"J. The Department of Education, in cooperation with the Departments of Health, Social Services, and Planning & Budget, shall convene a workgroup facilitated by the Virginia Early Childhood Foundation, to examine opportunities including, but not limited to, leveraging existing funds targeted to early childhood development with the goal of identifying strategies and mechanisms for developing an integrated early childhood fund. The findings of the workgroup shall be provided by September 15, 2018 to the Joint Subcommittee on the Virginia Preschool Initiative, and shall articulate the potential for existing but underutilized appropriations including, but not limited to, unused Virginia Preschool Initiative funds and TANF, and other funds to support administrative costs that would assist with more fully drawing down federal CACFP funds. The purpose of the integrated early childhood fund shall be to more feasibly implement the cohesive and efficient administration of early childhood resources, increasing access to quality early childhood services for at-risk children with little additional fiscal impact on the Commonwealth's budget."

"GG. Out of this appropriation, \$100,000 the first year from the general fund is for a pilot program to provide school divisions an option of offering a college or career readiness assessment to its 11th grade students."

Explanation:

(This amendment provides \$100,000 GF the first year for a district choice assessment pilot program to provide school divisions an option of offering a college or career readiness assessment to its 11th grade students. The pilot would be paid for by state funds and be directed to school divisions through a process created by the Department of Education in consultation with school superintendents. Covered assessments would include the ACT test, the SAT, and Work Keys. The intent is to increase the number of students taking any college or career assessment by providing greater access and equity to school divisions serving students and families that find it difficult to pay independently, with a goal of getting more low-income, first generation students to enroll and persist in post-secondary education whether through a degree or certificate program.)

A business shall apply to the Superintendent of Richmond City Schools to host an apprentice and be eligible to receive a grant of up to \$2,500 per student, based upon procedures and forms developed by the Superintendent. The Superintendent shall receive nominations of students to serve as apprentices during their junior or senior year of high school from principals and guidance counselors at qualified schools. The Superintendent shall select a maximum of 25 students to participate in the program, the selection of whom shall be based on the needs of the businesses that have applied to participate in the program. Each student shall be eligible to participate in the program for two academic semesters. If more than 25 businesses apply to participate in the program, the Superintendent

shall select the businesses that most closely align with the interests and fields of study of the nominated students. If fewer than 25 businesses apply to participate in the program, a business may elect to host more than one apprentice under the program. In order to be eligible to receive a grant, a business shall provide the apprentice with a stipend that is no less than the amount of the grant received by the business.

2. The Superintendent shall report annually, no later than January 1, to the Governor and the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance. The report shall, at a minimum, identify the businesses that participated in the apprenticeship program, the number of students who participated in the apprenticeship program, the qualified fields in which the apprenticeships were focused, the general experience of the businesses and students who participated, and whether any student who participated in the program pursued a workforce credential or gained employment in the field of the apprenticeship after the apprenticeship concluded.

3. Grant funding in this item is provided in lieu of tax credits included in Senate Bill 937, which shall not become effective."

Explanation:

(This amendment provides \$5.0 million GF the first year to eligible small school divisions that have a total membership of less than 10,000 students and have had a ten percent decline or more in their average daily membership from 2008 to 2017. There is a minimum supplement of

\$75,000 to an eligible school division. In addition, a companion amendment directs to Commission on the Future of Elementary and Secondary Education to develop a plan regarding consolidation of small school divisions.)

The funding is designed to stimulate public colleges and universities to develop partnerships to provide innovative internship programs for their students. Grants will be awarded on a competitive basis to Virginia public colleges and universities, with eligibility criteria determined by the State Council of Higher Education for Virginia. To be eligible for a grant a Virginia public college or university must have at least one private sector partner and the state grant shall be matched equally by the partner with non-state funding.

2. Applications by institutions of higher education shall describe how the proposed internship grants will be used to accomplish one or more of the following goals: (i) support the strategic objectives of the Commonwealth of Virginia regarding designated workforce needs; (ii) support the strategic objectives of the Commonwealth of Virginia regarding research and research commercialization in sectors and clusters targeted for development; (iii) support regional economic growth and diversification plans; (iv) enhance the job readiness and access of

students by providing valuable workplace experience as a member of a team addressing real problems and building skills that employers seek; and (v) reduce the amount of educational loan debt that students will incur without lengthening the course of study leading to a degree or industry-recognized credential."

