9	N. The department is directed to survey local farmer's markets across the Commonwealth to				
10	determine if any local regulations governing the operations of such markets discourage the				
11	sale of Virginia products by the use of a locally-grown perimeter rule that gives preference to				
12	out-of-state products over products grown in Virginia. If the department finds any such

31	A. Definitions			
32	1. "March 31 Average Daily Membership," or "March 31 ADM" - The responsible school			
33	division's average daily membership for grades K-12 including (1) handicapped students			
34	ages 5-21 and (2) students for whom English is a second language who entered school for			
35	the first time after reaching their twelfth birthday, and who have not reached twenty-two			
36	years of age on or before August 1 of the school year, for the first seven (7) months (or			
37	equivalent period) of the school year through March 31 in which state funds are			
38	distributed from this appropriation. Preschool and postgraduate students shall not be			
39	included in March 31 ADM.			
40	a. School divisions shall take a count of September 30 fall membership and report this			
41	information to the Department of Education no later than October 15 of each year.			
42	b. Except as otherwise provided herein, by statute, or by precedent, all appropriations to			
43	the Department of Education shall be calculated using March 31 ADM unadjusted for			
44	half-day kindergarten programs, estimated at 1,243,100.49 the first year and 1,248,935.53			
45	1,247,836.85 the second year. March 31 ADM for half-day kindergarten shall be adjusted			
46	at 85 percent.			
47	c. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home			
48	instruction pursuant to § 22.1-254.1 and who are enrolled in a public school on less than a			
49	full-time basis in any mathematics, science, English, history, social science, vocational			
50	education, health education or physical education, fine arts or foreign language course, or			
51	receiving special education services required by a student's individualized education plan,			
52	shall be counted in the funded fall membership and March 31 ADM of the responsible

1	school division. Each course shall be counted as 0.25, up to a cap of 0.5 of a student.			
2	d. Students enrolled in an Individualized Student Alternative Education Program (ISAEP)			
3	pursuant to § 22.1-254 E shall be counted in the March 31 Average Daily Membership of the			
4	responsible school division. School divisions shall report these students separately in their			
5	March 31 reports of Average Daily Membership.			
6	2. "Standards of Quality" - Operations standards for grades kindergarten through 12 as			
7	prescribed by the Board of Education subject to revision by the General Assembly.			
8	3.a. "Basic Operation Cost" - The cost per pupil, including provision for the number of			
9	instructional personnel required by the Standards of Quality for each school division with a			
10	minimum ratio of 51 professional personnel for each 1,000 pupils or proportionate number			
11	thereof, in March 31 ADM for the same fiscal year for which the costs are computed, and			
12	including provision for driver, gifted, occupational-vocational, and special education, library			
13	materials and other teaching materials, teacher sick leave, general administration, division			
14	superintendents' salaries, free textbooks (including those for free and reduced price lunch			
15	pupils), school nurses, operation and maintenance of school plant, transportation of pupils,			
16	instructional television, professional and staff improvement, remedial work, fixed charges and			
17	other costs in programs not funded by other state and/or federal aid.			
18	b. The state and local shares of funding resulting from the support cost calculation for school			
19	nurses shall be specifically identified as such and reported to school divisions annually.			
20	School divisions may spend these funds for licensed school nurse positions employed by the			
21	school division or for licensed nurses contracted by the local school division to provide school			
22	health services.			
23	4.a. "Composite Index of Local Ability-to-Pay" - An index figure computed for each locality.			
24	The composite index is the sum of 2/3 of the index of wealth per pupil in unadjusted March			
25	31 ADM reported for the first seven (7) months of the 2013-2014 school year and 1/3 of the			
26	index of wealth per capita (population estimates for 2013 as determined by the Weldon			
27	Cooper Center for Public Service of the University of Virginia) multiplied by the local			
28	nominal share of the costs of the Standards of Quality of 0.45 in each year. The indices of			
29	wealth are determined by combining the following constituent index elements with the			
30	indicated weighting: (1) true values of real estate and public service corporations as reported			
31	by the State Department of Taxation for the calendar year 2013 - 50 percent; (2) adjusted			
32	gross income for the calendar year 2013 as reported by the State Department of Taxation - 40			
33	percent; (3) the sales for the calendar year 2013 which are subject to the state general sales			
34	and use tax, as reported by the State Department of Taxation - 10 percent. Each constituent			
35	index element for a locality is its sum per March 31 ADM, or per capita, expressed as a			
36	percentage of the state average per March 31 ADM, or per capita, for the same element. A			
37	locality whose composite index exceeds 0.8000 shall be considered as having an index of			
38	0.8000 for purposes of distributing all payments based on the composite index of local ability-			
39	to-pay. Each constituent index element for a locality used to determine the composite index of			
40	local ability-to-pay for the current biennium shall be the latest available data for the specified			
41	official base year provided to the Department of Education by the responsible source agencies			
42	no later than November 15, 2015.			
43	b. For any locality whose total calendar year 2013 Virginia Adjusted Gross Income is			
44	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident income			
45	shall be excluded in computing the composite index of ability-to-pay. The Department of			
46	Education shall compute the composite index for such localities by using adjusted gross			
47	income data which exclude nonresident income, but shall not adjust the composite index of			
48	any other localities. The Department of Taxation shall furnish to the Department of Education			
49	such data as are necessary to implement this provision.			
50	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional state			
51	funding for future consolidations shall be as set forth in future Appropriation Acts.			
52	2) In the case of the consolidation of Clifton Forge and Alleghany County school divisions,			
53	the fifteen year period for the application of a new composite index shall apply beginning			
54	with the fiscal year that starts on July 1, 2004. The composite index established by the Board			
55	of Education shall equal the lowest composite index that was in effect prior to July 1, 2004, of			
56	any individual localities involved in such consolidation, and this index shall remain in effect			

ITEM 139.	Item Details(\$)		Appropriations(\$)	
	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	for a period of fifteen years, unless a lower composite index is calculated for the combined			
2	division through the process for computing an index as set forth above.			
3	3) If the composite index of a consolidated school division is reduced during the course of			
4	the fifteen year period to a level that would entitle the school division to a lower interest			
5	rate for a Literary Fund loan than it received when the loan was originally released, the			
6	Board of Education shall reduce the interest rate of such loan for the remainder of the			
7	period of the loan. Such reduction shall be based on the interest rate that would apply at			
8	the time of such adjustment. This rate shall remain in effect for the duration of the loan			
9	and shall apply only to those years remaining to be paid.			
10	4) In the case of the consolidation of Bedford County and Bedford City school divisions,			
11	the fifteen year period for the application of a new composite shall apply beginning with			
12	the fiscal year that starts on July 1, 2013. The composite index established by the Board of			
13	Education shall equal the lowest composite index that was in effect prior to July 1, 2013,			
14	of any individual localities involved in such consolidation, and this index shall remain in			
15	effect for a period of fifteen years, unless a lower composite index is calculated for the			
16	combined division through the process for computing an index as set forth above.			
17	d. When it is determined that a substantial error exists in a constituent index element, the			
18	Department of Education will make adjustments in funding for the current school year			
19	only in the division where the error occurred, <i>except in the case of Roanoke County for the</i>			
20	<i>2017-2018 school year.</i> The composite index of any other locality shall not be changed as			
21	a result of the adjustment. No adjustment during the biennium will be made as a result of			
22	updating of data used in a constituent index element.			
23	e. In the event that any school division consolidates two or more small schools, the			
24	division shall continue to receive Standards of Quality funding and provide for the			
25	required local expenditure for a period of five years as if the schools had not been			
26	consolidated. Small schools are defined as any elementary, middle, or high school with			
27	enrollment below 200, 300 and 400 students, respectively.			
28	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based			
29	on the composite index of local ability-to-pay of the cost required by all the Standards of			
30	Quality minus its estimated revenues from the state sales and use tax dedicated to public			
31	education and those sales tax revenues transferred to the general fund from the Public			
32	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and			
33	appropriated in this Item, both of which are returned on the basis of the latest yearly			
34	estimate of school age population provided by the Weldon Cooper Center for Public			
35	Service, as specified in this Item, collected by the Department of Education and			
36	distributed to school divisions in the fiscal year in which the school year begins.			
37	6. "Required Local Match" - The locality's required share of program cost based on the			
38	composite index of local ability-to-pay for all Lottery and Incentive programs, where			
39	required, in which the school division has elected to participate in a fiscal year.			
40	7. "Planning District Eight" - The nine localities which comprise Planning District Eight			
41	are Arlington County, Fairfax County, Loudoun County, Prince William County,			
42	Alexandria City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.			
43	8. "State Share of the Standards of Quality" - The state share of the Standards of Quality			
44	(SOQ) shall be equal to the total funded SOQ cost for a school division less the school			
45	division's estimated revenues from the state sales and use tax dedicated to public education			
46	based on the latest yearly estimate of school age population provided by the Weldon			
47	Cooper Center for Public Service, adjusted for the state's share of the composite index of			
48	local ability to pay.			
49	9. Entitlements under this Item that use school-level or division-level Free Lunch			
50	eligibility percentages to determine the entitlement amounts are based on the most recent			
51	data available as of the biennial rebenchmarking calculations made for the current			
52	biennium. However, October 2013 Free Lunch eligibility data is used in the case of			
53	schools that participate in the Community Eligibility Provision program.			
54	10. In the event that the general fund appropriations in this Item are not sufficient to meet			

ITEM 139.	Item Details(\$)		Appropriations(\$)	
	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	the entitlements payable to school divisions pursuant to the provisions of this Item, the			
2	Department of Education is authorized to transfer any available general fund funds between			
3	these Items to address such insufficiencies. If the total general fund appropriations after such			
4	transfers remain insufficient to meet the entitlements of any program funded with general			
5	fund dollars, the Department of Education is authorized to prorate such shortfall			
6	proportionately across all of the school divisions participating in any program where such			
7	shortfall occurred. In addition, the Department of Education is authorized each year to			
8	temporarily suspend textbook payments made to school divisions from Lottery funds to			
9	ensure that any shortfall in Lottery revenue can be accounted for in the remaining textbook			
10	payments to be made for the year.			
11	11. The Department of Education is directed to apply a cap on inflation rates in the same			
12	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school			
13	divisions during the biennial rebenchmarking process.			
14	12. Notwithstanding any other provision in statute or in this Item, the Department of			
15	Education is directed to combine the end-of-year Average Daily Membership (ADM) for			
16	those school divisions who have partnered together as a fiscal agent division and a contractual			
17	division for the purposes of calculating prevailing costs included in the Standards of Quality			
18	(SOQ).			
19	13. Notwithstanding any other provision in statute or in this Item, the Department of			
20	Education is directed to include zeroes in the linear weighted average calculation of support			
21	non-personal costs for the purpose of calculating prevailing costs included in the Standards of			
22	Quality (SOQ).			
23	14. Notwithstanding any other provision in statute or in this Item, the Department of			
24	Education is directed to eliminate the corresponding and appropriate object code(s) related to			
25	reported travel expenditures included the linear weighted average non-personal cost			
26	calculations for the purpose of calculating prevailing costs included in the Standards of			
27	Quality (SOQ).			
28	15. Notwithstanding any other provision in statute or in this Item, the Department of			
29	Education is directed to eliminate the corresponding and appropriate object code(s) related to			
30	reported leases and rental and facility expenditures included the linear weighted average non-			
31	personal cost calculations for the purpose of calculating prevailing costs included in the			
32	Standards of Quality (SOQ).			
33	16. Notwithstanding any other provision in statute or in this Item, the Department of			
34	Education is directed to fund transportation costs using a 15 year replacement schedule, which			
35	is the national standard guideline, for school bus replacement schedule for the purpose of			
36	calculating funded transportation costs included in the Standards of Quality (SOQ).			
37	17. To provide temporary flexibility, notwithstanding any other provision in statute or in this			
38	Item, school divisions may elect to increase the teacher to pupil staffing ratios in kindergarten			
39	through grade 7 and English classes for grades 6 through twelve by one additional student; the			
40	teacher to pupil staffing ratio requirements for Elementary Resource teachers, Prevention,			
41	Intervention and Remediation, English as a Second Language, Gifted and Talented, Career			
42	and Technical funded programs (other than on Career and Technical courses where school			
43	divisions will have to maintain a maximum class size based on federal Occupational Safety &			
44	Health Administration safety requirements) are waived; and the instructional and support			
45	technology positions, librarians and guidance counselors staffing ratios for new hires are			
46	waived.			
47	18. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code of			
48	Virginia, any school division that was granted a waiver regarding the opening date of the			
49	school year for the 2011-12 school year under the good cause requirements shall continue to			
50	be granted a waiver for the 2016-17 school year and the 2017-2018 school year.			
51	B. General Conditions			
52	1. The Standards of Quality cost in this Item related to fringe benefits shall be limited for			
53	instructional staff members to the employer's cost for a number not exceeding the number of

11	fringe benefit costs of 55 percent of the employer's cost distributed on the basis of the			
12	composite index.			
13	2) A locality whose composite index exceeds 0.8000 shall be considered as having an			
14	index of 0.8000 for purposes of distributing fringe benefit funds under this provision.			
15	3) The state payment to each school division for retirement, social security, and group life

27	Basic Aid shall be reduced proportionately so that this general fund appropriation will not			
28	be exceeded. In addition, the required local share of Basic Aid shall also be reduced			
29	proportionately to the reduction in the state's share.			
30	4. The Department of Education shall make equitable adjustments in the computation of			
31	indices of wealth and in other state-funded accounts for localities affected by annexation,			
32	unless a court of competent jurisdiction makes such adjustments. However, only the			
33	indices of wealth and other state-funded accounts of localities party to the annexation will			
34	be adjusted.			
35	5. In the event that the actual revenues from the state sales and use tax dedicated to public			
36	education and those sales tax revenues transferred to the general fund from the Public			
37	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and			
38	appropriated in this Item (both of which are returned on the basis of the latest yearly

5	b. No actions provided in this section signify any intent of the General Assembly to mandate			
6	an increase in the number of instructional personnel per 1,000 students above the numbers			
7	explicitly stated in the preceding paragraph.			
8	c. Appropriations in this Item include programs supported in part by transfers to the general			
9	fund from the Public Education Standards of Quality/Local Real Estate Property Tax Relief			
10	Fund pursuant to Part 3 of this Act. These transfers combined together with other			
11	appropriations from the general fund in this Item funds the state's share of the following			
12	revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of Assembly			
13	of 2004: five elementary resource teachers per 1,000 students; one support technology			
14	position per 1,000 students; one instructional technology position per 1,000 students; and a			
15	full daily planning period for teachers at the middle and high school levels in order to relieve			
16	the financial pressure these education programs place on local real estate taxes.			
17	d. To provide flexibility, school divisions may use the state and local funds for instructional			
18	technology resource teachers required by the Standards of Quality to employ a data			
19	coordinator position, an instructional technology resource teacher position, or a data			
20	coordinator/instructional resource teacher blended position. The data coordinator position is			
21	intended to serve as a resource to principals and classroom teachers in the area of data			
22	analysis and interpretation for instructional and school improvement purposes, as well as for			
23	overall data management and administration of state assessments. School divisions using			
24	these SOQ funds in this manner shall only employ instructional personnel licensed by the			
25	Board of Education.			
26	e. To provide flexibility in the provision of reading intervention services, school divisions			
27	may use the state Early Reading Intervention initiative funding provided from the Lottery			
28	Proceeds Fund and the required local matching funds to employ reading specialists to provide			
29	the required reading intervention services. School divisions using the Early Reading			
30	Intervention Initiative funds in this manner shall only employ instructional personnel licensed			
31	by the Board of Education.			
32	f. To provide flexibility in the provision of mathematics intervention services, school			
33	divisions may use the state Standards of Learning Algebra Readiness initiative funding			
34	provided from the Lottery Proceeds Fund and the required local matching funds to employ			
35	mathematics teacher specialists to provide the required mathematics intervention services.			
36	School divisions using the Standards of Learning Algebra Readiness initiative funding in this			
37	manner shall only employ instructional personnel licensed by the Board of Education.			
38	8.a.1) Pursuant to § 22.1-97, Code of Virginia, the Department of Education is required to			
39	make calculations at the start of the school year to ensure that school divisions have			
40	appropriated adequate funds to support their estimated required local expenditure for the			
41	corresponding state fiscal year. In an effort to reduce the administrative burden on school			
42	divisions resulting from state data collections, such as the one needed to make the			
43	aforementioned calculations, the requirements of § 22.1-97, Code of Virginia, pertaining to			
44	the adequacy of estimated required local expenditures, shall be satisfied by signed			
45	certification by each division superintendent at the beginning of each school year that			
46	sufficient local funds have been budgeted to meet all state required local effort and required			
47	local match amounts. This provision shall only apply to calculations required of the			
48	Department of Education related to estimated required local expenditures and shall not pertain			
49	to the calculations associated with actual required local expenditures after the close of the			
50	school year.			
51	2) The Department of Education shall also make calculations after the close of the school year			
52	to verify that the required local effort level, based on actual March 31 Average Daily			
53	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of Education			
54	shall report annually, no later than the first day of the General Assembly session, to the House			
55	Committees on Education and Appropriations and the Senate Committees on Finance and			
56	Education and Health, the results of such calculations made after the close of the school year

1	local expenditure. The Department of Education shall specify the calculations to			
2	determine if a school division has expended its required local expenditure for the			
3	Standards of Quality. This calculation may include but is not limited to the following			
4	calculations:			
5	b. The total expenditures for operation, defined as total expenditures less all capital			
6	outlays, expenditures for debt service, facilities, non-regular day school programs (such as			
7	adult education, preschool, and non-local education programs), and any transfers to			
8	regional programs will be calculated.			
9	c. The following state funds will be deducted from the amount calculated in paragraph a.			
10	above: revenues from the state sales and use tax (returned on the basis of the latest yearly			
11	estimate of school age population provided by the Weldon Cooper Center for Public			
12	Service, as specified in this Item) for sales in the fiscal year in which the school year			
13	begins; total receipts from state funds (except state funds for non-regular day school			
14	programs and state funds used for capital or debt service purposes); and the state share of			
15	any balances carried forward from the previous fiscal year. Any qualifying state funds that			
16	remain unspent at the end of the fiscal year will be added to the amount calculated in			
17	paragraph a. above.			
18	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will			
19	also be deducted from the amount calculated in paragraph a. above. Any federal funds that			
20	remain unspent at the end of the fiscal year and any capital expenditures paid from federal			
21	funds will be added to the amount calculated in paragraph a. above.			
22	e. Tuition receipts, receipts from payments from other cities or counties, and fund			
23	transfers will also be deducted from the amount calculated in paragraph a, then			
24	f. The final amount calculated as described above must be equal to or greater than the			
25	required local expenditure defined in paragraph A. 5.			
26	g. The Department of Education shall collect the data necessary to perform the			
27	calculations of required local expenditure as required by this section.			
28	h. A locality whose expenditure in fact exceeds the required amount from local funds may			
29	not reduce its expenditures unless it first complies with all of the Standards of Quality.			
30	9.a. Any required local matching funds which a locality, as of the end of a school year, has			
31	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the			
32	locality into the general fund of the state treasury. Such payments shall be made not later			
33	than the end of the school year following that in which the under expenditure occurs.			
34	b. Whenever the Department of Education has recovered funds as defined in the preceding			
35	paragraph a., the Secretary of Education is authorized to repay to the locality affected by			
36	that action, seventy-five percent (75%) of those funds upon his determination that:			
37	1) The local school board agrees to include the funds in its June 30 ending balance for the			
38	year following that in which the under expenditure occurs;			
39	2) The local governing body agrees to reappropriate the funds as a supplemental			
40	appropriation to the approved budget for the second year following that in which the under			
41	expenditure occurs, in an appropriate category as requested by the local school board, for			
42	the direct benefit of the students;			
43	3) The local school board agrees to expend these funds, over and above the funds required			
44	to meet the required local expenditure for the second year following that in which the			
45	under expenditure occurs, for a special project, the details of which must be furnished to			
46	the Department of Education for review and approval;			
47	4) The local school board agrees to submit quarterly reports to the Department of			
48	Education on the use of funds provided through this project award; and			
49	5) The local governing body and the local school board agree that the project award will			
50	be cancelled and the funds withdrawn if the above conditions have not been met as of June			
51	30 of the second year following that in which the under expenditure occurs.

1	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum sufficient,			
2	not to exceed 75 percent of the funds deposited in the general fund pursuant to the preceding			
3	paragraph a.			
4	10. The Department of Education shall specify the manner for collecting the required			
5	information and the method for determining if a school division has expended the local funds			
6	required to support the actual local match based on all Lottery and Incentive programs in			
7	which the school division has elected to participate. Unless specifically stated otherwise in			
8	this Item, school divisions electing to participate in any Lottery or Incentive program that			
9	requires a local funding match in order to receive state funding, shall certify to the			
10	Department of Education its intent to participate in each program by July 1 each fiscal year in			
11	a manner prescribed by the Department of Education. As part of this certification process,			
12	each division superintendent must also certify that adequate local funds have been			
13	appropriated, above the required local effort for the Standards of Quality, to support the			
14	projected required local match based on the Lottery and Incentive programs in which the			
15	school division has elected to participate. State funding for such program(s) shall not be made			
16	until such time that the school division can certify that sufficient local funding has been			
17	appropriated to meet required local match. The Department of Education shall make			
18	calculations after the close of the fiscal year to verify that the required local match was met			
19	based on the state funds that were received.			
20	11. Any sum of local matching funds for Lottery and Incentive program which a locality has			
21	not expended as of the end of a fiscal year in support of the required local match pursuant to			
22	this Item shall be paid by the locality into the general fund of the state treasury unless the			
23	carryover of those unspent funds is specifically permitted by other provisions of this act. Such			
24	payments shall be made no later than the end of the school year following that in which the			
25	under expenditure occurred.			
26	12. The Superintendent of Public Instruction shall provide a report annually, no later than the			
27	first day of the General Assembly session, on the status of teacher salaries, by local school			
28	division, to the Governor and the Chairmen of the Senate Finance and House Appropriations			
29	Committees. In addition to information on average salaries by school division and statewide			
30	comparisons with other states, the report shall also include information on starting salaries by			
31	school division and average teacher salaries by school.			
32	13. All state and local matching funds required by the programs in this Item shall be			
33	appropriated to the budget of the local school board.			
34	14. By November 15 of each year, the Department of Planning and Budget, in cooperation			
35	with the Department of Education, shall prepare and submit a preliminary forecast of			
36	Standards of Quality expenditures, based upon the most current data available, to the			
37	Chairmen of the House Appropriations and Senate Finance Committees. In odd-numbered			
38	years, the forecast for the current and subsequent two fiscal years shall be provided. In even-			
39	numbered years, the forecast for the current and subsequent fiscal year shall be provided. The			
40	forecast shall detail the projected March 31 Average Daily Membership and the resulting			
41	impact on the education budget.			
42	15. School divisions may choose to use state payments provided for Standards of Quality			
43	Prevention, Intervention, and Remediation in both years as a block grant for remediation			
44	purposes, without restrictions or reporting requirements, other than reporting necessary as a			
45	basis for determining funding for the program.			
46	16. Except as otherwise provided in this act, the Superintendent of Public Instruction shall			
47	provide guidelines for the distribution and expenditure of general fund appropriations and			
48	such additional federal, private and other funds as may be made available to aid in the			
49	establishment and maintenance of the public schools.			
50	17. At the Department of Education's option, fees for audio-visual services may be deducted			
51	from state Basic Aid payments for individual local school divisions.			
52	18. For distributions not otherwise specified, the Department of Education, at its option, may			
53	use prior year data to calculate actual disbursements to individual localities.

2	monthly installments at the middle and end of each month.			
3	20. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
4	Department of Education shall, for purposes of calculating the state and local shares of the			
5	Standards of Quality, apportion state sales and use tax dedicated to public education and			
6	those sales tax revenues transferred to the general fund from the Public Education			
7	Standards of Quality/ Local Real Estate Property Tax Relief Fund in the first year based			
8	on the July 1, 2014, estimate of school age population provided by the Weldon Cooper			
9	Center for Public Service and, in the second year, based on the July 1, 2015, estimate of			
10	school age population provided by the Weldon Cooper Center for Public Service.			
11	Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
12	State Comptroller shall distribute the state sales and use tax revenues dedicated to public			
13	education and those sales tax revenues transferred to the general fund from the Public

19	21. The school divisions within the Tobacco Region, as defined by the Tobacco			
20	Indemnification and Community Revitalization Commission, shall jointly explore ways to			
21	maximize their collective expenditure reimbursement totals for all eligible E-Rate funding.			
22	22. This Item includes appropriations totaling an estimated \$608,581,144 the first year and			
23	\$546,495,789 \$598,478,743 the second year from the revenues deposited to the Lottery			
24	Proceeds Fund. These amounts are appropriated for distribution to counties, cities, and			
25	towns to support public education programs pursuant to Article X, Section 7-A			
26	Constitution of Virginia. Any county, city, or town which accepts a distribution from this			
27	fund shall provide its portion of the cost of maintaining an educational program meeting			
28	the Standards of Quality pursuant to Section 2 of Article VIII of the Constitution without			
29	the use of distributions from the fund.			
30	23. For reporting purposes, the Department of Education shall include Lottery Proceeds			
31	Funds as state funds.			
32	24.a. Any locality that has met its required local effort for the Standards of Quality			
33	accounts for FY 2017 and that has met its required local match for incentive or Lottery-			
34	funded programs in which the locality elected to participate in FY 2017 may carry over			
35	into FY 2018 any remaining state Direct Aid to Public Education fund balances available			
36	to help minimize any FY 2018 revenue adjustments that may occur in state funding to that			
37	locality. Localities electing to carry forward such unspent state funds must appropriate the			
38	funds to the school division for expenditure in FY 2018.			
39	b. Any locality that has met its required local effort for the Standards of Quality accounts			
40	for FY 2018 and that has met its required local match for incentive or Lottery-funded			
41	programs in which the locality elected to participate in FY 2018 may carry over into FY			
42	2019 any remaining state Direct Aid to Public Education fund balances available to help			
43	minimize any FY 2019 revenue adjustments that may occur in state funding to that			
44	locality. Localities electing to carry forward such unspent state funds must appropriate the			
45	funds to the school division for expenditure in FY 2019.			
46	25. Localities are encouraged to allow school boards to carry over any unspent local			
47	allocations into the next fiscal year. Localities are also encouraged to provide increased			
48	flexibility to school boards by appropriating state and local funds for public education in a			
49	lump sum.			
50	26. The Department of Education shall include in the annual School Performance Report			
51	Card for school divisions the percentage of each division's annual operating budget			
52	allocated to instructional costs. For this report, the Department of Education shall establish			
53	a methodology for allocating each school division's expenditures to instructional and non-			
54	instructional costs in a manner that is consistent with the funding of the Standards of			
55	Quality as approved by the General Assembly.

2	employees, upon request, with a user-friendly statement of total compensation, including				
3	contract duration if less than 12 months.				
4	28. The Department of Education, in collaboration with the Virginia Community College				
5	System, will ensure that the same policies regarding the cost for dual enrollment courses held				
6	at a community college, are consistently applied to public school students and home-schooled				
7	students alike. These policies will clearly address the school division contributions and any				
8	student charges for dual enrollment courses, and will ensure that public school students and				
9	home-school students are treated in the same manner.				
10	C. Apportionment				
11	1. Subject to the conditions stated in this paragraph and in paragraph B of this Item, each				
12	locality shall receive sums as listed above within this program for the basic operation cost and

19	b. Notwithstanding § 51.1-1401, Code of Virginia, the Commonwealth shall provide				
20	payments for only the state share of the Standards of Quality fringe benefit cost of the retiree				
21	health care credit. This Item includes payments in both years based on the state share of fringe				
22	benefit costs of 55 percent of the employer's cost on funded Standards of Quality instructional				
23	positions, distributed based on the composite index of the local ability-to-pay.				
24	3. School Employee Social Security Contributions				
25	a. This Item provides funds to each local school board for the state share of the employer's

28	b. Appropriations for contributions in paragraphs 2 and 3 above include payments from funds				
29	derived from the principal of the Literary Fund in accordance with Article VIII, Section 8, of				
30	the Constitution of Virginia. The amounts set aside from the Literary Fund for these purposes				
31	shall not exceed \$199,347,523 the first year and \$181,349,570 the second year.				
32	4. School Employee Insurance Contributions				
33	This Item provides funds to each local school board for the state share of the employer's				
34	Group Life Insurance cost incurred by it on behalf of instructional personnel who participate				
35	in group insurance under the provisions of Title 51.1, Chapter 5, Code of Virginia.				
36	5. Basic Aid Payments				
37	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is

40	(adjusted in Planning District Eight for the cost of competing) as well as recognized support				
41	costs calculated on a prevailing basis for an estimated March 31 ADM.				
42	2) This appropriation includes funding to recognize the common labor market in the				
43	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.				
44	Standards of Quality salary payments for instructional and support positions in school

1	b. The state share for a locality shall be equal to the Basic Operation Cost for that locality			
2	less the locality's estimated revenues from the state sales and use tax (returned on the basis			
3	of the latest yearly estimate of school age population provided by the Weldon Cooper			
4	Center for Public Service, as specified in this Item), in the fiscal year in which the school

18	the periodic transfer of sums due from each local school division to the Department of			
19	Behavioral Health and Developmental Services and for Special Education categorical

22	e. 1) The apportionment to localities of all driver education revenues received during the

24	accordance with the provisions of this Item. Only school divisions complying with the			
25	standardized program established by the Board of Education shall be entitled to participate			
26	in the distribution of state funds appropriated for driver education. The Department of			
27	Education will deduct a designated amount per pupil from a school division's Basic Aid

29	Virginia. Such amount will be computed by dividing the current appropriation for the			
30	Driver Education Fund by actual March 31 ADM.			
31	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education			
32	provided, however, that the fee charged plus the per pupil basic aid reimbursement for			
33	driver education shall not exceed the actual average per pupil cost. Such fees shall not be			
34	cause for a pro rata reduction in Basic Aid payments to school divisions.			
35	f. Textbooks			
36	1) The appropriation in this Item includes \$12,159,059 the first year and \$76,599,186			
37	\$76,553,533 the second year from the general fund and \$64,250,653 the first year from the			
38	Lottery Proceeds Fund as the state's share of the cost of textbooks based on a per pupil			
39	amount of \$109.78 the first year and \$109.78 the second year. A school division shall			
40	appropriate these funds for textbooks or any other public education instructional			
41	expenditure by the school division. The state's distributions for textbooks shall be based			
42	on adjusted March 31 ADM. These funds shall be matched by the local government, based			
43	on the composite index of local ability-to-pay.			
44	2) School divisions shall provide free textbooks to all students.			
45	3) School divisions may use a portion of this funding to purchase Standards of Learning			
46	instructional materials. School divisions may also use these funds to purchase electronic			
47	textbooks or other electronic media resources integral to the curriculum and classroom			
48	instruction and the technical equipment required to read and access the electronic			
49	textbooks and electronic curriculum materials.			
50	4) Any funds provided to school divisions for textbook costs that are unexpended as of			
51	June 30, 2017, or June 30, 2018, shall be carried on the books of the locality to be			
52	appropriated to the school division the following year to be used for same purpose. School			
53	divisions are permitted to carry forward any remaining balance of textbook funds until the			
54	funds are expensed for a qualifying purpose.

5	Weldon Cooper Center for Public Service as specified in this Item shall be reflected in each			
6	locality's annual budget for educational purposes as a separate revenue source for the current			
7	fiscal year.			
8	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes			
9	amounts estimated at \$365,400,000 the first year and \$374,280,780 \$379,100,000 the second			
10	year from the amounts transferred to the general fund from the Public Education Standards of

12	derived from the 0.375 cent increase in the state sales and use tax levied pursuant to § 58.1-			
13	638, Code of Virginia. These additional funds are provided to local school divisions and local			
14	governments in order to relieve the financial pressure education programs place on local real			
15	estate taxes.			
16	i. From the total amounts in paragraph h. above, an amount estimated at \$243,600,000 the			
17	first year and \$249,487,190 \$252,700,000 the second year (approximately 1/4 cent of sales

19	following revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of			
20	Assembly of 2004: five elementary resource teachers per 1,000 students; one support and one			
21	instructional technology position per 1,000 students; a full daily planning period for teachers			
22	at the middle and high school levels in order to relieve the pressure on local real estate taxes

28	and deposited into the Public Education Standards of Quality/Local Real Estate Property Tax			
29	Relief Fund on the basis of the latest yearly estimate of school age population provided by the			
30	Weldon Cooper Center for Public Service as specified in this Item.			
31	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio			
32	methodology is used based upon the prevailing ratio of actual support positions, consistent			
33	with those recognized for SOQ funding, to actual instructional positions, consistent with those			
34	recognized for SOQ funding, as established in Chapter 781, 2009 Acts of Assembly. For the			
35	purposes of making the required spending adjustments, the appropriation and distribution of			
36	Basic Aid shall reflect this methodology. Local school divisions shall have the discretion as to			
37	where the adjustment may be made, consistent with the Standards of Quality funded in this			
38	Act.			
39	6. Education of the Gifted Payments			
40	a. An additional payment shall be disbursed by the Department of Education to local school

44	the Standards of Quality the established per pupil cost for gifted education (state and local			
45	share) on approved programs for the gifted.			
46	7. Occupational-Vocational Education Payments			
47	a. An additional payment shall be disbursed by the Department of Education to the local

50	payment is calculated.			
51	b. An amount estimated at \$110,555,414 the first year and \$110,801,754 \$110,798,639 the

1	8. Special Education Payments				
2	a. An additional payment shall be disbursed by the Department of Education to the local				
3	school divisions to support the state share of the number of Special Education instructors				
4	required by the Standards of Quality. These funds shall be disbursed on the same basis as				
5	the payment is calculated.				
6	b. Out of the amounts for special education payments, general fund support is provided to				
7	fund the caseload standards for speech pathologists at 68 students for each year of the				
8	biennium.				
9	9. Remedial Education Payments				
10	a. An additional payment estimated at \$113,782,747 the first year and \$113,821,446				
11	\$113,569,762 the second year from the general fund shall be disbursed by the Department				
12	of Education to support the Board of Education's Standards of Quality Prevention,				
13	Intervention, and Remediation program adopted in June 2003.				
14	b. The payment shall be calculated based on one hour of additional instruction per day for				
15	identified students, using the three year average percent of students eligible for the federal				
16	Free Lunch program as a proxy for students needing such services. Fall membership shall				
17	be multiplied by the three year average division-level Free Lunch eligibility percentage to				
18	determine the estimated number of students eligible for services. Pupil-teacher ratios shall				
19	be applied to the estimated number of eligible students to determine the number of				
20	instructional positions needed for each school division. The pupil-teacher ratio applied for				
21	each school division shall range from 10:1 for those divisions with the most severe				
22	combined three year average failure rates for English and math Standards of Learning test				
23	scores to 18:1 for those divisions with the lowest combined three year average failure rates				
24	for English and math Standards of Learning test scores.				
25	c. Funding shall be matched by the local government based on the composite index of				
26	local ability-to-pay.				
27	d. To provide flexibility in the instruction of English Language Learners who have limited				
28	English proficiency and who are at risk of not meeting state accountability standards,				
29	school divisions may use state and local funds from the SOQ Prevention, Intervention, and				
30	Remediation account to employ additional English Language Learner teachers to provide				
31	instruction to identified limited English proficiency students. Using these funds in this				
32	manner is intended to supplement the instructional services provided through the SOQ				
33	staffing standard of 17 instructional positions per 1,000 limited English proficiency				
34	students. School divisions using the SOQ Prevention, Intervention, and Remediation funds				
35	in this manner shall only employ instructional personnel licensed by the Board of				
36	Education.				
37	e. An additional state payment estimated at \$76,080,851 \$55,357,226 the second year				
38	from the general fund and \$98,013,725 the first year and \$22,010,800 \$42,389,648 the				
39	second year from the Lottery Proceeds Fund shall be disbursed based on the estimated				
40	number of federal Free Lunch participants, in support of programs for students who are				
41	educationally at risk. The additional payment shall be based on the state share of:				
42	1) A minimum 1.0 percent add-on, as a percent of the per pupil basic aid cost, for each				
43	child who qualifies for the federal Free Lunch Program; and				
44	2) An addition to the add-on, based on the concentration of children qualifying for the				
45	federal Free Lunch Program. Based on its percentage of Free Lunch participants, each				
46	school division will receive between 1.0 and 13.0 percent in additional basic aid per Free				
47	Lunch participant. These funds shall be matched by the local government, based on the				
48	composite index of local ability-to-pay.				
49	3a) Local school divisions are required to spend the established at-risk payment (state and				
50	local share) on approved programs for students who are educationally at risk.				
51	b) To receive these funds, each school division shall certify to the Department of				
52	Education that the state and local share of the at-risk payment will be used to support				
53	approved programs for students who are educationally at risk. These programs may

