.8 million from the general fund in the second year for a three percent increase in the payment rates for Medicaid physician services. Funding is provided from the unappropriated undesignated general funds dollars contained within this act. The federal Patient Protection and Affordable Care Act provides federal funds to increase in Medicaid physician fees for primary care services to the Medicare level in federal fiscal year 2014, 2015 and 2016; however other physician services are not included in that increase.)

Page 280, after line 14, insert:

"JJJ.1. The Secretary of Health and Human Resources and Department of Medical Assistance Services (DMAS) are directed to prepare and file no later than September 1, 2013 an appropriate waiver or series of waivers with the Centers for Medicare and Medicaid Services (CMS) to:

- a. Incorporate existing plans to improve the coordination and management of care for persons eligible for both Medicaid and Medicare (dual eligibles), building on lessons learned in other states as well as the state's own experience with the Program for All-Inclusive Care for the Elderly (PACE) and including provisions for an equitable sharing of savings for both the Virginia Medicaid and the federal Medicare programs from any cost-avoidance that results from improved care coordination and quality.
- b. Develop an enhanced managed care program for the highest cost Medicaid patients, such as frequent emergency department users, patients with 10 or more active prescriptions, and other high-cost patients identified by the department.
- c. Enhance the ability of the Department of Medical Assistance Services to oversee and assess the value provided by managed care plans regarding quality and cost effectiveness of care and patient health outcomes.
- d. Enhance the coordination of care for all populations covered by Medicaid or FAMIS, drawing on lessons from best practices in other states and the Commonwealth's Medicaid managed care systems.
- e. Improve the effectiveness of community mental health services with the goal of reducing, in a manner consistent with public health and safety, the incidence of incarceration of mentally ill adults and children.
- f. Improve the quality of prenatal care and post-partum education provided to pregnant women covered by Medicaid to improve birth outcomes and reduce infant mortality.
- g. Strengthen chronic disease prevention among children covered by Medicaid and FAMIS, focusing on preventing childhood obesity and related co-morbidities such as diabetes.
- h. Take advantage of federal funding to extend coverage to newly eligible individuals, provided that: (i) federal funding commitments are maintained at current levels; and (ii) that the waiver allows the Commonwealth to customize benefits and

other program parameters appropriate for the newly covered population to provide access to high quality, cost effective care, including (1) benefits emphasizing primary care, prevention, wellness and mental health care, (2) incentives for healthy behaviors, (3) limits on nonessential benefits such as non-emergency transportation, and (4) a patient engagement requirement. The patient engagement requirement shall include, but not be limited to, keeping appointments, obtaining appropriate health screenings, and as necessary, participating in smoking cessation, weight management, and substance abuse programs.

i. Other issues as may seem appropriate to further the overall goals of improving access to quality, cost effective care.

2. As a condition of this appropriation, DMAS is authorized to use such nongeneral funds as may be available and shall be necessary to assist in implementation of this item contingent upon the continued receipt of federal financial participation at the current federal medical assistance percentage (FMAP) or higher as provided for in federal law.

3. As a condition of this appropriation, the implementation and maintenance of a Medicaid reform plan that includes any extension of coverage to newly eligible individuals shall be contingent upon the continued receipt of federal financial participation at the current FMAP or higher as provided for in federal law.

4. The Department of Medical Assistance Services shall provide copies of waiver applications, as well as a summary of any expenditure of nongeneral funds in implementing this item to the chairmen of the Senate Education and Health, Senate Finance, House Appropriations, and House Health, Welfare, and Institutions Committees; and the Joint Commission on Health Care."

Explanation:

(This amendment adds language directing the Secretary of Health and Human Resources and the Department of Medical Assistance Services to develop a fiscally responsible and sustainable Medicaid reform proposal that will require a revised federal-state relationship, including significantly enhanced state flexibility. The overall goals of the Medicaid reform proposal are to: (i) put the Medicaid program on a path toward long-term fiscal sustainability; (ii) build on current care management systems and redesign care delivery to improve patient health and quality of care; and (iii) promote patient engagement in the health care delivery system. The federal Patient Protection and Affordable Care Act presents states with significant implementation challenges, especially with regard to the Medicaid program. Virginia's Medicaid program has more stringent eligibility limits, better cost containment, and lower provider rates than programs in many other states. However, costs of the existing program have consistently grown at rates in excess of state revenues over the last twenty years, due in part to federal policy constraints imposed

on the state. Accordingly, simple expansion of the existing Medicaid program is not in the best long-term interests of the Commonwealth. However, broader state flexibility would allow Virginia to (i) reform and strengthen the existing Medicaid program, (ii) design a benefit package and delivery reforms better suited for a potential newly covered population of low-income able bodied adults, and (iii) take advantage of the health improvement and economic benefits from related federal funds.)

"JJJJ. Out of this appropriation, \$3,959,304 from the general fund and \$3,959,304 from nongeneral funds the second year shall be used to increase reimbursement rates for private duty nursing services provided through Medicaid home- and community-based waiver programs by 20 percent. The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides an additional \$4.0 million from the general fund and \$4.0 million in matching federal Medicaid funds in the second year to increase Medicaid reimbursement for private duty nursing services by home care providers by 20 percent. With this additional funding the statewide rate paid for private duty nursing under the Medicaid community-based waiver programs would increase from \$31.50 to \$37.80 per hour for Registered Nurses (RNs) and from \$27.30 to \$32.76 per hour for Licensed Practical Nurses (LPNs) in Northern Virginia. For the rest of the state, rates for RNs would increase from \$25.94 to \$31.12 per hour and rates for LPNs would increase from \$22.52 to \$27.02 per hour).

