"Improvements: Renovate Washington

Building (16967)	\$4,817,000	\$3,000,000
		\$14,000,000

Fund Sources: General	\$4,817,000	\$3,000,000
Special	\$0	\$11,000,000

1. Additional funds in this Item are for the equipment portion of a previously funded capital project authorized in 2004 (Chapter 943, 2003 Acts of the Assembly). Supplemental funds are also provided in this Item. The total cost of this project with the supplement and equipment funds is \$23,576,000.

2. The Director, Department of Planning and Budget, and the State Comptroller shall authorize and approve an interest free treasury loan in the amount of \$11,000,000 to the Department of General Services for the ongoing renovation to the Washington Building to cover the increased costs of construction and administration caused by the alleged default of the previous Operator. This treasury loan must be repaid by December 31, 2008; however, if final judgment or settlement of the litigation arising from the alleged default has not occurred prior to this date, the repayment schedule will be modified and repayment shall occur by December 31 of the year final judgment or settlement of the litigation is completed. Any recoveries as a result of the litigation shall be used first to pay back the balance of the treasury loan at such time as any such recovery is received.

There is hereby created on the books of the State Comptroller, a special non-reverting fund known as the Washington Building Renovation and Litigation Fund. This fund shall account for the treasury loan and associated disbursements as well as the recoveries as a result of the litigation. Any dollars remaining in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund. The cash balances in this fund shall not earn interest. "

Explanation:

(The amendment provides an anticipatory treasury loan to the Department of General Services to complete the renovation of the Washington Building and administration of the project to include litigation currently in progress. Funding is necessary for the work to continue pending the litigation settlement in order not to

delay the project and to mitigate increased costs of construction.)

--	--------------	---------------------------------------

Fund Sources: General	\$2,500,000	\$3,500,000 \$2,058,000
-----------------------	-------------	---------------------------------------

1. Notwithstanding other provisions of the Code of Virginia, the State Board of Education, assisted by the Department of General Services, shall enter into either 1) a conventional design contract and a construction manager at risk contract, or 2) an interim agreement under the Public-Private Education Facilities and Infrastructure Act of 2002 (§ 56-575.1 et seq., Code of Virginia) to plan and design the consolidation of the Virginia School for the Deaf and the Blind at Staunton and the Virginia School for the Deaf, Blind and Multi-Disabled at Hampton into a single campus and transfer the students, programs and services to a single campus at Staunton. Funding in this Item is provided to plan for the necessary renovations, additions and new facility construction at the Staunton campus. The Department of General Services shall develop a plan for disposing of buildings and property no longer necessary for special education purposes. The Department of General Services shall work with the City of Staunton and the Department of Historic Resources when considering proposals that may transfer ownership to or establish long-term leases with private entities. The properties shall be conveyed with appropriate historic easements at fair market value with the proceeds reverting to the general fund to offset the cost of construction of the new facility.

2. The Department of Education shall assist with the coordination with appropriate local entities for the transition of services to a regional day program in the Hampton Roads area by no later than June 30, 2008. The Department of General Services, in conjunction with the Board of Education may, with the Governor's approval, convey the current Hampton campus to an existing nonprofit or public entity in Hampton Roads to facilitate these services. In addition, the Department of Education shall provide appropriate technical assistance to regional special education programs and

school divisions statewide. The Department of General Services shall develop a plan for disposing of buildings and property no longer necessary for special education purposes in the City of Hampton. The Department of General Services shall work with the City of Hampton and the Department of Historic Resources when considering proposals that may transfer ownership to or establish long-term leases with private entities. The properties shall be conveyed with appropriate historic easements at fair market value.

3. Out of this appropriation, ~~\$3,500,000~~ \$2,058,000 the second year from the general fund is available to continue the process for achieving consolidation of the two schools at the Staunton campus. Such funds may be used for, but are not limited to, expenditures to continue planning for consolidation at the Staunton campus and expenditures to facilitate the future use of the Hampton campus."

Explanation:

(This amendment captures savings associated with planning for the consolidation of the Schools for the Deaf and Blind. The remaining funds will sufficiently cover planning for the use of existing buildings.)

--	-------------	-----

Fund Sources: General	\$7,959,000	\$0
-----------------------	-------------	-----

Virginia State University is authorized to adjust the previously approved scope of the Singleton Hall renovation from 40,119 gross square feet to 43,287 gross square feet to allow for new construction. This change in the scope may occur provided that the cost of the project not increase beyond the amount previously appropriated."

Explanation:

(This amendment modifies the scope of the renovation of Singleton Hall to include new construction space without requiring additional funds. Through a combination of delaying some planned renovation items and adding new construction, the university will have sufficient space for the expanded degree offerings of the business school.)