2	Advancement Via Individual Determination (AVID), Project Discovery, Reading Recovery,			
3	programs for students who speak English as a second language, or programs related to			
4	increasing the success of disadvantaged students in completing a high school degree and			
5	providing opportunities to encourage further education and training. Further, each school			
6	division shall report to the Department, in the manner prescribed and date set by the			
7	Department, the uses of (i) increased funds in fiscal year 2017 above the levels in fiscal year			
8	2016, as well as (ii) the uses of the base level of these funds. The Department shall compile			
9	the responses and provide them to the Chairmen of Senate Finance and House Appropriations			
10	Committees no later than the first day of the 2017 Session.			
11	4) If the Board of Education has required a local school board to submit a corrective action			
12	plan pursuant to § 22.1-253.13:3, Code of Virginia, either for the school division pursuant to a			
13	division level review, or for any schools within its division that have been designated as not			
14	meeting the standards as approved by the Board of Education, the Superintendent of Public			
15	Instruction shall determine and report to the Board of Education whether each such local			
16	school board has met its obligation to develop and submit such corrective action plan(s) and is			
17	making adequate and timely progress in implementing the plan(s). Additionally, if an			
18	academic review process undertaken pursuant to § 22.1-253.13:3, Code of Virginia, has			
19	identified actions for a local school board to implement, the Superintendent of Public			
20	Instruction shall determine and report to the Board of Education whether the local school			
21	board has implemented required actions. If the Superintendent certifies that a local school			
22	board has failed or refused to meet any of those obligations, the Board of Education shall			
23	withhold payment of some or all At-Risk Add-On funds otherwise allocated to the affected			
24	division pursuant to this allocation for the pending fiscal year. In determining the amount of			
25	At-Risk Add-On funds to be withheld, the Board of Education shall take into consideration			
26	the extent to which such funds have already been expended or contractually obligated. The			
27	local school board shall be given an opportunity to correct its failure and, if successful in a			
28	timely manner, may have some or all of its At-Risk Add-On funds restored at the Board of			
29	Education's discretion.			
30	f. Regional Alternative Education Programs			
31	1) An additional state payment of \$8,528,727 the first year and \$8,639,782 the second year			
32	from the Lottery Proceeds Fund shall be disbursed for Regional Alternative Education			
33	programs. Such programs shall be for the purpose of educating certain expelled students and,			
34	as appropriate, students who have received suspensions from public schools and students			
35	returned to the community from the Department of Juvenile Justice.			
36	2) Each regional program shall have a small student/staff ratio. Such staff shall include, but			
37	not be limited to education, mental health, health, and law enforcement professionals, who			
38	will collaborate to provide for the academic, psychological, and social needs of the students.			
39	Each program shall be designed to ensure that students make the transition back into the			
40	"mainstream" within their local school division.			
41	3) a) Regional alternative education programs are funded through this Item based on the			
42	state's share of the incremental per pupil cost for providing such programs. This incremental			
43	per pupil payment shall be adjusted for the composite index of local ability-to-pay of the			
44	school division that counts such students attending such program in its March 31 Average			
45	Daily Membership. It is the intent of the General Assembly that this incremental per pupil			
46	amount be in addition to the basic aid per pupil funding provided to the affected school			
47	division for such students. Therefore, local school divisions are encouraged to provide the			
48	appropriate portion of the basic aid per pupil funding to the regional programs for students			
49	attending these programs, adjusted for costs incurred by the school division for transportation,			
50	administration, and any portion of the school day or school year that the student does not			
51	attend such program.			
52	b) In the event a school division does not use all of the student slots it is allocated under this			
53	program, the unused slots may be reallocated or transferred to another school division.			
54	1. A school division must request from the Department of Education the availability and			
55	possible use of any unused student slots. If any unused slots are available and if the requesting			
56	school division chooses to utilize any of the unused slots, the requesting school division shall			
57	only receive the state's share of tuition for the unused slot that was allocated in this Item for

1	the originally designated school division.			
2	2. However, no requesting school division shall receive more tuition funding from the			
3	state for any requested unused slot than what would have been the calculated amount for			
4	the requesting school division had the unused slot been allocated to the requesting school			
5	division in the original budget. Furthermore, the requesting school division shall pay for			
6	any remaining tuition payment necessary for using a previously unused slot.			
7	3. The Department of Education shall provide assistance for the state share of the			
8	incremental cost of Regional Alternative Education program operations based on the			
9	composite index of local ability-to-pay.			
10	g. Remedial Summer School			
11	1) This appropriation includes \$24,687,389 the first year and \$25,785,842 \$23,836,129 the			
12	second year from the general fund for the state's share of Remedial Summer School			
13	Programs. These funds are available to school divisions for the operation of programs			
14	designed to remediate students who are required to attend such programs during a summer			
15	school session or during an intersession in the case of year-round schools. These funds			
16	may be used in conjunction with other sources of state funding for remediation or			
17	intervention. School divisions shall have maximum flexibility with respect to the use of			
18	these funds and the types of remediation programs offered; however, in exercising this			
19	flexibility, students attending these programs shall not be charged tuition and no high			
20	school credit may be awarded to students who participate in this program.			
21	2) For school divisions charging students tuition for summer high school credit courses,			
22	consideration shall be given to students from households with extenuating financial			
23	circumstances who are repeating a class in order to graduate.			
24	3) From the amounts provided for Remedial Summer School, there is hereby appropriated			
25	\$300,000 the second year from the general fund to support pilot public-private			
26	partnerships between local school divisions and the Greater Richmond and Central			
27	Virginia affiliates of the Virginia Alliance of YMCAs to expand student participation			
28	opportunities in existing summer Power Scholars Academies in such partnered school			
29	divisions. The Virginia Alliance of YMCAs shall prepare and submit an evaluation report			
30	for such pilot partnerships between the school divisions and the Greater Richmond and			
31	Central Virginia YMCA affiliates to the Chairmen of House Appropriations and Senate			
32	Finance Committees no later than October 31, 2018.			
33	10. K-3 Primary Class Size Reduction Payments			
34	a. An additional payment estimated at \$123,321,155 the first year and \$128,583,847			
35	\$121,269,427 the second year from the Lottery Proceeds Fund shall be disbursed by the			
36	Department of Education as an incentive for reducing class sizes in the primary grades.			
37	b. The Department of Education shall calculate the payment based on the incremental cost			
38	of providing the lower class sizes based on the lower of the division average per pupil cost			
39	of all divisions or the actual division per pupil cost.			
40	c. Localities are required to provide a match for these funds based on the composite index			
41	of local ability-to-pay.			
42	d. By October 15 of each year school divisions must provide data to the Department of			
43	Education that each participating school has a September 30 pupil/teacher ratio in grades			
44	K through 3 that meet the following criteria:			
45	Qualifying School Percentage of Students Approved	Grades K-3	Maximum Individual	
46	Eligible for Free Lunch, Three-Year Average	School Ratio	K-3 Class Size	
47	30% but less than 45%	19 to 1	24

3	portion of grades kindergarten through three, with a commensurate reduction of state and				
4	required local funds, if local conditions do not permit participation at the established ratio				
5	and/or maximum individual class size. In the event that a school division requires additional				
6	actions to ensure participation at the established ratio and/or maximum individual class size,				
7	such actions must be completed by December 1 of the impacted school year. Special				
8	education teachers and instructional aides shall not be counted towards meeting these required				
9	pupil/teacher ratios in grades kindergarten through three.				
10	f. The Superintendent of Public Instruction may grant waivers to school divisions for the class				
11	size requirement in eligible schools that have only one class in an affected grade level in the

13	11. Literary Fund Subsidy Program Payments				
14	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
15	provide a program of funding for school construction and renovation through the Literary				
16	Fund and through VPSA bond sales. The program shall be used to provide funds, through				
17	Literary Fund loans and subsidies, and through VPSA bond sales, to fund a portion of the				
18	projects on the First or Second Literary Fund Waiting List, or other critical projects which				
19	may receive priority placement on the First or Second Literary Fund Waiting List by the				
20	Department of Education. Interest rate subsidies will provide school divisions with the present				
21	value difference in debt service between a Literary Fund loan and a borrowing through the				
22	VPSA. To qualify for an interest rate subsidy, the school division's project must be eligible				
23	for a Literary Fund loan and shall be subject to the same restrictions. The VPSA shall work				
24	with the Department of Education in selecting those projects to be funded through the interest				
25	rate subsidy/bond financing program, so as to ensure the maximum leverage of Literary Fund				
26	moneys and a minimum impact on the VPSA Bond Pool.				
27	b. The Department of Education may offer Literary Fund loans from the uncommitted				
28	balances of the Literary Fund after meeting the obligations of the interest rate subsidy sales				
29	and the amounts set aside from the Literary Fund for Debt Service Payments for Education				
30	Technology in this Item.				
31	c. 1) In the event that on any scheduled payment date of bonds of the Virginia Public School				
32	Authority (VPSA) authorized under the provisions of a bond resolution adopted subsequent to				
33	June 30, 1997, issued subsequent to June 30, 1997, and not benefiting from the provisions of				
34	either § 22.1-168 (iii), (iv), and (v), Code of Virginia, or § 22.1-168.1, Code of Virginia, the				
35	sum of (i) the payments on general obligation school bonds of cities, counties, and towns				
36	(localities) paid to the VPSA and (ii) the proceeds derived from the application of the				
37	provisions of § 15.2-2659, Code of Virginia, to such bonds of localities, is less than the debt				
38	service due on such bonds of the VPSA on such date, there is hereby appropriated to the				
39	VPSA, first, from available moneys of the Literary Fund and, second, from the general fund a				
40	sum equal to such deficiency.				
41	2) The Commonwealth shall be subrogated to the VPSA to the extent of any such				
42	appropriation paid to the VPSA and shall be entitled to enforce the VPSA's remedies with				
43	respect to the defaulting locality and to full recovery of the amount of such deficiency,				
44	together with interest at the rate of the defaulting locality's bonds.				
45	d. The chairman of the Board of Commissioners of the VPSA shall, on or before November 1				
46	of each year, make and deliver to the Governor and the Secretary of Finance a certificate				
47	setting forth his estimate of total debt service during each fiscal year of the biennium on				
48	bonds of the VPSA issued and projected to be issued during such biennium pursuant to the				
49	bond resolution referred to in paragraph a above. The Governor's budget submission each year				
50	shall include provisions for the payment of debt service pursuant to paragraph 1) above.				
51	12. Educational Technology Payments				
52	a. Any unobligated amounts transferred to the educational technology fund shall be disbursed				
53	on a pro rata basis to localities. The additional funds shall be used for technology needs

40	at \$67,138,400 in fiscal year 2017 and \$69,169,200 \$58,735,300 in fiscal year 2018.				
41	Proceeds of the notes will be used to establish a computer-based instructional and testing				
42	system for the Standards of Learning (SOL) and to develop the capability for high speed				
43	Internet connectivity at high schools followed by middle schools followed by elementary				
44	schools. School divisions shall use these funds first to develop and maintain the capability				
45	to support the administration of online SOL testing for all students with the exception of				
46	students with a documented need for a paper SOL test.				
47	2) The Department of Education shall authorize amounts estimated at \$14,351,594				
48	\$13,950,086 the second year from the Literary Fund to provide debt service payments for				
49	the education technology grant program conducted through the Virginia Public School				
50	Authority in 2017.				
51	3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues				
52	to pay debt service on the Virginia Public School Authority bonds or notes authorized for				
53	education technology grant programs in fiscal year 2017 and in fiscal year 2018. In				
54	developing the proposed 2018-2020, 2020-2022, and 2022-2024 biennial budgets for

1	public education, the Department of Education shall include a recommendation to the			
2	Governor to authorize sufficient Literary Fund revenues to make debt service payments for			
3	these programs in fiscal years 2019, 2020, 2021, 2022, and 2023.			
4	4) Grant funds from the issuance of \$67,138,400 in fiscal year 2017 and \$69,169,200			
5	\$58,735,300 in fiscal year 2018 in equipment notes are based on a grant of \$26,000 per school			
6	and \$50,000 per school division. For purposes of this grant program, eligible schools shall			
7	include schools that are subject to state accreditation and reporting membership in grades K			
8	through 12 as of September 30, 2016, for the fiscal year 2017 issuance, and September 30,			
9	2017, for the fiscal year 2018 issuance, as well as regional vocational centers, special			
10	education centers, alternative education centers, regular school year Governor's Schools, and			
11	the School for the Deaf and the Blind. Schools that serve only pre-kindergarten students shall			
12	not be eligible for this grant.			
13	5. a.) Supplemental grants shall be allocated to eligible divisions to support schools that are			
14	not fully accredited in accordance with this paragraph. Schools that include a ninth grade that			
15	administer SOL tests in Spring 2016 and that are not fully accredited for the second			
16	consecutive year, based on school accreditation ratings in effect for fiscal year 2016 and fiscal			
17	year 2017 will qualify to participate in the Virginia e-Learning Backpack Initiative in fiscal			
18	year 2017 and receive: (1) a supplemental grant of \$400 per student reported in ninth grade			
19	fall membership in a qualifying school for the purchase of a laptop or tablet for that student			
20	and (2) a supplemental grant of \$2,400 per qualifying school to purchase two content creation			
21	packages for teachers. Schools eligible to receive this supplemental grant in fiscal year 2017			
22	shall continue to receive the grant for the number of subsequent years equaling the number of			
23	grades 9 through 12 in the qualifying school up to a maximum of four years. Schools that			
24	administer SOL tests in Spring 2017 and that are not fully accredited for the second			
25	consecutive year based on school accreditation ratings in effect for fiscal year 2017 and fiscal			
26	year 2018 will qualify to participate in the initiative in fiscal year 2018. Schools eligible for			
27	the supplemental grants in previous fiscal years shall continue to be eligible for the remaining			
28	years of their grant award. Schools eligible to receive this supplemental grant in fiscal year			
29	2018 shall continue to receive the grant for the number of subsequent years equaling the			
30	number of grades 9 through 12 in the qualifying school up to a maximum of four years.			
31	Grants awarded to qualifying schools that do not have grades 10, 11, or 12 may transition			
32	with the students to the primary receiving school for all years subsequent to grade 9. Schools			
33	are eligible to receive these grants for a period of up to four years beginning in fiscal year			
34	2014 and shall not be eligible to receive a separate award in the future once the original award			
35	period has concluded. Schools that are fully accredited or that are new schools with			
36	conditional accreditation in their first year shall not be eligible to receive this supplemental			
37	grant.			
38	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-			
39	Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for (1)			
40	the purchase of a laptop or tablet for a student reported in ninth grade fall membership, and			
41	(2) the purchase of two content creation packages for teachers per grant. The amounts for			
42	such grants shall remain unchanged.			
43	6) Required local match:			
44	a) Localities are required to provide a match for these funds equal to 20 percent of the grant			
45	amount, including the supplemental grants provided pursuant to paragraph g. 5). At least 25			
46	percent of the local match, including the match for supplemental grants, shall be used for			
47	teacher training in the use of instructional technology, with the remainder spent on other			
48	required uses. The Superintendent of Public Instruction is authorized to reduce the required			
49	local match for school divisions with a composite index of local ability-to-pay below 0.2000.			
50	The Virginia School for the Deaf and the Blind is exempt from the match requirement.			
51	b) School divisions that administer 100 percent of SOL tests online in all elementary, middle,			
52	and high schools may use up to 75 percent of their required local match to purchase targeted			
53	technology-based interventions. Such interventions may include the necessary technology and			
54	software to support online learning, technology-based content systems, content management			
55	systems, technology equipment systems, information and data management systems, and			
56	other appropriate technologies that support the individual needs of learners. School divisions			
57	that receive supplemental grants pursuant to paragraph g.5) above shall use the funds in

1	qualifying schools to purchase laptops and tablets for ninth grade students reported in fall			
2	membership and content creation packages for teachers.			
3	7) The goal of the education technology grant program is to improve the instructional,			
4	remedial, and testing capabilities of the Standards of Learning for local school divisions			
5	and to increase the number of schools achieving full accreditation.			
6	8) Funds shall be used in the following manner:			
7	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1			
8	student to computer ratio; (2) an Internet-ready local area network (LAN) capability; and			
9	(3) high speed access to the Internet. School connectivity (computers, LANs and network			
10	access) shall include sufficient download/upload capability to ensure that each student will			
11	have adequate access to Internet-based instructional, remedial and assessment programs.			
12	b) When each high school in a division meets the goals established in paragraph a) above,			
13	the remaining funds shall be used to develop similar capability in first the middle schools			
14	and then the elementary schools.			
15	c) For purposes of establishing or enhancing a computer-based instructional program			
16	supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds			
17	may be used to purchase handheld multifunctional computing devices that support a broad			
18	range of applications and that are controlled by operating systems providing full			
19	multimedia support and mobile Internet connectivity. School divisions that elect to use			
20	these grant funds to purchase such qualifying handheld devices must continue to meet the			
21	on-line testing requirements stated in paragraph g. 1) above.			
22	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph			
23	g.5) above. These supplemental grants shall be used in qualifying schools for the purchase			
24	of laptops and tablets for ninth grade students reported in fall membership and content			
25	creation packages for teachers. Participating school divisions will be required to select a			
26	core set of electronic textbooks, applications and online services for productivity, learning			
27	management, collaboration, practice, and assessment to be included on all devices. In			
28	addition, participating school divisions will assume recurring costs for electronic textbook			
29	purchases and maintenance.			
30	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
31	divisions became one school division, whether by consolidation of only the school			
32	divisions or by consolidation of the local governments, such resulting division shall be			
33	provided funding through this program on the basis of having the same number of school			
34	divisions as existed prior to September 30, 2000.			
35	9) Local school divisions shall maximize the use of available federal funds, including E-			
36	Rate Funds, and to the extent possible, use such funds to supplement the program and			
37	meet the goals of this program.			
38	h. The Department of Education shall maintain criteria to determine if high schools,			
39	middle schools, or elementary schools have the capacity to meet the goals of this			
40	initiative. The Department of Education shall be responsible for the project management			
41	of this program.			
42	i. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia			
43	Public School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code			
44	of Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v),			
45	Code of Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary			
46	Fund are less than the amounts authorized for debt service due on such bonds or notes of			
47	the VPSA on such date, there is hereby appropriated to the VPSA from the general fund a			
48	sum equal to such deficiency.			
49	2) The Chairman of the Board of Commissioners of the VPSA shall, on or before			
50	November 1 of each year, make and deliver to the Governor and the Secretary of Finance			
51	a certificate setting forth his estimate of total debt service during each fiscal year of the			
52	biennium on bonds and notes of the VPSA issued and projected to be issued during such			
53	biennium pursuant to the resolution referred to in paragraph 1) above. The Governor's			
54	budget submission each year shall include provisions for the payment of debt service

2	j. Unobligated proceeds of the notes, including investment income derived from the proceeds			
3	of the notes may be used to pay interest on, or to decrease principal of the notes or to fund a			
4	portion of such other educational technology grants as authorized by the General Assembly.			
5	k. 1) For the purposes of § 56-232, Code of Virginia, "Contracts of Telephone Companies			
6	with State Government" and for the purposes of § 56-234 "Contracts for Service Rendered by			
7	a Telephone Company for the State Government" shall be deemed to include communications			
8	lines into public schools which are used for educational technology. The rate structure for			
9	such lines shall be negotiated by the Superintendent of Public Instruction and the Chief			
10	Information Officer of the Virginia Information Technologies Agency. Further, the			
11	Superintendent and Director are authorized to encourage the development of "by-pass"			
12	infrastructure in localities where it fails to obtain competitive prices or prices consistent with			
13	the best rates obtained in other parts of the state.			
14	2) The State Corporation Commission, in its consideration of the discount for services			
15	provided to elementary schools, secondary schools, and libraries and the universal service			
16	funding mechanisms as provided under § 254 of the Telecommunications Act of 1996, is			
17	hereby encouraged to make the discounts for intrastate services provided to elementary			
18	schools, secondary schools, and libraries for educational purposes as large as is prudently			
19	possible and to fund such discounts through the universal fund as provided in § 254 of the			
20	Telecommunications Act of 1996. The commission shall proceed as expeditiously as possible			
21	in implementing these discounts and the funding mechanism for intrastate services, consistent			
22	with the rules of the Federal Communications Commission aimed at the preservation and			
23	advancement of universal service.			
24	13. Security Equipment Payments			
25	1) A security equipment grant program shall be conducted through the Virginia Public School			
26	Authority, through the issuance of equipment notes in an amount estimated at up to			
27	\$6,000,000 in fiscal year 2017 and \$6,000,000 in fiscal year 2018 in conjunction with the			
28	Virginia Public School Authority technology notes program authorized in C.12. of this Item.			
29	Proceeds of the notes will be used to help offset the related costs associated with the purchase			
30	of appropriate security equipment that will improve and help ensure the safety of students			
31	attending public schools in Virginia.			
32	2) The Department of Education shall authorize amounts estimated at \$4,924,392 the first			
33	year and \$6,203,522 \$6,163,368 the second year from the Literary Fund to provide debt			
34	service payments for the security equipment grant programs conducted through the Virginia			
35	Public School Authority in fiscal years 2013, 2014, 2015, 2016, and 2017.			
36	3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to			
37	pay debt service on the Virginia Public School Authority bonds or notes authorized for this			
38	program. In developing the proposed 2018-2020, and 2020-2022, and 2022-2024 biennial			
39	budgets for public education, the Department of Education shall include a recommendation to			
40	the Governor to authorize sufficient Literary Fund revenues to make debt service payments			
41	for these programs in fiscal years 2019, 2020, 2021, 2022, and 2023.			
42	4) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public			
43	School Authority issued for the purpose described in § 22.1-166.2, Code of Virginia, and not			
44	benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of Virginia, or §			
45	22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less than the			
46	amounts authorized for debt service due on such bonds or notes on such date, there is hereby			
47	appropriated to the Virginia Public School Authority from the general fund a sum equal to			
48	such deficiency.			
49	5) The Chairman of the Board of Commissioners of the Virginia Public School Authority			
50	shall, on or before November 1 of each year, deliver to the Governor and the Secretary of			
51	Finance a certificate setting forth his estimate of total debt service during each fiscal year of			
52	the biennium on bonds and notes issued and projected to be issued during such biennium. The			
53	Governor's budget submission each year shall include provisions for the payment of debt			
54	service pursuant to paragraph 1) above.

1	6) Grant award funds from the issuance of up to \$6,000,000 in fiscal year 2017 and			
2	\$6,000,000 in fiscal year 2018 in equipment notes shall be distributed to eligible school			
3	divisions. The grant awards will be based on a competitive grant basis of up to \$100,000			
4	per school division. School divisions will be permitted to apply annually for grant funding.			
5	For purposes of this program, eligible schools shall include schools that are subject to state			
6	accreditation and reporting membership in grades K through 12 as of September 30, 2016,			
7	for the fiscal year 2017 issuance, and September 30, 2017, for the fiscal year 2018			
8	issuance, as well as regional vocational centers, special education centers, alternative			
9	education centers, regular school year Governor's Schools, and the Virginia School for the			
10	Deaf and the Blind.			
11	7) School divisions would submit their application to Department of Education by August			
12	1 of each year based on the criteria developed by the Department of Education in			
13	collaboration with the Department of Criminal Justice Services who will provide			
14	requested technical support. Furthermore, the Department of Education will have the			
15	authority to make such grant awards to such school divisions.			
16	8) It is also the intent of the General Assembly that the total amount of the grant awards			
17	shall not exceed \$30,000,000 over any ongoing revolving five year period.			
18	9) Required local match:			
19	a) Localities are required to provide a match for these funds equal to 25 percent of the			
20	grant amount. The Superintendent of Public Instruction is authorized to reduce the			
21	required local match for school divisions with a composite index of local ability-to-pay			
22	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match			
23	requirement.			
24	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
25	divisions became one school division, whether by consolidation of only the school			
26	divisions or by consolidation of the local governments, such resulting division shall be			
27	provided funding through this program on the basis of having the same number of school			
28	divisions as existed prior to September 30, 2000.			
29	c) Local school divisions shall maximize the use of available federal funds, including E-			
30	Rate Funds, and to the extent possible, use such funds to supplement the program and			
31	meet the goals of this program.			
32	14. Virginia Preschool Initiative Payments			
33	a.1) It is the intent of the General Assembly that a payment estimated at \$69,351,713 the			
34	first year and \$70,950,500 \$69,097,338 the second year from the Lottery Proceeds Fund			
35	shall be disbursed by the Department of Education to schools and community-based			
36	organizations to provide quality preschool programs for at-risk four-year-olds who are			
37	residents of Virginia and unserved by Head Start program funding. In no event shall			
38	distributions from the Lottery Proceeds Fund be made directly to community-based or			
39	private providers.			
40	2) These state funds and required local matching funds shall be used to provide programs			
41	for at-risk four-year-old children, which include quality preschool education, health			
42	services, social services, parental involvement and transportation. It shall be the policy of			
43	the Commonwealth that state funds and required local matching funds for the Virginia			
44	Preschool Initiative not be used for capital outlay. Programs must provide full-day or half-			
45	day and, at least, school-year services.			
46	3) The Department of Education, in cooperation with the Council on Child Day Care and			
47	Early Childhood Programs, shall establish academic standards that are in accordance with			
48	appropriate preparation for students to be ready to successfully enter kindergarten. These			
49	standards shall be established in such a manner as to be measurable for student			
50	achievement and success. Students shall be required to be evaluated in the fall and in the			
51	spring by each participating school division and the school divisions must certify that the			
52	Virginia Preschool Initiative program follows the established standards in order to receive			
53	the funding for quality preschool education and criteria for the service components. Such			
54	guidelines shall be consistent with the findings of the November 1993 study by the Board

1	of Education, the Department of Education, and the Council on Child Day Care and Early				
2	Childhood Programs.				
3	4) a) Grants shall be distributed based on an allocation formula providing the state share of a				
4	\$6,125 grant for 100 percent of the unserved at-risk four-year-olds in each locality for a full-				
5	day program. The number of unserved at-risk four-year-olds in each locality shall be based on				
6	the projected number of kindergarten students, updated once each biennium for the				
7	Governor's introduced biennial budget. Half-day programs shall operate for a minimum of				
8	three hours of classroom instructional time per day, excluding breaks for lunch or recess, and				
9	grants to half-day programs shall be funded based on the state share of \$3,062 per unserved				
10	at-risk four-year-old in each locality. Full-day programs shall operate for a minimum of five				
11	and one-half instructional hours, excluding breaks for meals and recess. No additional state				
12	funding is provided for programs operating greater than three hours per day but less than five				
13	and one-half hours per day. In determining the state and local shares of funding, the				
14	composite index of local ability-to-pay is capped at 0.5000.				
15	b) For new programs in the first year of implementation only, programs operating less than a				
16	full school year shall receive state funds on a fractional basis determined by the pro-rata				
17	portion of a school year program provided. In determining the prorated state funds to be				
18	received, a school year shall be 180 days.				
19	b.1) Any locality which desires to participate in this grant program must submit a proposal				
20	through its chief administrator (county administrator or city manager) by May 15 of each				
21	year. The chief administrator, in conjunction with the school superintendent, shall identify a				
22	lead agency for this program within the locality. The lead agency shall be responsible for				
23	developing a local plan for the delivery of quality preschool services to at-risk children which				
24	demonstrates the coordination of resources and the combination of funding streams in an				
25	effort to serve the greatest number of at-risk four-year-old children.				
26	2) The proposal must demonstrate coordination with all parties necessary for the successful				
27	delivery of comprehensive services, including the schools, child care providers, local social				
28	services agency, Head Start, local health department, and other groups identified by the lead				
29	agency.				
30	3) A local match, based on the composite index of local ability-to-pay, shall be required. For				
31	purposes of meeting the local match, localities may use local expenditures for existing				
32	qualifying programs, however, at least seventy-five percent of the local match will be cash				
33	and no more than twenty-five percent will be in-kind. In-kind contributions are defined as				
34	cash outlays that are made by the locality that benefit the program but are not directly charged				
35	to the program. The value of fixed assets cannot be considered as an in-kind contribution.				
36	Localities shall also continue to pursue and coordinate other funding sources, including child				
37	care subsidies. Funds received through this program must be used to supplement, not				
38	supplant, any funds currently provided for programs within the locality. However, in the event				
39	a locality is prohibited from continuing the previous level of support to programs for at-risk				
40	four-year-olds from Title I of the federal Elementary and Secondary Education Act (ESEA),				
41	the state and local funds provided in this grants program may be used to continue services to				
42	these Title I students. Such prohibition may occur due to amendments to the allocation				
43	formula in the reauthorization of ESEA as the No Child Left Behind Act of 2001 or due to a				
44	percentage reduction in a locality's Title I allocation in 2016-2017 or 2017-2018. Any locality				
45	so affected shall provide written evidence to the Superintendent of Public Instruction and				
46	request his approval to continue the services to Title I students.				
47	c. Local plans must provide clear methods of service coordination for the purpose of reducing				
48	the per child cost for the service, increasing the number of at-risk children served and/or				
49	extending services for the entire year. Examples of these include:				
50	1) "Wraparound Services" -- methods for combining funds such as child care subsidy dollars				
51	administered by local social service agencies with dollars for quality preschool education				
52	programs.				
53	2) "Wrap-out Services" - methods for using grant funds to purchase quality preschool services				
54	to at-risk four-year-old children through an existing child care setting by purchasing				
55	comprehensive services within a setting which currently provides quality preschool education.

1	3) "Expansion of Service" - methods for using grant funds to purchase slots within				
2	existing programs, such as Head Start, which provide comprehensive services to at-risk				
3	four-year-old children.				
4	d.1) Local plans must indicate the number of at-risk four-year-old children to be served,				
5	and the eligibility criteria for participation in this program shall be consistent with the				
6	economic and educational risk factors stated in the 2015-2016 programs guidelines that				
7	are specific to: (i) family income at or below 200 percent of poverty, (ii) homelessness,				
8	(iii) student's parents or guardians are school dropouts, or (iv) family income is less than				
9	350 percent of federal poverty guidelines in the case of students with special needs or				
10	disabilities. Up to 15 percent of a division's slots may be filled based on locally				
11	established eligibility criteria so as to meet the unique needs of at-risk children in the				
12	community.				
13	2) The Department of Education is directed to compile from each school division the				
14	aggregated information as to the number of enrolled students whose families are (i) at or				
15	below 130 percent of poverty, and (ii) above 130 percent but below 200 percent of				
16	poverty. The Department shall report this information annually, after the application and				
17	fall participation reports are submitted to the Department from the school divisions, to the				
18	Chairmen of House Appropriations and Senate Finance Committees. In addition, the				
19	Department will post and maintain the summary information by division on the				
20	Department's website in keeping with current student privacy policies.				
21	e.1) The Department of Education and the Council on Child Day Care and Early				
22	Childhood Programs shall provide technical assistance for the administration of this grant				
23	program to provide assistance to localities in developing a comprehensive, coordinated,				
24	quality preschool program for serving at-risk four-year-old children.				
25	2) A pre-application session shall be provided by the Department and the Council on				
26	Child Day Care and Early Childhood Programs prior to the proposal deadline. The				
27	Department shall provide interested localities with information on models for service				
28	delivery, methods of coordinating funding streams, such as funds to match federal IV-A				
29	child care dollars, to maximize funding without supplanting existing sources of funding				
30	for the provision of services to at-risk four-year-old children. A priority for technical				
31	assistance in the design of programs shall be given to localities where the majority of the				
32	at-risk four-year-old population is currently unserved.				
33	f. The Department of Education shall include in the program's application package specific				
34	information regarding the potential availability of funding for supplemental grants that				
35	may be used for one-time expenses, other than capital, related to start-up or expansion of				
36	programs, with priority given to proposals for expanding the use of partnerships with				
37	either nonprofit or for-profit providers. Furthermore, the Department is mandated to				
38	communicate to all eligible school divisions the remaining available balances in the				
39	program's adopted budget, after the fall participation reports have been submitted and				
40	finalized for such grants.				
41	15. Early Reading Intervention Payments				
42	a. An additional payment of \$20,057,840 the first year and \$20,098,089 \$22,635,044 the				
43	second year from the Lottery Proceeds Fund shall be disbursed by the Department of				
44	Education to local school divisions for the purposes of providing early reading				
45	intervention services to students in grades kindergarten through 3 who demonstrate				
46	deficiencies based on their individual performance on diagnostic tests which have been				
47	approved by the Department of Education. The Department of Education shall review the				
48	tests of any local school board which requests authority to use a test other than the state-				
49	provided test to ensure that such local test uses criteria for the early diagnosis of reading				
50	deficiencies which are similar to those criteria used in the state-provided test. The				
51	Department of Education shall make the state-provided diagnostic test used in this				
52	program available to local school divisions. School divisions shall report the results of the				
53	diagnostic tests to the Department of Education on an annual basis at a time to be				
54	determined by the Superintendent of Public Instruction.				
55	b. These payments shall be based on the state's share of the cost of providing two and one-				
56	half hours of additional instruction each week for an estimated number of students in each

1 school division at a student to teacher ratio of five to one. The estimated number of students
 2 in each school division in each year shall be determined by multiplying the projected number
 3 of students reported in each school division's fall membership in grades kindergarten, 1, 2,
 4 and 3 by the percent of students who are determined to need services based on diagnostic tests
 5 administered in the previous year in that school division and adjusted in the following
 6 manner:

	Year 1	Year 2
7 Kindergarten	100%	100%
8 Grade 1	100%	100%
9 Grade 2	100%	100%
10 Grade 3	100%	100%

12 c. These payments are available to any school division that certifies to the Department of
 13 Education that an intervention program will be offered to such students and that each student
 14 who receives an intervention will be assessed again at the end of that school year. At the
 15 beginning of the school year, local school divisions shall partner with the parents of those
 16 third grade students in the division who demonstrate reading deficiencies, discussing with
 17 them a developed plan for remediation and retesting. Such intervention programs, at the
 18 discretion of the local school division, may include, but not be limited to, the use of: special
 19 reading teachers; trained aides; full-time early literacy tutors; volunteer tutors under the
 20 supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct
 21 in-class groups while the teacher provides direct instruction to the students who need extra
 22 assistance; or extended instructional time in the school day or year for these students.
 23 Localities receiving these payments are required to match these funds based on the composite
 24 index of local ability-to-pay.

25 d. In the event that a school division does not use the diagnostic test provided by the
 26 Department of Education in the year that serves as the basis for updating the funding formula
 27 for this program but has used it in past years, the Department of Education shall use the most
 28 recent data available for the division for the state-provided diagnostic test.

29 e. The results of all reading diagnostic tests and reading remediation shall be discussed with
 30 the student and the student's parent prior to the student being promoted to grade four.

31 f. Funds appropriated for Standards of Quality Prevention, Intervention, and Remediation,
 32 Remedial Summer School, or At-Risk Add-On may also be used to meet the requirements of
 33 this program.

34 16. Standards of Learning Algebra Readiness Payments

35 a. An additional payment of \$12,968,589 the first year and ~~\$12,775,341~~ \$12,828,757 the
 36 second year from the Lottery Proceeds Fund shall be disbursed by the Department of
 37 Education to local school divisions for the purposes of providing math intervention services to
 38 students in grades 6, 7, 8 and 9 who are at-risk of failing the Algebra I end-of-course test, as
 39 demonstrated by their individual performance on diagnostic tests which have been approved
 40 by the Department of Education. In the second year, this reflects \$199,992 apportioned to
 41 each school division to account for the cost of the diagnostic test. The Department of
 42 Education shall review the tests to ensure that such local test uses state-provided criteria for
 43 diagnosis of math deficiencies which are similar to those criteria used in the state-provided
 44 test. The Department of Education shall make the state-provided diagnostic test used in this
 45 program available to local school divisions. School divisions shall report the results of the
 46 diagnostic tests to the Department of Education on an annual basis at a time to be determined
 47 by the Superintendent of Public Instruction.

48 b. These payments shall be based on the state's share of the cost of providing two and one-half
 49 hours of additional instruction each week for an estimated number of students in each school
 50 division at a student to teacher ratio of ten to one. The estimate number of students in each
 51 school division shall be determined by multiplying the projected number of students reported
 52 in each school division's fall membership by the percent of students that qualify for the
 53 federal Free Lunch Program.

54 c. These payments are available to any school division that certifies to the Department of

19	Instruction Payments.			
20	b. Out of the appropriations in this Item, the Department of Education shall make

22	amount estimated at \$84,678,643 the first year and \$32,680,039 from the general fund and			
23	\$54,898,940 \$92,162,325 from the Lottery Proceeds Fund the second year for the purpose			
24	of the state's share of the tuition rates for approved public school regional programs.			
25	Notwithstanding any contrary provision of law, the state's share of the tuition rates shall be			
26	based on the composite index of local ability-to-pay.			
27	c. Out of the amounts for Financial Assistance for Categorical Programs, \$34,904,851 the			
28	first year and \$35,588,024 \$34,706,297 the second year from the general fund is			
29	appropriated to permit the Department of Education to enter into agreements with selected			
30	local school boards for the provision of educational services to children residing in certain

32	portion of these funds provided for educational services to children residing in local or			
33	regional detention homes shall only be determined on the basis of children detained in			
34	such facilities through a court order issued by a court of the Commonwealth. The selection			
35	and employment of instructional and administrative personnel under such agreements will			
36	be the responsibility of the local school board in accordance with procedures as prescribed			
37	by the local school board. State payments for the first year to the local school boards			
38	operating these programs will be based on certified expenditures from the fourth quarter of			
39	FY 2016 and the first three quarters of FY 2017. State payments for the second year to the			
40	local school boards operating these programs will be based on certified expenditures from			
41	the fourth quarter of FY 2017 and the first three quarters of FY 2018.			
42	20. Vocational Education Instruction Payments			
43	a. It is the intention of the General Assembly that the Department of Education explore			
44	initiatives that will encourage greater cooperation between jurisdictions and the Virginia			
45	Community College System in meeting the needs of public school systems.			
46	b. This appropriation includes \$1,800,000 the first year from the Lottery Proceeds Fund			
47	and \$1,800,000 the second year from the Lottery Proceeds Fund for secondary vocational-			
48	technical equipment. A base allocation of \$2,000 each year shall be available for all			
49	divisions, with the remainder of the funding distributed on the basis of student enrollment			
50	in secondary vocational-technical courses. State funds received for secondary vocational-			
51	technical equipment must be used to supplement, not supplant, any funds currently			
52	provided for secondary vocational-technical equipment within the locality. Local school			
53	divisions are not required to provide a local match in order to receive these state funds.