Health And Human Resources	FY 12-13	FY 13-14

Page 280, after line 14, insert:

"JJJJ. Out of this appropriation, \$600,000 from the general fund and \$600,000 from nongeneral funds the second year shall be used to increase reimbursement rates for adult day health services provided through Medicaid home- and community-based waiver programs by \$10.00 per unit. The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides \$600,000 from the general fund and \$600,000 from matching federal Medicaid funds to provide a \$10.00 per unit increase in the Medicaid waiver reimbursement rate for adult day health services. Adult day health care is much less expensive than alternative care in a nursing facility for which these clients qualify. Providers of adult day health care report a gap of \$18.13 per client per day between actual costs and Medicaid reimbursement, which must be made up through contributions from individuals, churches, corporations, and foundations. These services are almost exclusively provided to Medicaid waiver recipients. This amendment will increase the statewide rate paid for Medicaid adult day health care services from \$50.10/unit to about \$60.10/unit in Northern Virginia and from \$45.65/unit to about \$55.65/unit in the rest of the state. A "unit" represents 6 or more hours in a day.)

The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides funding in the second year and adds language to offset savings assumed in the Department of Medical Assistance Services budget from pending and reducing payment for claims from emergency room physicians who treat Medicaid recipients when a retrospective review determines that the individuals could have received care in an outpatient setting. Emergency room physicians have no choice in treating individuals who present in emergency rooms and must do so as required by federal law. Reduction of payment for certain "non-emergency" Medicaid claims places an unreasonable financial burden on these providers.)

Health And Human Resources	FY 12-13	FY 13-14

The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides funding in the second year and adds language for the agency to ensure that billable activities for individual supported employment through the Medicaid waiver programs are consistent with existing best practice activities for individual supported employment currently established at the Department for Aging and Rehabilitative Services. This change would increase access to individual supported employment for Virginians with disabilities. The fiscal impact is expected to be minimal due to the cost offset of providing more expensive waiver services in lieu of supported employment.)

"JJJJ. The Department of Medicaid Assistance Services shall amend the State Plan for Medical Assistance to increase the reimbursement rates in the current nursing facility operating payment system to eliminate the occupancy standard of 90 percent for indirect and plant costs, effective July 1, 2013. The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment adds \$2.9 million from the general fund and \$2.9 million in matching federal Medicaid funds the second year to eliminate the 90 percent occupancy standard used in calculating nursing home reimbursement rates for indirect care and plant costs. This standard was originally used to adjust nursing home payments to ensure that reimbursements rewarded more cost efficient nursing facilities. The Governor's proposed budget reduces the occupancy rate from 90 percent to 88 percent, recognizing the impact that increased home- and community-based services has had on lowering occupancy rates in nursing facilities and the fact that those remaining in nursing homes have higher acuity levels and consequently higher costs. Currently, about 38 percent of nursing facilities have capacities below 90 percent (98 of 258 facilities). This amendment completely eliminates the standard.)

Page 279. strike lines 7 through 13 and insert:.

BBBB.1. Effective July 1, 2013, the Department of Medical Assistance Services shall have the authority, to establish a 25 percent higher reimbursement rate for congregate residential services for individuals with complex medical or behavioral needs living in a group home, supervised apartment, or independently (excluding those in sponsored residential homes) with four licensed beds or fewer. The department shall have authority to promulgate regulations to implement this change within 280 days or less from the enactment of this act."

Explanation:

(This amendment modifies language in the introduced budget that would provide a 25 percent increase in reimbursement for congregate residential services for individuals with complex medical or behavioral needs living in a group home with four licensed beds or fewer and in danger of institutionalization or moving from an institution. This language residential services for individuals with complex needs living in a supervised apartment or independently and eliminates references to those individuals who are in danger of institutionalization or who are moving from an institution to a group home with four or fewer licensed beds. The amendment also removes language which would have made the increase rate effective through July 30, 2014. Without some assurance of a continuing rate, providers would be reluctant to accept the most challenging individuals or to reduce licensed capacity to better serve existing clients.)

Page 280, after line 14, insert:

"JJJJ. The Department of Medical Assistance Services shall amend the State Plan for Medical Assistance to calculate an indirect medical education (IME) factor for freestanding children’s hospitals already eligible for IME in a manner similar to Type One hospitals. Total payments for IME in combination with other payments for freestanding children’s hospitals may not exceed the federal uncompensated care cost limit that disproportionate share hospital payments are subject to. The Department shall have the authority to implement these reimbursement changes effective July 1, 2013, and prior to completion of any regulatory process undertaken in order to effect such change.”

Explanation:

(This amendment adds language to ensure continuation of Children's Hospital of the King's Daughters' (CHKD) ability to receive Medicaid reimbursement to cover its uncompensated care costs. This amendment protects Virginia’s only freestanding children’s hospital from cuts to the disproportionate share hospital (DSH) payment program directed through the federal Patient Protection and Affordable Care Act (PPACA). With greater than 50 percent of its inpatient days covered by Medicaid, CHKD’s Medicaid utilization is double the next closest provider, resulting in the receipt of more than half of Virginia’s DSH funds that are allocated to private hospitals. This amendment would not require additional funding from the state based on current DSH policy. This amendment significantly increases the amount of authorized indirect medical education (IME) funding to substitute for most or all of the DSH funds allocated to CHKD. It also provides that CHKD will continue to be reimbursed up to the federal uncompensated care cost limit.)

