3	F. Concurrent with the date the Governor introduces the budget bill, the Directors of the			
4	Departments of Planning and Budget and Human Resource Management shall provide to			
5	the Chairmen of the House Appropriations and Senate Finance Committees a report			
6	detailing the assumptions included in the Governor's introduced budget for the state			
7	employee health insurance plan. The report shall include the proposed premium schedule			
8	that would be effective for the upcoming fiscal year and any proposed changes to the			
9	benefit structure.			
10	G. Of money appropriated for the state employee health insurance fund, \$500,000 the first

33	division's average daily membership for grades K-12 including (1) handicapped students ages			
34	5-21 and (2) students for whom English is a second language who entered school for the first			
35	time after reaching their twelfth birthday, and who have not reached twenty-two years of age			
36	on or before August 1 of the school year, for the first seven (7) months (or equivalent period)			
37	of the school year through March 31 in which state funds are distributed from this			
38	appropriation. Preschool and postgraduate students shall not be included in March 31 ADM.			
39	a. School divisions shall take a count of September 30 fall membership and report this			
40	information to the Department of Education no later than October 15 of each year.			
41	b. Except as otherwise provided herein, by statute, or by precedent, all appropriations to the			
42	Department of Education shall be calculated using March 31 ADM unadjusted for half-day

1	d. Students enrolled in an Individualized Student Alternative Education Program (ISAEP)				
2	pursuant to § 22.1-254 E shall be counted in the March 31 Average Daily Membership of				
3	the responsible school division. School divisions shall report these students separately in				
4	their March 31 reports of Average Daily Membership.				
5	2. "Standards of Quality" - Operations standards for grades kindergarten through 12 as				
6	prescribed by the Board of Education subject to revision by the General Assembly.				
7	3.a. "Basic Operation Cost" - The cost per pupil, including provision for the number of				
8	instructional personnel required by the Standards of Quality for each school division with				
9	a minimum ratio of 51 professional personnel for each 1,000 pupils or proportionate				
10	number thereof, in March 31 ADM for the same fiscal year for which the costs are				
11	computed, and including provision for driver, gifted, occupational-vocational, and special				
12	education, library materials and other teaching materials, teacher sick leave, general				
13	administration, division superintendents' salaries, free textbooks (including those for free				
14	and reduced price lunch pupils), school nurses, operation and maintenance of school plant,				
15	transportation of pupils, instructional television, professional and staff improvement,				
16	remedial work, fixed charges and other costs in programs not funded by other state and/or				
17	federal aid.				
18	b. The state and local shares of funding resulting from the support cost calculation for				
19	school nurses shall be specifically identified as such and reported to school divisions				
20	annually. School divisions may spend these funds for licensed school nurse positions				
21	employed by the school division or for licensed nurses contracted by the local school				
22	division to provide school health services.				
23	4.a. "Composite Index of Local Ability-to-Pay" - An index figure computed for each				
24	locality. The composite index is the sum of 2/3 of the index of wealth per pupil in				
25	unadjusted March 31 ADM reported for the first seven (7) months of the 2013-2014				
26	school year and 1/3 of the index of wealth per capita (population estimates for 2013 as				
27	determined by the Weldon Cooper Center for Public Service of the University of Virginia)				
28	multiplied by the local nominal share of the costs of the Standards of Quality of 0.45 in				
29	each year. The indices of wealth are determined by combining the following constituent				
30	index elements with the indicated weighting: (1) true values of real estate and public				
31	service corporations as reported by the State Department of Taxation for the calendar year				
32	2013 - 50 percent; (2) adjusted gross income for the calendar year 2013 as reported by the				
33	State Department of Taxation - 40 percent; (3) the sales for the calendar year 2013 which				
34	are subject to the state general sales and use tax, as reported by the State Department of				
35	Taxation - 10 percent. Each constituent index element for a locality is its sum per March				
36	31 ADM, or per capita, expressed as a percentage of the state average per March 31 ADM,				
37	or per capita, for the same element. A locality whose composite index exceeds 0.8000				
38	shall be considered as having an index of 0.8000 for purposes of distributing all payments				
39	based on the composite index of local ability-to-pay. Each constituent index element for a				
40	locality used to determine the composite index of local ability-to-pay for the current				
41	biennium shall be the latest available data for the specified official base year provided to				
42	the Department of Education by the responsible source agencies no later than November				
43	15, 2015.				
44	b. For any locality whose total calendar year 2013 Virginia Adjusted Gross Income is				
45	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident				
46	income shall be excluded in computing the composite index of ability-to-pay. The				
47	Department of Education shall compute the composite index for such localities by using				
48	adjusted gross income data which exclude nonresident income, but shall not adjust the				
49	composite index of any other localities. The Department of Taxation shall furnish to the				
50	Department of Education such data as are necessary to implement this provision.				
51	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional				
52	state funding for future consolidations shall be as set forth in future Appropriation Acts.				
53	2) In the case of the consolidation of Clifton Forge and Alleghany County school				
54	divisions, the fifteen year period for the application of a new composite index shall apply				
55	beginning with the fiscal year that starts on July 1, 2004. The composite index established				
56	by the Board of Education shall equal the lowest composite index that was in effect prior

1	to July 1, 2004, of any individual localities involved in such consolidation, and this index			
2	shall remain in effect for a period of fifteen years, unless a lower composite index is			
3	calculated for the combined division through the process for computing an index as set forth			
4	above.			
5	3) If the composite index of a consolidated school division is reduced during the course of the			
6	fifteen year period to a level that would entitle the school division to a lower interest rate for a			
7	Literary Fund loan than it received when the loan was originally released, the Board of			
8	Education shall reduce the interest rate of such loan for the remainder of the period of the			
9	loan. Such reduction shall be based on the interest rate that would apply at the time of such			
10	adjustment. This rate shall remain in effect for the duration of the loan and shall apply only to			
11	those years remaining to be paid.			
12	4) In the case of the consolidation of Bedford County and Bedford City school divisions, the			
13	fifteen year period for the application of a new composite shall apply beginning with the fiscal			
14	year that starts on July 1, 2013. The composite index established by the Board of Education			
15	shall equal the lowest composite index that was in effect prior to July 1, 2013, of any			
16	individual localities involved in such consolidation, and this index shall remain in effect for a			
17	period of fifteen years, unless a lower composite index is calculated for the combined division			
18	through the process for computing an index as set forth above.			
19	d. When it is determined that a substantial error exists in a constituent index element, the			
20	Department of Education will make adjustments in funding for the current school year only in			
21	the division where the error occurred, <i>except in the case of Roanoke County for the 2017-2018</i>			
22	<i>school year</i> . The composite index of any other locality shall not be changed as a result of the			
23	adjustment. No adjustment during the biennium will be made as a result of updating of data			
24	used in a constituent index element.			
25	e. In the event that any school division consolidates two or more small schools, the division			
26	shall continue to receive Standards of Quality funding and provide for the required local			
27	expenditure for a period of five years as if the schools had not been consolidated. Small			
28	schools are defined as any elementary, middle, or high school with enrollment below 200, 300			
29	and 400 students, respectively.			
30	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based on			
31	the composite index of local ability-to-pay of the cost required by all the Standards of Quality			
32	minus its estimated revenues from the state sales and use tax dedicated to public education			
33	and those sales tax revenues transferred to the general fund from the Public Education			
34	Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated in this			
35	Item, both of which are returned on the basis of the latest yearly estimate of school age			
36	population provided by the Weldon Cooper Center for Public Service, as specified in this			
37	Item, collected by the Department of Education and distributed to school divisions in the			
38	fiscal year in which the school year begins.			
39	6. "Required Local Match" - The locality's required share of program cost based on the			
40	composite index of local ability-to-pay for all Lottery and Incentive programs, where

51	9. Entitlements under this Item that use school-level or division-level Free Lunch eligibility			
52	percentages to determine the entitlement amounts are based on the most recent data available			
53	as of the biennial rebenchmarking calculations made for the current biennium. However,			
54	October 2013 Free Lunch eligibility data is used in the case of schools that participate in the

2	the entitlements payable to school divisions pursuant to the provisions of this Item, the			
3	Department of Education is authorized to transfer any available general fund funds			
4	between these Items to address such insufficiencies. If the total general fund			
5	appropriations after such transfers remain insufficient to meet the entitlements of any			
6	program funded with general fund dollars, the Department of Education is authorized to			
7	prorate such shortfall proportionately across all of the school divisions participating in any			
8	program where such shortfall occurred. In addition, the Department of Education is			
9	authorized each year to temporarily suspend textbook payments made to school divisions			
10	from Lottery funds to ensure that any shortfall in Lottery revenue can be accounted for in			
11	the remaining textbook payments to be made for the year.			
12	11. The Department of Education is directed to apply a cap on inflation rates in the same			
13	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school			
14	divisions during the biennial rebenchmarking process.

19	Standards of Quality (SOQ).			
20	13. Notwithstanding any other provision in statute or in this Item, the Department of			
21	Education is directed to include zeroes in the linear weighted average calculation of

33	the Standards of Quality (SOQ).			
34	16. Notwithstanding any other provision in statute or in this Item, the Department of			
35	Education is directed to fund transportation costs using a 15 year replacement schedule,			
36	which is the national standard guideline, for school bus replacement schedule for the			
37	purpose of calculating funded transportation costs included in the Standards of Quality			
38	(SOQ).			
39	17. To provide temporary flexibility, notwithstanding any other provision in statute or in			
40	this Item, school divisions may elect to increase the teacher to pupil staffing ratios in			
41	kindergarten through grade 7 and English classes for grades 6 through twelve by one			
42	additional student; the teacher to pupil staffing ratio requirements for Elementary

48	librarians and guidance counselors staffing ratios for new hires are waived.			
49	18. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code			
50	of Virginia, any school division that was granted a waiver regarding the opening date of			
51	the school year for the 2011-12 school year under the good cause requirements shall

14	benefit costs of 55 percent of the employer's cost distributed on the basis of the composite			
15	index.			
16	2) A locality whose composite index exceeds 0.8000 shall be considered as having an index			
17	of 0.8000 for purposes of distributing fringe benefit funds under this provision.			
18	3) The state payment to each school division for retirement, social security, and group life			
19	insurance costs for non-instructional personnel is included in and distributed through Basic

27	requirements.			
28	3. In the event the statewide number of pupils in March 31 ADM results in a state share of			
29	cost exceeding the general fund appropriation in this Item, the locality's state share of Basic			
30	Aid shall be reduced proportionately so that this general fund appropriation will not be			
31	exceeded. In addition, the required local share of Basic Aid shall also be reduced			
32	proportionately to the reduction in the state's share.			
33	4. The Department of Education shall make equitable adjustments in the computation of			
34	indices of wealth and in other state-funded accounts for localities affected by annexation,			
35	unless a court of competent jurisdiction makes such adjustments. However, only the indices of			
36	wealth and other state-funded accounts of localities party to the annexation will be adjusted.			
37	5. In the event that the actual revenues from the state sales and use tax dedicated to public			
38	education and those sales tax revenues transferred to the general fund from the Public			
39	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated

41	population provided by the Weldon Cooper Center for Public Service) for sales in the fiscal			
42	year in which the school year begins are different from the number estimated as the basis for			
43	this appropriation, the estimated state sales and use tax revenues shall not be adjusted.

3	depending upon a school division's combined failure rate on the English and Math			
4	Standards of Learning, is included in Remedial Education Payments (C 9).			
5	b. No actions provided in this section signify any intent of the General Assembly to			
6	mandate an increase in the number of instructional personnel per 1,000 students above the			
7	numbers explicitly stated in the preceding paragraph.			
8	c. Appropriations in this Item include programs supported in part by transfers to the			
9	general fund from the Public Education Standards of Quality/Local Real Estate Property			
10	Tax Relief Fund pursuant to Part 3 of this Act. These transfers combined together with			
11	other appropriations from the general fund in this Item funds the state's share of the			
12	following revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the			
13	Acts of Assembly of 2004: five elementary resource teachers per 1,000 students; one			
14	support technology position per 1,000 students; one instructional technology position per			
15	1,000 students; and a full daily planning period for teachers at the middle and high school			
16	levels in order to relieve the financial pressure these education programs place on local			
17	real estate taxes.			
18	d. To provide flexibility, school divisions may use the state and local funds for			
19	instructional technology resource teachers required by the Standards of Quality to employ			
20	a data coordinator position, an instructional technology resource teacher position, or a data			
21	coordinator/instructional resource teacher blended position. The data coordinator position			
22	is intended to serve as a resource to principals and classroom teachers in the area of data			
23	analysis and interpretation for instructional and school improvement purposes, as well as			
24	for overall data management and administration of state assessments. School divisions			
25	using these SOQ funds in this manner shall only employ instructional personnel licensed			
26	by the Board of Education.			
27	e. To provide flexibility in the provision of reading intervention services, school divisions			
28	may use the state Early Reading Intervention initiative funding provided from the Lottery			
29	Proceeds Fund and the required local matching funds to employ reading specialists to			
30	provide the required reading intervention services. School divisions using the Early			
31	Reading Intervention Initiative funds in this manner shall only employ instructional			
32	personnel licensed by the Board of Education.			
33	f. To provide flexibility in the provision of mathematics intervention services, school			
34	divisions may use the state Standards of Learning Algebra Readiness initiative funding			
35	provided from the Lottery Proceeds Fund and the required local matching funds to employ			
36	mathematics teacher specialists to provide the required mathematics intervention services.			
37	School divisions using the Standards of Learning Algebra Readiness initiative funding in			
38	this manner shall only employ instructional personnel licensed by the Board of Education.			
39	8.a.1) Pursuant to § 22.1-97, Code of Virginia, the Department of Education is required to			
40	make calculations at the start of the school year to ensure that school divisions have			
41	appropriated adequate funds to support their estimated required local expenditure for the			
42	corresponding state fiscal year. In an effort to reduce the administrative burden on school			
43	divisions resulting from state data collections, such as the one needed to make the			
44	aforementioned calculations, the requirements of § 22.1-97, Code of Virginia, pertaining			
45	to the adequacy of estimated required local expenditures, shall be satisfied by signed			
46	certification by each division superintendent at the beginning of each school year that			
47	sufficient local funds have been budgeted to meet all state required local effort and			
48	required local match amounts. This provision shall only apply to calculations required of			
49	the Department of Education related to estimated required local expenditures and shall not			
50	pertain to the calculations associated with actual required local expenditures after the close			
51	of the school year.			
52	2) The Department of Education shall also make calculations after the close of the school			
53	year to verify that the required local effort level, based on actual March 31 Average Daily			
54	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of			
55	Education shall report annually, no later than the first day of the General Assembly			
56	session, to the House Committees on Education and Appropriations and the Senate			
57	Committees on Finance and Education and Health, the results of such calculations made

1	after the close of the school year and the degree to which each school division has met, failed			
2	to meet, or surpassed its required local expenditure. The Department of Education shall			
3	specify the calculations to determine if a school division has expended its required local			
4	expenditure for the Standards of Quality. This calculation may include but is not limited to the			
5	following calculations:			
6	b. The total expenditures for operation, defined as total expenditures less all capital outlays,			
7	expenditures for debt service, facilities, non-regular day school programs (such as adult			
8	education, preschool, and non-local education programs), and any transfers to regional			
9	programs will be calculated.			
10	c. The following state funds will be deducted from the amount calculated in paragraph a.			
11	above: revenues from the state sales and use tax (returned on the basis of the latest yearly			
12	estimate of school age population provided by the Weldon Cooper Center for Public Service,			
13	as specified in this Item) for sales in the fiscal year in which the school year begins; total			
14	receipts from state funds (except state funds for non-regular day school programs and state			
15	funds used for capital or debt service purposes); and the state share of any balances carried			
16	forward from the previous fiscal year. Any qualifying state funds that remain unspent at the			
17	end of the fiscal year will be added to the amount calculated in paragraph a. above.			
18	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will also			
19	be deducted from the amount calculated in paragraph a. above. Any federal funds that remain			
20	unspent at the end of the fiscal year and any capital expenditures paid from federal funds will			
21	be added to the amount calculated in paragraph a. above.			
22	e. Tuition receipts, receipts from payments from other cities or counties, and fund transfers			
23	will also be deducted from the amount calculated in paragraph a, then			
24	f. The final amount calculated as described above must be equal to or greater than the required			
25	local expenditure defined in paragraph A. 5.			
26	g. The Department of Education shall collect the data necessary to perform the calculations of			
27	required local expenditure as required by this section.			
28	h. A locality whose expenditure in fact exceeds the required amount from local funds may not			
29	reduce its expenditures unless it first complies with all of the Standards of Quality.			
30	9.a. Any required local matching funds which a locality, as of the end of a school year, has			
31	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the locality			
32	into the general fund of the state treasury. Such payments shall be made not later than the end			
33	of the school year following that in which the under expenditure occurs.			
34	b. Whenever the Department of Education has recovered funds as defined in the preceding			
35	paragraph a., the Secretary of Education is authorized to repay to the locality affected by that			
36	action, seventy-five percent (75%) of those funds upon his determination that:			
37	1) The local school board agrees to include the funds in its June 30 ending balance for the			
38	year following that in which the under expenditure occurs;			
39	2) The local governing body agrees to reappropriate the funds as a supplemental appropriation			
40	to the approved budget for the second year following that in which the under expenditure			
41	occurs, in an appropriate category as requested by the local school board, for the direct benefit			
42	of the students;			
43	3) The local school board agrees to expend these funds, over and above the funds required to			
44	meet the required local expenditure for the second year following that in which the under			
45	expenditure occurs, for a special project, the details of which must be furnished to the			
46	Department of Education for review and approval;			
47	4) The local school board agrees to submit quarterly reports to the Department of Education			
48	on the use of funds provided through this project award; and			
49	5) The local governing body and the local school board agree that the project award will be			
50	cancelled and the funds withdrawn if the above conditions have not been met as of June 30 of			
51	the second year following that in which the under expenditure occurs.

1	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum				
2	sufficient, not to exceed 75 percent of the funds deposited in the general fund pursuant to				
3	the preceding paragraph a.				
4	10. The Department of Education shall specify the manner for collecting the required				
5	information and the method for determining if a school division has expended the local				
6	funds required to support the actual local match based on all Lottery and Incentive				
7	programs in which the school division has elected to participate. Unless specifically stated				
8	otherwise in this Item, school divisions electing to participate in any Lottery or Incentive				
9	program that requires a local funding match in order to receive state funding, shall certify				
10	to the Department of Education its intent to participate in each program by July 1 each				
11	fiscal year in a manner prescribed by the Department of Education. As part of this				
12	certification process, each division superintendent must also certify that adequate local				
13	funds have been appropriated, above the required local effort for the Standards of Quality,				
14	to support the projected required local match based on the Lottery and Incentive programs				
15	in which the school division has elected to participate. State funding for such program(s)				
16	shall not be made until such time that the school division can certify that sufficient local				
17	funding has been appropriated to meet required local match. The Department of Education				
18	shall make calculations after the close of the fiscal year to verify that the required local				
19	match was met based on the state funds that were received.				
20	11. Any sum of local matching funds for Lottery and Incentive program which a locality				
21	has not expended as of the end of a fiscal year in support of the required local match				
22	pursuant to this Item shall be paid by the locality into the general fund of the state treasury				
23	unless the carryover of those unspent funds is specifically permitted by other provisions of				
24	this act. Such payments shall be made no later than the end of the school year following				
25	that in which the under expenditure occurred.				
26	12. The Superintendent of Public Instruction shall provide a report annually, no later than				
27	the first day of the General Assembly session, on the status of teacher salaries, by local				
28	school division, to the Governor and the Chairmen of the Senate Finance and House				
29	Appropriations Committees. In addition to information on average salaries by school				
30	division and statewide comparisons with other states, the report shall also include				
31	information on starting salaries by school division and average teacher salaries by school.				
32	13. All state and local matching funds required by the programs in this Item shall be				
33	appropriated to the budget of the local school board.				
34	14. By November 15 of each year, the Department of Planning and Budget, in cooperation				
35	with the Department of Education, shall prepare and submit a preliminary forecast of				
36	Standards of Quality expenditures, based upon the most current data available, to the				
37	Chairmen of the House Appropriations and Senate Finance Committees. In odd-numbered				
38	years, the forecast for the current and subsequent two fiscal years shall be provided. In				
39	even-numbered years, the forecast for the current and subsequent fiscal year shall be				
40	provided. The forecast shall detail the projected March 31 Average Daily Membership and				
41	the resulting impact on the education budget.				
42	15. School divisions may choose to use state payments provided for Standards of Quality				
43	Prevention, Intervention, and Remediation in both years as a block grant for remediation				
44	purposes, without restrictions or reporting requirements, other than reporting necessary as				
45	a basis for determining funding for the program.				
46	16. Except as otherwise provided in this act, the Superintendent of Public Instruction shall				
47	provide guidelines for the distribution and expenditure of general fund appropriations and				
48	such additional federal, private and other funds as may be made available to aid in the				
49	establishment and maintenance of the public schools.				
50	17. At the Department of Education's option, fees for audio-visual services may be				
51	deducted from state Basic Aid payments for individual local school divisions.				
52	18. For distributions not otherwise specified, the Department of Education, at its option,				
53	may use prior year data to calculate actual disbursements to individual localities.

2	monthly installments at the middle and end of each month.			
3	20. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
4	Department of Education shall, for purposes of calculating the state and local shares of the			
5	Standards of Quality, apportion state sales and use tax dedicated to public education and those			
6	sales tax revenues transferred to the general fund from the Public Education Standards of			
7	Quality/ Local Real Estate Property Tax Relief Fund in the first year based on the July 1,			
8	2014, estimate of school age population provided by the Weldon Cooper Center for Public			
9	Service and, in the second year, based on the July 1, 2015, estimate of school age population			
10	provided by the Weldon Cooper Center for Public Service.			
11	Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the State			
12	Comptroller shall distribute the state sales and use tax revenues dedicated to public education			
13	and those sales tax revenues transferred to the general fund from the Public Education

17	population provided by the Weldon Cooper Center for Public Service.			
18	21. The school divisions within the Tobacco Region, as defined by the Tobacco			
19	Indemnification and Community Revitalization Commission, shall jointly explore ways to			
20	maximize their collective expenditure reimbursement totals for all eligible E-Rate funding.			
21	22. This Item includes appropriations totaling an estimated \$608,581,144 the first year and			
22	\$546,495,789 \$608,478,743 the second year from the revenues deposited to the Lottery			
23	Proceeds Fund. These amounts are appropriated for distribution to counties, cities, and towns			
24	to support public education programs pursuant to Article X, Section 7-A Constitution of			
25	Virginia. Any county, city, or town which accepts a distribution from this fund shall provide			
26	its portion of the cost of maintaining an educational program meeting the Standards of Quality			
27	pursuant to Section 2 of Article VIII of the Constitution without the use of distributions from			
28	the fund.			
29	23. For reporting purposes, the Department of Education shall include Lottery Proceeds Funds			
30	as state funds.			
31	24.a. Any locality that has met its required local effort for the Standards of Quality accounts			
32	for FY 2017 and that has met its required local match for incentive or Lottery-funded			
33	programs in which the locality elected to participate in FY 2017 may carry over into FY 2018			
34	any remaining state Direct Aid to Public Education fund balances available to help minimize			
35	any FY 2018 revenue adjustments that may occur in state funding to that locality. Localities			
36	electing to carry forward such unspent state funds must appropriate the funds to the school			
37	division for expenditure in FY 2018.			
38	b. Any locality that has met its required local effort for the Standards of Quality accounts for			
39	FY 2018 and that has met its required local match for incentive or Lottery-funded programs in			
40	which the locality elected to participate in FY 2018 may carry over into FY 2019 any			
41	remaining state Direct Aid to Public Education fund balances available to help minimize any			
42	FY 2019 revenue adjustments that may occur in state funding to that locality. Localities			
43	electing to carry forward such unspent state funds must appropriate the funds to the school			
44	division for expenditure in FY 2019.			
45	25. Localities are encouraged to allow school boards to carry over any unspent local			
46	allocations into the next fiscal year. Localities are also encouraged to provide increased			
47	flexibility to school boards by appropriating state and local funds for public education in a			
48	lump sum.			
49	26. The Department of Education shall include in the annual School Performance Report Card			
50	for school divisions the percentage of each division's annual operating budget allocated to			
51	instructional costs. For this report, the Department of Education shall establish a methodology			
52	for allocating each school division's expenditures to instructional and non-instructional costs			
53	in a manner that is consistent with the funding of the Standards of Quality as approved by the

10	C. Apportionment			
11	1. Subject to the conditions stated in this paragraph and in paragraph B of this Item, each

14	of, and without further payment by reason of, state funds for library and other teaching			
15	materials.			
16	2. School Employee Retirement Contributions			
17	a. This Item provides funds to each local school board for the state share of the employer's

19	to the retirement allowance account as provided by Title 51.1, Chapter 1, Code of			
20	Virginia.			
21	b. Notwithstanding § 51.1-1401, Code of Virginia, the Commonwealth shall provide			
22	payments for only the state share of the Standards of Quality fringe benefit cost of the			
23	retiree health care credit. This Item includes payments in both years based on the state			
24	share of fringe benefit costs of 55 percent of the employer's cost on funded Standards of			
25	Quality instructional positions, distributed based on the composite index of the local			
26	ability-to-pay.			
27	3. School Employee Social Security Contributions			
28	a. This Item provides funds to each local school board for the state share of the employer's			
29	Social Security cost incurred by it, on behalf of the instructional personnel for subsequent

31	b. Appropriations for contributions in paragraphs 2 and 3 above include payments from			
32	funds derived from the principal of the Literary Fund in accordance with Article VIII,			
33	Section 8, of the Constitution of Virginia. The amounts set aside from the Literary Fund

35	second year.			
36	4. School Employee Insurance Contributions

41	5. Basic Aid Payments			
42	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is			
43	established individually for each local school division based on the number of			
44	instructional personnel required by the Standards of Quality and the statewide prevailing			
45	salary levels (adjusted in Planning District Eight for the cost of competing) as well as			
46	recognized support costs calculated on a prevailing basis for an estimated March 31 ADM.			
47	2) This appropriation includes funding to recognize the common labor market in the			
48	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.			
49	Standards of Quality salary payments for instructional and support positions in school

1	Planning District Eight. For the counties of Stafford, Fauquier, Spotsylvania, Clarke, Warren,			
2	Frederick, and Culpeper and the Cities of Fredericksburg and Winchester, the SOQ payments			
3	for instructional and support positions have been increased by 25 percent each year of the			
4	COCA rates paid to school divisions in Planning District Eight.			
5	The support COCA rate is 10.6 percent.			
6	b. The state share for a locality shall be equal to the Basic Operation Cost for that locality less			
7	the locality's estimated revenues from the state sales and use tax (returned on the basis of the			
8	latest yearly estimate of school age population provided by the Weldon Cooper Center for			
9	Public Service, as specified in this Item), in the fiscal year in which the school year begins			
10	and less the required local expenditure.			
11	c. For the purpose of this paragraph, the Department of Taxation's fiscal year sales and use tax			
12	estimates are as cited in this Item.			
13	d. 1) In accordance with the provisions of § 37.2-713, Code of Virginia, the Department of

19	support of the cost of educating such persons; the amount deducted from Basic Aid for the			
20	education of emotionally disturbed persons shall be used to cover extraordinary expenses			
21	incurred in the education of such persons. The Department of Education shall establish			
22	guidelines to implement these provisions and shall provide for the periodic transfer of sums			
23	due from each local school division to the Department of Behavioral Health and			
24	Developmental Services and for Special Education categorical payments. The amount of the			
25	actual transfers will be based on data accumulated during the prior school year.			
26	e. 1) The apportionment to localities of all driver education revenues received during the			
27	school year shall be made as an undesignated component of the state share of Basic Aid in			
28	accordance with the provisions of this Item. Only school divisions complying with the			
29	standardized program established by the Board of Education shall be entitled to participate in			
30	the distribution of state funds appropriated for driver education. The Department of Education			
31	will deduct a designated amount per pupil from a school division's Basic Aid payment when			
32	the school division is not in compliance with § 22.1-205 C, Code of Virginia. Such amount			
33	will be computed by dividing the current appropriation for the Driver Education Fund by			
34	actual March 31 ADM.			
35	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education			
36	provided, however, that the fee charged plus the per pupil basic aid reimbursement for driver			
37	education shall not exceed the actual average per pupil cost. Such fees shall not be cause for a			
38	pro rata reduction in Basic Aid payments to school divisions.			
39	f. Textbooks			
40	1) The appropriation in this Item includes \$12,159,059 the first year and \$76,599,186

42	Lottery Proceeds Fund as the state's share of the cost of textbooks based on a per pupil			
43	amount of \$109.78 the first year and \$109.78 the second year. A school division shall			
44	appropriate these funds for textbooks or any other public education instructional expenditure			
45	by the school division. The state's distributions for textbooks shall be based on adjusted			
46	March 31 ADM. These funds shall be matched by the local government, based on the			
47	composite index of local ability-to-pay.			
48	2) School divisions shall provide free textbooks to all students.			
49	3) School divisions may use a portion of this funding to purchase Standards of Learning			
50	instructional materials. School divisions may also use these funds to purchase electronic			
51	textbooks or other electronic media resources integral to the curriculum and classroom			
52	instruction and the technical equipment required to read and access the electronic textbooks			
53	and electronic curriculum materials.

2	June 30, 2017, or June 30, 2018, shall be carried on the books of the locality to be			
3	appropriated to the school division the following year to be used for same purpose. School			
4	divisions are permitted to carry forward any remaining balance of textbook funds until the			
5	funds are expensed for a qualifying purpose.			
6	g. The one-cent state sales and use tax earmarked for education and the sales tax revenues			
7	transferred to the general fund from the Public Education Standards of Quality/Local Real			
8	Estate Property Tax Relief Fund and appropriated in this Item which are distributed to			
9	localities on the basis of the latest yearly estimate of school age population provided by			
10	the Weldon Cooper Center for Public Service as specified in this Item shall be reflected in			
11	each locality's annual budget for educational purposes as a separate revenue source for the			
12	current fiscal year.			
13	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes			
14	amounts estimated at \$365,400,000 the first year and \$374,280,780 \$379,100,000 the			
15	second year from the amounts transferred to the general fund from the Public Education			
16	Standards of Quality/Local Real Estate Property Tax Relief Fund pursuant to Part 3 of this			
17	act which are derived from the 0.375 cent increase in the state sales and use tax levied			
18	pursuant to § 58.1-638, Code of Virginia. These additional funds are provided to local			
19	school divisions and local governments in order to relieve the financial pressure education			
20	programs place on local real estate taxes.			
21	i. From the total amounts in paragraph h. above, an amount estimated at \$243,600,000 the			
22	first year and \$249,487,190 \$252,700,000 the second year (approximately 1/4 cent of sales			
23	and use tax) is appropriated to support a portion of the cost of the state's share of the			
24	following revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the			
25	Acts of Assembly of 2004: five elementary resource teachers per 1,000 students; one			
26	support and one instructional technology position per 1,000 students; a full daily planning			
27	period for teachers at the middle and high school levels in order to relieve the pressure on			
28	local real estate taxes and shall be taken into account by the governing body of the county,			
29	city, or town in setting real estate tax rates.			
30	j. From the total amounts in paragraph h. above, an amount estimated at \$121,800,000 the			
31	first year and \$124,793,590 \$126,400,000 the second year (approximately 1/8 cent of sales			
32	and use tax) is appropriated in this Item to distribute the remainder of the revenues			
33	collected and deposited into the Public Education Standards of Quality/Local Real Estate			
34	Property Tax Relief Fund on the basis of the latest yearly estimate of school age			
35	population provided by the Weldon Cooper Center for Public Service as specified in this			
36	Item.			
37	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio			
38	methodology is used based upon the prevailing ratio of actual support positions, consistent			
39	with those recognized for SOQ funding, to actual instructional positions, consistent with			
40	those recognized for SOQ funding, as established in Chapter 781, 2009 Acts of Assembly.			
41	For the purposes of making the required spending adjustments, the appropriation and			
42	distribution of Basic Aid shall reflect this methodology. Local school divisions shall have			
43	the discretion as to where the adjustment may be made, consistent with the Standards of			
44	Quality funded in this Act.			
45	6. Education of the Gifted Payments			
46	a. An additional payment shall be disbursed by the Department of Education to local			
47	school divisions to support the state share of one full-time equivalent instructional position			
48	per 1,000 students in adjusted March 31 ADM.			
49	b. Local school divisions are required to spend, as part of the required local expenditure			
50	for the Standards of Quality the established per pupil cost for gifted education (state and			
51	local share) on approved programs for the gifted.			
52	7. Occupational-Vocational Education Payments			
53	a. An additional payment shall be disbursed by the Department of Education to the local			
54	school divisions to support the state share of the number of Vocational Education

1	instructors required by the Standards of Quality. These funds shall be disbursed on the same			
2	basis as the payment is calculated.			
3	b. An amount estimated at \$110,555,414 the first year and \$110,801,754 \$110,798,639 the			
4	second year from the general fund included in Basic Aid Payments relates to vocational			
5	education programs in support of the Standards of Quality.			
6	8. Special Education Payments			
7	a. An additional payment shall be disbursed by the Department of Education to the local			
8	school divisions to support the state share of the number of Special Education instructors			
9	required by the Standards of Quality. These funds shall be disbursed on the same basis as the			
10	payment is calculated.			
11	b. Out of the amounts for special education payments, general fund support is provided to			
12	fund the caseload standards for speech pathologists at 68 students for each year of the			
13	biennium.			
14	9. Remedial Education Payments			
15	a. An additional payment estimated at \$113,782,747 the first year and \$113,821,446			
16	\$113,569,762 the second year from the general fund shall be disbursed by the Department of			
17	Education to support the Board of Education's Standards of Quality Prevention, Intervention,			
18	and Remediation program adopted in June 2003.			
19	b. The payment shall be calculated based on one hour of additional instruction per day for			
20	identified students, using the three year average percent of students eligible for the federal			
21	Free Lunch program as a proxy for students needing such services. Fall membership shall be			
22	multiplied by the three year average division-level Free Lunch eligibility percentage to			
23	determine the estimated number of students eligible for services. Pupil-teacher ratios shall be			
24	applied to the estimated number of eligible students to determine the number of instructional			
25	positions needed for each school division. The pupil-teacher ratio applied for each school			
26	division shall range from 10:1 for those divisions with the most severe combined three year			
27	average failure rates for English and math Standards of Learning test scores to 18:1 for those			
28	divisions with the lowest combined three year average failure rates for English and math			
29	Standards of Learning test scores.			
30	c. Funding shall be matched by the local government based on the composite index of local			
31	ability-to-pay.			
32	d. To provide flexibility in the instruction of English Language Learners who have limited			
33	English proficiency and who are at risk of not meeting state accountability standards, school			
34	divisions may use state and local funds from the SOQ Prevention, Intervention, and			
35	Remediation account to employ additional English Language Learner teachers to provide			
36	instruction to identified limited English proficiency students. Using these funds in this manner			
37	is intended to supplement the instructional services provided through the SOQ staffing			
38	standard of 17 instructional positions per 1,000 limited English proficiency students. School			
39	divisions using the SOQ Prevention, Intervention, and Remediation funds in this manner shall			
40	only employ instructional personnel licensed by the Board of Education.			
41	e. An additional state payment estimated at \$76,080,851 \$45,699,972 the second year from			
42	the general fund and \$98,013,725 the first year and \$22,010,800 \$52,046,893 the second year			
43	from the Lottery Proceeds Fund shall be disbursed based on the estimated number of federal			
44	Free Lunch participants, in support of programs for students who are educationally at risk.			
45	The additional payment shall be based on the state share of:			
46	1) A minimum 1.0 percent add-on, as a percent of the per pupil basic aid cost, for each child			
47	who qualifies for the federal Free Lunch Program; and			
48	2) An addition to the add-on, based on the concentration of children qualifying for the federal			
49	Free Lunch Program. Based on its percentage of Free Lunch participants, each school division			
50	will receive between 1.0 and 13.0 percent in additional basic aid per Free Lunch participant.			
51	These funds shall be matched by the local government, based on the composite index of local			
52	ability-to-pay.