Explanation:

(This amendment provides \$200,000 GF per year for an internship pilot program to be administered by SCHEV. The internship program would require public institutions of higher education to apply for a grant to demonstrate the pilot and would also require 1-1 matching funds from a non-state source.)

The department shall have the authority to implement these changes effective July 1, 2018, and prior to completion of any regulatory action to effect such change.”

Explanation:

(This amendment directs the Department of Medical Assistance Services to utilize Indirect Medical Education (IME) payments in lieu of Disproportionate Share Hospital (DSH) payments for Children’s National Medical Center as the hospital is at their federal cap preventing the hospital from being able to accept DSH funding from the Commonwealth. The hospital recently met the state threshold to receive IME payments from the Commonwealth and this language directs the continuation of such payments in lieu of any future DSH payments.)

Explanation:

(This amendment adds language to prevent the Department of Medical Assistance Services (DMAS) from retracting payments due to audit fundings of Medicaid Developmentally Disabled (DD) Waiver providers until up to 180 days after the DD Waiver provider manual is published, unless the audit points are supported by the Code of Virginia, regulations, DMAS

Explanation:

(This amendment modifies budget language included in the introduced budget that directs the Department of Medical Assistance Services to implement electronic visit verification (EVV) as mandated in the federal 21st Century Cures Act. The federal law only required EVV for personal care services whereas the budget also requires it for companion and respite services. EVV is not intended to be used to verify service provided at a location other than the individual's home. This budget language clarifies implementation of EVV does not apply to a provider who does periodic service within their regular program setting (respite provided in a group home, a sponsored residential home, or the Reach Program).)

The department shall have the authority to amend the necessary waiver(s) and the State Plan under Titles XIX and XXI of the Social Security Act to include changes to the medical necessity criteria. The department shall submit a report and estimates of any projected cost savings to the Chairmen of the Senate Finance Committee and House Appropriations Committee 30 days prior to implementation of such changes.

3. The department shall work with stakeholders to review changes to services covered, provider qualifications, rates and rate methodologies for private duty nursing services and make recommendations to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2018."

Explanation:

(This amendment authorizes the the Department of Medical Assistance Services (DMAS) to review and adjust the medical necessity criteria for private duty nursing services as a part of Medicaid home and community-based services (HCBS) waivers and the Medicaid Early, Periodic Screening, Diagnosis and Treatment (EPSDT) benefit. The medical necessity criteria for private duty nursing services for individuals in HCBS waivers and those who use the EPSDT benefit has not been evaluated for many years. This review is necessary to ensure that DMAS is applying updated medical necessity criteria that reflects the advances in medical

treatment, new technologies, and use of integrated care models that allow medically complex individuals to live longer, healthier lives in their homes and communities. It will also ensure this service is being utilized in a clinically appropriate and cost effective manner for all Medicaid and FAMIS members and that lower costs services such as skilled nursing, home health nursing, personal care, and behavioral supports are utilized when clinically appropriate.)

(v) The Department of Medical Assistance Services shall ensure that children in the Medicaid and FAMIS programs are screened for adverse childhood experiences.

2. The language in paragraph PPP.1. does not provide an appropriation to meet the requirements of the second enactment clause of Senate Bill 915."

Explanation:

(This amendment provides that it is the General Assembly's intent, subject to future appropriation, to increase coverage to currently unserved populations in need of behavioral health treatment, fund waiver slots for individuals on waiting lists for Medicaid waiver services, and other safety net programs reflected in Senate Bill 915. The bill creates the Priority Needs Access Program which modifies the existing Medicaid GAP waiver to: (i) include individuals with income up to 138 percent of the federal poverty level; (ii) add inpatient and emergency room hospital benefits; (iii) add qualifying diagnoses of mental illness, substance use disorder, or life-threatening or complex medical conditions; and (iv) moves the waiver population into Medicaid managed care. In addition, it provides for 2,296 Medicaid waiver slots to eliminate the Priority One waiting list for disabled individuals in need of services. Lastly, it includes language to ensure that children in Medicaid and FAMIS are being screened for adverse childhood experiences. Explanation:

(This amendment provides \$453,910 the first year and \$635,474 the second year from the general fund and a like amount of federal Medicaid matching funds in each year to restore the appropriation used to provide Disproportionate Share Hospital (DSH) payments to two behavioral health facilities (Piedmont Geriatric Hospital and Catawba Hospital) operated by the Department of Behavioral Health and Developmental Services. DSH payments are made to qualifying hospitals that serve a large number of Medicaid and uninsured individuals. The Patient Protection and Affordable Care Act (ACA, P. L. 111-148 as amended) reduces DSH funding to all states beginning in federal FY 2018 (cuts were originally supposed to begin in FY 2014 but have been delayed). The Bipartisan Budget Act of 2019 (P.L. 115-123) that was recently signed into law February 9, 2018 further delays the DSH reductions until federal fiscal year 2020, resulting in this amendment to restore DSH payment reductions to Piedmont Geriatric and Catawba hospitals).

