15	B. Out of the amounts provided for in this Item, no expenditures shall be made to provide			
16	security devices such as magnetometers in standard use in major metropolitan airports.			
17	Personnel expenditures for operation of such equipment incidental to the duties of courtroom			
18	and courthouse security deputies may be authorized, provided that no additional expenditures			
19	for personnel shall be approved for the principal purpose of operating these devices.			
20	C. In accordance with the provisions of § 53.1-120, Code of Virginia, sheriffs are responsible			
21	for ensuring courtroom safety and chief judges are responsible, by agreement with the sheriff			
22	of the jurisdiction, for the designation of courtroom security deputies for their respective			
23	courts. However, unless a judge provides the sheriff with a written order stating that a			
24	substantial security risk exists in a particular case, no courtroom security deputies may be			
25	ordered by a judge for civil cases, not more than one deputy may be ordered by a judge for			
26	criminal cases in a district court, and not more than two deputies may be ordered by a judge			
27	for criminal cases in a circuit court. In complying with such orders for additional security, the			
28	sheriff may consider other deputies present in the courtroom as part of his security force.			
29	D. Should the scheduled opening date of any facility be delayed for which funds are available			
30	in this Item, the Director, Department of Planning and Budget, may allot such funds as the			
31	Compensation Board may request to allow the employment of staff for training purposes not			
32	more than 45 days prior to the rescheduled opening date for the facility.			
33	E. Consistent with the provisions of paragraph B of Item 79, the board shall allocate the			
34	additional jail deputies provided in this appropriation using a ratio of one jail deputy for every			
35	3.0 beds of operational capacity. Operational capacity shall be determined by the Department			
36	of Corrections. No additional deputy sheriffs shall be provided from this appropriation to a			
37	local jail in which the present staffing exceeds this ratio unless the jail is overcrowded.			
38	Overcrowding for these purposes shall be defined as when the average annual daily			
39	population exceeds the operational capacity. In those jails experiencing overcrowding, the			
40	board may allocate one additional jail deputy for every five average annual daily prisoners			
41	above operational capacity. Should overcrowding be reduced or eliminated in any jail, the			
42	Compensation Board shall reallocate positions previously assigned due to overcrowding to			
43	other jails in the Commonwealth that are experiencing overcrowding.			
44	F. Two-thirds of the salaries set by the Compensation Board of medical, treatment, and inmate			
45	classification positions approved by the Compensation Board for local correctional facilities			
46	shall be paid out of this appropriation.			
47	G.1. Subject to appropriations by the General Assembly for this purpose, the Compensation			
48	Board shall provide for a master deputy pay grade to those sheriffs' offices which had			
49	certified, on or before January 1, 1997, having a career development plan for deputy sheriffs			
50	that meet the minimum criteria set forth by the Compensation Board for such plans. The			
51	Compensation Board shall allow for additional grade 9 positions, at a level not to exceed one			
52	grade 9 master deputy per every five Compensation Board grade 7 and 8 deputy positions in			
53	each sheriff's office.			
54	2. Each sheriff who desires to participate in the Master Deputy Program who had not certified			
55	a career development plan on or before January 1, 1997, may elect to participate by certifying

2	the minimum criteria for such plans as set by the Compensation Board. Such election shall			
3	be made by July 1 for an effective date of participation the following July 1.			
4	3. Subject to appropriations by the General Assembly for this purpose, funding shall be			
5	provided by the Compensation Board for participation in the Master Deputy Program to			
6	sheriffs' offices electing participation after January 1, 1997, according to the date of			
7	receipt by the Compensation Board of the election by the sheriff.			
8	H. The Compensation Board shall estimate biannually the number of additional law			
9	enforcement deputies which will be needed in accordance with § 15.2-1609.1, Code of			
10	Virginia. Such estimate of the number of positions and related costs shall be included in			
11	the board's biennial budget request submission to the Governor and General Assembly.			
12	The allocation of such positions, established by the Governor and General Assembly in			
13	Item 79 of this act, shall be determined by the Compensation Board on an annual basis.			
14	The annual allocation of these positions to local sheriffs' offices shall be based upon the			
15	most recent final population estimate for the locality that is available to the Compensation			
16	Board at the time when the agency's annual budget request is completed. The source of			
17	such population estimates shall be the Weldon Cooper Center for Public Service of the			
18	University of Virginia or the United States Bureau of the Census. For the first year of the			
19	biennium, the Compensation Board shall allocate positions based upon the most recent			
20	provisional population estimates available at the time the agency's annual budget is			
21	completed.			
22	I. Any amount in the program Financial Assistance for Sheriffs' Offices and Regional Jails			
23	may be transferred between Items 72 and 73, as needed, to cover any deficits incurred in			
24	the programs Financial Assistance for Confinement of Inmates in Local and Regional			
25	Facilities, and Financial Assistance for Sheriffs' Offices and Regional Jails.			
26	J.1. Subject to appropriations by the General Assembly for this purpose, the Compensation			
27	Board shall provide for a Sheriffs' Career Development Program.			
28	2. Following receipt of a sheriff's certification that the minimum requirements of the			
29	Sheriffs' Career Development Program have been met, and provided that such certification			
30	is submitted by sheriffs as part of their annual budget request to the Compensation Board			
31	on or before February 1 of each year, the Compensation Board shall increase the annual			
32	salary shown in paragraph A of this Item by the percentage shown herein for a twelve-			
33	month period effective the following July 1.			
34	a. 9.3 percent increase for all sheriffs who certify their compliance with the established			
35	minimum criteria for the Sheriffs' Career Development Program where such criteria			
36	includes that a sheriff has achieved certification in a program agreed upon by the			
37	Compensation Board and the Virginia Sheriffs' Institute by Virginia Commonwealth			
38	University, or, where such criteria include that a sheriff's office seeking accreditation has			
39	been assessed and will be considered for accreditation by the accrediting body no later			
40	than March 1, and have achieved accreditation by March 1 from the Virginia Law			
41	Enforcement Professional Standards Commission, or the Commission on Accreditation of			
42	Law Enforcement agencies, or the American Correctional Association.			
43	3. Other constitutional officers' associations may request the General Assembly to include			
44	certification in a program agreed upon by the Compensation Board and the officers'			
45	associations by the Weldon Cooper Center for Public Service to the requirements for			
46	participation in their respective career development programs.			
47	K. Notwithstanding the provisions of Article 7, Chapter 15, Title 56, Code of Virginia,

