Explanation:

This amendment adjusts revenue estimates downward by \$1,240,000 in fiscal year 2008 to reflect the anticipated fiscal impact of the federal Mortgage Forgiveness Debt Relief Act of 2007 to Virginia. This reduction in general fund resources also results in a \$620,000 increase in the amount that can be withdrawn from the Revenue Stabilization Fund. This increase in the withdrawal is equivalent to one-half of the decrease in general fund resources. The resulting net change in available general fund resources is a reduction of \$620,000 in fiscal year 2008. A companion amendment to Item 260.10 changes the embedded dollar amount referencing the total amount of the Revenue Stabilization Fund withdrawal.)

Explanation:

(This amendment adjusts revenue estimates to reflect an additional \$2,460,000 in revenue generated from the transfer of property from the Commonwealth to the City of Norfolk. Explanation:

(This amendment substitutes language contained in Item 290, Chapter 847, Acts of Assembly of 2007, which directs the Department of Health to provide regional health planning agencies with a portion of excess Certificate of Public Need (COPN) fees, after retaining balances in the fund equal to one month's operational costs in case of revenue shortfalls. Explanation:

(This amendment adds the I-295/Meadowville interchange to the list of projects which are eligible for funding from the Transportation Partnership Opportunity Fund. The Meadowville Interchange will be funded through a combination of federal, local and state funds. Local funds approximately \$20.0 million have been identified, as have federal funds of about \$3.5 million. The total project cost is estimated at \$40.0 million and both engineering and a majority of the right of way acquisition are complete. The interchange is crucial to future employment at the Meadowville Technology Park which is currently one of the five economic development mega-sites in Virginia. With the expansion of Fort Lee, the VCU Engineering school, and the Biotechnology Research Park, this interchange will position the Meadowville Technology Park for significant job expansion and the economic growth which benefits the region and the state.)

"A. Grants provided for in this item shall be administered by the Department of Historic Resources. As determined by the Department, projects of museums and historic sites, as provided for in §§ 10.1-2211, 10.1-2212, and 10.1-2213, Code of Virginia, shall be administered under the provisions of those sections. Others listed in this item shall be administered under the provisions of § 4-5.05 of this act.

B. Prior to the distribution of any funds, the organization or entity shall make application to the department in a format prescribed by the department. The application shall state whether grant funds provided under this item will be used for purposes of operating support or capital outlay and shall include project and spending plans. Unless otherwise specified in this item, the matching share for grants funded from this item may be cash or in-kind contributions as requested by the nonstate organization in its application for state grant funds, but must be concurrent with the grant period. The department shall use applicable federal guidelines assessing the value and eligibility of in-kind contributions to be used as matching amounts.

C. Any balances not drawn down by recipient organizations on June 30, ~~2007~~ 2008 , from appropriations in this item shall not revert to the general fund, but shall be carried forward on the books of the Comptroller. These balances shall remain available for distribution to affected organizations until June 30, ~~2008~~ 2009 , at which time any undistributed balances shall revert to the general fund, except that, in the case of organizations which have not filed an application to receive their appropriations by December 1, ~~2006~~ 2007 , the Governor may direct that the undistributed balances be reverted to the general fund on that date. The Governor shall report amounts reverted and the affected organizations in the ~~2007~~ 2008 Budget Bill.

D. The appropriation to those entities in this item that are marked with an asterisk (*) shall not be subject to the matching requirements of § 4-5.05 of this act.

E. The distribution of a grant originally appropriated to Merchants Hope Church within Chapter 951 of the Acts of Assembly of 2005 shall not be contingent upon the

organization providing any source of matching funds as is normally required by §§ 2.2-1505 and 10.1-2213, Code of Virginia, or § 4-5.05 of this act.

F. Of the amounts appropriated to the Patrick County Music Association, up to \$25,000 shall not be subject to the matching requirements of § 4-5.05 of this act if used by the organization to pay for a study to locate a permanent home for the organization. Such study costs shall include site location and the development of cost estimates for the construction of a new facility or the renovation of an existing structure.

"A. Grants provided for in this item shall be administered by the Department of Historic Resources. As determined by the Department, projects of museums and historic sites, as provided for in §§ 10.1-2211, 10.1-2212, and 10.1-2213, Code of Virginia, shall be administered under the provisions of those sections. Others listed in this item shall be administered under the provisions of § 4-5.05 of this act.

B. Prior to the distribution of any funds, the organization or entity shall make application to the department in a format prescribed by the department. The application shall state whether grant funds provided under this item will be used for purposes of operating support or capital outlay and shall include project and spending plans. Unless otherwise specified in this item, the matching share for grants funded from this item may be cash or in-kind contributions as requested by the nonstate organization in its application for state grant funds, but must be concurrent with the grant period. The department shall use applicable federal guidelines assessing the value and eligibility of in-kind contributions to be used as matching amounts.