"JJJJ. Contingent upon the Commonwealth not receiving the expected revenue in fiscal year 2013 from the arbitration settlement with tobacco companies as part of the Master Settlement Agreement, the Director, Department of Planning and Budget, is authorized to appropriate from the unappropriated general fund balance in this act, and, if necessary, transfer general fund appropriation from the second year to the first year to backfill the shortage of up to \$21,680,000 in general fund for the Medicaid program."

Explanation:

(This amendment reflects the increased revenue in fiscal year 2013 from the Master Settlement Agreement (MSA) with tobacco manufacturers as a result of a recent tentative agreement. Many states have been involved in arbitration for some time over a dispute with tobacco companies regarding non-participating manufacturer adjustments. In December 2012, 17 states entered into a preliminary settlement with tobacco companies. If approved by the arbitration panel in late January 2013, Virginia will receive a one-time increase in revenue as a result of previously withheld payments being released from escrow. The Office of the Attorney General projects Virginia's MSA payment will be \$172 million for fiscal year 2013, which is \$52.2 million higher than currently projected. Of this amount 41.5 percent will be deposited to the Health Care Fund, which is used as state match for Medicaid. Therefore, \$21.7 million of general fund will be offset in fiscal year 2013 with Health Care Fund revenue.)

"JJJJ. The Department of Medical Assistance Services shall amend the State Plan for Medical Assistance to allow for the implementation and reimbursement of innovative methods and technology used in the diagnostic testing and therapy of Obstructive Sleep Apnea (OSA) to lower costs and improve outcomes in sleep care and associated chronic health conditions for Medicaid recipients. Such methods and technology may include the use of home sleep studies and home testing equipment. The department shall have the authority to implement this change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment adds language directing the Department of Medical Assistance Services to implement and provide reimbursement for the use of innovative methods and technology in the testing and treatment of Medicaid recipients with Obstructive Sleep Apnea. Obstructive sleep apnea (OSA) occurs when there are repeated episodes of complete or partial blockage of the upper airway during sleep. These episodes can reduce the flow of oxygen to vital organs and cause irregular heart rhythms. Without treatment, the sleep deprivation and lack of oxygen caused by sleep apnea increases health risks such as cardiovascular disease, high blood pressure, stroke, diabetes, clinical depression, weight gain and obesity. The most serious consequence of untreated OSA is to the heart. Sleep apnea sufferers have a 30% higher risk of heart attack or death than those unaffected. Currently, most tests are performed in hospitals or free-standing sleep labs. Advancements in technology and home testing equipment have made home sleep studies a more cost effective and convenient alternative for most patients to test and treat OSA.)

"M.1. No later than 90 days after enactment of this Act, the Commissioner of the Department of Behavioral Health and Developmental Services (DBHDS) shall engage an independent professional survey organization to conduct a survey of the authorized representatives of the Commonwealth's Training Center residents to determine if they would prefer for the resident they represent to stay in their existing training center or move into a community placement.

2. If 50 or more of the authorized representatives of any training center elect for their residents to remain in the training center, then the DBHDS (i) may not close the center but (ii) must keep the center open and come up with a plan to lower the costs of the center. Such plan may include, but is not limited to, joint uses of the facilities or land and selling or leasing unused portions to benefit people with intellectual disabilities.

3. If fewer than 50 authorized representatives at a training center elect for the residents they represent to remain at the training center, the DBHDS shall engage an independent professional survey organization to conduct a second survey to determine whether the authorized representatives prefer a local community placement or a placement in another Training Center that will remain open. The DBHDS shall transition those who wish to move into the community into a local placement. For those who wish to move to another training center, the DBHDS shall, to the extent feasible, provide a placement at the training center the authorized representative selects.

4. Where fewer than 50 authorized representatives chose to remain in the training center, the center shall not be closed until such time as the Commonwealth has met all the conditions in sections 5 and 6.

5. On a regional basis, the community services boards serving the residents who wish to move into the community shall certify that:

(i) There is sufficient private vendor capacity in the region to provide the intensive services needed to serve those residents;

(ii) There is in place adequate Medicaid reimbursement for day support, residential

services, and other individually required services to cover the cost of services so as to assure adequate provider long-term economic viability; and

(iii) Vendor staff have sufficient specializations, training, skill, and on-site presence to provide appropriate medical, behavioral, and therapeutic care for the residents leaving the Training Centers.

6. On an individual basis, the community services boards serving the residents shall certify that all residents have successfully transitioned to the community. For purposes of this section, a successful transition means:

(i) All supports called for in the transition plan, including those required by training center health professionals, are in place, and the community residence is staffed with fully trained and licensed personnel;

(ii) The placement provides services and treatment equal to or better than those the resident was receiving in the training center, consistent with that person's needs, as determined by the person's health professionals in consultation with the person's authorized representative;

(iii) Sufficient funding is available to sustain those supports for the foreseeable future, including both transitional funding and long-term supports; and

(iv) These supports are provided within the region of family and friends, if the resident has local contacts to sustain."

