to the Virginia Early Childhood Foundation. For the first year, the application must be submitted by August 15. For subsequent years, the application must be submitted by May 15 to align with the Virginia Preschool Initiative timeline. Each application shall identify a lead agency for this program within the locality. The lead agency shall be responsible for developing a local plan for the delivery of quality preschool services to at-risk three- and four-year-old children in private settings that demonstrates the coordination of resources and the combination of funding streams in an effort to serve the greatest number of at-risk children.

The proposal must also demonstrate a plan for supporting inclusive practices for children with identified special needs.

e) Local plans must indicate the number of at-risk three- and four-year-old children to be served, and the eligibility criteria for participation in this program shall be consistent with the economic and educational risk factors stated in the current program guidelines that are specific to: (i) family income at or below 200 percent of federal poverty guidelines, (ii) homelessness, (iii) student's parents or guardians are school dropouts, or (iv) family income is above 200 percent but at or below 350 percent of federal poverty guidelines in the case of students with special needs or disabilities. Up to 15 percent of slots may be filled based on locally established eligibility criteria so as to meet the unique needs of at-risk children in the community.

f) Notwithstanding any provisions of § 22.1-299, Code of Virginia, and in order to achieve the priorities of the Joint Subcommittee on Virginia Preschool Initiative for exploring the feasibility of and barriers to mixed delivery preschool systems in Virginia, recipients of a Mixed-Delivery Preschool grant shall be provided maximum flexibility within their respective pilot initiative in order to fully implement the associated goals and objectives of the pilot. Recipients of a Mixed-Delivery Preschool grant and divisions participating in such grant pilot activities shall be exempted from all regulatory and statutory provisions related to teacher licensure requirements and qualifications when paid by public funds within the confines of the Mixed-Delivery Preschool pilot initiative."

(This amendment ensures that the amount of the \$2,500 mixed-delivery gap incentive proposed in the early childhood reform package shall vary by region, to allow incentives greater than \$2,500 in areas where the gap between VPI per pupil amount and preschool market rates is wider, and incentives lower than \$2,500 where the gap is smaller.)

**Explanation:**

(This amendment corrects an omission of language that outlines certain existing fees charged by the Department of Health. It also extends the pilot project relating to Long Acting Reversible Contraceptive devices at a level of \$2.0 million each year from the Temporary Assistance for Needy Families (TANF) block grant funds. **Explanation:**

(This amendment eliminates \$30.6 million from the general fund and \$30.6 million in matching federal Medicaid funds the second year contained in the Medicaid forecast that was included to pay the health insurance fee on managed care contracts as required by the federal Patient Protection and Affordable Care Act. The federal Further Consolidated Appropriations Act, 2020, Division N, Subtitle E § 502, repealed the annual fee on health insurance providers, which applies to calendar years beginning after December 31, 2020 (fee years after the 2020 fee year). This results in a savings in the amount paid by the Department of Medical Assistance Services in fiscal year 2022.)

(This amendment provides \$2.6 million from the nongeneral fund and 95 FTEs each year pursuant to the passage House Bill 1211 amending the Code to remove the citizenship and legal presence requirements for obtaining a driver's license or special identification card. The legislation generates revenue by increasing the fee for retaking a learners permit or driving license exam from \$2 to \$5 and establishing a \$5 fee for the retaking of the examination for a motorcycle license and a commercial driver's license. The bulk of the administrative cost is expected to be one-time in nature and the impact is expected to be minimal in future bienniums.)
