"L.1. In an effort to attract and retain professional, well-experienced Legislative Assistants to better serve both the Members of the House of Delegates and Senate, there shall be a review of how to best implement a "years-of-service" category for the Legislative Account authorized to each Member. Seeing that each Member is allotted a set figure to pay staff using funds from that account, it would be beneficial to implement at 5, 10, 15, 20, and 25 years of service an additional allotment to add to the base account funding. Nothing in this category would preclude the cost-of-living increases currently authorized for such accounts. The "years-of-service" category would still be implemented at the discretion of the Member consistent with the policy for funds currently provided in the Legislative Account.

2. The House and Senate Clerk's Office shall review the implementation and parameters of providing an incentive allotment to the existing Legislative Account to better reflect the salaries of the private sector in order to deter turnover and provide incentive to retain more experienced staff which is beneficial to the Member.

3. The House and Senate Clerk's Office shall complete their review and provide their recommendations to the House and Senate Committees on Rules and the Senate Finance and House Appropriations Committees by November 1, 2011 for consideration by the 2012 General Assembly."

Explanation:

(This amendment requires the Senate and House Clerk's offices to conduct a review of funding for Legislative Aides and make recommendations by November 1, 2011.)

B. Out of the amounts provided for in this Item, no expenditures shall be made to provide security devices such as magnetometers in standard use in major metropolitan airports. Personnel expenditures for operation of such equipment incidental to the duties of courtroom and courthouse security deputies may be authorized, provided that no additional expenditures for personnel shall be approved for the principal purpose of operating these devices.

C. Notwithstanding the provisions of § 53.1-120, or any other section of the Code of Virginia, unless a judge provides the sheriff with a written order stating that a substantial security risk exists in a particular case, no courtroom security deputies may be ordered for civil cases, not more than one deputy may be ordered for criminal cases in a district court, and not more than two deputies may be ordered for criminal cases in a circuit court. In complying with such orders for additional security, the sheriff may consider other deputies present in the courtroom as part of his security force.

D. Should the scheduled opening date of any facility be delayed for which funds are available in this Item, the Director, Department of Planning and Budget, may allot such funds as the Compensation Board may request to allow the employment of staff for training purposes not more than 45 days prior to the rescheduled opening date for the facility.

E. Consistent with the provisions of paragraph B of Item 424, the board shall allocate the additional jail deputies provided in this appropriation using a ratio of one jail deputy for every 3.0 beds of operational capacity. Operational capacity shall be determined by the Department of Corrections. No additional deputy sheriffs shall be provided from this appropriation to a local jail in which the present staffing exceeds this ratio unless the jail is overcrowded. Overcrowding for these purposes shall be defined as when the average annual daily population exceeds the operational capacity. In those jails experiencing overcrowding, the board may allocate one additional jail deputy for every five average annual daily prisoners above operational capacity. Should overcrowding be reduced or eliminated in any jail, the Compensation Board shall reallocate positions previously assigned due to overcrowding to other jails in the Commonwealth that are experiencing overcrowding.

F. Two-thirds of the salaries set by the Compensation Board of medical, treatment, and inmate classification positions approved by the Compensation Board for local correctional facilities shall be paid out of this appropriation.

G.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Master Deputy pay grade to those sheriffs' offices which had certified, on or before January 1, 1997, having a career development plan for deputy sheriffs that meets the minimum criteria set forth by the Compensation Board for such plans. The Compensation Board shall allow for additional grade 9 positions, at a level not to exceed one grade 9 Master Deputy per every five Compensation Board grade 7 and 8 deputy positions in each sheriff's office.

2. Each sheriff who desires to participate in the Master Deputy Program who had not certified a career development plan on or before January 1, 1997, may elect to participate by certifying to the Compensation Board that the career development plan in effect in his office meets the minimum criteria for such plans as set by the Compensation Board. Such election shall be made by July 1 for an effective date of participation the following July 1.

3. Subject to appropriations by the General Assembly for this purpose, funding shall be provided by the Compensation Board for participation in the Master Deputy Program to sheriffs' offices electing participation after January 1, 1997, according to the date of receipt by the Compensation Board of the election by the sheriff.

4. Beginning on July 1, 2010, state support for the Master Deputy Program is suspended and state general fund appropriation supporting the Master Deputy Program is removed.

H. There is hereby reappropriated the unexpended balance in this Item on June 30, 2010, and June 30, 2011.

I. The Compensation Board shall estimate biannually the number of additional law enforcement deputies which will be needed in accordance with § 15.2-1609.1, Code of Virginia. Such estimate of the number of positions and related costs shall be included in the board's biennial budget request submission to the Governor and General Assembly. The allocation of such

positions, established by the Governor and General Assembly in Item 424 of this act, shall be determined by the Compensation Board on an annual basis. The annual allocation of these positions to local sheriffs' offices shall be based upon the most recent final population estimate for the locality that is available to the Compensation Board at the time when the agency's annual budget request is completed. The source of such population estimates shall be the Weldon Cooper Center for Public Service of the University of Virginia or the United States Bureau of the Census. For the first year of the biennium, the Compensation Board shall allocate positions based upon the most recent provisional population estimates available at the time the agency's annual budget is completed.

J. Any amount in the program Financial Assistance for Sheriffs' Offices and Regional Jails may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Confinement of Inmates in Local and Regional Facilities, and Financial Assistance for Sheriffs' Offices and Regional Jails.

K.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Sheriffs' Career Development Program.

2. Following receipt of a sheriff's certification that the minimum requirements of the Sheriffs' Career Development Program have been met, and provided that such certification is submitted by Sheriffs as part of their annual budget request to the Compensation Board, the board shall increase the annual salary shown in Paragraph A of this Item by the percentage shown below for a twelve-month period effective the following July 1:

a. 9.3 percent increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program, where such criteria include that a sheriff's office seeking accreditation has been assessed and will be considered for accreditation by the accrediting body no later than March 1, and have achieved accreditation by March 1 from the Virginia Law Enforcement Professional Standards Commission, or the Commission on Accreditation of Law Enforcement agencies, or the American Correctional Association, or,

b. For sheriffs that have not achieved one of the above accreditations:

1. 3.1 percent for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program; and

2. 3.1 percent additional increase for sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and operate a jail; and

3. 3.1 percent additional increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and provide primary law enforcement services in the county.

3. Beginning on July 1, 2010, state support for the Sheriffs' Career Development Program is suspended and state general fund appropriation supporting the Sheriffs' Career Development Program is removed.

L. Notwithstanding the provisions of Article 7, Chapter 15, Title 56, Code of Virginia, \$8,000,000 the first year and \$8,000,000 the second year from the Wireless E-911 Fund is included in this appropriation for local law enforcement dispatchers to offset dispatch center operations and related costs.

M. Included in the appropriation for this Item is \$2,326,937 the first year and \$2,443,441 the second year from the general fund to support costs associated with staffing the Rappahannock Regional Jail Unit D, the Pittsylvania County Jail expansion, the replacement facility for the Patrick County Jail and the Blue Ridge Regional Jail expansion.

N. Notwithstanding § 15.2-1609.1, Code of Virginia, the Compensation Board shall fund local law enforcement deputies for any county without a police force at no more than one deputy for each 2,000 population. The Compensation Board is authorized to provide five law enforcement deputies for counties without a police force and a population less than 10,000.

