"G. The Secretary of Health and Human Resources shall convene a workgroup to review and make recommendations regarding a community doula benefit for pregnant and postpartum women covered by Medicaid. The workgroup shall include representatives from the Department of Medical Assistance Services, the Virginia Department of Health, and the Department of Health Professions, as well as representatives from community doula practitioners and any other relevant stakeholders. The workgroup shall examine and report on (i) federal requirements and permissibility associated with providing a Medicaid community doula benefit and existing models for state implementation; (ii) a recommended approach for ensuring minimum qualifications and training among community doula practitioners; (iii) recommended reimbursement rates and types of community doula services to be covered; and (iv) estimated costs and potential savings to the state over the next six years. The workgroup's recommendations shall address certification, workforce assessment, appropriate data and reporting needs, contracting considerations, and project implementation planning. As part of its review, the workgroup shall conduct a rate study to determine appropriate reimbursement rates for certified doula services for pregnant persons, and shall report its rate study findings to the Chairs of the House Welfare and Institutions and Senate Education and Health Committees by September 1, 2020. The workgroup shall report interim-findings and progress to the Governor and to the Chairs of the House Appropriations and Senate Finance and Appropriations

Committees by December 31, 2020. The workgroup shall issue completed findings and recommendations to the Governor and to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by June 30, 2021."

Explanation:

(This amendment replaces language in the introduced budget which creates a workgroup in the Office of the Secretary of Health and Human Resources to review and make recommendations related to creating a community doula benefit for pregnant women in Medicaid. The revised language adds more specificity to the issues the workgroup will review, beginning in FY 2020 in order to complete the rate study which is due to legislative committees by September 1, 2020. Language also lays out the dates for an interim report and completion which will occur in the 2020-22 biennium. The language is continued in House Bill 30.)

Amendments to House Bill 29, as Introduced

Authority: §§ 3.2-5206 through 3.2-5216, 32.1-11.3 through 32.1-23, 35.1-1 through 35.1-7, and 35.1-9 through 35.1-28, Code of Virginia.

A. The State Comptroller is hereby authorized to provide a line of credit of up to \$200,000 to the Department of Health to cover the actual costs of expanding the availability of vital records through the Department of Motor Vehicles, to be repaid from administrative processing fees provided under Code of Virginia, § 32.1-273 until such time as the line of credit is repaid.

B. Out of this appropriation, \$150,000 the first year and \$150,000 the second year from the general fund shall be provided for agency costs related to onboarding to ConnectVirginia, transition costs to convert the agency's node on ConnectVirginia to the state agency node, and provide support to other state agencies in their onboarding efforts.

C. The Virginia Department of Health is authorized to develop a plan to allocate a reduction of \$150,000 the first year and \$150,000 the second year from the general fund across programs within the department to reflect administrative savings. The Department of Planning and Budget is authorized to make the necessary budget execution adjustments to transfer the funds between programs to implement the plan.

D.1. Out of this appropriation, \$370,000 from the general fund and \$3,330,000 from nongeneral funds is provided for the Virginia Department of Health to implement the requirements of House Bill 2209 and Senate Bill 1561 (2017 Session). The department shall contract or amend an existing contract with a non-profit entity as necessary in order to do so. The department shall require its contractor to establish a separate and distinct Emergency Department Care Coordination Advisory Council (ED Council) to whom responsibility for implementing this program shall be delegated under the department's supervision. The contractor may utilize an existing governance, legal and trust framework in order to fulfill the requirements of House Bill 2209 and Senate Bill 1561 and to expedite the implementation of the program.

2. The ED Council, under the department's governance and direction shall: (i) specify the necessary functionalities to meet the needs of all key stakeholders; (ii) develop and oversee a competitive selection process for a vendor or vendors that will provide a single, statewide technology solution to fulfill the required functionalities and advance the goals of the initiative; and (iii) select and oversee the implementation of successful information technologies, with implementation no later than June 30, 2018. The ED Council shall include three representatives from the Commonwealth appointed by the Secretary, including the department, the Department of Medical Assistance Services, and the Department of Health Professions; three representatives from hospitals and health systems, nominated by the Virginia Hospital and Healthcare Association; three health plan representatives, nominated by the Virginia Association of Health Plans; and six physician representatives, nominated by the Medical Society of Virginia with representation from the Virginia College of Emergency Physicians, the Virginia Academy of Family Physicians and the Virginia Chapter, American Academy of Pediatrics.