Higher revenues to the fund reduce the general fund need for Medicaid and likewise any increase in revenue results in additional general fund needed to fully fund the state match for Medicaid. Based on the the last few months of tobacco tax revenues, the decrease reflected in the introduced budget will likely be less than projected. Page 283, line 24, strike "\$325,000" and insert "\$1,000,000".

Explanation:

(This amendment increases the appropriation by \$500,000 each year from the fund where civil monetary penalties assessed on nursing facilities are deposited. By federal law and regulation, these funds can only be used to protect the health of nursing facility residents. The Department of Medical Assistance Services is finalizing an application procedure for special projects aimed at improving the quality of care in nursing facilities. However, the current appropriation related

to special projects (\$325,000 per year) is limited. The additional funds will provide flexibility in project scope or quantity. There are sufficient cash balances to support this added appropriation. The introduced budget included \$175,000 each year for administrative costs which is a policy change over the use of the fund. Considering the limited funding available and the importance of having a reserve for addressing emergency situations, this amendment redirects the administrative appropriation to be used for special projects and clarifies that the fund is not to be used to pay administrative costs.)

Farley, Jr. Health Policy Center at the University of Colorado School of Medicine for their expertise in developing the plan."

Explanation:

(This amendment provides \$150,000 from the general fund and a like amount of federal Medicaid matching funds the first year as one-time funding to contract with Virginia Commonwealth University to develop a comprehensive strategic plan to transform the Medicaid/FAMIS behavioral health system. This strategic plan will redesign Medicaid and FAMIS mental health services into a more complete continuum of care in which services are evidence-based, trauma-focused, clinically necessary, preventative focused and cost effective with positive health outcomes for Medicaid and FAMIS members and their families. This funding will support research of the evidence base and trauma-focused practices for behavioral health services, focus groups with stakeholders, and the development of the strategic plan.)

As part of this review, the actuary shall verify actuarial soundness as required by 42 CFR 438.6(c). The actuary shall review the rate setting methodologies, processes and data used in the rate development for the CCC Plus and Medallion 4.0 programs and make a determination of their impact on the sustainability of the programs in the short-term and an assessment of any potential for an increase in future rates that may result.

2. The department shall assess the feasibility of creating one combined Medicaid managed care program for all populations and services. The actuary shall determine the rates for a combined program and identify any cost savings that could be achieved. The department and the actuary shall report recommendations to the Chairman of the House Appropriations and Senate Finance committees by November 1, 2018.

3. If the report identifies cost savings and administrative efficiencies, the Department of Medical Assistance Services shall develop an implementation plan to merge the CCC Plus program to add all populations from the Medallion 4.0 program (e.g., pregnant women, children, caretaker adults, etc.) to create one combined Medicaid managed care program for all populations and services."

Explanation:

(This amendment provides \$100,000 from the general fund and a like amount of federal Medicaid matching funds for Department of Medical Assistance Services' actuary to conduct a review of health plan capitation rates for the Commonwealth Coordinated Care (CCC) Plus and Medallion 4.0 programs. The CCC Plus program, which began August 1, 2017, expands Medicaid managed care to long-term care services. This new program serves over 200,000 complex individuals at a projected cost of nearly \$6.0 billion in state and federal funds per year. The Medallion 4.0 program has an additional projected cost of nearly \$3.0 billion in state and federal funds per year and will serve over 700,000 individuals. The importance of the Medicaid programs to the Commonwealth requires additional oversight. Therefore, a heightened review of both programs' rates would provide verification the program payment is appropriate to serve the needs of the individuals enrolled and rates are justified within the current funding level for Medicaid. This review will also identify if cost savings can be achieved by creating one combined Medicaid managed care program for all populations and services. In addition, the Department of Medical Assistance Services is directed to develop an implementation plan to add the populations from the Commonwealth's Medallion program to the CCC Plus program to create one combined Medicaid Managed Care Programs if cost savings and administrative efficiencies are identified.)