O. Included in the appropriation for this Item is \$4,150,224 the first year and \$10,837,085 the second year from the Virginia Public Safety Fund to support local court security deputies.

P. Included in the appropriation for this Item is \$4,150,224 the first year and \$10,837,085 the second year from the Virginia Public Safety Fund to support local law enforcement deputies."

A.1. The annual salaries of the sheriffs of the counties and cities of the Commonwealth shall be as hereinafter prescribed, according to the population of the city or county served and whether the sheriff is charged with civil processing and courtroom security responsibilities only, or the added responsibilities of law enforcement or operation of a jail, or both. Execution of arrest warrants shall not, in and of itself, constitute law enforcement responsibilities for the purpose of determining the salary for which a sheriff is eligible.

2. Whenever a sheriff is such for a county and city together, or for two or

more cities, the aggregate population of such political subdivisions shall be the population for the purpose of arriving at the salary of such sheriff under the provisions of this Item and such sheriff shall receive as additional compensation the sum of one thousand dollars.

B. Out of the amounts provided for in this Item, no expenditures shall be made to provide security devices such as magnetometers in standard use in major metropolitan airports. Personnel expenditures for operation of such equipment incidental to the duties of courtroom and courthouse security deputies may be authorized, provided that no additional expenditures for personnel shall be approved for the principal purpose of operating these devices.

C. Notwithstanding the provisions of § 53.1-120, or any other section of the Code of Virginia, unless a judge provides the sheriff with a written order stating that a substantial security risk exists in a particular case, no courtroom security deputies may be ordered for civil cases, not more than one deputy may be ordered for criminal cases in a district court, and not more than two deputies may be ordered for criminal cases in a circuit court. In complying with such orders for additional security, the sheriff may consider other deputies present in the courtroom as part of his security force.

D. Should the scheduled opening date of any facility be delayed for which funds are available in this Item, the Director, Department of Planning and Budget, may allot such funds as the Compensation Board may request to allow the employment of staff for training purposes not more than 45 days prior to the rescheduled opening date for the facility.

E. Consistent with the provisions of paragraph B of Item 424, the board shall allocate the additional jail deputies provided in this appropriation using a ratio of one jail deputy for every 3.0 beds of operational capacity. Operational capacity shall be determined by the Department of Corrections. No additional deputy sheriffs shall be provided from this appropriation to a local jail in which the present staffing exceeds this ratio unless the jail is overcrowded. Overcrowding for these purposes shall be defined as when the average annual daily population exceeds the operational capacity. In those jails experiencing overcrowding, the board may allocate one additional jail deputy for every five average annual daily prisoners above operational capacity. Should overcrowding be reduced or eliminated in any jail, the Compensation Board shall reallocate positions previously assigned due to overcrowding to other jails in the Commonwealth that are experiencing overcrowding.

F. Two-thirds of the salaries set by the Compensation Board of medical, treatment, and inmate classification positions approved by the Compensation Board for local correctional facilities shall be paid out of this appropriation.

G.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Master Deputy pay grade to those sheriffs' offices which had certified, on or before January 1, 1997, having a career development plan for deputy sheriffs that meets the minimum criteria set forth by the Compensation Board for such plans. The Compensation Board shall allow for additional grade 9 positions, at a level not to exceed one grade 9 Master Deputy per every five Compensation Board grade 7 and 8 deputy positions in each sheriff's office.

2. Each sheriff who desires to participate in the Master Deputy Program who had not certified a career development plan on or before January 1, 1997, may elect to participate by certifying to the Compensation Board that the career development plan in effect in his office meets the minimum criteria for such plans as set by the Compensation Board. Such election shall be made by July 1 for an effective date of participation the following July 1.

3. Subject to appropriations by the General Assembly for this purpose, funding shall be provided by the Compensation Board for participation in the Master Deputy Program to sheriffs' offices electing participation after January 1, 1997, according to the date of receipt by the Compensation Board of the election by the sheriff.

4. Beginning on July 1, 2010, state support for the Master Deputy Program is suspended and state general fund appropriation supporting the Master Deputy Program is removed.

H. There is hereby reappropriated the unexpended balance in this Item on June 30, 2010, and June 30, 2011.

I. The Compensation Board shall estimate biannually the number of additional law enforcement deputies which will be needed in accordance with § 15.2-1609.1, Code of Virginia. Such estimate of the number of positions and related costs shall be included in the board's biennial budget request submission to the Governor and General Assembly. The allocation of such

positions, established by the Governor and General Assembly in Item 424 of this act, shall be determined by the Compensation Board on an annual basis. The annual allocation of these positions to local sheriffs' offices shall be based upon the most recent final population estimate for the locality that is available to the Compensation Board at the time when the agency's annual budget request is completed. The source of such population estimates shall be the Weldon Cooper Center for Public Service of the University of Virginia or the United States Bureau of the Census. For the first year of the biennium, the Compensation Board shall allocate positions based upon the most recent provisional population estimates available at the time the agency's annual budget is completed.

J. Any amount in the program Financial Assistance for Sheriffs' Offices and Regional Jails may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Confinement of Inmates in Local and Regional Facilities, and Financial Assistance for Sheriffs' Offices and Regional Jails.

K.1. Subject to appropriations by the General Assembly for this purpose, the Compensation Board shall provide for a Sheriffs' Career Development Program.

2. Following receipt of a sheriff's certification that the minimum requirements of the Sheriffs' Career Development Program have been met, and provided that such certification is submitted by Sheriffs as part of their annual budget request to the Compensation Board, the board shall increase the annual salary shown in Paragraph A of this Item by the percentage shown below for a twelve-month period effective the following July 1:

a. 9.3 percent increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program, where such criteria include that a sheriff's office seeking accreditation has been assessed and will be considered for accreditation by the accrediting body no later than March 1, and have achieved accreditation by March 1 from the Virginia Law Enforcement Professional Standards Commission, or the Commission on Accreditation of Law Enforcement agencies, or the American Correctional Association, or,

b. For sheriffs that have not achieved one of the above accreditations:

1. 3.1 percent for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program; and

2. 3.1 percent additional increase for sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and operate a jail; and

3. 3.1 percent additional increase for all sheriffs who certify their compliance with the established minimum criteria for the Sheriffs' Career Development Program and provide primary law enforcement services in the county.

3. Beginning on July 1, 2010, state support for the Sheriffs' Career Development Program is suspended and state general fund appropriation supporting the Sheriffs' Career Development Program is removed.

L. Notwithstanding the provisions of Article 7, Chapter 15, Title 56, Code of Virginia, \$8,000,000 the first year and \$8,000,000 the second year from the Wireless E-911 Fund is included in this appropriation for local law enforcement dispatchers to offset dispatch center operations and related costs.

M. Included in the appropriation for this Item is \$2,326,937 the first year and \$2,443,441 the second year from the general fund to support costs associated with staffing the Rappahannock Regional Jail Unit D, the Pittsylvania County Jail expansion, the replacement facility for the Patrick County Jail and the Blue Ridge Regional Jail expansion.

N. Notwithstanding § 15.2-1609.1, Code of Virginia, the Compensation Board shall fund local law enforcement deputies for any county without a police force at no more than one deputy for each 2,000 population. The Compensation Board is authorized to provide five law enforcement deputies for counties without a police force and a population less than 10,000.