Explanation:

(This language amendment requires the Commissioner of the the Department of Behavioral Health and Developmental Services to conduct surveys at the Commonwealth's five training centers to determine how many people wish to remain where they are. If at least 50 wish to remain, the Center would not be closed and the Department must develop a plan to lower the costs of the center. If fewer than 50 elect to remain, a follow-up survey must be conducted to determine whether the authorized representatives prefer a local community placement or a placement in another training center. The Department shall transition those who wish to move into the community into a local placement and those who wish to move to another training center provide a placement at the training center to the extent feasible. Where fewer than 50 authorized representatives choose to remain in the training center, the center shall not be closed until the community services boards determine that (i) there is sufficient private vendor capacity each region to provide the intensive services needed to serve those residents, (ii) there are adequate, long-term Medicaid reimbursements for day support, residential services, and other individually-required services, (iii) providers have sufficient capacity to provide timely and appropriate medical, behavioral, and therapeutic care. Further, budget language requires that community services boards certify that all residents have successfully transitioned to the community meaning that (i) all supports in the transition plan are in place and the

community residence is staffed with fully trained and licensed personnel, (ii) the placement provides services and treatment equal to or better than those the resident was receiving in the training center, consistent with that person's needs, as determined by the person's health professionals in consultation with the person's authorized representative, (iii) sufficient funding is available to sustain those supports for the foreseeable future, including both transitional funding and long-term supports, and (iv) these supports are provided within the region of family and friends, if the resident has local contacts to sustain.)

"2. Out of this appropriation, \$100,000 the second year from the general fund shall be used for the specialized geriatric mental health services programs located in Health Planning Region II (Regional Older Adult Facilities Mental Health Support Team) to serve additional elderly individuals with mental illness who are transitioning from state mental health geriatric units to the community or who are at risk of admission to state mental health geriatric units."

Explanation:

(This amendment provides \$100,000 from the general fund the second year to expand services to elderly individuals with severe mental illness who require assisted living services to discharge or divert individuals from placement in state psychiatric hospitals.)

Department Of Social Services	\$0	\$30,585,600	GF

Language:

Page 305, line 33, strike "\$37,976,417" and insert "\$68,562,017".

Page 306, after line 10, insert:

"4. Effective July 1, 2013, the Department of Social Services is authorized to base approved licensed assisted living facility rates for individual facilities on an occupancy rate of 85 percent of licensed capacity, not to exceed a maximum rate of \$1,661 per month, which rate is also applied to approved adult foster care homes, unless modified as indicated below. The department may add a 15 percent differential to the maximum amount for licensed assisted living facilities and adult foster care homes in Planning District Eight."

Explanation:

(This amendment provides \$2.0 million from the general fund the second year to increase by \$500 per month the maximum rate allowed for assisted living facilities that accept auxiliary grant recipients. The introduced budget proposes an increase of 1.0 percent retroactive to January 1, 2012, recognizing the additional federal cost of living increase for the Supplemental Security Income payment which increases the auxiliary grant rate from \$1,150 to \$1,161. This amendment would increase the rate to \$1,661 per month for about 6,420 Virginians that receive the auxiliary grant for assisted living care. The local share of the cost for the auxiliary grant increase will be approximately \$7.6 million. In addition, the Virginia Medicaid program will incur a cost of about \$8.3 million as the higher rate would qualify additional auxiliary grant recipients for Medicaid benefits.)

"4. The Director, Department of Conservation and Recreation, in consultation with the Virginia Resources Authority, is authorized to make cost effective financing available to New Kent County or the dam owner for modifications necessary for Woodhaven Shores to meet dam safety requirements and to reduce the potential loss of life and damage to downstream property for this high hazard dam, with an inundation zone containing multiple dwellings and a major state highway. Notwithstanding § 10.1-603.19, Code of Virginia, such authority may be used to provide financial or other assistance from the Dam Safety, Flood Prevention and Protection Assistance Fund including the provision of a grant not to exceed \$300,000."

Explanation:

(This amendment provides \$300,000 from the general fund in the second year to rehabilitate the Woodhaven Shores Dam, located in New Kent County. Woodhaven Shores Dam's spillway cannot contain the proper storm event to prevent premature failure and overtopping of Route 60. To upgrade the dam and meet state requirements for public safety, the top of the dam must be made level by applying 1 to 2 feet of fill on top of the dam. This will also involve replacing the existing road on top of the dam and doing maintenance repairs on the spillways. When this work is completed the dam should be sufficient to prevent a dam failure causing premature flooding of the hurricane evacuation route at this location. Route 60 is just downstream of Woodhaven Dam and would be flooded if the dam were to fail. Route 60 is a hurricane evacuation route for the peninsula and its flooding makes the Woodhaven Dam a high hazard dam. In addition, Woodhaven's engineer has stated the primary spillway, riser, and conduit need to be repaired.)

Explanation:

(This amendment provides for the criminal bed space needs associated with expanding the Virginia Racketeer Influenced and Corrupt Organization (RICO) Act to include violations involving unauthorized possession with intent to distribute large quantities of tax-paid contraband cigarettes as a racketeering activity. Any person or enterprise convicted of racketeering is guilty of a felony punishable by not less than 5 years nor more than 40 years and a fine of not more than \$1 million. Currently, a racketeering activity means to commit, attempt to or conspire to commit, or to solicit, coerce or intimidate another to commit two or more of list of offenses, including murder, assault, kidnapping, shooting offenses, grand larceny, embezzlement, fraud, money laundering, drugs, certain cigarette offenses, and others. The amendment is subject to the adoption of House Bill 1780 by the 2013 Session of the General Assembly.)