The department shall report on recommended changes to the agency's staffing and organizational changes to the Chairman of the House Appropriations and Senate Finance Committees by November 15, 2018."

Explanation:

(This amendment directs the Department of Medical Assistance Services to undertake a comprehensive review of the staffing and operations of the agency and develop a plan for the reorganization of the agency that reflects the transition of the overall Medicaid program from a fee-for-services system to a managed care delivery system. The agency's oversight responsibility over managed care is critical for the overall program.)

Explanation:

(This amendment clarifies how inflation updates will be applied during rebasing calculations beginning in the 2020-22 biennium to ensure that prior-year, temporary modifications or limitations on inflation updates imposed for providers in state budgets are not perpetuated into the future when rebasing calculations are made by the department. This clarification does not affect the calculation of inflation for inpatient hospital services during the 2018-20 biennium, which will be rebased in fiscal year 2020. The introduced budget contains an additional \$21.9 million the first year and \$48.3 million the second from the general fund and a like amount of federal Medicaid matching funds to reflect inflationary adjustments and rebasing of hospital

Explanation:

(This amendment reduces \$3.8 million general fund and \$6.3 million nongeneral fund the first year and \$1.1 million general fund and \$3.4 million nongeneral fund the second year that was provided in the introduced budget to reprocur the Cover Virginia call center contract. The current contract expires June 30, 2019, and the agency's procurement strategy is to bring on a new vendor in FY 2019 and operate dual call centers until the new vendor is fully operational. The second year funding is to cover expected higher costs for the new contract. This amendment eliminates the funding and directs the Departments of Medical Assistance Services and Social Services, which also operates a call center, to merge the two call centers into one thereby eliminating the additional funding needs through efficiencies of the merger. The language directs that the central processing unit shall continue as part of the new call center contract and that the Department of Social Services shall evaluate the potential of the unit to process eligibility for other benefit programs. The language only requires the reporting through FY 2019 so the need for the position is unnecessary in the second year. In addition, the report submitted to the Chairmen of the House Appropriations and Senate Finance Committees on the implementation of this initiative on December 1, 2017, did not reflect any significant patterns. Explanation:

(This amendment provides \$2.5 million the first year and \$4.5 million the second year from the general fund for the Department of Behavioral Health and Developmental Services (DBHDS) to implement an alternative transportation system for adults and children under a temporary detention order. State law requires a magistrate issuing an emergency custody order (ECO) or temporary detention order (TDO) to specify a law enforcement agency that will provide transportation of a person to the location for evaluation or temporary detention. The law allows the magistrate to consider transportation other than by law enforcement if identified by the community services board (CSB) evaluator. The alternative transportation can be provided by a family member or friend of the individual, a representative of the CSB, or an alternative provider trained to safely provide transportation. DBHDS implemented a pilot program in 2015 in Southwest Virginia that provided transportation by an alternative provider for individuals under a temporary detention order. The pilot program demonstrated that individuals transported by the alternative provider safely arrived at their destination without incident. This amendment would implement a regionally based transportation service within each of the five primary DBHDS regions with state oversight and certification of providers. This is a recommendation of the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century.)

Explanation:

(This amendment provides \$708,663 from the general fund each year to establish a diversion program in up to three rural communities modeled after the Sequential Intercept Model which focuses on diverting individuals with serious mental illness from incarceration. This amendment specifically directs the establishment of an Intercept 2 diversion program in up to three rural communities. The Intercept 2 model focuses on diverting individuals with behavioral health issues away from detention in jails, through prompt identification of individuals with behavioral health issues through initial screenings and by linking individuals to community-based treatment services through cross-agency partnerships. Explanation:

(This amendment reduces \$907,820 the first year and \$1,270,948 the second year from the general fund and restores a like amount of special fund appropriation in each year to reflect the continuation of Disproportionate Share Hospital (DSH) payments to two behavioral health facilities (Piedmont Geriatric Hospital and Catawba Hospital) operated by the Department of Behavioral Health and Developmental Services. DSH payments are made to qualifying hospitals that serve a large number of Medicaid and uninsured individuals. The Patient Protection and Affordable Care Act (ACA, P. L. 111-148 as amended) reduces DSH funding to all states beginning in federal FY 2018 (cuts were originally supposed to begin in FY 2014 but have been delayed). The Bipartisan Budget Act of 2019 (P.L. 115-123) that was recently signed into law February 9, 2018 further delays the DSH reductions until federal fiscal year 2020, resulting in this amendment to eliminate the general fund that was provided in the introduced

Transitional services shall terminate upon completion of the program.