O. Included in the appropriation for this Item is \$4,150,224 the first year and \$10,837,085 the second year from the Virginia Public Safety Fund to support local court security deputies.

P. Included in the appropriation for this Item is \$4,150,224 the first year and \$10,837,085 the second year from the Virginia Public Safety Fund to support local law enforcement deputies."

Authority: §§ 53.1-83.1, 53.1-84 and 53.1-85, Code of Virginia.

A. In the event the appropriation in this Item proves to be insufficient to fund all of its provisions, any amount remaining as of June 1, 2011, and June 1, 2012, may be reallocated among localities on a pro rata basis according to such deficiency.

B. For the purposes of this Item, the following definitions shall be applicable:

1. Effective sentence--a convicted offender's sentence as rendered by the court less any portion of the sentence suspended by the court.

2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in a local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any person convicted of a misdemeanor offense and sentenced to a term in a local correctional facility; or (c) any person convicted of a felony offense and given an effective sentence of (i) twelve months or less or (ii) less than one year.

3. State responsible inmate--any person convicted of one or more felony offenses and (a) the sum of consecutive effective sentences for felonies, committed on or after January 1, 1995, is (i) more than 12 months or (ii) one year or more, or (b) the sum of consecutive effective sentences for felonies, committed before January 1, 1995, is more than two years.

C. The individual or entity responsible for operating any facility which receives funds from this Item may, if requested by the Department of Corrections, enter into an agreement with the department to accept the transfer of convicted felons, from other local facilities or from facilities operated by the Department of Corrections. In entering into any such agreements, or in effecting the transfer of offenders, the Department of Corrections shall consider the security requirements of transferred offenders and the capability of the local facility to maintain such offenders. For purposes of calculating the amount due each locality, all funds earned by the locality as a result of an agreement with the Department of Corrections shall be included as receipts from these appropriations.

D. Out of this appropriation, an amount not to exceed \$377,010 the first year and \$377,010 the second year from the general fund, is designated to be held in reserve for unbudgeted medical expenses incurred by local correctional facilities in the care of state responsible felons.

E. The following amounts shall be paid out of this appropriation to compensate localities for the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1, Code of Virginia, or if the prisoner is not housed in a local correctional facility, in an alternative to incarceration program operated by, or under the authority of, the sheriff or jail board:

1. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per inmate day.

2. For state responsible inmates--\$12 per inmate day.

F. For the payment specified in paragraph E1 of this Item for prisoners in alternative punishment or alternative to incarceration programs:

1. Such payment is intended to be made for prisoners that would otherwise be housed in a local correctional facility. It is not intended for prisoners that would otherwise be sentenced to community service or placed on probation.

2. No such payment shall be made unless the program has been approved by the Department of Corrections or the Department of Criminal Justice Services. Alternative punishment or alternative to incarceration programs, however, may include supervised work experience, treatment, and electronic monitoring programs.

G.1. Except as provided for in paragraph G 2, and notwithstanding any other provisions of this Item, the Compensation Board shall provide payment to any locality with an average daily jail population of under ten in FY 1995 an inmate per diem rate of \$22 per day for local responsible inmates and \$28 per day for state responsible inmates held in these jails in lieu of personal service costs for corrections' officers.

2. Any locality covered by the provisions of this paragraph shall be exempt from the provisions thereof provided that the locally elected sheriff, with the assistance of the Compensation Board, enters into good faith negotiations to house his prisoners in an existing local or regional jail. In establishing the per diem rate and capital contribution, if any, to be charged to such locality by a local or regional jail, the Compensation Board and the local sheriff or regional jail authority shall consider the operating support and capital contribution made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81, Code of Virginia. The Compensation Board shall report periodically to the Chairmen of the House Appropriations and Senate Finance Committees on the progress of these negotiations and may withhold the exemption granted by this paragraph if, in the board's opinion, the local sheriff fails to negotiate in good faith.

H.1. The Compensation Board shall recover the state-funded costs associated with housing federal inmates, District of Columbia inmates or contract inmates from other states. The Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day salary funds provided by the Commonwealth, as identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day operating costs provided by the Commonwealth, excluding payments otherwise provided for in this Item, as identified in the most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in the most recent Jail Cost Report, the Compensation Board shall use the statewide average of per inmate day salary funds provided by the Commonwealth.

2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth from the facility's next quarterly per diem payment for

state-responsible and local-responsible inmates. Should the next quarterly per diem payment owed the locality not be sufficient against which to net the total quarterly recovery amount, the locality shall remit the remaining amount not recovered to the Compensation Board.

3. Any local or regional jail which receives funding from the Compensation Board shall give priority to the housing of local-responsible, state-responsible, and state contract inmates, in that order, as provided in paragraph H1.

4. The Compensation Board shall not provide any inmate per diem payments to any local or regional jail which holds federal inmates in excess of the number of beds contracted for with the Department of Corrections, unless the Director, Department of Corrections, certifies to the Chairman of the Compensation Board that a) such contract beds are not required; b) the facility has operational capacity built under contract with the federal government; c) the facility has received a grant from the federal government for a portion of the capital costs; or d) the facility has applied to the Department of Corrections for participation in the contract bed program with a sufficient number of beds to meet the Department of Corrections' need or ability to fund contract beds at that facility in any given fiscal year.

5. Any sheriff or regional jail administrator who houses contract prisoners from other states, the District of Columbia, or the federal government for more than 48 hours, shall provide a monthly report to the Director, Department of Corrections, which shall include the classification of the level of security of each such contract inmate and the level of security of the housing unit in which such inmates are confined.

6. The Compensation Board shall apply the cost recovery methodology set out in paragraph H1 of this Item to any jail which holds inmates from another state on a contractual basis. However, recovery in such circumstances shall not be made for inmates held pending extradition to other states or pending transfer to the Virginia Department of Corrections.

7. The provisions of this paragraph shall not apply to any local or regional jail where the cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital contribution.

I.1. Within the limits of funds appropriated in this Item, local and regional jails shall enter into agreements with the Director, Department of Corrections, to house

state-responsible offenders and effect transfers of convicted state felons between and among local and regional jails.

2. Such agreements shall be entered into for a period of one year, subject to the limitations of available funding and shall be for offenders in work release or other reentry programs, with a minimum percentage of bed space guaranteed by the local or regional jail and shall take precedence over contracts for housing federal prisoners, within the limits of bed space availability as defined pursuant to standards of the Board of Corrections, except in any case where a federal agency has contributed a share of the capital cost of the facility in return for a guarantee of a proportional number of beds. Bed space pursuant to such agreements shall be determined by the Director, Department of Corrections, based upon state prisoner intake compliance, operational capacity of the jail, and current and projected prisoner population of the jail.

3. Pursuant to such jail contract bed agreements, the Compensation Board is authorized to provide payment to localities in an amount not to exceed \$8 per state felon day, which shall be in addition to any such amounts otherwise authorized by this act. Any such funds received by the localities as a result of this provision shall be used for the maintenance and operation of the local or regional facility.

J. Any amounts in the program Financial Assistance for Confinement of Inmates in Local and Regional Facilities, may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional Facilities.