3. The department shall coordinate with the Department of Medical Assistance Services to seek federal Health Information Technology for Economic and Clinical Health (HITECH) Act

Amendments to House Bill 29, as Introduced

matching funds. The department shall coordinate with the Department of Medical Assistance Services to seek any additional eligible federal matching funds supporting provider electronic health record implementation and integration in order to implement the program. The department may use up to \$100,000 for administrative costs.

4. The implementation of this initiative is contingent upon the receipt of federal HITECH Act funds, and neither the department nor its contractor shall be obligated to implement the program without HITECH Act matching funds. The appropriation in this paragraph is contingent upon the receipt of federal HITECH Act funds.

5. Effective July 1, 2017 or upon program implementation, all hospitals operating emergency departments in the Commonwealth and all Medicaid Managed Care contracted health plans shall participate in the program. Effective June 30, 2018, all hospital operating emergency departments in the Commonwealth, all Medicaid Managed Care contracted health plans, the State Employee Health Plan, all Medicare plans operating in the Commonwealth, and all commercial plans operating in the Commonwealth, excluding ERISA plans, shall participate in the program. The department, in coordination with the Department of Medical Assistance Services, shall determine the amount of federal funds available to support program operations in the second year. Accordingly, the department, in coordination with the Department of Medical Assistance Services and the ED Council, shall recommend, by December 15, 2017, a funding structure for program operations in fiscal year 2019 that apportions program costs across the Commonwealth, participating hospitals, and participating health plans.

6. The department, in coordination with the ED Council, shall report annually beginning November 1, 2017 to the Secretary of Health and Human Resources and the Chairmen of the House Appropriations and the Senate Finance Committees on progress, including, but not limited to: (i) the participation rate of hospitals and health systems, physicians and subscribing health plans; (ii) strategies for sustaining the program and methods to continue to improve care coordination; and (iii) the impact on health care utilization and quality goals such as reducing the frequency of visits by high-volume Emergency Department utilizers and avoiding duplication of prescriptions, imaging, testing or other health care services.

E. The Virginia Department of Health shall assess the feasibility of developing a home visiting Pay for Success pilot program. The department shall develop a workgroup comprised of Virginia home visiting organizations and early childhood education organizations in examining this issue. The department shall determine if the recent provisions of the federal Bipartisan Budget Act of 2018 allow for the department to access federal funding to develop a pilot Pay for Success program for home visiting. The department shall report on the feasibility analysis, the availability of federal funding and the steps necessary to proceed with a pilot program, if feasible, to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2018.

F. The Virginia Department of Health shall modify the Emergency Room Care Coordination Program to track individuals who present in the emergency room under an Emergency Custody Order (ECO). The program shall identify the legal disposition of individuals being evaluated for

psychiatric hospitalization as Temporary Detention Order at the hospital, Temporary Detention Order at another Hospital, Voluntary Admission at the Hospital, or Voluntary Admission at Other Hospital, or released to the community. The department shall report the data monthly on its website by hospital and provide an annual report to the General Assembly for each fiscal year, no later than September 1, after the the end of the fiscal year.

G. Out of the amounts in this Item, the department shall use \$1,775,701 from indirect cost recoveries the second year to supplant general fund amounts for General Management and Direction."

Explanation:

(This amendment sets out Item 297 which was not set out in the introduced budget. It reduces the general fund by \$1.8 million the second year and supplants it with funds from agency indirect cost recoveries. The only language added to this item is paragraph G., which provides direction to the agency regarding this change.)

Explanation:

(This amendment adds language authorizing the Department of General Services to sell property on which the former Southwestern Virginia Training Center was situated. Language requires the sale price to cover any debt or other financial obligations on the property. It also requires the purchaser to use the property for the provision of health care services for at least five years.)

Explanation:

(This amendment reduces funding for foster care and adoption subsidy payments which were inadvertently included in the introduced budget in fiscal year 2020 as a cost of living adjustment. The budget requires that these rates be increased in the year following a salary increase provided for state employees. State employees were given a pay raise effective in their July 1, 2019 paycheck. House Bill 30 provides a cost of living adjustment for these subsidy payments in fiscal year 2021 to reflect the fiscal year 2020 increase for state employee compensation.)