C. Any balances not drawn down by recipient organizations on June 30, ~~2007~~ 2008 , from appropriations in this item shall not revert to the general fund, but shall be carried forward on the books of the Comptroller. These balances shall remain available for distribution to affected organizations until June 30, ~~2008~~ 2009 , at which time any undistributed balances shall revert to the general fund, except that, in the case of organizations which have not filed an application to receive their appropriations by December 1, ~~2006~~ 2007 , the Governor may direct that the undistributed balances be reverted to the general fund on that date. The Governor shall report amounts reverted and the affected organizations in the ~~2007~~ 2008 Budget Bill.

D. The appropriation to those entities in this item that are marked with an asterisk (*) shall not be subject to the matching requirements of § 4-5.05 of this act.

E. The distribution of a grant originally appropriated to Merchants Hope Church within Chapter 951 of the Acts of Assembly of 2005 shall not be contingent upon the

organization providing any source of matching funds as is normally required by §§ 2.2-1505 and 10.1-2213, Code of Virginia, or § 4-5.05 of this act.

F. Of the amounts appropriated to the Patrick County Music Association, up to \$25,000 shall not be subject to the matching requirements of § 4-5.05 of this act if used by the organization to pay for a study to locate a permanent home for the organization. Such study costs shall include site location and the development of cost estimates for the construction of a new facility or the renovation of an existing structure.

G. The distributions appropriated to the Virginia Recreational Facilities Authority Explore Park within Chapter 847 of the Acts of Assembly of 2007 shall not be subject to the provisions as is normally required by §4-5.05.b of this act nor the requirements set out by § 10.1-1618, Code of Virginia, to prevent the title of the property from transferring to the Commonwealth.

1. Additional funds in this Item are for the equipment portion of a previously funded capital project authorized in 2004 (Chapter 943, 2003 Acts of the Assembly). Supplemental funds are also provided in this item. The total cost of this project with the supplement and equipment funds is \$23,576,000.

2. The Director, Department of Planning and Budget, and the State Comptroller shall authorize and approve an interest free treasury loan in the amount of \$11,000,000 to the Department of General Services for the ongoing renovation to the Washington Building to cover the increased costs of construction and administration caused by the alleged default of the previous Operator. This treasury loan must be repaid by December 31, 2008; however, if final judgment or settlement of the litigation arising from the alleged default has not occurred prior to this date, the repayment schedule will be modified and repayment shall occur by December 31 of the year final judgment or settlement of the litigation is completed. Any recoveries as a result of the litigation shall be used first to pay back the balance of the treasury loan at such time as any such recovery is received.

There is hereby created on the books of the State Comptroller, a special non-reverting fund known as the Washington Building Renovation and Litigation Fund. This fund shall account for the treasury loan and associated disbursements as well as the recoveries as a result of the litigation. Any dollars remaining in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund. The cash balances in this fund shall not earn interest. "

Explanation:

(The amendment provides an anticipatory treasury loan to the Department of General Services to complete the renovation of the Washington Building and

administration of the project to include litigation currently in progress. Funding is necessary for the work to continue pending the litigation settlement in order not to delay the project and to mitigate increased costs of construction.)

1. Notwithstanding other provisions of the Code of Virginia, the State Board of Education, assisted by the Department of General Services, shall enter into either 1) a conventional design contract and a construction manager at risk contract, or 2) an interim agreement under the Public-Private Education Facilities and Infrastructure Act of 2002 (§ 56-575.1 et seq., Code of Virginia) to plan and design the consolidation of the Virginia School for the Deaf and the Blind at Staunton and the Virginia School for the Deaf, Blind and Multi-Disabled at Hampton into a single campus and transfer the students, programs and services to a single campus at Staunton. Funding in this Item is provided to plan for the necessary renovations, additions and new facility construction at the Staunton campus. The Department of General Services shall develop a plan for disposing of buildings and property no longer necessary for special education purposes. The Department of General Services shall work with the City of Staunton and the Department of Historic Resources when considering proposals that may transfer ownership to or establish long-term leases with private entities. The properties shall be conveyed with appropriate historic easements at fair market value with the proceeds reverting to the general fund to offset the cost of construction of the new facility.

2. The Department of Education shall assist with the coordination with appropriate local entities for the transition of services to a regional day program in the Hampton Roads area by no later than June 30, 2008. The Department of General Services, in

conjunction with the Board of Education may, with the Governor's approval, convey the current Hampton campus to an existing nonprofit or public entity in Hampton Roads to facilitate these services. In addition, the Department of Education shall provide appropriate technical assistance to regional special education programs and school divisions statewide. The Department of General Services shall develop a plan for disposing of buildings and property no longer necessary for special education purposes in the City of Hampton. The Department of General Services shall work with the City of Hampton and the Department of Historic Resources when considering proposals that may transfer ownership to or establish long-term leases with private entities. The properties shall be conveyed with appropriate historic easements at fair market value.

3. Out of this appropriation, ~~\$3,500,000~~ \$2,058,000 the second year from the general fund is available to continue the process for achieving consolidation of the two schools at the Staunton campus. Such funds may be used for, but are not limited to, expenditures to continue planning for consolidation at the Staunton campus and expenditures to facilitate the future use of the Hampton campus."

Explanation:

(This amendment captures savings associated with planning for the consolidation of the Schools for the Deaf and Blind. The remaining funds will sufficiently cover planning for the use of existing buildings.)