K. Projected growth in per diem payments for the support of prisoners in local and regional jails shall be based on actual inmate population counts up through the first quarter of the affected fiscal year.

L. The Compensation Board shall provide an annual report on the number and diagnoses of inmates with mental illnesses in local and regional jails, the treatment services provided, and expenditures on jail mental health programs. The report shall be prepared in cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional Jails, the Virginia Association of Community Services Boards, and the Department of Mental Health, Mental Retardation and Substance Abuse Services, and shall be coordinated with the data submissions required for the annual jail cost report. Copies of this report shall be provided by November 1 of

each year to the Governor, Director, Department of Planning and Budget, and the Chairmen of the Senate Finance and House Appropriations Committees."

E. The following amounts shall be paid out of this appropriation to compensate localities for the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1, Code of Virginia, or if the prisoner is not housed in a local correctional facility, in an alternative to incarceration program operated by, or under the authority of, the sheriff or jail board:

1. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per inmate day.

2. For state responsible inmates--\$12 per inmate day.

F. For the payment specified in paragraph E1 of this Item for prisoners in alternative punishment or alternative to incarceration programs:

1. Such payment is intended to be made for prisoners that would otherwise be housed in a local correctional facility. It is not intended for prisoners that would otherwise be sentenced to community service or placed on probation.

2. No such payment shall be made unless the program has been approved by the Department of Corrections or the Department of Criminal Justice Services. Alternative punishment or alternative to incarceration programs, however, may include supervised work experience, treatment, and electronic monitoring programs.

G.1. Except as provided for in paragraph G 2, and notwithstanding any other provisions of this Item, the Compensation Board shall provide payment to any locality with an average daily jail population of under ten in FY 1995 an inmate per diem rate of \$22 per day for local responsible inmates and \$28 per day for state responsible inmates held in these jails in lieu of personal service costs for corrections' officers.

2. In establishing the per diem rate and capital contribution, if any, to be charged to such locality by a local or regional jail, the Compensation Board and the local sheriff or regional jail authority shall consider the operating support and capital contribution made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81, Code of Virginia. The Compensation Board shall report periodically to the Chairmen of the House Appropriations and Senate Finance Committees on the progress of these negotiations and may withhold the exemption granted by this paragraph if, in the board's opinion, the local sheriff fails to negotiate in good faith.

H.1. The Compensation Board shall recover the state-funded costs associated with housing federal inmates, District of Columbia inmates or contract inmates from other states. The Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day salary funds provided by the Commonwealth, as identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be recovered by the Commonwealth by multiplying the jail's current inmate days for this population by the proportion of the jail's per inmate day operating costs provided by the Commonwealth, excluding payments otherwise provided for in this Item, as identified in the most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in the most recent Jail Cost Report, the Compensation Board shall use the statewide average of per inmate day salary funds provided by the Commonwealth.

2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth from the facility's next quarterly per diem payment for

state-responsible and local-responsible inmates. Should the next quarterly per diem payment owed the locality not be sufficient against which to net the total quarterly recovery amount, the locality shall remit the remaining amount not recovered to the Compensation Board.

3. Any local or regional jail which receives funding from the Compensation Board shall give priority to the housing of local-responsible, state-responsible, and state contract inmates, in that order, as provided in paragraph H1.

4. The Compensation Board shall not provide any inmate per diem payments to any local or regional jail which holds federal inmates in excess of the number of beds contracted for with the Department of Corrections, unless the Director, Department of Corrections, certifies to the Chairman of the Compensation Board that a) such contract beds are not required; b) the facility has operational capacity built under contract with the federal government; c) the facility has received a grant from the federal government for a portion of the capital costs; or d) the facility has applied to the Department of Corrections for participation in the contract bed program with a sufficient number of beds to meet the Department of Corrections' need or ability to fund contract beds at that facility in any given fiscal year.

5. Any sheriff or regional jail administrator who houses contract prisoners from other states, the District of Columbia, or the federal government for more than 48 hours, shall provide a monthly report to the Director, Department of Corrections, which shall include the classification of the level of security of each such contract inmate and the level of security of the housing unit in which such inmates are confined.

6. The Compensation Board shall apply the cost recovery methodology set out in paragraph H1 of this Item to any jail which holds inmates from another state on a contractual basis. However, recovery in such circumstances shall not be made for inmates held pending extradition to other states or pending transfer to the Virginia Department of Corrections.

7. The provisions of this paragraph shall not apply to any local or regional jail where the cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital contribution.

I.1. Within the limits of funds appropriated in this Item, local and regional jails shall enter into agreements with the Director, Department of Corrections, to house

state-responsible offenders and effect transfers of convicted state felons between and among local and regional jails.

2. Such agreements shall be entered into for a period of one year, subject to the limitations of available funding and shall be for offenders in work release or other reentry programs, with a minimum percentage of bed space guaranteed by the local or regional jail and shall take precedence over contracts for housing federal prisoners, within the limits of bed space availability as defined pursuant to standards of the Board of Corrections, except in any case where a federal agency has contributed a share of the capital cost of the facility in return for a guarantee of a proportional number of beds. Bed space pursuant to such agreements shall be determined by the Director, Department of Corrections, based upon state prisoner intake compliance, operational capacity of the jail, and current and projected prisoner population of the jail.

3. Pursuant to such jail contract bed agreements, the Compensation Board is authorized to provide payment to localities in an amount not to exceed \$8 per state felon day, which shall be in addition to any such amounts otherwise authorized by this act. Any such funds received by the localities as a result of this provision shall be used for the maintenance and operation of the local or regional facility.

J. Any amounts in the program Financial Assistance for Confinement of Inmates in Local and Regional Facilities, may be transferred between Items 417 and 418, as needed, to cover any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional Facilities.

K. Projected growth in per diem payments for the support of prisoners in local and regional jails shall be based on actual inmate population counts up through the first quarter of the affected fiscal year.

L. The Compensation Board shall provide an annual report on the number and diagnoses of inmates with mental illnesses in local and regional jails, the treatment services provided, and expenditures on jail mental health programs. The report shall be prepared in cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional Jails, the Virginia Association of Community Services Boards, and the Department of Mental Health, Mental Retardation and Substance Abuse Services, and shall be coordinated with the data submissions required for the annual jail cost report. Copies of this report shall be provided by November 1 of

each year to the Governor, Director, Department of Planning and Budget, and the Chairmen of the Senate Finance and House Appropriations Committees."

2. The attorneys for the Commonwealth and their successors who serve on a full-time basis pursuant to §§ 15.2-1627.1, 15.2-1628, 15.2-1629, 15.2-1630 or § 15.2-1631, Code of Virginia, shall receive salaries as if they served localities with populations

between 35,000 and 44,999.

3. Whenever an attorney for the Commonwealth is such for a county and city together, or for two or more cities, the aggregate population of such political subdivisions shall be the population for the purpose of arriving at the salary of such attorney for the Commonwealth under the provisions of this paragraph and such attorney for the Commonwealth shall receive as additional compensation the sum of one thousand dollars.

B. No expenditure shall be made out of this Item for the employment of investigators, clerk-investigators or other investigative personnel in the office of an attorney for the Commonwealth.