33	Governor's Schools based on each participating locality's composite index of local ability-

35	participation in this program.			
36	b.1) Out of the amounts for Governor's School Payments, the Department of Education

1	associated with initiation of existing or proposed Governor's schools. State general fund			
2	appropriations may be used for the purchase of instructional equipment for such schools,			
3	subject to certification by the Superintendent of Public Instruction that at least an equal			
4	amount of funds has been committed by participating school divisions to such purchases.			
5	e. The Board of Education shall not take any action that would increase the state's share of			
6	costs associated with the Governor's Schools as set forth in this Item. This provision shall not			
7	prohibit the Department of Education from submitting requests for the increased costs of			
8	existing programs resulting from updates to student enrollment for school divisions currently			
9	participating in existing programs or for school divisions that begin participation in existing			
10	programs.			
11	f.1) Regular school year Governor's Schools are funded through this Item based on the state's			
12	share of the incremental per pupil cost for providing such programs for each student attending			
13	a Governor's School up to a cap of 1,800 students per Governor's School in the first year and a			
14	cap of 1,800 students per Governor's School in the second year. This incremental per pupil			
15	payment shall be adjusted for the composite index of the school division that counts such			
16	students attending an academic year Governor's School in their March 31 Average Daily			
17	Membership. It is the intent of the General Assembly that this incremental per pupil amount			
18	be in addition to the basic aid per pupil funding provided to the affected school division for			
19	such students. Therefore, local school divisions are encouraged to provide the appropriate			
20	portion of the basic aid per pupil funding to the Governor's Schools for students attending			
21	these programs, adjusted for costs incurred by the school division for transportation,			
22	administration, and any portion of the day that the student does not attend a Governor's			
23	School.			
24	2) Students attending a revolving Academic Year Governor's School program for only one			
25	semester shall be counted as 0.50 of a full-time equivalent student and will be funded for only			
26	fifty percent of the full-year funded per pupil amount. Funding for students attending a			
27	revolving Academic Year program will be adjusted based upon actual September 30th and			
28	January 30th enrollment each fiscal year. For purposes of this Item, revolving programs shall			
29	mean Academic Year Governor's School programs that admit students on a semester basis.			
30	3) Students attending a continuous, non-revolving Academic Year Governor's School			
31	program shall be counted as a full-time equivalent student and will be funded for the full-year			
32	funded per pupil amount. Funding for students attending a continuous, non-revolving			
33	Academic Year Governor's School program will be adjusted based upon actual September			
34	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-revolving			
35	programs shall mean Academic Year Governor's School programs that only admit students at			
36	the beginning of the school year. Fairfax County Public Schools shall not reduce local per			
37	pupil funding for the Thomas Jefferson Governor's School below the amounts appropriated			
38	for the 2003-2004 school year.			
39	4) This appropriation includes an additional \$1,223,796 the first year and \$1,250,538			
40	\$1,243,911 the second year from the general fund to provide the state's share of a 2.5 percent			
41	increase in the tuition amount, and the state's share of \$50.00 per course per student			
42	adjustment added after the 2.5 percent increase. The 2.5 percent increase and the \$50.00 per			
43	course adjustment shall only be effective for fiscal year 2017 and fiscal year 2018. The local			
44	funding contribution of each school division participating in an Academic Year Governor's			
45	Schools program in either year of the biennium shall not be reduced on a per pupil basis			
46	below the amount in fiscal year 2016.			
47	5) The Department of Education shall review the distribution methodology used to determine			
48	the Governor's School tuition payments by November 4, 2016, and submit the findings of the			
49	review to the Chairmen of House Appropriations and Senate Finance Committees. The review			
50	shall include, but not be limited to, consideration of the length of the academic program day			
51	with the intent to determine and provide an equitable distribution of tuition payments based			
52	on the actual length of academic program day, the appropriate state and local shares, and the			
53	academic model used by Governor's Schools in the configuration of the funding formula.			
54	g. All regional Governor's Schools are encouraged to provide full-day grades 9 through 12			
55	programs.

2	community colleges in the Roanoke Valley region, a model proposal that establishes a			
3	Regional Career and Technical Governor's School Center.			
4	j. Out of the appropriation included in paragraph 40 of this item, \$135,366 <i>\$134,841</i> the			
5	second year from the general fund is included in the Academic Year Governor's School			
6	funding allocation to increase the per pupil amount the second year as an add-on for a			
7	compensation supplement payment equal to 2.0 percent of base pay on February 15, 2018,			
8	for Academic Year Governor's School instructional and support positions.			
9	29. School Nutrition Payments			
10	It is provided that, subject to implementation by the Superintendent of Public Instruction,			
11	no disbursement shall be made out of the appropriation for school nutrition to any locality			
12	in which the schools permit the sale of competitive foods in food service facilities or areas			
13	during the time of service of food funded pursuant to this Item.			
14	30. School Breakfast Payments			
15	a. Out of this appropriation, \$4,887,179 the first year and \$5,492,229 <i>\$5,722,214</i> the			
16	second year from the Lottery Proceeds Fund is included to continue a state funded			
17	incentive program to maximize federal school nutrition revenues and increase student			
18	participation in the school breakfast program. These funds are available to any school			
19	division as a reimbursement for breakfast meals served that are in excess of the baseline			
20	established by the Department of Education. The per meal reimbursement shall be \$0.22;			
21	however, the department is authorized, but not required to reduce this amount			
22	proportionately in the event that the actual number of meals to be reimbursed exceeds the			
23	number on which this appropriation is based so that this appropriation is not exceeded.			
24	b. In order to receive these funds, school divisions must certify that these funds will be			
25	used to supplement existing funds provided by the local governing body and that local			
26	funds derived from sources that are not generated by the school nutrition programs have			
27	not been reduced or eliminated. The funds shall be used to improve student participation			
28	in the school breakfast program. These efforts may include, but are not limited to,			
29	reducing the per meal price paid by students, reducing competitive food sales in order to			
30	improve the quality of nutritional offerings in schools, increasing access to the school			
31	breakfast program, or providing programs to increase parent and student knowledge of			
32	good nutritional practices. In no event shall these funds be used to reduce local tax			
33	revenues below the level appropriated to school nutrition programs in the prior year.			
34	Further, these funds must be provided to the school nutrition programs and may not be			
35	used for any other school purpose.			
36	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year			
37	from the general fund is provided to fund an elementary school After-the-Bell Model			
38	breakfast pilot program available on a voluntary basis only to elementary schools where			
39	student eligibility for free or reduced lunch exceeds 45.0 percent for the participating			
40	eligible elementary school, and to provide additional reimbursement for eligible meals			
41	served in the current traditional school breakfast program at all grade levels in any			
42	participating school. The Department of Education is directed to ensure that only eligible			
43	elementary schools receive reimbursement funding for participating in the After-the-Bell			
44	school breakfast model. The elementary schools participating in the pilot program shall			
45	evaluate the educational impact of the models implemented that provide school breakfasts			
46	to students after the first bell of the school day, based on the guidelines developed by the			
47	Department of Education and submit the required report to the Department of Education			
48	no later June 30, 2017 for the 2016-2017 school year and no later than June 30, 2018 for			
49	the 2017-2018 school year.			
50	2) The Department of Education shall communicate, through Superintendent's Memo, to			
51	school divisions the types of breakfast serving models and the criteria that will meet the			
52	requirements for this State reimbursement, which may include, but are not limited to,			
53	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School			
54	divisions may determine the breakfast serving model that best applies to its students, so			
55	long as it occurs after the instructional day has begun. For the 2016-2017 and 2017-2018

2	Learning (SOL) assessments.			
3	b. These payments shall be based on the state's share of the cost of providing one reading			
4	specialist per qualifying school. School divisions with schools participating in this			
5	program in fiscal year 2016 shall be eligible to receive funding at 100 percent of the state			
6	share the first year and 50 percent of the state share the second year for the same schools			
7	and such schools are granted a one-year extension of the two-year waiver referenced in			
8	subsection c. for a third year in fiscal year 2018. The Department of Education is			
9	authorized to disburse additional payments to divisions from any remaining funds each			
10	year to support additional qualifying schools and shall give priority to such schools with			
11	the lowest SOL pass rates for reading or the greatest number of years accredited with			
12	warning in English. Payments to school divisions in support of such additional qualifying			
13	schools each year shall be based on 100 percent of the state share of cost.			
14	c. These payments are available to any school division with a qualifying school that (1)			
15	certifies to the Department of Education that the division has hired a reading specialist to			
16	provide direct services to children reading below grade level in the school to improve			
17	reading achievement and (2) applies and receives a waiver for up to two years from the			
18	Board of Education for the administration of third grade SOL assessments in science or			
19	history and social science or both for the purpose of creating additional instructional time			
20	for reading specialists to work with students reading below grade level to improve reading			
21	achievement.			
22	d. These payments also are available to any school division with a qualifying school that			
23	certifies to the Department of Education that the division is supporting tuition for			
24	collegiate programs and instruction for currently employed instructional school personnel			
25	to earn the credentials necessary to meet licensure requirements to be endorsed as a			
26	reading specialist.			
27	e. School divisions receiving these payments are required to match these funds based on			
28	the composite index of local ability-to-pay.			
29	35. Math/Reading Instructional Specialist Initiative			
30	a. Included in this appropriation is \$1,834,538 the first year and \$1,834,538 the second			
31	year from the general fund in additional payments for reading or math instructional			
32	specialists at underperforming schools. From this amount, the state share of one reading or			
33	math specialist shall be provided to local school divisions with schools which have been			
34	denied accreditation or were accredited with warning for the third consecutive year based			
35	on school accreditation ratings for the 2015-2016 school year. Such schools shall be			
36	eligible to receive the state share of funding for both years of the biennium. In addition,			
37	following the academic review required by § 22.1-253.13:3, Code of Virginia, the			
38	Department of Education shall identify up to 20 additional schools to also receive the state			
39	share of a reading or math instructional specialist. The schools eligible for such personnel			
40	are those which were accredited with warning for the second consecutive year based on			
41	school accreditation ratings for the 2014-2015 and 2015-2016 school years and that have			
42	shown no or limited improvement in student achievement in the past year. Such schools			
43	shall also be eligible to receive the state share of funding for both years of the biennium.			
44	If, following certification from a school division that it will not participate in the program,			
45	the Department is authorized to identify additional eligible schools.			
46	b. These payments are available to any school division with a qualifying school that			
47	certifies to the Department of Education that the division has (1) hired a math or reading			
48	instructional specialist, or (2) is supporting tuition for collegiate programs and instruction			
49	for currently employed instructional school personnel to earn the credentials necessary to			
50	meet licensure requirements to be endorsed as a math specialist or a reading specialist.			
51	Localities receiving these payments are required to match these funds based on the			
52	composite index of local ability-to-pay.			
53	c. The Department of Education is authorized to utilize available funding appropriated to			
54	the Early Reading Specialist Initiative contained in this Item to pay for instructional			
55	specialists at additional eligible schools, or to support tuition for collegiate programs and			
56	instruction for currently employed instructional school personnel at additional eligible

2	instructional specialist.			
3	37. Broadband Connectivity Capabilities			
4	By November 1 each year, school divisions shall report to the Department of Education the			
5	status of broadband connectivity capability of schools in the division on a form to be provided			
6	by the Department. Such report shall include school-level information on the method of			
7	Internet service delivery, the level of bandwidth capacity and the degree such capacity is			
8	sufficient for delivery of school-wide digital resources and instruction, degree of internet			
9	connectivity via Wi-Fi, cost information related to Internet connectivity, data security, and			
10	such other pertinent information as determined by the Department of Education. The			
11	Department shall provide a summary of the division responses in a report to be made			
12	available on its agency Web site.			
13	38. Supplemental Lottery Per Pupil Allocation Payments			
14	a. Out of this appropriation, an amount estimated at \$36,581,531 the first year and			
15	\$191,267,718 \$191,272,274 the second year from the Lottery Proceeds Fund shall be			
16	disbursed by the Department of Education to local school divisions to support the state share			
17	of an estimated \$52.56 per pupil the first year and \$274.12 \$274.29 per pupil the second year			
18	in adjusted March 31 average daily membership. These per pupil amounts are subject to			
19	change for the purpose of payment to school divisions based on the actual March 31 ADM			
20	collected each year. No locality shall be required to maintain a per pupil expenditure each			
21	year from local funds which is greater than the per pupil amount expended by the locality for			
22	such purposes in the year upon which the 2016-18 biennial Standards of Quality expenditure			
23	data were based.			
24	b. Of the amounts listed above, school divisions are permitted to spend such funds on both			
25	recurring and nonrecurring expenses in a manner that best supports the needs of the schools			
26	divisions. No local match is required.			
27	c. Any lottery funds provided to school divisions from this item that are unexpended as of			
28	June 30, 2017, and June 30, 2018, shall be carried on the books of the locality to be			
29	appropriated to the school division in the following year.			
30	39. Special Education Endorsement Program			
31	a. Notwithstanding § 22.1-290.02, Code of Virginia, out of this appropriation, \$550,000 the			
32	first year and \$437,186 the second year from the general fund is provided for traineeships and			
33	program operation grants that shall be awarded to public Virginia institutions of higher			
34	education to prepare persons who are employed in the public schools of Virginia, state			
35	operated programs, or regional special education centers as special educators with a			
36	provisional license and enrolled either part-time or full-time in programs for the education of			
37	children with disabilities. Applicants shall be graduates of a regionally accredited college or			
38	university.			
39	b. The award of such grants shall be made by the Department of Education, and the number of			
40	awards during any one year shall depend upon the amounts appropriated by the General			
41	Assembly for this purpose. The amount awarded for each traineeship shall be \$600 for a			
42	minimum of three semester hours of course work in areas required for the special education			
43	endorsement to be taken by the applicant during a single semester or summer session. Only			
44	one traineeship shall be awarded to a single applicant in a single semester or summer session.			
45	40. Compensation Supplement			
46	a.1) The appropriation in this item includes \$31,981,550 \$31,728,026 the second year from			
47	the general fund for the state share of a payment equivalent to a 2.0 percent salary incentive			
48	increase, effective February 15, 2018, for funded SOQ instructional and support positions.			
49	Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian,			
50	instructional aide, principal, and assistant principal positions funded through the SOQ staffing			
51	standards for each school division in the biennium. This amount includes \$135,366 the second			
52	year referenced in paragraph 28. h., for the Academic Year Governor's Schools for a 2.0			
53	percent salary incentive increase, effective February 15, 2018, for instructional and support			
54	positions.

1	2) It is the intent that the instructional and support position salaries be increased in school			
2	divisions throughout the state by at least an average of 2.0 percent during the 2016-18			
3	biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the			
4	state share of a 2.0 percent salary increase for funded SOQ instructional and support			
5	positions, effective February 15, 2018, to school divisions which certify to the Department			
6	of Education, by June 1, 2017, that salary increases of a minimum average of 2.0 percent			
7	have been or will have been provided during the 2016-18 biennium, either in the first year			
8	or in the second year or through a combination of the two years, to instructional and			
9	support personnel. In certifying that the salary increases have been provided, school			
10	divisions may not include any salary increases that were provided in the first year solely to			
11	offset the cost of required member contributions to the Virginia Retirement System under			
12	§ 51.1-144, Code of Virginia.			
13	b. This funding is not intended as a mandate to increase salaries.

26	Department of Medical Assistance Services to assist Community Policy and Management			
27	Teams in appropriately accessing a full array of Medicaid-funded services for Medicaid-			
28	eligible children and youth through the Children's Services Act, thereby increasing Medicaid			
29	reimbursement for treatment services and decreasing the number of denials for Medicaid			
30	services related to medical necessity and utilization review activities.			
31	H. Pursuant to subdivision 21 of § 2.2-2648, Code of Virginia, no later than December 20 in			
32	the odd-numbered years, the State Executive Council shall biennially publish and disseminate			
33	to members of the General Assembly and Community Policy and Management Teams a

37	general fund shall be used to purchase and maintain an information system to provide quality			
38	and timely child demographic, service, expenditure, and outcome data.			
39	J. The State Executive Council shall work with the Department of Education to ensure that			
40	funding in this Item is sufficient to pay for the educational services of students that have been			
41	placed in or admitted to state or privately operated psychiatric or residential treatment			
42	facilities to meet the educational needs of the students as prescribed in the student's Individual			
43	Educational Plan (IEP).			
44	K.1. The Office of Children's Services (OCS) shall report on funding for therapeutic foster			
45	care services including but not limited to the number of children served annually, average cost

7	<i>\$86,220,247</i> the second year from nongeneral funds to reimburse the Virginia Commonwealth

18	shall be made in accordance with 42 USC 1396r-4.				
19	3. The general fund amounts for the state teaching hospitals have been reduced to mirror the				
20	general fund impact of reduced and no inflation for inpatient services in FY 2017 and FY				
21	2018 for private hospitals reflected in paragraph GGGG. of this Item. It also includes				
22	reductions for prior year inflation reductions and indigent care reductions. However, the				
23	nongeneral funds are appropriated. In order to receive the nongeneral funds in excess of the				
24	amount of the general fund appropriated, the health systems shall certify the public				
25	expenditures.				
26	4. The Department of Medical Assistance Service shall have the authority to increase				
27	Medicaid payments for Type One hospitals and physicians consistent with the appropriations				
28	to compensate for limits on disproportionate share hospital (DSH) payments to Type One				
29	hospitals that the department would otherwise make. In particular, the department shall have				
30	the authority to amend the State Plan for Medical Assistance to increase physician				
31	supplemental payments for physician practice plans affiliated with Type One hospitals up to

34	Medical Education to cover costs for Type One hospitals, to case mix adjust the formula for				
35	indirect medical education reimbursement for HMO discharges for Type One hospitals and to				
36	increase the adjustment factor for Type One hospitals to 1.0. The department shall have the

43	percent of the Commonwealth's allocation of the Master Settlement Agreement with tobacco				
44	product manufacturers, as defined in § 3.2-3100 , Code of Virginia, to the Virginia Health				
45	Care Fund.				
46	3. Notwithstanding any other provision of law, the State Comptroller shall deposit 50 percent				
47	of the Commonwealth's allocation of the Strategic Contribution Fund payment pursuant to the				
48	Master Settlement Agreement with tobacco product manufacturers into the Virginia Health				
49	Care Fund.				
50	4. Notwithstanding any other provision of law, revenues deposited to the Virginia Health Care				
51	Fund shall only be used as the state share of Medicaid unless specifically authorized by this				
52	Act.				
53	D. If any part, section, subsection, paragraph, clause, or phrase of this Item or the application				
54	thereof is declared by the United States Department of Health and Human Services or the

1	such decisions shall not affect the validity of the remaining portions of this Item, which			
2	shall remain in force as if this Item had passed without the conflicting part, section,			
3	subsection, paragraph, clause, or phrase. Further, if the United States Department of			
4	Health and Human Services or the Centers for Medicare and Medicaid Services			
5	determines that the process for accomplishing the intent of a part, section, subsection,			
6	paragraph, clause, or phrase of this Item is out of compliance or in conflict with federal			
7	law and regulation and recommends another method of accomplishing the same intent, the			
8	Director, Department of Medical Assistance Services, after consultation with the Attorney			
9	General, is authorized to pursue the alternative method.			
10	E.1. The Director, Department of Medical Assistance Services shall seek the necessary			
11	waivers from the United States Department of Health and Human Services to authorize the			
12	Commonwealth to cover health care services and delivery systems, as may be permitted			
13	by Title XIX of the Social Security Act, which may provide less expensive alternatives to			
14	the State Plan for Medical Assistance.			
15	2. At least 30 days prior to the submission of an application for any new waiver of Title			
16	XIX or Title XXI of the Social Security Act, the Department of Medical Assistance			
17	Services shall notify the Chairmen of the House Appropriations and Senate Finance			
18	Committees of such pending application and provide information on the purpose and			
19	justification for the waiver along with any fiscal impact. If the department receives an			
20	official letter from either Chairmen raising an objection about the waiver during the 30-			
21	day period, the department shall not submit the waiver application and shall request			
22	authority for such waiver as part of the normal legislative or budgetary process. If the			
23	department receives no objection, then the application may be submitted. Any waiver			
24	specifically authorized elsewhere in this item is not subject to this provision. Waiver			
25	renewals are not subject to the provisions of this paragraph.			
26	3. The director shall promulgate such regulations as may be necessary to implement those			
27	programs which may be permitted by Titles XIX and XXI of the Social Security Act, in			
28	conformance with all requirements of the Administrative Process Act.			
29	F. It is the intent of the General Assembly to develop and cause to be developed			
30	appropriate, fiscally responsible methods for addressing the issues related to the cost and			
31	funding of long-term care. It is the further intent of the General Assembly to promote			
32	home-based and community-based care for individuals who are determined to be in need			
33	of nursing facility care.			
34	G. To the extent that appropriations in this Item are insufficient, the Department of			
35	Planning and Budget shall transfer general fund appropriation, as needed, from Children's			
36	Health Insurance Program Delivery (44600) and Medical Assistance Services for Low			
37	Income Children (46600), if available, into this Item to be used as state match for federal			
38	Title XIX funds.			
39	H. It is the intent of the General Assembly that the medically needy income limits for the			
40	Medicaid program are adjusted annually to account for changes in the Consumer Price			
41	Index.			
42	I. It is the intent of the General Assembly that the use of the new atypical medications to			
43	treat seriously mentally ill Medicaid recipients should be supported by the formularies			
44	used to reimburse claims under the Medicaid fee-for-service and managed care plans.			
45	J. The Department of Medical Assistance Services shall establish a program to more			
46	effectively manage those Medicaid recipients who receive the highest cost care. To			
47	implement the program, the department shall establish uniform criteria for the program,			
48	including criteria for the high cost recipients, providers and reimbursement, service limits,			
49	assessment and authorization limits, utilization review, quality assessment, appeals and			
50	other such criteria as may be deemed necessary to define the program. The department			
51	shall seek any necessary approval from the Centers for Medicare and Medicaid Services,			
52	and shall promulgate such regulations as may be deemed necessary to implement this			
53	program.			
54	K. The Department of Medical Assistance Services and the Virginia Department of Health			
55	shall work with representatives of the dental community: to expand the availability and

3	reimbursement thereof. The Department of Medical Assistance Services shall report its efforts				
4	to expand dental services to the Chairmen of the House Appropriations and Senate Finance				
5	Committees and the Department of Planning and Budget by December 15 each year.				
6	L. The Department of Medical Assistance Services shall not require dentists who agree to				
7	participate in the delivery of Medicaid pediatric dental care services, or services provided to				
8	enrollees in the Family Access to Medical Insurance Security (FAMIS) Plan or any variation				
9	of FAMIS, to also deliver services to subscribers enrolled in commercial plans of the				
10	managed care vendor, unless the dentist is a willing participant in the commercial managed

12	M. The Department of Medical Assistance Services shall implement continued enhancements				
13	to the drug utilization review (DUR) program. The department shall continue the Pharmacy

15	Pharmacy Liaison Committee, meeting at least semi-annually, to implement initiatives for the				
16	promotion of cost-effective services delivery as may be appropriate. The department shall				
17	solicit input from the Pharmacy Liaison Committee regarding pharmacy provisions in the				
18	development and enforcement of all managed care contracts. The department shall report on				
19	the Pharmacy Liaison Committee's and the DUR Board's activities to the Board of Medical				
20	Assistance Services and to the Chairmen of the House Appropriations and Senate Finance

27	to become effective within 280 days or less from the enactment of this Act. The department				
28	shall implement these necessary regulatory changes to be consistent with federal approval of				
29	the waiver changes.

31	strategies internally and with the cooperation of the Department of Social Services, Virginia				
32	Department of Health, Office of the Attorney General, Children's Services Act program,

36	Health System Authority, Department of Corrections, federally qualified health centers, local				
37	health departments, local school divisions, community service boards, local hospitals, and				
38	local governments, that focus on optimizing Medicaid claims and cost recoveries. Any				
39	revenues generated through these activities shall be transferred to the Virginia Health Care				
40	Fund to be used for the purposes specified in this Item.				
41	2. The Department of Medical Assistance Services shall retain the savings necessary to				
42	reimburse a vendor for its efforts to implement paragraph. O.1. of this Item. However, prior to				
43	reimbursement, the department shall identify for the Secretary of Health and Human				
44	Resources each of the vendor's revenue maximization efforts and the manner in which each				
45	vendor would be reimbursed. No reimbursement shall be made to the vendor without the prior				
46	approval of the above plan by the Secretary.				
47	P. The Department of Medical Assistance Services shall have the authority to pay				
48	contingency fee contractors, engaged in cost recovery activities, from the recoveries that are				
49	generated by those activities. All recoveries from these contractors shall be deposited to a

2	including, but not limited to, procedures for determining eligibility, billing,			
3	reimbursement, and related reporting requirements. The department shall include in this			
4	training information on the proper utilization of inpatient and outpatient mental health			
5	services as covered by the Medicaid State Plan.			
6	R.1. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, the Department of Medical			
7	Assistance Services, in consultation with the Department of Behavioral Health and			
8	Developmental Services, shall amend the State Plan for Medical Assistance Services to			
9	modify the delivery system of pharmaceutical products to include a Preferred Drug List.			
10	In developing the modifications, the department shall consider input from physicians,			
11	pharmacists, pharmaceutical manufacturers, patient advocates, and others, as appropriate.			
12	2.a. The department shall utilize a Pharmacy and Therapeutics Committee to assist in the			
13	development and ongoing administration of the Preferred Drug List program. The			
14	Pharmacy and Therapeutics Committee shall be composed of 8 to 12 members, including			
15	the Commissioner, Department of Behavioral Health and Developmental Services, or his			
16	designee. Other members shall be selected or approved by the department. The			
17	membership shall include a ratio of physicians to pharmacists of 2:1 and the department			
18	shall ensure that at least one-half of the physicians and pharmacists are either direct			
19	providers or are employed with organizations that serve recipients for all segments of the			
20	Medicaid population. Physicians on the committee shall be licensed in Virginia, one of			
21	whom shall be a psychiatrist, and one of whom specializes in care for the aging.			
22	Pharmacists on the committee shall be licensed in Virginia, one of whom shall have			
23	clinical expertise in mental health drugs, and one of whom has clinical expertise in			
24	community-based mental health treatment. The Pharmacy and Therapeutics Committee			
25	shall recommend to the department (i) which therapeutic classes of drugs should be			
26	subject to the Preferred Drug List program and prior authorization requirements; (ii)			
27	specific drugs within each therapeutic class to be included on the preferred drug list; (iii)			
28	appropriate exclusions for medications, including atypical anti-psychotics, used for the			
29	treatment of serious mental illnesses such as bi-polar disorders, schizophrenia, and			
30	depression; (iv) appropriate exclusions for medications used for the treatment of brain			
31	disorders, cancer and HIV-related conditions; (v) appropriate exclusions for therapeutic			
32	classes in which there is only one drug in the therapeutic class or there is very low			
33	utilization, or for which it is not cost-effective to include in the Preferred Drug List			
34	program; and (vi) appropriate grandfather clauses when prior authorization would			
35	interfere with established complex drug regimens that have proven to be clinically			
36	effective. In developing and maintaining the preferred drug list, the cost effectiveness of			
37	any given drug shall be considered only after it is determined to be safe and clinically			
38	effective.			
39	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-			
40	annually and may meet at other times at the discretion of the chairperson and members. At			
41	the meetings, the Pharmacy and Therapeutics committee shall review any drug in a class			
42	subject to the Preferred Drug List that is newly approved by the Federal Food and Drug			
43	Administration, provided there is at least thirty (30) days notice of such approval prior to			
44	the date of the quarterly meeting.			
45	3. The department shall establish a process for acting on the recommendations made by			
46	the Pharmacy and Therapeutics Committee, including documentation of any decisions			
47	which deviate from the recommendations of the committee.			
48	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-			
49	hour emergency supply of the prescribed drug when requested by a physician and a			
50	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization			
51	decisions to be made within 24 hours and timely notification of the recipient and/or the			
52	prescribing physician of any delays or negative decisions; (iii) an expedited review			
53	process of denials by the department; and (iv) consumer and provider education, training			
54	and information regarding the Preferred Drug List prior to implementation, and ongoing			
55	communications to include computer access to information and multilingual material.			
56	5. The Preferred Drug List program shall generate savings as determined by the			
57	department that are net of any administrative expenses to implement and administer the

2	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the				
3	Department of Medical Assistance Services shall promulgate emergency regulations to				
4	become effective within 280 days or less from the enactment of this Act. With respect to such				
5	state plan amendments and regulations, the provisions of § 32.1-331.12 et seq., Code of				
6	Virginia, shall not apply. In addition, the department shall work with the Department of				
7	Behavioral Health and Development Services to consider utilizing a Preferred Drug List				
8	program for its non-Medicaid clients.				
9	7. The Department of Medical Assistance Services shall (i) continually review utilization of				
10	behavioral health medications under the State Medicaid Program for Medicaid recipients; and				
11	(ii) ensure appropriate use of these medications according to federal Food and Drug				
12	Administration (FDA) approved indications and dosage levels. The department may also				
13	require retrospective clinical justification according to FDA approved indications and dosage				
14	levels for the use of multiple behavioral health drugs for a Medicaid patient. For individuals				
15	18 years of age and younger who are prescribed three or more behavioral health drugs, the				
16	department may implement clinical edits that target inefficient, ineffective, or potentially				
17	harmful prescribing patterns in accordance with FDA-approved indications and dosage levels.				
18	8. The Department of Medical Assistance Services shall ensure that in the process of				
19	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers the				
20	value of including those prescription medications which improve drug regimen compliance,				
21	reduce medication errors, or decrease medication abuse through the use of medication				
22	delivery systems that include, but are not limited to, transdermal and injectable delivery				
23	systems.				
24	S.1. The Department of Medical Assistance Services may amend the State Plan for Medical				
25	Assistance Services to modify the delivery system of pharmaceutical products to include a				
26	specialty drug program. In developing the modifications, the department shall consider input				
27	from physicians, pharmacists, pharmaceutical manufacturers, patient advocates, the Pharmacy				
28	Liaison Committee, and others as appropriate.				
29	2. In developing the specialty drug program to implement appropriate care management and				
30	control drug expenditures, the department shall contract with a vendor who will develop a				
31	methodology for the reimbursement and utilization through appropriate case management of				
32	specialty drugs and distribute the list of specialty drug rates, authorized drugs and utilization				
33	guidelines to medical and pharmacy providers in a timely manner prior to the implementation				
34	of the specialty drug program and publish the same on the department's website.				
35	3. In the event that the Department of Medical Assistance Services contracts with a vendor,				
36	the department shall establish the fee paid to any such contractor based on the reasonable cost				
37	of services provided. The department may not offer or pay directly or indirectly any material				
38	inducement, bonus, or other financial incentive to a program contractor based on the denial or				
39	administrative delay of medically appropriate prescription drug therapy, or on the decreased				
40	use of a particular drug or class of drugs, or a reduction in the proportion of beneficiaries who				
41	receive prescription drug therapy under the Medicaid program. Bonuses cannot be based on				
42	the percentage of cost savings generated under the benefit management of services.				
43	4. The department shall: (i) review, update and publish the list of authorized specialty drugs,				
44	utilization guidelines, and rates at least quarterly; (ii) implement and maintain a procedure to				
45	revise the list or modify specialty drug program utilization guidelines and rates, consistent				
46	with changes in the marketplace; and (iii) provide an administrative appeals procedure to				
47	allow dispensing or prescribing provider to contest the listed specialty drugs and rates.				
48	5. The department shall report on savings and quality improvements achieved through the				
49	implementation measures for the specialty drug program to the Chairmen of the House				
50	Appropriations and Senate Finance Committees, the Joint Commission on Health Care, and				
51	the Department of Planning and Budget by November 1 of each year.				
52	6. The department shall have authority to enact emergency regulations under § 2.2-4011 of				
53	the Administrative Process Act to effect these provisions.				
54	T.1. The Department of Medical Assistance Services shall reimburse school divisions who

3	percent of the Federal Financial Participation by the department.			
4	2. The Department of Medical Assistance Services shall retain five percent of the Federal			
5	Financial Participation for reimbursement to school divisions for medical and			
6	transportation services.			
7	U. In the event that the Department of Medical Assistance Services decides to contract for			
8	pharmaceutical benefit management services to administer, develop, manage, or			
9	implement Medicaid pharmacy benefits, the department shall establish the fee paid to any			
10	such contractor based on the reasonable cost of services provided. The department may			
11	not offer or pay directly or indirectly any material inducement, bonus, or other financial			
12	incentive to a program contractor based on the denial or administrative delay of medically			
13	appropriate prescription drug therapy, or on the decreased use of a particular drug or class			
14	of drugs, or a reduction in the proportion of beneficiaries who receive prescription drug			
15	therapy under the Medicaid program. Bonuses cannot be based on the percentage of cost			
16	savings generated under the benefit management of services.			
17	V. The Department of Medical Assistance Services, in cooperation with the Department of			
18	Social Services' Division of Child Support Enforcement (DSCE), shall identify and report			
19	third party coverage where a medical support order has required a custodial or			
20	noncustodial parent to enroll a child in a health insurance plan. The Department of			
21	Medical Assistance Services shall also report to the DCSE third party information that has			
22	been identified through their third party identification processes for children handled by			
23	DCSE.			
24	W.1. Within the limits of this appropriation, the Department of Medical Assistance			
25	Services shall work with its contracted managed care organizations and fee-for-service			
26	health care providers to: (i) raise awareness among the providers who serve the Medicaid			
27	population about the health risks of chronic kidney disease; (ii) establish effective means			
28	of identifying patients with this condition; and (iii) develop strategies for improving the			
29	health status of these patients. The department shall work with the National Kidney			
30	Foundation to prepare and disseminate information for physicians and other health care			
31	providers regarding generally accepted standards of clinical care and the benefits of early			
32	identification of individuals at highest risk of chronic kidney disease.			
33	2. The department shall request any clinical laboratory performing a serum creatinine test			
34	on a Medicaid recipient over the age of 18 years to calculate and report to the physician			
35	the estimated glomerular filtration rate (eGFR) of the patient and shall report it as a			
36	percent of kidney function remaining.			
37	X.1. Notwithstanding the provisions of § 32.1-325.1:1, Code of Virginia, upon identifying			
38	that an overpayment for medical assistance services has been made to a provider, the			
39	Director, Department of Medical Assistance Services shall notify the provider of the			
40	amount of the overpayment. Such notification of overpayment shall be issued within the			
41	earlier of (i) four years after payment of the claim or other payment request, or (ii) four			
42	years after filing by the provider of the complete cost report as defined in the Department			
43	of Medical Assistance Services' regulations, or (iii) 15 months after filing by the provider			
44	of the final complete cost report as defined in the Department of Medical Assistance			
45	Services' regulations subsequent to sale of the facility or termination of the provider.			
46	2. Notwithstanding the provisions of § 32.1-325.1, Code of Virginia, the director shall			
47	issue an informal fact-finding conference decision concerning provider reimbursement in			
48	accordance with the State Plan for Medical Assistance, the provisions of § 2.2-4019, Code			
49	of Virginia, and applicable federal law. The informal fact-finding conference decision			
50	shall be issued within 180 days of the receipt of the appeal request. If the agency does not			
51	render an informal fact-finding conference decision within 180 days of the receipt of the			
52	appeal request, the decision is deemed to be in favor of the provider. An appeal of the			
53	director's informal fact-finding conference decision concerning provider reimbursement			
54	shall be heard in accordance with § 2.2-4020 of the Administrative Process Act (§ 2.2-			
55	4020 et seq.) and the State Plan for Medical Assistance provided for in § 32.1-325, Code

6	hospital pursuant to 42 U.S.C. §1395ww (d) (8) (ii) (II) on or after September 30, 2004.			
7	Z. The Department of Medical Assistance Services shall amend its State Plan for Medical			
8	Assistance Services to develop and implement a regional model for the integration of acute			
9	and long-term care services. This model would be offered to elderly and disabled clients on a			
10	mandatory basis. The department shall promulgate emergency regulations to implement this

13	of the Money Follows the Person demonstration grant, the Department of Medical Assistance

21	each fiscal year) which will be reserved for individuals transitioning out of institutional			
22	settings through the Money Follows the Person Demonstration. The Department of Medical			
23	Assistance Services shall seek federal approval for necessary changes to the DD and ID			
24	waiver applications to add the additional slots.			
25	BB. The Department of Medical Assistance Services shall have the authority to implement			
26	prior authorization and utilization review for community-based mental health services for			
27	children and adults. The department shall have the authority to promulgate emergency			
28	regulations to implement this amendment within 280 days or less from the enactment of this			
29	Act.			
30	CC. The Department of Medical Assistance Services shall delay the last quarterly payment of			
31	certain quarterly amounts paid to hospitals, from the end of each state fiscal year to the first			
32	quarter of the following year. Quarterly payments that shall be delayed from each June to			
33	each July shall be Disproportionate Share Hospital payments, Indirect Medical Education			
34	payments, and Direct Medical Education payments. The department shall have the authority			
35	to implement this reimbursement change effective upon passage of this Act, and prior to the			
36	completion of any regulatory process undertaken in order to effect such change.			
37	DD. The Department of Medical Assistance Services shall make the monthly capitation			
38	payment to managed care organizations for the member months of each month in the first

45	change does not apply to providers who are paid a per-month capitation payment. The			
46	department shall have the authority to implement this reimbursement change effective upon			
47	passage of this Act, and prior to the completion of any regulatory process undertaken in order			
48	to effect such change.			
49	FF. Upon approval by the Centers for Medicare and Medicaid Services of the application for			
50	renewal of the Intellectual Disabilities Waiver, expeditious implementation of any revisions			
51	shall be deemed an emergency situation pursuant to § 2.2-4002 of the Administrative Process			
52	Act. Therefore, to meet this emergency situation, the Department of Medical Assistance			
53	Services shall promulgate emergency regulations to implement the provisions of this Act.