1	3a) Local school divisions are required to spend the established at-risk payment (state and			
2	local share) on approved programs for students who are educationally at risk.			
3	b) To receive these funds, each school division shall certify to the Department of			
4	Education that the state and local share of the at-risk payment will be used to support			
5	approved programs for students who are educationally at risk. These programs may			
6	include: Dropout Prevention, community and school-based truancy officer programs,			
7	Advancement Via Individual Determination (AVID), Project Discovery, Reading			
8	Recovery, programs for students who speak English as a second language, or programs			
9	related to increasing the success of disadvantaged students in completing a high school			
10	degree and providing opportunities to encourage further education and training. Further,			
11	each school division shall report to the Department, in the manner prescribed and date set			
12	by the Department, the uses of (i) increased funds in fiscal year 2017 above the levels in			
13	fiscal year 2016, as well as (ii) the uses of the base level of these funds. The Department			
14	shall compile the responses and provide them to the Chairmen of Senate Finance and			
15	House Appropriations Committees no later than the first day of the 2017 Session.			
16	4) If the Board of Education has required a local school board to submit a corrective			
17	action plan pursuant to § 22.1-253.13:3, Code of Virginia, either for the school division			
18	pursuant to a division level review, or for any schools within its division that have been			
19	designated as not meeting the standards as approved by the Board of Education, the			
20	Superintendent of Public Instruction shall determine and report to the Board of Education			
21	whether each such local school board has met its obligation to develop and submit such			
22	corrective action plan(s) and is making adequate and timely progress in implementing the			
23	plan(s). Additionally, if an academic review process undertaken pursuant to § 22.1-			
24	253.13:3, Code of Virginia, has identified actions for a local school board to implement,			
25	the Superintendent of Public Instruction shall determine and report to the Board of			
26	Education whether the local school board has implemented required actions. If the			
27	Superintendent certifies that a local school board has failed or refused to meet any of those			
28	obligations, the Board of Education shall withhold payment of some or all At-Risk Add-			
29	On funds otherwise allocated to the affected division pursuant to this allocation for the			
30	pending fiscal year. In determining the amount of At-Risk Add-On funds to be withheld,			
31	the Board of Education shall take into consideration the extent to which such funds have			
32	already been expended or contractually obligated. The local school board shall be given an			
33	opportunity to correct its failure and, if successful in a timely manner, may have some or			
34	all of its At-Risk Add-On funds restored at the Board of Education's discretion.			
35	f. Regional Alternative Education Programs			
36	1) An additional state payment of \$8,528,727 the first year and \$8,639,782 \$8,838,911 the			
37	second year from the Lottery Proceeds Fund shall be disbursed for Regional Alternative			
38	Education programs. Such programs shall be for the purpose of educating certain expelled			
39	students and, as appropriate, students who have received suspensions from public schools			
40	and students returned to the community from the Department of Juvenile Justice.			
41	2) Each regional program shall have a small student/staff ratio. Such staff shall include,			
42	but not be limited to education, mental health, health, and law enforcement professionals,			
43	who will collaborate to provide for the academic, psychological, and social needs of the			
44	students. Each program shall be designed to ensure that students make the transition back			
45	into the "mainstream" within their local school division.			
46	3) a) Regional alternative education programs are funded through this Item based on the			
47	state's share of the incremental per pupil cost for providing such programs. This			
48	incremental per pupil payment shall be adjusted for the composite index of local ability-			
49	to-pay of the school division that counts such students attending such program in its			
50	March 31 Average Daily Membership. It is the intent of the General Assembly that this			
51	incremental per pupil amount be in addition to the basic aid per pupil funding provided to			
52	the affected school division for such students. Therefore, local school divisions are			
53	encouraged to provide the appropriate portion of the basic aid per pupil funding to the			
54	regional programs for students attending these programs, adjusted for costs incurred by the			
55	school division for transportation, administration, and any portion of the school day or			
56	school year that the student does not attend such program.			
57	b) In the event a school division does not use all of the student slots it is allocated under			

ITEM 139.	Item Details(\$)		Appropriations(\$)	
	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	this program, the unused slots may be reallocated or transferred to another school division.			
2	1. A school division must request from the Department of Education the availability and			
3	possible use of any unused student slots. If any unused slots are available and if the requesting			
4	school division chooses to utilize any of the unused slots, the requesting school division shall			
5	only receive the state's share of tuition for the unused slot that was allocated in this Item for			
6	the originally designated school division.			
7	2. However, no requesting school division shall receive more tuition funding from the state			
8	for any requested unused slot than what would have been the calculated amount for the			
9	requesting school division had the unused slot been allocated to the requesting school division			
10	in the original budget. Furthermore, the requesting school division shall pay for any remaining			
11	tuition payment necessary for using a previously unused slot.			
12	3. The Department of Education shall provide assistance for the state share of the incremental			
13	cost of Regional Alternative Education program operations based on the composite index of			
14	local ability-to-pay.			
15	g. Remedial Summer School			
16	1) This appropriation includes \$24,687,389 the first year and \$25,785,842 \$23,836,129 the			
17	second year from the general fund for the state's share of Remedial Summer School Programs.			
18	These funds are available to school divisions for the operation of programs designed to			
19	remediate students who are required to attend such programs during a summer school session			
20	or during an intersession in the case of year-round schools. These funds may be used in			
21	conjunction with other sources of state funding for remediation or intervention. School			
22	divisions shall have maximum flexibility with respect to the use of these funds and the types			
23	of remediation programs offered; however, in exercising this flexibility, students attending			
24	these programs shall not be charged tuition and no high school credit may be awarded to			
25	students who participate in this program.			
26	2) For school divisions charging students tuition for summer high school credit courses,			
27	consideration shall be given to students from households with extenuating financial			
28	circumstances who are repeating a class in order to graduate.			
29	3) From the amounts provided for Remedial Summer School, there is hereby appropriated			
30	\$300,000 the second year from the general fund to support pilot public-private partnerships			
31	between local school divisions and the Greater Richmond and Central Virginia affiliates of			
32	the Virginia Alliance of YMCAs to expand student participation opportunities in existing			
33	summer Power Scholars Academies in such partnered school divisions. The Virginia Alliance			
34	of YMCAs shall prepare and submit an evaluation report for such pilot partnerships between			
35	the school divisions and the Greater Richmond and Central Virginia YMCA affiliates to the			
36	Chairmen of House Appropriations and Senate Finance Committees no later than October 31,			
37	2018.			
38	10. K-3 Primary Class Size Reduction Payments			
39	a. An additional payment estimated at \$123,321,155 the first year and \$128,583,847			
40	\$121,711,474 the second year from the Lottery Proceeds Fund shall be disbursed by the			
41	Department of Education as an incentive for reducing class sizes in the primary grades.			
42	b. The Department of Education shall calculate the payment based on the incremental cost of			
43	providing the lower class sizes based on the lower of the division average per pupil cost of all			
44	divisions or the actual division per pupil cost.			
45	c. Localities are required to provide a match for these funds based on the composite index of			
46	local ability-to-pay.			
47	d. By October 15 of each year school divisions must provide data to the Department of			
48	Education that each participating school has a September 30 pupil/teacher ratio in grades K			
49	through 3 that meet the following criteria:			
50	Qualifying School Percentage of Students Approved	Grades K-3	Maximum Individual	
51	Eligible for Free Lunch, Three-Year Average	School Ratio	K-3 Class Size

6	e. School divisions may elect to have eligible schools participate at a higher ratio, or only				
7	in a portion of grades kindergarten through three, with a commensurate reduction of state				
8	and required local funds, if local conditions do not permit participation at the established				
9	ratio and/or maximum individual class size. In the event that a school division requires				
10	additional actions to ensure participation at the established ratio and/or maximum				
11	individual class size, such actions must be completed by December 1 of the impacted				
12	school year. Special education teachers and instructional aides shall not be counted				
13	towards meeting these required pupil/teacher ratios in grades kindergarten through three.				
14	f. The Superintendent of Public Instruction may grant waivers to school divisions for the				
15	class size requirement in eligible schools that have only one class in an affected grade				
16	level in the school.				
17	11. Literary Fund Subsidy Program Payments				
18	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
19	provide a program of funding for school construction and renovation through the Literary				
20	Fund and through VPSA bond sales. The program shall be used to provide funds, through				
21	Literary Fund loans and subsidies, and through VPSA bond sales, to fund a portion of the				
22	projects on the First or Second Literary Fund Waiting List, or other critical projects which				
23	may receive priority placement on the First or Second Literary Fund Waiting List by the				
24	Department of Education. Interest rate subsidies will provide school divisions with the				
25	present value difference in debt service between a Literary Fund loan and a borrowing				
26	through the VPSA. To qualify for an interest rate subsidy, the school division's project				
27	must be eligible for a Literary Fund loan and shall be subject to the same restrictions. The				
28	VPSA shall work with the Department of Education in selecting those projects to be				
29	funded through the interest rate subsidy/bond financing program, so as to ensure the				
30	maximum leverage of Literary Fund moneys and a minimum impact on the VPSA Bond				
31	Pool.				
32	b. The Department of Education may offer Literary Fund loans from the uncommitted				
33	balances of the Literary Fund after meeting the obligations of the interest rate subsidy				
34	sales and the amounts set aside from the Literary Fund for Debt Service Payments for				
35	Education Technology in this Item.				
36	c. 1) In the event that on any scheduled payment date of bonds of the Virginia Public

2	\$13,950,086 the second year from the Literary Fund to provide debt service payments for			
3	the education technology grant program conducted through the Virginia Public School			
4	Authority in 2017.			
5	3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues			
6	to pay debt service on the Virginia Public School Authority bonds or notes authorized for			
7	education technology grant programs in fiscal year 2017 and in fiscal year 2018. In			
8	developing the proposed 2018-2020, 2020-2022, and 2022-2024 biennial budgets for

10	Governor to authorize sufficient Literary Fund revenues to make debt service payments			
11	for these programs in fiscal years 2019, 2020, 2021, 2022, and 2023.			
12	4) Grant funds from the issuance of \$67,138,400 in fiscal year 2017 and \$69,169,200			
13	\$58,735,300 in fiscal year 2018 in equipment notes are based on a grant of \$26,000 per			
14	school and \$50,000 per school division. For purposes of this grant program, eligible			
15	schools shall include schools that are subject to state accreditation and reporting			
16	membership in grades K through 12 as of September 30, 2016, for the fiscal year 2017

19	year Governor's Schools, and the School for the Deaf and the Blind. Schools that serve			
20	only pre-kindergarten students shall not be eligible for this grant.			
21	5. a.) Supplemental grants shall be allocated to eligible divisions to support schools that			
22	are not fully accredited in accordance with this paragraph. Schools that include a ninth			
23	grade that administer SOL tests in Spring 2016 and that are not fully accredited for the

25	2016 and fiscal year 2017 will qualify to participate in the Virginia e-Learning Backpack			
26	Initiative in fiscal year 2017 and receive: (1) a supplemental grant of \$400 per student			
27	reported in ninth grade fall membership in a qualifying school for the purchase of a laptop			
28	or tablet for that student and (2) a supplemental grant of \$2,400 per qualifying school to			
29	purchase two content creation packages for teachers. Schools eligible to receive this

36	fiscal years shall continue to be eligible for the remaining years of their grant award.			
37	Schools eligible to receive this supplemental grant in fiscal year 2018 shall continue to			
38	receive the grant for the number of subsequent years equaling the number of grades 9

40	qualifying schools that do not have grades 10, 11, or 12 may transition with the students to			
41	the primary receiving school for all years subsequent to grade 9. Schools are eligible to			
42	receive these grants for a period of up to four years beginning in fiscal year 2014 and shall			
43	not be eligible to receive a separate award in the future once the original award period has			
44	concluded. Schools that are fully accredited or that are new schools with conditional			
45	accreditation in their first year shall not be eligible to receive this supplemental grant.			
46	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-			
47	Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for			
48	(1) the purchase of a laptop or tablet for a student reported in ninth grade fall membership,			
49	and (2) the purchase of two content creation packages for teachers per grant. The amounts			
50	for such grants shall remain unchanged.			
51	6) Required local match:			
52	a) Localities are required to provide a match for these funds equal to 20 percent of the			
53	grant amount, including the supplemental grants provided pursuant to paragraph g. 5). At			
54	least 25 percent of the local match, including the match for supplemental grants, shall be			
55	used for teacher training in the use of instructional technology, with the remainder spent			
56	on other required uses. The Superintendent of Public Instruction is authorized to reduce			
57	the required local match for school divisions with a composite index of local ability-to-pay			
	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match

1	requirement.				
2	b) School divisions that administer 100 percent of SOL tests online in all elementary, middle,				
3	and high schools may use up to 75 percent of their required local match to purchase targeted				
4	technology-based interventions. Such interventions may include the necessary technology and				
5	software to support online learning, technology-based content systems, content management				
6	systems, technology equipment systems, information and data management systems, and				
7	other appropriate technologies that support the individual needs of learners. School divisions				
8	that receive supplemental grants pursuant to paragraph g.5) above shall use the funds in				
9	qualifying schools to purchase laptops and tablets for ninth grade students reported in fall				
10	membership and content creation packages for teachers.				
11	7) The goal of the education technology grant program is to improve the instructional,				
12	remedial, and testing capabilities of the Standards of Learning for local school divisions and				
13	to increase the number of schools achieving full accreditation.				
14	8) Funds shall be used in the following manner:				
15	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1 student to				
16	computer ratio; (2) an Internet-ready local area network (LAN) capability; and (3) high speed				
17	access to the Internet. School connectivity (computers, LANs and network access) shall				
18	include sufficient download/upload capability to ensure that each student will have adequate				
19	access to Internet-based instructional, remedial and assessment programs.				
20	b) When each high school in a division meets the goals established in paragraph a) above, the				
21	remaining funds shall be used to develop similar capability in first the middle schools and				
22	then the elementary schools.				
23	c) For purposes of establishing or enhancing a computer-based instructional program				
24	supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds				
25	may be used to purchase handheld multifunctional computing devices that support a broad				
26	range of applications and that are controlled by operating systems providing full multimedia				
27	support and mobile Internet connectivity. School divisions that elect to use these grant funds				
28	to purchase such qualifying handheld devices must continue to meet the on-line testing				
29	requirements stated in paragraph g. 1) above.				
30	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph g.5)				
31	above. These supplemental grants shall be used in qualifying schools for the purchase of				
32	laptops and tablets for ninth grade students reported in fall membership and content creation				
33	packages for teachers. Participating school divisions will be required to select a core set of				
34	electronic textbooks, applications and online services for productivity, learning management,				
35	collaboration, practice, and assessment to be included on all devices. In addition, participating				
36	school divisions will assume recurring costs for electronic textbook purchases and				
37	maintenance.				
38	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school				
39	divisions became one school division, whether by consolidation of only the school divisions				
40	or by consolidation of the local governments, such resulting division shall be provided				
41	funding through this program on the basis of having the same number of school divisions as				
42	existed prior to September 30, 2000.				
43	9) Local school divisions shall maximize the use of available federal funds, including E-Rate				
44	Funds, and to the extent possible, use such funds to supplement the program and meet the				
45	goals of this program.				
46	h. The Department of Education shall maintain criteria to determine if high schools, middle				
47	schools, or elementary schools have the capacity to meet the goals of this initiative. The				
48	Department of Education shall be responsible for the project management of this program.				
49	i. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public				
50	School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code of Virginia,				
51	and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of				
52	Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less				
53	than the amounts authorized for debt service due on such bonds or notes of the VPSA on such				
54	date, there is hereby appropriated to the VPSA from the general fund a sum equal to such

2	2) The Chairman of the Board of Commissioners of the VPSA shall, on or before				
3	November 1 of each year, make and deliver to the Governor and the Secretary of Finance				
4	a certificate setting forth his estimate of total debt service during each fiscal year of the				
5	biennium on bonds and notes of the VPSA issued and projected to be issued during such				
6	biennium pursuant to the resolution referred to in paragraph 1) above. The Governor's				
7	budget submission each year shall include provisions for the payment of debt service				
8	pursuant to paragraph 1) above.				
9	j. Unobligated proceeds of the notes, including investment income derived from the				
10	proceeds of the notes may be used to pay interest on, or to decrease principal of the notes				
11	or to fund a portion of such other educational technology grants as authorized by the				
12	General Assembly.				
13	k. 1) For the purposes of § 56-232, Code of Virginia, "Contracts of Telephone Companies				
14	with State Government" and for the purposes of § 56-234 "Contracts for Service Rendered				
15	by a Telephone Company for the State Government" shall be deemed to include				
16	communications lines into public schools which are used for educational technology. The				
17	rate structure for such lines shall be negotiated by the Superintendent of Public Instruction				
18	and the Chief Information Officer of the Virginia Information Technologies Agency.				
19	Further, the Superintendent and Director are authorized to encourage the development of				
20	"by-pass" infrastructure in localities where it fails to obtain competitive prices or prices				
21	consistent with the best rates obtained in other parts of the state.				
22	2) The State Corporation Commission, in its consideration of the discount for services				
23	provided to elementary schools, secondary schools, and libraries and the universal service				
24	funding mechanisms as provided under § 254 of the Telecommunications Act of 1996, is				
25	hereby encouraged to make the discounts for intrastate services provided to elementary				
26	schools, secondary schools, and libraries for educational purposes as large as is prudently				
27	possible and to fund such discounts through the universal fund as provided in § 254 of the				
28	Telecommunications Act of 1996. The commission shall proceed as expeditiously as				
29	possible in implementing these discounts and the funding mechanism for intrastate				
30	services, consistent with the rules of the Federal Communications Commission aimed at				
31	the preservation and advancement of universal service.				
32	13. Security Equipment Payments				
33	1) A security equipment grant program shall be conducted through the Virginia Public				
34	School Authority, through the issuance of equipment notes in an amount estimated at up to				
35	\$6,000,000 in fiscal year 2017 and \$6,000,000 in fiscal year 2018 in conjunction with the				
36	Virginia Public School Authority technology notes program authorized in C.12. of this				
37	Item. Proceeds of the notes will be used to help offset the related costs associated with the				
38	purchase of appropriate security equipment that will improve and help ensure the safety of				
39	students attending public schools in Virginia.				
40	2) The Department of Education shall authorize amounts estimated at \$4,924,392 the first				
41	year and \$6,203,522 \$6,163,368 the second year from the Literary Fund to provide debt				
42	service payments for the security equipment grant programs conducted through the				
43	Virginia Public School Authority in fiscal years 2013, 2014, 2015, 2016, and 2017.				
44	3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues				
45	to pay debt service on the Virginia Public School Authority bonds or notes authorized for				
46	this program. In developing the proposed 2018-2020, and 2020-2022, and 2022-2024				
47	biennial budgets for public education, the Department of Education shall include a				
48	recommendation to the Governor to authorize sufficient Literary Fund revenues to make				
49	debt service payments for these programs in fiscal years 2019, 2020, 2021, 2022, and				
50	2023.				
51	4) In the event that, on any scheduled payment date of bonds or notes of the Virginia				
52	Public School Authority issued for the purpose described in § 22.1-166.2, Code of				
53	Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v),

3	5) The Chairman of the Board of Commissioners of the Virginia Public School Authority			
4	shall, on or before November 1 of each year, deliver to the Governor and the Secretary of			
5	Finance a certificate setting forth his estimate of total debt service during each fiscal year of			
6	the biennium on bonds and notes issued and projected to be issued during such biennium. The			
7	Governor's budget submission each year shall include provisions for the payment of debt			
8	service pursuant to paragraph 1) above.			
9	6) Grant award funds from the issuance of up to \$6,000,000 in fiscal year 2017 and			
10	\$6,000,000 in fiscal year 2018 in equipment notes shall be distributed to eligible school			
11	divisions. The grant awards will be based on a competitive grant basis of up to \$100,000 per			
12	school division. School divisions will be permitted to apply annually for grant funding. For			
13	purposes of this program, eligible schools shall include schools that are subject to state			
14	accreditation and reporting membership in grades K through 12 as of September 30, 2016, for			
15	the fiscal year 2017 issuance, and September 30, 2017, for the fiscal year 2018 issuance, as			
16	well as regional vocational centers, special education centers, alternative education centers,			
17	regular school year Governor's Schools, and the Virginia School for the Deaf and the Blind.			
18	7) School divisions would submit their application to Department of Education by August 1			
19	of each year based on the criteria developed by the Department of Education in collaboration			
20	with the Department of Criminal Justice Services who will provide requested technical			
21	support. Furthermore, the Department of Education will have the authority to make such grant			
22	awards to such school divisions.			
23	8) It is also the intent of the General Assembly that the total amount of the grant awards shall			
24	not exceed \$30,000,000 over any ongoing revolving five year period.			
25	9) Required local match:			
26	a) Localities are required to provide a match for these funds equal to 25 percent of the grant			
27	amount. The Superintendent of Public Instruction is authorized to reduce the required local			
28	match for school divisions with a composite index of local ability-to-pay below 0.2000. The			
29	Virginia School for the Deaf and the Blind is exempt from the match requirement.			
30	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
31	divisions became one school division, whether by consolidation of only the school divisions			
32	or by consolidation of the local governments, such resulting division shall be provided			
33	funding through this program on the basis of having the same number of school divisions as			
34	existed prior to September 30, 2000.			
35	c) Local school divisions shall maximize the use of available federal funds, including E-Rate			
36	Funds, and to the extent possible, use such funds to supplement the program and meet the			
37	goals of this program.			
38	14. Virginia Preschool Initiative Payments			
39	a.1) It is the intent of the General Assembly that a payment estimated at \$69,351,713 the first			
40	year and \$70,950,500 \$69,097,338 the second year from the Lottery Proceeds Fund shall be			
41	disbursed by the Department of Education to schools and community-based organizations to			
42	provide quality preschool programs for at-risk four-year-olds who are residents of Virginia			
43	and unserved by Head Start program funding. In no event shall distributions from the Lottery			
44	Proceeds Fund be made directly to community-based or private providers.			
45	2) These state funds and required local matching funds shall be used to provide programs for			
46	at-risk four-year-old children, which include quality preschool education, health services,			
47	social services, parental involvement and transportation. It shall be the policy of the			
48	Commonwealth that state funds and required local matching funds for the Virginia Preschool			
49	Initiative not be used for capital outlay. Programs must provide full-day or half-day and, at			
50	least, school-year services.			
51	3) The Department of Education, in cooperation with the Council on Child Day Care and			
52	Early Childhood Programs, shall establish academic standards that are in accordance with			
53	appropriate preparation for students to be ready to successfully enter kindergarten. These

	First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	standards shall be established in such a manner as to be measurable for student			
2	achievement and success. Students shall be required to be evaluated in the fall and in the			
3	spring by each participating school division and the school divisions must certify that the			
4	Virginia Preschool Initiative program follows the established standards in order to receive			
5	the funding for quality preschool education and criteria for the service components. Such			
6	guidelines shall be consistent with the findings of the November 1993 study by the Board			
7	of Education, the Department of Education, and the Council on Child Day Care and Early			
8	Childhood Programs.			
9	4) a) Grants shall be distributed based on an allocation formula providing the state share of			
10	a \$6,125 grant for 100 percent of the unserved at-risk four-year-olds in each locality for a			
11	full-day program. The number of unserved at-risk four-year-olds in each locality shall be			
12	based on the projected number of kindergarten students, updated once each biennium for			
13	the Governor's introduced biennial budget. Half-day programs shall operate for a			
14	minimum of three hours of classroom instructional time per day, excluding breaks for			
15	lunch or recess, and grants to half-day programs shall be funded based on the state share			
16	of \$3,062 per unserved at-risk four-year-old in each locality. Full-day programs shall			
17	operate for a minimum of five and one-half instructional hours, excluding breaks for			
18	meals and recess. No additional state funding is provided for programs operating greater			
19	than three hours per day but less than five and one-half hours per day. In determining the			
20	state and local shares of funding, the composite index of local ability-to-pay is capped at			
21	0.5000.			
22	b) For new programs in the first year of implementation only, programs operating less			
23	than a full school year shall receive state funds on a fractional basis determined by the			
24	pro-rata portion of a school year program provided. In determining the prorated state			
25	funds to be received, a school year shall be 180 days.			
26	b.1) Any locality which desires to participate in this grant program must submit a proposal			
27	through its chief administrator (county administrator or city manager) by May 15 of each			
28	year. The chief administrator, in conjunction with the school superintendent, shall identify			
29	a lead agency for this program within the locality. The lead agency shall be responsible for			
30	developing a local plan for the delivery of quality preschool services to at-risk children			
31	which demonstrates the coordination of resources and the combination of funding streams			
32	in an effort to serve the greatest number of at-risk four-year-old children.			
33	2) The proposal must demonstrate coordination with all parties necessary for the			
34	successful delivery of comprehensive services, including the schools, child care providers,			
35	local social services agency, Head Start, local health department, and other groups			
36	identified by the lead agency.			
37	3) A local match, based on the composite index of local ability-to-pay, shall be required.			
38	For purposes of meeting the local match, localities may use local expenditures for existing			
39	qualifying programs, however, at least seventy-five percent of the local match will be cash			
40	and no more than twenty-five percent will be in-kind. In-kind contributions are defined as			
41	cash outlays that are made by the locality that benefit the program but are not directly			
42	charged to the program. The value of fixed assets cannot be considered as an in-kind			
43	contribution. Localities shall also continue to pursue and coordinate other funding sources,			
44	including child care subsidies. Funds received through this program must be used to			
45	supplement, not supplant, any funds currently provided for programs within the locality.			
46	However, in the event a locality is prohibited from continuing the previous level of			
47	support to programs for at-risk four-year-olds from Title I of the federal Elementary and			
48	Secondary Education Act (ESEA), the state and local funds provided in this grants			
49	program may be used to continue services to these Title I students. Such prohibition may			
50	occur due to amendments to the allocation formula in the reauthorization of ESEA as the			
51	No Child Left Behind Act of 2001 or due to a percentage reduction in a locality's Title I			
52	allocation in 2016-2017 or 2017-2018. Any locality so affected shall provide written			
53	evidence to the Superintendent of Public Instruction and request his approval to continue			
54	the services to Title I students.			
55	c. Local plans must provide clear methods of service coordination for the purpose of			
56	reducing the per child cost for the service, increasing the number of at-risk children served			
57	and/or extending services for the entire year. Examples of these include:

4	2) "Wrap-out Services" - methods for using grant funds to purchase quality preschool services				
5	to at-risk four-year-old children through an existing child care setting by purchasing				
6	comprehensive services within a setting which currently provides quality preschool education.				
7	3) "Expansion of Service" - methods for using grant funds to purchase slots within existing				
8	programs, such as Head Start, which provide comprehensive services to at-risk four-year-old				
9	children.				
10	d.1) Local plans must indicate the number of at-risk four-year-old children to be served, and				
11	the eligibility criteria for participation in this program shall be consistent with the economic				
12	and educational risk factors stated in the 2015-2016 programs guidelines that are specific to:				
13	(i) family income at or below 200 percent of poverty, (ii) homelessness, (iii) student's parents				
14	or guardians are school dropouts, or (iv) family income is less than 350 percent of federal				
15	poverty guidelines in the case of students with special needs or disabilities. Up to 15 percent				
16	of a division's slots may be filled based on locally established eligibility criteria so as to meet				
17	the unique needs of at-risk children in the community.				
18	2) The Department of Education is directed to compile from each school division the				
19	aggregated information as to the number of enrolled students whose families are (i) at or				
20	below 130 percent of poverty, and (ii) above 130 percent but below 200 percent of poverty.				
21	The Department shall report this information annually, after the application and fall				
22	participation reports are submitted to the Department from the school divisions, to the				
23	Chairmen of House Appropriations and Senate Finance Committees. In addition, the				
24	Department will post and maintain the summary information by division on the Department's				
25	website in keeping with current student privacy policies.				
26	e.1) The Department of Education and the Council on Child Day Care and Early Childhood				
27	Programs shall provide technical assistance for the administration of this grant program to				
28	provide assistance to localities in developing a comprehensive, coordinated, quality preschool				
29	program for serving at-risk four-year-old children.				
30	2) A pre-application session shall be provided by the Department and the Council on Child				
31	Day Care and Early Childhood Programs prior to the proposal deadline. The Department shall				
32	provide interested localities with information on models for service delivery, methods of				
33	coordinating funding streams, such as funds to match federal IV-A child care dollars, to				
34	maximize funding without supplanting existing sources of funding for the provision of				
35	services to at-risk four-year-old children. A priority for technical assistance in the design of				
36	programs shall be given to localities where the majority of the at-risk four-year-old population				
37	is currently unserved.				
38	f. The Department of Education shall include in the program's application package specific				
39	information regarding the potential availability of funding for supplemental grants that may				
40	be used for one-time expenses, other than capital, related to start-up or expansion of				
41	programs, with priority given to proposals for expanding the use of partnerships with either				
42	nonprofit or for-profit providers. Furthermore, the Department is mandated to communicate to				
43	all eligible school divisions the remaining available balances in the program's adopted budget,				
44	after the fall participation reports have been submitted and finalized for such grants.				
45	15. Early Reading Intervention Payments				
46	a. An additional payment of \$20,057,840 the first year and \$20,098,089 \$22,635,044 the				
47	second year from the Lottery Proceeds Fund shall be disbursed by the Department of				
48	Education to local school divisions for the purposes of providing early reading intervention				
49	services to students in grades kindergarten through 3 who demonstrate deficiencies based on				
50	their individual performance on diagnostic tests which have been approved by the Department				
51	of Education. The Department of Education shall review the tests of any local school board				
52	which requests authority to use a test other than the state-provided test to ensure that such				
53	local test uses criteria for the early diagnosis of reading deficiencies which are similar to those				
54	criteria used in the state-provided test. The Department of Education shall make the state-				
55	provided diagnostic test used in this program available to local school divisions. School

1 divisions shall report the results of the diagnostic tests to the Department of Education on
 2 an annual basis at a time to be determined by the Superintendent of Public Instruction.

3 b. These payments shall be based on the state's share of the cost of providing two and one-
 4 half hours of additional instruction each week for an estimated number of students in each
 5 school division at a student to teacher ratio of five to one. The estimated number of
 6 students in each school division in each year shall be determined by multiplying the
 7 projected number of students reported in each school division's fall membership in grades
 8 kindergarten, 1, 2, and 3 by the percent of students who are determined to need services
 9 based on diagnostic tests administered in the previous year in that school division and
 10 adjusted in the following manner:

		Year 1	Year 2
11			
12	Kindergarten	100%	100%
13	Grade 1	100%	100%
14	Grade 2	100%	100%
15	Grade 3	100%	100%

16 c. These payments are available to any school division that certifies to the Department of
 17 Education that an intervention program will be offered to such students and that each
 18 student who receives an intervention will be assessed again at the end of that school year.
 19 At the beginning of the school year, local school divisions shall partner with the parents of
 20 those third grade students in the division who demonstrate reading deficiencies, discussing
 21 with them a developed plan for remediation and retesting. Such intervention programs, at
 22 the discretion of the local school division, may include, but not be limited to, the use of:
 23 special reading teachers; trained aides; full-time early literacy tutors; volunteer tutors
 24 under the supervision of a certified teacher; computer-based reading tutorial programs;
 25 aides to instruct in-class groups while the teacher provides direct instruction to the
 26 students who need extra assistance; or extended instructional time in the school day or
 27 year for these students. Localities receiving these payments are required to match these
 28 funds based on the composite index of local ability-to-pay.

29 d. In the event that a school division does not use the diagnostic test provided by the
 30 Department of Education in the year that serves as the basis for updating the funding
 31 formula for this program but has used it in past years, the Department of Education shall
 32 use the most recent data available for the division for the state-provided diagnostic test.

33 e. The results of all reading diagnostic tests and reading remediation shall be discussed
 34 with the student and the student's parent prior to the student being promoted to grade four.

35 f. Funds appropriated for Standards of Quality Prevention, Intervention, and Remediation,
 36 Remedial Summer School, or At-Risk Add-On may also be used to meet the requirements
 37 of this program.