C. Consistent with the provisions of § 19.2-349, Code of Virginia, attorneys for the Commonwealth may, in addition to the options otherwise provided by law, employ individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and restitution. Notwithstanding any other provision of law, beginning on the date upon which the order or judgment is entered, the costs associated with employing such individuals may be paid from the proceeds of the amounts collected provided that the cost is apportioned on a pro rata basis according to the amount collected which is due the state and that which is due the locality. The attorneys for the Commonwealth shall account for the amounts collected and apportion costs associated with the collections consistent with procedures issued by the Auditor of Public Accounts.

D. The provisions of this act notwithstanding, no Commonwealth's attorney, public defender or employee of a public defender, shall be paid or receive reimbursement for the state portion of a salary in excess of the salary paid to judges of the circuit court. Nothing in this paragraph shall be construed to limit the ability of localities to supplement the salaries of locally elected constitutional officers or their employees.

E. The Statewide Juvenile Justice project positions, as established under the provisions of Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of Assembly, are continued under the provisions of this act. The Commonwealth's attorneys receiving such positions shall annually certify to the Compensation Board that the positions are used primarily, if not exclusively, for the prosecution of delinquency and domestic relations felony cases, as defined by Chapters 912 and 924. In the event the positions are not primarily or exclusively used for the prosecution of delinquency and domestic relations felony cases, the

Compensation Board shall reallocate such positions by using the allocation provisions as provided for the board in Item 74 E of Chapters 912 and 924.

F. There is hereby reappropriated the unexpended balance remaining in this program on June 30, 2010, and June 30, 2011.

G. The Compensation Board shall monitor the Department of Taxation program regarding the collection of unpaid fines and court costs by private debt collection firms contracted by Commonwealth's attorneys and shall include, in its annual report to the General Assembly on the collection of court-ordered fines and fees for clerks of the courts and Commonwealth's attorneys, the amount of unpaid fines and costs collected by this program.

H. Out of this appropriation, \$389,165 the first year and \$389,165 the second year from the general fund is designated for the Compensation Board to fund five additional positions in Commonwealth's attorney's offices that shall be dedicated to prosecuting gang-related criminal activities. The board shall ensure that these positions work across jurisdictional lines, serving the Northern Virginia area (counties of Fairfax, Loudoun, Prince William, and Arlington and the cities of Falls Church, Alexandria, Manassas, Manassas Park and Fairfax).

I. Beginning on July 1, 2010, state support for the Career Prosecutor Career Development Program is suspended and state general fund appropriation supporting the Career Prosecutor Career Development Program is removed."

B. No expenditure shall be made out of this Item for the employment of investigators, clerk-investigators or other investigative personnel in the office of an attorney for the Commonwealth.

C. Consistent with the provisions of § 19.2-349, Code of Virginia, attorneys for the Commonwealth may, in addition to the options otherwise provided by law, employ individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and restitution. Notwithstanding any other provision of law, beginning on the date upon which the order or judgment is entered, the costs associated with employing such individuals may be paid from the proceeds of the amounts collected provided that the cost is apportioned on a pro rata basis according to the amount collected which is due the state and that which is due the locality. The attorneys for the Commonwealth shall account for the amounts collected and apportion costs associated with the collections consistent with procedures issued by the Auditor of Public Accounts.

D. The provisions of this act notwithstanding, no Commonwealth's attorney, public defender or employee of a public defender, shall be paid or receive reimbursement for the state portion of a salary in excess of the salary paid to judges of the circuit court. Nothing in this paragraph shall be construed to limit the ability of localities to supplement the salaries of locally elected constitutional officers or their employees.

E. The Statewide Juvenile Justice project positions, as established under the provisions of Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of Assembly, are continued under the provisions of this act. The Commonwealth's attorneys receiving such positions shall annually certify to the Compensation Board that the positions are used primarily, if not exclusively, for the prosecution of delinquency and domestic relations felony cases, as defined by Chapters 912 and 924. In the event the positions are not primarily or exclusively used for the prosecution of delinquency and domestic relations felony cases, the

Compensation Board shall reallocate such positions by using the allocation provisions as provided for the board in Item 74 E of Chapters 912 and 924.

F. There is hereby reappropriated the unexpended balance remaining in this program on June 30, 2010, and June 30, 2011.

G. The Compensation Board shall monitor the Department of Taxation program regarding the collection of unpaid fines and court costs by private debt collection firms contracted by Commonwealth's attorneys and shall include, in its annual report to the General Assembly on the collection of court-ordered fines and fees for clerks of the courts and Commonwealth's attorneys, the amount of unpaid fines and costs collected by this program.

H. Out of this appropriation, \$389,165 the first year and \$389,165 the second year from the general fund is designated for the Compensation Board to fund five additional positions in Commonwealth's attorney's offices that shall be dedicated to prosecuting gang-related criminal activities. The board shall ensure that these positions work across jurisdictional lines, serving the Northern Virginia area (counties of Fairfax, Loudoun, Prince William, and Arlington and the cities of Falls Church, Alexandria, Manassas, Manassas Park and Fairfax).

I. Beginning on July 1, 2010, state support for the Career Prosecutor Career Development Program is suspended and state general fund appropriation supporting the Career Prosecutor Career Development Program is removed."

250,000 and above	\$136,146	\$136,146	\$136,146

2. Whenever a clerk of a circuit court is such for a county and a city, for two or more counties, or for two or more cities, the aggregate population of such political subdivisions shall be the population for the purpose of arriving at the salary of the circuit court clerk under the provisions of this Item.

3. Except as provided in Item 424 A 2, the annual salary herein prescribed shall be full compensation for services performed by the office of the circuit court clerk as prescribed by general law, and for the additional services of acting as general receiver of the court pursuant to § 8.01-582, Code of Virginia, indexing and filing land use application fees pursuant to § 58.1-3234, Code of Virginia, and all other services provided from, or utilizing the facilities of, the office of the circuit court clerk. Pursuant to § 8.01-589, Code of Virginia, the court shall provide reasonable compensation to the office of the clerk of the circuit court for acting as general receiver of the court. Out of the compensation so allowed, the clerk shall pay his bond or bonds. The remainder of the compensation so allowed shall be fee and commission income to the office of the circuit court clerk.

4. In any county or city operating under provisions of law which authorizes the governing body to fix the compensation of the clerk on a salary basis, such clerk shall receive such salary as shall be allowed by the governing body. Such salary shall not be fixed at an amount less than the amount that would be allowed the clerk under paragraphs A 1 through A 3 of this Item.

5. All clerks shall deposit all clerks' fees and state revenue with the State Treasurer in a manner consistent with § 2.2-806, Code of Virginia, unless otherwise provided by the Compensation Board as set forth in § 17.1-284, Code of Virginia or otherwise provided by law.

B. The reports filed by each circuit court clerk pursuant to § 17.1-283, Code of Virginia, for each calendar year shall include all income derived from the performance of any office, function or duty described or authorized by the Code of Virginia whether directly or indirectly related to the office of circuit court

clerk, including, by way of description and not limitation, services performed as a commissioner of accounts, receiver, or licensed agent, but excluding private services performed on a personal basis which are completely unrelated to the office. The Compensation Board may suspend the allowance for office expenses for any clerk who fails to file such reports within the time prescribed by law, or when the board determines that such report does not comply with the provisions of this paragraph.