4	HH. The Department of Medical Assistance Services shall impose an assessment equal to			
5	6.0 percent of revenue on all ICF-ID providers. The department shall determine

7	department shall have the authority to adjust interim rates to cover new Medicaid costs as			
8	a result of this assessment.			
9	II. The Department of Medical Assistance Services shall make programmatic changes in			
10	the provision of Intensive In-Home services and Community Mental Health services in

39	shall engage stakeholders, including beneficiaries, advocates, providers, and health plans,			
40	during the development and implementation of the care coordination projects.			
41	Implementation shall include specific requirements for data collection to ensure the ability

1	b. In fulfillment of this Item, the department may seek federal authority through amendments				
2	to the State Plan under Title XIX of the Social Security Act, and any necessary waivers, to				
3	allow individuals enrolled in Home and Community Based Care (HCBC) waivers to also be				
4	enrolled in contracted Medallion 3.0 managed care organizations for the purposes of receiving

10	consultation with appropriate stakeholders, shall develop a blueprint for the development and				
11	implementation of a care coordination model for individuals in need of behavioral health				
12	services not currently provided through a managed care organization. The overall goal of the				
13	project is to improve the value of behavioral health services purchased by the Commonwealth

36	commitments and prevents default (or diversion) to state hospitals.				
37	11. Reduces and improves the interface of vulnerable populations with local law enforcement,

39	promulgate emergency regulations to implement this amendment within 280 days or less			
40	from the enactment of this Act. The department shall have the authority to implement			
41	these changes prior to completion of any regulatory process undertaken in order to effect

4	family planning eligibility group from a demonstration waiver to the State Plan for Medical				
5	Assistance. The department shall seek approval of coverage under this new state plan option				
6	for individuals with income up to 200 percent of the federal poverty level. For the purposes of				
7	this section, family planning services shall not cover payment for abortion services and no

10	prior to the completion of any regulatory process undertaken in order to effect such change.				
11	SS. The Department of Medical Assistance Services (DMAS) shall have the authority to

48	iii. Eliminate an automatic dismissal against DMAS for alleged deficiencies in the case				
49	summary that do not relate to DMAS's obligation to substantively address all issues specified				
50	in the provider's written notice of informal appeal. A process shall be added, by which the				
51	provider shall file with the informal appeals agent within 12 calendar days of the provider's				
52	receipt of the DMAS case summary, a written notice that specifies any such alleged

6	of informal appeal shall result in dismissal in favor of the provider on those issues not			
7	addressed by DMAS.			
8	iv. Clarify that appeals remanded to the informal appeal level via Final Agency Decision			
9	or court order shall reset the timetable under DMAS' appeals regulations to start running

23	representatives from the provider community, and the legal community, and the Office of			
24	Attorney General to develop a plan to avoid or adjust retractions or for non-material			
25	breaches of the Provider Participation Agreement when the provider has substantially			
26	complied with the Provider Participation Agreement. The plan shall include an assessment			
27	of any administrative financial impact that implementation of such plan would have on the			
28	department and an analysis of any implications for the department's efforts to combat			
29	fraud, waste, and abuse. The workgroup shall report on the status of this plan to the			
30	Chairmen of the House Appropriations and Senate Finance Committees no later than			
31	December 1, 2017.			
32	XX. The Department of Medical Assistance Services shall amend its regulations, subject			
33	to the federal Centers for Medicare and Medicaid Services approval, to strengthen the			
34	qualifications and responsibilities of the Consumer Directed Service Facilitator to ensure			
35	the health, safety and welfare of Medicaid home- and community-based waiver enrollees.			
36	The department shall have the authority to promulgate emergency regulations to			
37	implement this change effective July 1, 2012.			
38	YY. It is the intent of the General Assembly that the implementation and administration of			
39	the care coordination contract for behavioral health services be conducted in a manner that			
40	insures system integrity and engages private providers in the independent assessment			
41	process. In addition, it is the intent that in the provision of services that ethical and			
42	professional conflicts are avoided and that sound clinical decisions are made in the best			
43	interests of the individuals receiving behavioral health services. As part of this process, the			
44	department shall monitor the performance of the contract to ensure that these principles			
45	are met and that stakeholders are involved in the assessment, approval, provision, and use			
46	of behavioral health services provided as a result of this contract.			
47	ZZ. 1. Notwithstanding the requirements of Code of Virginia §2.2-4000, et seq., the			
48	Department of Medical Assistance Services shall amend the state plan and appropriate			
49	waivers under Title XIX of the Social Security Act to implement a process for			
50	administrative appeals of Medicaid/Medicare dual eligible recipients in accordance with			
51	terms of the Memorandum of Understanding between the department and the Centers for			
52	Medicare and Medicaid Services for the financial alignment demonstration program for			
53	dual eligible recipients. The department shall implement this change within 280 days or			
54	less from the enactment of this Appropriation Act.			
	2. The department shall include in the fall quarterly report required in paragraph AAAA.

1	of this Item an annual update that details the implementation progress of the financial			
2	alignment demonstration. This update shall include, but is not limited to, costs of			
3	implementation, projected cost savings, number of individuals enrolled, and any other			
4	implementation issues that arise.			
5	AAA. Effective July 1, 2013, the Department of Medical Assistance Services shall have the			
6	authority, to establish a 25 percent higher reimbursement rate for congregate residential			
7	services for individuals with complex medical or behavioral needs currently residing in an			
8	institution and unable to transition to integrated settings in the community due to the need for			
9	services that cannot be provided within the maximum allowable rate, or individuals whose			
10	needs present imminent risk of institutionalization and enhanced waiver services are needed			
11	beyond those available within the maximum allowable rate. The department shall have			
12	authority to promulgate regulations to implement this change within 280 days or less from the			
13	enactment of this Act.			
14	BBB. The Department of Medical Assistance Services shall amend the State Plan for Medical			
15	Assistance to allow for delivery of notices of program reimbursement or other items referred			
16	to in the regulations related to provider appeals by electronic means consistent with the			
17	Uniform Electronic Transactions Act. The department shall implement this change effective			
18	July 1, 2013, and prior to completion of any regulatory process undertaken in order to effect			
19	such changes.			
20	CCC. The Department of Medical Assistance Services shall amend the State Plan for Medical			
21	Assistance to convert the current cost-based payment methodology for nursing facility			
22	operating rates in 12 VAC 30-90-41 to a price-based methodology effective July 1, 2014. The			
23	new price-based payment methodology shall be implemented in a budget neutral manner.			
24	1. The department shall calculate prospective operating rates for direct and indirect costs in			
25	the following manner:			
26	a. The department shall calculate the cost per day in the base year for direct and indirect			
27	operating costs for each nursing facility. The department shall use existing definitions of			
28	direct and indirect costs.			
29	b. The initial base year for calculating the cost per day is cost reports ending in calendar year			
30	2011. The department shall rebase prices in fiscal year 2018 and every three years thereafter			
31	using the most recent reliable calendar year cost-settled cost reports for freestanding nursing			
32	facilities that have been completed as of September 1.			
33	c. Each nursing facility's direct cost per day shall be neutralized by dividing the direct cost per			
34	day by the raw Medicaid facility case-mix that corresponds to the base year by facility.			
35	d. Costs per day shall be inflated to the midpoint of the fiscal year rate period using the			
36	moving average Virginia Nursing Home inflation index for the 4th quarter of each year (the			
37	midpoint of the fiscal year). Costs in the 2011 base year shall be inflated from the midpoint of			
38	the cost report year to the midpoint of fiscal year 2012 by pro-rating fiscal year 2012 inflation			
39	and annual inflation after that. Annual inflation adjustments shall be based on the last			
40	available report prior to the beginning of the fiscal year and corrected for any revisions to			
41	prior year inflation.			
42	e. Prices will be established for the following peer groups using a combination of Medicare			
43	wage regions and Medicaid rural and bed size modifications based on similar costs.			
44	1) Direct Peer groups			
45	- Northern Virginia MSA			
46	- Other MSAs			
47	- Northern Rural			
48	- Southern Rural			
49	2) Indirect Peer Groups			
50	- Northern Virginia MSA			

ITEM 306.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	- Rest of State – Greater than 60 Beds				
2	- Other MSAs				
3	- Northern Rural				
4	- Southern Rural				
5	- Rest of State – 60 Beds or Less				
6	f. The price for each peer group shall be based on the following adjustment factors:				
7	1) Direct - 105 percent of the peer group day-weighted median neutralized and inflated				
8	cost per day for freestanding nursing facilities. Effective on and after July 1, 2017, the				
9	Direct Peer Group price percentage shall be increased to 106.8 percent.				
10	2) Indirect - 100.7 percent of the peer group day-weighted median inflated cost per day for				
11	freestanding nursing facilities. Effective on and after July 1, 2017, the Indirect Peer Group				
12	price percentage shall be increased to 101.3 percent.				
13	3) The department shall have the authority to implement these price percentage changes				
14	effective July 1, 2017 and prior to the completion of any regulatory process in order to				
15	effect such changes.				
16	g. Facilities with costs projected to the rate year below 95 percent of the price shall have				
17	an adjusted price equal to the price minus the difference between their cost and 95 percent				
18	of the unadjusted price. Adjusted prices will be established at each rebasing. New facilities				
19	after the base year shall not have an adjusted price until the next rebasing. The “spending				
20	floor” limits the potential gain of low cost facilities, thereby making it possible to				
21	implement higher adjustment factors for other facilities at less cost.				
22	h. Individual claim payment for direct costs shall be based on each resident's Resource				
23	Utilization Group (RUG) during the service period times the facility direct price (similar				
24	to Medicare).				
25	i. Resource Utilization Group (RUG) is a resident classification system that groups				
26	nursing facility residents according to resource utilization and assigns weights related to				
27	the resource utilization for each classification. The department shall use RUGs to				
28	determine facility case mix for cost neutralization in determining the direct costs used in				
29	setting the price and for adjusting the claim payments for residents. The department may				
30	elect to transition from the RUG-III 34 Medicaid grouper to the RUG-IV 48 grouper in the				
31	following manner.				
32	1) The department shall neutralize direct costs per day in the base year using the most				
33	current RUG grouper applicable to the base year.				
34	2) The department shall utilize RUG-III 34 groups and weights in fiscal year 2015 for				
35	claim payments.				
36	3) Beginning in fiscal year 2016, the department may elect to implement RUG-IV 48				
37	Medicaid groups and weights for claim payments.				
38	4) RUG-IV 48 weights used for claim payments will be normalized to RUG-III 34 weights				
39	as long as base year costs are neutralized by the RUG-III 34 group. In that the weights are				
40	not the same under RUG IV as under RUG III, normalization will insure that total				
41	payments in direct using the RUGs IV 48 weights will be the same as total payments in				
42	direct using the RUGs-III 34 grouper.				
43	j. The department shall transition to the price-based methodology over a period of four				
44	years, blending the price-based rate described here with the cost-based rate based on				
45	current law with the following adjustments. The facility cost-based operating rates shall be				
46	the direct and indirect rates for fiscal year 2015 based on facility case-mix neutral rates				
47	modeled after the law that would have been in effect in fiscal year 2015 absent this				
48	amendment and using base year data from calendar year 2011 inflated to the rate year.				
49	Based on a four-year transition, the rate will be based on the following blend:				

ITEM 306.	Item Details(\$)		Appropriations(\$)	
	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	1) Fiscal year 2015 - 25 percent of the price-based rate and 75 percent of the cost-based rate.			
2	2) Fiscal year 2016 - 50 percent of the price-based rate and 50 percent of the cost-based rate.			
3	3) Fiscal year 2017 - 75 percent of the price-based rate and 25 percent of the cost-based rate.			
4	4) Fiscal year 2018 - 100 percent of the price-based (fully implemented).			
5	During the first transition year for the period July 1, 2014 through October 31, 2014, DMAS			
6	shall case-mix adjust each direct cost component of the rates using the average facility case-			
7	mix from the two most recent finalized quarters (September and December 2013) instead of			
8	adjusting this component claim by claim.			
9	Cost-based rates to be used in the transition for facilities without cost data in the base year but			
10	placed in service prior to July 1, 2013 shall be determined based on the most recently settled			
11	cost data. If there is no settled cost report at the beginning of a fiscal year, then 100 percent of			
12	the price-based rate shall be used for that fiscal year. Facilities placed in service after June 30,			
13	2013 shall be paid 100 percent of the price-based rate.			
14	2. Prospective capital rates shall be calculated in the following manner.			
15	a. Fair rental value per diem rates for the fiscal year shall be calculated for all freestanding			
16	nursing facilities based on the prior calendar year information aged to the fiscal year and			
17	using RS Means factors and rental rates corresponding to the fiscal year. There will be no			
18	separate calculation for beds subject to and not subject to transition.			
19	b. The department shall develop a procedure for mid-year fair rental value per diem rate			
20	changes for nursing facilities that put into service a major renovation or new beds. A major			
21	renovation shall be defined as an increase in capital of \$3,000 per bed. The nursing facility			
22	shall submit complete pro forma documentation at least 60 days prior to the effective date and			
23	the new rate shall be effective at the beginning of the month following the end of the 60 days.			
24	The provider shall submit final documentation within 60 days of the new rate effective date			
25	and the department shall review final documentation and modify the rate if necessary			
26	effective 90 days after the implementation of the new rate. No mid-year rate changes shall be			
27	made for an effective date after April 30 of the fiscal year.			
28	c. Effective July 1, 2014, the rental rate shall be 8.0 percent.			
29	d. These FRV changes shall also apply to specialized care facilities.			
30	e. The capital per diem rate for hospital-based nursing facilities shall be the last settled capital			
31	per diem.			
32	3. Prospective Nurse Aide Training and Competency Evaluation Programs (NATCEP) rates			
33	shall be the Medicaid per diem rate in the base year inflated to the rate year based on inflation			
34	used in the operating rate calculations.			
35	4. A prospective rate for criminal records checks shall be the per diem rate in the base year.			
36	5. The department shall have the authority to implement these payment changes effective July			
37	1, 2014 and prior to completion of any regulatory process in order to effect such changes.			
38	6. The department shall amend the State Plan for Medical Assistance to reimburse the price-			
39	based operating rate rather than the transition operating rate to any nursing facility whose			
40	licensed bed capacity decreased by at least 30 beds after 2011 and whose occupancy increased			
41	from less than 70 percent in 2011 to more than 80 percent in 2013. The department shall have			
42	the authority to implement this reimbursement change effective July 1, 2015, and prior to			
43	completion of any regulatory process in order to effect such change.			
44	7. Effective July 1, 2017, the department shall amend the State Plan for Medical Assistance to			
45	increase the direct and indirect operating rates under the nursing facility price based			
46	reimbursement methodology by 15 percent for nursing facilities where at least 80 percent of			
47	the resident population have one or more of the following diagnoses: quadriplegia, traumatic			
48	brain injury, multiple sclerosis, paraplegia, or cerebral palsy. In addition, a qualifying facility			
49	must have at least 90 percent Medicaid utilization and a case mix index of 1.15 or higher in			
50	fiscal year 2014. The department shall have the authority to implement this reimbursement

1	methodology change for rates on or after July 1, 2017, and prior to completion of any			
2	regulatory process in order to effect such change.			
3	8. Effective July 1, 2017 through June 30, 2020, the Department of Medical Assistance			
4	Services shall amend the State Plan for Medical Assistance to pay nursing facilities			
5	located in the former Danville Metropolitan Statistical Area (MSA) the operating rates			
6	calculated for the Other MSA peer group. For purposes of calculating rates under the			
7	rebasings effective July 1, 2017, the department shall use the peer groups based on the			
8	existing regulations. For future rebasings, the department shall permanently move these			
9	facilities to the Other MSA peer group. The department shall have the authority to			
10	implement this reimbursement change effective July 1, 2017 and prior to completion of			
11	any regulatory process undertaken in order to effect such change.			
12	DDD. The Department of Medical Assistance Services shall amend its State Plan under			
13	Title XIX of the Social Security Act to implement reasonable restrictions on the amount of			
14	incurred dental expenses allowed as a deduction from income for nursing facility			
15	residents. Such limitations shall include: (i) that routine exams and x-rays, and dental			
16	cleaning shall be limited to twice yearly; (ii) full mouth x-rays shall be limited to once			
17	every three years; and (iii) deductions for extractions and fillings shall be permitted only if			
18	medically necessary as determined by the department.			
19	EEE. Notwithstanding §32.1-325, et seq. and §32.1-351, et seq. of the Code of Virginia,			
20	and effective upon the availability of subsidized private health insurance offered through a			
21	Health Benefits Exchange in Virginia as articulated through the federal Patient Protection			
22	and Affordable Care Act (PPACA), the Department of Medical Assistance Services shall			
23	eliminate, to the extent not prohibited under federal law, Medicaid Plan First and FAMIS			
24	Moms program offerings to populations eligible for and enrolled in said subsidized			
25	coverage in order to remove disincentives for subsidized private healthcare coverage			
26	through publicly-offered alternatives. To ensure, to the extent feasible, a smooth transition

24	based waivers to be consistent with job development and job placement services provided				
25	through employment services organizations that are reimbursed by the Department for Aging				
26	and Rehabilitative Services. The department shall have the authority to implement this				
27	reimbursement change effective July 1, 2013, and prior to the completion of any regulatory				
28	process undertaken in order to effect such change.				
29	JJJ.1. The Department of Medical Assistance Services shall seek federal authority through				
30	any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the				
31	Social Security Act to implement a comprehensive value-driven, market-based reform of the				
32	Virginia Medicaid/FAMIS programs.				
33	2. The department is authorized to contract with qualified health plans to offer recipients a				
34	Medicaid benefit package adhering to these principles. Any coordination of non-traditional				
35	behavioral health services covered under contract with qualified health plans or through other				
36	means shall adhere to the principles outlined in paragraph MM. c. This reformed service				
37	delivery model shall be mandatory, to the extent allowed under the relevant authority granted				
38	by the federal government and shall, at a minimum, include (i) limited high-performing

45	based waiver services into cost-effective, managed and coordinated delivery systems. The				
46	department shall begin designing the process and obtaining federal authority to transition all				
47	remaining Medicaid beneficiaries into a coordinated delivery system. DMAS shall promulgate				
48	regulations to implement these provisions to be effective within 280 days of its enactment.

20	KKK.1. The Director of the Department of Medical Assistance Services shall continue to				
21	make improvements in the provision of health and long-term care services under				
22	Medicaid/FAMIS that are consistent with evidence-based practices and delivered in a cost				
23	effective manner to eligible individuals.				
24	2. In order to effect such improvements and ensure that reform efforts are cost effective				
25	relative to current forecasted Medicaid/FAMIS expenditure levels, the Department of				
26	Medical Assistance Services shall (i) develop a five-year consensus forecast of				
27	expenditures and savings associated with the Virginia Medicaid/FAMIS reform efforts by				
28	November 15 of each year in conjunction with the Department of Planning and Budget,

31	effectiveness.				
32	LLL. Effective July 1, 2014, the Department of Medical Assistance Services shall replace				
33	the AP-DRG grouper with the APR-DRG grouper for hospital inpatient reimbursement.				
34	The department shall develop budget neutral case rates and Virginia-specific weights for				
35	the APR-DRG grouper based on the FY 2011 base year. The department shall phase in the				
36	APR-DRG weights by blending in 50 percent of the full APR-DRG weights with 50				
37	percent of FY 2014 AP-DRG weights in the first year and 75 percent of the full APR-				
38	DRG weights with 25 percent of the FY 2014 AP-DRG weights in the second year for				
39	each APR-DRG group and severity. FY 2014 AP-DRG weights shall be calculated as a				
40	weighted average FY 2014 AP-DRG weight for all claims in the base year that group to				
41	each APR-DRG group and severity. Full APR-DRG weights shall be used in the third year				
42	and succeeding years for each APR-DRG group and severity. The department shall have				
43	the authority to implement these reimbursement changes effective July 1, 2014, and prior				
44	to completion of any regulatory process in order to effect such changes.				
45	MMM.1. Effective July 1, 2014, the Department of Medical Assistance Services shall				
46	replace the current Disproportionate Share Hospital (DSH) methodology with the				
47	following methodology:				
48	a) DSH eligible hospitals must have a total Medicaid Inpatient Utilization Rate equal to 14				
49	percent or higher in the base year using Medicaid days eligible for Medicare DSH or a				
50	Low Income Utilization Rate in excess of 25 percent and meet other federal requirements.				
51	Eligibility for out of state cost reporting hospitals shall be based on total Medicaid				
52	utilization or on total Medicaid NICU utilization equal to 14 percent or higher.				
53	b) Each hospital's DSH payment shall be equal to the DSH per diem multiplied by each				
54	hospital's eligible DSH days in a base year. Days reported in provider fiscal years in state				
55	FY 2011 will be the base year for FY 2015 prospective DSH payments. DSH will be

2	c) Eligible DSH days are the sum of all Medicaid inpatient acute, psychiatric and				
3	rehabilitation days above 14 percent for each DSH hospital subject to special rules for out of				
4	state cost reporting hospitals. Eligible DSH days for out of state cost reporting hospitals shall				
5	be the higher of the number of eligible days based on the calculation in the first sentence				
6	times Virginia Medicaid utilization (Virginia Medicaid days as a percent of total Medicaid				
7	days) or the Medicaid NICU days above 14 percent times Virginia NICU Medicaid utilization				
8	(Virginia NICU Medicaid days as a percent of total NICU Medicaid days). Eligible DSH days				
9	for out of state cost reporting hospitals who qualify for DSH but who have less than 12				
10	percent Virginia Medicaid utilization shall be 50 percent of the days that would have				
11	otherwise been eligible DSH days.				
12	d) Additional eligible DSH days are days that exceed 28 percent Medicaid utilization for				
13	Virginia Type Two hospitals (excluding Children's Hospital of the Kings Daughters).				
14	e) The DSH per diem shall be calculated in the following manner:				
15	a. The DSH per diem for Type Two hospitals is calculated by dividing the total Type Two				
16	DSH allocation by the sum of eligible DSH days for all Type Two DSH hospitals. For				
17	purposes of DSH, Type Two hospitals do not include Children's Hospital of the Kings				
18	Daughters (CHKD) or any hospital whose reimbursement exceeds its federal uncompensated				
19	care cost limit. The Type Two Hospital DSH allocation shall equal the amount of DSH paid to				
20	Type Two hospitals in state FY 2014 increased annually by the percent change in the federal				
21	allotment, including any reductions as a result of the Affordable Care Act, adjusted for the				
22	state fiscal year.				
23	b. The DSH per diem for State Inpatient Psychiatric Hospitals is calculated by dividing the				
24	total State Inpatient Psychiatric Hospital DSH allocation by the sum of eligible DSH days.				
25	The State Inpatient Psychiatric Hospital DSH allocation shall equal the amount of DSH paid				
26	in state FY 2013 increased annually by the percent change in the federal allotment, including				
27	any reductions as a result of the Affordable Care Act, adjusted for the state fiscal year.				
28	c. The DSH per diem for CHKD shall be three times the DSH per diem for Type Two				
29	hospitals.				
30	d. The DSH per diem for Type One hospitals shall be 17 times the DSH per diem for Type				
31	Two hospitals.				
32	2. Each year, the department shall determine how much Type Two DSH has been reduced as				
33	a result of the Affordable Care Act and adjust the percent of cost reimbursed for outpatient				
34	hospital reimbursement.				
35	3. The department shall convene the Hospital Payment Policy Advisory Council at least once				
36	a year to consider additional changes to the DSH methodology.				
37	4. The department shall have the authority to implement these reimbursement changes				
38	effective July 1, 2014, and prior to completion of any regulatory process in order to effect				
39	such changes.				
40	NNN. The Department of Medical Assistance Services shall have authority to amend the State				
41	Plans for Medical Assistance under Titles XIX and XXI of the Social Security Act, and any				
42	waivers thereof, to implement requirements of the federal Patient Protection and Affordable				
43	Care Act (PPACA), P.L. 111-148, as it pertains to implementation of Medicaid and CHIP				
44	eligibility determination and case management standards and practices, including the				
45	Modified Adjusted Gross Income (MAGI) methodology and, notwithstanding the				
46	requirements of Code of Virginia §2.2-4000, et seq., the process for administrative appeals of				
47	MAGI-related eligibility determinations. The department shall have authority to implement				
48	such standards and practices upon federal approval and prior to the completion of any				
49	regulatory process undertaken in order to effect such changes.				
50	OOO. The Department of Medical Assistance Services (DMAS) shall not change the unit of				
51	service or rate of reimbursement for Mental Health Skill-Building Services (MHSS) until the

17	Health or the local department of social services, or other assessors contracted by the			
18	department. The department shall not contract with any entity for whom there exists a

20	performed by an individual or entity with whom the department has entered into a contract			
21	for the performance of such screenings.			
22	3. The department shall track and monitor all requests for screenings and report on those			
23	screenings that have not been completed within 30 days of an individual's request for			
24	screening. The screening teams and contracted entities shall use the reimbursement and			
25	tracking mechanisms established by the department.			
26	4. The Department of Medical Assistance Services shall promulgate regulations to			
27	implement these provisions to be effective within 280 days of its enactment. The			
28	department may implement any changes necessary to implement these provisions prior to			
29	the promulgation of regulations undertaken in order to effect such changes.			
30	QQQ. The Department of Medical Assistance Services shall have authority to amend its			
31	regulations, subject to the federal Centers for Medicare and Medicaid Services approval,			
32	to strengthen all program requirements and policies of the consumer-directed services			
33	programs to ensure the health, safety and welfare of Medicaid home- and community-			
34	based waiver enrollees. The department shall submit a detailed report on proposed			
35	regulatory changes to the consumer-directed services programs and the issues and			
36	problems the department is attempting to resolve. The department shall submit the report			
37	to the Director, Department of Planning and Budget and the Chairmen of the House			
38	Appropriations and Senate Finance Committees at least 30 days prior to beginning the			
39	regulatory process.			
40	RRR.1. There is hereby appropriated sum-sufficient nongeneral funds for the Department			
41	of Medical Assistance Services (DMAS) to pay the state share of supplemental payments			
42	for qualifying private hospital partners of Type One hospitals (consisting of state-owned			
43	teaching hospitals) as provided in the State Plan for Medical Assistance Services.			
44	Qualifying private hospitals shall consist of any hospital currently enrolled as a Virginia			
45	Medicaid provider and owned or operated by a private entity in which a Type One hospital			
46	has a non-majority interest. The supplemental payments shall be based upon the			
47	reimbursement methodology established for such payments in Attachments 4.19-A and			
48	4.19-B of the State Plan for Medical Assistance Services. DMAS shall enter into a transfer			
49	agreement with any Type One hospital whose private hospital partner qualifies for such			
50	supplemental payments, under which the Type One hospital shall provide the state share			
51	in order to match federal Medicaid funds for the supplemental payments to the private			
52	hospital partner. The department shall have the authority to implement these			
53	reimbursement changes consistent with the effective date in the State Plan amendment			
54	approved by the Centers for Medicare and Medicaid Services (CMS) and prior to			
55	completion of any regulatory process in order to effect such changes.

1	Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the				
2	supplemental payment shall be based on the difference between the average commercial rate				
3	approved by CMS and the payments otherwise made to physicians. The department shall have				
4	the authority to implement these reimbursement changes consistent with the effective date in				
5	the State Plan amendment approved by CMS and prior to completion of any regulatory				
6	process in order to effect such changes.				
7	b. The department shall increase payments to Medicaid managed care organizations for the				
8	purpose of securing access to Medicaid physician services in Eastern Virginia, through higher

10	political subdivision of the Commonwealth subject to applicable limits. The department shall				
11	revise its contracts with managed care organizations to incorporate these supplemental				
12	capitation payments, and provider payment requirements, subject to approval by CMS. No				
13	payment shall be made without approval from CMS.				
14	c. Funding for the state share for these Medicaid payments is authorized in Item 247.				
15	3.a. The Department of Medical Assistance Services (DMAS) shall have the authority to				
16	amend the State Plan for Medical Assistance Services (State Plan) to implement a

19	on the difference between the Upper Payment Limit of 42 CFR §447.272 as approved by				
20	CMS and all other Medicaid payments subject to such limit made to such nursing homes.				
21	There is hereby appropriated sum-sufficient funds for DMAS to pay the state share of the				
22	supplemental Medicaid payment hereunder. However, DMAS shall not submit such State				
23	Plan amendment to CMS until it has entered into an intergovernmental agreement with				
24	eligible local government-owned nursing homes or the local government itself which requires				
25	them to transfer funds to DMAS for use as the state share for the supplemental Medicaid				
26	payment each nursing home is entitled to and to represent that each has the authority to				
27	transfer funds to DMAS and that the funds used will comply with federal law for use as the				
28	state share for the supplemental Medicaid payment. If a local government-owned nursing				
29	home or the local government itself is unable to comply with the intergovernmental				
30	agreement, DMAS shall have the authority to modify the State Plan. The department shall				
31	have the authority to implement the reimbursement change consistent with the effective date				
32	in the State Plan amendment approved by CMS and prior to the completion of any regulatory				
33	process undertaken in order to effect such change.				
34	b. If by June 30, 2017, the Department of Medical Assistance Services has not secured				
35	approval from the Centers for Medicare and Medicaid Services to use a minimum fee				
36	schedule pursuant to 42 C.F.R. § 438.6(c)(1)(iii) for local government-owned nursing homes				
37	participating in Commonwealth Coordinated Care Plus (CCC Plus) at the same level as and in				
38	lieu of the supplemental Medicaid payments authorized in Section RRR.3.a., then DMAS				
39	shall: (i) exclude Medicaid recipients who elect to receive nursing home services in local				
40	government-owned nursing homes from CCC Plus; (ii) pay for such excluded recipient's				
41	nursing home services on a fee-for-service basis, including the related supplemental Medicaid				
42	payments as authorized herein; and (iii) prohibit CCC Plus contracted health plans from in				
43	any way limiting Medicaid recipients from electing to receive nursing home services from				
44	local government-owned nursing homes. The department may include in CCC Plus Medicaid				
45	recipients who elect to receive nursing home services in local government-owned nursing				
46	homes in the future when it has secured federal CMS approval to use a minimum fee schedule				
47	as described above.				
48	4. The Department of Medical Assistance Services shall have the authority to amend the State				
49	Plan for Medical Assistance Services to implement a supplemental payment for clinic services				
50	furnished by the Virginia Department of Health (VDH) effective July 1, 2015. The total				
51	supplemental Medicaid payment shall be based on the Upper Payment Limit approved by the				
52	Centers for Medicare and Medicaid Services and all other Medicaid payments. VDH is				
53	required to transfer funds to the department funds already appropriated to VDH to cover the				
54	non-federal share of the Medicaid payments. The department shall have the authority to				
55	implement the reimbursement change effective July 1, 2015, and prior to the completion of

39		B.1. The Department of Corrections is authorized to contract with other governmental entities		
40		to house male and female prisoners from those jurisdictions in facilities operated by the		
41		department.		

