"There is hereby established a task force within the Judicial Department to develop strategies to maintain the administration of justice during this time of limited resources. The task force shall provide recommendations to the Judicial Council of Virginia, including strategies to streamline, reorganize, and consolidate judicial operations, achieve efficiencies and economies of scale, and address the workload of the courts in the most responsible and responsive manner possible. The recommendations of the task force may include proposed legislation for consideration by the General Assembly. The task force shall be chaired by the Chief Justice of the Supreme Court of Virginia. The membership of the task force shall include the Executive Secretary, six judges appointed by the Chief Justice, one member appointed by the Chairman of the Senate Committee on Courts of Justice, one member appointed by the Chairman of the Senate Committee on Finance, two members appointed by the Speaker of the House of Delegates, and one member appointed by the Governor. The Office of the Executive Secretary shall prepare any reports and proposed legislation, as appropriate, and provide such reports and any proposed legislation to the Governor and the General Assembly."

Explanation:

(This amendment creates a task force to develop strategies to enable the Judicial Department to maintain the administration of justice during this time of limited resources. This is one of a series of amendments to enable the criminal justice system

manage its workload effectively during a period of severe budget reductions.)

Any Area Agency on Aging (AAA) that receives funding for care coordination may submit a plan describing the model of care coordination to be implemented and shall work with the Department to ensure that the plan embraces best practices, integrates its other service delivery systems and includes sufficient measures for evaluation. The Department and designated AAAs shall determine which models of service delivery are appropriate

and demonstrate beneficial use of these funds and develop the accompanying service standards."

Explanation:

(This language amendment requires the Department to work with eighteen Area Agencies on Aging that receive funding for care coordination to determine the best models to use in the Commonwealth for care coordination. Allows AAAs to submit a plan describing the model of care coordination to be used and requires them to work with the Department to ensure that the plan embraces best practices, works with other service delivery systems and includes evaluation measures. Explanation:

(This amendment reduces \$14.7 million GF and increases \$14.7 million to the Virginia Health Care Fund the second year to reflect constant revenue collections from cigarette taxes. The introduced budget assumed cigarette tax revenues would fall as a result of an increase in the federal cigarette tax that became effective in April 2009. Based on July through December 2009 collections, there is no evidence that collections are falling. Revenues in the Virginia Health Care Fund are used as the state match for Medicaid, so an increase in revenues allows for a reduction in general fund spending.)