C. Each clerk of the circuit court shall submit to the Compensation Board a copy of the report required pursuant to § 19.2-349, Code of Virginia, at the same time that it is submitted to the Commonwealth's attorney.

D. There is hereby reappropriated the unexpended balance remaining in this program on June 30, 2010, and June 30, 2011.

E. Included within this appropriation are Trust and Agency funds necessary to support one position to assist circuit court clerks in implementing the recommendations of the Land Records Management Task Force Report dated January 1, 1998.

F. Notwithstanding the provisions of § 17.1-279 E, Code of Virginia, the Compensation Board may allocate to the clerk of any circuit court funds for the acquisition of equipment and software for a pilot project for the automated application for, and issuance of, marriage licenses by such court. Any such funds allocated shall be deemed to have been expended pursuant to clause (iii) of § 17.1-279 E for the purposes of the limitation on allocations set forth in that subsection.

G. Notwithstanding the provisions of § 17.1-279, Code of Virginia, the Compensation Board may allocate up to \$3,978,426 the first year and \$3,978,426 the second year of Technology Trust Fund moneys for operating expenses in the Clerks' offices.

H. Notwithstanding § 17.1-287, Code of Virginia, any elected official funded through this Item may elect to relinquish any portion of his state funded salary established in paragraph A 1 of this Item. In any office where the official elects this option, the Compensation Board shall ensure the amount relinquished is used to fund salaries of other office staff.

I.1. For audits of clerks of the circuit court completed after July 1, 2004, the Auditor of Public Accounts shall report any internal control matter that could be reasonably expected to lead to the loss of revenues or assets, or otherwise compromise fiscal accountability. The Auditor of Public Accounts will also report on compliance with appropriate law and other financial matters of the clerks' office.

2. For internal control matters that could be reasonably expected to lead to the loss of revenues or assets, or otherwise compromise fiscal accountability, the Clerk shall provide the Auditor of Public Accounts a written corrective action plan to any such audit findings within 10 business days of the audit exit conference, which will state what actions the clerk will take to remediate the finding. The clerk's response may also address the other matters in the report. During the next audit, the Auditor of Public Accounts shall determine and report if the clerk has corrected the finding related to internal control matters that could be reasonably expected to lead to the loss of revenues or assets, or otherwise compromise fiscal accountability.

3. Notwithstanding the provisions of Item 469, the Compensation Board shall not provide any salary increase to any circuit court clerk identified by the Auditor of Public Accounts who has not taken corrective action for the matters reported above.

J.1. Subject to appropriation by the General Assembly for this purpose, the Compensation Board may implement a Circuit Court Clerks' Career Development Program.

2. Following receipt of a clerk's certification that the minimum requirements of the Clerks' Career Development Program have been met, and provided that such certification is submitted by Clerks as part of their annual budget request to the Compensation Board by February 1 of each year, the Compensation Board shall increase the annual salary shown in Paragraph A.1. of this Item by 9.3 percent with the salary increase becoming effective on the following July 1 for a 12-month period.

3. Beginning on July 1, 2010, state support for the Clerks' Career Development Program is suspended and state general fund appropriation supporting the Clerks' Career Development Program is removed.

K.1. Subject to appropriation by the General Assembly for this purpose, the Compensation Board may implement a Deputy Clerks of Circuit Courts' Career Development Program.

2. For each deputy clerk selected by the Clerk for participation in the Deputy Clerks' Career Development Program, the Compensation Board shall increase the annual salary established for that position by 9.3 percent following receipt of the Clerk's certification that the minimum requirements of the Deputy Clerks' Career Development Program have been met and provided that such certification is submitted by Clerks as part of their annual budget request to the Compensation Board by February 1 of each year.

3. Beginning on July 1, 2010, state support for the Deputy Clerks' Career Development Program is suspended and state general fund appropriation supporting the Deputy Clerks' Career Development Program is removed.

L. Upon request of the attorney for the Commonwealth, the clerk of the circuit court shall contemporaneously provide the attorney for the Commonwealth copies of all documents provided to the Virginia Criminal Sentencing Commission pursuant to §19.2-298.01 (E), Code of Virginia.

M. The Compensation Board may obligate Trust and Agency funds in excess of the current biennium appropriation for the automation efforts of the clerks' offices from the Technology Trust Fund provided that sufficient cash is available to cover projected costs in each year and that sufficient revenues are projected to meet all cash obligations for new obligations as well as all other commitments and appropriations approved by the General Assembly in the biennial budget."

Authority: Title 2.2-1839; Title 15.2, Chapter 16, Articles 2, 3, 4 and 6.1; Title 17.1, Chapter 2, Article 7, Code of Virginia.

A.1. In determining the salary of any officer specified in Items 417, 419, 420, 421, 422, and 423 of this act, the Compensation Board shall use the greater of the most recent actual United States census count or the most recent provisional population estimate from the United States Bureau of the Census or the Weldon Cooper Center for Public Service of the University of Virginia available when fixing the officer's annual budget and shall adjust such population estimate, where applicable, for any annexation or consolidation order by a court when such order becomes effective. There shall be no reduction in salary by reason of a decline in population during the terms in which the incumbent remains in office.

2. In determining the salary of any officer specified in Items 417, 419, 420, 421, 422, and 423 of this act, nothing herein contained shall prevent the governing body of any county or city from supplementing the salary of such officer in such county

or city for additional services not required by general law; provided, however, that any such supplemental salary shall be paid wholly by such county or city.

3. Any officer whose salary is specified in Items 417, 419, 420, 421, 422, and 423 of this act shall provide reasonable access to his work place, files, records, and computer network as may be requested by his duly elected successor after the successor has been certified.

B.1. Notwithstanding any other provision of law, the Compensation Board shall authorize and fund permanent positions for the locally elected constitutional officers, subject to appropriation by the General Assembly, including the principal officer, at the following levels:

	FY 2011	FY 2012
Sheriffs	10,501	10,501
Partially Funded: Jail Medical, Treatment, and Classification and Records Positions	725	726
Commissioners of the Revenue	128	128
Treasurers	128	128
Directors of Finance	6	6
Commonwealth's Attorneys	1,266	1,266
Clerks of the Circuit Court	1,144	1,144
TOTAL	13,899	13,899

2. The Compensation Board is authorized to provide funding for 549 temporary positions the first year and 549 temporary positions the second year.

3. The board is authorized to adjust the expenses and other allowances for such officers to maintain approved permanent and temporary manpower levels.

4. Paragraphs B 1 and B 2 of this Item shall not apply to the clerks of the circuit courts and their employees specified in § 17.1-288, Code of Virginia, or those under contract pursuant to § 17.1-290, Code of Virginia.

C.1. Reimbursement by the Compensation Board for the use of vehicles purchased or leased with public funds used in the discharge of official duties shall be at a rate equal to that approved by the Joint Legislative Audit and Review Commission for Central Garage Car Pool services. No vehicle purchased or leased with public funds on or after July 1, 2002 shall display lettering on the exterior of the vehicle that includes the name of the incumbent sheriff.

2. Reimbursement by the Compensation Board for the use of personal vehicles in the discharge of official duties shall be at a rate equal to that established in § 4-5.04 f 2. of this act. All such requests for reimbursement shall be accompanied by a certification that a publicly owned or leased vehicle was unavailable for use.