38 16. Standards of Learning Algebra Readiness Payments

39 a. An additional payment of \$12,968,589 the first year and ~~\$12,775,341~~ \$12,828,757 the
 40 second year from the Lottery Proceeds Fund shall be disbursed by the Department of
 41 Education to local school divisions for the purposes of providing math intervention
 42 services to students in grades 6, 7, 8 and 9 who are at-risk of failing the Algebra I end-of-
 43 course test, as demonstrated by their individual performance on diagnostic tests which
 44 have been approved by the Department of Education. In the second year, this reflects
 45 \$199,992 apportioned to each school division to account for the cost of the diagnostic test.
 46 The Department of Education shall review the tests to ensure that such local test uses
 47 state-provided criteria for diagnosis of math deficiencies which are similar to those criteria
 48 used in the state-provided test. The Department of Education shall make the state-provided
 49 diagnostic test used in this program available to local school divisions. School divisions
 50 shall report the results of the diagnostic tests to the Department of Education on an annual
 51 basis at a time to be determined by the Superintendent of Public Instruction.

52 b. These payments shall be based on the state's share of the cost of providing two and one-
 53 half hours of additional instruction each week for an estimated number of students in each
 54 school division at a student to teacher ratio of ten to one. The estimate number of students

28	contrary provision of law, the state's share of the tuition rates shall be based on the composite			
29	index of local ability-to-pay.			
30	c. Out of the amounts for Financial Assistance for Categorical Programs, \$34,904,851 the first			
31	year and \$35,588,024 \$34,706,297 the second year from the general fund is appropriated to			
32	permit the Department of Education to enter into agreements with selected local school boards			
33	for the provision of educational services to children residing in certain hospitals, clinics, and

35	for educational services to children residing in local or regional detention homes shall only be			
36	determined on the basis of children detained in such facilities through a court order issued by			
37	a court of the Commonwealth. The selection and employment of instructional and			
38	administrative personnel under such agreements will be the responsibility of the local school			
39	board in accordance with procedures as prescribed by the local school board. State payments			
40	for the first year to the local school boards operating these programs will be based on certified

1	a. An additional state payment is provided from the Lottery Proceeds Fund for the prior year's			
2	local operations costs, as determined by the Department of Education, for each pupil of school			
3	age as defined in § 22.1-1, Code of Virginia, not a resident of the school division providing			
4	his education (a) who has been placed in foster care or other custodial care within the

37	Participating school divisions must certify that no tuition is assessed to students for			
38	participation in this program.			
39	b.1) Out of the amounts for Governor's School Payments, the Department of Education shall

ITEM 139.		Item Details(\$)		Appropriations(\$)	
		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	d. It shall be the policy of the Commonwealth that state general fund appropriations not be				
2	used for capital outlay, structural improvements, renovations, or fixed equipment costs				
3	associated with initiation of existing or proposed Governor's schools. State general fund				
4	appropriations may be used for the purchase of instructional equipment for such schools,				
5	subject to certification by the Superintendent of Public Instruction that at least an equal				
6	amount of funds has been committed by participating school divisions to such purchases.				
7	e. The Board of Education shall not take any action that would increase the state's share of				
8	costs associated with the Governor's Schools as set forth in this Item. This provision shall				
9	not prohibit the Department of Education from submitting requests for the increased costs				
10	of existing programs resulting from updates to student enrollment for school divisions				
11	currently participating in existing programs or for school divisions that begin participation				
12	in existing programs.				
13	f.1) Regular school year Governor's Schools are funded through this Item based on the				
14	state's share of the incremental per pupil cost for providing such programs for each student				
15	attending a Governor's School up to a cap of 1,800 students per Governor's School in the				
16	first year and a cap of 1,800 students per Governor's School in the second year. This				
17	incremental per pupil payment shall be adjusted for the composite index of the school				
18	division that counts such students attending an academic year Governor's School in their				
19	March 31 Average Daily Membership. It is the intent of the General Assembly that this				
20	incremental per pupil amount be in addition to the basic aid per pupil funding provided to				
21	the affected school division for such students. Therefore, local school divisions are				
22	encouraged to provide the appropriate portion of the basic aid per pupil funding to the				
23	Governor's Schools for students attending these programs, adjusted for costs incurred by				
24	the school division for transportation, administration, and any portion of the day that the				
25	student does not attend a Governor's School.				
26	2) Students attending a revolving Academic Year Governor's School program for only one				
27	semester shall be counted as 0.50 of a full-time equivalent student and will be funded for				
28	only fifty percent of the full-year funded per pupil amount. Funding for students attending				
29	a revolving Academic Year program will be adjusted based upon actual September 30th				
30	and January 30th enrollment each fiscal year. For purposes of this Item, revolving				
31	programs shall mean Academic Year Governor's School programs that admit students on a				
32	semester basis.				
33	3) Students attending a continuous, non-revolving Academic Year Governor's School				
34	program shall be counted as a full-time equivalent student and will be funded for the full-				
35	year funded per pupil amount. Funding for students attending a continuous, non-revolving				
36	Academic Year Governor's School program will be adjusted based upon actual September				
37	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-				
38	revolving programs shall mean Academic Year Governor's School programs that only				
39	admit students at the beginning of the school year. Fairfax County Public Schools shall not				
40	reduce local per pupil funding for the Thomas Jefferson Governor's School below the				
41	amounts appropriated for the 2003-2004 school year.				
42	4) This appropriation includes an additional \$1,223,796 the first year and \$1,250,538				
43	\$1,192,575 the second year from the general fund to provide the state's share of a 2.5				
44	percent increase in the tuition amount, and the state's share of \$50.00 per course per				
45	student adjustment added after the 2.5 percent increase. The 2.5 percent increase and the				
46	\$50.00 per course adjustment shall only be effective for fiscal year 2017 and fiscal year				
47	2018. The local funding contribution of each school division participating in an Academic				
48	Year Governor's Schools program in either year of the biennium shall not be reduced on a				
49	per pupil basis below the amount in fiscal year 2016.				
50	5) The Department of Education shall review the distribution methodology used to				
51	determine the Governor's School tuition payments by November 4, 2016, and submit the				
52	findings of the review to the Chairmen of House Appropriations and Senate Finance				
53	Committees. The review shall include, but not be limited to, consideration of the length of				
54	the academic program day with the intent to determine and provide an equitable				
55	distribution of tuition payments based on the actual length of academic program day, the				
56	appropriate state and local shares, and the academic model used by Governor's Schools in				
57	the configuration of the funding formula.

3	i. Out of this appropriation, \$100,000 the first year from the general fund is available for the				
4	Department of Education to develop, in collaboration with the school divisions and				
5	community colleges in the Roanoke Valley region, a model proposal that establishes a				
6	Regional Career and Technical Governor's School Center.				
7	j. Out of the appropriation included in paragraph 40 of this item, \$135,366 \$134,841 the				
8	second year from the general fund is included in the Academic Year Governor's School				
9	funding allocation to increase the per pupil amount the second year as an add-on for a				
10	compensation supplement payment equal to 2.0 percent of base pay on February 15, 2018, for				
11	Academic Year Governor's School instructional and support positions.				
12	29. School Nutrition Payments				
13	It is provided that, subject to implementation by the Superintendent of Public Instruction, no				
14	disbursement shall be made out of the appropriation for school nutrition to any locality in				
15	which the schools permit the sale of competitive foods in food service facilities or areas				
16	during the time of service of food funded pursuant to this Item.				
17	30. School Breakfast Payments				
18	a. Out of this appropriation, \$4,887,179 the first year and \$5,492,229 \$5,722,214 the second				
19	year from the Lottery Proceeds Fund is included to continue a state funded incentive program				
20	to maximize federal school nutrition revenues and increase student participation in the school				
21	breakfast program. These funds are available to any school division as a reimbursement for				
22	breakfast meals served that are in excess of the baseline established by the Department of				
23	Education. The per meal reimbursement shall be \$0.22; however, the department is				
24	authorized, but not required to reduce this amount proportionately in the event that the actual				
25	number of meals to be reimbursed exceeds the number on which this appropriation is based so				
26	that this appropriation is not exceeded.				
27	b. In order to receive these funds, school divisions must certify that these funds will be used to				
28	supplement existing funds provided by the local governing body and that local funds derived				
29	from sources that are not generated by the school nutrition programs have not been reduced or				
30	eliminated. The funds shall be used to improve student participation in the school breakfast				
31	program. These efforts may include, but are not limited to, reducing the per meal price paid				
32	by students, reducing competitive food sales in order to improve the quality of nutritional				
33	offerings in schools, increasing access to the school breakfast program, or providing programs				
34	to increase parent and student knowledge of good nutritional practices. In no event shall these				
35	funds be used to reduce local tax revenues below the level appropriated to school nutrition				
36	programs in the prior year. Further, these funds must be provided to the school nutrition				
37	programs and may not be used for any other school purpose.				
38	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year from				
39	the general fund is provided to fund an elementary school After-the-Bell Model breakfast				
40	pilot program available on a voluntary basis only to elementary schools where student				
41	eligibility for free or reduced lunch exceeds 45.0 percent for the participating eligible				
42	elementary school, and to provide additional reimbursement for eligible meals served in the				
43	current traditional school breakfast program at all grade levels in any participating school.				
44	The Department of Education is directed to ensure that only eligible elementary schools				
45	receive reimbursement funding for participating in the After-the-Bell school breakfast model.				
46	The elementary schools participating in the pilot program shall evaluate the educational				
47	impact of the models implemented that provide school breakfasts to students after the first				
48	bell of the school day, based on the guidelines developed by the Department of Education and				
49	submit the required report to the Department of Education no later June 30, 2017 for the				
50	2016-2017 school year and no later than June 30, 2018 for the 2017-2018 school year.				
51	2) The Department of Education shall communicate, through Superintendent's Memo, to				
52	school divisions the types of breakfast serving models and the criteria that will meet the				
53	requirements for this State reimbursement, which may include, but are not limited to,				
54	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School				
55	divisions may determine the breakfast serving model that best applies to its students, so long

8	schools, including guidelines regarding specified required data to be compiled from the			
9	prior school year or years and during the one-year pilot. The number of approved			
10	applications shall be based on the estimated number of pilot sites that can be			
11	accommodated within the approved funding level. The reporting requirements must			
12	include: student attendance and tardy arrivals, office discipline referrals, student			
13	achievement measures, teachers' responses to the impact of the pilot program before and			
14	after implementation, and the financial impact on the division's school food program. The			
15	Department of Education shall collect and compile the results of the pilot breakfast

27	consistent with the following:			
28	a. An application process for localities and school/higher education partnerships that wish			
29	to participate in the programs;			
30	b. For Clinical Faculty programs only, provisions for a local funding or institutional			
31	commitment of 50 percent, to match state grants of 50 percent;			
32	c. Program plans which include a description of the criteria for selection of clinical faculty			
33	and mentor teachers, training, support, and compensation for clinical faculty and mentor			
34	teachers, collaboration between the school division and institutions of higher education,			
35	the clinical faculty and mentor teacher assignment process, and a process for evaluation of			
36	the programs;			
37	d. The Department of Education shall allow flexibility to local school divisions and higher			
38	education institutions regarding compensation for clinical faculty and mentor teachers			
39	consistent with these elements of the programs; and			
40	e. It is the intent of the General Assembly that no preference between pre-service or			
41	beginning teacher programs be construed by the language in this Item. School divisions			
42	operating beginning teacher mentor programs shall receive equal consideration for			
43	funding.			
44	32. Career Switcher/Alternative Licensure Payments			
45	Appropriations in this Item include \$279,983 the first year and \$279,983 the second year

1	34. Reading Specialists Initiative				
2	a. An additional payment of \$1,476,790 the first year and \$1,476,790 the second year from				
3	the general fund shall be disbursed by the Department of Education to qualifying local school				
4	divisions for the purpose of providing a reading specialist for any school with a third grade				
5	that has a school-wide pass rate of less than 75 percent on the reading Standards of Learning				
6	(SOL) assessments.				
7	b. These payments shall be based on the state's share of the cost of providing one reading				
8	specialist per qualifying school. School divisions with schools participating in this program in				
9	fiscal year 2016 shall be eligible to receive funding at 100 percent of the state share the first				
10	year and 50 percent of the state share the second year for the same schools and such schools				
11	are granted a one-year extension of the two-year waiver referenced in subsection c. for a third				
12	year in fiscal year 2018. The Department of Education is authorized to disburse additional				
13	payments to divisions from any remaining funds each year to support additional qualifying				
14	schools and shall give priority to such schools with the lowest SOL pass rates for reading or				
15	the greatest number of years accredited with warning in English. Payments to school divisions				
16	in support of such additional qualifying schools each year shall be based on 100 percent of the				
17	state share of cost.				
18	c. These payments are available to any school division with a qualifying school that (1)				
19	certifies to the Department of Education that the division has hired a reading specialist to				
20	provide direct services to children reading below grade level in the school to improve reading				
21	achievement and (2) applies and receives a waiver for up to two years from the Board of				
22	Education for the administration of third grade SOL assessments in science or history and				
23	social science or both for the purpose of creating additional instructional time for reading				
24	specialists to work with students reading below grade level to improve reading achievement.				
25	d. These payments also are available to any school division with a qualifying school that				
26	certifies to the Department of Education that the division is supporting tuition for collegiate				
27	programs and instruction for currently employed instructional school personnel to earn the				
28	credentials necessary to meet licensure requirements to be endorsed as a reading specialist.				
29	e. School divisions receiving these payments are required to match these funds based on the				
30	composite index of local ability-to-pay.				
31	35. Math/Reading Instructional Specialist Initiative				
32	a. Included in this appropriation is \$1,834,538 the first year and \$1,834,538 the second year				
33	from the general fund in additional payments for reading or math instructional specialists at				
34	underperforming schools. From this amount, the state share of one reading or math specialist				
35	shall be provided to local school divisions with schools which have been denied accreditation				
36	or were accredited with warning for the third consecutive year based on school accreditation				
37	ratings for the 2015-2016 school year. Such schools shall be eligible to receive the state share				
38	of funding for both years of the biennium. In addition, following the academic review				
39	required by § 22.1-253.13:3, Code of Virginia, the Department of Education shall identify up				
40	to 20 additional schools to also receive the state share of a reading or math instructional				
41	specialist. The schools eligible for such personnel are those which were accredited with				
42	warning for the second consecutive year based on school accreditation ratings for the 2014-				
43	2015 and 2015-2016 school years and that have shown no or limited improvement in student				
44	achievement in the past year. Such schools shall also be eligible to receive the state share of				
45	funding for both years of the biennium. If, following certification from a school division that				
46	it will not participate in the program, the Department is authorized to identify additional				
47	eligible schools.				
48	b. These payments are available to any school division with a qualifying school that certifies				
49	to the Department of Education that the division has (1) hired a math or reading instructional				
50	specialist, or (2) is supporting tuition for collegiate programs and instruction for currently				
51	employed instructional school personnel to earn the credentials necessary to meet licensure				
52	requirements to be endorsed as a math specialist or a reading specialist. Localities receiving				
53	these payments are required to match these funds based on the composite index of local				
54	ability-to-pay.

6	37. Broadband Connectivity Capabilities			
7	By November 1 each year, school divisions shall report to the Department of Education			
8	the status of broadband connectivity capability of schools in the division on a form to be			
9	provided by the Department. Such report shall include school-level information on the			
10	method of Internet service delivery, the level of bandwidth capacity and the degree such			
11	capacity is sufficient for delivery of school-wide digital resources and instruction, degree			
12	of internet connectivity via Wi-Fi, cost information related to Internet connectivity, data			
13	security, and such other pertinent information as determined by the Department of			
14	Education. The Department shall provide a summary of the division responses in a report			
15	to be made available on its agency Web site.			
16	38. Supplemental Lottery Per Pupil Allocation Payments			
17	a. Out of this appropriation, an amount estimated at \$36,581,531 the first year and			
18	\$191,267,718 \$191,272,274 the second year from the Lottery Proceeds Fund shall be			
19	disbursed by the Department of Education to local school divisions to support the state			
20	share of an estimated \$52.56 per pupil the first year and \$274.12 \$274.29 per pupil the			
21	second year in adjusted March 31 average daily membership. These per pupil amounts are			
22	subject to change for the purpose of payment to school divisions based on the actual			
23	March 31 ADM collected each year. No locality shall be required to maintain a per pupil			
24	expenditure each year from local funds which is greater than the per pupil amount			
25	expended by the locality for such purposes in the year upon which the 2016-18 biennial			
26	Standards of Quality expenditure data were based.			
27	b. Of the amounts listed above, school divisions are permitted to spend such funds on both			
28	recurring and nonrecurring expenses in a manner that best supports the needs of the			
29	schools divisions. No local match is required.			
30	c. Any lottery funds provided to school divisions from this item that are unexpended as of			
31	June 30, 2017, and June 30, 2018, shall be carried on the books of the locality to be			
32	appropriated to the school division in the following year.			
33	39. Special Education Endorsement Program			
34	a. Notwithstanding § 22.1-290.02, Code of Virginia, out of this appropriation, \$550,000			
35	the first year and \$437,186 the second year from the general fund is provided for			
36	traineeships and program operation grants that shall be awarded to public Virginia			
37	institutions of higher education to prepare persons who are employed in the public schools			
38	of Virginia, state operated programs, or regional special education centers as special			
39	educators with a provisional license and enrolled either part-time or full-time in programs			
40	for the education of children with disabilities. Applicants shall be graduates of a regionally			
41	accredited college or university.			
42	b. The award of such grants shall be made by the Department of Education, and the			
43	number of awards during any one year shall depend upon the amounts appropriated by the			
44	General Assembly for this purpose. The amount awarded for each traineeship shall be			
45	\$600 for a minimum of three semester hours of course work in areas required for the			
46	special education endorsement to be taken by the applicant during a single semester or			
47	summer session. Only one traineeship shall be awarded to a single applicant in a single			
48	semester or summer session.			
49	40. Compensation Supplement			
50	a.1) The appropriation in this item includes \$31,981,550 \$31,728,026 the second year			
51	from the general fund for the state share of a payment equivalent to a 2.0 percent salary			
52	incentive increase, effective February 15, 2018, for funded SOQ instructional and support

3	Governor's Schools for a 2.0 percent salary incentive increase, effective February 15, 2018,			
4	for instructional and support positions.			
5	2) It is the intent that the instructional and support position salaries be increased in school			
6	divisions throughout the state by at least an average of 2.0 percent during the 2016-18			
7	biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the			
8	state share of a 2.0 percent salary increase for funded SOQ instructional and support			
9	positions, effective February 15, 2018, to school divisions which certify to the Department of			
10	Education, by June 1, 2017, that salary increases of a minimum average of 2.0 percent have			
11	been or will have been provided during the 2016-18 biennium, either in the first year or in the			
12	second year or through a combination of the two years, to instructional and support personnel.			
13	In certifying that the salary increases have been provided, school divisions may not include			
14	any salary increases that were provided in the first year solely to offset the cost of required

8	C. The funding formula to carry out the provisions of the Children's Services Act is as			
9	follows:			
10	1. Allocations. The allocations for the Medicaid and non-Medicaid pools shall be the amounts			
11	specified in paragraphs B.1.b. and B.1.c. in this Item. These funds shall be distributed to each			
12	locality in each year of the biennium based on the greater of that locality's percentage of			
13	actual 1997 Children's Services Act pool fund program expenditures to total 1997 pool fund			
14	program expenditures or the latest available three-year average of actual pool fund program			
15	expenditures as reported to the state fiscal agent.			
16	2. Local Match. All localities are required to appropriate a local match for the base year			
17	funding consisting of the actual aggregate local match rate based on actual total 1997 program			
18	expenditures for the Children's Services Act. This local match rate shall also apply to all			
19	reimbursements from the state pool of funds in this Item and carryforward expenditures

24	b. Localities shall review their caseloads for those individuals who can be served			
25	appropriately by community-based services and transition those cases to the community for			
26	services. Beginning July 1, 2009, the local match rate for non-Medicaid residential services			
27	for each locality shall be 25 percent above the fiscal year 2007 base. Beginning July 1, 2011,			
28	the local match rate for Medicaid residential services for each locality shall be 25 percent			
29	above the fiscal year 2007 base.			
30	c. By October 1 of each year, The State Executive Council (SEC) shall provide an update to			
31	the Governor and the Chairmen of the House Appropriations and Senate Finance Committees			
32	on the outcomes of this initiative.			
33	d. At the direction of the State Executive Council, local Community Policy and Management			
34	Teams (CPMTs) and Community Services Boards (CSBs) shall work collaboratively in their			
35	service areas to develop a local plan for intensive care coordination (ICC) services that best			
36	meets the needs of the children and families. If there is more than one CPMT in the CSB's			
37	service area, the CPMTs and the CSB may work together as a region to develop a plan for			
38	ICC services. Local CPMTs and CSBs shall also work together to determine the most			
39	appropriate and cost-effective provider of ICC services for children in their community who			
40	are placed in, or at-risk of being placed in, residential care through the Children's Services			
41	Act, in accordance with guidelines developed by the State Executive Council. The State

48	the fiscal year 1997 pool fund allocations, not to exceed \$2,060,000 the first year and			
49	\$2,060,000 the second year from the general fund, shall be allocated among all localities for			
50	administrative costs. Every locality shall be required to appropriate a local match based on the

17	referred to the Division of Child Support Enforcement of the Department of Social				
18	Services, upon the request of the community policy management team, the Office of				
19	Children's Services shall make a claim against the parent or legal guardian for such				
20	payment through the Department of Law's Division of Debt Collection in the Office of the				
21	Attorney General.				
22	F. The Office of Children's Services, in cooperation with the Department of Medical				
23	Assistance Services, shall provide technical assistance and training to assist residential and				
24	treatment foster care providers who provide Medicaid-reimbursable services through the				
25	Children's Services Act to become Medicaid-certified providers.				
26	G. The Office of Children's Services shall work with the State Executive Council and the				
27	Department of Medical Assistance Services to assist Community Policy and Management				
28	Teams in appropriately accessing a full array of Medicaid-funded services for Medicaid-				
29	eligible children and youth through the Children's Services Act, thereby increasing				
30	Medicaid reimbursement for treatment services and decreasing the number of denials for				
31	Medicaid services related to medical necessity and utilization review activities.				
32	H. Pursuant to subdivision 21 of § 2.2-2648, Code of Virginia, no later than December 20				
33	in the odd-numbered years, the State Executive Council shall biennially publish and				
34	disseminate to members of the General Assembly and Community Policy and				
35	Management Teams a progress report on services for children, youth, and families and a				
36	plan for such services for the succeeding biennium.				
37	I. Out of this appropriation, \$275,000 the first year and \$275,000 the second year from the				
38	general fund shall be used to purchase and maintain an information system to provide				
39	quality and timely child demographic, service, expenditure, and outcome data.				
40	J. The State Executive Council shall work with the Department of Education to ensure that				
41	funding in this Item is sufficient to pay for the educational services of students that have				
42	been placed in or admitted to state or privately operated psychiatric or residential				
43	treatment facilities to meet the educational needs of the students as prescribed in the				
44	student's Individual Educational Plan (IEP).

37	Children (46600), if available, into this Item to be used as state match for federal Title XIX			
38	funds.			
39	H. It is the intent of the General Assembly that the medically needy income limits for the			
40	Medicaid program are adjusted annually to account for changes in the Consumer Price Index.			
41	I. It is the intent of the General Assembly that the use of the new atypical medications to treat			
42	seriously mentally ill Medicaid recipients should be supported by the formularies used to			
43	reimburse claims under the Medicaid fee-for-service and managed care plans.			
44	J. The Department of Medical Assistance Services shall establish a program to more

6	participate in the delivery of Medicaid pediatric dental care services, or services provided				
7	to enrollees in the Family Access to Medical Insurance Security (FAMIS) Plan or any				
8	variation of FAMIS, to also deliver services to subscribers enrolled in commercial plans of				
9	the managed care vendor, unless the dentist is a willing participant in the commercial				
10	managed care plan.				
11	M. The Department of Medical Assistance Services shall implement continued				
12	enhancements to the drug utilization review (DUR) program. The department shall				
13	continue the Pharmacy Liaison Committee and the DUR Board. The department shall				
14	continue to work with the Pharmacy Liaison Committee, meeting at least semi-annually,				
15	to implement initiatives for the promotion of cost-effective services delivery as may be				
16	appropriate. The department shall solicit input from the Pharmacy Liaison Committee				
17	regarding pharmacy provisions in the development and enforcement of all managed care

22	N.1. The Department of Medical Assistance Services shall have the authority to seek				
23	federal approval of changes to its Medallion 3.0 waiver.				
24	2. In order to conform the state regulations to the federally approved changes and to

36	federally qualified health centers, local health departments, local school divisions,				
37	community service boards, local hospitals, and local governments, that focus on				
38	optimizing Medicaid claims and cost recoveries. Any revenues generated through these				
39	activities shall be transferred to the Virginia Health Care Fund to be used for the purposes				
40	specified in this Item.				
41	2. The Department of Medical Assistance Services shall retain the savings necessary to				
42	reimburse a vendor for its efforts to implement paragraph. O.1. of this Item. However,				
43	prior to reimbursement, the department shall identify for the Secretary of Health and				
44	Human Resources each of the vendor's revenue maximization efforts and the manner in				
45	which each vendor would be reimbursed. No reimbursement shall be made to the vendor				
46	without the prior approval of the above plan by the Secretary.				
47	P. The Department of Medical Assistance Services shall have the authority to pay				
48	contingency fee contractors, engaged in cost recovery activities, from the recoveries that				
49	are generated by those activities. All recoveries from these contractors shall be deposited				
50	to a special fund. After payment of the contingency fee any prior year recoveries shall be				
51	transferred to the Virginia Health Care Fund. The Director, Department of Medical				
52	Assistance Services, shall report to the Chairmen of the House Appropriations and Senate				
53	Finance Committees the increase in recoveries associated with this program as well as the

3	reimbursement, and related reporting requirements. The department shall include in this				
4	training information on the proper utilization of inpatient and outpatient mental health				
5	services as covered by the Medicaid State Plan.				
6	R.1. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, the Department of Medical				
7	Assistance Services, in consultation with the Department of Behavioral Health and				
8	Developmental Services, shall amend the State Plan for Medical Assistance Services to				
9	modify the delivery system of pharmaceutical products to include a Preferred Drug List. In				
10	developing the modifications, the department shall consider input from physicians,				
11	pharmacists, pharmaceutical manufacturers, patient advocates, and others, as appropriate.				
12	2.a. The department shall utilize a Pharmacy and Therapeutics Committee to assist in the				
13	development and ongoing administration of the Preferred Drug List program. The Pharmacy				
14	and Therapeutics Committee shall be composed of 8 to 12 members, including the				
15	Commissioner, Department of Behavioral Health and Developmental Services, or his				
16	designee. Other members shall be selected or approved by the department. The membership				
17	shall include a ratio of physicians to pharmacists of 2:1 and the department shall ensure that at				
18	least one-half of the physicians and pharmacists are either direct providers or are employed				
19	with organizations that serve recipients for all segments of the Medicaid population.				
20	Physicians on the committee shall be licensed in Virginia, one of whom shall be a				
21	psychiatrist, and one of whom specializes in care for the aging. Pharmacists on the committee				
22	shall be licensed in Virginia, one of whom shall have clinical expertise in mental health drugs,				
23	and one of whom has clinical expertise in community-based mental health treatment. The				
24	Pharmacy and Therapeutics Committee shall recommend to the department (i) which				
25	therapeutic classes of drugs should be subject to the Preferred Drug List program and prior				
26	authorization requirements; (ii) specific drugs within each therapeutic class to be included on				
27	the preferred drug list; (iii) appropriate exclusions for medications, including atypical anti-				
28	psychotics, used for the treatment of serious mental illnesses such as bi-polar disorders,				
29	schizophrenia, and depression; (iv) appropriate exclusions for medications used for the				
30	treatment of brain disorders, cancer and HIV-related conditions; (v) appropriate exclusions for				
31	therapeutic classes in which there is only one drug in the therapeutic class or there is very low				
32	utilization, or for which it is not cost-effective to include in the Preferred Drug List program;				
33	and (vi) appropriate grandfather clauses when prior authorization would interfere with				
34	established complex drug regimens that have proven to be clinically effective. In developing				
35	and maintaining the preferred drug list, the cost effectiveness of any given drug shall be				
36	considered only after it is determined to be safe and clinically effective.				
37	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-annually				
38	and may meet at other times at the discretion of the chairperson and members. At the				
39	meetings, the Pharmacy and Therapeutics committee shall review any drug in a class subject				
40	to the Preferred Drug List that is newly approved by the Federal Food and Drug				
41	Administration, provided there is at least thirty (30) days notice of such approval prior to the				
42	date of the quarterly meeting.				
43	3. The department shall establish a process for acting on the recommendations made by the				
44	Pharmacy and Therapeutics Committee, including documentation of any decisions which				
45	deviate from the recommendations of the committee.				
46	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-				
47	hour emergency supply of the prescribed drug when requested by a physician and a				
48	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization decisions to				
49	be made within 24 hours and timely notification of the recipient and/or the prescribing				
50	physician of any delays or negative decisions; (iii) an expedited review process of denials by				
51	the department; and (iv) consumer and provider education, training and information regarding				
52	the Preferred Drug List prior to implementation, and ongoing communications to include				
53	computer access to information and multilingual material.				
54	5. The Preferred Drug List program shall generate savings as determined by the department				
55	that are net of any administrative expenses to implement and administer the program.				
56	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the				
57	Department of Medical Assistance Services shall promulgate emergency regulations to

1	become effective within 280 days or less from the enactment of this Act. With respect to			
2	such state plan amendments and regulations, the provisions of § 32.1-331.12 et seq., Code			
3	of Virginia, shall not apply. In addition, the department shall work with the Department of			
4	Behavioral Health and Development Services to consider utilizing a Preferred Drug List			
5	program for its non-Medicaid clients.			
6	7. The Department of Medical Assistance Services shall (i) continually review utilization			
7	of behavioral health medications under the State Medicaid Program for Medicaid			
8	recipients; and (ii) ensure appropriate use of these medications according to federal Food			
9	and Drug Administration (FDA) approved indications and dosage levels. The department			
10	may also require retrospective clinical justification according to FDA approved			
11	indications and dosage levels for the use of multiple behavioral health drugs for a			
12	Medicaid patient. For individuals 18 years of age and younger who are prescribed three or			
13	more behavioral health drugs, the department may implement clinical edits that target			
14	inefficient, ineffective, or potentially harmful prescribing patterns in accordance with			
15	FDA-approved indications and dosage levels.			
16	8. The Department of Medical Assistance Services shall ensure that in the process of			
17	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers			
18	the value of including those prescription medications which improve drug regimen			
19	compliance, reduce medication errors, or decrease medication abuse through the use of			
20	medication delivery systems that include, but are not limited to, transdermal and injectable			
21	delivery systems.			
22	S.1. The Department of Medical Assistance Services may amend the State Plan for			
23	Medical Assistance Services to modify the delivery system of pharmaceutical products to			
24	include a specialty drug program. In developing the modifications, the department shall			
25	consider input from physicians, pharmacists, pharmaceutical manufacturers, patient			
26	advocates, the Pharmacy Liaison Committee, and others as appropriate.			
27	2. In developing the specialty drug program to implement appropriate care management			
28	and control drug expenditures, the department shall contract with a vendor who will			
29	develop a methodology for the reimbursement and utilization through appropriate case			
30	management of specialty drugs and distribute the list of specialty drug rates, authorized			
31	drugs and utilization guidelines to medical and pharmacy providers in a timely manner			
32	prior to the implementation of the specialty drug program and publish the same on the			
33	department's website.			
34	3. In the event that the Department of Medical Assistance Services contracts with a			
35	vendor, the department shall establish the fee paid to any such contractor based on the			
36	reasonable cost of services provided. The department may not offer or pay directly or			
37	indirectly any material inducement, bonus, or other financial incentive to a program			
38	contractor based on the denial or administrative delay of medically appropriate			
39	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or			
40	a reduction in the proportion of beneficiaries who receive prescription drug therapy under			
41	the Medicaid program. Bonuses cannot be based on the percentage of cost savings			
42	generated under the benefit management of services.			
43	4. The department shall: (i) review, update and publish the list of authorized specialty			
44	drugs, utilization guidelines, and rates at least quarterly; (ii) implement and maintain a			
45	procedure to revise the list or modify specialty drug program utilization guidelines and			
46	rates, consistent with changes in the marketplace; and (iii) provide an administrative			
47	appeals procedure to allow dispensing or prescribing provider to contest the listed			
48	specialty drugs and rates.			
49	5. The department shall report on savings and quality improvements achieved through the			
50	implementation measures for the specialty drug program to the Chairmen of the House			
51	Appropriations and Senate Finance Committees, the Joint Commission on Health Care,			
52	and the Department of Planning and Budget by November 1 of each year.			
53	6. The department shall have authority to enact emergency regulations under § 2.2-4011 of			
54	the Administrative Process Act to effect these provisions.			
55	T.1. The Department of Medical Assistance Services shall reimburse school divisions who

3	of the Federal Financial Participation by the department.			
4	2. The Department of Medical Assistance Services shall retain five percent of the Federal			
5	Financial Participation for reimbursement to school divisions for medical and transportation			
6	services.			
7	U. In the event that the Department of Medical Assistance Services decides to contract for			
8	pharmaceutical benefit management services to administer, develop, manage, or implement			
9	Medicaid pharmacy benefits, the department shall establish the fee paid to any such contractor			
10	based on the reasonable cost of services provided. The department may not offer or pay			
11	directly or indirectly any material inducement, bonus, or other financial incentive to a			
12	program contractor based on the denial or administrative delay of medically appropriate			
13	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or a			
14	reduction in the proportion of beneficiaries who receive prescription drug therapy under the			
15	Medicaid program. Bonuses cannot be based on the percentage of cost savings generated			
16	under the benefit management of services.			
17	V. The Department of Medical Assistance Services, in cooperation with the Department of			
18	Social Services' Division of Child Support Enforcement (DSCE), shall identify and report			
19	third party coverage where a medical support order has required a custodial or noncustodial			
20	parent to enroll a child in a health insurance plan. The Department of Medical Assistance			
21	Services shall also report to the DCSE third party information that has been identified through			
22	their third party identification processes for children handled by DCSE.			
23	W.1. Within the limits of this appropriation, the Department of Medical Assistance Services			
24	shall work with its contracted managed care organizations and fee-for-service health care			
25	providers to: (i) raise awareness among the providers who serve the Medicaid population			
26	about the health risks of chronic kidney disease; (ii) establish effective means of identifying			
27	patients with this condition; and (iii) develop strategies for improving the health status of			
28	these patients. The department shall work with the National Kidney Foundation to prepare			
29	and disseminate information for physicians and other health care providers regarding			
30	generally accepted standards of clinical care and the benefits of early identification of			
31	individuals at highest risk of chronic kidney disease.			
32	2. The department shall request any clinical laboratory performing a serum creatinine test on a			
33	Medicaid recipient over the age of 18 years to calculate and report to the physician the			
34	estimated glomerular filtration rate (eGFR) of the patient and shall report it as a percent of			
35	kidney function remaining.			
36	X.1. Notwithstanding the provisions of § 32.1-325.1:1, Code of Virginia, upon identifying			
37	that an overpayment for medical assistance services has been made to a provider, the Director,			
38	Department of Medical Assistance Services shall notify the provider of the amount of the			
39	overpayment. Such notification of overpayment shall be issued within the earlier of (i) four			
40	years after payment of the claim or other payment request, or (ii) four years after filing by the			
41	provider of the complete cost report as defined in the Department of Medical Assistance			
42	Services' regulations, or (iii) 15 months after filing by the provider of the final complete cost			
43	report as defined in the Department of Medical Assistance Services' regulations subsequent to			
44	sale of the facility or termination of the provider.			
45	2. Notwithstanding the provisions of § 32.1-325.1, Code of Virginia, the director shall issue			
46	an informal fact-finding conference decision concerning provider reimbursement in			
47	accordance with the State Plan for Medical Assistance, the provisions of § 2.2-4019, Code of			
48	Virginia, and applicable federal law. The informal fact-finding conference decision shall be			
49	issued within 180 days of the receipt of the appeal request. If the agency does not render an			
50	informal fact-finding conference decision within 180 days of the receipt of the appeal request,			
51	the decision is deemed to be in favor of the provider. An appeal of the director's informal fact-			
52	finding conference decision concerning provider reimbursement shall be heard in accordance			
53	with § 2.2-4020 of the Administrative Process Act (§ 2.2-4020 et seq.) and the State Plan for			
54	Medical Assistance provided for in § 32.1-325, Code of Virginia. Once a final agency case			
55	decision has been made, the director shall undertake full recovery of such overpayment			
56	whether or not the provider disputes, in whole or in part, the informal fact-finding conference			
57	decision or the final agency case decision. Interest charges on the unpaid balance of any

5	hospital pursuant to 42 U.S.C. §1395ww (d) (8) (ii) (II) on or after September 30, 2004.			
6	Z. The Department of Medical Assistance Services shall amend its State Plan for Medical			
7	Assistance Services to develop and implement a regional model for the integration of			
8	acute and long-term care services. This model would be offered to elderly and disabled			
9	clients on a mandatory basis. The department shall promulgate emergency regulations to

22	institutional settings through the Money Follows the Person Demonstration. The			
23	Department of Medical Assistance Services shall seek federal approval for necessary			
24	changes to the DD and ID waiver applications to add the additional slots.			
25	BB. The Department of Medical Assistance Services shall have the authority to implement			
26	prior authorization and utilization review for community-based mental health services for			
27	children and adults. The department shall have the authority to promulgate emergency			
28	regulations to implement this amendment within 280 days or less from the enactment of			
29	this Act.			
30	CC. The Department of Medical Assistance Services shall delay the last quarterly payment			
31	of certain quarterly amounts paid to hospitals, from the end of each state fiscal year to the			
32	first quarter of the following year. Quarterly payments that shall be delayed from each			
33	June to each July shall be Disproportionate Share Hospital payments, Indirect Medical			
34	Education payments, and Direct Medical Education payments. The department shall have			
35	the authority to implement this reimbursement change effective upon passage of this Act,			
36	and prior to the completion of any regulatory process undertaken in order to effect such			
37	change.