Page 344, after line 17, insert:

"11. To increase the penalties for first and second convictions for possession with intent to distribute tax-paid contraband cigarettes -- \$50,000."

Explanation:

(This amendment provides for the criminal bed space needs associated with increasing the penalty for possession of tax-paid contraband cigarettes with the intent to distribute them. Currently, any person convicted of possessing, with intent to distribute, 25 cartons of tax-paid cigarettes is guilty of a Class 2 misdemeanor for a first offense and Class 1 misdemeanor for a second or subsequent offense. House Bill 1783 would increase the penalty to a Class 1 misdemeanor for offenses involving less than 500 cartons and a Class 6 felony for offenses involving 500 or more cartons of cigarettes. In addition, the penalty for a second or subsequent offense would be elevated to a Class 6 felony for offenses involving less than 500 cartons and to a Class 5 felony for offenses involving 500 or more cartons of cigarettes. The amendment is subject to the adoption of House Bill 1783 by the 2013 Session of the General Assembly.)

Explanation:

(This amendment provides for the criminal bed space needs associated with adding penalties for the financial exploitation of an incapacitated adult or adult age 60 or older. House Bill 1455 imposes a Class 5 felony for any conviction where the offender knowingly exploits the impaired mental or physical capacity of an adult or incapacitated adult by deception, intimidation, undue influence, coercion, harassment, or misrepresentation to use, obtain, convert, or take control of the property and financial resources of the victim. If the offender is responsible for the care, custody, or control of the victim or has a fiduciary relationship with the victim, the penalty imposed is a Class 3 felony. A Class 5 felony is punishable by up to 10 years in prison or up to 12 months in jail and a fine of no more than \$2,500. A Class 3 is punishable by up to 20 years in prison and a fine of no more than \$100,000. The amendment is subject to the adoption of House Bill 1455 by the 2013 Session of the General Assembly.)

"F.1. Prior to July 1, 2011, the director, Department of Rail and Public transportation, with the approval of CSX Transportation, shall initiate infrastructure improvement projects which promote safety or reduce the average dwell times of hazardous material shipments subject to regulation under Title 49 CFR Part 174 et seq. within rail yards, depots, sidings, and other intermediate terminals or facilities and properties located in the City of Fredericksburg to not longer than 24 hours. These improvements may include, but are not limited to, those that (i) increase capacity at existing storage facilities terminating near Fredericksburg; (ii) increase the physical distance between commodity storage areas and residential communities; and (iii) transfer intermediate storage of commodities to locations closer to terminus of the shipment.

2. Out of the funds available for Rail Industrial Access pursuant to § 33.1-22.1:1, Code of Virginia, up to \$450,000 in the first year and up to \$450,000 in the second year is hereby authorized for associated infrastructure improvements which may be constructed in any location in Virginia so long as their use results in increased safety in Fredericksburg or reduced average dwell times of hazardous materials currently staged in Fredericksburg. Such funds may be awarded to CSX Transportation or other entities or political subdivisions identified by the Department as having responsibility for implementing the associated infrastructure improvement. In the allocation of funds for this project by the Commonwealth Transportation Board, the requirements of § 33.1-22.1:1, Code of Virginia, with the exception of § 33.1-22.1:1 F., are waived.

Explanation:

(This amendment is need to provide flexibility to allow infrastructure to be constructed in other localities that will meet the goal of increased safety in Fredericksburg with regard to rail shipments of hazardous materials.)

Transportation

Department Of Rail And Public
Transportation

Language

Language:

Page 405, after line 28, insert:

"F. Notwithstanding any other provision of law, out of the amounts appropriated for this item such funds as shall be necessary shall be utilized for a study to further analyze the necessary improvements identified in the study undertaken under contract by the Virginia Port Authority in 2010 regarding the Commonwealth Rail Line Safety Relocation Initiative in the City of Suffolk. Such study shall focus on the improvements needed to implement Alternative 4 as identified by in the aforementioned study and is intended to help address the impacts of port-related rail traffic in the City of Suffolk. The Department of Rail and Public Transportation shall work with the Virginia Department of Transportation and the Virginia Port Authority to identify the respective share of project costs that should be borne by each entity, recognizing that the rail project seeks to address adverse highway delays caused by rail traffic emanating from the Virginia Port Authority operated facilities. Such review shall assess the availability of Rail Enhancement Funding, Rail Preservation Funding, Railroad Rehabilitation and Improvement Financing, Transportation Innovation and Finance funding, Highway Safety Improvement Funding, Rail Industrial Access grants and Virginia Port Authority funding available to finance the critical improvements. The Department shall submit a report to the Chairmen of the House Appropriations and Transportation Committees and the Senate Finance and Transportation Committees by November 15, 2013 outlining the potential funding sources and a proposed schedule of completion for the detailed study."

Explanation:

(This amendment directs the Department of Rail and Public Transportation to undertake a study to further investigate the improvements identified in a 2010 study conducted by Moffat and Nichol for the Virginia Port Authority related to the Commonwealth Railway Mainline Safety Relocation in the City of Suffolk. State fund previously was provided to relocate the rail line through the Cities of Portsmouth and Chesapeake, but no such relocation was undertaken in Suffolk. Currently there are 51 public at-grade crossings in Suffolk, traversed by 167,046 vehicles per day, and resulting in 227 daily hours of vehicle delay. Average delay is projected to increase to 617 daily hours if improvements are not made.