2. Out of this appropriation, \$50,000 the first year and \$50,000 the second year from the general fund is provided for the extension of transitional services from 12 months to up to 24 months for Virginia's Temporary Assistance for Needy Families Unemployed Parent (TANF-UP) program for recipients enrolled in an accredited post-secondary program for an industry-recognized license or certificate program, associate's degree, or other college certification program.

3. The Department of Social Services shall establish policies for the extension of transitional services that are consistent with current VIEW policies."

Explanation:

(This amendment provides \$50,000 from the general fund and \$303,187 from the federal Temporary Assistance for Needy Families (TANF) block grant each year to extend transitional services for 12 months up to 24 months for individuals who participate in the Virginia Initiative for Employment Not Welfare (VIEW) program and who are enrolled in an accredited post-secondary program for an industry recognized license or certificate program, associates degree or other college certification program. Transition services would terminate upon completion of the program.)

“T.1. The Governor shall include in his introduced budget funding necessary to offset any downward revisions of the general fund revenue estimate prepared for fiscal years 2019 and 2020 after the enactment by the General Assembly of the 2018 Appropriation Act.

a. If within 5 days of the preliminary close of the fiscal year ending on June 30, 2018, the Comptroller's analysis does not determine that a revenue re-forecast is required pursuant to § 2.2-1503.3, Code of Virginia, then such funding shall be used only for employee compensation purposes as stated in paragraphs U., V., and W. below.

2. Funding provided consistent with paragraphs U., V., and W. shall be unallotted if the

provisions of paragraph T.1.a. are not met, and the actions authorized in paragraphs U., V., and W. are not effectuated.

U.1. Funding referenced in paragraph T.1. shall include an amount needed to increase the base salaries of the following employees by two percent on June 10, 2019:

a. Full-time and other classified employees of the Executive Department subject to the Virginia Personnel Act;

b. Full-time employees of the Executive Department not subject to the Virginia Personnel Act, except officials elected by popular vote;

c. Any official whose salary is listed in § 4-6.01 of this act, subject to the ranges specified in the agency head salary levels in § 4-6.01 c;

d. Full-time staff of the Governor's Office, the Lieutenant Governor's Office, the Attorney General's Office, Cabinet Secretaries' Offices, including the Deputy Secretaries, the Virginia Liaison Office, and the Secretary of the Commonwealth's Office;

e. Heads of agencies in the Legislative Department;

f. Full-time employees in the Legislative Department, other than officials elected by popular vote;

g. Legislative Assistants as provided for in Item 1 of this act;

h. Judges and Justices in the Judicial Department;

i. Heads of agencies in the Judicial Department;

j. Full-time employees in the Judicial Department;

k. Commissioners of the State Corporation Commission and the Virginia Workers' Compensation Commission, the Chief Executive Officer of the Virginia College Savings Plan, and the Directors of the Virginia Lottery, and the Virginia Retirement System; and

l. Full-time employees of the State Corporation Commission, the Virginia College Savings Plan, the Virginia Lottery, Virginia Workers' Compensation Commission, and the Virginia Retirement System.

2.a. Employees in the Executive Department subject to the Virginia Personnel Act shall receive the salary increases authorized in this paragraph only if they attained at least a rating of "Contributor" on their latest performance evaluation.

b. Salary increases authorized in this paragraph for employees in the Judicial and Legislative Departments, employees of Independent agencies, and employees of the Executive Department not subject to the Virginia Personnel Act shall be consistent with the provisions of this paragraph, as determined by the appointing or governing authority. However, notwithstanding anything herein to the contrary, the governing authorities of those state institutions of higher education with employees not subject to the Virginia Personnel Act may implement salary increases for such employees that may vary based on performance and other employment-related factors. The appointing or governing authority shall certify to the Department of Human Resource Management that employees receiving the awards are performing at levels at least comparable to the eligible employees as set out in subparagraph 2.a. of this paragraph.