46	This change does not apply to providers who are paid a per-month capitation payment.			
47	The department shall have the authority to implement this reimbursement change effective			
48	upon passage of this Act, and prior to the completion of any regulatory process undertaken			
49	in order to effect such change.			
50	FF. Upon approval by the Centers for Medicare and Medicaid Services of the application			
51	for renewal of the Intellectual Disabilities Waiver, expeditious implementation of any			
52	revisions shall be deemed an emergency situation pursuant to § 2.2-4002 of the			
53	Administrative Process Act. Therefore, to meet this emergency situation, the Department			
54	of Medical Assistance Services shall promulgate emergency regulations to implement the			
55	provisions of this Act.

10	health services not currently provided through a managed care organization. The overall			
11	goal of the project is to improve the value of behavioral health services purchased by the			
12	Commonwealth of Virginia without compromising access to behavioral health services for			
13	vulnerable populations. Targeted case management services will continue to be the			
14	responsibility of the Community Services Boards. The blueprint shall: (i) describe the			
15	steps for development and implementation of the program model(s) including funding,			
16	populations served, services provided, timeframe for program implementation, and			
17	education of clients and providers; (ii) set the criteria for medical necessity for community			
18	mental health rehabilitation services; and (iii) include the following principles:			
19	1. Improves value so that there is better access to care while improving equity.			
20	2. Engages consumers as informed and responsible partners from enrollment to care			
21	delivery.			
22	3. Provides consumer protections with respect to choice of providers and plans of care.			
23	4. Improves satisfaction among providers and provides technical assistance and incentives			
24	for quality improvement.			
25	5. Improves satisfaction among consumers by including consumer representatives on			
26	provider panels for the development of policy and planning decisions.			
27	6. Improves quality, individual safety, health outcomes, and efficiency.			
28	7. Develops direct linkages between medical and behavioral services in order to make it			
29	easier for consumers to obtain timely access to care and services, which could include up			
30	to full integration.			
31	8. Builds upon current best practices in the delivery of behavioral health services.			
32	9. Accounts for local circumstances and reflects familiarity with the community where			
33	services are provided.			
34	10. Develops service capacity and a payment system that reduces the need for involuntary			
35	commitments and prevents default (or diversion) to state hospitals.			
36	11. Reduces and improves the interface of vulnerable populations with local law			
37	enforcement, courts, jails, and detention centers.			
38	12. Supports the responsibilities defined in the Code of Virginia relating to Community			
39	Services Boards and Behavioral Health Authorities.			
40	13. Promotes availability of access to vital supports such as housing and supported			
41	employment.			
42	14. Achieves cost savings through decreasing avoidable episodes of care and			
43	hospitalizations, strengthening the discharge planning process, improving adherence to			
44	medication regimens, and utilizing community alternatives to hospitalizations and			
45	institutionalization.			
46	15. Simplifies the administration of acute psychiatric, community mental health			
47	rehabilitation, and medical health services for the coordinating entity, providers, and			
48	consumers.			
49	16. Requires standardized data collection, outcome measures, customer satisfaction

39	emergency regulations to implement this amendment within 280 days or less from the			
40	enactment of this Act. The department shall have the authority to implement these changes			
41	prior to completion of any regulatory process undertaken in order to effect such change.			
42	PP. The Department of Medical Assistance Services shall mandate that payment rates			
43	negotiated between participating Medicaid managed care organizations and out-of-network			
44	providers for emergency or otherwise authorized treatment shall be considered payment in			
45	full. In the absence of rates negotiated between the managed care organization and the out-of-			
46	network provider, these services shall be reimbursed at the Virginia Medicaid fees and/or			
47	rates and shall be considered payment in full. The department shall have the authority to			
48	promulgate emergency regulations to implement this amendment within 280 days or less from

54	hospital reimbursement methodology. The new EAPG reimbursement methodology shall be			
55	implemented in a budget-neutral manner. The department shall have the authority to

3	the family planning eligibility group from a demonstration waiver to the State Plan for				
4	Medical Assistance. The department shall seek approval of coverage under this new state				
5	plan option for individuals with income up to 200 percent of the federal poverty level. For				
6	the purposes of this section, family planning services shall not cover payment for abortion

25	Attorney General to develop a plan to avoid or adjust retractions or for non-material breaches			
26	of the Provider Participation Agreement when the provider has substantially complied with			
27	the Provider Participation Agreement. The plan shall include an assessment of any			
28	administrative financial impact that implementation of such plan would have on the			
29	department and an analysis of any implications for the department's efforts to combat fraud,			
30	waste, and abuse. The workgroup shall report on the status of this plan to the Chairmen of the			
31	House Appropriations and Senate Finance Committees no later than December 1, 2017.			
32	XX. The Department of Medical Assistance Services shall amend its regulations, subject to			
33	the federal Centers for Medicare and Medicaid Services approval, to strengthen the			
34	qualifications and responsibilities of the Consumer Directed Service Facilitator to ensure the			
35	health, safety and welfare of Medicaid home- and community-based waiver enrollees. The			
36	department shall have the authority to promulgate emergency regulations to implement this			
37	change effective July 1, 2012.			
38	YY. It is the intent of the General Assembly that the implementation and administration of the

42	conflicts are avoided and that sound clinical decisions are made in the best interests of the			
43	individuals receiving behavioral health services. As part of this process, the department shall			
44	monitor the performance of the contract to ensure that these principles are met and that			
45	stakeholders are involved in the assessment, approval, provision, and use of behavioral health			
46	services provided as a result of this contract.			
47	ZZ. 1. Notwithstanding the requirements of Code of Virginia §2.2-4000, et seq., the

1	2. The department shall include in the fall quarterly report required in paragraph AAAA.			
2	of this Item an annual update that details the implementation progress of the financial			
3	alignment demonstration. This update shall include, but is not limited to, costs of			
4	implementation, projected cost savings, number of individuals enrolled, and any other			
5	implementation issues that arise.			
6	AAA. Effective July 1, 2013, the Department of Medical Assistance Services shall have			
7	the authority, to establish a 25 percent higher reimbursement rate for congregate			
8	residential services for individuals with complex medical or behavioral needs currently			
9	residing in an institution and unable to transition to integrated settings in the community			
10	due to the need for services that cannot be provided within the maximum allowable rate,			
11	or individuals whose needs present imminent risk of institutionalization and enhanced			
12	waiver services are needed beyond those available within the maximum allowable rate.			
13	The department shall have authority to promulgate regulations to implement this change			
14	within 280 days or less from the enactment of this Act.			
15	BBB. The Department of Medical Assistance Services shall amend the State Plan for			
16	Medical Assistance to allow for delivery of notices of program reimbursement or other			
17	items referred to in the regulations related to provider appeals by electronic means			
18	consistent with the Uniform Electronic Transactions Act. The department shall implement			
19	this change effective July 1, 2013, and prior to completion of any regulatory process			
20	undertaken in order to effect such changes.			
21	CCC. The Department of Medical Assistance Services shall amend the State Plan for			
22	Medical Assistance to convert the current cost-based payment methodology for nursing			
23	facility operating rates in 12 VAC 30-90-41 to a price-based methodology effective July 1,			
24	2014. The new price-based payment methodology shall be implemented in a budget			
25	neutral manner.			
26	1. The department shall calculate prospective operating rates for direct and indirect costs			
27	in the following manner:			
28	a. The department shall calculate the cost per day in the base year for direct and indirect			
29	operating costs for each nursing facility. The department shall use existing definitions of			
30	direct and indirect costs.			
31	b. The initial base year for calculating the cost per day is cost reports ending in calendar			
32	year 2011. The department shall rebase prices in fiscal year 2018 and every three years			
33	thereafter using the most recent reliable calendar year cost-settled cost reports for			
34	freestanding nursing facilities that have been completed as of September 1.			
35	c. Each nursing facility's direct cost per day shall be neutralized by dividing the direct cost			
36	per day by the raw Medicaid facility case-mix that corresponds to the base year by facility.			
37	d. Costs per day shall be inflated to the midpoint of the fiscal year rate period using the			
38	moving average Virginia Nursing Home inflation index for the 4th quarter of each year			
39	(the midpoint of the fiscal year). Costs in the 2011 base year shall be inflated from the			
40	midpoint of the cost report year to the midpoint of fiscal year 2012 by pro-rating fiscal			
41	year 2012 inflation and annual inflation after that. Annual inflation adjustments shall be			
42	based on the last available report prior to the beginning of the fiscal year and corrected for			
43	any revisions to prior year inflation.			
44	e. Prices will be established for the following peer groups using a combination of			
45	Medicare wage regions and Medicaid rural and bed size modifications based on similar			
46	costs.			
47	1) Direct Peer groups			
48	- Northern Virginia MSA			
49	- Other MSAs			
50	- Northern Rural			
51	- Southern Rural

3	- Rest of State – Greater than 60 Beds			
4	- Other MSAs			
5	- Northern Rural			
6	- Southern Rural			
7	- Rest of State – 60 Beds or Less			
8	f. The price for each peer group shall be based on the following adjustment factors:			
9	1) Direct - 105 percent of the peer group day-weighted median neutralized and inflated cost			
10	per day for freestanding nursing facilities. Effective on and after July 1, 2017, the Direct Peer			
11	Group price percentage shall be increased to 106.8 percent.			
12	2) Indirect - 100.7 percent of the peer group day-weighted median inflated cost per day for			
13	freestanding nursing facilities. Effective on and after July 1, 2017, the Indirect Peer Group			
14	price percentage shall be increased to 101.3 percent.			
15	3) The department shall have the authority to implement these price percentage changes			
16	effective July 1, 2017 and prior to the completion of any regulatory process in order to effect			
17	such changes.			
18	g. Facilities with costs projected to the rate year below 95 percent of the price shall have an			
19	adjusted price equal to the price minus the difference between their cost and 95 percent of the			
20	unadjusted price. Adjusted prices will be established at each rebasing. New facilities after the			
21	base year shall not have an adjusted price until the next rebasing. The “spending floor” limits			
22	the potential gain of low cost facilities, thereby making it possible to implement higher			
23	adjustment factors for other facilities at less cost.			
24	h. Individual claim payment for direct costs shall be based on each resident's Resource			
25	Utilization Group (RUG) during the service period times the facility direct price (similar to			
26	Medicare).			
27	i. Resource Utilization Group (RUG) is a resident classification system that groups nursing			
28	facility residents according to resource utilization and assigns weights related to the resource			
29	utilization for each classification. The department shall use RUGs to determine facility case			
30	mix for cost neutralization in determining the direct costs used in setting the price and for			
31	adjusting the claim payments for residents. The department may elect to transition from the			
32	RUG-III 34 Medicaid grouper to the RUG-IV 48 grouper in the following manner.			
33	1) The department shall neutralize direct costs per day in the base year using the most current			
34	RUG grouper applicable to the base year.			
35	2) The department shall utilize RUG-III 34 groups and weights in fiscal year 2015 for claim			
36	payments.			
37	3) Beginning in fiscal year 2016, the department may elect to implement RUG-IV 48			
38	Medicaid groups and weights for claim payments.			
39	4) RUG-IV 48 weights used for claim payments will be normalized to RUG-III 34 weights as			
40	long as base year costs are neutralized by the RUG-III 34 group. In that the weights are not			
41	the same under RUG IV as under RUG III, normalization will insure that total payments in			
42	direct using the RUGs IV 48 weights will be the same as total payments in direct using the			
43	RUGs-III 34 grouper.			
44	j. The department shall transition to the price-based methodology over a period of four years,			
45	blending the price-based rate described here with the cost-based rate based on current law			
46	with the following adjustments. The facility cost-based operating rates shall be the direct and			
47	indirect rates for fiscal year 2015 based on facility case-mix neutral rates modeled after the			
48	law that would have been in effect in fiscal year 2015 absent this amendment and using base

1	year data from calendar year 2011 inflated to the rate year. Based on a four-year transition,			
2	the rate will be based on the following blend:			
3	1) Fiscal year 2015 - 25 percent of the price-based rate and 75 percent of the cost-based			
4	rate.			
5	2) Fiscal year 2016 - 50 percent of the price-based rate and 50 percent of the cost-based			
6	rate.			
7	3) Fiscal year 2017 - 75 percent of the price-based rate and 25 percent of the cost-based			
8	rate.			
9	4) Fiscal year 2018 - 100 percent of the price-based (fully implemented).			
10	During the first transition year for the period July 1, 2014 through October 31, 2014,			
11	DMAS shall case-mix adjust each direct cost component of the rates using the average			
12	facility case-mix from the two most recent finalized quarters (September and December			
13	2013) instead of adjusting this component claim by claim.			
14	Cost-based rates to be used in the transition for facilities without cost data in the base year			
15	but placed in service prior to July 1, 2013 shall be determined based on the most recently			
16	settled cost data. If there is no settled cost report at the beginning of a fiscal year, then 100			
17	percent of the price-based rate shall be used for that fiscal year. Facilities placed in service			
18	after June 30, 2013 shall be paid 100 percent of the price-based rate.			
19	2. Prospective capital rates shall be calculated in the following manner.			
20	a. Fair rental value per diem rates for the fiscal year shall be calculated for all freestanding			
21	nursing facilities based on the prior calendar year information aged to the fiscal year and			
22	using RS Means factors and rental rates corresponding to the fiscal year. There will be no			
23	separate calculation for beds subject to and not subject to transition.			
24	b. The department shall develop a procedure for mid-year fair rental value per diem rate			
25	changes for nursing facilities that put into service a major renovation or new beds. A			
26	major renovation shall be defined as an increase in capital of \$3,000 per bed. The nursing			
27	facility shall submit complete pro forma documentation at least 60 days prior to the			
28	effective date and the new rate shall be effective at the beginning of the month following			
29	the end of the 60 days. The provider shall submit final documentation within 60 days of			
30	the new rate effective date and the department shall review final documentation and			
31	modify the rate if necessary effective 90 days after the implementation of the new rate. No			
32	mid-year rate changes shall be made for an effective date after April 30 of the fiscal year.			
33	c. Effective July 1, 2014, the rental rate shall be 8.0 percent.			
34	d. These FRV changes shall also apply to specialized care facilities.			
35	e. The capital per diem rate for hospital-based nursing facilities shall be the last settled			
36	capital per diem.			
37	3. Prospective Nurse Aide Training and Competency Evaluation Programs (NATCEP)			
38	rates shall be the Medicaid per diem rate in the base year inflated to the rate year based on			
39	inflation used in the operating rate calculations.			
40	4. A prospective rate for criminal records checks shall be the per diem rate in the base			
41	year.			
42	5. The department shall have the authority to implement these payment changes effective			
43	July 1, 2014 and prior to completion of any regulatory process in order to effect such			
44	changes.			
45	6. The department shall amend the State Plan for Medical Assistance to reimburse the			
46	price-based operating rate rather than the transition operating rate to any nursing facility			
47	whose licensed bed capacity decreased by at least 30 beds after 2011 and whose			
48	occupancy increased from less than 70 percent in 2011 to more than 80 percent in 2013.			
49	The department shall have the authority to implement this reimbursement change effective			
50	July 1, 2015, and prior to completion of any regulatory process in order to effect such

2	7. Effective July 1, 2017, the department shall amend the State Plan for Medical Assistance to				
3	increase the direct and indirect operating rates under the nursing facility price based				
4	reimbursement methodology by 15 percent for nursing facilities where at least 80 percent of				
5	the resident population have one or more of the following diagnoses: quadriplegia, traumatic				
6	brain injury, multiple sclerosis, paraplegia, or cerebral palsy. In addition, a qualifying facility

34	Department for Aging and Rehabilitative Services. The department shall have the			
35	authority to implement this reimbursement change effective July 1, 2013, and prior to the			
36	completion of any regulatory process undertaken in order to effect such change.			
37	JJJ.1. The Department of Medical Assistance Services shall seek federal authority through			
38	any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the			
39	Social Security Act to implement a comprehensive value-driven, market-based reform of			
40	the Virginia Medicaid/FAMIS programs.

4	2. In order to effect such improvements and ensure that reform efforts are cost effective			
5	relative to current forecasted Medicaid/FAMIS expenditure levels, the Department of			
6	Medical Assistance Services shall (i) develop a five-year consensus forecast of

12	LLL. Effective July 1, 2014, the Department of Medical Assistance Services shall replace			
13	the AP-DRG grouper with the APR-DRG grouper for hospital inpatient reimbursement.			
14	The department shall develop budget neutral case rates and Virginia-specific weights for

25	MMM.1. Effective July 1, 2014, the Department of Medical Assistance Services shall			
26	replace the current Disproportionate Share Hospital (DSH) methodology with the			
27	following methodology:			
28	a) DSH eligible hospitals must have a total Medicaid Inpatient Utilization Rate equal to 14			
29	percent or higher in the base year using Medicaid days eligible for Medicare DSH or a			
30	Low Income Utilization Rate in excess of 25 percent and meet other federal requirements.			
31	Eligibility for out of state cost reporting hospitals shall be based on total Medicaid			
32	utilization or on total Medicaid NICU utilization equal to 14 percent or higher.			
33	b) Each hospital's DSH payment shall be equal to the DSH per diem multiplied by each			
34	hospital's eligible DSH days in a base year. Days reported in provider fiscal years in state			
35	FY 2011 will be the base year for FY 2015 prospective DSH payments. DSH will be			
36	recalculated annually with an updated base year. DSH payments are subject to applicable			
37	federal limits.			
38	c) Eligible DSH days are the sum of all Medicaid inpatient acute, psychiatric and			
39	rehabilitation days above 14 percent for each DSH hospital subject to special rules for out			
40	of state cost reporting hospitals. Eligible DSH days for out of state cost reporting hospitals			
41	shall be the higher of the number of eligible days based on the calculation in the first			
42	sentence times Virginia Medicaid utilization (Virginia Medicaid days as a percent of total			
43	Medicaid days) or the Medicaid NICU days above 14 percent times Virginia NICU			
44	Medicaid utilization (Virginia NICU Medicaid days as a percent of total NICU Medicaid			
45	days). Eligible DSH days for out of state cost reporting hospitals who qualify for DSH but			
46	who have less than 12 percent Virginia Medicaid utilization shall be 50 percent of the days			
47	that would have otherwise been eligible DSH days.			
48	d) Additional eligible DSH days are days that exceed 28 percent Medicaid utilization for			
49	Virginia Type Two hospitals (excluding Children's Hospital of the Kings Daughters).			
50	e) The DSH per diem shall be calculated in the following manner:			
51	a. The DSH per diem for Type Two hospitals is calculated by dividing the total Type Two			
52	DSH allocation by the sum of eligible DSH days for all Type Two DSH hospitals. For

		First Year FY2017	Second Year FY2018	First Year FY2017	Second Year FY2018
1	Committees by June 30 of each year.				
2	I. Included in the appropriation for this Item is \$250,000 the first year and \$250,000 the				
3	second year from nongeneral funds for a culinary arts program in which inmates are trained to				
4	operate food service activities serving agency staff and the general public. The source of the				
5	funds shall be revenues generated by the program. Any revenues so generated by the program				
6	shall not be subject to § 4-2.02 of this act and shall be used by the agency for the costs of				
7	operating the program. The State Comptroller shall continue to maintain the Inmate Culinary				
8	Arts Training Program Fund on the books of the Commonwealth to reflect the revenue and				
9	expenditures of this program.				
10	J.1. The Department of Corrections shall continue to coordinate with the Department of				
11	Medical Assistance Services and the Department of Social Services to enroll eligible inmates				
12	in Medicaid. To the extent possible, the Department of Corrections shall work to identify				
13	potentially eligible inmates on a proactive basis, prior to the time inpatient hospitalization				
14	occurs. Procedures shall also include provisions for medical providers to bill the Department				
15	of Medical Assistance Services, rather than the Department of Corrections, for eligible inmate				
16	inpatient medical expenses. Due to the multiple payor sources associated with inpatient and				
17	outpatient health care services, the Department of Corrections and the Department of Medical				
18	Assistance Services shall consult with the applicable provider community to ensure that				
19	administrative burdens are minimized and payment for health care services is rendered in a				
20	prompt manner.				
21	2. The Department of Corrections, through its contract with the Virginia Commonwealth				
22	University Department of Health Administration, shall review the management of a selected				
23	number of inmates who account for the largest share of total inpatient and outpatient medical				
24	care costs within the department. The review shall include inmates who have been enrolled in				
25	Medicaid for qualifying inpatient hospitalizations; for these individuals, the Department of				
26	Medical Assistance shall provide the requisite enrollee data. The review shall address the				
27	number and characteristics of these inmates (including demographic background, offense				
28	history, and security classification) who account for the highest costs for medical care. The				
29	review shall also consider, to the extent available, their medical history and current medical				
30	issues and address potential case management strategies and other steps to reduce costs for				
31	these inmates in the long term. Copies of the review shall be provided by October 1, 2017, to				
32	the Secretary of Public Safety and Homeland Security, the Secretary of Health and Human				
33	Resources, the Chairman of the Joint Commission on Health Care, and the Chairmen of the				
34	House Appropriations and Senate Finance Committees.				
35	K. Federal funds received by the Department of Corrections from the federal Residential				
36	Substance Abuse Treatment Program shall be exempt from payment of statewide and agency				
37	indirect cost recoveries into the general fund.				
38	L. Included in the appropriation for this item is funding for the first year and the second year				
39	from the general fund for six medical contract monitors. The persons filling these positions				
40	shall have the responsibility of closely monitoring the adequacy and quality of inmate medical				
41	services in those correctional facilities for which the department has contracted with a private				
42	vendor to provide inmate medical services.				
43	M. The Department of Corrections shall continue to operate a separate program for inmates				
44	under 18 years old who have been tried and convicted as adults and committed to the				
45	Department of Corrections. This separation of these offenders from the general prison				
46	population is required by the requirements of the federal Prison Rape Elimination Act.				
47	N. The Department shall provide to the Secretary of Public Safety and Homeland Security,				
48	the Directors of the Departments of Planning and Budget and Human Resources Management,				
49	and the Chairmen of the House Appropriations and Senate Finance Committees by July 1,				
50	2016, a report assessing:				
51	a. The costs, benefits, and administrative actions required to eliminate the Department's				
52	reliance on a private contractor for the delivery of inmate health care at multiple facilities, and				
53	to provide the same services internally using either state employees or individual contract				
54	medical personnel.				
55	b. The costs, benefits, and administrative actions required to transition to a statewide health

2	by prison health care management and Medicaid managed care organizations to deliver				
3	provider-managed and outcome-based comprehensive health care services through a				
4	single statewide contract for all of the Department's adult correctional centers.				
5	c. A review of the Department's actual cost experience comparing the previous				
6	arrangement in which the contractor assumed full financial risk for the payment of off-site				
7	inpatient and outpatient services, and the current and proposed arrangement in which the				
8	Department assumes that risk and also receives any Medicaid reimbursement for such off-				
9	site expenses. For purposes of analyzing the first arrangement, it is assumed that the				
10	benefit of any Medicaid or other third-party reimbursement for hospital or other services				
11	would accrue to the contractor. This review shall also compare cost trends experienced by				
12	other states which have adopted these two arrangements.				
13	d. A comparison of the costs and benefits of the Department's current management of				
14	inmate health care, including the model envisioned in its August 2014 Request for				
15	Proposals, to the alternative models the Department is directed to assess in subsections a,				
16	b, and c above.				
17	e. The Department of Human Resources Management, the Department of Planning and

26	the Chief Information Officer (CIO) and the Secretary of Technology. Information on major			
27	information technology investments will continue to be provided General Assembly members			
28	and staff. Specifically, the following tasks will not be required, though the task may be			
29	performed in a more streamlined fashion: (i) The annual report to the Governor, the Secretary,			
30	and the Joint Commission on Technology and Science; (ii) The annual report from the CIO			
31	for submission to the Secretary, the Information Technology Advisory Council, and the Joint			
32	Commission on Technology and Science on a prioritized list of Recommended Technology			
33	Investment Projects (RTIP Report); (iii) The development by the CIO and regular update of a

15	over seven years is expected to be \$93,043,146 with a cost to the Commonwealth of

2	2. Pursuant to the provisions of Item 449.10, 1., Chapter 847 of the 2007 Acts of Assembly,				
3	\$20,000,000 was deposited to the Transportation Partnership Opportunity Fund (TPOF) for				
4	the purpose of purchasing right of way owned by Norfolk Southern Corporation and located				
5	between Newtown Road and the Oceanfront. The subsequent contract for the TPOF award				
6	signed between the Department of Transportation and the City of Virginia Beach, specified				
7	that if such funds were not utilized to extend light rail along the corridor to Virginia Beach,				
8	the funds were to be repaid to the Department of Transportation and redeposited into the				
9	TPOF for allocations for other eligible transportation projects. Based on the failure of the				
10	project to move forward, as evidenced by the failure of the voter referendum on the Virginia				
11	Beach ballot in the November 2016 election, the City of Virginia Beach is required to repay to				
12	the Department of Transportation the full amount in four annual payments of \$5,000,000 by				
13	September 1 of each year for the next four years beginning in fiscal year 2018. To the extent				
14	the annual payment is not made as required by September 1 in each year for the next four				
15	years, the Department of Transportation is directed to withhold the payment amount due from				
16	funds provided to the City of Virginia Beach pursuant to § 33.2-319, Code of Virginia. It is				
17	the intent of the General Assembly that these sums are hereby made available to the				
18	department to reallocate to eligible TPOF projects as they become available.				
19	H. For funds allocated in § 58.1-1741, Code of Virginia, to state of good repair purposes for				
20	fiscal year 2017 and fiscal year 2018, the distribution of funding in subsections (B) and (C) of				
21	§ 33.2-369, Code of Virginia, will not apply. The Commonwealth Transportation Board may				
22	allocate funds to state of good repair purposes for reconstruction and replacement of				
23	structurally deficient state and locally owned bridges and reconstruction and rehabilitation of				
24	pavement on the interstate system and primary state highway system determined to be				
25	deteriorated by the board, including municipality-maintained primary extensions, as well as to				
26	work related to the condition assessment and pavement rehabilitation of secondary highways				
27	and other related work to improve secondary highways. Prior to this allocation, the				
28	Commonwealth Transportation Board will provide \$11,929,353 for Improvements at				
29	Interstate Rest Areas throughout the Commonwealth.				
30	I. The Secretary may establish a pilot program for unpaved roads sections that (i) are more				
31	than 2 miles in length, (ii) is not a dead-end, (iii) intersects with existing paved roads at both				
32	ends and (iv) have a traffic volume of 100 or more vehicles in a context sensitive manner. Up				
33	to \$1,000,000 in the first year and \$1,000,000 in the second year from funds available under				
34	subdivision (C)(v) of § 33.2-358, Code of Virginia, may be used for this pilot program.				
35	J. Notwithstanding the provisions of § 33.2-358, Code of Virginia, the unanticipated amounts				
36	available for construction from the December 2015 revenue forecast and from the increased				
37	federal funding from the passage of the Fixing America's Surface Transportation (FAST) Act				
38	shall be distributed following the new construction formula defined by § 33.2-358, Code of				
39	Virginia, advancing the distribution of funds under this formula and provide 45 percent of the				
40	additional funding to the State of Good Repair Program, 27.5 percent to the High Priority				
41	Projects Program, and 27.5 percent to the District Grant Program.				
42	K.1. Notwithstanding any other provision of the Code of Virginia, as a condition on the				
43	expenditure of all amounts included in this item, the Commonwealth Transportation Board				
44	shall include all amounts needed, not to exceed \$140,000,000, in the fiscal year 2017 through				
45	fiscal year 2022 Six-Year Improvement Program adopted pursuant to § 33.2-214, for				
46	improvements to the Interstate 66 corridor inside the Capitol Beltway, including but not				
47	limited to the addition of a third eastbound travel lane on Interstate 66 from the Dulles				
48	Connector Road to State Route 237, North Fairfax Drive/N. Glebe Road exit of Interstate 66.				
49	2. Environmental work pursuant to the National Environmental Policy Act for the project				
50	outlined in paragraph J.1. shall commence no later than July 15, 2016, and the Department				
51	shall complete a minimum of 30 percent of the design work for such capacity expansion by				
52	November 1, 2017. Amounts dedicated to such project shall not reduce amounts made				
53	available to the High Priority Projects Program or the District Grant Program.				
54	3. It is the intent of the General Assembly that tolling on Interstate 66 inside the Capitol				
55	Beltway shall not extend beyond four hours during the morning rush hour and four hours				
56	during the evening rush hour on Mondays, Tuesdays, Wednesdays, Thursdays and Fridays,				
57	exclusive of national holidays, and tolling shall not apply on weekends.

47	authority of the Department of Human Resource Management to establish and enforce			
48	employer contribution rates for any health insurance plan established pursuant to §2.2-

28	the general fund appropriations of state agencies and institutions of higher education,			
29	representing the net savings resulting from the changes in employer contributions for state

2 **§ 2-0. GENERAL CONDITIONS**

3 A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated
4 to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to
5 paragraph G of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the
6 expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the
7 unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

8 2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the
9 first year in accordance with § 4-1.03 a 5 of this act.

10 B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

11 C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of
12 equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

13 D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

14 1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied
15 approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of
16 capital project proposals must come from the affected agency's existing resources.

17 2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for
18 planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are
19 reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in
20 the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design
21 choices.

22 E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property,
23 plant, and equipment as defined in § 4-4.01c of this act to the extent that funds included in the appropriation to the agency for this
24 purpose in Part 1 of this act are insufficient.

25 2. Agencies and institutions of higher education can expend up to \$1,500,000 for a single repair or project through the maintenance
26 reserve appropriation. Such expenditures shall be subject to rules and regulations prescribed by the Governor. To the extent an agency
27 or institution of higher education has identified a potential project that exceeds this threshold, the Director, Department of Planning and
28 Budget, can provide exemptions to the threshold as long as the project still meets the definition of a maintenance reserve project as
29 defined by the Department of Planning and Budget.

30 3. Only facilities supported wholly or in part by the general fund shall utilize general fund maintenance reserve appropriations.
31 Facilities supported entirely by nongeneral funds shall accomplish maintenance through the use of nongeneral funds.

32 F. Conditions Applicable to Bond Projects

33 1. The capital projects listed in §§ 2-53 and 2-54 for the indicated agencies and institutions of higher education are hereby authorized
34 and sums from the sources and in the amount indicated are hereby appropriated and reappropriated. The issuance of bonds in a
35 principal amount plus amounts needed to fund issuance costs, reserve funds, and other financing expenses, including capitalized
36 interest for any project listed in §§ 2-53 and 2-54 is hereby authorized.

