new process."

Explanation:

(This amendment adds language directing the agency to implement a change in scope process July 1, 2024 by which FQHCs may request a reimbursement change to reflect the scope for services that have been added or changed. It further provides that FQHCs can request this scope of services change dating back to October 1, 2018 as long as the request is made no later than October 1, 2024. Thereafter, a request for a change in scope must be made within 15 months of the change taking place. Finally, this amendment authorizes DMAS to reimburse an FQHC for unreimbursed costs for up to two years prior to the FQHC's initial request for a change in scope. This will allow the FQHCs to cover their costs of patient care during this period through receipt of the full federal match for these reimbursements.)