3. The Department of Human Resource Management shall increase the minimum and maximum salary for each band within the Commonwealth's Classified Compensation Plan by two percent on June 10, 2019. No salary increase shall be granted to any employee as a result of this action. The department shall develop policies and procedures to be used in instances when employees fall below the entry level for a job classification due to poor performance. Movement through the revised pay band shall be based on employee performance.

4. The following agency heads, at their discretion, may utilize agency funds or the funds provided pursuant to this paragraph to implement the provisions of new or existing performance-based pay plans:

- a. The heads of agencies in the Legislative and Judicial Departments;
- b. The Commissioners of the State Corporation Commission and the Virginia Workers' Compensation Commission;
- c. The Attorney General;
- d. The Director of the Virginia Retirement System;
- e. The Director of the Virginia Lottery;
- f. The Director of the University of Virginia Medical Center;
- g. The Chief Executive Officer of the Virginia College Savings Plan; and
- h. The Executive Director of the Virginia Port Authority.

5. The base rates of pay, and related employee benefits, for wage employees may be increased by up to two percent no earlier than June 10, 2019. The cost of such increases for wage employees shall be borne by existing funds appropriated to each agency.

6. The governing authorities of those state institutions of higher education with employees may provide a salary adjustment based on performance and other employment-related factors, as long as the increases do not exceed the two percent increase on average.

V.1. Funding referenced in paragraph T.1. shall include an amount needed to increase the base salaries of the following employees by two percent on July 1, 2019:

a. Locally-elected constitutional officers;

b. General Registrars and members of local electoral boards;

c. Full-time employees of locally-elected constitutional officers and,

d. Full-time employees of Community Services Boards, Centers for Independent Living, secure detention centers supported by Juvenile Block Grants, juvenile delinquency prevention and local court service units, local social services boards, local pretrial services act and comprehensive community corrections act employees, and local health departments where a memorandum of understanding exists with the Virginia Department of Health.

W. Funding referenced in paragraph T.1. shall include an amount needed to provide a two percent salary incentive increase, effective July 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium.”

Explanation:

(This amendment directs the Governor to include in his next introduced budget funding necessary to offset any downward revisions of the general fund revenue estimate prepared for FY 2019 and FY 2020 after the enactment by the General Assembly of the 2018 Appropriation Act. The funding shall be equivalent to a two percent raise for state employees, state-supported local employees and teachers, effective July 1, 2019, which shall be held in reserve and directed to be used for a two percent base salary adjustment for the aforementioned employee groups, contingent upon sufficient FY 2018 actual revenues, such that the Comptroller determines that a revenue re-forecast is not required.)

§ 2.2-1514. (Contingent expiration date -- see Editor's notes) Assignment of general fund for nonrecurring expenditures.

A. As used in this section:

"The Budget Bill" means "The Budget Bill" submitted pursuant to § 2.2-1509, including any amendments to a general appropriation act pursuant to such section.

"Nonrecurring expenditures" means the acquisition or construction of capital outlay projects as defined in § 2.2-1518, the acquisition or construction of capital improvements, the acquisition of land, the acquisition of equipment, or other expenditures of a one-time nature as specified in the general appropriation act.

B. At the end of each fiscal year, the Comptroller shall assign within his annual report pursuant to § 2.2-813 as follows: 67 percent of the remaining amount of the general fund balance that is not otherwise restricted, committed, or assigned for other usage within the general fund shall be assigned by the Comptroller for deposit into the Transportation Trust Fund established pursuant to § 33.2-1524 or a subfund thereof, and the remaining amount shall be assigned for nonrecurring expenditures. No such assignment shall be made unless the full amounts required for other restrictions, commitments, or assignments including but not limited to (i) the Revenue Stabilization Fund deposit pursuant to § 2.2-1829, (ii) the Virginia Water Quality Improvement Fund deposit pursuant to § 10.1-2128, but excluding any deposits provided under the Virginia Natural Resources Commitment Fund established under § 10.1-2128.1, (iii) capital outlay reappropriations pursuant to the general appropriation act, (iv)(a) operating expense reappropriations pursuant to the general appropriation act, and (b) reappropriations of unexpended appropriations to certain public institutions of higher education pursuant to § 23.1-1002, (v) pro rata rebate payments to certain public institutions of higher education pursuant to § 23.1-1002, (vi) the unappropriated balance anticipated in the general appropriation act for the end of such fiscal year, ~~and~~ (vii) interest payments on deposits of certain public institutions of higher education pursuant to § 23.1-1002 are set aside, *and (viii) the Revenue Reserve Fund deposit pursuant to § 2.2-1831.3 has been committed on the Comptroller's annual report.* The Comptroller shall set aside amounts required for clauses (iv)(b), (v), and (vii) beginning with the initial fiscal year as determined under § 23.1-1002 and for all fiscal years thereafter.