37 2. The issuance of bonds for any project listed in § 2-53 is to be separately authorized pursuant to Article X, Section 9 (c), Constitution
38 of Virginia.

39 3. The issuance of bonds for any project listed in §§ 2-53 or 2-54 shall be authorized pursuant to § 23.1-1106, Code of Virginia.

40 4. In the event that the cost of any capital project listed in §§ 2-53 and 2-54 shall exceed the amount appropriated therefore, the
41 Director, Department of Planning and Budget, is hereby authorized, upon request of the affected institution, to approve an increase in
42 appropriation authority of not more than ten percent of the amount designated in §§ 2-53 and 2-54 for such project, from any available
43 nongeneral fund revenues, provided that such increase shall not constitute an increase in debt issuance authorization for such capital
44 project. Furthermore, the Director, Department of Planning and Budget, is hereby authorized to approve the expenditure of all interest
45 earnings derived from the investment of bond proceeds in addition to the amount designated in §§ 2-53 and 2-54 for such capital
46 project.

2 purposes.

4 such commitment, the institution may be responsible for securing short-term financing and covering the costs from other sources of
5 funds.

9 Fund Sources: General.....	\$500,000	\$0		
10 A. The Department of Alcoholic Beverage Control (ABC) and the Department of General 11 Services (DGS) shall develop and deliver a plan to provide capital project options for a 12 new ABC warehouse and ABC administrative offices.				
13 B. The plan will be a comprehensive plan for an ABC warehouse and administrative 14 offices. At a minimum the plan will include real estate development approaches to achieve 15 operationally ready, "turn-key", cost effective and efficient solutions to meet ABC's 16 operational and business requirements. Solutions may include, but not be limited to, lease 17 or construction of new facilities, acquiring existing facilities through lease or purchase, a 18 combination of new construction and existing facilities, and must include at least one 19 option for using the existing location for the new or retrofitted warehouse and 20 administrative office building.				
21 C. In developing a new construction option for office space, an infill design concept 22 should be considered, which initially would accommodate not more than a ten percent 23 increase in central office staff beyond the number currently located in the headquarters 24 building, with further growth in staff beyond the ten percent to be accommodated through 25 less-expensive infill construction.				
26 D. The Department of General Services (DGS) shall analyze and include options in the 27 ABC plan for the use of state-owned real property declared surplus and existing 28 underutilized state-owned real property.				
29 E. Private sector developer options are to be included in the ABC plan. DGS is tasked and 30 authorized to publicly solicit proposals (i.e. Request For Proposal, Request For 31 Information or by other public solicitation method), to evaluate requirements in 32 paragraphs B and D of this item, from the private sector developer community interested 33 in providing solutions that meet ABC's operational, business, and cost effectiveness and 34 efficiency requirements.				
35 F. ABC is tasked to include in the plan financing options for the capital project options.				
36 G. The plan shall be delivered to the Governor, Chairmen of the House Appropriations 37 and Senate Finance Committees, and the Six-Year Capital Outlay Plan Advisory 38 Committee (§ 2.2-1516) no later than November 1, 2017.				
39 H. Funds authorized to the Department of General Services for this item may be used to 40 accomplish the necessary tasks to prepare, develop, complete, and execute the ABC plan.				
41 I. The Virginia Alcoholic Beverage Control Authority and the Department of General 42 Services (DGS) are authorized to execute an agreement for a capital project to acquire a 43 new ABC warehouse and administrative offices pursuant to the competitive public 44 solicitation process called for in Item C-52.45 of Chapter 836 of the 2017 Acts of 45 Assembly. Terms of such agreement shall be cost effective and efficient to meet ABC's 46 operational and business needs.

46 The Virginia Department of Transportation shall transfer, from motor fuel tax revenues, \$388,254 the first year and \$388,254 the
47 second year to the Department of General Services for motor fuels testing.

48 § 3-1.03 SHORT-TERM ADVANCE TO THE GENERAL FUND FROM NONGENERAL FUNDS

49 A. To meet the occasional short-term cash needs of the general fund during the course of the year when cumulative year-to-date
50 disbursements exceed temporarily cumulative year-to-date revenue collections, the State Comptroller is authorized to draw cash

1 temporarily from nongeneral fund cash balances deemed to be available, although special dedicated funds related to commodity
 2 boards are exempt from this provision. Such cash drawdowns shall be limited to the amounts immediately required by the
 3 general fund to meet disbursements made in pursuance of an authorized appropriation. However, the amount of the cash
 4 drawdown from any particular nongeneral fund shall be limited to the excess of the cash balance of such fund over the amount
 5 otherwise necessary to meet the short-term disbursement requirements of that nongeneral fund. The State Comptroller will
 6 ensure that those funds will be replenished in the normal course of business.

7 B. In the event that nongeneral funds are not sufficient to compensate for the operating cash needs of the general fund, the State
 8 Treasurer is authorized to borrow, temporarily, required funds from cash balances within the Transportation Trust Fund, where
 9 such trust fund balances, based upon assessments provided by the Commonwealth Transportation Commissioner, are not
 10 otherwise needed to meet the short-term disbursement needs of the Transportation Trust Fund, including any debt service and
 11 debt coverage needs, over the life of the borrowing. In addition, the State Treasurer shall ensure that such borrowings are
 12 consistent with the terms and conditions of all bond documents, if any, that are relevant to the Transportation Trust Fund.

13 C. The Secretary of Finance, the State Treasurer and the Commonwealth Transportation Commissioner shall jointly agree on
 14 the amounts of such interfund borrowings. Such borrowed amounts shall be repaid to the Transportation Trust Fund at the
 15 earliest practical time when they are no longer needed to meet short-term cash needs of the general fund, provided, however,
 16 that such borrowed amounts shall be repaid within the biennium in which they are borrowed. Interest shall accrue daily at the
 17 rate per annum equal to the then current one-year United States Treasury Obligation Note rate.

18 D. Any temporary loan shall be evidenced by a loan certificate duly executed by the State Treasurer and the Commonwealth
 19 Transportation Commissioner specifying the maturity date of such loan and the annual rate of interest. Prepayment of
 20 temporary loans shall be without penalty and with interest calculated to such prepayment date. The State Treasurer is
 21 authorized to make, at least monthly, interest payments to the Transportation Trust Fund.

22 § 3-2.00 WORKING CAPITAL FUNDS AND LINES OF CREDIT

23 § 3-2.01 ADVANCES TO WORKING CAPITAL FUNDS

24 The State Comptroller shall make available to the Virginia Racing Commission, on July 1 of each year, the amount of \$125,000
 25 from the general fund as a temporary cash flow advance, to be repaid by December 30 of each year.

26 § 3-2.02 CHARGES AGAINST WORKING CAPITAL FUNDS

27 The State Comptroller may periodically charge the appropriation of any state agency for the expenses incurred for services

PART 4: GENERAL PROVISIONS

§ 4-0.00 OPERATING POLICIES

§ 4-0.01 OPERATING POLICIES

a. Each appropriating act of the General Assembly shall be subject to the following provisions and conditions, unless specifically exempt elsewhere in this act.

b. All appropriations contained in this act, or in any other appropriating act of the General Assembly, are declared to be maximum appropriations and conditional on receipt of revenue.

c. The Governor, as chief budget officer of the state, shall ensure that the provisions and conditions as set forth in this section are strictly observed.

d. Public higher education institutions are not subject to the provisions of § 2.2-4800, Code of Virginia, or the provisions of the Department of Accounts' Commonwealth Accounting Policies and Procedures manual (CAPP) topic 20505 with regard to students who are veterans of the United States armed services and National Guard and are in receipt of federal educational benefits under the G.I. Bill. Public higher education shall establish internal procedures for the continued enrollment of such students to include resolution of outstanding accounts receivable.

e. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq. of the Code of Virginia) shall not apply to grants made in support of the 2019 Commemoration to non-profit entities organized under § 501 (c)(3) of the Internal Revenue Code.

f. 1. The State Council of Higher Education for Virginia shall establish a policy for granting undergraduate course credit to entering freshman students who have taken one or more Advanced Placement, Cambridge Advanced (A/AS), College-Level Examination Program (CLEP), or International Baccalaureate examinations by August 1, 2017. The policy shall:

a) Outline the conditions necessary for each public institution of higher education to grant course credit, including the minimum required scores on such examinations;

b) Identify the course credit or other academic requirements of each public institution of higher education that the student satisfies by achieving the minimum required scores on such examinations; and

c) Ensure, to the extent possible, that the grant of course credit is consistent across each public institution of higher education and each such examination.

2. The Council and each public institution of higher education shall make the policy available to the public on its website.

§ 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and contained in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any general fund appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any gift, grant or donation.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction plan approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend appropriated moneys, regardless of the mechanism used to effect such withholding.

b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of

1 appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon
 2 which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other
 3 purpose, provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days
 4 after the Governor has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House
 5 Appropriations and Senate Finance Committees.

6 2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations
 7 have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

8 c. Increased Nongeneral Fund Revenue:

9 1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues
 10 collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the
 11 operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments
 12 of appropriations, in an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for
 13 educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations
 14 to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any
 15 state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually
 16 disabled payable from the Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations
 17 for highway construction and mass transit. Moneys unallotted under this provision shall not be reallocated for any other
 18 purpose.

19 2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program,
 20 following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by
 21 withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is
 22 prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations,
 23 which are required to match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

24 d. Reduced General Fund Resources:

25 1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of
 26 the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium,
 27 and all unexpended balances brought forward from the previous biennium.

28 2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund
 29 appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold
 30 general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the
 31 estimated general fund resources available.

32 3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current
 33 fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared
 34 within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of
 35 general fund revenues shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance
 36 Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

37 4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the
 38 Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to
 39 the Chairmen of the House Appropriations, House Finance, and Senate Finance Committees.

40 b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller
 41 shall provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes
 42 for the just-completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget
 43 estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income
 44 taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the
 45 official budget estimate for the just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund
 46 revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the
 47 Chairmen of the Senate Finance, House Finance and House Appropriations Committees, not later than September 1 following
 48 the close of the fiscal year.

49 5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved
 50 by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House
 51 Appropriations and Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be
 52 submitted to the Chairmen of the House Appropriations and Senate Finance Committees, prior to withholding allotments of
 53 appropriations.

54 b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state

1 agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's
2 Cabinet secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via electronic means
3 to the Chairmen of the House Appropriations and Senate Finance Committees concurrently with that budget reduction plan.

4 6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:

5 a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any
6 one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency
7 or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations
8 Committees. State agencies providing funds directly to grantees named in this act shall not apportion a larger cut to the grantee than
9 the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the remaining appropriation to the grantee
10 which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal
11 installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to
12 \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.

13 b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its
14 authorities, or for payment of a legally authorized deficit.

15 c) The payments for care of graves of Confederate and historical African American dead.

16 d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement
17 System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional
18 Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan
19 for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life insurance, sickness and
20 disability, and retiree health care credit programs for state employees, state-supported local employees and teachers. If the Virginia
21 Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the
22 appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the
23 current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for
24 health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be
25 increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed
26 in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the
27 governing board.

28 e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.

29 f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.

30 g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for
31 payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the
32 Executive Department.

33 h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting
34 revenues for such appropriation are estimated to be insufficient to pay the appropriation.

35 7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on
36 an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the
37 maximum of 15 percent, as prescribed in subdivision 6a of this subsection.

38 8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the
39 appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund
40 appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations;
41 however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of
42 reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in
43 accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance,
44 House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund sources are defined
45 as Highway Maintenance and Operating Fund and Transportation Trust Fund.

46 9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year
47 of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury, subject to
48 the following:

49 a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a fiscal
50 emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of such transfer
51 within five calendar days of the transfer;

52 b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of
53 Virginia, debt service funds, or federal funds; and

1 c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the
2 amount transferred from each account or fund and recommendations for restoring such amounts.

3 10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority
4 withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees
5 within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation
6 item.

7 11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between
8 projected general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of
9 the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the General
10 Assembly.

11 § 4-1.03 APPROPRIATION TRANSFERS

12 GENERAL

13 a. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority from one state
14 or other agency to another, to effect the following:

15 1) distribution of amounts budgeted in the central appropriation to agencies, or withdrawal of budgeted amounts from agencies
16 in accordance with specific language in the central appropriation establishing reversion clearing accounts;

17 2) distribution of pass-through grants or other funds held by an agency as fiscal agent;

18 3) correction of errors within this act, where such errors have been identified in writing by the Chairmen of the House

21 5) transfers specifically authorized elsewhere in this act or as specified in the Code of Virginia;

22 6) to supplement capital projects in order to realize efficiencies or provide for cost overruns unrelated to changes in size or
23 scope; or

24 7) to administer a program for another agency or to effect budgeted program purposes approved by the General Assembly,
25 pursuant to a signed agreement between the respective agencies.

26 b. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority within an
27 agency to effect proper accounting between fund sources and to effect program purposes approved by the General Assembly,
28 unless specifically provided otherwise in this act or as specified in the Code of Virginia. However, appropriation authority for
29 local aid programs and aid to individuals, with the exception of student financial aid, shall not be transferred elsewhere without
30 advance notice to the Chairmen of the House Appropriations and Senate Finance Committees. Further, any transfers between
31 capital projects shall be made only to realize efficiencies or provide for cost overruns unrelated to changes in size or scope.

32 c.1. In addition to authority granted elsewhere in this act, the Director, Department of Planning and Budget, may transfer
33 operating appropriations authority among sub-agencies within the Judicial System, the Department of Corrections, and the
34 Department of Behavioral Health and Developmental Services to effect changes in operating expense requirements which may
35 occur during the biennium.

36 2. The Director, Department of Planning and Budget, may transfer appropriations from the Department of Behavioral Health
37 and Developmental Services to the Department of Medical Assistance Services, consisting of the general fund amounts
38 required to match federal funds for reimbursement of services provided by its institutions and Community Services Boards.

39 3. The Director, Department of Planning and Budget, may transfer appropriations from the Office of Comprehensive Services

43 agency, or from one such agency to another, to support changes in agency organization, program or responsibility enacted by
44 the General Assembly to be effective during the current biennium.

45 5. The Director, Department of Planning and Budget, may transfer appropriations from the second year to the first year, with
46 said transfer to be reported in writing to the Chairmen of the Senate Finance and House Appropriations Committees within five
47 calendar days of the transfer, when the expenditure of such funds is required to:

48 a) address a threat to life, safety, health or property, or

- 1 b) provide for unbudgeted cost increases for statutorily required services or federally mandated services, in order to continue those
2 services at the present level, or
- 3 c) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a
4 situation deemed threatening to life, safety, health, or property, or
- 5 d) provide for payments to the beneficiaries of certain public safety officers killed in the line of duty, as authorized in Title 2.2,
6 Chapter 4, Code of Virginia and for payments to the beneficiaries of certain members of the National Guard and United States
7 military reserves killed in action in any armed conflict on or after October 7, 2001, as authorized in § 44-93.1 B., Code of Virginia,
8 or
- 9 e) continue a program at the present level of service or at an increased level of service when required to address unanticipated
10 increases in workload such as enrollment, caseload or like factors, or unanticipated costs, or
- 11 f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided that
12 any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.
- 13 6. An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed specifically
14 for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized budgeting and
15 accounting systems.
- 16 7. The Director, Department of Planning and Budget, may transfer from any other agency, appropriations to supplement any project
17 of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such capital project
18 shall be transferred to the state agency designated as the managing agency for the Virginia Public Building Authority.
- 19 8. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of Virginia
20 (§ 15.2-4100 et seq.) or the consolidation of a city and a county into a single city pursuant to the provisions of Chapter 35 of Title
21 15.2, Code of Virginia (§ 15.2-3500 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern distributions
22 from state agencies to the county in which the town is situated or to the consolidated city, and the Director, Department of Planning
23 and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from one such agency to another, if
24 necessary to fulfill the requirements of § 15.2-1302.

25 § 4-1.04 APPROPRIATION INCREASES

26 a. UNAPPROPRIATED NONGENERAL FUNDS:

27 1. Sale of Surplus Materials:

28 The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the
29 amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

30 2. Insurance Recovery:

31 The Director, Department of Planning and Budget, shall increase the appropriation authority for any state agency by the amount of
32 the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be necessary, to
33 pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

34 3. Gifts, Grants and Other Nongeneral Funds:

35 a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director, Department of
36 Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of the proceeds of
37 donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations during a fiscal year.
38 Such appropriations shall be increased only when the expenditure of moneys is authorized elsewhere in this act or is required to:

39 1) address a threat to life, safety, health or property or

40 2) provide for unbudgeted increases in costs for services required by statute or services mandated by the federal government, in
41 order to continue those services at the present level or implement compensation adjustments approved by the General Assembly, or

43 situation deemed threatening to life, safety, health, or property, or

44 4) continue a program at the present level of service or at an increased level of service when required to address unanticipated
45 increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which will
46 benefit the state's economy, or

47 5) participate in a federal or sponsored program provided that the provisions of § 4-5.03 shall also apply to increases in
48 appropriations for additional gifts, grants, and other nongeneral fund revenue which require a general fund match as a condition of

- 1 their acceptance; or
- 2 6) realize cost savings in excess of the additional funds provided, or
- 3 7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or

- 5 9) address caseload or workload changes in programs approved by the General Assembly.
- 6 b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.
- 7 c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from
- 8 donations, gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and
- 9 verify their accuracy, as part of the budget planning and review process.
- 10 d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the
- 11 Director, Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the
- 12 purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject
- 13 to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services,
- 14 of this act.
- 15 e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations,
- 16 Gifts, Grants, and Contracts of this act.
- 17 4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of
- 18 the fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director,
- 19 Department of Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues
- 20 deposited to the Virginia Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly
- 21 specifically authorizes an alternate use. With regard to the appropriation of other nongeneral fund cash balances, the Director
- 22 shall make a listing of such transactions available to the public via electronic means no less than ten business days following
- 23 the approval of the appropriation of any such balance.
- 24 5. Reporting:
- 25 The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in
- 26 unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in
- 27 this subsection.
- 28 b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS
- 29 The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the
- 30 purchase of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of
- 31 any annual amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of
- 32 the General Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund
- 33 appropriations for the Department of Corrections.
- 34 § 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS
- 35 a. GENERAL FUND OPERATING EXPENSE:
- 36 1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of
- 37 the first year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of
- 38 Virginia, where necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable,
- 39 in the determination of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial
- 40 incentives to reduce spending to effect current or future cost savings. With the exception of the unexpended general fund
- 41 appropriations of agencies in the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of
- 42 higher education, all other such unexpended general fund appropriations unexpended on the last day of the previous biennium
- 43 or the last day of the first year of the current biennium shall revert to the general fund.
- 44 General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent Agencies
- 45 shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund
- 46 appropriations shall also be reappropriated for institutions of higher education, subject to § 2.2-5005, Code of Virginia.
- 47 2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the
- 48 Senate Finance and House Appropriations Committees on the reappropriated amounts for each state agency in the Executive
- 49 Department. He shall provide a preliminary report of reappropriation actions on or before November 1 and a final report on or
- 50 before December 20 to the Chairmen of the House Appropriations and Senate Finance Committees.

1 b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover nonrecurring
2 costs.

3 3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with
4 management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction
5 over the agency or institution, acting jointly.

6 4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain
7 unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be
8 reappropriated by language in the Appropriation Act.

9 5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House
10 Appropriations and Senate Finance Committees showing the amount reverted for each agency and the total amount of such
11 reversions.

12 b. NONGENERAL FUND OPERATING EXPENSE:

13 Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a
14 period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it
15 is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director,
16 Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly. This
17 provision does not apply to funds held in trust by the Commonwealth.

18 c. CAPITAL PROJECTS:

19 1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the
20 fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or
21 reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The
22 State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and
23 reduce any appropriation or reappropriation which the Director determines is not needed to complete the project.

24 2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to
25 and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of
26 Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the
27 appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return
28 the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral
29 funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds.

30 3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall
31 subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an
32 unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise
33 restore any portion of such amount under the same conditions.

34 § 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

35 a. LIMITED CONTINUATION OF APPROPRIATIONS.

36 Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of
37 the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be necessary in
38 order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such
39 date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the
40 previous biennium, against such unexpended balances.

41 b. LIMITATIONS ON CASH DISBURSEMENTS.

42 Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for
43 each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter budgetary
44 transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency
45 arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State
46 Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn against
47 appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This
48 provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond
49 documents, trust indentures, and/or escrow agreements.

50 § 4-1.07 ALLOTMENTS

51 Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-

1 1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget,
 2 shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the
 3 authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the
 4 personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the
 5 head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and
 6 Budget, under this section.

7 § 4-2.00 REVENUES

8 § 4-2.01 NONGENERAL FUND REVENUES

9 a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

10 1. No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor
 11 except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds,
 12 except that donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less
 13 than \$5,000, such as library items or small display items, may be approved by the Executive Director of the Virginia War
 14 Memorial in consultation with the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the
 15 Virginia War Memorial Foundation must receive written approval from the Secretary of Veterans Affairs and Homeland
 16 Security.

17 2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary
 18 donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this
 19 act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment
 20 funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a
 21 separately incorporated foundation or corporation.

22 3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution
 23 through a lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the
 24 lease purchase agreement, provided that the lessor is the Virginia College Building Authority.

25 4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs,
 26 4-4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.

27 b. HIGHER EDUCATION TUITION AND FEES

28 1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
 29 Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of
 30 higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in
 31 accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the
 32 appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment
 33 funds, or income derived from endowments and gifts.

34 2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at
 35 levels they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates,
 36 provided that the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund
 37 appropriation for educational and general programs provided in this act.

38 b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels
 39 they deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided
 40 that: i) the tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at
 41 least 100 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and
 42 periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue
 43 generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and
 44 general programs provided in this act.

45 c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher
 46 Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in
 47 annual tuition and fee increases for nonresident students that would discourage their enrollment.

48 d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion
 49 of nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent. Norfolk
 50 State University, Virginia Military Institute, Virginia State University, and two-year public institutions are exempt from this
 51 restriction.

52 3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education,
 53 the General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding

- 1 of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the
2 60th percentile of peer institutions, and other priorities set forth in this act.
- 3 b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to cover at
4 least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced in
5 subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other
6 priorities set forth in this act.
- 7 4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as
8 the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of
9 Virginia is served, while recognizing the material contributions provided by the presence of nonresident students. The State Council
10 of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the
11 domiciliary status of students.
- 12 b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House Appropriations
13 and Senate Finance Committees no later than August 1 of each year the annual change in total charges for tuition and all required
14 fees approved and allotted by the Board of Visitors. As it deems appropriate, the State Council of Higher Education for Virginia
15 shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and required fees at
16 institutions outside of the Commonwealth.
- 17 c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts
18 of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the
19 institutions of higher education.
- 20 d) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly,
21 and Chapters 675 and 685 of the 2009 Acts of Assembly, each institution shall work with the State Council of Higher Education for
22 Virginia and the Virginia College Savings Plan to determine appropriate tuition and fee estimates for tuition savings plans.
- 23 5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its
24 educational and general program closely approximate the anticipated annual budget each fiscal year.
- 25 6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants and
26 paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.
- 27 7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education
28 includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction
29 of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of
30 Virginia Educational Facilities Bond Act of 2002.
- 31 8. a) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
32 Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, mandatory fees for purposes other than educational and general
33 programs shall not be increased for Virginia undergraduates beyond five percent annually, excluding requirements for wage, salary,
34 and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that respond to
35 mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the amount of the fee
36 increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher
37 education at least 30 days prior to the effective date of the fee increase.
- 38 b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the
39 General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General
40 Assembly.
- 41 c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community
42 College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to
43 approval by the State Board for Community Colleges.
- 44 9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of
45 Virginia must absorb the cost of any discretionary waivers.
- 46 10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional
47 Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those
48 students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.
- 49 c. HIGHER EDUCATION PLANNED EXCESS REVENUES:
- 50 An institution of higher education, except for those public institutions governed by Chapters 933 and 943 of the 2006 Acts of
51 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, may
52 generate and retain tuition and fee revenues in excess of those provided in § 4-2.01 b Higher Education Tuition and Fees, subject to

1 the following:

- 2 1. Such revenues are identified by language in the appropriations in this act to any such institution.
- 3 2. The use of such moneys is fully documented by the institution to the Governor prior to each fiscal year and prior to
4 allotment.
- 5 3. The moneys are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as
6 the basis for funding in subsequent biennia.
- 7 4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of
8 Accounts and shall not revert to the surplus of the general fund at the end of the biennium.
- 9 5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-
10 1.04 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

 11 the state treasury, out of the credits under § 4-1.04 a.1 Unappropriated Nongeneral Funds – Sale of Surplus Materials of this act,
 12 sums derived from the sale of materials originally purchased with general fund appropriations. The State Comptroller may authorize

31 d. RECOVERIES BY THE OFFICE OF THE ATTORNEY GENERAL

32 1. As a condition of the appropriation for Item 59 of this Act, there is hereby created the Disbursement Review Committee (the
 33 "Committee"), the members of which are the Attorney General, who shall serve as chairman; two members of the House of
 34 Delegates appointed by the Speaker of the House; two members of the Senate appointed by the Chairman of the Senate Committee
 35 on Rules; and two members appointed by the Governor.

36 2. Whenever forfeitures are available for distribution by the Attorney General through programs overseen by either the U.S.
 37 Department of Justice Asset Forfeiture Program or the U.S. Treasury Executive Office for Asset Forfeiture, by virtue of the Attorney
 38 General's participation on behalf of the Commonwealth or on behalf of an agency of the Commonwealth, the Attorney General shall
 39 seek input from the Committee, to the extent permissible under applicable federal law and guidelines, for the preparation of a
 40 proposed Distribution Plan (the "Plan") regarding the distribution and use of money or property, or both. If a federal entity must
 41 approve the Plan for such distribution or use, or both, and does not approve the Plan submitted by the Attorney General, the Plan
 42 may be revised if deemed appropriate and resubmitted to the federal entity for approval following notification of the Committee. If
 43 the federal entity approves the original Plan or a revised Plan, the Attorney General shall inform the Committee, and ensure that such
 44 money or property, or both, is distributed or used, or both, in a manner that is consistent with the Plan approved by the federal entity.
 45 The distribution of any money or property, or both, shall be done in a manner as prescribed by the State Comptroller and consistent
 46 with any federal authorization in order to ensure proper accounting on the books of the Commonwealth.

47 § 4-2.03 INDIRECT COSTS

48 a. INDIRECT COST RECOVERIES FROM GRANTS AND CONTRACTS:

49 Each state agency, including institutions of higher education, which accepts a grant or contract shall recover full statewide and
 50 agency indirect costs unless prohibited by the grantor agency or exempted by provisions of this act.

51 b. AGENCIES OTHER THAN INSTITUTIONS OF HIGHER EDUCATION:

52 The following conditions shall apply to indirect cost recoveries received by all agencies other than institutions of higher education:

1 1. The Governor shall include in the recommended nongeneral fund appropriation for each agency in this act the amount which
2 the agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall
3 reflect the indirect costs in the program incurring the costs.

4 2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director,
5 Department of Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of
6 such excess indirect cost recovery. Such increase shall be made in the program incurring the costs.

7 3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically
8 exempted from this requirement by language in this act. Any statewide indirect cost recoveries received by the agency in excess
9 of the exempted sum shall be deposited to the general fund of the state treasury.

10 c. INSTITUTIONS OF HIGHER EDUCATION:

11 The following conditions shall apply to indirect cost recoveries received by institutions of higher education:

12 1. Seventy percent shall be retained by the institution as an appropriation of moneys for the conduct and enhancement of
13 research and research-related requirements. Such moneys may be used for payment of principal of and interest on bonds issued
14 by or for the institution pursuant to § 23.1-1106, Code of Virginia, for any appropriate purpose of the institution, including, but
15 not limited to, the conduct and enhancement of research and research-related requirements.

16 2. Thirty percent of the indirect cost recoveries for the level of sponsored programs authorized in the appropriations in Part 1 of
17 Chapter 1042 of the Acts of Assembly of 2003, shall be included in the educational and general revenues of the institution to
18 meet administrative costs.

19 3. Institutions of higher education may retain 100 percent of the indirect cost recoveries related to research grant and contract
20 levels in excess of the levels authorized in Chapter 1042 of the Acts of Assembly of 2003. This provision is included as an
21 additional incentive for increasing externally funded research activities.

22 d. REPORTS

23 The Director, Department of Planning and Budget, shall make available via electronic means a report to the Chairmen of the
24 Senate Finance and House Appropriations Committees and the public no later than September 1 of each year on the indirect
25 cost recovery moneys administratively appropriated.

26 e. REGULATIONS:

27 The State Comptroller is hereby authorized to issue regulations to carry out the provisions of this subsection, including the
28 establishment of criteria to certify that an agency is in compliance with the provisions of this subsection.

29 **§ 4-3.00 DEFICIT AUTHORIZATION AND TREASURY LOANS**

30 § 4-3.01 DEFICITS

31 a. GENERAL:

32 1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations
33 under the provisions of this act shall obligate or expend moneys in excess of its general fund appropriations, nor shall it
34 obligate or expend moneys in excess of nongeneral fund revenues that are collected and appropriated.

35 2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

36 a) an unanticipated federal or judicial mandate has been imposed,

37 b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

38 c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required
39 by statute or those required by federal mandate or will produce a threat to life, safety, health or property.

40 d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of
41 this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees
42 within five calendar days of deficit approval.

43 3. Deficits shall not be authorized for capital projects.

44 4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a
45 capital nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia
46 Transportation Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have

1 sufficient cash allocated to each such project to cover projected costs in each year of the Program; and provided that c) sufficient
 2 revenues are projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved
 3 by the General Assembly in the biennial budget.

4 b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an unauthorized
 5 deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further, there shall be no
 6 reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any appropriation hereafter to meet
 7 such unauthorized deficit. Further, those members of the governing board of any such agency who shall have voted therefor, or its
 8 head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount
 9 of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject
 10 to removal therefor. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director,
 11 Department of Planning and Budget, is hereby directed to set out such unauthorized deficits in the next biennium budget. In addition,
 12 the Governor is directed to bring this provision of this act to the attention of the members of the governing board of each state
 13 agency, or its head if there be no governing board, within two weeks of the date that this act becomes effective. The governing board
 14 or the agency head shall execute and return to the Governor a signed acknowledgment of such notification.

15 c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section during
 16 the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state agencies, or
 17 other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one and one-half
 18 percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined in § 4-2.02 b. of this act
 19 during the last year of the previous biennium and the first year of the current biennium.

20 d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and Senate
 21 Finance Committees within five calendar days of deficit approval. By August 15 of each year, the Governor shall provide a
 22 comprehensive report to the Chairmen of the House Appropriations and Senate Finance Committees detailing all such deficits.

23 § 4-3.02 TREASURY LOANS

24 a. AUTHORIZED DEFICIT LOANS: A state agency requesting authorization for deficit spending shall prepare a plan for the
 25 Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to eliminate the
 26 deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a deficit under the
 27 provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized amount on such terms
 28 and from such sources as may be approved by the Governor. At the close of business on the last day of the current biennium, any
 29 unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of
 30 the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which
 31 require an appropriation for repayment. A copy of the approved plan to eliminate the deficit shall be transmitted to the Chairmen of
 32 the House Appropriations and the Senate Finance Committees within five calendar days of approval.

49 4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the
 50 projected expenditures for the project within the current biennium.

51 5. To ensure that such loans are repaid as soon as practical and economical, the Department of Planning and Budget shall monitor
 52 the construction and expenditure schedules of all approved capital projects that will be paid for with proceeds from authorized debt
 53 and have anticipation loans.

1 6. Unless otherwise prohibited by federal or state law, the State Treasurer shall charge current market interest rates on
2 anticipation loans made for operating purposes and capital projects subject to the following:

3 a) Anticipation loans for capital projects for which debt service will be paid with general fund appropriations shall be exempt
4 from interest payments on borrowed balances.

5 b) Interest payments on anticipation loans for nongeneral fund capital projects or nongeneral fund operating expenses shall be
6 made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan or
7 from the proceeds of authorized debt without the approval of the State Treasurer.

8 c) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and
9 Senate Finance Committees by August 15 of each year. The report shall include a status of the repayment schedule for each
10 loan.

11 c. ANTICIPATION LOANS FOR PROJECTS NOT INCLUDED IN THIS ACT OR FOR PROJECTS AUTHORIZED
12 UNDER § 4-4.01M: Authorization for anticipation loans for projects not included in this act or for projects authorized under §
13 4-4.01 m are limited to the provisions below:

14 1. Such loans are limited to those projects that shall be repaid from revenues derived from nongeneral fund sources.

15 2.a) When the payment of authorized obligations for operating expenses is required prior to the collection of nongeneral fund
16 revenues, any state agency may borrow from the state treasury the required sum with the prior written approval of the Secretary

19 collected.

20 b) When the payment of obligations for capital expenses for projects authorized under § 4-4.01 m is required prior to the
21 collection of nongeneral fund revenues, any state agency or body corporate and politic, constituting a public corporation and

31 5. Anticipation loans for capital projects authorized under § 4-4.01 m shall be in amounts not greater than the sum identified by
32 the agency as required to meet the projected expenditures for the project within the current biennium. Such loans shall be repaid
33 only from nongeneral fund revenues associated with the project.

34 6. The State Treasurer shall charge current market interest rates on anticipation loans made for capital projects authorized under
35 § 4-4.01 m. Interest payments on anticipation loans for nongeneral fund capital projects authorized under § 4-4.01 m shall be
36 made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan
37 without the approval of the Director of the Department of Planning and Budget.

41 § 4-3.03 CAPITAL LEASES

42 a. GENERAL:

43 1. As part of their capital budget submission, all agencies and institutions of the Commonwealth proposing building projects
44 that may qualify as capital lease agreements, as defined in Generally Accepted Accounting Principles (GAAP), and that may be
45 supported in whole, or in part, from appropriations provided for in this act, shall submit copies of such proposals to the
46 Directors of the Departments of Planning and Budget and General Services, the State Comptroller, and the State Treasurer. The
47 Secretary of Finance may promulgate guidelines for the review and approval of such requests.