ITEM 393.	Item Details(\$)		Appropriations(\$)	
	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	2. The State Comptroller shall continue to maintain the Contract Prisoners Special			
2	Revenue Fund on the books of the Commonwealth to reflect the activities of contracts			
3	between the Commonwealth of Virginia and other governmental entities for the housing			
4	of prisoners in facilities operated by the Virginia Department of Corrections.			
5	3. The Department of Corrections shall determine whether it may be possible to contract			
6	to house additional federal inmates or inmates from other states in space available within			
7	state correctional facilities. The department may, subject to the approval of the Governor,			
8	enter into such contracts, to the extent that sufficient bedspace may become available in			
9	state facilities for this purpose.			
10	C. The Department of Corrections may enter into agreements with local and regional jails			
11	to house state-responsible offenders in such facilities and to effect transfers of convicted			
12	state felons between and among such jails. Such agreements shall be governed by the			
13	provisions of Item 70 of this act.			
14	D. To the extent that the Department of Corrections privatizes food services, the			
15	department shall also seek to maximize agribusiness operations.			
16	E. Notwithstanding the provisions of § 53.1-45, Code of Virginia, the Department of			
17	Corrections is authorized to sell on the open market and through the Virginia Farmers'			
18	Market Network any dairy, animal, or farm products of which the Commonwealth imports			
19	more than it exports.			
20	F. It is the intention of the General Assembly that § 53.1-47, the Code of Virginia,			
21	concerning articles and services produced or manufactured by persons confined in state			
22	correctional facilities, shall be construed such that the term "manufactured" articles shall			
23	include "remanufactured" articles.			
24	G. Out of this appropriation, \$921,040 the first year and \$921,040 the second year from			
25	nongeneral funds is included for inmate medical costs. The sources of the nongeneral			
26	funds are an award from the State Criminal Alien Assistance Program, administered by			
27	the U.S. Department of Justice.			
28	H.1. The Department of Corrections, in coordination with the Virginia Supreme Court,			
29	shall continue to operate a behavioral correction program. Offenders eligible for such a			
30	program shall be those offenders: (i) who have never been convicted of a violent felony as			
31	defined in § 17.1-805 of the Code of Virginia and who have never been convicted of a			
32	felony violation of §§ 18.2-248 and 18.2-248.1 of the Code of Virginia; (ii) for whom the			
33	sentencing guidelines developed by the Virginia Criminal Sentencing Commission would			
34	recommend a sentence of four years or more in facilities operated by the Department of			
35	Corrections; and (iii) whom the court determines require treatment for drug or alcohol			
36	substance abuse. For any such offender, the court may impose the appropriate sentence			
37	with the stipulation that the Department of Corrections place the offender in an intensive			
38	therapeutic community-style substance abuse treatment program as soon as possible after			
39	receiving the offender. Upon certification by the Department of Corrections that the			
40	offender has successfully completed such a program of a duration of 24 months or longer,			
41	the court may suspend the remainder of the sentence imposed by the court and order the			
42	offender released to supervised probation for a period specified by the court.			
43	2. If an offender assigned to the program voluntarily withdraws from the program, is			
44	removed from the program by the Department of Corrections for intractable behavior, fails			
45	to participate in program activities, or fails to comply with the terms and conditions of the			
46	program, the Department of Corrections shall notify the court, outlining specific reasons			
47	for the removal and shall reassign the defendant to another incarceration assignment as			
48	appropriate. Under such terms, the offender shall serve out the balance of the sentence			
49	imposed by the court, as provided by law.			
50	3. The Department of Corrections shall collect the data and develop the framework and			
51	processes that will enable it to conduct an in-depth evaluation of the program three years			
52	after it has been in operation. The department shall submit a report periodically on the			
53	program to the Chief Justice as he may require and shall submit a report on the			
54	implementation of the program and its usage to the Secretary of Public Safety and			
55	Homeland Security and the Chairmen of the House Appropriations and Senate Finance

		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	Committees by June 30 of each year.				
2	I. Included in the appropriation for this Item is \$250,000 the first year and \$250,000 the				
3	second year from nongeneral funds for a culinary arts program in which inmates are trained to				
4	operate food service activities serving agency staff and the general public. The source of the				
5	funds shall be revenues generated by the program. Any revenues so generated by the program				
6	shall not be subject to § 4-2.02 of this act and shall be used by the agency for the costs of				
7	operating the program. The State Comptroller shall continue to maintain the Inmate Culinary				
8	Arts Training Program Fund on the books of the Commonwealth to reflect the revenue and				
9	expenditures of this program.				
10	J.1. The Department of Corrections shall continue to coordinate with the Department of				
11	Medical Assistance Services and the Department of Social Services to enroll eligible inmates				
12	in Medicaid. To the extent possible, the Department of Corrections shall work to identify				
13	potentially eligible inmates on a proactive basis, prior to the time inpatient hospitalization				
14	occurs. Procedures shall also include provisions for medical providers to bill the Department				
15	of Medical Assistance Services, rather than the Department of Corrections, for eligible inmate				
16	inpatient medical expenses. Due to the multiple payor sources associated with inpatient and				
17	outpatient health care services, the Department of Corrections and the Department of Medical				
18	Assistance Services shall consult with the applicable provider community to ensure that				
19	administrative burdens are minimized and payment for health care services is rendered in a				
20	prompt manner.				
21	2. The Department of Corrections, through its contract with the Virginia Commonwealth				
22	University Department of Health Administration, shall review the management of a selected				
23	number of inmates who account for the largest share of total inpatient and outpatient medical				
24	care costs within the department. The review shall include inmates who have been enrolled in				
25	Medicaid for qualifying inpatient hospitalizations; for these individuals, the Department of				
26	Medical Assistance shall provide the requisite enrollee data. The review shall address the				
27	number and characteristics of these inmates (including demographic background, offense				
28	history, and security classification) who account for the highest costs for medical care. The				
29	review shall also consider, to the extent available, their medical history and current medical				
30	issues and address potential case management strategies and other steps to reduce costs for				
31	these inmates in the long term. Copies of the review shall be provided by October 1, 2017, to				
32	the Secretary of Public Safety and Homeland Security, the Secretary of Health and Human				
33	Resources, the Chairman of the Joint Commission on Health Care, and the Chairmen of the				
34	House Appropriations and Senate Finance Committees.				
35	K. Federal funds received by the Department of Corrections from the federal Residential				
36	Substance Abuse Treatment Program shall be exempt from payment of statewide and agency				
37	indirect cost recoveries into the general fund.				
38	L. Included in the appropriation for this item is funding for the first year and the second year				
39	from the general fund for six medical contract monitors. The persons filling these positions				
40	shall have the responsibility of closely monitoring the adequacy and quality of inmate medical				
41	services in those correctional facilities for which the department has contracted with a private				
42	vendor to provide inmate medical services.				
43	M. The Department of Corrections shall continue to operate a separate program for inmates				
44	under 18 years old who have been tried and convicted as adults and committed to the				
45	Department of Corrections. This separation of these offenders from the general prison				
46	population is required by the requirements of the federal Prison Rape Elimination Act.				
47	N. The Department shall provide to the Secretary of Public Safety and Homeland Security,				
48	the Directors of the Departments of Planning and Budget and Human Resources Management,				
49	and the Chairmen of the House Appropriations and Senate Finance Committees by July 1,				
50	2016, a report assessing:				
51	a. The costs, benefits, and administrative actions required to eliminate the Department's				
52	reliance on a private contractor for the delivery of inmate health care at multiple facilities, and				
53	to provide the same services internally using either state employees or individual contract				
54	medical personnel.				
55	b. The costs, benefits, and administrative actions required to transition to a statewide health

2	by prison health care management and Medicaid managed care organizations to deliver				
3	provider-managed and outcome-based comprehensive health care services through a				
4	single statewide contract for all of the Department's adult correctional centers.				
5	c. A review of the Department's actual cost experience comparing the previous				
6	arrangement in which the contractor assumed full financial risk for the payment of off-site				
7	inpatient and outpatient services, and the current and proposed arrangement in which the				
8	Department assumes that risk and also receives any Medicaid reimbursement for such off-				
9	site expenses. For purposes of analyzing the first arrangement, it is assumed that the				
10	benefit of any Medicaid or other third-party reimbursement for hospital or other services				
11	would accrue to the contractor. This review shall also compare cost trends experienced by				
12	other states which have adopted these two arrangements.				
13	d. A comparison of the costs and benefits of the Department's current management of				
14	inmate health care, including the model envisioned in its August 2014 Request for				
15	Proposals, to the alternative models the Department is directed to assess in subsections a,				
16	b, and c above.				
17	e. The Department of Human Resources Management, the Department of Planning and				
18	Budget and other executive branch agencies shall provide technical assistance to the

27	information technology investments will continue to be provided General Assembly members			
28	and staff. Specifically, the following tasks will not be required, though the task may be			
29	performed in a more streamlined fashion: (i) The annual report to the Governor, the Secretary,			
30	and the Joint Commission on Technology and Science; (ii) The annual report from the CIO			
31	for submission to the Secretary, the Information Technology Advisory Council, and the Joint			
32	Commission on Technology and Science on a prioritized list of Recommended Technology

37	the RTIP Report; (v) The reporting, for each project listed in the RTIP, of all projected costs			
38	of ongoing operations and maintenance activities of the project for the next three biennia			
39	following project implementation, a justification and description for each project baseline

6	be applied to the State of Good Repair Program pursuant to § 33.2-369, Code of Virginia.			
7	Proceeds must be used on Federal Title 23 eligible projects.			
8	C. The Director of the Department of Planning and Budget is authorized to increase the			
9	appropriation as needed to utilize amounts available from prior year balances in the			
10	dedicated funds and adjust items to the most recent Commonwealth Transportation Board			
11	budget.			
12	D. Funds appropriated for legacy formula construction programs shall be used for the			
13	purposes enumerated in subsection C of § 33.2-358, Code of Virginia, or as previously			
14	appropriated.			
15	E. Included in the amounts for specialized state and federal programs is the			
16	reappropriation of \$145,700,000 the first year and \$131,300,000 the second year from			
17	bond proceeds or dedicated special revenues for anticipated expenditure of amounts

20	Fund, Northern Virginia Transportation District Fund, State Route 28 Highway			
21	Improvement District Fund, U.S. Route 58 Corridor Development Fund and the Priority			
22	Transportation Fund. These amounts were originally appropriated when received or			
23	forecasted and are not related to FY 2017 and FY 2018 estimated revenues.			
24	F. Revenue collected through innovative revenue efforts authorized by § 33.2-213, Code			
25	of Virginia, shall be dedicated to State of Good Repair efforts as outlined in § 33.2-369,			
26	Code of Virginia, after all related program and collection costs incurred by the			
27	Department are considered.			
28	G. 1. Of the amounts provided in Item 449.10, Chapter 847 of the 2007 Acts of Assembly,			
29	\$31,070,647 was dedicated to enumerated projects funded from the Transportation			
30	Partnership Opportunity Fund. This amount represents available authorization remaining			
31	after the completed advancement of acquisition and construction of the projects in the			
32	Item. Of this amount, \$23,110,000 is now directed to Road Improvements at military			
33	installations in the Commonwealth. As part of the ongoing negotiations of a memorandum			
34	of agreement between the Department of the U.S. Army and the U.S. Department of			
35	Transportation and the Virginia Department of Transportation for the delivery of			
36	transportation projects as in-kind payments for parcel A-2 and A-3 at the former Ft.

47	Corporation and located between Newtown Road and the Oceanfront. The subsequent			
48	contract for the TPOF award signed between the Department of Transportation and the			
49	City of Virginia Beach, specified that if such funds were not utilized to extend light rail			
50	along the corridor to Virginia Beach, the funds were to be repaid to the Department of			
51	Transportation and redeposited into the TPOF for allocations for other eligible			
52	transportation projects. Based on the failure of the project to move forward, as evidenced			
53	by the failure of the voter referendum on the Virginia Beach ballot in the November 2016			
54	election, the City of Virginia Beach is required to repay to the Department of			
55	Transportation the full amount in four annual payments of \$5,000,000 by September 1 of

4	to reallocate to eligible TPOF projects as they become available.			
5	H. For funds allocated in § 58.1-1741, Code of Virginia, to state of good repair purposes for			
6	fiscal year 2017 and fiscal year 2018, the distribution of funding in subsections (B) and (C) of			
7	§ 33.2-369, Code of Virginia, will not apply. The Commonwealth Transportation Board may			
8	allocate funds to state of good repair purposes for reconstruction and replacement of			
9	structurally deficient state and locally owned bridges and reconstruction and rehabilitation of			
10	pavement on the interstate system and primary state highway system determined to be			
11	deteriorated by the board, including municipality-maintained primary extensions, as well as to

20	subdivision (C)(v) of § 33.2-358, Code of Virginia, may be used for this pilot program.			
21	J. Notwithstanding the provisions of § 33.2-358, Code of Virginia, the unanticipated amounts			
22	available for construction from the December 2015 revenue forecast and from the increased			
23	federal funding from the passage of the Fixing America's Surface Transportation (FAST) Act			
24	shall be distributed following the new construction formula defined by § 33.2-358, Code of			
25	Virginia, advancing the distribution of funds under this formula and provide 45 percent of the			
26	additional funding to the State of Good Repair Program, 27.5 percent to the High Priority			
27	Projects Program, and 27.5 percent to the District Grant Program.			
28	K.1. Notwithstanding any other provision of the Code of Virginia, as a condition on the			
29	expenditure of all amounts included in this item, the Commonwealth Transportation Board			
30	shall include all amounts needed, not to exceed \$140,000,000, in the fiscal year 2017 through			
31	fiscal year 2022 Six-Year Improvement Program adopted pursuant to § 33.2-214, for			
32	improvements to the Interstate 66 corridor inside the Capitol Beltway, including but not

37	shall complete a minimum of 30 percent of the design work for such capacity expansion by			
38	November 1, 2017. Amounts dedicated to such project shall not reduce amounts made			
39	available to the High Priority Projects Program or the District Grant Program.			
40	3. It is the intent of the General Assembly that tolling on Interstate 66 inside the Capitol			
41	Beltway shall not extend beyond four hours during the morning rush hour and four hours			
42	during the evening rush hour on Mondays, Tuesdays, Wednesdays, Thursdays and Fridays,			
43	exclusive of national holidays, and tolling shall not apply on weekends.			
44	L. It is the intent of the General Assembly that the Commissioner, Department of			
45	Transportation, with the cooperation of the Secretary of Finance, shall set-aside any federal			
46	funding specifically authorized by Congress for projects on the Coalfields Expressway in a			
47	special sub-account of the Transportation Trust Fund to ensure such funds are used

3	E. The Governor is hereby authorized to transfer funds from agency appropriations to the			
4	accounts of participating state employees in such amounts as may be necessary to match			
5	the contributions of the qualified participating employees, consistent with the			
6	requirements of the Code of Virginia governing the deferred compensation cash match			
7	program. Such transfers shall be made consistent with the following:			
8	1. The maximum cash match provided to eligible employees shall not be less than \$20.00			
9	per pay period, or \$40.00 per month, in each year of the biennium. The Governor may			
10	direct the agencies of the Commonwealth to utilize funds contained within their existing

12	2. The Governor may direct agencies supported in whole or in part with nongeneral funds			
13	to utilize existing agency appropriations to meet these requirements. Such nongeneral

20	F. The Secretary of Administration, in conjunction with the Secretary of Finance, may			
21	establish a program that allows for the sharing of cost savings from improved			
22	productivity, efficiency, and performance with agencies and employees. Such gain sharing			
23	programs require a management philosophy of open communication encouraging			
24	employee participation; a system which seeks, evaluates and implements employee input			
25	on increasing productivity; and a formula for measuring productivity gains and sharing			
26	these gains between employees and the agency. The Department of Human Resource			
27	Management, in conjunction with the Department of Planning and Budget, shall develop			
28	specific gain sharing program guidelines for use by agencies. The Department of Human			
29	Resource Management shall provide to the Governor, the Chairmen of the House

38	employees resulting from the additional funding in this Item shall allow for a portion of			
39	employee medical premiums to be charged to employees.			
40	3. The Department of Human Resource Management shall explore options within the			
41	health insurance plan for state employees to promote value-based health choices aimed at

43	General Assembly's intent that any savings associated with this employee health care			
44	initiative be retained and used towards funding state employee salary or fringe benefit cost			
45	increases.			
46	4. Notwithstanding any other provision of law, it shall be the sole responsibility and			
47	authority of the Department of Human Resource Management to establish and enforce			
48	employer contribution rates for any health insurance plan established pursuant to §2.2-			
49	2818, Code of Virginia.			
50	5. The Department of Human Resource Management is prohibited from establishing a			
51	retail maintenance network for maintenance drugs that includes penalties for non-use of			
52	the retail maintenance network.

5	maximum extent possible. The results of this pilot program, to include changes in return-to-

8	House Appropriations Committee and the Senate Finance Committee by August 1, 2018.			
9	H.1. Contribution rates paid to the Virginia Retirement System for the retirement benefits of			
10	public school teachers, state employees, state police officers, state judges, and state law

13	Chapters 701 and 823, Acts of Assembly of 2012.			
14	2. Retirement contribution rates, excluding the five percent employee portion, shall be as set			
15	out below and include both the regular contribution rate and for the public school teacher plan

24	3. Payments to the Virginia Retirement System shall be made no later than the tenth day			
25	following the close of each month of the fiscal year.			
26	4. The Director of Department of Planning and Budget shall withhold and transfer to this			
27	item, amounts estimated at \$10,022,276 the first year and \$10,458,009 the second year, from			
28	the general fund appropriations of state agencies and institutions of higher education,			
29	representing the net savings resulting from the changes in employer contributions for state			
30	employee retirement as provided for in this paragraph.			
31	5. The funding necessary to support the cost of reimbursements to Constitutional Officers for			
32	retirement contributions are appropriated elsewhere in this act under the Compensation Board.

47	that it has opted to base the employer contribution rate on the higher of: a) the contribution

4	3. Every participating employer that opts not to use the employer contribution rates

6	Code of Virginia, must certify to the board of the Virginia Retirement System by

11	paragraph I.1.			
12	4. Local public school divisions must receive the concurrence of the local governing body			
13	if electing to pay the alternate contribution rate set out in paragraph I.2. Such concurrence			
14	must be documented by a resolution of the governing body.			
15	5. The board of the Virginia Retirement System shall provide all employers participating

19	set out in paragraph I.2.			
20	J.1. The Virginia Retirement System Board of Trustees shall account for the employer			
21	retirement contribution payments deferred for the 2010-2012 biennium based on limiting			
22	employer retirement contributions to the Virginia Retirement System to the actuarial			
23	normal cost. In setting the employer retirement contribution rates for subsequent biennia,			
24	the board shall calculate a separate, supplemental employer contribution rate that will			
25	amortize such deferred payments over a period of ten years using the board's assumed			
26	long-term rate of return. The Governor shall include funds to support payment of such			
27	board-approved, supplemental employer contribution rates in the budget submitted to the			
28	General Assembly.			
29	2. For purposes of setting rates for the 2014-16 biennium, and future biennia, the board			
30	shall treat any lump-sum deposits into the retirement system as an expedited repayment of			
31	the 2010-2012 deferred contributions for the appropriate system. Should these deposits			
32	exceed the remaining amounts owed for the deferred contributions, the balance shall			
33	remain in these specific systems to address the overall unfunded liability.			
34	K.1. Contribution rates paid to the Virginia Retirement System for other employee			
35	benefits to include the public employee group life insurance program, the Virginia			
36	Sickness and Disability Program, the state employee retiree health insurance credit, and			
37	the public school teacher retiree health insurance credit, shall be based on a valuation of			
38	assets and liabilities that assume an investment return of seven percent and an			
39	amortization period of 30 years.			
40	2. Contribution rates paid on behalf of public employees for other programs administered

35	2. Notwithstanding the provisions of § 2.2-3205(A), Code of Virginia, the terminating agency

4	shall mean an employee who is involuntarily separated from employment with his				
5	employer.				
6	b. The governing authority of a city, county, school division or other political subdivision				
7	electing to cover its employees under the provisions of this paragraph shall adopt a

11	2.a. Any (i) "eligible employee" as defined in § 51.1-132, (ii) "teacher" as defined in §

19	by this paragraph. The date of involuntary separation shall mean the date an employee was				
20	terminated from employment or placed on leave without pay-layoff or equivalent status.				
21	b. Eligibility shall commence on the date of involuntary separation.				
22	3.a. On his date of involuntary separation, an eligible employee with (i) two years' service

29	benefit equivalent to twelve weeks of salary plus two additional weeks of salary for every				
30	year of service over nine years; or (iv) fifteen years or more of consecutive service to the				
31	employer shall be entitled to receive a transitional severance benefit equivalent to two

34	department. Partial years of service shall be rounded up to the next highest year of service.				
35	c. Transitional severance benefits shall be paid by the employer in the same manner as				
36	normal salary. In accordance with § 60.2-229, transitional severance benefits shall be				
37	allocated to the date of involuntary separation. The right of any employee who receives a				
38	transitional severance benefit to also receive unemployment compensation pursuant to §				
39	60.2-100 et seq. shall not be denied, abridged, or modified in any way due to receipt of the				
40	transitional severance benefit; however, any employee who is entitled to unemployment				
41	compensation shall have his transitional severance benefit reduced by the amount of such				
42	unemployment compensation. Any offset to a terminated employee's transitional				
43	severance benefit due to reductions for unemployment compensation shall be paid in one				
44	lump sum at the time the last transitional severance benefit payment is made.				
45	d. For twelve months after the employee's date of involuntary separation, the employee				
46	shall continue to be covered under the (i) health insurance plan administered by the				
47	employer for its employees, if he participated in such plan prior to his date of involuntary				
48	separation, and (ii) group life insurance plan administered by the Virginia Retirement

51	terminating employer shall continue to pay its share of the terminated employee's				
52	premiums. Upon expiration of such twelve month period, the terminated employee shall				
53	be eligible to purchase continuing health insurance coverage under COBRA.				
54	e. Transitional severance benefit payments shall cease if a terminated employee is

1	Governor shall recommend an equivalent reduction in the amount of debt authorization for the			
2	affected projects so that overall, there is no decrease or increase in total funding for such			
3	projects:			
4	2: It is the intent of the General Assembly that any appropriation pursuant to this Item only be			
5	used to reduce the total authorized but unissued debt such that general fund cash becomes the			
6	funding source for certain capital outlay projects rather than debt. In making this substitution,			
7	priority shall be given to maintenance reserve or other small capital outlay projects that are			
8	better suited to be funded from cash or to taxable debt projects which offer the opportunity to			
9	obtain greater debt service cost savings; if funded by cash rather than debt.			
10	3: For the first fiscal year of the biennium, the appropriation specified in paragraph A.1: above			
11	shall be equal to the lesser of \$181,900,000 or the actual total general fund revenue			
12	collections for fiscal year ending June 30, 2016; reduced by any amounts needed to meet the

17	General Assembly; as enacted.			
18	4: For the second year of the biennium the appropriation specified in paragraph A.1: above			
19	shall be equal to the lesser of \$188,200,000 or the actual total general fund revenue			
20	collections for fiscal year ending June 30, 2017; reduced by any amounts needed to meet the

25	B: The State Comptroller shall make a commitment for any amount appropriated in this Item			
26	pursuant to paragraph A.3: above on the balance sheet of the Commonwealth for June 30,			
27	2016. The State Comptroller shall make a commitment for any amount appropriated in this			
28	Item pursuant to paragraph A.4: above on the balance sheet of the Commonwealth for June			
29	30, 2017.			
30	C.1: The Director of the Department of Planning and Budget shall report quarterly to the State			
31	Treasurer and to the Six Year Capital Outlay Planning Advisory Committee, established by §			
32	2.2-1516 Code of Virginia; identifying the projects for which the debt authorization was			
33	replaced by appropriations pursuant to paragraph A1: above.			
34	2: Upon notification from the Director of the Department of Planning and Budget that			
35	appropriations pursuant to paragraph A1: above have been made, the State Treasurer shall not

PART 2: CAPITAL PROJECT EXPENSES

§ 2-0. GENERAL CONDITIONS

A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to paragraph G of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the first year in accordance with § 4-1.03 a 5 of this act.

B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of capital project proposals must come from the affected agency's existing resources.

2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design choices.

E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property, plant, and equipment as defined in § 4-4.01c of this act to the extent that funds included in the appropriation to the agency for this purpose in Part 1 of this act are insufficient.

2. Agencies and institutions of higher education can expend up to \$1,500,000 for a single repair or project through the maintenance reserve appropriation. Such expenditures shall be subject to rules and regulations prescribed by the Governor. To the extent an agency or institution of higher education has identified a potential project that exceeds this threshold, the Director, Department of Planning and Budget, can provide exemptions to the threshold as long as the project still meets the definition of a maintenance reserve project as defined by the Department of Planning and Budget.

3. Only facilities supported wholly or in part by the general fund shall utilize general fund maintenance reserve appropriations. Facilities supported entirely by nongeneral funds shall accomplish maintenance through the use of nongeneral funds.

F. Conditions Applicable to Bond Projects

1. The capital projects listed in §§ 2-53 and 2-54 for the indicated agencies and institutions of higher education are hereby authorized and sums from the sources and in the amount indicated are hereby appropriated and reappropriated. The issuance of bonds in a principal amount plus amounts needed to fund issuance costs, reserve funds, and other financing expenses, including capitalized interest for any project listed in §§ 2-53 and 2-54 is hereby authorized.

2. The issuance of bonds for any project listed in § 2-53 is to be separately authorized pursuant to Article X, Section 9 (c), Constitution of Virginia.

3. The issuance of bonds for any project listed in §§ 2-53 or 2-54 shall be authorized pursuant to § 23.1-1106, Code of Virginia.

4. In the event that the cost of any capital project listed in §§ 2-53 and 2-54 shall exceed the amount appropriated therefore, the Director, Department of Planning and Budget, is hereby authorized, upon request of the affected institution, to approve an increase in appropriation authority of not more than ten percent of the amount designated in §§ 2-53 and 2-54 for such project, from any available nongeneral fund revenues, provided that such increase shall not constitute an increase in debt issuance authorization for such capital project. Furthermore, the Director, Department of Planning and Budget, is hereby authorized to approve the expenditure of all interest earnings derived from the investment of bond proceeds in addition to the amount designated in §§ 2-53 and 2-54 for such capital project.

- 1 5. The interest on bonds to be issued for these projects may be subject to inclusion in gross income for federal income tax
2 purposes.
- 3 6. Inclusion of a project in this act does not imply a commitment of state funds for temporary construction financing. In the absence of
4 such commitment, the institution may be responsible for securing short-term financing and covering the costs from other sources of
5 funds.
- 6 7. In the event that the Treasury Board determines not to finance all or any portion of any project listed in § 2-53 of this act with the
7 issuance of bonds pursuant to Article X, Section 9 (c), Constitution of Virginia, and notwithstanding any provision of law to the
8 contrary, this act shall constitute the approval of the General Assembly to finance all or such portion of such project under the
9 authorization of § 2-54 of this act.
- 10 8. The General Assembly further declares and directs that, notwithstanding any other provision of law to the contrary, 50 percent of
11 the proceeds from the sale of surplus real property pursuant to § 2.2-1147 et seq., Code of Virginia, which pertain to the general fund,
12 and which were under the control of an institution of higher education prior to the sale, shall be deposited in a special fund set up on

14 reserve, and may be used, upon appropriation, to pay debt service on bonds for the 21st Century College Program as authorized in
15 Item C-7.10 of Chapter 924 of the Acts of Assembly of 1997.

43 or direct payment holder shall be entitled to a credit for the payment under this section on the return for June of the current year due
44 July 20.

49 Consumer's Use Tax Return.

1 D. In lieu of the penalties provided in § 58.1-635, except with respect to fraudulent returns, failure to make a timely payment or
 2 full payment of the sales and use tax liability as provided in subsection A shall subject the dealer or direct payment permit

 14 each year, that funds are available to transfer such collections in accordance with §§ 58.1-638(B)-(F) and 58.1-638.1, Code of
 15 Virginia, he shall direct the State Comptroller to make such allocation. The Secretary of Finance will report the Governor's
 16 determination to the Chairman of the House Appropriations and Senate Finance Committees on August 15 of each year.

17 G.1. Beginning with the tax payment that would be remitted on or before June 25, 2017, if the payment is made by other than

10 Code of Virginia. The amount deducted on any individual income tax return in any taxable year shall be limited to \$2,000 per ABLE

13 forward and subtracted in future taxable years until the ABLE savings trust contribution has been fully deducted; however, in no
14 event shall the amount deducted in any taxable year exceed \$2,000 per ABLE savings trust account.

15 B. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, Code of Virginia, any deduction taken

18 C. A contributor to an ABLE savings trust account who has attained age 70 shall not be subject to the limitation that the amount of
19 the deduction not exceed \$2,000 per ABLE savings trust account in any taxable year. Such taxpayer shall be allowed a deduction for
20 the full amount contributed to an ABLE savings trust account, less any amounts previously deducted.

21 D. The Tax Commissioner shall develop guidelines implementing the provisions of this section, including but not limited to the
22 computation, carryover, and recapture of the deduction provided under this section. Such guidelines shall be exempt from the
23 provisions of the Administrative Process Act (§ 2.2-4000 et seq., Code of Virginia).

24 § 3-5.12 RETAIL SALES AND USE TAX EXEMPTION FOR RESEARCH AND DEVELOPMENT

25 A. Notwithstanding any other provision of law or regulation, and beginning July 1, 2016, the retail sales and use tax exemption
26 provided for in subdivision 5 of § 58.1-609.3 of the Code of Virginia, applicable to tangible personal property purchased or leased
27 for use or consumption directly and exclusively in basic research or research and development in the experimental or laboratory
28 sense, shall apply to such property used in a federally funded research and development center, regardless of whether such property
29 is used by the purchaser, lessee, or another person or entity.

30 B. Nothing in this section shall be construed to relieve any federally funded research and development center of any liability for
31 retail sales and use tax due for the purchase of tangible personal property pursuant to the law in effect at the time of the purchase.

32 § 3-5.13 ADMISSIONS TAX

33 Notwithstanding the provisions of § 58.1-3818.02, Code of Virginia, or any other provision of law, subject to the execution of a

37 entertainment venue owner on or after June 1, 2015. The tax shall not exceed 10 percent of the amount of charge for admission to
38 any such venue. The provisions of this section shall expire on July 1, 2019 if no entertainment venue exists in Stafford County upon
39 which the tax authorized is imposed.

40 § 3-5.14 SUNSET DATES FOR INCOME TAX CREDITS AND SALES AND USE TAX EXEMPTIONS

41 A. Notwithstanding any other provision of law the General Assembly shall not advance the sunset date on any existing sales tax
42 exemption or tax credit beyond June 30, 2022. Any new sales tax exemption or tax credit enacted by the General Assembly prior to
43 the 2021 regular legislative session shall have a sunset date not later than June 30, 2022. However, this requirement shall not apply
44 to tax exemptions administered by the Department of Taxation under § 58.1-609.11, relating to exemptions for nonprofit entities nor
45 shall it apply to exemptions or tax credits with sunset dates after June 30, 2022, enacted or advanced during the 2016 Session of the
46 General Assembly.

47 B. By November 1, 2020, the Department of Taxation shall report to every member of the General Assembly and to the Joint
48 Subcommittee to Evaluate Tax Preferences, on the revenue impact of every sales tax exemption and tax credit scheduled to expire on
49 or before June 30, 2022. The report shall include the prior fiscal year's state and local sales tax impact of each expiring sales tax
50 exemption, and the prior fiscal year's general fund revenue impact of each expiring tax credit. The tax credit revenue impact analysis
51 shall be inclusive of credits claimed against any tax imposed under Title 58.1 of the Code of Virginia.

52 C. The Department shall provide an updated revenue impact report no later than November 1, 2025, and every five years thereafter,

1 for sales tax exemptions and tax credits set to expire within two years following the date of the report. Such reports shall be
2 distributed to every member of the General Assembly and to the Joint Subcommittee to Evaluate Tax Preferences.

3 § 3-5.15 SALES TAX NEXUS

4 Notwithstanding any other provision of law, if a dealer has inventory in the Commonwealth, such dealer shall have physical
5 presence in the Commonwealth and shall be deemed to have sufficient activity within the Commonwealth to require

7 § 3-5.16. Omitted.

8 § 3-5.17 VIRGINIA TAX AMNESTY PROGRAM

9 A. Notwithstanding any other provision of law, there is hereby established the Virginia Tax Amnesty Program. It is the intent
10 of this program to improve voluntary compliance with the tax laws and to increase and to accelerate collections of certain taxes
11 owed to the Commonwealth.

12 B. The Virginia Tax Amnesty Program shall be administered by the Department of Taxation, and any person, individual,
13 corporation, estate, trust or partnership required to file a return or to pay any tax administered or collected by the Department of
14 Taxation shall be eligible to participate, subject to the requirements set forth below and guidelines established by the Tax
15 Commissioner. The Tax Commissioner may require participants in the program to complete an amnesty application and such
16 other forms as he may prescribe and to furnish any additional information he deems necessary to make a determination
17 regarding the validity of such amnesty application.

18 C. The Tax Commissioner shall establish guidelines and rules for the procedures for participation and any other rules that are
19 deemed necessary by the Tax Commissioner. The guidelines and rules issued by the Tax Commissioner regarding the Virginia
20 Tax Amnesty Program shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia).

21 D. The Virginia Tax Amnesty Program shall have the following features:

22 1. The program shall be conducted during the period July 1, 2017 through June 30, 2018 and shall not last less than 60 nor more
23 than 75 days. The exact dates of the program shall be established by the Tax Commissioner.

24 2. All civil or criminal penalties assessed or assessable, as provided in this title, including the addition to tax under §§ 58.1-492
25 and 58.1-504 of the Code of Virginia, and one-half of the interest assessed or assessable, as provided in this title, which are the
26 result of nonpayment, underpayment, nonreporting or underreporting of tax liabilities, shall be waived upon receipt of the
27 payment of the amount of taxes and interest owed, with the following exceptions:

28 a. No person, individual, corporation, estate, trust or partnership currently under investigation or prosecution for filing a
29 fraudulent return or failing to file a return with the intent to evade tax shall qualify to participate.

30 b. No person, individual, corporation, estate, trust or partnership shall be eligible to participate in the program with respect to
31 any assessment outstanding for which the date of assessment is less than 90 days prior to the first day of the program or with
32 respect to any liability arising from the failure to file a return for which the due date of the return is less than 90 days prior to
33 the first day of the program.

34 c. No person, individual, corporation, estate, or trust shall be eligible to participate in the program with respect to any tax
35 liability from the income taxes imposed by §§ 58.1-320, 58.1-360 and 58.1-400 of the Code of Virginia, if the tax liability is
36 attributable to taxable years beginning on and after January 1, 2016.

37 d. No taxpayer shall be eligible to participate in the Program with respect to any tax liability if it is attributable to an issue that is
38 subject to a decision of a Virginia court rendered on or after January 1, 2016.

39 E. For the purpose of computing the outstanding balance due because of the nonpayment, underpayment, nonreporting or
40 underreporting of any tax liability that has not been assessed prior to the first day of the program, the rate of interest specified
41 for omitted taxes and assessments under § 58.1-15 shall not be applicable. The Tax Commissioner shall, instead, establish one
42 interest rate to be used for each taxable year that approximates the average "underpayment rate" specified under § 58.1-15 of
43 the Code of Virginia for the five-year period immediately preceding the program.

44 F. 1. If any taxpayer eligible for amnesty under this section and under the rules and guidelines established by the Tax
45 Commissioner retains any outstanding balance after the close of the Virginia Tax Amnesty Program because of the
46 nonpayment, underpayment, nonreporting or underreporting of any tax liability eligible for relief under the Virginia Tax
47 Amnesty Program, then such balance shall be subject to a 20 percent penalty on the unpaid tax. This penalty is in addition to all
48 other penalties that may apply to the taxpayer.

49 2. Any taxpayer who defaults upon any agreement to pay tax and interest arising out of a grant of amnesty is subject to
50 reinstatement of the penalty and interest forgiven and the imposition of the penalty under this section as though the taxpayer

1 retained the original outstanding balance at the close of the Virginia Tax Amnesty Program.

2 § 3-5.18 LIMITATION ON THE AMOUNT OF HISTORIC REHABILITATION TAX CREDITS CLAIMED

3 Notwithstanding § 58.1-339.2 or any other provision of law, effective for taxable years beginning on and after January 1, 2017, the

5 taxable years, shall not exceed \$5 million for any taxable year.

6 § 3-5.19 LIMITATION ON THE AMOUNT OF LAND PRESERVATION TAX CREDITS CLAIMED

9 taxable years, shall not exceed \$20,000.

23 *as \$80,823,953 and FY 2020 as \$226,123,826.*

24 *4. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information (VHI)*
25 *"Hospital Detail Report" as of December 15 of each year. In the first year, net patient service revenue shall be prorated by the*
26 *portion of the year subject to the tax.*

27 *5. Any estimated excess or shortfall of revenue from the previous year shall be deducted from or added to the "full cost of expanded*
28 *Medicaid coverage" for the next year prior to the calculation of the "assessment percentage."*

35 Improvement Fund, as established in § 10.1-2128.1, Code of Virginia. The funds deposited to this subfund shall be disbursed for the

b. All appropriations contained in this act, or in any other appropriating act of the General Assembly, are declared to be maximum appropriations and conditional on receipt of revenue.

c. The Governor, as chief budget officer of the state, shall ensure that the provisions and conditions as set forth in this section are strictly observed.

d. Public higher education institutions are not subject to the provisions of § 2.2-4800, Code of Virginia, or the provisions of the Department of Accounts' Commonwealth Accounting Policies and Procedures manual (CAPP) topic 20505 with regard to students who are veterans of the United States armed services and National Guard and are in receipt of federal educational benefits under the G.I. Bill. Public higher education shall establish internal procedures for the continued enrollment of such students to include resolution of outstanding accounts receivable.

e. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq. of the Code of Virginia) shall not apply to grants made in support of the 2019 Commemoration to non-profit entities organized under § 501 (c)(3) of the Internal Revenue Code.

f. 1. The State Council of Higher Education for Virginia shall establish a policy for granting undergraduate course credit to entering freshman students who have taken one or more Advanced Placement, Cambridge Advanced (A/AS), College-Level Examination Program (CLEP), or International Baccalaureate examinations by August 1, 2017. The policy shall:

b) Identify the course credit or other academic requirements of each public institution of higher education that the student satisfies by achieving the minimum required scores on such examinations; and

c) Ensure, to the extent possible, that the grant of course credit is consistent across each public institution of higher education and each such examination.

2. The Council and each public institution of higher education shall make the policy available to the public on its website.

§ 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and contained in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any general fund appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any gift, grant or donation.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction plan approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend appropriated moneys, regardless of the mechanism used to effect such withholding.

1 b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of
 2 appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon
 3 which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other purpose,
 4 provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor
 5 has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House Appropriations and
 6 Senate Finance Committees.

7 2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have
 8 been specifically presented in writing to the General Assembly at its next regularly scheduled session.

9 c. Increased Nongeneral Fund Revenue:

10 1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by
 11 the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget
 12 was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in
 13 an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for educational and general
 14 programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher
 15 education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct
 16 costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually disabled payable from the
 17 Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations for highway construction and
 18 mass transit. Moneys unallotted under this provision shall not be reallocated for any other purpose.

19 2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program,
 20 following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding
 21 allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the
 22 original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to
 23 match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

24 d. Reduced General Fund Resources:

25 1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of the
 26 state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all
 27 unexpended balances brought forward from the previous biennium.

28 2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund
 29 appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold
 30 general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated
 31 general fund resources available.

32 3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal
 33 year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the
 34 previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund
 35 revenues shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance Committees,
 36 prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

37 4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor
 38 shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of
 39 the House Appropriations, House Finance, and Senate Finance Committees.

40 b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall
 41 provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes for the just-
 42 completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that
 43 fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes,
 44 as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the
 45 just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the
 46 next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance, House
 47 Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal year.

48 5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by
 49 the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and
 50 Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be submitted to the Chairmen of the
 51 House Appropriations and Senate Finance Committees, prior to withholding allotments of appropriations.

52 b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to
 53 the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet
 54 secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via electronic means to the

- 1 Chairmen of the House Appropriations and Senate Finance Committees concurrently with that budget reduction plan.
- 2 6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:
- 3 a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of
4 any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate
5 agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House
6 Appropriations Committees. State agencies providing funds directly to grantees named in this act shall not apportion a larger
7 cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the remaining
8 appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be
9 made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining
10 appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different
11 payment schedule.
- 12 b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies
13 and its authorities, or for payment of a legally authorized deficit.
- 14 c) The payments for care of graves of Confederate and historical African American dead.
- 15 d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement
16 System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System,
17 Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional
18 Retirement Plan for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life
19 insurance, sickness and disability, and retiree health care credit programs for state employees, state-supported local employees
20 and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower
21 than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is
22 lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and
23 employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-
24 supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General
25 Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary
26 billing cycles that have been established by law or policy by the governing board.
- 27 e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.
- 28 f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.
- 29 g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source
30 for payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the
31 Executive Department.
- 32 h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting
33 revenues for such appropriation are estimated to be insufficient to pay the appropriation.
- 34 7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction
35 or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to
36 the maximum of 15 percent, as prescribed in subdivision 6a of this subsection.
- 37 8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the
38 appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund
39 appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such
40 appropriations; however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund
41 sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next
42 biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the
43 Chairmen of the Senate Finance, House Finance, and House Appropriations Committees. For purposes of this subsection, major
44 nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.
- 45 9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each
46 year of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury,
47 subject to the following:
- 48 a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a
49 fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of
50 such transfer within five calendar days of the transfer;
- 51 b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913,
52 Code of Virginia, debt service funds, or federal funds; and

1 c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount
2 transferred from each account or fund and recommendations for restoring such amounts.