C. The Governor shall include in "The Budget Bill" pursuant to § 2.2-1509 recommended appropriations from the general fund or recommended amendments to general fund appropriations in the general appropriation act in effect at that time an amount for deposit into the Transportation Trust Fund or a subfund thereof, and an amount for nonrecurring expenditures equal to the amounts assigned by the Comptroller for such purposes pursuant to the provisions of subsection B. Such deposit to the Transportation Trust Fund or a subfund thereof shall not preclude the appropriation of additional amounts from the general fund for transportation purposes.

§ 2.2-1514. (Contingent effective date -- see Editor's notes) Assignment of general fund for

nonrecurring expenditures.

A. As used in this section:

"The Budget Bill" means "The Budget Bill" submitted pursuant to § 2.2-1509, including any amendments to a general appropriation act pursuant to such section.

"Nonrecurring expenditures" means the acquisition or construction of capital outlay projects as defined in § 2.2-1518, the acquisition or construction of capital improvements, the acquisition of land, the acquisition of equipment, or other expenditures of a one-time nature as specified in the general appropriation act.

B. At the end of each fiscal year, the Comptroller shall assign within his annual report pursuant to § 2.2-813 as follows: 67 percent of the remaining amount of the general fund balance that is not otherwise restricted, committed, or assigned for other usage within the general fund shall be assigned by the Comptroller for deposit into the Transportation Trust Fund established pursuant to § 33.2-1524 or a subfund thereof, and the remaining amount shall be assigned for nonrecurring expenditures. No such assignment shall be made unless the full amounts required for other restrictions, commitments, or assignments including but not limited to (i) the Revenue Stabilization Fund deposit pursuant to § 2.2-1829, (ii) the Virginia Water Quality Improvement Fund deposit pursuant to § 10.1-2128, but excluding any deposits provided under the Virginia Natural Resources Commitment Fund established under § 10.1-2128.1, (iii) capital outlay reappropriations pursuant to the general appropriation act, (iv) (a) operating expense reappropriations pursuant to the general appropriation act, and (b) reappropriations of unexpended appropriations to certain public institutions of higher education pursuant to § 23.1-1002, (v) pro rata rebate payments to certain public institutions of higher education pursuant to § 23.1-1002, (vi) the unappropriated balance anticipated in the general appropriation act for the end of such fiscal year, ~~and~~ (vii) interest payments on deposits of certain public institutions of higher education pursuant to § 23.1-1002 are set aside, *and (viii) the Revenue Reserve Fund deposit pursuant to § 2.2-1831.3 has been committed on the Comptroller's annual report.* The Comptroller shall set aside amounts required for clauses (iv) (b), (v), and (vii) beginning with the initial fiscal year as determined under § 23.1-1002 and for all fiscal years thereafter.

C. The Governor shall include in "The Budget Bill" pursuant to § 2.2-1509 recommended appropriations from the general fund or recommended amendments to general fund appropriations in the general appropriation act in effect at that time an amount for deposit into the Transportation Trust Fund or a subfund thereof, and an amount for nonrecurring expenditures equal to the amount assigned by the Comptroller for such purpose pursuant to the provisions of subsection B. Such deposit to the Transportation Trust Fund or a subfund thereof shall not preclude the appropriation of additional amounts from the general fund for transportation purposes.

Article 4.1

Revenue Reserve Fund.

§ 2.2-1831.1. Definitions.

As used in this article unless the context requires a different meaning:

“Budget Bill” means the Budget Bill submitted pursuant to §2.2-1509, including any amendments to a general appropriation act pursuant to such section.

“Fund” means the Revenue Reserve Fund.

§ 2.2-1831.2. Creation of Revenue Reserve Fund.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Revenue Reserve Fund. The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund, except that any amounts accrued to the credit of the Fund, in excess of the limit set forth in subsection B, shall be paid into the general fund. Moneys in the Fund shall be used to offset, in whole or in part, certain anticipated shortfalls in revenues when appropriations based on previous revenue forecasts exceed expected revenues in subsequent forecasts, as provided in § 2.2-1831.4.