48 2. The proposals shall be submitted in such form as the Secretary of Finance may prescribe. The Comptroller and the Director,
49 Department of General Services shall be responsible for evaluating the proposals to determine if they qualify as capital lease
50 agreements. The State Treasurer shall be responsible for incorporating existing and authorized capital lease agreements in the
51 annual Debt Capacity Advisory Committee reports.

1 b. APPROVAL OF FINANCINGS:

2 1. For any project which qualifies as a capital lease, as defined in the preceding subdivisions a 1 and 2, and which is financed
3 through the issuance of securities, the Treasury Board shall approve the terms and structure of such financing pursuant to § 2.2-2416,
4 Code of Virginia.

5 2. For any project for which costs will exceed \$5,000,000 and which is financed through a capital lease transaction, the Treasury
6 Board shall approve the financing terms and structure of such capital lease in addition to such other reviews and approvals as may be
7 required by law. Prior to consideration by the Treasury Board, the Departments of Accounts, General Services, and Planning and
8 Budget shall notify the Treasury Board upon their approval of any transaction which qualifies as a capital lease under the terms of
9 this section. The State Treasurer shall notify the Chairmen of the House Appropriations and Senate Finance Committees of the
10 action of the Treasury Board as it regards this subdivision within five calendar days of its action.

11 c. REPORTS: Not later than December 20 of each year, the Secretary of Finance and the Secretary of Administration shall jointly be
12 responsible for providing the Chairmen of the House Appropriations and Senate Finance Committees with recommendations
13 involving proposed capital lease agreements.

14 d. This section shall not apply to capital leases that are funded entirely with nongeneral fund revenues and are entered into by public
15 institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly. Furthermore, the Department of
16 General Services is authorized to enter into capital leases for executive branch agencies provided that the resulting capital lease is
17 funded entirely with nongeneral funds, is approved based on the requirements of § 4-3.03 b.1 and 2 above, and would not be
18 considered tax supported debt of the Commonwealth.

19 **§ 4-4.00 CAPITAL PROJECTS**

20 § 4-4.01 GENERAL

21 a. Definition:

22 1. Unless defined otherwise, when used in this section, "capital project" or "project" means acquisition of property and new
23 construction and improvements related to state-owned property, plant or equipment (including plans therefor), as the terms
24 "acquisition", "new construction", and "improvements" are defined in the instructions for the preparation of the Executive Budget.
25 "Capital project" or "project" shall also mean any improvements to property leased for use by a state agency, and not owned by the
26 state, when such improvements are financed by public funds, except as hereinafter provided in subdivisions 3 and 4 of this
27 subsection.

28 2. The provisions of this section are applicable equally to acquisition of property and plant by purchase, gift, or any other means,
29 including the acquisition of property through a lease/purchase contract, regardless of the method of financing or the source of funds.
30 Acquisition of property by lease shall be subject to § 4-3.03 of this act.

31 3. The provisions of this section shall not apply to property or equipment acquired by lease or improvements to leased property and
32 equipment when the improvements are provided by the lessor pursuant to the terms of the lease and upon expiration of the lease
33 remain the property of the lessor.

34 4. The provisions of this section shall not apply to property leased by state agencies for the purposes described in §§ 2.2-1151 C and
35 33.2-1010, Code of Virginia.

36 b. Notwithstanding any other provisions of law, requests for appropriations for capital projects shall be subject to the following:

37 1. The agency shall submit a capital project proposal for all requested capital projects. Such proposals shall be submitted to the
38 Director, Department of Planning and Budget, for review and approval in accordance with guidelines prescribed by the director.
39 Projects shall be developed to meet agency functional and space requirements within a cost range comparable to similar public and
40 private sector projects.

41 2. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and
42 616 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, financings for capital projects shall
43 comply, where applicable, with the Treasury Board Guidelines issued pursuant to § 2.2-2416, Code of Virginia, and any subsequent
44 amendments thereto.

45 3. As part of any request for appropriations for an armory, the Department of Military Affairs shall obtain a written commitment
46 from the host locality to share in the operating expense of the armory.

47 c. Each agency head shall provide annually to the Director, Department of Planning and Budget, a report on the use of the
48 maintenance reserve appropriation of the agency in Part 2 of this act. In the use of its maintenance reserve appropriation, an agency
49 shall give first priority to the repair or replacement of roof on buildings under control of the agency. The agency head shall certify in
50 the agency's annual maintenance reserve report that to the best of his or her knowledge, all necessary roof repairs have been
51 accomplished or are in the process of being accomplished. Such roof repairs and replacements shall be in accord with the technical

- 1 requirements of the Commonwealth's Construction and Professional Services Manual.
- 2 d. The Department of Planning and Budget shall review its approach to capital outlay planning and budgeting from time to time
3 and make available via electronic means a report of any proposed change to the Chairmen of the House Appropriations and
4 Senate Finance Committees and the public prior to its implementation. Such report shall include an analysis of the impact of the
5 suggested change on affected agencies and institutions.
- 6 e. Nothing in §§ 2-0 and 4-4.00 of this act shall be deemed to override the provisions of §§ 2.2-1132 and 62.1-132.6, Code of
7 Virginia, amended by Chapter 488, 1997 Acts of Assembly, relating to Virginia Port Authority capital projects and
8 procurement activities.
- 9 f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph
10 m, all capital projects to be undertaken by agencies of the Commonwealth, including institutions of higher education, shall be
11 pursuant to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § 2.2-
12 1515, et seq., Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:
- 13 1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and
14 2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in
15 cost or otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing
16 facilities.
- 17 3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 m hereof, or projects included under the
18 central appropriations for capital project expenses in this act.
- 19 g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to
20 this act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or
21 is considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need
22 for other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and
23 specifications for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for
24 the purposes intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or
25 construction of such project can and will be obtained at reasonable cost; and (4) to determine whether or not the project
26 conforms to a site or master plan approved by the agency head or board of visitors of an institution of higher education for a
27 program approved by the General Assembly.
- 28 h. Initiation Generally:
- 29 1. No architectural or engineering planning for, or construction of, or purchase of any capital project shall be commenced or
30 revised without the prior written approval of the Governor or his designee.
- 31 2. The requirements of § 10.1-1190, Code of Virginia, shall be met prior to the release of funds for a major state project,
32 provided, however, that the Governor or his designee is authorized to release from any appropriation for a major state project
33 made pursuant to this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report
34 required by § 10.1-1188, Code of Virginia.
- 35 3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made
36 pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects
37 and engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed
38 the appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the
39 preliminary design for any such project may be based on such estimated costs as may be approved by the Governor in writing,
40 where it is shown to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen
41 conditions, have made the appropriation inadequate for the completion of the project for which the appropriation was made,
42 and where in the judgment of the Governor such changed conditions justify the payment of architectural or engineering fees
43 based on costs exceeding the appropriation.
- 44 4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or
45 activity.
- 46 i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii)
47 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall
48 be reviewed as follows:
- 49 1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general
50 obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in
51 accordance with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial
52 feasibility studies to the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution,
53 the Chairmen of the House Appropriations and Senate Finance Committees, and the Director, State Council of Higher

- 1 Education for Virginia, if the project is requested by an institution of higher education.
- 2 2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State Council of
3 Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the
4 institution. The State Council of Higher Education for Virginia shall identify the impact of all projects requested by the institutions
5 of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost to students in institutions of higher
6 education and the impact of the project on the institution's need for student financial assistance. The State Council of Higher
7 Education for Virginia shall report such information to the Secretary of Finance and the Chairmen of the House Appropriations and
8 Senate Finance Committees no later than October 1 of each year.
- 9 3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of
10 financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed by the
11 State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9 (c), of the
12 Constitution of Virginia.
- 13 j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-1.04
14 a.3, and 4-4.01 m of this act.
- 15 k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any capital
16 project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond the plans and
17 justification which were the basis for the appropriation or reappropriation in this act or for the Governor's authorization pursuant to §
18 4-4.01 m of this act. However, this prohibition is not applicable to changes in size and scope required because of circumstances
19 determined by the Governor to be an emergency, or requirements imposed by the federal government when such capital project is
20 for armories or other defense-related installations and is funded in whole or in part by federal funds. Furthermore, this prohibition
21 shall not apply to minor increases, beyond five percent, in square footage determined by the Director, Department of General
22 Services, to be reasonable and appropriate based on a written justification submitted by the agency stating the reason for the
23 increase, with the provision that such increase will not increase the cost of the project beyond the amount appropriated; nor to
24 decreases in size beyond five percent to offset unbudgeted costs when such costs are determined by the Director, Department of
25 Planning and Budget, to be reasonable based on a written justification submitted by the agency specifying the amount and nature of
26 the unbudgeted costs and the types of actions that will be taken to decrease the size of the project. The written justification shall also
27 include a certification, signed by the agency head, that the resulting project will be consistent with the original programmatic intent
28 of the appropriations.
- 29 2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved by
30 the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.
- 31 l. Projects Not Included In This Act:
- 32 1. Authorization by Governor:
- 33 a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not
34 specifically included in this act or provided for a program approved by the General Assembly through appropriations, under one or
35 more of the following conditions:
- 36 1) The project is required to meet an emergency situation.
- 37 2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be fully
38 funded by revenues of auxiliary enterprises or sponsored programs.
- 39 3) The project is to be operated as an educational and general program in an institution of higher education and will be fully funded
40 by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.
- 41 4) The project consists of plant or property which has become available or has been received as a gift.
- 42 5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission or
43 the Virginia Tobacco Settlement Foundation.
- 44 b) The foregoing conditions are subject to the following criteria:
- 45 1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03)
46 without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.
- 47 2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.
- 48 3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated operating
49 costs, and the fund sources for the project and its operating costs.
- 50 4) The Chairmen of the House Appropriations and Senate Finance Committees shall be notified by the Governor prior to the

- 1 authorization of any capital project under the provisions of this subsection.
- 2 5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.
- 3 2. Authorization by Director, Department of Planning and Budget:
- 4 a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the
5 General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia
6 College Building Authority, or from reserves created by refunding of bonds issued by those Authorities.
- 7 3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:
- 8 a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the
9 eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative
10 autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated
11 authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for
12 emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project
13 that is not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in
14 § 4-4.01 m 1 of this act.
- 15 b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and
16 Chairmen of the House Appropriations and Senate Finance Committees and must provide a life-cycle budget analysis of the
17 project. Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.
- 18 c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine
19 maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher
20 education in accordance with this provision.
- 21 m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject
22 to the following policies:
- 23 1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for
24 acquisition, construction, maintenance, operation, and repairs.
- 25 2. Expenditures for land acquisition, site preparation beyond five feet from a building, and the construction of additional
26 outdoor lighting, sidewalks, outdoor athletic and recreational facilities, and parking lots in the Virginia Community College
27 System shall be made only from appropriated federal funds, Trust and Agency funds, including local government allocations or
28 appropriations, or the proceeds of indebtedness authorized by the General Assembly.
- 29 3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all
30 colleges and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking
31 facilities.
- 32 4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting,
33 sidewalks, and other infrastructure facilities may be made from any appropriated funds.
- 34 5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and
35 outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing
36 on a community college campus as of July 1, 1988.
- 37 6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative
38 authority as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of
39 Assembly, any repair, renovation, or new construction project costing up to \$2,000,000 shall be exempt from the capital outlay
40 review and approval process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which
41 in combination would exceed the \$2,000,000 maximum.
- 42 2. All institutions of higher education shall be exempt from the capital review and approval process for repair, renovation, or
43 new construction projects costing up to \$2,000,000.
- 44 b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing
45 up to \$2,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid
46 award made after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide
47 exemptions to the threshold.
- 48 7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as
49 a priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant"
50 subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and

1 Budget, or his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House
2 Appropriations and Senate Finance Committees.

3 n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which
4 require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such
5 appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the opinion of
6 the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his judgment may be
7 necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in accordance with § 4-
8 8.00, Reporting Requirements.

9 o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project beyond
10 that anticipated when the project was initially approved by the General Assembly except to comply with requirements imposed by
11 the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in
12 part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not be reallocated to
13 expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall not apply to transfers
14 from projects for which reappropriations have been authorized.

15 p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as owner
16 or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.

17 q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-owned
18 properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not be adversely
19 affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to submit all plans
20 for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the appearance of the structure,
21 landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed within thirty days and the
22 comments of that department shall be submitted to the Governor through the Department of General Services for use in making a
23 final determination.

24 r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the Commonwealth to
25 the educational or real estate foundation of any institution of higher education where he finds that such property was acquired with
26 local or private funds or by gift or grant to or for the use of the institution, and not with funds appropriated to the institution by the
27 General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of Virginia, and any other statute concerning
28 conveyance, transfer or sale of state property. If the foundation conveys any interest in the property or any improvements thereon,
29 such conveyance shall likewise be exempt from compliance with any statute concerning disposition of state property. Any income or
30 proceeds from the conveyance of any interest in the property shall be deemed to be local or private funds and may be used by the
31 foundation for any foundation purpose.

32 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
33 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters
34 675 and 685 of the 2009 Acts of Assembly.

35 s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-owned
36 property controlled by an institution of higher education, where the lease has been entered into consistent with the provisions of §
37 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting procedures of Executive
38 agencies as may reasonably be required to promote the property improvement goals for which the lease agreement was developed.

39 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
40 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters
41 675 and 685 of the 2009 Acts of Assembly.

42 t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as
43 follows:

44 1. Such improvements shall be considered an operating expense, provided that:

45 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating,
46 Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is
47 limited to measures listed in guidelines issued by the Department of General Services;

48 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval
49 and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;

50 c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;

51 d) the total cost does not exceed \$3,000,000; and

52 e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost of

- 1 the project, including debt service and interest payments.
- 2 2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed
3 \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and
4 interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the
5 following conditions must be met:
- 6 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of
7 Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-
8 1989 and is limited to measures listed in guidelines issued by the Department of General Services;
- 9 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board
10 approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General
11 Services;
- 12 c) the scope of work has been reviewed and recommended by the Department of Mines, Minerals and Energy;
- 13 d) the project has been reviewed by the Department of Planning and Budget; and
- 14 e) the project has been approved by the Governor.
- 15 3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of
16 Planning and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.
- 17 The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy
18 conservation projects that qualify as capital expenses.
- 19 4. As used in this paragraph, “improvement” does not include (a) constructing, enlarging, altering, repairing or demolishing a
20 building or structure, (b) changing the use of a building either within the same use group or to a different use group when the
21 new use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or
22 disturbing any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures,
23 If the projected scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay
24 process as set out in this section.
- 25 5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate
26 Finance Committees upon the initiation of any energy-efficiency projects under the provisions of this paragraph.
- 27 u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional
28 facility or for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves
29 acquisition or new construction of youth or adult correctional facilities on real property which was not owned by the
30 Commonwealth on January 1, 1995, until the governing body of the county, city or town wherein the project is to be located
31 has adopted a resolution supporting the location of such project within the boundaries of the affected jurisdiction. The
32 foregoing does not prohibit expenditures for site studies, real estate options, correctional facility design and related
33 expenditures.
- 34 v. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594
35 and 616 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, any alternative financing
36 agreement entered into between a state agency or institution of higher education and a private entity or affiliated foundation
37 must be reviewed and approved by the Treasury Board.
- 38 w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost
39 study to determine whether an alternative financing arrangement or public-private transaction would provide a more effective
40 option for the construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as
41 part of the budget development process and shall be evaluated by the Governor prior to submitting his proposed budget.
- 42 x. Construction or improvement projects of the Department of Military Affairs are not exempt from the capital outlay review
43 process when the state procurement process is utilized, except for those projects with both an estimated cost of \$3,000,000 or
44 less and are 100 percent federally reimbursed. The Department of Military Affairs shall submit by July 30 of each year to the
45 Department of Planning and Budget a list of such projects that were funded pursuant to this exemption in the previous fiscal
46 year and any projects that would be eligible for such funding in future fiscal years.
- 47 y. While the competitive sealed bid process is the preferred method of construction procurement for public bodies, institutions
48 of higher education and state agencies considering the use of Design Build or Construction Management procurement methods
49 for capital projects shall proceed as follows:
- 50 1. Institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594, 616, 824
51 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under a memorandum

- 1 of understanding pursuant to § 23.1-1003, and those operating under a pilot program under § 4-9.02 shall:
- 2 a) Develop a process for determining the selected procurement method which, at a minimum, must consider cost, schedule,
3 complexity, and building use;
- 4 b) Submit the process for determining the procurement method to the Department of General Services for review and
5 recommendations;
- 6 c) Submit for approval, the process for determining the procurement method with the Department of General Services
7 recommendations, to the Board of Visitors.
- 8 2. All other institutions of higher education and state agencies shall submit procurement method requests to the Director, Department
9 of General Services for review and approval.
- 10 3. Processes for considering Construction Management procurement method shall include, among other processes as determined by
11 the owning institution of higher education or state agency, the following requirements:
- 12 a) Cost and project timeline are critical components of the selection process;
- 13 b) Construction Management contract will be initiated no later than the Schematic Phase of design unless prohibited by authorization
14 of funding restrictions; and,
- 15 c) A written justification that sealed bidding is not practicable and/or fiscally advantageous and such written justification shall be
16 stated in the Request for Qualifications used to procure the Construction Management services.
- 17 4. All state entities, including institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of Assembly,
18 Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under
19 a memorandum of understanding pursuant to § 23.1-1003, and those operating under a pilot program under § 4-9.02 shall report
20 annually, on November 1st of each year, to the Director, Department of General Services on completed capital projects, beginning
21 with those authorized for construction under Chapter 665 of the 2015 Virginia Acts of Assembly, to include at a minimum
22 procurement method, project budget, actual project costs, expected timeline, actual completion time and any post-project issues. The
23 Department of General Services shall consolidate received report data and submit the consolidated data to the Governor and
24 Chairmen of the House Appropriations and Senate Finance Committees no later than December 1st of each year.
- 25 5. The Auditor of Public Accounts shall, as part of its annual audit plan, determine that institutions of higher education governed
26 under Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters
27 675 and 685 of the 2009 Acts of Assembly, operating under a memorandum of understanding pursuant to § 23.1-1003 and those
28 operating under a pilot program under §4-9.02 complied with their internal review process in the selection of procurement method.
- 29 6. All state entities, including institutions of higher education governed under Chapters 933 and 943 of the 2006 Acts of Assembly,
30 Chapters 594, 616, 824 and 829 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, operating under
31 a memorandum of understanding pursuant to § 23.1-1003 and those operating under a pilot program under § 4-9.02 shall post
32 approved capital projects, beginning with those authorized for construction under Chapter 665 of the 2015 Virginia Acts of
33 Assembly, and approved procurement methods and advertise for project delivery services no less than 30 days publicly on the
34 Commonwealth's statewide electronic procurement system and program, eVA.

35 § 4-4.02 PLANNING AND BUDGETING

- 36 a. It shall be the intent of the General Assembly to make biennial appropriations for a capital improvements program sufficient to
37 address the program needs of the Commonwealth. The capital improvements program shall include maintenance and deferred
38 maintenance of the Commonwealth's existing facilities, and of the facility requirements necessary to deliver the programs of state
39 agencies and institutions.
- 40 b. In effecting these policies, the Governor shall establish a capital budget plan to address the renewal and replacement of the
41 Commonwealth's physical plant, using such guidelines as recommended by industry or government to maintain the Commonwealth's
42 investment in its property and plant.

43 § 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES

44 § 4-5.01 TRANSACTIONS WITH INDIVIDUALS

- 45 a. SETTLEMENT OF CLAIMS: Whenever a dispute, claim or controversy involving the interest of the Commonwealth is settled
46 pursuant to § 2.2-514, Code of Virginia, payment may be made out of any appropriations, designated by the Governor, to the state
47 agency(ies) which is (are) party to the settlement.
- 48 b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:
- 49 1. General:

1 a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance
 2 may be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at
 3 least one-half time in a degree, certificate, industry-based certification and related programs that do not qualify for other
 4 sources of student financial assistance or diploma program; grants to full-time graduate students; graduate assistantships; grants
 5 to students enrolled full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these
 6 appropriations for the purpose of supporting work study programs. The institution is required to transfer to educational and
 7 general appropriations all funds used for work study or to pay graduate assistantships. Institutions may also contribute to
 8 federal or private student grant aid programs requiring matching funds by the institution, except for programs requiring work.
 9 The State Council of Higher Education for Virginia shall annually review each institution's plan for the expenditures of its
 10 general fund appropriation for undergraduate student financial assistance prior to the start of the fall term to determine program
 11 compliance. The institution's plan shall include the institution's assumptions and calculations for determining the cost of
 12 attendance, student financial need, and student remaining need as well as an award schedule or description of how funds are
 13 awarded. For the purposes of the proposed plan, each community college shall be considered independently. No limitations
 14 shall be placed on the awarding of nongeneral fund appropriations made in this act to state institutions of higher education
 15 within the Items for student financial assistance other than those found previously in this paragraph and as follows: (i) funds
 16 derived from in-state student tuition will not subsidize out-of-state students, (ii) students receiving these funds must be making
 17 satisfactory academic progress, (iii) awards made to students should be based primarily on financial need, and (iv) institutions
 18 should make larger grant and scholarship awards to students taking the number of credit hours necessary to complete a degree
 19 in a timely manner.

20 b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset
 21 all, or portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1)
 22 hereof, the cost of books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to
 23 the remaining need of individual students, with students with higher levels of remaining need receiving grants before other
 24 students. No criteria other than the need of the student shall be used to determine the award amount. Because of the low cost of
 25 attendance and recognizing that federal grants provide a much higher portion of cost than at other institutions, a modified
 26 approach and minimum award amount for the neediest VGAP student should be implemented for community college and
 27 Richard Bland College students based on remaining need and the combination of federal and grant state aid. Student financial
 28 need shall be determined by a need-analysis system approved by the Council.

29 c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the
 30 Council.

31 2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly,
 32 each institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate
 33 student aid and graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

34 d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the
 35 award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the
 36 percentage used for federal Return to Title IV program purposes.

37 e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according
 38 to the size of comparable awards made in that institution's regular session.

39 f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the
 40 soil scientist scholarships authorized under § 23.1-615, Code of Virginia and (2) need-based financial aid programs for
 41 industry-based certification and related programs that do not qualify for other sources of student financial assistance, which will
 42 be subject to guidelines developed by the State Council of Higher Education for Virginia.

43 g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.

44 h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional
 45 baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.

46 2. Grants To Undergraduate Students:

47 a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend
 48 such sums as approved for that purpose by the Council.

49 b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the
 50 institution making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes
 51 of eligibility under Title IV of the federal Higher Education Act, as amended.

52 c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP)
 53 authorized in Title 23.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution
 54 with equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this

1 act (service area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other students
2 with equivalent remaining need.

3 2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required fees
4 and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the VGAP award
5 will be determined by the proportionate award schedule adopted by each institution; however, those students with the greatest
6 financial need shall be guaranteed an award at least equal to tuition.

7 3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially
8 needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic
9 performance and to consider higher education an achievable objective in their futures.

10 4) Students may not receive a VGAP and a Commonwealth grant in the same semester.

11 3. Grants To Graduate Students:

12 a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria determined by
13 the institution making the award. The amount of an award shall be determined by the institution making the award; however, the
14 Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in the appropriation.

15 b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at the
16 institution making the award.

17 c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved as
18 such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except in cases
19 where the persons meet the criteria outlined in § 4-2.01b.6.

20 4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation for
21 fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the federal
22 government or private sources which requires the matching of the contribution by institutional funds, except for programs requiring
23 work.

24 5. Discontinued Loan Program:

25 a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is
26 discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional share
27 was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the Department of
28 Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the funds shall be used
29 according to arrangements authorized by the Council and approved by the Department of Planning and Budget.

30 b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 23.1, Chapter 4.01, Code
31 of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a nonrevertible
32 nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact that the cash held
33 by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be reestablished thereafter for that
34 institution.

35 2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher
36 Education Student Financial Assistance program according to arrangements authorized by the Council and approved by the
37 Department of Planning and Budget.

38 3) Payments on principal and interest of any promissory notes held by the discontinued loan fund shall continue to be received by
39 the institution, which shall deposit such payments in the state treasury to the nonrevertible nongeneral fund account specified in
40 subdivision (1) preceding, to be used for grants as specified in subdivision (2) preceding.

41 6. Reporting: The Council shall collect student-specific information for undergraduate students as is necessary for the operation of
42 the Student Financial Assistance Program. The Council shall maintain regulations governing the operation of the Student Financial
43 Assistance Program based on the provisions outlined in this section, the Code of Virginia, and State Council policy.

44 C. PAYMENTS TO CITIZEN MEMBERS OF NONLEGISLATIVE BODIES:

45 Notwithstanding any other provision of law, executive branch agencies shall not pay compensation to citizen members of boards,
46 commissions, authorities, councils, or other bodies from any fund for the performance of such members' duties in the work of the
47 board, commission, authority, council, or other body.

48 d. VIRGINIA BIRTH-RELATED NEUROLOGICAL INJURY COMPENSATION PROGRAM

49 1. Notwithstanding any other provision of law, the Virginia Birth-Related Neurological Injury Compensation Program is authorized
50 to require each admitted claimant's parent or legal guardian to purchase private health insurance (the "primary payer") to provide

1 coverage for the actual medically necessary and reasonable expenses as described in Virginia Code § 38.2-5009(A)(1) that were,
 2 or are, incurred as a result of the admitted claimant's birth-related neurological injury and for the admitted claimant's benefit.
 3 Provided, however, that the Program shall reimburse, upon receipt of proof of payment, solely the portion of the premiums that is
 4 attributable to the admitted claimant's post-admission coverage from the effective date of this provision forward and paid for by
 5 the admitted claimant's parent or legal guardian.

6 2. The State Corporation Commission shall develop a report containing options and recommendations for improving the
 7 actuarial soundness of financing for the Virginia Birth-Related Neurological Injury Compensation Program. The report shall be
 8 presented to the Governor and Chairmen of the House Appropriations and Senate Finance Committees no later than November 1,
 9 2017.

10 § 4-5.02 THIRD PARTY TRANSACTIONS

11 a. EMPLOYMENT OF ATTORNEYS:

12 1.a) All attorneys authorized by this act to be employed by any state agency and all attorneys compensated out of any moneys
 13 appropriated in this session of the General Assembly shall be appointed by the Attorney General and be in all respects subject
 14 to the provisions of Title 2.2, Chapter 5, Code of Virginia, to the extent not to conflict with Title 12.1, Chapter 4, Code of
 15 Virginia; provided, however, that if the Governor certifies the need for independent legal counsel for any Executive Department
 16 agency, such agency shall be free to act independently of the Office of the Attorney General in regard to selection, and
 17 provided, further, that compensation of such independent legal counsel shall be paid from the moneys appropriated to such
 18 Executive Department agency or from the moneys appropriated to the Office of the Attorney General.

19 b) For purposes of this act, "attorney" shall be defined as an employee or contractor who represents an agency before a court,
 20 board or agency of the Commonwealth of Virginia or political subdivision thereof. This term shall not include members of the
 21 bar employed by an agency who perform in a capacity that does not require a license to practice law, including but not limited
 22 to, instructing, managing, supervising or performing normal or customary duties of that agency.

23 2. This section does not apply to attorneys employed by state agencies in the Legislative Department, Judicial Department or
 24 Independent Agencies.

25 3. Reporting on employment of attorneys shall be in accordance with § 4-8.00, Reporting Requirements.

26 4. Notwithstanding § 2.2-510.1 of the Code of Virginia and any other conflicting provision of law, the Virginia Retirement
 27 System may enter into agreements to seek i) recovery of investment losses in foreign jurisdictions, and ii) legal advice related
 28 to its investments. Any such agreements shall be reported to the Office of the Attorney General as soon as practicable.

29 b. STUDIES AND CONSULTATIVE SERVICES REQUIRED BY GENERAL ASSEMBLY: No expenditure for payments
 30 on third party nongovernmental contracts for studies or consultative services shall be made out of any appropriation to the
 31 General Assembly or to any study group created by the General Assembly, nor shall any such expenditure for third party
 32 nongovernmental contracts be made by any Executive Department agency in response to a legislative request for a study,
 33 without the prior approval of two of the following persons: the Chairman of the House Appropriations Committee; the
 34 Chairman of the Senate Finance Committee; the Speaker of the House of Delegates; the President pro tempore of the Senate.
 35 All such expenditures shall be made only in accordance with the terms of a written contract approved as to form by the
 36 Attorney General.

37 c. USE OF CONSULTING SERVICES: All state agencies and institutions of higher education shall make a determination of
 38 "return on investment" as part of the criteria for awarding contracts for consulting services.

39 d. DEBT COLLECTION SERVICES:

40 1. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Virginia Commonwealth University
 41 Health System Authority shall have the option to participate in the Office of the Attorney General's debt collection process.
 42 Should the Authority choose not to participate, the Authority shall have the authority to collect its accounts receivable by
 43 engaging private collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and
 44 discharge accounts receivable claims.

45 2. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the University of Virginia Medical Center
 46 shall have the authority to collect its accounts receivable by engaging private collection agents and attorneys to pursue
 47 collection actions, and to independently compromise, settle, and discharge accounts receivable claims, provided that the
 48 University of Virginia demonstrates to the Secretary of Finance that debt collection by an agent other than the Office of the
 49 Attorney General is anticipated to be more cost effective. Nothing in this paragraph is intended to limit the ability of the
 50 University of Virginia Medical Center from voluntarily contracting with the Office of the Attorney General's Division of Debt
 51 Collection in cases where the Center would benefit from the expertise of legal counsel and collection services offered by the
 52 Office of the Attorney General.

53 3. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Department of Taxation shall be

1 exempt from participating in the debt collection process of the Office of the Attorney General.

2 § 4-5.03 SERVICES AND CLIENTS

3 a. CHANGED COST FACTORS:

4 1. No state agency, or its governing body, shall alter factors (e.g., qualification level for receipt of payment or service) which may
5 increase the number of eligible recipients for its authorized services or payments, or alter factors which may increase the unit cost of
6 benefit payments within its authorized services, unless the General Assembly has made an appropriation for the cost of such change.

7 2. Notwithstanding any other provision of law, the Department of Planning and Budget, with assistance from agencies that operate
8 internal service funds as requested, shall establish policies and procedures for annually reviewing and approving internal service
9 fund overhead surcharge rates and working capital reserves.

10 3. By September 1 each year, state agencies that operate an internal service fund, pursuant to §§ 2.2-803, 2.2-1101, and 2.2-2013,
11 Code of Virginia, that have an impact on agency expenditures, shall submit a report to the Department of Planning and Budget and
12 the Joint Legislative Audit and Review Commission to include all information as required by the Department of Planning and
13 Budget to conduct a thorough review of overhead surcharge rates, revenues, expenditures, full-time positions, and working capital
14 reserves for each internal service fund. The report shall include any proposed modifications in rates to be charged by internal service
15 funds for review and approval by the Department of Planning and Budget. In its review, the Department of Planning and Budget
16 shall determine whether the requested rate modifications are consistent with budget assumptions. The format by which agencies
17 submit the operating plan for each internal service fund shall be determined by the Department of Planning and Budget with
18 assistance from agencies that operate internal service funds as requested.

19 4. State agencies that operate internal service funds may not change a billable overhead surcharge rate to another state agency unless
20 the resulting change is provided in the final General Assembly enacted budget.

21 5. State agencies that operate more than one internal service fund shall comply with the review and approval requirements detailed in
22 this Item for each internal service fund.

23 6. As determined by the Director, Department of Planning and Budget, state agencies that operate select programs where an agency
24 provides a service to and bills other agencies shall be subject to the annual review of the agency's internal service funds consistent
25 with the provisions of this Item, unless such payment for services is pursuant to a memorandum of understanding authorized by § 4-
26 1.03 a. 7 of this act.

27 7. The Governor is authorized to change internal service fund overhead surcharge rates, including the creation of new rates, beyond
28 the rates enacted in the budget in the event of an emergency or to implement actions approved by the General Assembly, upon prior
29 notice to the Chairmen of the House Appropriations and Senate Finance Committees. Such prior notice shall be no less than five
30 days prior to enactment of a revised or new rate and shall include the basis of the rate change and the impact on state agencies.

31 8. Notwithstanding any other provision of law, the Commonwealth's statewide electronic procurement system and program known
32 as eVA shall have all rates and working capital reserves reviewed and approved by the Department of Planning and Budget
33 consistent with the provisions of this Item.

34 9. State agencies that are partially or fully funded with nongeneral funds and are billed for services provided by another state agency
35 shall pay the nongeneral fund cost for the service from the agency's applicable nongeneral fund revenue source consistent with an
36 appropriation proration of such expenses.

37 b. NEW SERVICES:

38 1. No state agency shall begin any new service that will call for future additional property, plant or equipment or that will require an
39 increase in subsequent general or nongeneral fund operating expenses without first obtaining the authorization of the General
40 Assembly.

41 2. Pursuant to the policies and procedures of the State Council of Higher Education regarding approval of academic programs and
42 the concomitant enrollment, no state institution of higher education shall operate any academic program with funds in this act unless
43 approved by the Council and included in the Executive Budget, or approved by the General Assembly. The Council may grant
44 exemptions to this policy in exceptional circumstances.

45 3. a) The General Assembly is supportive of the increasing commitment by both Virginia Tech and the Carilion Clinic to the
46 success of the programs at the Virginia Tech/Carilion School of Medicine and the Virginia Tech/Carilion Research Institute, and
47 encourages these two institutions to pursue further developments in their partnership. Therefore, notwithstanding § 4-5.03 c. of the
48 Appropriation Act, if through the efforts of these institutions to further strengthen the partnership, Virginia Tech acquires the
49 Virginia Tech Carilion School of Medicine during the current biennium, the General Assembly approves the creation and
50 establishment of the Virginia Tech/Carilion School of Medicine within the institution notwithstanding § 23.1-203 Code of Virginia.
51 No additional funds are required to implement establishment of the Virginia Tech/Carilion School of Medicine within the institution.