Implementation of Alternative 4 identified by the 2010 study would mitigate 31 of the 51 at-grade crossings.)

"G. Out of the amounts provided for dedicated and statewide construction, the Commonwealth Transportation Board shall provide up to \$2,500,000 the second year from Commonwealth Transportation Funds to construct a sound wall south of and adjacent to the Dulles Toll and Access Road between Beulah Road and Trap Road in Vienna, Virginia, a distance of approximately 4,800 linear feet. The department shall work in consultation with the Metropolitan Washington Airports Authority (MWAA) to ensure that MWAA provides a proportion of the needed funded to construct the sound mitigation based on the Dulles Corridor Metrorail Project's contribution to the excessive noise levels at this location."

Explanation:

(This amendment directs the Commonwealth Transportation Board to set aside needed funding to construct a sound wall along a portion of the Dulles Toll Road to address increasing noise levels related to the roadway and rail improvements in the vicinity of the impacted neighborhoods of Chathams Forge, Carters Grove, Coral Ridge and Symphony Meadows in Vienna, Virginia. Studies undertaken by MWAA indicate that these areas are negatively impacted by highway and train noise under the criteria utilized by the Authority yet question the cost effectiveness of the mitigation and therefore have refused to provide relief to the impacted citizens.)

Page 409, after line 37, insert:

"F. Notwithstanding the provisions of § 33.1-23.5:1, pursuant to subsection A of § 33.1-23.1, Code of Virginia, the Commonwealth Transportation Board shall make the following payments to counties which have withdrawn or elect to withdraw from the secondary system of state highways under the provisions of § 11 of Chapter 415 of the Acts of Assembly of 1932, and which have not elected to return: to any county having withdrawn prior to June 30, 1985, an amount equal to \$7,201 per lane-mile for fiscal year 1986, as adjusted annually by the Department of Transportation through the Maintenance Cost Index."

Explanation:

(This amendment equalizes the per mile rates paid to the two counties that have withdrawn from the secondary system. Current language sets separate rates for counties larger or smaller than 100 square miles. As a result, Arlington historically has received almost twice as much state funding per lane miles as had Henrico County. In 2011, Henrico received \$9,101 per lane mile, or about \$12.0 million, while Arlington received \$16,121 per lane mile. Henrico, in fact, receives less per lane mile for its entire road system - including principal and minor arterial roads - than the state budgets for VDOT's maintenance of small collector roads elsewhere in the state. A 2008 study by the General Assembly found that designating Henrico as an urban locality would cost the state an additional \$8.0 million annually.)

"Western Virginia Foundation for the Arts and
Sciences-Center in the Square \$500,000 \$500,000".

Explanation:

(This amendment provides \$500,000 from the general fund the first year and \$500,000 the second year for the Western Virginia Foundation for the Arts and Sciences-Center in the Square. The funding will be used to support operating costs and new arts education programming. The Center in the Square provides nearly \$3 million in operating support to eight essential arts and culture beneficiaries in the Roanoke Valley. The funding will also allow the Center in the Square to sustain its first programmatic venture Aquarium Arts and create southwest Virginia's first Logperch Conservation exhibit designed to promote environmental stewardship and K-12 stream monitoring activities as a practical way to improve the habitat of the federally endangered Logperch species of darter fish.)

"229 Virginia Cooperative Extension and Agricultural Experiment Station Improve Kentland Facilities".

Explanation:

(This amendment adds a new project to the list of projects that are approved for detailed planning under the process outlined in Item C-39.05 of the Appropriations Act.)

Chief Patron: Governor McDonnell

Item C-41 #1g

Central Appropriations

9(D) Revenue Bonds

Language

Language:

Page 473, line 41, strike "\$563,615,000" and insert "\$560,928,000".

Page 473, line 49, strike "\$9,536,000" and insert "\$6,849,000".

Page 474, line 28, strike "\$563,615,000" and insert "\$560,928,000".

Explanation:

(This amendment reduces the appropriation from \$9,536,000 to \$6,849,000 in the 9(d) bond table under Item C-41. The change adjusts an error in the introduced budget for the George Mason University's Expand Central Utility Plant capital project. A companion amendment reduces the appropriation under Item C-8.15.)

Transfers

Interfund Transfers

Language

Language:

Page 480, line 49, strike the second "10,518,587" and insert "10,393,587".

Explanation:

(This amendment reduces the the transfer of \$10.5 million from the special emergency medical services fund to the general fund by \$125,000 in fiscal year 2014 to provide additional funding to the Virginia Rescue Squad Assistance Fund for a grant program for local emergency medical services organizations to purchase 12-lead electrocardiograph (ECG) monitors. These monitors will help to identify patients suffering from a severe and often fatal heart attack known as a ST-segment elevation myocardial infarction (STEMI) and transport them rapidly to appropriate hospitals for timely treatment. Companion amendments Item 290 provide additional funding for this effort by (i) transferring \$375,000 in fiscal year 2014 from the Office of EMS to the VRSAF and (ii) requiring the Commissioner of Health to work with the State EMS Advisory Board to prioritize up to \$500,000 of the VRSAF for this new equipment.)

Chief Patron: O'Bannon

Item 3-3.03 #1h

General Fund Deposits

Interest Earnings

Language

Language:

Page 488, strike line 18.