B. In no event shall the total amount in the Fund at any time exceed two percent of the total general fund revenues for the prior fiscal year.

§ 2.2-1831.3. Commitment of funds for Revenue Reserve Fund.

A. On or before November 1 of each year, the Auditor of Public Accounts shall report to the General Assembly the total general fund revenues collected in the most recently ended fiscal year. At the same time, the Auditor of Public Accounts shall report on the amount that could be paid into the Fund pursuant to subsection B., and the amount that the existing Fund balance is below the maximum amount permitted.

B. At the end of a fiscal year, the Comptroller shall include within his annual report pursuant to § 2.2-813 full amounts required for restrictions, commitments, or assignments for (i) the mandatory Revenue Stabilization Fund deposit pursuant to § 2.2-1829, (ii) the Virginia Water Quality Improvement Fund deposit pursuant to § 10.1-2128, but excluding any deposits provided under the Virginia Natural Resources Commitment Fund established under § 10.1-2128.1, (iii) capital outlay reappropriations pursuant to the general appropriation act, (iv) (a) operating expense reappropriations pursuant to the general appropriation act, and (b) reappropriations of unexpended appropriations to certain public institutions of higher education pursuant to § 23.1-1002, (v) pro rata rebate payments to certain public institutions of higher

education pursuant to § 23.1-1002, (vi) the unappropriated balance anticipated in the general appropriation act for the end of such fiscal year, (vii) interest payments on deposits of certain public institutions of higher education pursuant to § 23.1-1002 , and (viii) any amounts that normally would be committed or assigned pursuant to GASB standards. The Comptroller shall commit the remaining general fund balance, up to a maximum of one percent of total general fund revenues for the prior fiscal year, for deposit into the Revenue Reserve Fund.

C. The Governor shall include in the Budget Bill, pursuant to §2.2-1509, recommended appropriations from the general fund or recommended amendments to the general fund appropriations in the general appropriations act in effect at that time, an amount for deposit into the Fund at least equal to the amounts committed by the Comptroller for such purpose pursuant to the provisions of subsection B. A schedule of deposits may be provided in the appropriation act. The General Assembly shall, in its discretion, appropriate any amount deemed appropriate to the Fund from the amount committed by the Comptroller, and may appropriate any other amounts to the Fund that it deems necessary.

D. The State Comptroller shall draw such warrants as appropriated, and the State Treasurer shall deposit such warrants into the Fund. No withdrawal shall be made from the Fund except in accordance with §2.2-1831.4.

E. For the purposes of the Comptroller's preliminary and final annual reports as required by § 2.2-813, all balances remaining in the Fund on June 30 of each year, shall be considered to be a portion of the fund balance of the general fund of the state treasury.

§ 2.2-1831.4. Transfers and Appropriations from the Fund.

A. In the event that a revised general fund forecast presented to the General Assembly reflects a decline, when compared with total general fund revenues appropriated, and the decline is two percent or less of general fund revenues collected in the most recently ended fiscal year, the General Assembly may appropriate an amount for transfer from the Fund, not to exceed 50 percent of the amount in the Fund, to the general fund to stabilize general fund revenues.

B. If the revised general fund forecast is presented when the General Assembly is not in session, the Governor shall manage the projected shortfall through spending limits pursuant to § 4-1.02 of the appropriation act related to Withholding of Appropriation Authority. If in any fiscal year, after review of the May general fund revenue collections, the Governor certifies to the General Assembly that actions taken to curtail spending will not be sufficient to avoid a cash deficit, the Governor may appropriate amounts in the Fund to avoid such cash deficit, not to exceed 50 percent of the amount in the Fund.

§ 2.2-1831.5. Sources or components of general fund revenues.

Any revised general fund revenue forecast presented to the General Assembly for purposes of this article shall consist of the same revenue sources or components as those on which the total general fund revenues appropriated are based.

3. That the provisions of the first enactment of this act shall expire at midnight on June 30,

2020. The provisions of the second enactment shall have no expiration date."

Explanation:

(This amendment is a companion amendment to Item 266 which reduces the deposit to the Revenue Cash Reserve by \$90.7 million, leaving a total deposit in of \$45.0 million in FY 19 and \$156.4 million in FY 20.)
