"GG. On or before June 30, 2002, the Comptroller shall transfer \$166,000 from the Department of Motor Vehicles to the general fund. This amount represents the estimated revenues to be derived from a one-dollar increase on fees related to motor vehicles records transaction."

Explanation:

(This amendment provides for an increase of one dollar per records transaction that would generate approximately \$5 million annually and represent a 20 percent overall increase. The excess revenue would be transferred to the general fund. For fiscal year 2002, this action will generate approximately \$166,000. A companion amendment is in Item 514.)