3 10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority
4 withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees
5 within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation item.

6 11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected
7 general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of the Senate shall
8 be advised in writing by the Governor, so that they may consider requesting a special session of the General Assembly.

9 § 4-1.03 APPROPRIATION TRANSFERS

10 GENERAL

11 a. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority from one state or
12 other agency to another, to effect the following:

13 1) distribution of amounts budgeted in the central appropriation to agencies, or withdrawal of budgeted amounts from agencies in
14 accordance with specific language in the central appropriation establishing reversion clearing accounts;

15 2) distribution of pass-through grants or other funds held by an agency as fiscal agent;

16 3) correction of errors within this act, where such errors have been identified in writing by the Chairmen of the House
17 Appropriations and Senate Finance Committees;

18 4) proper accounting between fund sources 0100 and 0300 in higher education institutions;

19 5) transfers specifically authorized elsewhere in this act or as specified in the Code of Virginia;

20 6) to supplement capital projects in order to realize efficiencies or provide for cost overruns unrelated to changes in size or scope; or

21 7) to administer a program for another agency or to effect budgeted program purposes approved by the General Assembly, pursuant
22 to a signed agreement between the respective agencies.

23 b. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority within an agency to
24 effect proper accounting between fund sources and to effect program purposes approved by the General Assembly, unless
25 specifically provided otherwise in this act or as specified in the Code of Virginia. However, appropriation authority for local aid
26 programs and aid to individuals, with the exception of student financial aid, shall not be transferred elsewhere without advance
27 notice to the Chairmen of the House Appropriations and Senate Finance Committees. Further, any transfers between capital projects
28 shall be made only to realize efficiencies or provide for cost overruns unrelated to changes in size or scope.

29 c.1. In addition to authority granted elsewhere in this act, the Director, Department of Planning and Budget, may transfer operating
30 appropriations authority among sub-agencies within the Judicial System, the Department of Corrections, and the Department of
31 Behavioral Health and Developmental Services to effect changes in operating expense requirements which may occur during the
32 biennium.

33 2. The Director, Department of Planning and Budget, may transfer appropriations from the Department of Behavioral Health and
34 Developmental Services to the Department of Medical Assistance Services, consisting of the general fund amounts required to
35 match federal funds for reimbursement of services provided by its institutions and Community Services Boards.

36 3. The Director, Department of Planning and Budget, may transfer appropriations from the Office of Comprehensive Services to the
37 Department of Medical Assistance Services, consisting of the general fund amounts required to match federal funds for
38 reimbursement of services provided to eligible children.

39 4. The Director, Department of Planning and Budget, may transfer an appropriation or portion thereof within a state or other agency,
40 or from one such agency to another, to support changes in agency organization, program or responsibility enacted by the General
41 Assembly to be effective during the current biennium.

42 5. The Director, Department of Planning and Budget, may transfer appropriations from the second year to the first year, with said
43 transfer to be reported in writing to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar
44 days of the transfer, when the expenditure of such funds is required to:

45 a) address a threat to life, safety, health or property, or

46 b) provide for unbudgeted cost increases for statutorily required services or federally mandated services, in order to continue those
47 services at the present level, or

- 1 c) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred
2 during a situation deemed threatening to life, safety, health, or property, or
- 3 d) provide for payments to the beneficiaries of certain public safety officers killed in the line of duty, as authorized in Title 2.2,
4 Chapter 4, Code of Virginia and for payments to the beneficiaries of certain members of the National Guard and United States
5 military reserves killed in action in any armed conflict on or after October 7, 2001, as authorized in § 44-93.1 B., Code of
6 Virginia, or
- 7 e) continue a program at the present level of service or at an increased level of service when required to address unanticipated
8 increases in workload such as enrollment, caseload or like factors, or unanticipated costs, or
- 9 f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided
10 that any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.
- 11 6. An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed
12 specifically for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized
13 budgeting and accounting systems.
- 14 7. The Director, Department of Planning and Budget, may transfer from any other agency, appropriations to supplement any
15 project of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such
16 capital project shall be transferred to the state agency designated as the managing agency for the Virginia Public Building
17 Authority.
- 18 8. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of
19 Virginia (§ 15.2-4100 et seq.) or the consolidation of a city and a county into a single city pursuant to the provisions of Chapter
20 35 of Title 15.2, Code of Virginia (§ 15.2-3500 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern
21 distributions from state agencies to the county in which the town is situated or to the consolidated city, and the Director,
22 Department of Planning and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from
23 one such agency to another, if necessary to fulfill the requirements of § 15.2-1302.

24 § 4-1.04 APPROPRIATION INCREASES

25 a. UNAPPROPRIATED NONGENERAL FUNDS:

26 1. Sale of Surplus Materials:

27 The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by
28 the amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

29 2. Insurance Recovery:

30 The Director, Department of Planning and Budget, shall increase the appropriation authority for any state agency by the amount
31 of the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be
32 necessary, to pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

33 3. Gifts, Grants and Other Nongeneral Funds:

34 a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director,
35 Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of
36 the proceeds of donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations
37 during a fiscal year. Such appropriations shall be increased only when the expenditure of moneys is authorized elsewhere in
38 this act or is required to:

39 1) address a threat to life, safety, health or property or

40 2) provide for unbudgeted increases in costs for services required by statute or services mandated by the federal government, in
41 order to continue those services at the present level or implement compensation adjustments approved by the General
42 Assembly, or

43 3) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred
44 during a situation deemed threatening to life, safety, health, or property, or

45 4) continue a program at the present level of service or at an increased level of service when required to address unanticipated
46 increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which
47 will benefit the state's economy, or

48 5) participate in a federal or sponsored program provided that the provisions of § 4-5.03 shall also apply to increases in
49 appropriations for additional gifts, grants, and other nongeneral fund revenue which require a general fund match as a condition

- 1 of their acceptance; or
- 2 6) realize cost savings in excess of the additional funds provided, or
- 3 7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or
- 4 8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 m of this act, or
- 5 9) address caseload or workload changes in programs approved by the General Assembly.
- 6 b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.
- 7 c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations,
- 8 gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and verify their
- 9 accuracy, as part of the budget planning and review process.
- 10 d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director,
- 11 Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which
- 12 it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§
- 13 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services, of this act.
- 14 e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts,
- 15 Grants, and Contracts of this act.
- 16 4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of the
- 17 fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director, Department of
- 18 Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues deposited to the Virginia
- 19 Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly specifically authorizes an alternate
- 20 use. With regard to the appropriation of other nongeneral fund cash balances, the Director shall make a listing of such transactions
- 21 available to the public via electronic means no less than ten business days following the approval of the appropriation of any such
- 22 balance.
- 23 5. Reporting:
- 24 The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in unappropriated
- 25 nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.
- 26 b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS
- 27 The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the purchase
- 28 of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of any annual
- 29 amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of the General
- 30 Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund appropriations for the
- 31 Department of Corrections.
- 32 § 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS
- 33 a. GENERAL FUND OPERATING EXPENSE:
- 34 1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of the first
- 35 year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of Virginia, where
- 36 necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable, in the determination
- 37 of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial incentives to reduce
- 38 spending to effect current or future cost savings. With the exception of the unexpended general fund appropriations of agencies in
- 39 the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of higher education, all other such
- 40 unexpended general fund appropriations unexpended on the last day of the previous biennium or the last day of the first year of the
- 41 current biennium shall revert to the general fund.
- 42 General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent Agencies
- 43 shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund appropriations
- 44 shall also be reappropriated for institutions of higher education, subject to § 2.2-5005, Code of Virginia.
- 45 2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate
- 46 Finance and House Appropriations Committees on the reappropriated amounts for each state agency in the Executive Department.
- 47 He shall provide a preliminary report of reappropriation actions on or before November 1 and a final report on or before December
- 48 20 to the Chairmen of the House Appropriations and Senate Finance Committees.
- 49 b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover nonrecurring

1 costs.

2 3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with
3 management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having
4 jurisdiction over the agency or institution, acting jointly.

5 4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain
6 unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be
7 reappropriated by language in the Appropriation Act.

8 5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House
9 Appropriations and Senate Finance Committees showing the amount reverted for each agency and the total amount of such
10 reversions.

11 b. NONGENERAL FUND OPERATING EXPENSE:

12 Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a
13 period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general
14 fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred,
15 the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General
16 Assembly. This provision does not apply to funds held in trust by the Commonwealth.

17 c. CAPITAL PROJECTS:

18 1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert
19 to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding
20 appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for
21 completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the
22 unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not
23 needed to complete the project.

24 2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall
25 revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director,
26 Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with
27 the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State
28 Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source
29 from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or
30 reappropriation of said nongeneral funds.

31 3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he
32 shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for
33 which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he
34 may likewise restore any portion of such amount under the same conditions.

35 § 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

36 a. LIMITED CONTINUATION OF APPROPRIATIONS.

37 Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last
38 day of the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be
39 necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of
40 business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of
41 the last day of the previous biennium, against such unexpended balances.

42 b. LIMITATIONS ON CASH DISBURSEMENTS.

43 Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth
44 for each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter
45 budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an
46 emergency arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30,
47 the State Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn
48 against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the
49 general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in
50 accordance with bond documents, trust indentures, and/or escrow agreements.

51 § 4-1.07 ALLOTMENTS

1 Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-
2 1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget, shall
3 prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations
4 for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the
5 Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the
6 Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

7 § 4-2.00 REVENUES

8 § 4-2.01 NONGENERAL FUND REVENUES

9 a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

10 1. No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except
11 under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds, except that
12 donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less than \$5,000, such as
13 library items or small display items, may be approved by the Executive Director of the Virginia War Memorial in consultation with
14 the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the Virginia War Memorial Foundation
15 must receive written approval from the Secretary of Veterans Affairs and Homeland Security.

16 2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary
17 donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and
18 § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of
19 institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately
20 incorporated foundation or corporation.

21 3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a
22 lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the lease purchase
23 agreement, provided that the lessor is the Virginia College Building Authority.

24 4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-
25 4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.

26 b. HIGHER EDUCATION TUITION AND FEES

27 1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly,
28 and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of higher education,
29 including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802,
30 Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this
31 act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments
32 and gifts.

33 2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels
34 they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates, provided that the
35 total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for
36 educational and general programs provided in this act.

37 b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they
38 deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided that: i) the
39 tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at least 100
40 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and periodically amended, by
41 the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue generated by the collection of tuition
42 and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

43 c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher
44 Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual
45 tuition and fee increases for nonresident students that would discourage their enrollment.

46 d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion of
47 nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent. Norfolk State
48 University, Virginia Military Institute, Virginia State University, and two-year public institutions are exempt from this restriction.

49 3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education, the
50 General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding of the
51 base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th
52 percentile of peer institutions, and other priorities set forth in this act.

- 1 b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to
 2 cover at least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced
 3 in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and
 4 other priorities set forth in this act.
- 5 4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as
 6 well as the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities
 7 to citizens of Virginia is served, while recognizing the material contributions provided by the presence of nonresident students.
 8 The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student
 9 enrollments and the domiciliary status of students.
- 10 b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House
 11 Appropriations and Senate Finance Committees no later than August 1 of each year the annual change in total charges for
 12 tuition and all required fees approved and allotted by the Board of Visitors. As it deems appropriate, the State Council of
 13 Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges assessed
 14 students for tuition and required fees at institutions outside of the Commonwealth.
- 15 c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003
 16 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources
 17 at the institutions of higher education.
- 18 d) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
 19 Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, each institution shall work with the State Council of
 20 Higher Education for Virginia and the Virginia College Savings Plan to determine appropriate tuition and fee estimates for
 21 tuition savings plans.
- 22 5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its
 23 educational and general program closely approximate the anticipated annual budget each fiscal year.
- 24 6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants
 25 and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition
 26 and fees.
- 27 7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education
 28 includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the
 29 construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the
 30 Commonwealth of Virginia Educational Facilities Bond Act of 2002.
- 31 8. a) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
 32 Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, mandatory fees for purposes other than educational and
 33 general programs shall not be increased for Virginia undergraduates beyond five percent annually, excluding requirements for
 34 wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that
 35 respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the
 36 amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the
 37 institution of higher education at least 30 days prior to the effective date of the fee increase.
- 38 b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the
 39 General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the
 40 General Assembly.
- 41 c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia
 42 Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case
 43 basis, subject to approval by the State Board for Community Colleges.
- 44 9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the
 45 Code of Virginia must absorb the cost of any discretionary waivers.
- 46 10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional
 47 Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to
 48 those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.
- 49 c. HIGHER EDUCATION PLANNED EXCESS REVENUES:
- 50 An institution of higher education, except for those public institutions governed by Chapters 933 and 943 of the 2006 Acts of
 51 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, may
 52 generate and retain tuition and fee revenues in excess of those provided in § 4-2.01 b Higher Education Tuition and Fees,

- 5 4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of Accounts and
- 6 shall not revert to the surplus of the general fund at the end of the biennium.
- 7 5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-1.04
- 8 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

38 b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

39 c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required by
40 statute or those required by federal mandate or will produce a threat to life, safety, health or property.

41 d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this
42 act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees within five
43 calendar days of deficit approval.

44 3. Deficits shall not be authorized for capital projects.

45 4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital
46 nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia Transportation

1 Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have sufficient cash
 2 allocated to each such project to cover projected costs in each year of the Program; and provided that c) sufficient revenues are
 3 projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the
 4 General Assembly in the biennial budget.

5 b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an
 6 unauthorized deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further,

 8 appropriation hereafter to meet such unauthorized deficit. Further, those members of the governing board of any such agency
 9 who shall have voted therefor, or its head if there be no governing board, making any such excess obligation or expenditure
 10 shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be

 12 make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed to set out
 13 such unauthorized deficits in the next biennium budget. In addition, the Governor is directed to bring this provision of this act
 14 to the attention of the members of the governing board of each state agency, or its head if there be no governing board, within
 15 two weeks of the date that this act becomes effective. The governing board or the agency head shall execute and return to the
 16 Governor a signed acknowledgment of such notification.

17 c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section

 28 Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to
 29 eliminate the deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a
 30 deficit under the provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized
 31 amount on such terms and from such sources as may be approved by the Governor. At the close of business on the last day of
 32 the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is
 33 contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next
 34 biennial budget all such loans which require an appropriation for repayment. A copy of the approved plan to eliminate the

11 Senate Finance Committees of the action of the Treasury Board as it regards this subdivision within five calendar days of its
12 action.

13 c. REPORTS: Not later than December 20 of each year, the Secretary of Finance and the Secretary of Administration shall
14 jointly be responsible for providing the Chairmen of the House Appropriations and Senate Finance Committees with
15 recommendations involving proposed capital lease agreements.

16 d. This section shall not apply to capital leases that are funded entirely with nongeneral fund revenues and are entered into by
17 public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly. Furthermore, the
18 Department of General Services is authorized to enter into capital leases for executive branch agencies provided that the
19 resulting capital lease is funded entirely with nongeneral funds, is approved based on the requirements of § 4-3.03 b.1 and 2
20 above, and would not be considered tax supported debt of the Commonwealth.

21 § 4-4.00 CAPITAL PROJECTS

22 § 4-4.01 GENERAL

23 a. Definition:

24 1. Unless defined otherwise, when used in this section, "capital project" or "project" means acquisition of property and new
25 construction and improvements related to state-owned property, plant or equipment (including plans therefor), as the terms
26 "acquisition", "new construction", and "improvements" are defined in the instructions for the preparation of the Executive
27 Budget. "Capital project" or "project" shall also mean any improvements to property leased for use by a state agency, and not
28 owned by the state, when such improvements are financed by public funds, except as hereinafter provided in subdivisions 3 and
29 4 of this subsection.

30 2. The provisions of this section are applicable equally to acquisition of property and plant by purchase, gift, or any other
31 means, including the acquisition of property through a lease/purchase contract, regardless of the method of financing or the
32 source of funds. Acquisition of property by lease shall be subject to § 4-3.03 of this act.

33 3. The provisions of this section shall not apply to property or equipment acquired by lease or improvements to leased property
34 and equipment when the improvements are provided by the lessor pursuant to the terms of the lease and upon expiration of the
35 lease remain the property of the lessor.

36 4. The provisions of this section shall not apply to property leased by state agencies for the purposes described in §§ 2.2-1151 C
37 and 33.2-1010, Code of Virginia.

38 b. Notwithstanding any other provisions of law, requests for appropriations for capital projects shall be subject to the following:

39 1. The agency shall submit a capital project proposal for all requested capital projects. Such proposals shall be submitted to the
40 Director, Department of Planning and Budget, for review and approval in accordance with guidelines prescribed by the
41 director. Projects shall be developed to meet agency functional and space requirements within a cost range comparable to
42 similar public and private sector projects.

43 2. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594
44 and 616 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, financings for capital projects
45 shall comply, where applicable, with the Treasury Board Guidelines issued pursuant to § 2.2-2416, Code of Virginia, and any
46 subsequent amendments thereto.

47 3. As part of any request for appropriations for an armory, the Department of Military Affairs shall obtain a written
48 commitment from the host locality to share in the operating expense of the armory.

49 c. Each agency head shall provide annually to the Director, Department of Planning and Budget, a report on the use of the
50 maintenance reserve appropriation of the agency in Part 2 of this act. In the use of its maintenance reserve appropriation, an

1 agency shall give first priority to the repair or replacement of roof on buildings under control of the agency. The agency head shall
 2 certify in the agency's annual maintenance reserve report that to the best of his or her knowledge, all necessary roof repairs have
 3 been accomplished or are in the process of being accomplished. Such roof repairs and replacements shall be in accord with the
 4 technical requirements of the Commonwealth's Construction and Professional Services Manual.

5 d. The Department of Planning and Budget shall review its approach to capital outlay planning and budgeting from time to time and
 6 make available via electronic means a report of any proposed change to the Chairmen of the House Appropriations and Senate
 7 Finance Committees and the public prior to its implementation. Such report shall include an analysis of the impact of the suggested
 8 change on affected agencies and institutions.

9 e. Nothing in §§ 2-0 and 4-4.00 of this act shall be deemed to override the provisions of §§ 2.2-1132 and 62.1-132.6, Code of
 10 Virginia, amended by Chapter 488, 1997 Acts of Assembly, relating to Virginia Port Authority capital projects and procurement
 11 activities.

12 f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph m,
 13 all capital projects to be undertaken by agencies of the Commonwealth, including institutions of higher education, shall be pursuant
 14 to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § 2.2-1515, et seq.,
 15 Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:

- 16 1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and
- 17 2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in cost or
 18 otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing facilities.
- 19 3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 m hereof, or projects included under the central
 20 appropriations for capital project expenses in this act.

21 g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to this
 22 act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or is
 23 considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need for
 24 other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and specifications
 25 for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for the purposes
 26 intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or construction of such
 27 project can and will be obtained at reasonable cost; and (4) to determine whether or not the project conforms to a site or master plan
 28 approved by the agency head or board of visitors of an institution of higher education for a program approved by the General
 29 Assembly.

30 h. Initiation Generally:

31 1. No architectural or engineering planning for, or construction of, or purchase of any capital project shall be commenced or revised
 32 without the prior written approval of the Governor or his designee.

33 2. The requirements of § 10.1-1190, Code of Virginia, shall be met prior to the release of funds for a major state project, provided,
 34 however, that the Governor or his designee is authorized to release from any appropriation for a major state project made pursuant to
 35 this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report required by § 10.1-
 36 1188, Code of Virginia.

37 3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made
 38 pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects and
 39 engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed the
 40 appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the preliminary
 41 design for any such project may be based on such estimated costs as may be approved by the Governor in writing, where it is shown
 42 to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen conditions, have made the
 43 appropriation inadequate for the completion of the project for which the appropriation was made, and where in the judgment of the
 44 Governor such changed conditions justify the payment of architectural or engineering fees based on costs exceeding the
 45 appropriation.

46 4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or
 47 activity.

48 i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii) 9(d)
 49 obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall be
 50 reviewed as follows:

- 51 1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general
 52 obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in accordance
 53 with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial feasibility studies to

- 1 the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution, the Chairmen of the
 2 House Appropriations and Senate Finance Committees, and the Director, State Council of Higher Education for Virginia, if the
 3 project is requested by an institution of higher education.
- 4 2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State
 5 Council of Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues
 6 or revenues of the institution. The State Council of Higher Education for Virginia shall identify the impact of all projects
 7 requested by the institutions of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost
 8 to students in institutions of higher education and the impact of the project on the institution's need for student financial
 9 assistance. The State Council of Higher Education for Virginia shall report such information to the Secretary of Finance and the
 10 Chairmen of the House Appropriations and Senate Finance Committees no later than October 1 of each year.
- 11 3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of
 12 financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed
 13 by the State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9
 14 (c), of the Constitution of Virginia.
- 15 j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-
 16 1.04 a.3, and 4-4.01 m of this act.
- 17 k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any
 18 capital project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond
 19 the plans and justification which were the basis for the appropriation or reappropriation in this act or for the Governor's
 20 authorization pursuant to § 4-4.01 m of this act. However, this prohibition is not applicable to changes in size and scope
 21 required because of circumstances determined by the Governor to be an emergency, or requirements imposed by the federal
 22 government when such capital project is for armories or other defense-related installations and is funded in whole or in part by
 23 federal funds. Furthermore, this prohibition shall not apply to minor increases, beyond five percent, in square footage
 24 determined by the Director, Department of General Services, to be reasonable and appropriate based on a written justification
 25 submitted by the agency stating the reason for the increase, with the provision that such increase will not increase the cost of
 26 the project beyond the amount appropriated; nor to decreases in size beyond five percent to offset unbudgeted costs when such
 27 costs are determined by the Director, Department of Planning and Budget, to be reasonable based on a written justification
 28 submitted by the agency specifying the amount and nature of the unbudgeted costs and the types of actions that will be taken to
 29 decrease the size of the project. The written justification shall also include a certification, signed by the agency head, that the
 30 resulting project will be consistent with the original programmatic intent of the appropriations.
- 31 2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved
 32 by the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.
- 33 l. Projects Not Included In This Act:
- 34 1. Authorization by Governor:
- 35 a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not
 36 specifically included in this act or provided for a program approved by the General Assembly through appropriations, under
 37 one or more of the following conditions:
- 38 1) The project is required to meet an emergency situation.
- 39 2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be
 40 fully funded by revenues of auxiliary enterprises or sponsored programs.
- 41 3) The project is to be operated as an educational and general program in an institution of higher education and will be fully
 42 funded by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.
- 43 4) The project consists of plant or property which has become available or has been received as a gift.
- 44 5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission
 45 or the Virginia Tobacco Settlement Foundation.
- 46 b) The foregoing conditions are subject to the following criteria:
- 47 1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03)
 48 without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.
- 49 2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.
- 50 3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated

- 1 operating costs, and the fund sources for the project and its operating costs.
- 2 4) The Chairmen of the House Appropriations and Senate Finance Committees shall be notified by the Governor prior to the
3 authorization of any capital project under the provisions of this subsection.
- 4 5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.
- 5 2. Authorization by Director, Department of Planning and Budget:
- 6 a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the
7 General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia College
8 Building Authority, or from reserves created by refunding of bonds issued by those Authorities.
- 9 3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:
- 10 a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the
11 eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative
12 autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated
13 authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for
14 emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project that is
15 not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in § 4-4.01 m
16 1 of this act.
- 17 b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and
18 Chairmen of the House Appropriations and Senate Finance Committees and must provide a life-cycle budget analysis of the project.
19 Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.
- 20 c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine
21 maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher education
22 in accordance with this provision.
- 23 m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject to the
24 following policies:
- 25 1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for
26 acquisition, construction, maintenance, operation, and repairs.
- 27 2. Expenditures for land acquisition, site preparation beyond five feet from a building, and the construction of additional outdoor
28 lighting, sidewalks, outdoor athletic and recreational facilities, and parking lots in the Virginia Community College System shall be
29 made only from appropriated federal funds, Trust and Agency funds, including local government allocations or appropriations, or
30 the proceeds of indebtedness authorized by the General Assembly.
- 31 3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all colleges
32 and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking facilities.
- 33 4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting, sidewalks,
34 and other infrastructure facilities may be made from any appropriated funds.
- 35 5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and
36 outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing on a
37 community college campus as of July 1, 1988.
- 38 6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative authority
39 as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of Assembly, any
40 repair, renovation, or new construction project costing up to \$2,000,000 shall be exempt from the capital outlay review and approval
41 process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which in combination would
42 exceed the \$2,000,000 maximum.
- 43 2. All institutions of higher education shall be exempt from the capital review and approval process for repair, renovation, or new
44 construction projects costing up to \$2,000,000.
- 45 b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing up to
46 \$2,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid award made
47 after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide exemptions to the
48 threshold.
- 49 7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as a
50 priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant"

- 1 subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and
 2 Budget, or his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House
 3 Appropriations and Senate Finance Committees.
- 4 n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which
 5 require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such
 6 appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the
 7 opinion of the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his
 8 judgment may be necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in
 9 accordance with § 4-8.00, Reporting Requirements.
- 10 o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project
 11 beyond that anticipated when the project was initially approved by the General Assembly except to comply with requirements
 12 imposed by the federal government when such capital project is for armories or other defense-related installations and is funded
 13 in whole or in part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not
 14 be reallocated to expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall
 15 not apply to transfers from projects for which reappropriations have been authorized.
- 16 p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as
 17 owner or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.
- 18 q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-
 19 owned properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not
 20 be adversely affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to
 21 submit all plans for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the
 22 appearance of the structure, landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed
 23 within thirty days and the comments of that department shall be submitted to the Governor through the Department of General
 24 Services for use in making a final determination.
- 25 r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the
 26 Commonwealth to the educational or real estate foundation of any institution of higher education where he finds that such
 27 property was acquired with local or private funds or by gift or grant to or for the use of the institution, and not with funds
 28 appropriated to the institution by the General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of
 29 Virginia, and any other statute concerning conveyance, transfer or sale of state property. If the foundation conveys any interest
 30 in the property or any improvements thereon, such conveyance shall likewise be exempt from compliance with any statute
 31 concerning disposition of state property. Any income or proceeds from the conveyance of any interest in the property shall be
 32 deemed to be local or private funds and may be used by the foundation for any foundation purpose.
- 33 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
 34 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and
 35 Chapters 675 and 685 of the 2009 Acts of Assembly.
- 36 s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-
 37 owned property controlled by an institution of higher education, where the lease has been entered into consistent with the
 38 provisions of § 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting
 39 procedures of Executive agencies as may reasonably be required to promote the property improvement goals for which the
 40 lease agreement was developed.
- 41 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
 42 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and
 43 Chapters 675 and 685 of the 2009 Acts of Assembly.
- 44 t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as
 45 follows:
- 46 1. Such improvements shall be considered an operating expense, provided that:
- 47 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of
 48 Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-
 49 1989 and is limited to measures listed in guidelines issued by the Department of General Services;
- 50 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board
 51 approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General
 52 Services;
- 53 c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

- 1 d) the total cost does not exceed \$3,000,000; and
- 2 e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost of
3 the project, including debt service and interest payments.
- 4 2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed
5 \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and
6 interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the following
7 conditions must be met:
- 8 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating,
9 Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is
10 limited to measures listed in guidelines issued by the Department of General Services;
- 11 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval
12 and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;
- 13 c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;
- 14 d) the project has been reviewed by the Department of Planning and Budget; and
- 15 e) the project has been approved by the Governor.
- 16 3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of Planning
17 and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.
- 18 The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy
19 conservation projects that qualify as capital expenses.
- 20 4. As used in this paragraph, "improvement" does not include (a) constructing, enlarging, altering, repairing or demolishing a
21 building or structure, (b) changing the use of a building either within the same use group or to a different use group when the new
22 use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or disturbing
23 any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures. If the projected
24 scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay process as set out in this
25 section.
- 26 5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate Finance
27 Committees upon the initiation of any energy-efficiency projects under the provisions of this paragraph.
- 28 u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional facility or
29 for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves acquisition or new
30 construction of youth or adult correctional facilities on real property which was not owned by the Commonwealth on January 1,
31 1995, until the governing body of the county, city or town wherein the project is to be located has adopted a resolution supporting
32 the location of such project within the boundaries of the affected jurisdiction. The foregoing does not prohibit expenditures for site
33 studies, real estate options, correctional facility design and related expenditures.
- 34 v. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and
35 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, any alternative financing agreement
36 entered into between a state agency or institution of higher education and a private entity or affiliated foundation must be reviewed
37 and approved by the Treasury Board.
- 38 w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost study to
39 determine whether an alternative financing arrangement or public-private transaction would provide a more effective option for the
40 construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as part of the budget
41 development process and shall be evaluated by the Governor prior to submitting his proposed budget.
- 42 x. Construction or improvement projects of the Department of Military Affairs are not exempt from the capital outlay review process
43 when the state procurement process is utilized, except for those projects with both an estimated cost of \$3,000,000 or less and are
44 100 percent federally reimbursed. The Department of Military Affairs shall submit by July 30 of each year to the Department of
45 Planning and Budget a list of such projects that were funded pursuant to this exemption in the previous fiscal year and any projects
46 that would be eligible for such funding in future fiscal years.
- 47 y. While the competitive sealed bid process is the preferred method of construction procurement for public bodies, institutions of
48 higher education and state agencies considering the use of Design Build or Construction Management procurement methods for
49 capital projects shall proceed as follows:
- 50 1. Institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594, 616, 824 and

1 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under a memorandum of
2 understanding pursuant to § 23.1-1003, and those operating under a pilot program under § 4-9.02 shall:

3 a) Develop a process for determining the selected procurement method which, at a minimum, must consider cost, schedule,
4 complexity, and building use;

5 b) Submit the process for determining the procurement method to the Department of General Services for review and
6 recommendations;

7 c) Submit for approval, the process for determining the procurement method with the Department of General Services
8 recommendations, to the Board of Visitors.

9 2. All other institutions of higher education and state agencies shall submit procurement method requests to the Director,
10 Department of General Services for review and approval.

11 3. Processes for considering Construction Management procurement method shall include, among other processes as
12 determined by the owning institution of higher education or state agency, the following requirements:

13 a) Cost and project timeline are critical components of the selection process;

14 b) Construction Management contract will be initiated no later than the Schematic Phase of design unless prohibited by
15 authorization of funding restrictions; and,

16 c) A written justification that sealed bidding is not practicable and/or fiscally advantageous and such written justification shall
17 be stated in the Request for Qualifications used to procure the Construction Management services.

18 4. All state entities, including institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of
19 Assembly, Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly,
20 operating under a memorandum of understanding pursuant to § 23.1-1003, and those operating under a pilot program under § 4-
21 9.02 shall report annually, on November 1st of each year, to the Director, Department of General Services on completed capital
22 projects, beginning with those authorized for construction under Chapter 665 of the 2015 Virginia Acts of Assembly, to include
23 at a minimum procurement method, project budget, actual project costs, expected timeline, actual completion time and any
24 post-project issues. The Department of General Services shall consolidate received report data and submit the consolidated data
25 to the Governor and Chairmen of the House Appropriations and Senate Finance Committees no later than December 1st of each
26 year.

27 5. The Auditor of Public Accounts shall, as part of its annual audit plan, determine that institutions of higher education
28 governed under Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594, 616, 824 and 829 of the 2008 Acts of
29 Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under a memorandum of understanding pursuant to §
30 23.1-1003 and those operating under a pilot program under §4-9.02 complied with their internal review process in the selection
31 of procurement method.

32 6. All state entities, including institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of
33 Assembly, Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly,
34 operating under a memorandum of understanding pursuant to § 23.1-1003 and those operating under a pilot program under § 4-
35 9.02 shall post approved capital projects, beginning with those authorized for construction under Chapter 665 of the 2015
36 Virginia Acts of Assembly, and approved procurement methods and advertise for project delivery services no less than 30 days
37 publicly on the Commonwealth's statewide electronic procurement system and program, eVA.

38 § 4-4.02 PLANNING AND BUDGETING

39 a. It shall be the intent of the General Assembly to make biennial appropriations for a capital improvements program sufficient
40 to address the program needs of the Commonwealth. The capital improvements program shall include maintenance and
41 deferred maintenance of the Commonwealth's existing facilities, and of the facility requirements necessary to deliver the
42 programs of state agencies and institutions.

43 b. In effecting these policies, the Governor shall establish a capital budget plan to address the renewal and replacement of the
44 Commonwealth's physical plant, using such guidelines as recommended by industry or government to maintain the
45 Commonwealth's investment in its property and plant.

46 § 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES

47 § 4-5.01 TRANSACTIONS WITH INDIVIDUALS

48 a. SETTLEMENT OF CLAIMS: Whenever a dispute, claim or controversy involving the interest of the Commonwealth is
49 settled pursuant to § 2.2-514, Code of Virginia, payment may be made out of any appropriations, designated by the Governor,
50 to the state agency(ies) which is (are) party to the settlement.

1 b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:

2 1. General:

3 a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance may
 4 be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at least one-
 5 half time in a degree, certificate, industry-based certification and related programs that do not qualify for other sources of student
 6 financial assistance or diploma program; grants to full-time graduate students; graduate assistantships; grants to students enrolled
 7 full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these appropriations for the
 8 purpose of supporting work study programs. The institution is required to transfer to educational and general appropriations all funds
 9 used for work study or to pay graduate assistantships. Institutions may also contribute to federal or private student grant aid
 10 programs requiring matching funds by the institution, except for programs requiring work. The State Council of Higher Education
 11 for Virginia shall annually review each institution's plan for the expenditures of its general fund appropriation for undergraduate
 12 student financial assistance prior to the start of the fall term to determine program compliance. The institution's plan shall include the
 13 institution's assumptions and calculations for determining the cost of attendance, student financial need, and student remaining need
 14 as well as an award schedule or description of how funds are awarded. For the purposes of the proposed plan, each community
 15 college shall be considered independently. No limitations shall be placed on the awarding of nongeneral fund appropriations made in
 16 this act to state institutions of higher education within the Items for student financial assistance other than those found previously in
 17 this paragraph and as follows: (i) funds derived from in-state student tuition will not subsidize out-of-state students, (ii) students
 18 receiving these funds must be making satisfactory academic progress, (iii) awards made to students should be based primarily on
 19 financial need, and (iv) institutions should make larger grant and scholarship awards to students taking the number of credit hours
 20 necessary to complete a degree in a timely manner.

21 b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset all, or
 22 portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1) hereof, the cost of
 23 books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to the remaining need of
 24 individual students, with students with higher levels of remaining need receiving grants before other students. No criteria other than
 25 the need of the student shall be used to determine the award amount. Because of the low cost of attendance and recognizing that
 26 federal grants provide a much higher portion of cost than at other institutions, a modified approach and minimum award amount for
 27 the neediest VGAP student should be implemented for community college and Richard Bland College students based on remaining
 28 need and the combination of federal and grant state aid. Student financial need shall be determined by a need-analysis system
 29 approved by the Council.

30 c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the
 31 Council.

32 2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly, each
 33 institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate student aid and
 34 graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

35 d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the
 36 award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the percentage
 37 used for federal Return to Title IV program purposes.

38 e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according to the
 39 size of comparable awards made in that institution's regular session.

40 f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the soil
 41 scientist scholarships authorized under § 23.1-615, Code of Virginia and (2) need-based financial aid programs for industry-based
 42 certification and related programs that do not qualify for other sources of student financial assistance, which will be subject to
 43 guidelines developed by the State Council of Higher Education for Virginia.

44 g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.

45 h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional
 46 baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.

47 2. Grants To Undergraduate Students:

48 a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend such
 49 sums as approved for that purpose by the Council.

50 b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the institution
 51 making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes of eligibility
 52 under Title IV of the federal Higher Education Act, as amended.

53 c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP)

1 authorized in Title 23.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution
 2 with equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this
 3 act (service area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other
 4 students with equivalent remaining need.

5 2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required
 6 fees and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the
 7 VGAP award will be determined by the proportionate award schedule adopted by each institution; however, those students with
 8 the greatest financial need shall be guaranteed an award at least equal to tuition.

9 3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially
 10 needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic
 11 performance and to consider higher education an achievable objective in their futures.

12 4) Students may not receive a VGAP and a Commonwealth grant in the same semester.

13 3. Grants To Graduate Students:

14 a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria
 15 determined by the institution making the award. The amount of an award shall be determined by the institution making the
 16 award; however, the Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in
 17 the appropriation.

18 b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at
 19 the institution making the award.

20 c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved
 21 as such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except
 22 in cases where the persons meet the criteria outlined in § 4-2.01b.6.

23 4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation
 24 for fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the
 25 federal government or private sources which requires the matching of the contribution by institutional funds, except for
 26 programs requiring work.