Explanation:

(This amendment lowers the amount of interest retained by the general fund from the Virginia Rescue Squad Assistance Fund (VRSF) in the Virginia Department of Health by \$153,578 in fiscal year 2014 and eliminates language in Part 3 which retains the interest from the VRSF. This funding will be used in awarding grants to nonprofit and volunteer emergency medical services organizations for recruitment, retention, training, and equipment.)

Adjustments and Modifications to Fees

Recordation Tax Fee

Language

Language:

Page 491, line 33, strike, "The revenue generated from fifty percent of such fee shall be deposited to the general fund."

Page 491, line 34, strike, "the other fifty percent of".

Explanation:

(This amendment allocates \$18.2 million collected from the imposition of a \$20 deed recordation fee for use by the Virginia Natural Resources Commitment Fund for implementation of agricultural best management practices. The \$18.2 million represents the entire amount generated from this deed recordation fee. Currently, 50 percent of the collections are deposited into the general fund and 50 percent of the collections are deposited into the Virginia Natural Resources Commitment Fund.)

Adjustments and Modifications to Fees

Qualified Equity and Subordinated Debt Investment Tax Credit

Language

Language:

Page 492, line 8, after "2012," insert:

"and before December 31, 2012,"

Page 492, line 9, after "\$4,000,000." insert:

"For taxable years beginning on or after January 1, 2013, the amount of the Qualified Equity and Subordinated Debt Investment Tax Credit available under § 58.1-339.4, Code of Virginia, shall be limited to \$6,000,000."

Explanation:

(This amendment increases the annual issuance cap on credits through the Qualified Equity and Subordinated Debt Investments Tax Credit, also known as the angel investor tax credit, to \$6.0 million for taxable years beginning on or after January 1, 2013. This has the effect of reducing available general fund revenues by \$2.0 million in fiscal year 2014.)

Adjustments and Modifications to Fees

Deposit of Fines and Fees

Language

Language:

Page 492, line 16, after "treasury." insert:

"The State Comptroller shall promptly and without delay transmit any and all non-withheld local fees and fines to the locality's treasury not later than sixty (60) days after these fines and fees were collected by the District Courts. This monetary transmittal shall include an accounting of all local fees and fines collected by the District Courts and the dates on which these local fees and fines were collected by the District Court."

Explanation:

(This amendment modifies language included in Chapter 3 pursuant to the distribution of local fines and fees from those localities where more than 50 percent of their collections were written to local ordinances. The new language is intended to clarify the timeliness of the reimbursement to the localities of their portion of the fines and fees.)

Adjustments and Modifications to Fees

Deposit of Fines and Fees

Language

Language:

Page 492, line 16, after, "treasury.", insert:

"The State Comptroller shall promptly and without delay transmit any and all non-withhold local fines and fees to the locality's treasury not later than 60 days after these fines and fees were collected by the District Courts. This monetary transmittal shall include an accounting of all local fines and fees collected by the District Courts and the dates on which these local fines and fees were collected by the District Courts."

Explanation:

(This amendment provides for additional requirements on the Miscellaneous Transfers language requiring that a portion of the fines and fees collected from those localities that collected large fines and fees from citations for speeding along certain interstate highways be deposited to the Literary Fund. The amendment requires the State Comptroller to transmit all non-withheld portions of the fines and fees collected by the Districts Courts to local treasuries within 60 days. The amendment also requires the State Comptroller to account for all fines and fees collected by the District Courts and the dates on which such fines and fees were collected. Currently, only six localities are affected by the fines and fees provision. The total amount collected from these six localities for deposit to the Literary Fund is \$261,972.)

Item 4-0.01 #1h

General Provisions

Operating Policies

Language

Language:

Page 493, after line 14, insert:

"e. No funding in this budget, or matching funds related to funding included in this budget, may be provided to enforce rules, regulations or policies adopted by board of visitors or other governing bodies of a public institution of higher education that would prohibit a full-time faculty member of the institution who possesses a valid Virginia concealed handgun permit or a valid concealed handgun permit from a state with which Virginia has reciprocity, from carrying a concealed handgun on the property of or in the buildings owned by the institution."

Explanation:

(This amendment is self-explanatory.)

Revenues

Nongeneral Fund Revenues

Language

Language:

Page 500, line 37, after "act.", insert:

"Each four-year institution shall provide a copy of the methodology used in determining the appropriate tuition and fee charge for nonresident student groups to the Chairman of the House Appropriations and Senate Finance Committee by July 1 of each fiscal year. The report shall include all analysis of competitive market rates used by the institution in setting current nonresident charges."

Explanation:

(This amendment requests each public college or university to provide a copy of the methodology used in determining nonresident rates to include any market analysis.)

Revenues

Nongeneral Fund Revenues

Language

Language:

Page 500, strike lines 27 through 30 and insert:

"2. a) The Boards of Visitors or other governing bodies of institutions of higher education shall continue to fix, revise from time to time, charge, and collect tuition, fees, rates, rentals, and other charges for the services, goods, or facilities furnished by or on behalf of such institution and may adopt policies regarding any such service rendered or the use, occupancy, or operation of any such facility provided that in-state tuition or instructional fee increases for undergraduate students shall not exceed a percentage equal to the annual percentage increase in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the United States Department of Labor, from January 1 through December 31 of the year immediately preceding the affected year. Further, in no case shall any increase in in-state tuition or instructional fees exceed four percent in any year. The State Council of Higher Education shall report the annual increase in terms of dollars and percent set by the Boards of Visitors of each of the public institutions of higher education in the Commonwealth and the State Board for Community Colleges as well as the relevant CPI-U by September 1 of each year."