1 b) Virginia Tech Carilion School of Medicine is hereby authorized to transfer funds to the Department of Medical Assistance
 2 Services to fully fund the state share for Medicaid supplemental payments to the teaching hospital affiliated with the Virginia
 3 Tech Carilion School of Medicine. These Medicaid supplemental fee-for-service and/or capitation payments to managed care
 4 organizations are for the purpose of securing access to Medicaid hospital services in Western Virginia. The funds to be
 5 transferred must comply with 42 CFR 433.51.

6 4. Reporting on all new services shall be in accordance with § 4-8.00, Reporting Requirements.

7 c. OFF-CAMPUS SITES OF INSTITUTIONS OF HIGHER EDUCATION:

8 No moneys appropriated by this act shall be used for off-campus sites unless as provided for in this section.

9 1. A public college or university seeking to create, establish, or operate an off-campus instructional site, funded directly or
 10 indirectly from the general fund or with revenue from tuition and mandatory educational and general fees generated from credit
 11 course offerings, shall first refer the matter to the State Council of Higher Education for Virginia for its consideration and
 12 approval. The State Council of Higher Education for Virginia may provide institutions with conditional approval to operate the
 13 site for up to one year, after which time the college or university must receive approval from the Governor and General
 14 Assembly, through legislation or appropriation, to continue operating the site.

15 2. For the colleges of the Virginia Community College System, the State Board for Community Colleges shall be responsible
 16 for approving off-campus locations. Sites governed by this requirement are those at any locations not contiguous to the main
 17 campus of the institution, including locations outside Virginia.

18 3. a) The provisions herein shall not apply to credit offerings on the site of a public or private entity if the offerings are
 19 supported entirely with private, local, or federal funds or revenue from tuition and mandatory educational and general fees
 20 generated entirely by course offerings at the site.

21 b) Offerings at previously approved off-campus locations shall also not be subject to these provisions.

22 c) Further, the provisions herein do not govern the establishment and operations of campus sites with a primary function of
 23 carrying out grant and contract research where direct and indirect costs from such research are covered through external
 24 funding sources. Such locations may offer limited graduate education as appropriate to support the research mission of the site.

25 d) Nothing herein shall prohibit an institution from offering non-credit continuing education programs at sites away from the
 26 main campus of a college or university.

27 4. The State Council of Higher Education shall establish guidelines to implement this provision.

28 d. PERFORMANCE MEASUREMENT

29 1. In accordance with § 2.2-1501, Code of Virginia, the Department of Planning and Budget shall develop a programmatic
 30 budget and accounting structure for all new programs and activities to ensure that it provides the appropriate financial and
 31 performance measures to determine if programs achieve desired results and outcomes. The Department of Accounts shall
 32 provide assistance as requested by the Department of Planning and Budget. The Department of Planning and Budget shall
 33 provide this information each year when the Governor submits the budget in accordance with § 2.2-1509, Code of Virginia, to
 34 the Chairmen of the House Appropriations, House Finance, and Senate Finance Committees.

35 2.a) Within thirty days of the enactment of this act, the Director, Department of Planning and Budget, shall make available via
 36 electronic means to the Chairmen of the House Appropriations and Senate Finance Committees and the public a list of the new
 37 initiatives for which appropriations are provided in this act.

38 b) Not later than ninety days after the end of the first year of the biennium, the Director, Department of Planning and Budget,
 39 shall make available via electronic means a report on the performance of each new initiative contained in the list, to be
 40 submitted to the Chairmen of the House Appropriations and Senate Finance Committees and the public. The report shall
 41 compare the actual results, including expenditures, of the initiative with the anticipated results and the appropriation for the
 42 initiative. This information shall be used to determine whether the initiative should be extended beyond the beginning period.
 43 In the preparation of this report, all state agencies shall provide assistance as requested by the Department of Planning and
 44 Budget.

45 § 4-5.04 GOODS AND SERVICES

46 a. STUDENT ATTENDANCE AT INSTITUTIONS OF HIGHER EDUCATION:

47 1. Public Information Encouraged: Each public institution of higher education is expected and encouraged to provide
 48 prospective students with accurate and objective information about its programs and services. The institution may use public
 49 funds under the control of the institution's Board of Visitors for the development, preparation and dissemination of factual
 50 information about the following subjects: academic programs; special programs for minorities; dates, times and procedures for

1 registration; dates and times of course offerings; admission requirements; financial aid; tuition and fee schedules; and other
 2 information normally distributed through the college catalog. This information may be presented in any and all media, such as
 3 newspapers, magazines, television or radio where the information may be in the form of news, public service announcements or
 4 advertisements. Other forms of acceptable presentation would include brochures, pamphlets, posters, notices, bulletins, official
 5 catalogs, flyers available at public places and formal or informal meetings with prospective students.

6 2. Excessive Promotion Prohibited: Each public institution of higher education is prohibited from using public funds under the
 7 control of the institution's Board of Visitors for the development, preparation, dissemination or presentation of any material intended
 8 or designed to induce students to attend by exaggerating or extolling the institution's virtues, faculty, students, facilities or programs
 9 through the use of hyperbole. Artwork and photographs which exaggerate or extol rather than supplement or complement
 10 permissible information are prohibited. Mass mailings are generally prohibited; however, either mass mailings or newspaper inserts,
 11 but not both, may be used if other methods of distributing permissible information are not economically feasible in the institution's
 12 local service area.

13 3. Remedial Education: Senior institutions of higher education shall make arrangements with community colleges for the
 14 remediation of students accepted for admission by the senior institutions.

15 4. Compliance: The president or chancellor of each institution of higher education is responsible for the institution's compliance with
 16 this subsection.

17 b. INFORMATION TECHNOLOGY FACILITIES AND SERVICES:

18 1.a) The Virginia Information Technologies Agency shall procure information technology and telecommunications goods and
 19 services of every description for its own benefit or on behalf of other state agencies and institutions, or authorize other state agencies
 20 or institutions to undertake such procurements on their own.

21 b) Except for research projects, research initiatives, or instructional programs at public institutions of higher education, or any non-
 22 major information technology project request from the Virginia Community College System, Longwood University, or from an
 23 institution of higher education which is a member of the Virginia Association of State Colleges and University Purchasing
 24 Professionals (VASCUPP) as of July 1, 2003, or any procurement of information technology and telecommunications goods and
 25 services by public institutions of higher education governed by some combination of Chapters 933 and 945 of the 2005 Acts of
 26 Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824
 27 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, requests for authorization from
 28 state agencies and institutions to procure information technology and telecommunications goods and services on their own behalf
 29 shall be made in writing to the Chief Information Officer or his designee. Members of VASCUPP as of July 1, 2003, are hereby
 30 recognized as: The College of William and Mary, George Mason University, James Madison University, Old Dominion University,
 31 Radford University, Virginia Commonwealth University, Virginia Military Institute, Virginia Polytechnic Institute and State
 32 University, and the University of Virginia.

33 c) The Chief Information Officer or his designee may grant the authorization upon a written determination that the request conforms
 34 to the statewide information technology plan and the individual information technology plan of the requesting agency or institution.

35 d) Any procurement authorized by the Chief Information Officer or his designee for information technology and telecommunications
 36 goods and services, including geographic information systems, shall be issued by the requesting state agency or institution in
 37 accordance with the regulations, policies, procedures, standards, and guidelines of the Virginia Information Technologies Agency.

38 e) Nothing in this subsection shall prevent public institutions of higher education or the Virginia Community College System from
 39 using the services of Network Virginia.

40 f) To ensure that the Commonwealth's research universities maintain a competitive position with access to the national optical
 41 research network infrastructure including the National LambdaRail and Internet2, the Network Virginia Contract Administrator is
 42 hereby authorized to renegotiate the term of the existing contracts. Additionally, the contract administrator is authorized to
 43 competitively negotiate additional agreements in accordance with the Code of Virginia and all applicable regulations, as required, to
 44 establish and maintain research network infrastructure.

45 2. If the billing rates and associated systems for computer, telecommunications and systems development services to state agencies
 46 are altered, the Director, Department of Planning and Budget, may transfer appropriations from the general fund between programs
 47 affected. These transfers are limited to actions needed to adjust for overfunding or underfunding the program appropriations affected
 48 by the altered billing systems.

49 3. The provisions of this subsection shall not in any way affect the duties and responsibilities of the State Comptroller under the
 50 provisions of § 2.2-803, Code of Virginia.

51 4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including
 52 geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services
 53 which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State

1 agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the
 2 development and operational requirements for proposed IT and GIS systems, products, data, and services, including the
 3 proposed use, functionality, capacity and the total cost of acquisition, operation and maintenance.

4 5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and
 5 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly or Chapters 594 and 616 of the 2008
 6 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of
 7 Assembly, or to the Virginia Alcoholic Beverage Control Authority.

8 6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia
 9 Information Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and
 10 laptops to their employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the
 11 appropriate fund or funds used to purchase the equipment.

12 c. MOTOR VEHICLES AND AIRCRAFT:

13 1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the
 14 state without the prior written approval of the Director, Department of General Services.

15 2. The institutions of higher education and the Alcoholic Beverage Control Authority shall be exempt from this provision but
 16 shall be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of
 17 the Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare
 18 the cost of vehicles acquired by institutions of higher education and the Authority to like vehicles under the state contract. If the
 19 comparison demonstrates for a given institution or the Authority that the cost to the Commonwealth is greater for like vehicles
 20 than would be the case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption
 21 granted to the institution or the Authority pursuant to this subparagraph c.

22 3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state
 23 agencies, and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state
 24 agencies affected by such transfers.

25 d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher
 26 education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, no state Executive Department agency or the
 27 Virginia Lottery Department shall expend any public funds for the production of motion picture films or of programs for
 28 television transmission, or for the operation of television or radio transmission facilities, without the prior written approval of
 29 the Governor or as otherwise provided in this act, except for educational television programs produced for elementary-
 30 secondary education by authority of the Virginia Information Technologies Agency. The Joint Subcommittee on Rules is
 31 authorized to provide the approval of such expenditures for legislative agencies. For judicial agencies and independent
 32 agencies, other than the Virginia Lottery Department, prior approval action rests with the supervisory bodies of these entities.
 33 With respect to television programs which are so approved and other programs which are otherwise authorized or are not
 34 produced for television transmission, state agencies may enter into contracts without competitive sealed bidding, or competitive
 35 negotiation, for program production and transmission services which are performed by public telecommunications entities, as
 36 defined in § 2.2-2006, Code of Virginia.

37 e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant
 38 to law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:

39 1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the
 40 State Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;

41 2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the
 42 continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate
 43 as established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax
 44 deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state
 45 employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the
 46 Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel,
 47 for the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was
 48 not available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-
 49 owned automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such
 50 use in excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-
 51 owned vehicle is not available; then the rate shall be the IRS rate;

52 3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;

53 4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense
 54 category deemed necessary for the efficient and effective operation of state government;

- 1 5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same bank
2 account authorized by the employee in which their net pay is direct deposited; and
- 3 6. This section shall not apply to members and employees of public school boards.
- 4 f. SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE OPT
5 OUT: The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when, in his
6 judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce unnecessary
7 administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by the Department of
8 Accounts through accounting entries.
- 9 g. PURCHASES OF APPLIANCES AND EQUIPMENT: State agencies and institutions shall purchase Energy Star rated
10 appliances and equipment in all cases where such appliances and equipment are available.
- 11 h. ELECTRONIC PAYMENTS: Any recipient of payments from the State Treasury who receives six or more payments per year
12 issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate method of
13 electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of this section.
14 The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify non-electronic
15 payment.
- 16 i. LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES: It is the intent of the General Assembly that State agencies shall
17 encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to achieve cost
18 savings and efficiencies in the provision of mandated functions and services including but not limited to finance, procurement, social
19 services programs, and facilities management.
- 20 j. TELECOMMUNICATION SERVICES AND DEVICES:
- 21 1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular telephones
22 and other telecommunication devices by in-scope Executive Department agencies, addressing the assignment, evaluation of need,
23 safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an acceptable use
24 agreement template clearly defining an employee's responsibility when they receive and use a telecommunication device. Statewide
25 requirements shall require some form of identification on a device in case it is lost or stolen and procedures to wipe the device clean
26 of all sensitive information when it is no longer in use.
- 27 2. In-scope Executive Department agencies providing employees with telecommunication devices shall develop agency-specific
28 policies, incorporating the guidance provided in § 4-5.04 k. 1. of this act and shall maintain a cost justification for the assignment or
29 a public health, welfare and safety need.
- 30 3. The Chief Information Officer shall determine the optimal number of telecommunication vendors and plans necessary to meet the
31 needs of in-scope Executive Department agency personnel. The Chief Information Officer shall regularly procure these services and
32 provide statewide contracts for use by all such agencies. These contracts shall require the vendors to provide detailed usage
33 information in a useable electronic format to enable the in-scope agencies to properly monitor usage to make informed purchasing
34 decisions and minimize costs.
- 35 4. The Chief Information Officer shall examine the feasibility of providing tools for in-scope Executive Department agencies to
36 analyze usage and cost data to assist in determining the most cost effective plan combinations for the entity as a whole and
37 individual users.
- 38 k. ALTERNATIVE PROCUREMENT: If any payment is declared unconstitutional for any reason or if the Attorney General finds
39 in a formal, written, legal opinion that a payment is unconstitutional, in circumstances where a good or service can constitutionally
40 be the subject of a purchase, the administering agency of such payment is authorized to use the affected appropriation to procure, by
41 means of the Commonwealth's Procurement Act, goods and services, which are similar to those sought by such payment in order to
42 accomplish the original legislative intent.
- 43 l. MEDICAL SERVICES: No expenditures from general or nongeneral fund sources may be made out of any appropriation by the
44 General Assembly for providing abortion services, except otherwise as required by federal law or state statute.
- 45 § 4-5.05 NONSTATE AGENCIES, INTERSTATE COMPACTS AND ORGANIZATIONAL MEMBERSHIPS
- 46 a. The accounts of any agency, however titled, which receives funds from this or any other appropriating act, and is not owned or
47 controlled by the Commonwealth of Virginia, shall be subject to audit or shall present an audit acceptable to the Auditor of Public
48 Accounts when so directed by the Governor or the Joint Legislative Audit and Review Commission.
- 49 b.1. For purposes of this subsection, the definition of "nonstate agency" is that contained in § 2.2-1505, Code of Virginia.
- 50 2. Allotment of appropriations to nonstate agencies shall be subject to the following criteria:

- 1 a) Such agency is located in and operates in Virginia.
- 2 b) The agency must be open to the public or otherwise engaged in activity of public interest, with expenditures having actually
3 been incurred for its operation.
- 4 3. No allotment of appropriations shall be made to a nonstate agency until such agency has certified to the Secretary of Finance
5 that cash or in-kind contributions are on hand and available to match equally all or any part of an appropriation which may be
6 provided by the General Assembly, unless the organization is specifically exempted from this requirement by language in this
7 act. Such matching funds shall not have been previously used to meet the match requirement in any prior appropriation act.
- 8 4. Operating appropriations for nonstate agencies equal to or in excess of \$150,000 shall be disbursed to nonstate agencies in
9 twelve or fewer equal monthly installments depending on when the first payment is made within the fiscal year. Operating
10 appropriations for nonstate agencies of less than \$150,000 shall be disbursed in one payment once the nonstate agency has
11 successfully met applicable match and application requirements.
- 12 5. The provisions of § 2.2-4343 A 14, Code of Virginia shall apply to any expenditure of state appropriations by a nonstate
13 agency.
- 14 c.1. Each interstate compact commission and each organization in which the Commonwealth of Virginia or a state agency
15 thereof holds membership, and the dues for which are provided in this act or any other appropriating act, shall submit its
16 biennial budget request to the state agency under which such commission or organization is listed in this act. The state agency
17 shall include the request of such commission or organization within its own request, but identified separately. Requests by the
18 commission or organization for disbursements from appropriations shall be submitted to the designated state agency.
- 19 2. Each state agency shall submit by November 1 each year, a report to the Director, Department of Planning and Budget,
20 listing the name and purpose for organizational memberships held by that agency with annual dues of \$5,000 or more. The
21 institutions of higher education shall be exempt from this reporting requirement.
- 22 § 4-5.06 DELEGATION OF AUTHORITY
- 23 a. The designation in this act of an officer or agency head to perform a specified duty shall not be deemed to supersede the
24 authority of the Governor to delegate powers under the provisions of § 2.2-104 , Code of Virginia.
- 25 b. The nongeneral fund capital outlay decentralization programs initiated pursuant to § 4-5.08b of Chapter 912, 1996 Acts of
26 Assembly as continued in subsequent appropriation acts are hereby made permanent. Decentralization programs for which
27 institutions have executed memoranda of understanding with the Secretary of Administration pursuant to the provisions of § 4-
28 5.08b of Chapter 912, 1996 Acts of Assembly shall no longer be considered pilot projects, and shall remain in effect until
29 revoked.
- 30 c. Institutions wishing to participate in a nongeneral fund capital outlay decentralization program for the first time shall submit
31 a letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution's request to
32 participate, the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if
33 appropriate, establish a decentralization program at the institution. The Cabinet Secretary shall report to the Governor and
34 Chairmen of the Senate Finance and House Appropriations Committees by December 1 of each year all institutions that have
35 applied for inclusion in a decentralization program and whether the institutions have been granted authority to participate in the
36 decentralization program.
- 37 d. The provisions identified in § 4-5.08 f and § 4-5.08 h of Chapter 1042 of the Acts of Assembly of 2003 pertaining to pilot
38 programs for selected capital outlay projects and memoranda of understanding in institutions of higher education are hereby
39 continued. Notwithstanding these provisions, those projects shall be insured through the state's risk management liability
40 program.
- 41 e. If during an independent audit conducted by the Auditor of Public Accounts, the audit discloses that an institution is not
42 performing within the terms of the memoranda of understanding or their addenda, the Auditor shall report this information to
43 the Governor, the responsible Cabinet Secretary, and the Chairmen of the Senate Finance and House Appropriations
44 Committees.
- 45 f. Institutions that have executed memoranda of understanding with the Secretary of Administration for nongeneral fund capital
46 outlay decentralization programs are hereby granted a waiver from the provisions of § 2.2-4301, Competitive Negotiation,
47 subdivision 3a, Code of Virginia, regarding the not to exceed amount of \$100,000 for a single project, the not to exceed sum of
48 \$500,000 for all projects performed, and the option to renew for two additional one-year terms.
- 49 g. Notwithstanding any contrary provision of law or this act, delegations of authority in this act to the Governor shall apply
50 only to agencies and personnel within the Executive Department, unless specifically stated otherwise.
- 51 h. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
52 Assembly.

1 § 4-5.07 LEASE, LICENSE OR USE AGREEMENTS

2 a. Agencies shall not acquire or occupy real property through lease, license or use agreement until the agency certifies to the
3 Director, Department of General Services, that (i) funds are available within the agency's appropriations made by this act for the cost
4 of the lease, license or use agreement and (ii) except for good cause as determined by the Department of General Services, the
5 volume of such space conforms with the space planning procedures for leased facilities developed by the Department of General
6 Services and approved by the Governor. The Department of General Services shall acquire and hold such space for use by state
7 departments, agencies and institutions within the Executive Branch and may utilize brokerage services, portfolio management
8 strategies, strategic planning, transaction management, project and construction management, and lease administration strategies
9 consistent with industry best practices as adopted by the Department from time to time. These provisions may be waived in writing
10 by the Director, Department of General Services. However, these provisions shall not apply to institutions of higher education that
11 have met the conditions prescribed in subsection B of § 23.1-1006, Code of Virginia.

12 b. Agencies acquiring personal property in accordance with § 2.2-2417, Code of Virginia, shall certify to the State Treasurer that
13 funds are available within the agency's appropriations made by this act for the cost of the lease.

14 § 4-5.08 SEMICONDUCTOR MANUFACTURING PERFORMANCE GRANT PROGRAMS

15 a. The Comptroller shall not draw any warrants to issue checks for semiconductor manufacturing performance grant programs,
16 pursuant to Title 59.1, Chapter 22.3, Code of Virginia, without a specific legislative appropriation. The appropriation shall be in
17 accordance with the terms and conditions set forth in a memorandum of understanding between a qualified manufacturer and the
18 Commonwealth. These terms and conditions shall supplement the provisions of the Semiconductor Manufacturing Performance
19 Grant Program, the Semiconductor Memory or Logic Wafer Manufacturing Performance Grant Program, and the Semiconductor
20 Memory or Logic Wafer Manufacturing Performance Grant Program II, as applicable, and shall include but not be limited to the
21 numbers and types of semiconductor wafers that are produced; the level of investment directly related to the building and equipment
22 for manufacturing of wafers or activities ancillary to or supportive of such manufacturer within the eligible locality; and the direct
23 employment related to these programs. To that end, the Secretary of Commerce and Trade shall certify in writing to the Governor
24 and to the Chairmen of the House Appropriations and Senate Finance Committees the extent to which a qualified manufacturer met
25 the terms and conditions. The appropriation shall be made in full or in proportion to a qualified manufacturer's fulfillment of the
26 memorandum of understanding.

27 b. The Governor shall consult with the House Appropriations and Senate Finance Committees before amending any existing
28 memorandum of understanding. These Committees shall have the opportunity to review any changes prior to their execution by the
29 Commonwealth.

30 § 4-5.09 DISPOSITION OF SURPLUS REAL PROPERTY

31 a. Notwithstanding the provisions of § 2.2-1156, Code of Virginia, the departments, divisions, institutions, or agencies of the
32 Commonwealth, or the Governor, shall sell or lease surplus real property only under the following circumstances:

33 1. Any emergency declared in accordance with §§ 44-146.18:2 or § 44-146.28, Code of Virginia, or

34 2. Not less than thirty days after the Governor notifies, in writing, the Chairmen of the House Appropriations and Senate Finance
35 Committees regarding the planned conveyance, including a statement of the proceeds to be derived from such conveyance and the
36 individual or entity taking title to such property.

37 3. Surplus property valued at less than \$5,000,000 that is possessed and controlled by a public institution of higher education,
38 pursuant to §§ 2.2-1149 and 2.2-1153, Code of Virginia.

39 b. In any circumstance provided for in subsection a of this section, the cognizant board or governing body of the agency or
40 institution holding title or otherwise controlling the state-owned property shall approve, in writing, the proposed conveyance of the
41 property.

42 c. In accordance with § 15.2-2005, Code of Virginia, the consent of the General Assembly is herein provided for the road known as
43 Standpipe Road, that was relocated and established on a portion of the Virginia Department of Transportation's Culpeper District
44 Office property, identified as Tax Map No. 50-28, to improve the operational efficiency of the local road network in the Town of
45 Culpeper. Further, the Virginia Department of Transportation is hereby authorized to convey to the Town of Culpeper, upon such
46 terms and conditions as the Department deems proper and for such considerations the Department may determine, the property on
47 which "Standpipe Road (Relocated)(Variable Width R/W)" on the plat entitled "plat Showing Property and Various Easements for
48 Standpipe Road Relocated, Tax Map 50-28, Town of Culpeper, Culpeper County, Virginia" prepared by ATCS P.L.C and sealed

50 The conveyance shall be made with the approval of the Governor and in a form approved by the Attorney General. The appropriate
51 officials of the Commonwealth are hereby authorized to prepare, execute, and deliver such deed and other documents as may be
52 necessary to accomplish the conveyance.

17 c.1.a) Annual salaries of persons appointed to positions listed in subdivision c 6 hereof shall be paid in the amounts shown for the
18 current biennium, unless changed in accordance with conditions stated in subdivisions c 2 through c 5 hereof.

19 b) The starting salary of a new appointee shall not exceed the midpoint of the range, except where the midpoint salary is less than a

22 However, in instances where an appointee's preappointment compensation exceeded the maximum of the respective salary range,
23 then the salary for that appointee may be set at the maximum salary for the respective salary range except if the new hire was
24 employed in a state classified position, then the Governor may exceed the maximum salary for the position and set the salary for the
25 employee at a salary level not to exceed the employee's salary at their prior state position.

26 c) Nothing in subdivision c 1 shall be interpreted to supersede the provisions of § 4-6.01 e, f, g, h, i, j, k, l, and m of this act.

27 d) For new appointees to positions listed in § 4-6.01c.6., the Governor is authorized to provide for fringe benefits in addition to those

30 2.a)1) The Governor may increase or decrease the annual salary for incumbents of positions listed in subdivision c 6 below at a rate

32 with an assessment of performance and service to the Commonwealth.

33 2) The governing boards of the independent agencies may increase or decrease the annual salary for incumbents of positions listed in
34 subdivision c.7. below at a rate of up to 10 percent in any fiscal year between the minimum and maximum of the respective salary
35 range, in accordance with an assessment of performance and service to the Commonwealth.

36 b)1) The appointing or governing authority may grant performance bonuses of 0-5 percent for positions whose salaries are listed in
37 §§ 1-1 through 1-9, and 4-6.01 b, c, and d of this act, based on an annual assessment of performance, in accordance with policies and
38 procedures established by such appointing or governing authority. Such performance bonuses shall be over and above the salaries
39 listed in this act, and shall not become part of the base rate of pay.

40 2) The appointing or governing authority shall report performance bonuses which are granted to executive branch employees to the
41 Department of Human Resource Management for retention in its records.

42 3. From the effective date of the Executive Pay Plan set forth in Chapter 601, Acts of Assembly of 1981, all incumbents holding
43 positions listed in this § 4-6.01 shall be eligible for all fringe benefits provided to full-time classified state employees and,
44 notwithstanding any provision to the contrary, the annual salary paid pursuant to this § 4-6.01 shall be included as creditable
45 compensation for the calculation of such benefits.

46 4. Notwithstanding § 4-6.01.c.2.b)1) of this Act, the Board of Commissioners of the Virginia Port Authority may supplement the

17 e. 1. Salaries for newly employed or promoted employees shall be established consistent with the compensation and
18 classification plans established by the Governor.

19 2. The State Comptroller is hereby authorized to require payment of wages or salaries to state employees by direct deposit or by
20 credit to a prepaid debit card or card account from which the employee is able to withdraw or transfer funds.

21 f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall apply also to
22 any system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing
23 any such system shall be paid from any funds appropriated to the affected agencies.

24 g. No lump sum appropriation for personal service shall be regarded as advisory or suggestive of individual salary rates or of
25 salary schedules to be fixed under law by the Governor payable from the lump sum appropriation.

26 h. Subject to approval by the Governor of a plan for a statewide employee meritorious service awards program, as provided for
27 in § 2.2-1201, Code of Virginia, the costs for such awards shall be paid from any operating funds appropriated to the affected
28 agencies.

29 i. The General Assembly hereby affirms and ratifies the Governor's existing authority and the established practice of this body
30 to provide for pay differentials or to supplement base rates of pay for employees in specific job classifications in particular
31 geographic and/or functional areas where, in the Governor's discretion, they are needed for the purpose of maintaining salaries
32 which enable the Commonwealth to maintain a competitive position in the relevant labor market.

33 j.1. If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-
34 supported institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay
35 one-half of the salary listed in § 4-6.01 c 6 of this act. Further, such institution may provide compensation in addition to that
36 listed in § 4-6.01 c 6; provided, however, that such additional compensation must be approved by the Council.

37 2. If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary
38 listed in § 4-6.01 c 6 shall be paid from the Council's appropriation.

39 k.1.a. Except as otherwise provided for in this subdivision, any increases in the salary band assignment of any job role
40 contained in the compensation and classification plans approved by the Governor shall be effective beginning with the first pay
41 period, defined as the pay period from June 25 through July 9, of the fiscal year if: (1) the agency certifies to the Secretary of
42 Finance that funds are available within the agency's appropriation to cover the cost of the increase for the remainder of the
43 current biennium and presents a plan for covering the costs next biennium and the Secretary concurs, or (2) such funds are
44 appropriated by the General Assembly. If at any time the Secretary of Administration shall certify that such change in the salary
45 band assignment for a job role is of an emergency nature and the Secretary of Finance shall certify that funds are available to
46 cover the cost of the increase for the remainder of the biennium within the agency's appropriation, such change in compensation
47 may be effective on a date agreed upon by these two Secretaries. The Secretary of Administration shall provide a monthly

- 1 report of all such emergency changes in accordance with § 4-8.00, Reporting Requirements.
- 2 b. Notwithstanding any other provision of law, state employees will be paid on the first workday of July for the work period June 10
3 to June 24 in any calendar year in which July 1 falls on a weekend.
- 4 2. Salary adjustments for any employee through a promotion, role change, exceptional recruitment and retention incentive options,
5 or in-range adjustment shall occur only if: a) the agency has sufficient funds within its appropriation to cover the cost of the salary
6 adjustment for the remainder of the current biennium or b) such funds are appropriated by the General Assembly.
- 7 3. No changes in salary band assignments affecting classified employees of more than one agency shall become effective unless the
8 Secretary of Finance certifies that sufficient funds are available to provide such increase or plan to all affected employees supported
9 from the general fund.
- 10 l. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are appointed
11 to a state-level board, council, commission or similar collegial body shall not receive any such compensation for their services as
12 members or chairmen except for reimbursement of reasonable and necessary expenses. The foregoing provision shall likewise apply
13 to the Compensation Board, pursuant to § 15.2-1636.5, Code of Virginia.
- 14 m.1. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of higher
15 education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early retirement incentive
16 plans for their respective institutions pursuant to § 23.1-1302 B and the cash payment offered under such compensation plans
17 pursuant to § 23.1-1302 D, Code of Virginia. Notwithstanding the limitations in § 23.1-1302 D, the total cost in any fiscal year for
18 any such compensation plan, shall be set forth by the governing body in the compensation plan for approval by the Governor and
19 review for legal sufficiency by the Office of the Attorney General.
- 20 2. Notwithstanding any other provision of law, employees holding full-time, academic-year classified positions at public institutions
21 of higher education shall be considered "state employees" as defined in § 51.1-124.3, Code of Virginia, and shall be considered for
22 medical/hospitalization, retirement service credit, and other benefits on the same basis as those individuals appointed to full-time,
23 12-month classified positions.
- 24 n. Notwithstanding the Department of Human Resource Management Policies and Procedures, payment to employees with five or
25 more years of continuous service who either terminate or retire from service shall be paid in one sum for twenty-five percent of their
26 sick leave balance, provided, however, that the total amount paid for sick leave shall not exceed \$5,000 and the remaining seventy-
27 five percent of their sick leave shall lapse. This provision shall not apply to employees who are covered by the Virginia Sickness and
28 Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for their sick leave balances.
29 However, they will be paid, if eligible as described above, for any disability leave credits they have at separation or retirement or
30 may convert disability credits to service credit under the Virginia Retirement System pursuant to § 51.1-1103 (F), Code of Virginia.
- 31 o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community College
32 System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the number of faculty
33 at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent salary differential in a
34 manner consistent with other public four-year institutions and for faculty at Northern Virginia Community College.
- 35 p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005 Acts of
36 Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income from
37 endowments and gifts, subject to policies approved by the board of visitors. The Commonwealth shall have no general fund
38 obligations for the continuation of such salary supplements.
- 39 q. The Governor, or any other appropriate Board or Public Body, is authorized to adjust the salaries of employees specified in this
40 item, and other items in the Act, to reflect the compensation adjustments authorized in this Act.
- 41 r. Any public institution of higher education shall not provide general fund monies above \$100,000 for any individual athletic
42 coaching salaries after July 1, 2013. Athletic coaching salaries with general fund monies above this amount shall be phased-down
43 over a five-year period at 20 percent per year until reaching the cap of \$100,000.
- 44 § 4-6.02 EMPLOYEE TRAINING AND STUDY
- 45 Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any funds
46 appropriated to such department, institution or other agency in this act or subsequently made available for the purpose, compensation
47 or expenses or both compensation and expenses for employees pursuing approved training courses or academic studies for the
48 purpose of becoming better equipped for their employment in the state service. The rules and regulations shall include reasonable
49 provision for the return of any employee receiving such benefits for a reasonable period of duty, or for reimbursement to the state for
50 expenditures incurred on behalf of the employee should he not return to state service.
- 51 § 4-6.03 EMPLOYEE BENEFITS
- 52 a. Any medical/hospitalization benefit program provided for state employees shall include the following provision: any state

- 1 employee, as defined in § 2.2-2818, Code of Virginia, shall have the option to accept or reject coverage.
- 2 b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the
 3 employer paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made
 4 by the Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified
 5 workforce of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general
 6 rate shall be borne by the employee or, in the case of a political subdivision, by the employer.
- 7 c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its
 8 employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public
 9 transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such
 10 programs and any agency program must be developed in accordance with such guidelines. The guidelines shall be in
 11 accordance with the federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that
 12 exceeds the actual costs incurred by the employee.
- 13 d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State
 14 Employee Health Insurance Program pursuant to § 2.2-2818, Code of Virginia, provided that (1) such hospital is not a
 15 participating provider in the network, contracted by the Department of Human Resource Management, that serves state
 16 employees and (2) such hospital enters into a written agreement with the Department of Human Resource Management as to
 17 the rates of reimbursement. The department shall accept the lowest rates offered by the hospital from among the rates charged
 18 by the hospital to (1) its largest purchaser of care, (2) any state or federal public program, or (3) any special rate developed by
 19 the hospital for the state employee health benefits program which is lower than either of the rates above. If the department and
 20 the hospital cannot come to an agreement, the department shall reimburse the hospital at the rates contained in its final offer to
 21 the hospital until the dispute is resolved. Any dispute shall be resolved through arbitration or through the procedures established
 22 by the Administrative Process Act, as the hospital may decide, without impairment of any residual right to judicial review.
- 23 e. Any classified employee of the Commonwealth and any person similarly employed in the legislative, judicial and
 24 independent agencies who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be
 25 considered a full-time employee for the purposes of participation in the Virginia Retirement System's group life insurance and
 26 retirement programs. Any part-time magistrate hired prior to July 1, 1999, shall have the option of participating in the programs
 27 under this provision.
- 28 f.1. Any member of the Virginia Retirement System who is retired under the provisions of § 51.1-155.1, Code of Virginia who:
 29 1) returns to work in a position that is covered by the provisions of § 51.1-155.1, Code of Virginia after a break of not less than
 30 four years, 2) receives no other compensation for service to a public employer than that provided for the position covered by §
 31 51.1-155.1, Code of Virginia during such period of reemployment, 3) retires within one year of commencing such period of
 32 reemployment, and 4) retires directly from service at the end of such period of reemployment may either:
- 33 a) Revert to the previous retirement benefit received under the provisions of § 51.1-155.1, Code of Virginia, including any
 34 annual cost of living adjustments granted thereon. This benefit may be adjusted upward to reflect the effect of such additional
 35 months of service and compensation received during the period of reemployment, or
- 36 b) Retire under the provisions of Title 51.1 in effect at the termination of his or her period of reemployment, including any
 37 purchase of service that may be eligible for purchase under the provisions of § 51.1-142.2, Code of Virginia.
- 38 2. The Virginia Retirement System shall establish procedures for verification by the employer of eligibility for the benefits
 39 provided for in this paragraph.
- 40 g. Notwithstanding any other provision of law, no agency head compensated by funds appropriated in this act may be a member
 41 of the Virginia Law Officers' Retirement System created under Title 51.1, Chapter 2.1, Code of Virginia. The provisions of this
 42 paragraph are effective on July 1, 2002, and shall not apply to the Chief of the Capitol Police.
- 43 h. Full-time employees appointed by the Governor who, except for meeting the minimum service requirements, would be
 44 eligible for the provisions of § 51.1-155.1, Code of Virginia, may, upon termination of service, use any severance allowance
 45 payment to purchase service to meet, but not exceed, the minimum service requirements of § 51.1-155.1, Code of Virginia.
 46 Such service purchase shall be at the rate of 15 percent of the employee's final creditable compensation or average final
 47 compensation, whichever is greater, and shall be completed within 90 days of separation of service.
- 48 i. When calculating the retirement benefits payable under the Virginia Retirement System (VRS), the State Police Officers'
 49 Retirement System (SPORS), the Virginia Law-enforcement Officers' Retirement System (VaLORS), or the Judicial
 50 Retirement System (JRS) to any employee of the Commonwealth or its political subdivisions who is called to active duty with
 51 the armed forces of the United States, including the United States Coast Guard, the Virginia Retirement System shall:
- 52 1) utilize the pre-deployment salary, or the actual salary paid by the Commonwealth or the political subdivision, whichever is
 53 higher, when calculating average compensation, and

2) include those months after September 1, 2001 during which the employee was serving on active duty with the armed forces of the United States in the calculation of creditable service.

j. The provisions in § 51.1-144, Code of Virginia, that require a member to contribute five percent of his creditable compensation for each pay period for which he receives compensation on a salary reduction basis, shall not apply to any (i) "state employee," as defined in § 51.1-124.3, Code of Virginia, who is an elected official, or (ii) member of the Judicial Retirement System under Chapter 3 of Title 51.1 (§ 51.1-300 et seq.), who is not a "person who becomes a member on or after July 1, 2010," as defined in § 51.1-124.3, Code of Virginia.

k. Notwithstanding the provisions of subsection G of § 51.1-156, any employee of a school division who completed a period of 24 months of leave of absence without pay during October 2013 and who had previously submitted an application for disability retirement to VRS in 2011 may submit an application for disability retirement under the provisions of § 51.1-156. Such application shall be received by the Virginia Retirement System no later than October 1, 2014. This provision shall not be construed to grant relief in any case for which a court of competent jurisdiction has already rendered a decision, as contemplated by Article II, Section 14 of the Constitution of Virginia.