27 5. Discontinued Loan Program:

28 a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is
 29 discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional
 30 share was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the
 31 Department of Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the
 32 funds shall be used according to arrangements authorized by the Council and approved by the Department of Planning and
 33 Budget.

34 b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 23.1, Chapter 4.01,
 35 Code of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a
 36 nonrevertible nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact
 37 that the cash held by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be
 38 reestablished thereafter for that institution.

39 2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher
 40 Education Student Financial Assistance program according to arrangements authorized by the Council and approved by the
 41 Department of Planning and Budget.

42 3) Payments on principal and interest of any promissory notes held by the discontinued loan fund shall continue to be received
 43 by the institution, which shall deposit such payments in the state treasury to the nonrevertible nongeneral fund account
 44 specified in subdivision (1) preceding, to be used for grants as specified in subdivision (2) preceding.

45 6. Reporting: The Council shall collect student-specific information for undergraduate students as is necessary for the operation
 46 of the Student Financial Assistance Program. The Council shall maintain regulations governing the operation of the Student
 47 Financial Assistance Program based on the provisions outlined in this section, the Code of Virginia, and State Council policy.

48 C. PAYMENTS TO CITIZEN MEMBERS OF NONLEGISLATIVE BODIES:

49 Notwithstanding any other provision of law, executive branch agencies shall not pay compensation to citizen members of
 50 boards, commissions, authorities, councils, or other bodies from any fund for the performance of such members' duties in the
 51 work of the board, commission, authority, council, or other body.

1 d. VIRGINIA BIRTH-RELATED NEUROLOGICAL INJURY COMPENSATION PROGRAM

2 1. Notwithstanding any other provision of law, the Virginia Birth-Related Neurological Injury Compensation Program is authorized
 3 to require each admitted claimant's parent or legal guardian to purchase private health insurance (the "primary payer") to provide
 4 coverage for the actual medically necessary and reasonable expenses as described in Virginia Code § 38.2-5009(A)(1) that were, or are,
 5 incurred as a result of the admitted claimant's birth-related neurological injury and for the admitted claimant's benefit. Provided,
 6 however, that the Program shall reimburse, upon receipt of proof of payment, solely the portion of the premiums that is attributable to
 7 the admitted claimant's post-admission coverage from the effective date of this provision forward and paid for by the admitted
 8 claimant's parent or legal guardian.

9 2. The State Corporation Commission shall develop a report containing options and recommendations for improving the actuarial
 10 soundness of financing for the Virginia Birth-Related Neurological Injury Compensation Program. The report shall be presented to the
 11 Governor and Chairmen of the House Appropriations and Senate Finance Committees no later than November 1, 2017.

12 § 4-5.02 THIRD PARTY TRANSACTIONS

13 a. EMPLOYMENT OF ATTORNEYS:

14 1.a) All attorneys authorized by this act to be employed by any state agency and all attorneys compensated out of any moneys
 15 appropriated in this session of the General Assembly shall be appointed by the Attorney General and be in all respects subject to the
 16 provisions of Title 2.2, Chapter 5, Code of Virginia, to the extent not to conflict with Title 12.1, Chapter 4, Code of Virginia;
 17 provided, however, that if the Governor certifies the need for independent legal counsel for any Executive Department agency, such
 18 agency shall be free to act independently of the Office of the Attorney General in regard to selection, and provided, further, that
 19 compensation of such independent legal counsel shall be paid from the moneys appropriated to such Executive Department agency
 20 or from the moneys appropriated to the Office of the Attorney General.

21 b) For purposes of this act, "attorney" shall be defined as an employee or contractor who represents an agency before a court, board
 22 or agency of the Commonwealth of Virginia or political subdivision thereof. This term shall not include members of the bar
 23 employed by an agency who perform in a capacity that does not require a license to practice law, including but not limited to,
 24 instructing, managing, supervising or performing normal or customary duties of that agency.

25 2. This section does not apply to attorneys employed by state agencies in the Legislative Department, Judicial Department or
 26 Independent Agencies.

27 3. Reporting on employment of attorneys shall be in accordance with § 4-8.00, Reporting Requirements.

28 4. Notwithstanding § 2.2-510.1 of the Code of Virginia and any other conflicting provision of law, the Virginia Retirement System
 29 may enter into agreements to seek i) recovery of investment losses in foreign jurisdictions, and ii) legal advice related to its
 30 investments. Any such agreements shall be reported to the Office of the Attorney General as soon as practicable.

31 b. STUDIES AND CONSULTATIVE SERVICES REQUIRED BY GENERAL ASSEMBLY: No expenditure for payments on
 32 third party nongovernmental contracts for studies or consultative services shall be made out of any appropriation to the General
 33 Assembly or to any study group created by the General Assembly, nor shall any such expenditure for third party nongovernmental
 34 contracts be made by any Executive Department agency in response to a legislative request for a study, without the prior approval of
 35 two of the following persons: the Chairman of the House Appropriations Committee; the Chairman of the Senate Finance
 36 Committee; the Speaker of the House of Delegates; the President pro tempore of the Senate. All such expenditures shall be made
 37 only in accordance with the terms of a written contract approved as to form by the Attorney General.

38 c. USE OF CONSULTING SERVICES: All state agencies and institutions of higher education shall make a determination of "return
 39 on investment" as part of the criteria for awarding contracts for consulting services.

40 d. DEBT COLLECTION SERVICES:

41 1. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Virginia Commonwealth University Health
 42 System Authority shall have the option to participate in the Office of the Attorney General's debt collection process. Should the
 43 Authority choose not to participate, the Authority shall have the authority to collect its accounts receivable by engaging private
 44 collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and discharge accounts
 45 receivable claims.

46 2. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the University of Virginia Medical Center shall
 47 have the authority to collect its accounts receivable by engaging private collection agents and attorneys to pursue collection actions,
 48 and to independently compromise, settle, and discharge accounts receivable claims, provided that the University of Virginia
 49 demonstrates to the Secretary of Finance that debt collection by an agent other than the Office of the Attorney General is anticipated
 50 to be more cost effective. Nothing in this paragraph is intended to limit the ability of the University of Virginia Medical Center from
 51 voluntarily contracting with the Office of the Attorney General's Division of Debt Collection in cases where the Center would
 52 benefit from the expertise of legal counsel and collection services offered by the Office of the Attorney General.

1 3. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Department of Taxation shall be
2 exempt from participating in the debt collection process of the Office of the Attorney General.

3 § 4-5.03 SERVICES AND CLIENTS

4 a. CHANGED COST FACTORS:

5 1. No state agency, or its governing body, shall alter factors (e.g., qualification level for receipt of payment or service) which
6 may increase the number of eligible recipients for its authorized services or payments, or alter factors which may increase the
7 unit cost of benefit payments within its authorized services, unless the General Assembly has made an appropriation for the
8 cost of such change.

9 2. Notwithstanding any other provision of law, the Department of Planning and Budget, with assistance from agencies that
10 operate internal service funds as requested, shall establish policies and procedures for annually reviewing and approving
11 internal service fund overhead surcharge rates and working capital reserves.

12 3. By September 1 each year, state agencies that operate an internal service fund, pursuant to §§ 2.2-803, 2.2-1101, and 2.2-
13 2013, Code of Virginia, that have an impact on agency expenditures, shall submit a report to the Department of Planning and
14 Budget and the Joint Legislative Audit and Review Commission to include all information as required by the Department of
15 Planning and Budget to conduct a thorough review of overhead surcharge rates, revenues, expenditures, full-time positions, and
16 working capital reserves for each internal service fund. The report shall include any proposed modifications in rates to be
17 charged by internal service funds for review and approval by the Department of Planning and Budget. In its review, the
18 Department of Planning and Budget shall determine whether the requested rate modifications are consistent with budget
19 assumptions. The format by which agencies submit the operating plan for each internal service fund shall be determined by the
20 Department of Planning and Budget with assistance from agencies that operate internal service funds as requested.

21 4. State agencies that operate internal service funds may not change a billable overhead surcharge rate to another state agency
22 unless the resulting change is provided in the final General Assembly enacted budget.

23 5. State agencies that operate more than one internal service fund shall comply with the review and approval requirements
24 detailed in this Item for each internal service fund.

25 6. As determined by the Director, Department of Planning and Budget, state agencies that operate select programs where an
26 agency provides a service to and bills other agencies shall be subject to the annual review of the agency's internal service funds
27 consistent with the provisions of this Item, unless such payment for services is pursuant to a memorandum of understanding
28 authorized by § 4-1.03 a. 7 of this act.

29 7. The Governor is authorized to change internal service fund overhead surcharge rates, including the creation of new rates,
30 beyond the rates enacted in the budget in the event of an emergency or to implement actions approved by the General
31 Assembly, upon prior notice to the Chairmen of the House Appropriations and Senate Finance Committees. Such prior notice
32 shall be no less than five days prior to enactment of a revised or new rate and shall include the basis of the rate change and the
33 impact on state agencies.

34 8. Notwithstanding any other provision of law, the Commonwealth's statewide electronic procurement system and program
35 known as eVA shall have all rates and working capital reserves reviewed and approved by the Department of Planning and
36 Budget consistent with the provisions of this Item.

37 9. State agencies that are partially or fully funded with nongeneral funds and are billed for services provided by another state
38 agency shall pay the nongeneral fund cost for the service from the agency's applicable nongeneral fund revenue source
39 consistent with an appropriation proration of such expenses.

40 b. NEW SERVICES:

41 1. No state agency shall begin any new service that will call for future additional property, plant or equipment or that will
42 require an increase in subsequent general or nongeneral fund operating expenses without first obtaining the authorization of the
43 General Assembly.

44 2. Pursuant to the policies and procedures of the State Council of Higher Education regarding approval of academic programs
45 and the concomitant enrollment, no state institution of higher education shall operate any academic program with funds in this
46 act unless approved by the Council and included in the Executive Budget, or approved by the General Assembly. The Council
47 may grant exemptions to this policy in exceptional circumstances.

48 3. a) The General Assembly is supportive of the increasing commitment by both Virginia Tech and the Carilion Clinic to the
49 success of the programs at the Virginia Tech/Carilion School of Medicine and the Virginia Tech/Carilion Research Institute,
50 and encourages these two institutions to pursue further developments in their partnership. Therefore, notwithstanding § 4-5.03
51 c. of the Appropriation Act, if through the efforts of these institutions to further strengthen the partnership, Virginia Tech
52 acquires the Virginia Tech Carilion School of Medicine during the current biennium, the General Assembly approves the

1 creation and establishment of the Virginia Tech/Carilion School of Medicine within the institution notwithstanding § 23.1-203 Code
 2 of Virginia. No additional funds are required to implement establishment of the Virginia Tech/Carilion School of Medicine within
 3 the institution.

4 b) Virginia Tech Carilion School of Medicine is hereby authorized to transfer funds to the Department of Medical Assistance
 5 Services to fully fund the state share for Medicaid supplemental payments to the teaching hospital affiliated with the Virginia Tech
 6 Carilion School of Medicine. These Medicaid supplemental fee-for-service and/or capitation payments to managed care
 7 organizations are for the purpose of securing access to Medicaid hospital services in Western Virginia. The funds to be transferred
 8 must comply with 42 CFR 433.51.

9 4. Reporting on all new services shall be in accordance with § 4-8.00, Reporting Requirements.

10 c. OFF-CAMPUS SITES OF INSTITUTIONS OF HIGHER EDUCATION:

11 No moneys appropriated by this act shall be used for off-campus sites unless as provided for in this section.

12 1. A public college or university seeking to create, establish, or operate an off-campus instructional site, funded directly or indirectly
 13 from the general fund or with revenue from tuition and mandatory educational and general fees generated from credit course
 14 offerings, shall first refer the matter to the State Council of Higher Education for Virginia for its consideration and approval. The
 15 State Council of Higher Education for Virginia may provide institutions with conditional approval to operate the site for up to one
 16 year, after which time the college or university must receive approval from the Governor and General Assembly, through legislation
 17 or appropriation, to continue operating the site.

18 2. For the colleges of the Virginia Community College System, the State Board for Community Colleges shall be responsible for
 19 approving off-campus locations. Sites governed by this requirement are those at any locations not contiguous to the main campus of
 20 the institution, including locations outside Virginia.

21 3. a) The provisions herein shall not apply to credit offerings on the site of a public or private entity if the offerings are supported
 22 entirely with private, local, or federal funds or revenue from tuition and mandatory educational and general fees generated entirely
 23 by course offerings at the site.

24 b) Offerings at previously approved off-campus locations shall also not be subject to these provisions.

25 c) Further, the provisions herein do not govern the establishment and operations of campus sites with a primary function of carrying
 26 out grant and contract research where direct and indirect costs from such research are covered through external funding sources.
 27 Such locations may offer limited graduate education as appropriate to support the research mission of the site.

28 d) Nothing herein shall prohibit an institution from offering non-credit continuing education programs at sites away from the main
 29 campus of a college or university.

30 4. The State Council of Higher Education shall establish guidelines to implement this provision.

31 d. PERFORMANCE MEASUREMENT

32 1. In accordance with § 2.2-1501, Code of Virginia, the Department of Planning and Budget shall develop a programmatic budget
 33 and accounting structure for all new programs and activities to ensure that it provides the appropriate financial and performance
 34 measures to determine if programs achieve desired results and outcomes. The Department of Accounts shall provide assistance as
 35 requested by the Department of Planning and Budget. The Department of Planning and Budget shall provide this information each
 36 year when the Governor submits the budget in accordance with § 2.2-1509, Code of Virginia, to the Chairmen of the House
 37 Appropriations, House Finance, and Senate Finance Committees.

38 2.a) Within thirty days of the enactment of this act, the Director, Department of Planning and Budget, shall make available via
 39 electronic means to the Chairmen of the House Appropriations and Senate Finance Committees and the public a list of the new
 40 initiatives for which appropriations are provided in this act.

41 b) Not later than ninety days after the end of the first year of the biennium, the Director, Department of Planning and Budget, shall
 42 make available via electronic means a report on the performance of each new initiative contained in the list, to be submitted to the
 43 Chairmen of the House Appropriations and Senate Finance Committees and the public. The report shall compare the actual results,
 44 including expenditures, of the initiative with the anticipated results and the appropriation for the initiative. This information shall be
 45 used to determine whether the initiative should be extended beyond the beginning period. In the preparation of this report, all state
 46 agencies shall provide assistance as requested by the Department of Planning and Budget.

47 § 4-5.04 GOODS AND SERVICES

48 a. STUDENT ATTENDANCE AT INSTITUTIONS OF HIGHER EDUCATION:

49 1. Public Information Encouraged: Each public institution of higher education is expected and encouraged to provide prospective
 50 students with accurate and objective information about its programs and services. The institution may use public funds under the

- 1 control of the institution's Board of Visitors for the development, preparation and dissemination of factual information about
 2 the following subjects: academic programs; special programs for minorities; dates, times and procedures for registration; dates
 3 and times of course offerings; admission requirements; financial aid; tuition and fee schedules; and other information normally
 4 distributed through the college catalog. This information may be presented in any and all media, such as newspapers,
 5 magazines, television or radio where the information may be in the form of news, public service announcements or
 6 advertisements. Other forms of acceptable presentation would include brochures, pamphlets, posters, notices, bulletins, official
 7 catalogs, flyers available at public places and formal or informal meetings with prospective students.
- 8 2. Excessive Promotion Prohibited: Each public institution of higher education is prohibited from using public funds under the
 9 control of the institution's Board of Visitors for the development, preparation, dissemination or presentation of any material
 10 intended or designed to induce students to attend by exaggerating or extolling the institution's virtues, faculty, students,
 11 facilities or programs through the use of hyperbole. Artwork and photographs which exaggerate or extol rather than supplement
 12 or complement permissible information are prohibited. Mass mailings are generally prohibited; however, either mass mailings
 13 or newspaper inserts, but not both, may be used if other methods of distributing permissible information are not economically
 14 feasible in the institution's local service area.
- 15 3. Remedial Education: Senior institutions of higher education shall make arrangements with community colleges for the
 16 remediation of students accepted for admission by the senior institutions.
- 17 4. Compliance: The president or chancellor of each institution of higher education is responsible for the institution's compliance
 18 with this subsection.
- 19 b. INFORMATION TECHNOLOGY FACILITIES AND SERVICES:
- 20 1.a) The Virginia Information Technologies Agency shall procure information technology and telecommunications goods and
 21 services of every description for its own benefit or on behalf of other state agencies and institutions, or authorize other state
 22 agencies or institutions to undertake such procurements on their own.
- 23 b) Except for research projects, research initiatives, or instructional programs at public institutions of higher education, or any
 24 non-major information technology project request from the Virginia Community College System, Longwood University, or
 25 from an institution of higher education which is a member of the Virginia Association of State Colleges and University
 26 Purchasing Professionals (VASCUPP) as of July 1, 2003, or any procurement of information technology and
 27 telecommunications goods and services by public institutions of higher education governed by some combination of Chapters
 28 933 and 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the
 29 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of
 30 Assembly, requests for authorization from state agencies and institutions to procure information technology and
 31 telecommunications goods and services on their own behalf shall be made in writing to the Chief Information Officer or his
 32 designee. Members of VASCUPP as of July 1, 2003, are hereby recognized as: The College of William and Mary, George
 33 Mason University, James Madison University, Old Dominion University, Radford University, Virginia Commonwealth
 34 University, Virginia Military Institute, Virginia Polytechnic Institute and State University, and the University of Virginia.
- 35 c) The Chief Information Officer or his designee may grant the authorization upon a written determination that the request
 36 conforms to the statewide information technology plan and the individual information technology plan of the requesting agency
 37 or institution.
- 38 d) Any procurement authorized by the Chief Information Officer or his designee for information technology and
 39 telecommunications goods and services, including geographic information systems, shall be issued by the requesting state
 40 agency or institution in accordance with the regulations, policies, procedures, standards, and guidelines of the Virginia
 41 Information Technologies Agency.
- 42 e) Nothing in this subsection shall prevent public institutions of higher education or the Virginia Community College System
 43 from using the services of Network Virginia.
- 44 f) To ensure that the Commonwealth's research universities maintain a competitive position with access to the national optical
 45 research network infrastructure including the National LambdaRail and Internet2, the Network Virginia Contract Administrator
 46 is hereby authorized to renegotiate the term of the existing contracts. Additionally, the contract administrator is authorized to
 47 competitively negotiate additional agreements in accordance with the Code of Virginia and all applicable regulations, as
 48 required, to establish and maintain research network infrastructure.
- 49 2. If the billing rates and associated systems for computer, telecommunications and systems development services to state
 50 agencies are altered, the Director, Department of Planning and Budget, may transfer appropriations from the general fund
 51 between programs affected. These transfers are limited to actions needed to adjust for overfunding or underfunding the program
 52 appropriations affected by the altered billing systems.
- 53 3. The provisions of this subsection shall not in any way affect the duties and responsibilities of the State Comptroller under the
 54 provisions of § 2.2-803, Code of Virginia.

1 4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including
 2 geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services
 3 which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State
 4 agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the
 5 development and operational requirements for proposed IT and GIS systems, products, data, and services, including the proposed
 6 use, functionality, capacity and the total cost of acquisition, operation and maintenance.

7 5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and 945 of
 8 the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly or Chapters 594 and 616 of the 2008 Acts of
 9 Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, or to the
 10 Virginia Alcoholic Beverage Control Authority.

11 6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia Information
 12 Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and laptops to their
 13 employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the appropriate fund or
 14 funds used to purchase the equipment.

15 c. MOTOR VEHICLES AND AIRCRAFT:

16 1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the state
 17 without the prior written approval of the Director, Department of General Services.

18 2. The institutions of higher education and the Alcoholic Beverage Control Authority shall be exempt from this provision but shall
 19 be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of the
 20 Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare the cost
 21 of vehicles acquired by institutions of higher education and the Authority to like vehicles under the state contract. If the comparison
 22 demonstrates for a given institution or the Authority that the cost to the Commonwealth is greater for like vehicles than would be the
 23 case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption granted to the
 24 institution or the Authority pursuant to this subparagraph c.

25 3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state agencies,
 26 and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state agencies
 27 affected by such transfers.

28 d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher
 29 education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, no state Executive Department agency or the Virginia
 30 Lottery Department shall expend any public funds for the production of motion picture films or of programs for television
 31 transmission, or for the operation of television or radio transmission facilities, without the prior written approval of the Governor or
 32 as otherwise provided in this act, except for educational television programs produced for elementary-secondary education by
 33 authority of the Virginia Information Technologies Agency. The Joint Subcommittee on Rules is authorized to provide the approval
 34 of such expenditures for legislative agencies. For judicial agencies and independent agencies, other than the Virginia Lottery
 35 Department, prior approval action rests with the supervisory bodies of these entities. With respect to television programs which are
 36 so approved and other programs which are otherwise authorized or are not produced for television transmission, state agencies may
 37 enter into contracts without competitive sealed bidding, or competitive negotiation, for program production and transmission
 38 services which are performed by public telecommunications entities, as defined in § 2.2-2006, Code of Virginia.

39 e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant to
 40 law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:

41 1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the State
 42 Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;

43 2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the
 44 continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate as
 45 established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax
 46 deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state
 47 employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the
 48 Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel, for
 49 the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was not
 50 available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-owned
 51 automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such use in
 52 excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-owned vehicle is
 53 not available; then the rate shall be the IRS rate;

54 3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;

- 1 4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense
2 category deemed necessary for the efficient and effective operation of state government;
- 3 5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same
4 bank account authorized by the employee in which their net pay is direct deposited; and
- 5 6. This section shall not apply to members and employees of public school boards.
- 6 f. SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE
7 OPT OUT: The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when,
8 in his judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce
9 unnecessary administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by
10 the Department of Accounts through accounting entries.
- 11 g. PURCHASES OF APPLIANCES AND EQUIPMENT: State agencies and institutions shall purchase Energy Star rated
12 appliances and equipment in all cases where such appliances and equipment are available.
- 13 h. ELECTRONIC PAYMENTS: Any recipient of payments from the State Treasury who receives six or more payments per
14 year issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate
15 method of electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of
16 this section. The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify
17 non-electronic payment.
- 18 i. LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES: It is the intent of the General Assembly that State agencies
19 shall encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to
20 achieve cost savings and efficiencies in the provision of mandated functions and services including but not limited to finance,
21 procurement, social services programs, and facilities management.
- 22 j. TELECOMMUNICATION SERVICES AND DEVICES:
- 23 1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular
24 telephones and other telecommunication devices by in-scope Executive Department agencies, addressing the assignment,
25 evaluation of need, safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an
26 acceptable use agreement template clearly defining an employee's responsibility when they receive and use a
27 telecommunication device. Statewide requirements shall require some form of identification on a device in case it is lost or
28 stolen and procedures to wipe the device clean of all sensitive information when it is no longer in use.
- 29 2. In-scope Executive Department agencies providing employees with telecommunication devices shall develop agency-
30 specific policies, incorporating the guidance provided in § 4-5.04 k. 1. of this act and shall maintain a cost justification for the
31 assignment or a public health, welfare and safety need.
- 32 3. The Chief Information Officer shall determine the optimal number of telecommunication vendors and plans necessary to
33 meet the needs of in-scope Executive Department agency personnel. The Chief Information Officer shall regularly procure
34 these services and provide statewide contracts for use by all such agencies. These contracts shall require the vendors to provide
35 detailed usage information in a useable electronic format to enable the in-scope agencies to properly monitor usage to make
36 informed purchasing decisions and minimize costs.
- 37 4. The Chief Information Officer shall examine the feasibility of providing tools for in-scope Executive Department agencies to
38 analyze usage and cost data to assist in determining the most cost effective plan combinations for the entity as a whole and
39 individual users.
- 40 k. ALTERNATIVE PROCUREMENT: If any payment is declared unconstitutional for any reason or if the Attorney General
41 finds in a formal, written, legal opinion that a payment is unconstitutional, in circumstances where a good or service can
42 constitutionally be the subject of a purchase, the administering agency of such payment is authorized to use the affected
43 appropriation to procure, by means of the Commonwealth's Procurement Act, goods and services, which are similar to those
44 sought by such payment in order to accomplish the original legislative intent.
- 45 l. MEDICAL SERVICES: No expenditures from general or nongeneral fund sources may be made out of any appropriation by
46 the General Assembly for providing abortion services, except otherwise as required by federal law or state statute.
- 47 § 4-5.05 NONSTATE AGENCIES, INTERSTATE COMPACTS AND ORGANIZATIONAL MEMBERSHIPS
- 48 a. The accounts of any agency, however titled, which receives funds from this or any other appropriating act, and is not owned
49 or controlled by the Commonwealth of Virginia, shall be subject to audit or shall present an audit acceptable to the Auditor of
50 Public Accounts when so directed by the Governor or the Joint Legislative Audit and Review Commission.
- 51 b.1. For purposes of this subsection, the definition of "nonstate agency" is that contained in § 2.2-1505, Code of Virginia.

1 2. Allotment of appropriations to nonstate agencies shall be subject to the following criteria:

2 a) Such agency is located in and operates in Virginia.

3 b) The agency must be open to the public or otherwise engaged in activity of public interest, with expenditures having actually been
4 incurred for its operation.

5 3. No allotment of appropriations shall be made to a nonstate agency until such agency has certified to the Secretary of Finance that
6 cash or in-kind contributions are on hand and available to match equally all or any part of an appropriation which may be provided
7 by the General Assembly, unless the organization is specifically exempted from this requirement by language in this act. Such
8 matching funds shall not have been previously used to meet the match requirement in any prior appropriation act.

9 4. Operating appropriations for nonstate agencies equal to or in excess of \$150,000 shall be disbursed to nonstate agencies in twelve
10 or fewer equal monthly installments depending on when the first payment is made within the fiscal year. Operating appropriations
11 for nonstate agencies of less than \$150,000 shall be disbursed in one payment once the nonstate agency has successfully met
12 applicable match and application requirements.

13 5. The provisions of § 2.2-4343 A 14, Code of Virginia shall apply to any expenditure of state appropriations by a nonstate agency.

14 c.1. Each interstate compact commission and each organization in which the Commonwealth of Virginia or a state agency thereof
15 holds membership, and the dues for which are provided in this act or any other appropriating act, shall submit its biennial budget
16 request to the state agency under which such commission or organization is listed in this act. The state agency shall include the
17 request of such commission or organization within its own request, but identified separately. Requests by the commission or
18 organization for disbursements from appropriations shall be submitted to the designated state agency.

19 2. Each state agency shall submit by November 1 each year, a report to the Director, Department of Planning and Budget, listing the
20 name and purpose for organizational memberships held by that agency with annual dues of \$5,000 or more. The institutions of
21 higher education shall be exempt from this reporting requirement.

22 § 4-5.06 DELEGATION OF AUTHORITY

23 a. The designation in this act of an officer or agency head to perform a specified duty shall not be deemed to supersede the authority
24 of the Governor to delegate powers under the provisions of § 2.2-104 , Code of Virginia.

25 b. The nongeneral fund capital outlay decentralization programs initiated pursuant to § 4-5.08b of Chapter 912, 1996 Acts of
26 Assembly as continued in subsequent appropriation acts are hereby made permanent. Decentralization programs for which
27 institutions have executed memoranda of understanding with the Secretary of Administration pursuant to the provisions of § 4-5.08b
28 of Chapter 912, 1996 Acts of Assembly shall no longer be considered pilot projects, and shall remain in effect until revoked.

29 c. Institutions wishing to participate in a nongeneral fund capital outlay decentralization program for the first time shall submit a
30 letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution's request to participate,
31 the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if appropriate, establish a
32 decentralization program at the institution. The Cabinet Secretary shall report to the Governor and Chairmen of the Senate Finance
33 and House Appropriations Committees by December 1 of each year all institutions that have applied for inclusion in a
34 decentralization program and whether the institutions have been granted authority to participate in the decentralization program.

35 d. The provisions identified in § 4-5.08 f and § 4-5.08 h of Chapter 1042 of the Acts of Assembly of 2003 pertaining to pilot
36 programs for selected capital outlay projects and memoranda of understanding in institutions of higher education are hereby
37 continued. Notwithstanding these provisions, those projects shall be insured through the state's risk management liability program.

38 e. If during an independent audit conducted by the Auditor of Public Accounts, the audit discloses that an institution is not
39 performing within the terms of the memoranda of understanding or their addenda, the Auditor shall report this information to the
40 Governor, the responsible Cabinet Secretary, and the Chairmen of the Senate Finance and House Appropriations Committees.

41 f. Institutions that have executed memoranda of understanding with the Secretary of Administration for nongeneral fund capital
42 outlay decentralization programs are hereby granted a waiver from the provisions of § 2.2-4301, Competitive Negotiation,
43 subdivision 3a, Code of Virginia, regarding the not to exceed amount of \$100,000 for a single project, the not to exceed sum of
44 \$500,000 for all projects performed, and the option to renew for two additional one-year terms.

45 g. Notwithstanding any contrary provision of law or this act, delegations of authority in this act to the Governor shall apply only to
46 agencies and personnel within the Executive Department, unless specifically stated otherwise.

47 h. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
48 Assembly.

49 § 4-5.07 LEASE, LICENSE OR USE AGREEMENTS

50 a. Agencies shall not acquire or occupy real property through lease, license or use agreement until the agency certifies to the

1 Director, Department of General Services, that (i) funds are available within the agency's appropriations made by this act for
 2 the cost of the lease, license or use agreement and (ii) except for good cause as determined by the Department of General
 3 Services, the volume of such space conforms with the space planning procedures for leased facilities developed by the
 4 Department of General Services and approved by the Governor. The Department of General Services shall acquire and hold
 5 such space for use by state departments, agencies and institutions within the Executive Branch and may utilize brokerage
 6 services, portfolio management strategies, strategic planning, transaction management, project and construction management,
 7 and lease administration strategies consistent with industry best practices as adopted by the Department from time to time.
 8 These provisions may be waived in writing by the Director, Department of General Services. However, these provisions shall
 9 not apply to institutions of higher education that have met the conditions prescribed in subsection B of § 23.1-1006, Code of
 10 Virginia.

11 b. Agencies acquiring personal property in accordance with § 2.2-2417, Code of Virginia, shall certify to the State Treasurer
 12 that funds are available within the agency's appropriations made by this act for the cost of the lease.

13 § 4-5.08 SEMICONDUCTOR MANUFACTURING PERFORMANCE GRANT PROGRAMS

14 a. The Comptroller shall not draw any warrants to issue checks for semiconductor manufacturing performance grant programs,
 15 pursuant to Title 59.1, Chapter 22.3, Code of Virginia, without a specific legislative appropriation. The appropriation shall be in
 16 accordance with the terms and conditions set forth in a memorandum of understanding between a qualified manufacturer and
 17 the Commonwealth. These terms and conditions shall supplement the provisions of the Semiconductor Manufacturing
 18 Performance Grant Program, the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program, and the
 19 Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program II, as applicable, and shall include but not
 20 be limited to the numbers and types of semiconductor wafers that are produced; the level of investment directly related to the
 21 building and equipment for manufacturing of wafers or activities ancillary to or supportive of such manufacturer within the
 22 eligible locality; and the direct employment related to these programs. To that end, the Secretary of Commerce and Trade shall
 23 certify in writing to the Governor and to the Chairmen of the House Appropriations and Senate Finance Committees the extent
 24 to which a qualified manufacturer met the terms and conditions. The appropriation shall be made in full or in proportion to a
 25 qualified manufacturer's fulfillment of the memorandum of understanding.

26 b. The Governor shall consult with the House Appropriations and Senate Finance Committees before amending any existing
 27 memorandum of understanding. These Committees shall have the opportunity to review any changes prior to their execution by
 28 the Commonwealth.

29 § 4-5.09 DISPOSITION OF SURPLUS REAL PROPERTY

30 a. Notwithstanding the provisions of § 2.2-1156, Code of Virginia, the departments, divisions, institutions, or agencies of the
 31 Commonwealth, or the Governor, shall sell or lease surplus real property only under the following circumstances:

32 1. Any emergency declared in accordance with §§ 44-146.18:2 or § 44-146.28, Code of Virginia, or

33 2. Not less than thirty days after the Governor notifies, in writing, the Chairmen of the House Appropriations and Senate
 34 Finance Committees regarding the planned conveyance, including a statement of the proceeds to be derived from such
 35 conveyance and the individual or entity taking title to such property.

36 3. Surplus property valued at less than \$5,000,000 that is possessed and controlled by a public institution of higher education,
 37 pursuant to §§ 2.2-1149 and 2.2-1153, Code of Virginia.

 39 institution holding title or otherwise controlling the state-owned property shall approve, in writing, the proposed conveyance of
 40 the property.

41 c. In accordance with § 15.2-2005, Code of Virginia, the consent of the General Assembly is herein provided for the road
 42 known as Standpipe Road, that was relocated and established on a portion of the Virginia Department of Transportation's
 43 Culpeper District Office property, identified as Tax Map No. 50-28, to improve the operational efficiency of the local road
 44 network in the Town of Culpeper. Further, the Virginia Department of Transportation is hereby authorized to convey to the
 45 Town of Culpeper, upon such terms and conditions as the Department deems proper and for such considerations the
 46 Department may determine, the property on which "Standpipe Road (Relocated)(Variable Width R/W)" on the plat entitled

 49 electric utility, slopes and drainage as shown on said plat. The conveyance shall be made with the approval of the Governor
 50 and in a form approved by the Attorney General. The appropriate officials of the Commonwealth are hereby authorized to
 51 prepare, execute, and deliver such deed and other documents as may be necessary to accomplish the conveyance.

52 d. Notwithstanding the provisions of § 2.2-1156, Code of Virginia, if tax-exempt bonds were issued by the Commonwealth or
 53 its related authorities, boards or institutions to finance the acquisition, construction, improvement or equipping of real property,
 54 proceeds from the sale or disposition of such property and any improvements may first be applied toward remediation options

1 available under federal law to maintain the tax-exempt status of such bonds.

2 § 4-5.10 SURPLUS PROPERTY TRANSFERS FOR ECONOMIC DEVELOPMENT

3 a. The Commonwealth shall receive the fair market value of surplus state property which is designated by the Governor for
 4 economic development purposes, and for any properties owned by an Industrial Development Authority in any county where the
 5 Commonwealth has a continuing interest based on the deferred portion of the purchase price, which shall be assessed by more than
 6 one independent appraiser certified as a Licensed General Appraiser. Such property shall not be disposed of for less than its fair
 7 market value as determined by the assessments.

8 b. Recognizing the commercial, business and industrial development potential of certain lands declared surplus, and for any
 9 properties owned by an Industrial Development Authority in any county where the Commonwealth has a continuing interest based
 10 on the deferred portion of the purchase price, the Governor shall be authorized to utilize funds available in the Governor's discretion,
 11 to meet the requirements of the preceding subsection a. Sale proceeds, together with the money from the Commonwealth's
 12 Development Opportunity Fund, shall be deposited as provided in § 2.2-1156 D, Code of Virginia.

 14 shall report to the Chairmen of the Senate Finance and House Appropriations Committees. The report shall include information on
 15 the number of acres sold, sales price, amount of proceeds deposited to the general fund and Conservation Resources Fund, and the
 16 fair market value of the sold property.

17 d. Except for subaqueous lands that have been filled prior to January 1, 2006, the Governor shall not sell or convey those subaqueous
 18 lands identified by metes and bounds in Chapter 884 of the Acts of the Assembly of 2006.

 22 Executive Department who enters the service of the Commonwealth or who is promoted to a vacant position shall be fixed at such
 23 rate as shall be approved by the Governor in writing or as is in accordance with rules and regulations established by the Governor.
 24 No increase shall be made in such compensation except with the Governor's written approval first obtained or in accordance with the
 25 rules and regulations established by the Governor. In all cases where any appointee, officer or employee is employed or promoted to
 26 fill a vacancy in a position for which a salary is specified by this act, the Governor may fix the salary of such officer or employee at
 27 a lower rate or amount within the respective level than is specified. In those instances where a position is created by an act of the

20 f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall apply also to any
21 system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing any such

17 approval by the Governor and review for legal sufficiency by the Office of the Attorney General.
- 18 2. Notwithstanding any other provision of law, employees holding full-time, academic-year classified positions at public
19 institutions of higher education shall be considered "state employees" as defined in § 51.1-124.3, Code of Virginia, and shall be
20 considered for medical/hospitalization, retirement service credit, and other benefits on the same basis as those individuals
21 appointed to full-time, 12-month classified positions.
- 22 n. Notwithstanding the Department of Human Resource Management Policies and Procedures, payment to employees with five
23 or more years of continuous service who either terminate or retire from service shall be paid in one sum for twenty-five percent
24 of their sick leave balance, provided, however, that the total amount paid for sick leave shall not exceed \$5,000 and the
25 remaining seventy-five percent of their sick leave shall lapse. This provision shall not apply to employees who are covered by
26 the Virginia Sickness and Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for
27 their sick leave balances. However, they will be paid, if eligible as described above, for any disability leave credits they have at
28 separation or retirement or may convert disability credits to service credit under the Virginia Retirement System pursuant to §
29 51.1-1103 (F), Code of Virginia.
- 30 o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community
31 College System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the
32 number of faculty at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent
33 salary differential in a manner consistent with other public four-year institutions and for faculty at Northern Virginia
34 Community College.
- 35 p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005
36 Acts of Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income
37 from endowments and gifts, subject to policies approved by the board of visitors. The Commonwealth shall have no general
38 fund obligations for the continuation of such salary supplements.
- 39 q. The Governor, or any other appropriate Board or Public Body, is authorized to adjust the salaries of employees specified in
40 this item, and other items in the Act, to reflect the compensation adjustments authorized in this Act.