Explanation:

(This amendment is self-explanatory.)

Special Conditions and Restrictions on Expenditures

Goods and Services

Language

Language:

Page 519, line 33, strike "or state statute" and insert:

"However, nothing herein shall prevent a physician from providing medical assistance to preserve the life of a pregnant woman provided that every possible measure shall be taken to preserve the life of the unborn child of the pregnant woman."

Explanation:

(This amendment clarifies existing language in the budget which does not allow for expenditures from general or nongeneral funds sources for abortion services, related to medical assistance to preserve the life of the pregnant woman, provided that every possible measure is taken to preserve the life of the unborn child.)

Special Conditions And Restrictions On Expenditures

Governor to Provide Funding for Phase II Dulles Corridor Metrorail Project Language

Language:

Page 522, after line 37, insert:

"In developing the budget bill submitted pursuant to § 2.2-1509, Code of Virginia, for the fiscal year 2014-2016 biennium, the Governor shall develop his proposal so as to include \$150,000,000 in the first year and \$150,000,000 in the second year specifically to support Phase II of the Dulles Corridor Metrorail Project."

Explanation:

(This amendment directs the Governor to include \$150.0 million each year in the budget bill submitted for the next biennium to support Phase II of the Dulles Corridor Metrorail Project.)

Special Conditions And Restrictions On Expenditures

Land Use and Zoning Permits

Language

Language:

Page 522, after line 37, insert:

"No funds may be authorized to be appropriated to any county, city or town in Planning District 9 with a population between 65,000 and 70,000, to charge, prosecute, initiate or file a violation or alleged violation of an administrative permit or special administrative permit pertaining to land use zoning or land use zoning ordinance without a previous on-site investigation done in accordance with the fourth amendment to the United States Constitution."

Explanation:

(This amendment prohibits the provision of any funding to the Commonwealth's localities if such jurisdiction in PDC 9 with a population between 65,000 and 70,000 addresses land use or zoning permit violations without an on-site investigation.)

Chief Patron: Marshall, Robert

Item 4-5.12 #3h

Special Conditions And Restrictions On Expenditures

Land Use and Zoning Permits

Language

Language:

Page 522, after line 37, insert:

"No funds authorized to be appropriated to any county, city or town in Planning District 9 with a population between 65,000 and 70,000, may be used to investigate, initiate or enforce zoning violations of restrictive land use covenants, other than by a full-time employee of the locality, and only in accordance with the fourth amendment to the United States Constitution."

Explanation:

(This amendment prohibits the use of funds to investigate zoning violations other than by full-time local employees in a locality in Planning District 9 with a population between 65,000 and 70,000.)

Special Conditions And Restrictions On Expenditures

Limitations on Fines for Selling Agriculture and Silviculture Products Language

Language:

Page 522, after line 37, insert:

"No funds authorized to be appropriated to any county, city or town in Planning District 9 with a population between 65,000 and 70,000, may be used to charge any citizen or impose a fine greater than one dollar for selling agricultural or silvicultural products or their value-added by-products on property zoned for agriculture, or holding a pumpkin patch or corn maze event of fewer than 100 participants without a permit."

Explanation:

(This amendment prohibits localities in Planning District 9 with a population between 65,000 and 70,000 from imposing fines for selling products, or hosting specific events on land zone for agriculture if attended by fewer than 100 people.)

Special Conditions And Restrictions On Expenditures

Agreements to Sell, Lease or Transfer Operation of Virginia Port Authority Facilities Prohibited Language

Language:

Page 522, after line 37, insert:

"Notwithstanding any provision of law to the contrary, the Commonwealth, or any agency or instrumentality thereof, shall not enter into any agreement for the sale, lease, or operation of any seaport, or any other capital facility under the jurisdiction of the Virginia Port Authority, in Virginia prior to the completion of a comprehensive study of port operations by the House Appropriations and Senate Finance Committees, or by an agency or third party specifically designated by those Committees. These restrictions shall continue subsequent to the completion of such study and remain in force until an agreement for such sale, lease, or operation has been subsequently and specifically authorized in the general appropriation act adopted by the General Assembly."

Explanation:

(This amendment prohibits any agreement for the sale, lease, or operation of Virginia's port facilities until a comprehensive study of the port operations has been conducted and the General Assembly explicitly approves such an agreement as evidenced by language included in the general appropriation act.)

Positions and Employment

Employee Compensation

Language

Language:

Page 529, line 45, unstrike "\$123,524", "\$123,524", and "\$123,524".

Page 529, line 46, delete "\$170,352", "\$170,352" and "\$170,352".

Explanation:

(This amendment corrects the state support for the salary of the director of the New College Institute. The appropriation act allows for the board of visitors to provide a supplement, which is provided by nongeneral funds. The nongeneral fund portion of the director's salary was inadvertently included in the state portion of the director's salary in the introduced budget.)

Effective Date

Effective Date

Language

Language:

Page 544, line 24, after "New Kent," insert "Page,".

Page 544, line 25, before "Southampton" insert "Shenandoah,".

Explanation:

(This amendment increases the list of eligible localities under the Port of Virginia Economic and Infrastructure Development Zone from 36 to 38 jurisdictions by adding Page and Shenandoah counties, which are located near the Virginia Inland Port. This language is included in the budget as the legislation was not adopted as stand-alone legislation during the 2012 Session but included in Part 4 of the budget through a Governor's amendment at the Reconvened Session.)