D. The Compensation Board is directed to examine the current level of crowding of inmates in local jails among the several localities and to reallocate or reduce temporary positions among local jails as may be required, consistent with the provisions of this act.

E. Any new positions established in Item 424 of this act shall be allocated by the Compensation Board upon request of the constitutional officers in accordance with staffing standards and ranking methodologies approved by the Compensation Board to fulfill the requirements of any court order occurring from proceedings under § 15.2-1636.8, Code of Virginia, in accordance with the provisions of Item 417 of this act.

F. Any funds appropriated in this act for performance pay increases for designated deputies or employees of constitutional officers shall be allocated by the Compensation Board upon certification of the constitutional officer that the performance pay plan for that office meets the minimum standards for such plans as set by the Compensation Board. Nothing herein, and nothing in any performance pay plan set by the Compensation Board or adopted by a constitutional officer, shall change the status of employees or deputies of constitutional officers from employees at will or create a property or contractual right to employment. Such deputies and employees shall continue to be employees at will who serve at the pleasure of the constitutional officers.

G. The Compensation Board shall apply the current fiscal stress factor, as determined by the Commission on Local Government, to any general fund amounts approved by the Board for the purchase, lease or lease purchase of equipment for constitutional officers. In the case of equipment requests from regional jail superintendents and regional special prosecutors, the highest stress factor of a member jurisdiction will be used.

H. The Compensation Board shall not approve or commit additional funds for the operational cost, including salaries, for any local or regional jail construction, renovation, or expansion project which was not approved for reimbursement by the

State Board of Corrections prior to January 1, 1996, unless: (1) the Secretary of Public Safety certifies that such additional funding results in an actual cost savings to the Commonwealth or (2) an exception has been granted as provided for in Item 377 of this act.

I. Out of this appropriation \$118,110 the first year and \$118,110 the second year from the general fund is designated for executive management, lawful employment practices, and new deputy and jail management training for constitutional officers, their employees, and regional jail superintendents.

J. Any local or regional jail that receives funding from the Compensation Board shall report inmate populations to the Compensation Board, through the local inmate data system, no less frequently than weekly. Each local or regional jail that receives funding from the Compensation Board shall use the Virginia Crime Codes (VCC) in identifying and describing offenses for persons arrested and/or detained in local and regional jails in Virginia.

K.1. The Compensation Board shall provide the Chairmen of the Senate Finance and House Appropriations Committees and the Secretaries of Finance and Administration with an annual report, on December 1 of each year, of jail revenues and expenditures for all local and regional jails and jail farms which receive funds from the Compensation Board. Information provided to the Compensation Board is to include an audited statement of revenues and expenses for inmate canteen accounts, telephone commission funds, inmate medical co-payment funds, any other fees collected from inmates and investment/interest monies for inclusion in the report.

2. Local and regional jails and jail farms and local governments receiving funds from the Compensation Board shall, as a condition of receiving such funds, provide such information as may be required by the Compensation Board, necessary to prepare the annual jail cost report.

3. If any sheriff, superintendent, county administrator, or city manager fails to send such information within five working days after the information should be forwarded, the Chairman of the Compensation Board shall notify the sheriff, superintendent, county administrator or city manager of such failure. If the information is not provided within ten working days from that date, then the chairman shall cause the information to be prepared from the books of the city, county, or regional jail and shall certify the cost thereof to the State Comptroller.

The Comptroller shall issue his warrant on the state treasury for that amount, deducting the same from any funds that may be due the sheriff or regional jail from the Commonwealth.

L. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 (§ 15.2-4100 et seq.) of Title 15.2, Code of Virginia, subsequent to July 1, 1999, the Compensation Board shall provide funding from Items 417, 420, 421, 422, and 423 of this act, consistent with the requirements of § 15.2-1302, Code of Virginia. Notwithstanding the provisions of paragraph F of this Item, any positions in the constitutional offices of the former city which are available for reallocation as a result of the transition shall be first reallocated in accordance with Compensation Board staffing standards to the constitutional officers in the county in which the town is situated, without regard to the Compensation Board's priority of need ranking for reallocated positions. The salary and fringe benefit costs for these positions shall be deducted from any amounts due the county, as provided in § 15.2-1302, Code of Virginia.

M. Notwithstanding any other provisions of § 15.2-1605, Code of Virginia, the Compensation Board shall provide no reimbursement for accumulated vacation time for employees of Constitutional Officers.

N. The Compensation Board is hereby authorized to deduct, from the first reimbursements made each year to localities out of the amounts in Items 417, 419, 420, 421, 422, and 423 of this act, an amount equal to each locality's share of the insurance premium paid by the Compensation Board on behalf of the constitutional offices, directors of finance, and regional jails.

O. Effective July 1, 2007, the Compensation Board is authorized to withhold reimbursements due the locality for sheriff and jail expenses upon notification from the Superintendent of State Police that there is reason to believe that crime data reported by a locality to the Department of State Police in accordance with § 52-28, Code of Virginia, is missing, incomplete or incorrect. Upon subsequent notification by the Superintendent that the data is accurate, the Compensation Board shall make reimbursement of withheld funding due the locality when such corrections are made within the same fiscal year that funds have been withheld.

P. Included in this appropriation is \$993,274 the first year and \$993,274 the second year from the general fund for the Compensation Board to contract for services to be provided by the Virginia Center for Policing Innovation to implement and

maintain the interface between all local and regional jails in the Commonwealth and the Statewide Automated Victim Notification (SAVIN) system, to provide for SAVIN program coordination, and the Virginia Sex Offender Registry.

Q. Notwithstanding the provisions of § 51.1-1403 A, Code of Virginia, the Compensation Board is hereby authorized to deduct, from the first reimbursements made each year to localities out of the amounts in Items 417, 419, 420, 421, 422, and 423 of this act, an amount equal to each locality's retiree health premium paid by the Compensation Board on behalf of the constitutional offices, directors of finance, and regional jails.

R. Notwithstanding any other provision of law to the contrary, beginning July 1, 2010, the state support in Items 417, 419, 420, 421, 422, and 423 for group life insurance and retirement costs is eliminated and state general fund appropriation is removed."

Explanation:

(This language amendment requires the Department to work with eighteen Area Agencies on Aging (AAAs) that receive funding for care coordination to determine the best models to use in the Commonwealth for care coordination, including the Senior Outreach to Services (SOS), a program providing mobile, brief intervention and service linking. Language allows AAAs to submit a plan describing the model of care coordination to be used and requires them to work with the department to ensure that the plan embraces best practices, works with other service delivery systems and includes evaluation measures. The department and designated AAAs are required to determine which models of service delivery are appropriate and demonstrate beneficial use of these funds.)

Explanation:

(This amendment provides \$5.2 million to the general fund and \$6.6 million in

federal Medicaid matching funds the first year and \$21.2 million to the general fund and \$21.2 million in federal Medicaid matching funds the second year to restore funding for respite care services for home and community-based waiver recipients beginning January 1, 2011. The introduced budget reduced available hours of respite care from 720 to 240 hours per year. This funding would restore available hours to 720 per year.)