44 § 4-6.02 EMPLOYEE TRAINING AND STUDY

45 Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any
46 funds appropriated to such department, institution or other agency in this act or subsequently made available for the purpose,
47 compensation or expenses or both compensation and expenses for employees pursuing approved training courses or academic
48 studies for the purpose of becoming better equipped for their employment in the state service. The rules and regulations shall
49 include reasonable provision for the return of any employee receiving such benefits for a reasonable period of duty, or for

 4 of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be
 5 borne by the employee or, in the case of a political subdivision, by the employer.
- 6 c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its
 7 employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public
 8 transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such programs
 9 and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the
 10 federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs
 11 incurred by the employee.
- 12 d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State Employee
 13 Health Insurance Program pursuant to § 2.2-2818, Code of Virginia, provided that (1) such hospital is not a participating provider in
 14 the network, contracted by the Department of Human Resource Management, that serves state employees and (2) such hospital
 15 enters into a written agreement with the Department of Human Resource Management as to the rates of reimbursement. The
 16 department shall accept the lowest rates offered by the hospital from among the rates charged by the hospital to (1) its largest
 17 purchaser of care, (2) any state or federal public program, or (3) any special rate developed by the hospital for the state employee
 18 health benefits program which is lower than either of the rates above. If the department and the hospital cannot come to an
 19 agreement, the department shall reimburse the hospital at the rates contained in its final offer to the hospital until the dispute is
 20 resolved. Any dispute shall be resolved through arbitration or through the procedures established by the Administrative Process Act,
 21 as the hospital may decide, without impairment of any residual right to judicial review.
- 22 e. Any classified employee of the Commonwealth and any person similarly employed in the legislative, judicial and independent
 23 agencies who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time
 24 employee for the purposes of participation in the Virginia Retirement System's group life insurance and retirement programs. Any
 25 part-time magistrate hired prior to July 1, 1999, shall have the option of participating in the programs under this provision.
- 26 f.1. Any member of the Virginia Retirement System who is retired under the provisions of § 51.1-155.1, Code of Virginia who: 1)
 27 returns to work in a position that is covered by the provisions of § 51.1-155.1, Code of Virginia after a break of not less than four
 28 years, 2) receives no other compensation for service to a public employer than that provided for the position covered by § 51.1-
 29 155.1, Code of Virginia during such period of reemployment, 3) retires within one year of commencing such period of
 30 reemployment, and 4) retires directly from service at the end of such period of reemployment may either:
- 31 a) Revert to the previous retirement benefit received under the provisions of § 51.1-155.1, Code of Virginia, including any annual
 32 cost of living adjustments granted thereon. This benefit may be adjusted upward to reflect the effect of such additional months of
 33 service and compensation received during the period of reemployment, or
- 34 b) Retire under the provisions of Title 51.1 in effect at the termination of his or her period of reemployment, including any purchase
 35 of service that may be eligible for purchase under the provisions of § 51.1-142.2, Code of Virginia.

 37 for in this paragraph.
- 38 g. Notwithstanding any other provision of law, no agency head compensated by funds appropriated in this act may be a member of
 39 the Virginia Law Officers' Retirement System created under Title 51.1, Chapter 2.1, Code of Virginia. The provisions of this
 40 paragraph are effective on July 1, 2002, and shall not apply to the Chief of the Capitol Police.
- 41 h. Full-time employees appointed by the Governor who, except for meeting the minimum service requirements, would be eligible for
 42 the provisions of § 51.1-155.1, Code of Virginia, may, upon termination of service, use any severance allowance payment to
 43 purchase service to meet, but not exceed, the minimum service requirements of § 51.1-155.1, Code of Virginia. Such service
 44 purchase shall be at the rate of 15 percent of the employee's final creditable compensation or average final compensation, whichever
 45 is greater, and shall be completed within 90 days of separation of service.
- 46 i. When calculating the retirement benefits payable under the Virginia Retirement System (VRS), the State Police Officers'
 47 Retirement System (SPORS), the Virginia Law-enforcement Officers' Retirement System (VaLORS), or the Judicial Retirement
 48 System (JRS) to any employee of the Commonwealth or its political subdivisions who is called to active duty with the armed forces
 49 of the United States, including the United States Coast Guard, the Virginia Retirement System shall:
- 50 1) utilize the pre-deployment salary, or the actual salary paid by the Commonwealth or the political subdivision, whichever is higher,
 51 when calculating average compensation, and
- 52 2) include those months after September 1, 2001 during which the employee was serving on active duty with the armed forces of the
 53 United States in the calculation of creditable service.

1 j. The provisions in § 51.1-144, Code of Virginia, that require a member to contribute five percent of his creditable
 2 compensation for each pay period for which he receives compensation on a salary reduction basis, shall not apply to any (i)
 3 "state employee," as defined in § 51.1-124.3, Code of Virginia, who is an elected official, or (ii) member of the Judicial
 4 Retirement System under Chapter 3 of Title 51.1 (§ 51.1-300 et seq.), who is not a "person who becomes a member on or after
 5 July 1, 2010," as defined in § 51.1-124.3, Code of Virginia.

6 k. Notwithstanding the provisions of subsection G of § 51.1-156, any employee of a school division who completed a period of
 7 24 months of leave of absence without pay during October 2013 and who had previously submitted an application for disability
 8 retirement to VRS in 2011 may submit an application for disability retirement under the provisions of § 51.1-156. Such
 9 application shall be received by the Virginia Retirement System no later than October 1, 2014. This provision shall not be
 10 construed to grant relief in any case for which a court of competent jurisdiction has already rendered a decision, as
 11 contemplated by Article II, Section 14 of the Constitution of Virginia.

12 § 4-6.04 CHARGES

13 a. FOOD SERVICES: Except as exempted by the prior written approval of the Director, Department of Human Resource
 14 Management, and the provisions of § 2.2-3605, Code of Virginia, state employees shall be charged for meals served in state
 15 facilities. Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the
 16 cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of
 17 meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds,
 18 all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this
 19 paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections
 20 and Juvenile Justice.

21 b. HOUSING SERVICES:

22 1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines
 23 provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-
 24 owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances,
 25 which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the
 26 Director, Department of General Services may waive the requirement for collection of fees.

27 2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating
 28 expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund.
 29 For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be
 30 deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are
 31 financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state
 32 treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion
 33 of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid
 34 into the general fund.

35 c. PARKING SERVICES:

36 1. State-owned parking facilities

37 Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of
 38 General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such
 39 charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor,
 40 for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. -

41 2. Leased parking facilities in metropolitan Richmond area

42 Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher
 43 education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise
 44 available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space.
 45 In such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of
 46 General Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or
 47 waive the fee requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will
 48 be retained by the leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking
 49 space must be approved by the Director, Department of General Services.

50 3. The assignment of Lot P1A of the Department of General Services, Capitol Area Site Plan, to include parking spaces 1
 51 through 37, but excluding spaces 34 and 36, which shall be reserved for the Department of General Services, and the
 52 surrounding surfaces around those spaces shall be under the control of the Committee on Joint Rules and administered by the
 53 Clerk of the House and the Clerk of the Senate. Any employee permanently assigned to any of these spaces shall be subject to
 54 the provisions of paragraph 1 of this item.

1 § 4-6.05 SELECTION OF APPLICANTS FOR CLASSIFIED POSITIONS

2 It is the responsibility of state agency heads to ensure that all provisions outlined in Title 2.2, Chapter 29, Code of Virginia (the
3 Virginia Personnel Act), and executive orders that govern the practice of selecting applicants for classified positions are strictly
4 observed. The Governor's Secretaries shall ensure this provision is faithfully enforced.

5 § 4-6.06 POSITIONS GOVERNED BY CHAPTERS 933 AND 943 OF THE 2006 ACTS OF ASSEMBLY

6 Except as provided in subsection A of § 23.1-1020 of the Code of Virginia, § 4-6.00 shall not apply to public institutions of higher
7 education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly
8 and Chapters 675 and 685 of the 2009 Acts of Assembly, with regard to their participating covered employees, as that term is
9 defined in those two chapters, except to the extent a specific appropriation or language in this act addresses such an employee.

10 **§ 4-7.00 STATEWIDE PLANS**

11 § 4-7.01 MANPOWER CONTROL PROGRAM

12 a.1. The term Position Level is defined as the number of full-time equivalent (FTE) salaried employees assigned to an agency in this
13 act. Except as provided in § 4-7.01 b, the Position Level number stipulated in an agency's appropriation is the upper limit for agency
14 employment which cannot be exceeded during the fiscal year without approval from the Director, Department of Planning and
15 Budget for Executive Department agencies, approval from the Joint Committee on Rules for Legislative Department agencies or
16 approval from the appropriate governing authority for the independent agencies.

17 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee
18 and the Senate Finance Committee, the Governor and the Directors of the Department of Planning and Budget and Department of
19 Human Resource Management within ten days of such approval. Approvals for executive department agencies shall be based on
20 threats to life, safety, health, or property, or compliance with judicial orders or federal mandates, to support federal grants or private
21 donations, to administer a program for another agency or to address an immediate increase in workload or responsibility or when to
22 delay approval of increased positions would result in a curtailment of services prior to the next legislative session. Any such
23 position level increases pursuant to this provision may not be approved for more than one year.

24 b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental
25 Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department, provided
26 that such changes do not result in exceeding the Position Level for that department.

27 c.1. The Governor shall implement such policies and procedures as are necessary to ensure that the number of employees in the
28 Executive Department, excluding institutions of higher education and the State Council of Higher Education, may be further
29 restricted to the number required for efficient operation of those programs approved by the General Assembly. Such policies and
30 procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by the
31 Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient
32 operation of programs.

33 2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions
34 authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency exists
35 requiring a change in the official estimate of general fund revenues available for appropriation.

36 d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies, the
37 Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.

38 2. Positions assigned to programs supported by internal service funds are for reference only and may fluctuate depending upon
39 workload and funding availability.

40 3. Positions assigned to sponsored programs, auxiliary enterprises, continuing education, and teaching hospitals in the institutions of
41 higher education are for reference only and may fluctuate depending upon workload and funding availability. Positions assigned to
42 Item Detail 43012, State Health Services Technical Support and Administration, at Virginia Commonwealth University are for
43 reference only and may fluctuate depending upon workload and funding availability.

44 4. Positions assigned to educational and general programs in the institutions of higher education are for reference only and may
45 fluctuate depending upon workload and funding availability. However, total general fund positions filled by an institution of higher
46 education may not exceed 105 percent of the general fund positions appropriated without prior approval from the Director,
47 Department of Planning and Budget.

48 5. Positions assigned to Item Details 47001, Job Placement Services; 47002, Unemployment Insurance Services; 47003, Workforce
49 Development Services; and 53402, Economic Information Services, at the Virginia Employment Commission are for reference only
50 and may fluctuate depending upon workload and funding availability. Unless otherwise required by the funding source, after
51 enactment of this act, any new positions hired using this provision shall not be subject to transitional severance benefit provisions of
52 the Workforce Transition Act of 1995, Title 2.2, Chapter 32, Code of Virginia.

1 e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth
 2 in regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of
 3 certain positions assigned to agencies and institutions that provide services pertaining to public safety and public health from
 4 such hiring freezes.

5 f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and
 6 institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a
 7 period exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the
 8 Offices of the Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for
 9 periods exceeding 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited
 10 without the prior approval of the General Assembly.

11 2. Not more than three positions in total, as described in subsection 1 hereof, may be assigned at any time to the Office of any
 12 Cabinet Secretary, unless specifically approved in writing by the Governor. The Governor shall notify the Chairmen of the
 13 House Appropriations and Senate Finance Committees in the case of any such approvals.

14 g. All state employees, including those in the legislative, judicial, and executive branches and the independent agencies of the
 15 Commonwealth, who are not eligible for benefits under a health care plan established and administered by the Department of
 16 Human Resource Management (DHRM) pursuant to Va. Code § 2.2-2818, or by an agency administering its own health care
 17 plan, may not work more than 29 hours per week on average over a twelve month period. Adjunct faculty at institutions of
 18 higher education may not work more than 29 hours per week on average over a twelve month period, including classroom or
 19 other instructional time plus additional hours determined by the institution as necessary to perform the adjunct faculty's duties.
 20 DHRM shall provide relevant program requirements to agencies and employees, including, but not limited to, information on
 21 wage, variable and seasonal employees. All state agencies/employers in all branches of government shall provide information
 22 requested by DHRM concerning hours worked by employees as needed to comply with the Affordable Care Act (the "Act")
 23 and this provision. State agencies/employers are accountable for compliance with this provision, and are responsible for any
 24 costs associated with maintaining compliance with it and for any costs or penalties associated with any violations of the Act or
 25 regulations thereunder and any such costs shall be borne by the agency from existing appropriations. The provisions of this
 26 paragraph shall not apply to employees of state teaching hospitals that have their own health insurance plan; however, the state
 27 teaching hospitals are accountable for compliance with, and are responsible for any costs associated with maintaining
 28 compliance with the Act and for any costs or penalties associated with any violations of the Act or regulations thereunder and
 29 any such costs shall be borne by the agency from existing appropriations. Subject to approval of the Governor, DHRM shall
 30 modify this provision consistent with any updates or changes to federal law and regulations.

32 § 4-8.01 GOVERNOR

33 a. General:

24 Governor and the General Assembly to identify and dispose of property not being efficiently and effectively utilized.

25 2. By October 1 of each year, each agency that controls leased property, where such leased property is not under the DGS lease
26 administration program, shall provide a report on each leased facility or portion thereof to DGS in a manner and form
27 prescribed by DGS. Specific data included in the report shall identify at a minimum, the number of square feet occupied, the
28 number of employees and contractors working in the leased space, if applicable, and the cost of the lease.

29 f. Services Reports:

30 Status of any exemptions by the State Council of Higher Education to policy which prohibits use of funds in this act for the
31 operation of any academic program by any state institution of higher education, unless approved by the Council and included in

33 g. Standard State Agency Abbreviations:

34 The Department of Planning and Budget shall be responsible for maintaining a list of standard abbreviations of the names of
35 state agencies. The Department shall make a listing of agency standard abbreviations available via electronic means on a
36 continuous basis to the Chairmen of the House Appropriations and Senate Finance Committees, the State Comptroller, the
37 Director, Department of Human Resource Management and the Chief Information Officer, Virginia Information Technologies
38 Agency, and the public.

44 public college and university contained in this budget. The report shall include actual or projected adjustments which increase
45 nongeneral funds or actual or projected adjustments that transfer nongeneral funds to other items within the institution. The
46 report shall provide the justification for the increase or transfer and the relative impact on student groups.

47 § 4-8.02 STATE AGENCIES

48 a. As received, all state agencies shall forward copies of each federal audit performed on agency or institution programs or
49 activities to the Auditor of Public Accounts and to the State Comptroller. Upon request, all state agencies shall provide copies
50 of all internal audit reports and access to all working papers prepared by such auditors to the Auditor of Public Accounts and to
51 the State Comptroller.

1 b. Annually: Within five calendar days after state agencies submit their budget requests, amendment briefs, or requests for
 2 amendments to the Department of Planning and Budget, the Director, Department of Planning and Budget shall submit,

4 c. By September 1 of each year, state agencies receiving any asset as the result of a law-enforcement seizure and subsequent

 6 their estimated net worth, to the Chairmen of the House Appropriations and Senate Finance Committees.

7 d. Any state agency that is required to return federal grant funding as a result of not fulfilling the specifications of a grant, shall, as
 8 soon as practicable but no later than November 1st, report to the Chairmen of the Senate Finance and House Appropriations
 9 Committees of such forfeiting of federal grant funding.

10 § 4-8.03 LOCAL GOVERNMENTS

11 a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local
 12 government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or
 13 otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor,
 14 budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue
 15 fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public
 16 Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the
 17 Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is
 18 threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay
 19 expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and
 20 discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the
 21 Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress may be
 22 caused by factors internal to the unit of government or external to the unit of government and in various degrees such conditions
 23 may or may not be controllable by management, or the local governing body, or its constitutional officers.

24 2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts shall
 25 establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts shall
 26 establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a local
 27 government is in fiscal distress.

28 3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based upon
 29 the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary
 30 determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief executive
 31 officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local government. Such
 32 review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and payables, revenues and
 33 receivables, and other areas including staffing, and the identification of external variables contributing to a locality's financial
 34 position, and if so, the scope of the issues involved. Any local governing body that receives requests for information from the
 35 Auditor of Public Accounts pursuant to such preliminary determination based on the above described threshold levels shall
 36 acknowledge receipt of such a request and shall ensure that a response is provided within the time frames specified by the Auditor of
 37 Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state assistance, oversight, or targeted
 38 intervention is needed, either to further assess, help stabilize, or remediate the situation, the Auditor shall notify the Governor and
 39 the Chairmen of the House Appropriations and Senate Finance Committees, and the governing body of the local government in
 40 writing outlining specific issues or actions that need to be addressed by state intervention.

41 4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification requirement
 42 necessary to effectuate the provisions of this act in paragraph b.3 below.

43 b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general fund
 44 appropriations in this Act as of June 30, 2017, which constitute state aid to local governments. The Director shall provide a listing of
 45 such amounts designated by item number and by program on or before August 15, 2017, to the Governor and the Chairmen of the
 46 House Appropriations Committee and the Senate Finance Committee.

47 2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may
 48 reappropriate up to \$500,000 *from the first year to the second year and up to \$750,000 from the second year to the subsequent year*
 49 from amounts which would otherwise revert to the balance of the general fund and transfer such amounts as necessary to establish a
 50 component of fund balance which may be used for the purpose of providing technical assistance and intervention actions for local
 51 governments deemed to be fiscally distressed and in need of intervention to address such distress. Any such reappropriation
 52 approved by the Governor, shall be separately identified in the commitments specified on the balance sheet and financial statements
 53 of the State Comptroller for the close of fiscal year 2017 and thereafter, to the extent that such reserve is not used or added to by
 54 future appropriation actions.

55 3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations Committee
 56 and the Senate Finance Committee must receive a notification from the Auditor of Public Accounts that a specific locality is in need

1 of intervention because of a worsening financial situation. The Auditor of Public Accounts may issue such a notification upon
 2 receipt of audited financial statement or other information that indicates the existence of fiscal distress. But, no such
 3 notification shall be made until appropriate follow up and correspondence ascertains that, in the opinion of the Auditor of
 4 Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by the Auditor of Public Accounts if
 5 written concerns raised about fiscal distress are not adequately addressed by the locality in question.

6 4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific
 7 local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate
 8 Finance Committee about a plan for state intervention prior to any expenditure of funds from the cash reserve. Any plan
 9 approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention, the estimated
 10 duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The staffing
 11 necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both and,
 12 notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such staffing
 13 when, in his judgment, the need for intervention is of an emergency nature such that action must be taken in a timely manner to
 14 avoid or address unacceptable financial risks to the Commonwealth.

15 5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the
 16 Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public
 17 agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the
 18 House Appropriations Committee and the Senate Finance Committee outlining the scope of issues discovered and any
 19 recommendations made to remediate such issues, and the progress that is made on such recommendations or other remediation
 20 efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is receiving from
 21 locally elected officials, including constitutional officers, city, county, or town managers and other local personnel in regards to
 22 their intervention work.

23 6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround
 24 specialists with expertise in local government intervention that the Governor can use to procure intervention services in an
 25 expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

26 § 4-9.00 HIGHER EDUCATION RESTRUCTURING

27 § 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

28 Consistent with § 23.1-206, Code of Virginia, the following education-related and financial and administrative management
 29 measures shall be the basis on which the State Council of Higher Education shall annually assess and certify institutional
 30 performance. Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no
 31 later than October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section
 32 shall be evaluated year-to-date by the Secretaries of Finance, Administration, and Technology as appropriate, and
 33 communicated to the State Council of Higher Education before October 1 of each even-numbered year. Financial benefits
 34 provided to each institution in accordance with § 2.2-5005 will be evaluated in light of that institution's performance.

35 In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is
 36 understood that there can be circumstances beyond an institution's control that may prevent achieving one or more performance
 37 measures. The Council shall consider, in consultation with each institution, such factors in its review: (1) institutions meeting
 38 all performance measures will be certified by the Council and recommended to receive the financial benefits, (2) institutions
 39 that do not meet all performance measures will be evaluated by the Council and the Council may take one or more of the
 40 following actions: (a) request the institution provide a remediation plan and recommend that the Governor withhold release of
 41 financial benefits until Council review of the remediation plan or (b) recommend that the Governor withhold all or part of
 42 financial benefits.

43 Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related
 44 measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related
 45 measures that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of
 46 performance.

16 However, such study shall be conducted in such a manner as to not permit the personal identification of students by persons other
17 than representatives of the Department of Education or the State Council for Higher Education for Virginia, and such shared
18 information shall be destroyed when no longer needed for purposes of the study.
- 19 b) Notwithstanding § 2.2-3800 of the Code of Virginia, the Virginia Department of Education, State Council of Higher Education

25 Superintendent of Public Instruction or his designee for the same purpose. All information provided to the Superintendent or his
26 designee for this purpose shall be used solely for the purpose of evaluating the Standards of Learning and shall not be redisclosed,

36 an original memorandum of understanding;

37 2. successfully renewed an additional memoranda of understanding for a five year term for each of the original two areas.

38 The institutions shall meet all criteria and follow policies for negotiating and establishing a memorandum of understanding with the

42 measure for the new area of operational authority. Each education-related measure and its respective target shall be developed in
43 consultation with the Secretary of Finance, Secretary of Education, the appropriate Cabinet Secretary, and the State Council of
44 Higher Education for Virginia. Each education-related measure and its respective target must be approved by the State Council of
45 Higher Education for Virginia and shall become part of the certification required by § 23.1-206.

46 c. 1. As part of a five-year pilot program, George Mason University and James Madison University are authorized, for a period of

50 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item, and (ii) the institution is not required to have a

1 signed memorandum of understanding with the Secretary of Administration regarding participation in the nongeneral fund
 2 decentralization program as provided in subsection C of § 2.2-1132 in order to be eligible for the additional capital project
 3 authority.

4 2. In addition, each institution shall exercise additional financial and administrative authority over financial operations as
 5 follows:

6 a). BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

7 The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the
 8 duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and
 9 ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either
 10 herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the
 11 University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the
 12 implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

13 b) FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

14 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue
 15 to be authorized by the Board to maintain existing and implement new policies governing the management of University
 16 financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii)
 17 ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund
 18 accounting principles, with regard to the establishment of the underlying accounting records of the University and the
 19 allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State
 20 Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific
 21 types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial
 22 resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with
 23 the requirements of the Appropriation Act.

24 The financial management system shall continue to include a financial reporting system to satisfy both the requirements for
 25 inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's
 26 Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions
 27 placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall
 28 continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental
 29 Accounting Standards Board.

30 In addition, the financial management system shall continue to provide financial reporting for the President, acting through the
 31 Executive Vice President, Chief Operating Officer, or Chief Financial Officer, and the Board of Visitors to enable them to
 32 provide adequate oversight of the financial operations of the University.

33 c) FINANCIAL MANAGEMENT POLICIES.

34 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall create
 35 and implement any and all financial management policies necessary to establish a financial management system with adequate
 36 risk management and internal control processes and procedures for the effective protection and management of all University
 37 financial resources. Such policies will not address the underlying accounting principles and policies employed by the
 38 Commonwealth and the University, but rather will focus on the internal operations of the University's financial management.
 39 These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices
 40 that seek to support the University's specific business and administrative operating environment in order to improve the
 41 efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial
 42 management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and
 43 Procedures such as establishing strong risk management and internal accounting controls to ensure University financial
 44 resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's
 45 oversight of the effective and efficient use of such funds in the performance of University programs.

46 The University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies
 47 can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and
 48 shall be submitted to the State Comptroller for review and comment before they are implemented by the University.

49 d) FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

50 The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate
 51 commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided
 52 otherwise in the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be exempt
 53 from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless
 54 prohibited by the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be

1 entitled to retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to
 2 health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than
 3 reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework
 4 for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.

5 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to
 6 provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The
 7 Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with
 8 appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional
 9 oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of
 10 Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits
 11 Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.

12 e) ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

13 The President, through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be
 14 authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the
 15 management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act,
 16 Chapter 48 (§ 2.2-4800 et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions
 17 to aggressively collect accounts receivable in a timely manner.

18 These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature
 19 and timing of collection procedures within the above general principles; and the independent authority to select and contract with
 20 collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and
 21 all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining
 22 judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the
 23 University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to
 24 the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of
 25 receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt
 26 Collection Act.

27 f) DISBURSEMENT MANAGEMENT.

28 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be
 29 authorized to create and implement any and all disbursement policies as part of a system for the management of University financial
 30 resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from
 31 whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of
 32 appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or
 33 services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy
 34 shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and
 35 electronic payments.

36 These disbursement policies shall authorize the President, acting through the Executive Vice President, Chief Operating Officer, or
 37 Chief Financial Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and
 38 other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private
 39 attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally
 40 manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any
 41 restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the
 42 credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior
 43 to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal
 44 control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll
 45 disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts
 46 in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

47 The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the
 48 Commonwealth's Accounting Policy and Procedures Manual. The University shall continue to follow the Commonwealth's
 49 disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate
 50 policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.

51 3. The Auditor of Public Accounts or his legally authorized representatives shall audit annually the accounts of each institution and
 52 shall distribute copies of each annual audit to the Governor and to the Chairmen of the House Committee on Appropriations and the
 53 Senate Committee on Finance. Pursuant to § 30-133, the Auditor of Public Accounts and his legally authorized representatives shall
 54 examine annually the accounts and books of each such institution, but the institution shall not be deemed to be a state or
 55 governmental agency, advisory agency, public body, or agency or instrumentality for purposes of Chapter 14 (§ 30-130 et seq.) of
 56 Title 30 except for those provisions in such chapter that relate to requirements for financial recordkeeping and bookkeeping. Each
 57 such institution shall be subject to periodic external review by the Joint Legislative and Audit Review Commission and such other

1 reviews and audits as shall be required by law.

2 d. Subject to review of its Shared Services Center by the Department of General Services, and approval to proceed with
 3 decentralized procurement of authority by the Department of General Services, the Virginia Community College System
 4 (VCCS) is authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each
 5 of the three functional areas of information technology, procurement and capital projects as set forth and subject to all the
 6 conditions in §§ 2.0, 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that
 7 (i) any effective dates contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of
 8 this item. The State Board for Community Colleges may request any subsequent delegation of procurement authority after
 9 consultation with and positive recommendation by the Department of General Services.

10 § 4-9.03 LEVEL III AUTHORITY

11 The Management Agreements negotiated by the institutions contained in Chapters 675 and 685 of the 2009 Acts of Assembly
 12 shall continue in effect unless the Governor, the General Assembly, or the institutions determine that the Management
 13 Agreements need to be renegotiated or revised.

14 § 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

15 a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

16 1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The
 17 page should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards
 18 should consider requiring institutions to list the major components of all mandatory fees, including the portion attributable to
 19 athletics, on a separate page attached to student invoices;

20 2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce
 21 reliance on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue
 22 through charging for specialized programs and services, expanding membership, and/or charging all users of recreation
 23 facilities;

24 3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of
 25 control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure.
 26 Boards should further direct staff to implement the recommendations of the review to streamline their organizational structures
 27 where possible;

28 4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct
 29 reports;

30 5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that
 31 establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control
 32 for the institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the
 33 circumstances that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the
 34 purpose of recruiting or retaining employees, and (v) establish a periodic review of departments where spans of control are
 35 unusually narrow; and,

36 6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods,
 37 including use of institution-wide contracts;

38 7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that
 39 are exceptions to the institutional policies for standardizing purchases;

40 8. participate in national faculty teaching load assessments by discipline and faculty type.

41 b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

42 1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of
 43 Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory
 44 non-E&G fees, including for intercollegiate athletics;

45 2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory
 46 non-E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public
 47 Accounts, and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

48 3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure
 49 current use of space and plans for future use of space at Virginia's public higher education institutions;

50 4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory

1 Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the
 2 committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions'
 3 instructional expenditures per student while maintaining or enhancing student learning;

4 5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;

5 6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing
 6 learning.

7 c. Notwithstanding the provisions of § 23.1-1304, the State Council of Higher Education for Virginia shall annually train boards of
 8 visitors members on the types of information members should request from institutions to inform decision making, such as
 9 performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost trends.
 10 Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the training within
 11 their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or delivering the training from
 12 relevant agencies such as the Department of General Services and past or present finance officers at Virginia's public four-year
 13 institutions, as appropriate.

14 d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's
 15 maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities, and
 16 differences in facility use. Beginning with fiscal year 2016, the Department of Planning and Budget shall submit these
 17 recommendations to the Governor and General Assembly no later than November 1 of each year.

18 e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate shall
 19 use the results of the prioritization process established by the State Council of Higher Education for Virginia in determining which
 20 capital projects should receive funding.

21 f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of higher
 22 education a review of progress in implementing the JLARC recommendations contained in paragraph § 4-9.04 a.

23 § 4-11.00 STATEMENT OF FINANCIAL CONDITION

24 Each agency head handling any state funds shall, at least once each year, upon request of the Auditor of Public Accounts, make a
 25 detailed statement, under oath, of the financial condition of his office as of the date of such call, to the Auditor of Public Accounts,
 26 and upon such forms as shall be prescribed by the Auditor of Public Accounts.

27 § 4-12.00 SEVERABILITY

28 If any part, section, subsection, paragraph, sentence, clause, phrase, or item of this act or the application thereof to any person or
 29 circumstance is for any reason declared unconstitutional, such decisions shall not affect the validity of the remaining portions of this
 30 act which shall remain in force as if such act had been passed with the unconstitutional part, section, subsection, paragraph, sentence,
 31 clause, phrase, item or such application thereof eliminated; and the General Assembly hereby declares that it would have passed this
 32 act if such unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, or item had not been included herein, or if
 33 such application had not been made.

34 § 4-13.00 CONFLICT WITH OTHER LAWS

35 Notwithstanding any other provision of law, and until June 30, 2018, the provisions of this act shall prevail over any conflicting
 36 provision of any other law, without regard to whether such other law is enacted before or after this act; however, a conflicting
 37 provision of another law enacted after this act shall prevail over a conflicting provision of this act if the General Assembly has
 38 clearly evidenced its intent that the conflicting provision of such other law shall prevail, which intent shall be evident only if such
 39 other law (i) identifies the specific provision(s) of this act over which the conflicting provision of such other law is intended to
 40 prevail and (ii) specifically states that the terms of this section are not applicable with respect to the conflict between the provision(s)
 41 of this act and the provision of such other law.

42 § 4-14.00 EFFECTIVE DATE

43 This act is effective on its passage as provided in § 1-214, Code of Virginia.

44 ADDITIONAL ENACTMENTS

45 3. That § 33.2-309 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in
 46 Chapter 1 of Title 33.2 a section numbered 33.2-118, as follows:

47 § 33.2-118. Limitation on tolling.

48 A. For purposes of this section, "auxiliary lane" means the portion of the roadway adjoining the traveled way as a shoulder or for speed
 49 change, turning, weaving, or the maneuvering of entering and leaving traffic.

1 B. Notwithstanding any other provision of this title, no toll may be imposed or collected on un-tolled lanes or components of a
 2 highway, bridge, or tunnel without approval from the General Assembly. However, such prohibition shall not apply to (i)
 3 reconstruction with additional lanes of a highway, bridge, or tunnel provided that the number of un-tolled non-high-occupancy
 4 vehicle lanes, excluding auxiliary lanes, after the reconstruction is not less than the number of un-tolled, non-high-occupancy
 5 vehicle lanes, excluding auxiliary lanes, prior to such reconstruction; (ii) new construction that is opened to the public as a tolled
 6 facility; (iii) new construction that is opened to the public as high-occupancy vehicle lanes; (iv) existing high-occupancy vehicle
 7 lanes; or (v) an existing lane on a segment of a highway whose length does not exceed 10 miles and is between an interchange and
 8 an interchange or an interchange and a bridge, provided that the number of un-tolled non-high-occupancy vehicle lanes on such
 9 segment is equal to the number of un-tolled non-high-occupancy vehicle lanes on the portion of the highway preceding such
 10 segment.

11 C. Notwithstanding the provisions of subsection B, prior approval of the General Assembly shall be required prior to the
 12 imposition and collection of any toll for use of all or any portion of (i) a non-limited access highway except for a bridge, tunnel, or
 13 the approaches to a bridge or tunnel or (ii) Interstate 81.

14 **§ 33.2-309. Tolls for use of Interstate System components.**

15 A. Subject to the limitations provided in § 33.2-118 and in accordance with all applicable federal and state statutes and
 16 requirements, the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use
 17 of any component of the Interstate System within the Commonwealth.

18 B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor
 19 vehicles to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion,
 20 and improve air quality and for such other purposes as may be permitted by federal law.

21 C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed
 22 automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make
 23 payments. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll
 24 collection in some lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on
 25 local traffic movement as factors in determining the location of the toll facilities authorized pursuant to this section.

26 D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated
 27 subaccounts in the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:

28 1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and
 29 improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects
 30 that are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations,
 31 planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project
 32 allocations from such revenues deposited into the Transportation Trust Fund.

33 2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

34 3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

35 **4. That the provisions of this act adding § 33.2-118 to the Code of Virginia, as created by this act, and § 33.2-309 of the**
 36 **Code of Virginia, as amended by this act, shall become effective upon the return of the Commonwealth's spot in the**
 37 **Interstate System Reconstruction and Rehabilitation Pilot Program.**

38 **5. Enactments 4 and 5 of Chapters 778 and 779 of the 2016 Acts of Assembly are hereby repealed. The General Assembly**
 39 **finds that the creation of the Virginia Growth and Opportunity Foundation to support the Board satisfies the intent of**
 40 **Enactment 4 of Chapters 778 and 779 of the 2016 Acts of Assembly.**

41 **6. Enactment 2 of Chapters 776 and 777 of the 2016 Acts of Assembly are hereby repealed.**

42 **7. A.I. Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund**
 43 **revenues collected and deposited for fiscal year 2017 that are in excess of the official forecast contained in this act, shall be**
 44 **reflected by the Comptroller as committed on the June 30, 2017, preliminary balance sheet pursuant to the provisions of**
 45 **this enactment for the purposes of establishing a cash reserve to mitigate any potential revenue shortfalls that may arise**
 46 **during the remainder of the biennium.**

47 **2. Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund revenues**
 48 **collected and deposited for fiscal year 2018 that are in excess of the official forecast contained in this act, shall be reflected by**
 49 **the Comptroller as committed on the June 30, 2018, preliminary balance sheet pursuant to the provisions of this section for the**
 50 **purposes of establishing a cash reserve to mitigate any potential revenue or transfer shortfalls that may arise during the**
 51 **remainder of the biennium.**

52 B. To determine the amounts that are to be committed, the Comptroller shall first determine the revenues that were

- 1 collected in excess of the revenues forecast in this act. He shall then reduce those revenues for the following adjustments:
- 2 1. Any amounts that must be restricted such as mandatory deposits to the Revenue Stabilization Fund.
- 3 2. Any amounts that normally would be committed or assigned pursuant to GASB standards.
- 4 3. Any amounts that must be committed for deposit to the Water Quality Improvement Fund from excess general fund revenue
5 collections pursuant to § 10.1-2128 A., Code of Virginia.
- 6 4. Any other amounts that are required to be committed or assigned pursuant to any other items or provisions of this act, which
7 would include mandatory carryforwards, unexpended balances in capital projects, and balances required to be carried forward
8 for fiscal year 2018 *or fiscal year 2019*.
- 9 C. The amount that remains after deduction of the amounts listed above from the surplus revenues on June 30, 2017, *or June*
10 *30, 2018*, shall be further reduced by fifty percent.
- 11 D. The Comptroller shall then reflect the remaining fifty percent as a commitment on the preliminary balance sheet entitled
12 Revenue Cash Reserve to be held solely for the purposes of mitigating any loss of general fund revenues *or transfers* in fiscal
13 year 2018 from the official forecast contained in this act.
- 14 E. The Comptroller may draw against the balances of the Revenue Cash Reserve for an amount equal to any shortfall in
15 general fund revenue *or transfer* collections from the official forecast contained in this act for fiscal year 2018.
- 16 8. That the provisions of the first enactment, second enactment, and seventh enactment of this act shall expire at midnight on
17 June 30, 2018. The provisions of the third, fourth, fifth, and sixth enactments of this act shall have no expiration date.