§ 4-6.04 CHARGES

a. FOOD SERVICES: Except as exempted by the prior written approval of the Director, Department of Human Resource Management, and the provisions of § 2.2-3605, Code of Virginia, state employees shall be charged for meals served in state facilities. Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections and Juvenile Justice.

b. HOUSING SERVICES:

1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid into the general fund.

c. PARKING SERVICES:

1. State-owned parking facilities

Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor, for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. -

2. Leased parking facilities in metropolitan Richmond area

Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space. In such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of General Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or waive the fee requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking space must be approved by the Director, Department of General Services.

3. The assignment of Lot P1A of the Department of General Services, Capitol Area Site Plan, to include parking spaces 1 through 37, but excluding spaces 34 and 36, which shall be reserved for the Department of General Services, and the surrounding surfaces around those spaces shall be under the control of the Committee on Joint Rules and administered by the Clerk of the House and the Clerk of the Senate. Any employee permanently assigned to any of these spaces shall be subject to the provisions of paragraph 1 of

1 this item.

2 § 4-6.05 SELECTION OF APPLICANTS FOR CLASSIFIED POSITIONS

3 It is the responsibility of state agency heads to ensure that all provisions outlined in Title 2.2, Chapter 29, Code of Virginia (the
4 Virginia Personnel Act), and executive orders that govern the practice of selecting applicants for classified positions are strictly
5 observed. The Governor's Secretaries shall ensure this provision is faithfully enforced.

6 § 4-6.06 POSITIONS GOVERNED BY CHAPTERS 933 AND 943 OF THE 2006 ACTS OF ASSEMBLY

7 Except as provided in subsection A of § 23.1-1020 of the Code of Virginia, § 4-6.00 shall not apply to public institutions of
8 higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
9 Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, with regard to their participating covered employees, as
10 that term is defined in those two chapters, except to the extent a specific appropriation or language in this act addresses such an
11 employee.

12 **§ 4-7.00 STATEWIDE PLANS**

13 § 4-7.01 MANPOWER CONTROL PROGRAM

14 a.1. The term Position Level is defined as the number of full-time equivalent (FTE) salaried employees assigned to an agency
15 in this act. Except as provided in § 4-7.01 b, the Position Level number stipulated in an agency's appropriation is the upper limit
16 for agency employment which cannot be exceeded during the fiscal year without approval from the Director, Department of
17 Planning and Budget for Executive Department agencies, approval from the Joint Committee on Rules for Legislative
18 Department agencies or approval from the appropriate governing authority for the independent agencies.

19 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations
20 Committee and the Senate Finance Committee, the Governor and the Directors of the Department of Planning and Budget and
21 Department of Human Resource Management within ten days of such approval. Approvals for executive department agencies
22 shall be based on threats to life, safety, health, or property, or compliance with judicial orders or federal mandates, to support
23 federal grants or private donations, to administer a program for another agency or to address an immediate increase in workload
24 or responsibility or when to delay approval of increased positions would result in a curtailment of services prior to the next
25 legislative session. Any such position level increases pursuant to this provision may not be approved for more than one year.

26 b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental
27 Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department,
28 provided that such changes do not result in exceeding the Position Level for that department.

29 c.1. The Governor shall implement such policies and procedures as are necessary to ensure that the number of employees in the
30 Executive Department, excluding institutions of higher education and the State Council of Higher Education, may be further
31 restricted to the number required for efficient operation of those programs approved by the General Assembly. Such policies
32 and procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by
33 the Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient
34 operation of programs.

35 2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions
36 authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency
37 exists requiring a change in the official estimate of general fund revenues available for appropriation.

38 d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies,
39 the Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.

40 2. Positions assigned to programs supported by internal service funds are for reference only and may fluctuate depending upon
41 workload and funding availability.

42 3. Positions assigned to sponsored programs, auxiliary enterprises, continuing education, and teaching hospitals in the
43 institutions of higher education are for reference only and may fluctuate depending upon workload and funding availability.
44 Positions assigned to Item Detail 43012, State Health Services Technical Support and Administration, at Virginia
45 Commonwealth University are for reference only and may fluctuate depending upon workload and funding availability.

46 4. Positions assigned to educational and general programs in the institutions of higher education are for reference only and may
47 fluctuate depending upon workload and funding availability. However, total general fund positions filled by an institution of
48 higher education may not exceed 105 percent of the general fund positions appropriated without prior approval from the
49 Director, Department of Planning and Budget.

50 5. Positions assigned to Item Details 47001, Job Placement Services; 47002, Unemployment Insurance Services; 47003,
51 Workforce Development Services; and 53402, Economic Information Services, at the Virginia Employment Commission are

1 for reference only and may fluctuate depending upon workload and funding availability. Unless otherwise required by the funding
 2 source, after enactment of this act, any new positions hired using this provision shall not be subject to transitional severance benefit
 3 provisions of the Workforce Transition Act of 1995, Title 2.2, Chapter 32, Code of Virginia.

4 e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth in
 5 regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of certain
 6 positions assigned to agencies and institutions that provide services pertaining to public safety and public health from such hiring
 7 freezes.

8 f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and
 9 institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a period
 10 exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the Offices of the
 11 Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for periods exceeding
 12 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited without the prior approval of
 13 the General Assembly.

14 2. Not more than three positions in total, as described in subsection 1 hereof, may be assigned at any time to the Office of any
 15 Cabinet Secretary, unless specifically approved in writing by the Governor. The Governor shall notify the Chairmen of the House
 16 Appropriations and Senate Finance Committees in the case of any such approvals.

17 g. All state employees, including those in the legislative, judicial, and executive branches and the independent agencies of the
 18 Commonwealth, who are not eligible for benefits under a health care plan established and administered by the Department of Human
 19 Resource Management (DHRM) pursuant to Va. Code § 2.2-2818, or by an agency administering its own health care plan, may not
 20 work more than 29 hours per week on average over a twelve month period. Adjunct faculty at institutions of higher education may
 21 not work more than 29 hours per week on average over a twelve month period, including classroom or other instructional time plus
 22 additional hours determined by the institution as necessary to perform the adjunct faculty's duties. DHRM shall provide relevant
 23 program requirements to agencies and employees, including, but not limited to, information on wage, variable and seasonal
 24 employees. All state agencies/employers in all branches of government shall provide information requested by DHRM concerning
 25 hours worked by employees as needed to comply with the Affordable Care Act (the "Act") and this provision. State
 26 agencies/employers are accountable for compliance with this provision, and are responsible for any costs associated with
 27 maintaining compliance with it and for any costs or penalties associated with any violations of the Act or regulations thereunder and
 28 any such costs shall be borne by the agency from existing appropriations. The provisions of this paragraph shall not apply to
 29 employees of state teaching hospitals that have their own health insurance plan; however, the state teaching hospitals are accountable
 30 for compliance with, and are responsible for any costs associated with maintaining compliance with the Act and for any costs or
 31 penalties associated with any violations of the Act or regulations thereunder and any such costs shall be borne by the agency from
 32 existing appropriations. Subject to approval of the Governor, DHRM shall modify this provision consistent with any updates or
 33 changes to federal law and regulations.

34 § 4-8.00 REPORTING REQUIREMENTS

35 § 4-8.01 GOVERNOR

36 a. General:

37 1. The Governor shall submit the information specified in this section to the Chairmen of the House Appropriations and Senate
 38 Finance Committees on a monthly basis, or at such intervals as may be directed by said Chairmen, or as specified elsewhere in this
 39 act. The information on agency operating plans and expenditures as well as agency budget requests shall be submitted in such form,
 40 and by such method, including electronically, as may be mutually agreed upon. Such information shall be preserved for public
 41 inspection in the Department of Planning and Budget.

42 2. The Governor shall make available annually to the Chairmen of the Senate Finance, House Finance, and House Appropriations
 43 Committees a report concerning the receipt of any nongeneral funds above the amount(s) specifically appropriated, their sources,
 44 and the amounts for each agency affected.

45 3. a) It is the intent of the General Assembly that reporting requirements affecting state institutions of higher education be reduced or
 46 consolidated where appropriate. State institutions of higher education, working with the Secretary of Education and Workforce,
 47 Secretary of Finance, and the Director, Department of Planning and Budget, shall continue to identify specific reporting
 48 requirements that the Governor may consider suspending.

49 b) Reporting generally should be limited to instances where (1) there is a compelling state interest for state agencies to collect, use,
 50 and maintain the information collected; (2) substantial risk to the public welfare or safety would result from failing to collect the
 51 information; or (3) the information collected is central to an essential state process mandated by the Code of Virginia.

52 c) Upon the effective date of this act, and until its expiration date, the following reporting requirements are hereby suspended or
 53 modified as specified below:

1	Agency	Report Title of Descriptor	Authority	Action
2	Department of Accounts	Intercollegiate Athletics	Code of Virginia § 23.1-102.	Suspend reporting.

12 § 4-8.03 LOCAL GOVERNMENTS

13 a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local
14 government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth
15 or otherwise regularly made public by the local government. This information includes expenditure reports submitted to the
16 Auditor, budget information posted on local government websites, and reports prepared by the Commission on Local
17 Government on revenue fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources
18 Authority, the Virginia Public Building Authority, and other state and regional authorities concerning late or missed debt
19 service payments shall be shared with the Auditor. Fiscal distress as used in this context shall mean a situation whereby the
20 provision and sustainability of public services is threatened by various administrative and financial shortcomings including but
21 not limited to cash flow issues; inability to pay expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets;
22 billing and revenue collection inadequacies and discrepancies; debt overload; failure to meet obligations to authorities, school
23 divisions, or political subdivisions of the Commonwealth; and/or lack of trained and qualified staff to process administrative
24 and financial transactions. Fiscal distress may be caused by factors internal to the unit of government or external to the unit of
25 government and in various degrees such conditions may or may not be controllable by management, or the local governing
26 body, or its constitutional officers.

27 2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts
28 shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts
29 shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a
30 local government is in fiscal distress.

31 3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based
32 upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary
33 determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief
34 executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local
35 government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and
36 payables, revenues and receivables, and other areas including staffing, and the identification of external variables contributing
37 to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for
38 information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described
39 threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames
40 specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state
41 assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the
42 Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance Committees, and the
43 governing body of the local government in writing outlining specific issues or actions that need to be addressed by state
44 intervention.

45 4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification
46 requirement necessary to effectuate the provisions of this act in paragraph b.3 below.

47 b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general
48 fund appropriations in this Act as of June 30, 2017, which constitute state aid to local governments. The Director shall provide
49 a listing of such amounts designated by item number and by program on or before August 15, 2017, to the Governor and the
50 Chairmen of the House Appropriations Committee and the Senate Finance Committee.

51 2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may
52 reappropriate up to \$500,000 *from the first year to the second year and up to \$750,000 from the second year to the subsequent*
53 *year* from amounts which would otherwise revert to the balance of the general fund and transfer such amounts as necessary to
54 establish a component of fund balance which may be used for the purpose of providing technical assistance and intervention
55 actions for local governments deemed to be fiscally distressed and in need of intervention to address such distress. Any such
56 reappropriation approved by the Governor, shall be separately identified in the commitments specified on the balance sheet and

1 financial statements of the State Comptroller for the close of fiscal year 2017 and thereafter, to the extent that such reserve is not
2 used or added to by future appropriation actions.

3 3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations Committee
4 and the Senate Finance Committee must receive a notification from the Auditor of Public Accounts that a specific locality is in need
5 of intervention because of a worsening financial situation. The Auditor of Public Accounts may issue such a notification upon
6 receipt of audited financial statement or other information that indicates the existence of fiscal distress. But, no such notification
7 shall be made until appropriate follow up and correspondence ascertains that, in the opinion of the Auditor of Public Accounts, such
8 fiscal distress indeed exists. Such notification may also be issued by the Auditor of Public Accounts if written concerns raised about
9 fiscal distress are not adequately addressed by the locality in question.

10 4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific local
11 government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate Finance
12 Committee about a plan for state intervention prior to any expenditure of funds from the cash reserve. Any plan approved by the
13 Governor for intervention should, at a minimum, specify the purpose of such intervention, the estimated duration of the intervention,
14 and the anticipated resources (dollars and personnel) directed toward such effort. The staffing necessary to carry out the intervention
15 plan may be assembled from either public agencies or private entities or both and, notwithstanding any other provisions of law, the
16 Governor may use an expedited method of procurement to secure such staffing when, in his judgment, the need for intervention is of
17 an emergency nature such that action must be taken in a timely manner to avoid or address unacceptable financial risks to the
18 Commonwealth.

19 5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the Governor
20 shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public agencies or private
21 entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the House Appropriations
22 Committee and the Senate Finance Committee outlining the scope of issues discovered and any recommendations made to remediate
23 such issues, and the progress that is made on such recommendations or other remediation efforts. These periodic reports shall
24 specifically address the degree of cooperation the intervention team is receiving from locally elected officials, including
25 constitutional officers, city, county, or town managers and other local personnel in regards to their intervention work.

26 6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround
27 specialists with expertise in local government intervention that the Governor can use to procure intervention services in an
28 expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

29 **§ 4-9.00 HIGHER EDUCATION RESTRUCTURING**

30 § 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

31 Consistent with § 23.1-206, Code of Virginia, the following education-related and financial and administrative management
32 measures shall be the basis on which the State Council of Higher Education shall annually assess and certify institutional
33 performance. Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no later than
34 October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section shall be
35 evaluated year-to-date by the Secretaries of Finance, Administration, and Technology as appropriate, and communicated to the State
36 Council of Higher Education before October 1 of each even-numbered year. Financial benefits provided to each institution in
37 accordance with § 2.2-5005 will be evaluated in light of that institution's performance.

38 In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is understood that
39 there can be circumstances beyond an institution's control that may prevent achieving one or more performance measures. The
40 Council shall consider, in consultation with each institution, such factors in its review: (1) institutions meeting all performance
41 measures will be certified by the Council and recommended to receive the financial benefits, (2) institutions that do not meet all
42 performance measures will be evaluated by the Council and the Council may take one or more of the following actions: (a) request
43 the institution provide a remediation plan and recommend that the Governor withhold release of financial benefits until Council
44 review of the remediation plan or (b) recommend that the Governor withhold all or part of financial benefits.

45 Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related
46 measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related measures
47 that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of performance.

48 The State Council may develop, adopt, and publish standards for granting exemptions and ongoing modifications to the certification

17 Commonwealth. However, such study shall be conducted in such a manner as to not permit the personal identification of
18 students by persons other than representatives of the Department of Education or the State Council for Higher Education for

37 1. successfully completed at least three years of effectiveness and efficiencies operating under such additional authority granted
38 by an original memorandum of understanding;

39 2. successfully renewed an additional memoranda of understanding for a five year term for each of the original two areas.

40 The institutions shall meet all criteria and follow policies for negotiating and establishing a memorandum of understanding with
41 the Commonwealth of Virginia as provided in § 2.0 (Information Technology), § 3.0 (Procurement), and § 4.0 (Capital Outlay)
42 of Chapter 824 and 829 of the 2008 Acts of Assembly.

43 b. As part of the memorandum of understanding, each institution shall be required to adopt at least one new education-related
44 measure for the new area of operational authority. Each education-related measure and its respective target shall be developed
45 in consultation with the Secretary of Finance, Secretary of Education, the appropriate Cabinet Secretary, and the State Council
46 of Higher Education for Virginia. Each education-related measure and its respective target must be approved by the State
47 Council of Higher Education for Virginia and shall become part of the certification required by § 23.1-206.

48 c. 1. As part of a five-year pilot program, George Mason University and James Madison University are authorized, for a period
49 of five years, to exercise additional financial and administrative authority as set out in each of the three functional areas of

1 information technology, procurement and capital projects as set forth and subject to all the conditions in §§ 2.0, 3.0 and 4.0 of the
 2 second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that (i) any effective dates contained in Chapter
 3 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item, and (ii) the institution is not required to
 4 have a signed memorandum of understanding with the Secretary of Administration regarding participation in the nongeneral fund
 5 decentralization program as provided in subsection C of § 2.2-1132 in order to be eligible for the additional capital project authority.

6 2. In addition, each institution shall exercise additional financial and administrative authority over financial operations as follows:

7 a). BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

8 The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties
 9 and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate
 10 accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by
 11 separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who,
 12 while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties
 13 and responsibilities pursuant to the University's usual delegation policies and procedures.

14 b) FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

15 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be
 16 authorized by the Board to maintain existing and implement new policies governing the management of University financial
 17 resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure
 18 consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles,
 19 with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources
 20 within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart
 21 of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk
 22 management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University
 23 pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.

24 The financial management system shall continue to include a financial reporting system to satisfy both the requirements for
 25 inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's
 26 Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed
 27 on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be
 28 maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards
 29 Board.

30 In addition, the financial management system shall continue to provide financial reporting for the President, acting through the
 31 Executive Vice President, Chief Operating Officer, or Chief Financial Officer, and the Board of Visitors to enable them to provide
 32 adequate oversight of the financial operations of the University.

33 c) FINANCIAL MANAGEMENT POLICIES.

34 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall create and
 35 implement any and all financial management policies necessary to establish a financial management system with adequate risk
 36 management and internal control processes and procedures for the effective protection and management of all University financial
 37 resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the
 38 University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but
 39 need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's
 40 specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and
 41 administrative functions. In general, the system of independent financial management policies shall be guided by the general
 42 principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and
 43 internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of
 44 public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of
 45 University programs.

46 The University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be
 47 developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be
 48 submitted to the State Comptroller for review and comment before they are implemented by the University.

49 d) FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

50 The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate
 51 commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided
 52 otherwise in the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be exempt from
 53 the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless
 54 prohibited by the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be entitled to

1 retain non-general fund savings generated from changes in Commonwealth rates and charges, including but not limited to
 2 health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather
 3 than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the
 4 framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of
 5 all these funds.

6 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue
 7 to provide oversight of the University's cash management system which is the framework for the retention of non-general
 8 funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in
 9 accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of
 10 Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls
 11 performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to
 12 the Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia as it currently exists
 13 and from time to time may be amended.

14 e) ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

15 The President, through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be
 16 authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system
 17 for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt
 18 Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of the Code of Virginia, such that the University shall take all appropriate and
 19 cost effective actions to aggressively collect accounts receivable in a timely manner.

20 These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the
 21 nature and timing of collection procedures within the above general principles; and the independent authority to select and
 22 contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to
 23 perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit
 24 bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound
 25 collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall
 26 develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall
 27 provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures
 28 established pursuant to the Virginia Debt Collection Act.

29 f) DISBURSEMENT MANAGEMENT.

30 The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue
 31 to be authorized to create and implement any and all disbursement policies as part of a system for the management of
 32 University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable
 33 uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall
 34 continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the
 35 appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further,
 36 the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the
 37 use of charge cards, warrants, and electronic payments.

38 These disbursement policies shall authorize the President, acting through the Executive Vice President, Chief Operating
 39 Officer, or Chief Financial Officer, to independently select, engage, and contract for such consultants, accountants, and
 40 financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the
 41 Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to
 42 include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to
 43 disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that
 44 the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State
 45 Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall
 46 ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized
 47 processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary
 48 quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established
 49 pursuant to the Prompt Payment Act.

50 The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the
 51 Commonwealth's Accounting Policy and Procedures Manual. The University shall continue to follow the Commonwealth's
 52 disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such
 53 alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the
 54 University.

55 3. The Auditor of Public Accounts or his legally authorized representatives shall audit annually the accounts of each institution
 56 and shall distribute copies of each annual audit to the Governor and to the Chairmen of the House Committee on
 57 Appropriations and the Senate Committee on Finance. Pursuant to § 30-133, the Auditor of Public Accounts and his legally

1 authorized representatives shall examine annually the accounts and books of each such institution, but the institution shall not be
 2 deemed to be a state or governmental agency, advisory agency, public body, or agency or instrumentality for purposes of Chapter 14
 3 (§ 30-130 et seq.) of Title 30 except for those provisions in such chapter that relate to requirements for financial recordkeeping and
 4 bookkeeping. Each such institution shall be subject to periodic external review by the Joint Legislative and Audit Review
 5 Commission and such other reviews and audits as shall be required by law.

6 d. Subject to review of its Shared Services Center by the Department of General Services, and approval to proceed with
 7 decentralized procurement of authority by the Department of General Services, the Virginia Community College System (VCCS) is
 8 authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each of the three
 9 functional areas of information technology, procurement and capital projects as set forth and subject to all the conditions in §§ 2.0,
 10 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that (i) any effective dates
 11 contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item. The State Board
 12 for Community Colleges may request any subsequent delegation of procurement authority after consultation with and positive
 13 recommendation by the Department of General Services.

14 § 4-9.03 LEVEL III AUTHORITY

15 The Management Agreements negotiated by the institutions contained in Chapters 675 and 685 of the 2009 Acts of Assembly shall
 16 continue in effect unless the Governor, the General Assembly, or the institutions determine that the Management Agreements need
 17 to be renegotiated or revised.

18 § 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

19 a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

20 1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page
 21 should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider
 22 requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate
 23 page attached to student invoices;

24 2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance
 25 on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging
 26 for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

27 3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of
 28 control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards
 29 should further direct staff to implement the recommendations of the review to streamline their organizational structures where
 30 possible;

31 4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

32 5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that
 33 establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the
 34 institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances
 35 that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting
 36 or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

37 6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods,
 38 including use of institution-wide contracts;

39 7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are
 40 exceptions to the institutional policies for standardizing purchases;

41 8. participate in national faculty teaching load assessments by discipline and faculty type.

42 b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

43 1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of
 44 Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-
 45 E&G fees, including for intercollegiate athletics;

46 2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-
 47 E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts,
 48 and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

49 3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure
 50 current use of space and plans for future use of space at Virginia's public higher education institutions;

1 4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory
 2 Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee,
 3 the committee should identify instructional technology initiatives and best practices for directly or indirectly lowering
 4 institutions' instructional expenditures per student while maintaining or enhancing student learning;

5 5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;

6 6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing
 7 learning.

8 c. Notwithstanding the provisions of § 23.1-1304, the State Council of Higher Education for Virginia shall annually train
 9 boards of visitors members on the types of information members should request from institutions to inform decision making,
 10 such as performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected
 11 cost trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in
 12 the training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or
 13 delivering the training from relevant agencies such as the Department of General Services and past or present finance officers at
 14 Virginia's public four-year institutions, as appropriate.

15 d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's
 16 maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities,
 17 and differences in facility use. Beginning with fiscal year 2016, the Department of Planning and Budget shall submit these
 18 recommendations to the Governor and General Assembly no later than November 1 of each year.

19 e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate
 20 shall use the results of the prioritization process established by the State Council of Higher Education for Virginia in
 21 determining which capital projects should receive funding.

22 f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of
 23 higher education a review of progress in implementing the JLARC recommendations contained in paragraph § 4-9.04 a.

24 § 4-11.00 STATEMENT OF FINANCIAL CONDITION

25 Each agency head handling any state funds shall, at least once each year, upon request of the Auditor of Public Accounts, make
 26 a detailed statement, under oath, of the financial condition of his office as of the date of such call, to the Auditor of Public
 27 Accounts, and upon such forms as shall be prescribed by the Auditor of Public Accounts.

28 § 4-12.00 SEVERABILITY

29 If any part, section, subsection, paragraph, sentence, clause, phrase, or item of this act or the application thereof to any person
 30 or circumstance is for any reason declared unconstitutional, such decisions shall not affect the validity of the remaining portions
 31 of this act which shall remain in force as if such act had been passed with the unconstitutional part, section, subsection,
 32 paragraph, sentence, clause, phrase, item or such application thereof eliminated; and the General Assembly hereby declares that
 33 it would have passed this act if such unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, or item had
 34 not been included herein, or if such application had not been made.

35 § 4-13.00 CONFLICT WITH OTHER LAWS

36 Notwithstanding any other provision of law, and until June 30, 2018, the provisions of this act shall prevail over any conflicting
 37 provision of any other law, without regard to whether such other law is enacted before or after this act; however, a conflicting
 38 provision of another law enacted after this act shall prevail over a conflicting provision of this act if the General Assembly has
 39 clearly evidenced its intent that the conflicting provision of such other law shall prevail, which intent shall be evident only if
 40 such other law (i) identifies the specific provision(s) of this act over which the conflicting provision of such other law is
 41 intended to prevail and (ii) specifically states that the terms of this section are not applicable with respect to the conflict
 42 between the provision(s) of this act and the provision of such other law.

43 § 4-14.00 EFFECTIVE DATE

44 This act is effective on its passage as provided in § 1-214, Code of Virginia.

45 ADDITIONAL ENACTMENTS

46 3. That § 33.2-309 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding
 47 in Chapter 1 of Title 33.2 a section numbered 33.2-118, as follows:

48 § 33.2-118. Limitation on tolling.

49 A. For purposes of this section, "auxiliary lane" means the portion of the roadway adjoining the traveled way as a shoulder or for
 50 speed change, turning, weaving, or the maneuvering of entering and leaving traffic.

1 B. Notwithstanding any other provision of this title, no toll may be imposed or collected on un-tolled lanes or components of a
 2 highway, bridge, or tunnel without approval from the General Assembly. However, such prohibition shall not apply to (i)
 3 reconstruction with additional lanes of a highway, bridge, or tunnel provided that the number of un-tolled non-high-occupancy vehicle
 4 lanes, excluding auxiliary lanes, after the reconstruction is not less than the number of un-tolled, non-high-occupancy vehicle lanes,
 5 excluding auxiliary lanes, prior to such reconstruction; (ii) new construction that is opened to the public as a tolled facility; (iii) new
 6 construction that is opened to the public as high-occupancy vehicle lanes; (iv) existing high-occupancy vehicle lanes; or (v) an existing
 7 lane on a segment of a highway whose length does not exceed 10 miles and is between an interchange and an interchange or an
 8 interchange and a bridge, provided that the number of un-tolled non-high-occupancy vehicle lanes on such segment is equal to the
 9 number of un-tolled non-high-occupancy vehicle lanes on the portion of the highway preceding such segment.

10 C. Notwithstanding the provisions of subsection B, prior approval of the General Assembly shall be required prior to the imposition
 11 and collection of any toll for use of all or any portion of (i) a non-limited access highway except for a bridge, tunnel, or the approaches
 12 to a bridge or tunnel or (ii) Interstate 81.

13 **§ 33.2-309. Tolls for use of Interstate System components.**

14 A. Subject to the limitations provided in § 33.2-118 and in accordance with all applicable federal and state statutes and requirements,
 15 the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use of any component
 16 of the Interstate System within the Commonwealth.

17 B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor vehicles
 18 to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion, and improve
 19 air quality and for such other purposes as may be permitted by federal law.

20 C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed
 21 automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make payments.
 22 Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll collection in some
 23 lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on local traffic movement as
 24 factors in determining the location of the toll facilities authorized pursuant to this section.

25 D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated subaccounts in
 26 the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:

27 1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and
 28 improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects that
 29 are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations, planning district
 30 commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from such
 31 revenues deposited into the Transportation Trust Fund.

32 2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

33 3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

34 **4. That the provisions of this act adding § 33.2-118 to the Code of Virginia, as created by this act, and § 33.2-309 of the Code of**
 35 **Virginia, as amended by this act, shall become effective upon the return of the Commonwealth's spot in the Interstate System**
 36 **Reconstruction and Rehabilitation Pilot Program.**

37 **5. Enactments 4 and 5 of Chapters 778 and 779 of the 2016 Acts of Assembly are hereby repealed. The General Assembly finds**
 38 **that the creation of the Virginia Growth and Opportunity Foundation to support the Board satisfies the intent of Enactment 4**
 39 **of Chapters 778 and 779 of the 2016 Acts of Assembly.**

40 **6. Enactment 2 of Chapters 776 and 777 of the 2016 Acts of Assembly are hereby repealed.**

41 **7. A.I. Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund revenues**
 42 **collected and deposited for fiscal year 2017 that are in excess of the official forecast contained in this act, shall be reflected by**
 43 **the Comptroller as committed on the June 30, 2017, preliminary balance sheet pursuant to the provisions of this enactment for**
 44 **the purposes of establishing a cash reserve to mitigate any potential revenue shortfalls that may arise during the remainder of**
 45 **the biennium.**

46 **2. Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund revenues**
 47 **collected and deposited for fiscal year 2018 that are in excess of the official forecast contained in this act, shall be reflected by the**
 48 **Comptroller as committed on the June 30, 2018, preliminary balance sheet pursuant to the provisions of this section for the**
 49 **purposes of establishing a cash reserve to mitigate any potential revenue or transfer shortfalls that may arise during the remainder**
 50 **of the biennium.**

51 **B. To determine the amounts that are to be committed, the Comptroller shall first determine the revenues that were collected in**

- 1 excess of the revenues forecast in this act. He shall then reduce those revenues for the following adjustments:
- 2 1. Any amounts that must be restricted such as mandatory deposits to the Revenue Stabilization Fund.
- 3 2. Any amounts that normally would be committed or assigned pursuant to GASB standards.
- 4 3. Any amounts that must be committed for deposit to the Water Quality Improvement Fund from excess general fund
5 revenue collections pursuant to § 10.1-2128 A., Code of Virginia.
- 6 4. Any other amounts that are required to be committed or assigned pursuant to any other items or provisions of this act,
7 which would include mandatory carryforwards, unexpended balances in capital projects, and balances required to be
8 carried forward for fiscal year 2018 or fiscal year 2019.
- 9 C. The amount that remains after deduction of the amounts listed above from the surplus revenues on June 30, 2017, shall
10 be further reduced by fifty percent.
- 11 D.I. The Comptroller shall then reflect the remaining fifty percent from the fiscal year 2017 surplus revenues as a
12 commitment on the preliminary balance sheet entitled Revenue Cash Reserve to be held solely for the purposes of
13 mitigating any loss of general fund revenues or transfers in fiscal year 2018 from the official forecast contained in this act.
- 14 2. Notwithstanding the limits prescribed in § 2.2-1831.3, B, Code of Virginia, the Comptroller shall reflect 100 percent of the
15 amounts remaining from the fiscal year 2018 surplus revenues as a commitment on the preliminary balance sheet entitled
16 "Revenue Reserve" to be held solely for the purposes of mitigating any loss of general fund revenues or transfers in future
17 biennia pursuant to the provisions of Chapter 827, 2018 Session of the General Assembly, and any future appropriation acts.
- 18 E. The Comptroller may draw against the balances of the Revenue Cash Reserve for an amount equal to any shortfall in
19 general fund revenue or transfer collections from the official forecast contained in this act for fiscal year 2018.
- 20 8. That the provisions of the first enactment, second enactment, and seventh enactment of this act shall expire at midnight
21 on June 30, 2018. The provisions of the third, fourth, fifth, and sixth enactments of this act shall have no expiration date.