Explanation:

(This amendment provides \$898,275 from the general fund and \$1.1 million from nongeneral funds the first year and \$1.1 million from the general fund and \$1.1 million from nongeneral funds from federal Medicaid matching funds the second year to provide coverage to pregnant women who legal immigrants and who are otherwise eligible for Medicaid. Federal reauthorization of the Children's Health Insurance Program allows states to offer Medicaid coverage for this population. Medicaid already covers the labor and delivery costs for this population as an emergency service which can be expensive, especially if there are complications due to the lack of prenatal care. Explanation:

(This amendment adds language to continue the current exemption of antidepressant, antianxiety and antipsychotic medications used to treat mental illness from the Medicaid Preferred Drug List. "O. The Department of Behavioral Health and Developmental Services shall submit an annual report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than December 1 of each year for the preceding fiscal year that provides information on the operation of Virginia's publicly-funded behavioral health and developmental services system. The report shall include a brief narrative and data on the numbers of individuals receiving CSB or state facility services, the types and amounts of services received by these individuals, and CSB and state facility service capacities, staffing, revenues, and expenditures. The annual report also shall describe major new initiatives implemented during the past year and shall provide information on the accomplishment of systemic outcome and performance measures during the year. The first annual report shall be submitted no later than December 1, 2010 for fiscal year 2010."

Explanation:

(This amendment deletes outdated budget language and reporting requirements contained in the introduced budget for the Department of Behavioral Health and Developmental Services (DBHDS) and Community Services Boards (CSBs). Budget reductions in fiscal year 2009 and proposed reductions for fiscal year 2010 have

decreased funding for certain line items in the budget. This amendment would delete language that requires (i) an ongoing integrated policy and plan for children's services, (ii) identification of specific substance abuse services to be made available statewide, (iii) assurance of choice for consumers in electing group home services, and (iv) an annual report regarding CSB contracts with private inpatient treatment providers. Language is added to require an annual report to the Governor and Chairmen of the House Appropriations and Senate Finance Committees to provide information on the operation of the publicly funded behavioral health and developmental services system. The department and CSBs are in the process of using more efficient data collection, accountability and reporting mechanisms that will provide consolidated and meaningful data to better respond to the needs of the Governor and General Assembly for information on the services system. A companion amendment in Item 305 proposes similar changes affecting grants to localities for behavioral health and developmental services.)

The Department of Behavioral Health and Developmental Services shall (i) exempt antidepressant, antianxiety and antipsychotic medications used for the treatment of mental illness from the Preferred Drug List program; (ii) continually review utilization of behavioral health medications in state facilities; and (iii) ensure appropriate use of these medications according to federal Food and Drug Administration (FDA) approved indications and dosage levels. The department may also require retrospective clinical justification according to FDA approved indications and dosage levels for the use of multiple behavioral health drugs for patients receiving care in state facilities. For individuals 18 years of age and younger who are prescribed three or more behavioral health drugs, the department may implement clinical edits that target inefficient, ineffective, or potentially harmful prescribing patterns in accordance with FDA approved indications and dosage levels. When such patterns are identified, the department may require a peer-to-peer consultation with the target prescribers. Alternatives discussed during peer-to-peer consultations may be based upon: (i) evidence-based criteria available regarding efficacy or safety of the covered treatments, (ii) policy approval by the Drug Utilization Review Board; and/or (iii) FDA approved indications and dosage levels. However, the target prescriber has final decision-making authority to determine which behavioral health medications to prescribe or refill."

However, this provision shall apply only in fiscal years following a fiscal year in which salary increases are provided for state employees.

Explanation:

(This amendment adds language to provide an automatic inflation adjustment to TANF payments in fiscal years following salary increases for state employees. This is a similar methodology used to adjust family foster care rates. The TANF caseload in Virginia has been cut in half since 1995 while the federal TANF block grant funding level has remained constant, thereby providing sufficient funding for a modest benefit increase. There has been only one TANF benefit increase since 1985. Currently, a family of three receives a monthly benefit amount that is less than a fifth of the federal poverty level. Indexing the benefit payment would prevent further erosion of low-income parents' ability to meet basic needs of children in their own home or in relative care and can be funded entirely from the TANF block grant.)

Explanation:

(This amendment provides \$2.4 million each year from the federal TANF block grant for a rental assistance pilot project that would be created in the Department of Housing and Community Development through its existing Homeless Intervention Program sites, minimizing administrative costs and ensuring that funds go directly to families and individuals in need. The purpose of the pilot project is to temporarily fill the gap between family income and the cost of housing for very low income working families, with priority given to families leaving welfare for work and working families and individuals unable to leave shelters due to the difference between their housing budget and area rents. It is estimated that 375 families could be served in the first year of the pilot project. The project would include the requirement for biannual reports from the participating localities in order to evaluate the effectiveness of the program, as well as a final report to the Governor and the Housing Commission on the effectiveness of the pilot project. Virginia is eligible to receive additional TANF funds through the TANF Emergency Contingency Fund established in the American Recovery and Reinvestment Act of 2009 for increased costs of basic assistance, non-recurrent short-term payments and subsidized employment over a base year of 2007 or 2008. Data from the Department of Social Services demonstrates increased costs in the eligible categories during fiscal year 2009 and fiscal year 2010, which qualifies Virginia for additional reimbursements. The Department may use these funds to offset its increased caseload costs, which should free up TANF funding for the Rental Assistance Program. A companion amendment to House Bill 29 provides start-up funding for the pilot project in fiscal year 2010.)

The department shall use the proceeds from the sale of the burial vaults to purchase additional vaults as needed."

Explanation:

(This amendment provides general fund support for the provision of burial vaults that may be purchased at cost by veterans and their families for burials performed at the Amelia Veterans Cemetery. The funding includes \$20,000 for the purchase of burial vaults and \$16,000 for the purchase of a burial cart, which is necessary for the installation of the burial vaults. The Amelia Veterans Cemetery does not have a burial cart. Only one time funding is needed, because as veterans and their families purchase the burial vaults, the proceeds from the sale of those burial vaults will be used by the agency to purchase additional burial vaults.)

The Board shall calculate the distribution percentage for each PSAP annually prior to the start of each fiscal year based on cost and call load data from all or part of a time period of up to three previous fiscal years."

Explanation:

(This amendment strikes language that has been codified, making that language redundant. The additional language addresses a concern raised by localities that their distribution percentage is currently required to change in October. By removing this requirement, the Wireless E-911 Board can delay the implementation of the new percentages until the start of the next fiscal year. This change also allows the board to consider up to three years of call load and cost data to help level out the peaks and valleys that can sometimes occur with the data in any one fiscal year, which dramatically impacts the local funding for E-911.)

The revenue generated by this additional fee shall be deposited to the general fund for use in supporting efforts to prevent internet crimes against children."

Explanation:

(This amendment provides for the creation of an additional \$10 fee on all persons convicted of felonies and criminal misdemeanors separate from those fees included in the Code of Virginia. The additional fee is projected to produce slightly more than \$1.8 million. This additional revenue will be deposited into the general fund for use in supporting efforts to protect children from internet predators and will be directed to the Northern Virginia Internet Crimes Against Children task force operated by the Virginia State Police, the Southern Virginia Internet Crimes Against Children task force operated by the Bedford County Sheriff's Office, the Department of Criminal Justice Services, and the Department of Social Services.)