22	2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in			
23	a local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any			
24	person convicted of a misdemeanor offense and sentenced to a term in a local correctional			
25	facility; or (c) any person convicted of a felony offense and given an effective sentence of			
26	(i) twelve months or less or (ii) less than one year.			
27	3. State responsible inmate--any person convicted of one or more felony offenses and (a)			
28	the sum of consecutive effective sentences for felonies, committed on or after January 1,			
29	1995, is (i) more than 12 months or (ii) one year or more, or (b) the sum of consecutive			
30	effective sentences for felonies, committed before January 1, 1995, is more than two			
31	years.			
32	C. The individual or entity responsible for operating any facility which receives funds			
33	from this Item may, if requested by the Department of Corrections, enter into an			
34	agreement with the department to accept the transfer of convicted felons, from other local			
35	facilities or from facilities operated by the Department of Corrections. In entering into any			
36	such agreements, or in effecting the transfer of offenders, the Department of Corrections			
37	shall consider the security requirements of transferred offenders and the capability of the			
38	local facility to maintain such offenders. For purposes of calculating the amount due each			
39	locality, all funds earned by the locality as a result of an agreement with the Department of			
40	Corrections shall be included as receipts from these appropriations.			
41	D. Out of this appropriation, an amount not to exceed \$377,010 the first year and			
42	\$377,010 the second year from the general fund, is designated to be held in reserve for			
43	unbudgeted medical expenses incurred by local correctional facilities in the care of state			
44	responsible felons.			
45	E. The following amounts shall be paid out of this appropriation to compensate localities			
46	for the cost of maintaining prisoners in local correctional facilities, as defined by § 53.1-1,			
47	Code of Virginia, or if the prisoner is not housed in a local correctional facility, in an			
48	alternative to incarceration program operated by, or under the authority of, the sheriff or			
49	jail board:			
50	1.a. For local responsible inmates--\$4 per inmate day, or, if the inmate is housed and			
51	maintained in a jail farm not under the control of the sheriff, the rate shall be \$18 per			
52	inmate day, for inmates housed through November 30, 2023.

4	2. For state responsible inmates--\$12 per inmate day through June 30, 2022, and \$15 per			
5	inmate day effective July 1, 2022.			
6	F. For the payment specified in paragraph E.1. of this Item for prisoners in alternative			
7	punishment or alternative to incarceration programs:			
8	1. Such payment is intended to be made for prisoners that would otherwise be housed in a			
9	local correctional facility. It is not intended for prisoners that would otherwise be sentenced to			
10	community service or placed on probation.			
11	2. No such payment shall be made unless the program has been approved by the Department			
12	of Corrections or the Department of Criminal Justice Services. Alternative punishment or			
13	alternative to incarceration programs, however, may include supervised work experience,			
14	treatment, and electronic monitoring programs.			
15	G.1. Except as provided for in paragraph G.2., and notwithstanding any other provisions of			
16	this Item, the Compensation Board shall provide payment to any locality with an average			
17	daily jail population of under ten in FY 1995 an inmate per diem rate of \$18 per day for local			
18	responsible inmates and \$12 per day for state responsible inmates held in these jails in lieu of			
19	personal service costs for corrections' officers.			
20	2. Any locality covered by the provisions of this paragraph shall be exempt from the			
21	provisions thereof provided that the locally elected sheriff, with the assistance of the			
22	Compensation Board, enters into good faith negotiations to house his prisoners in an existing			
23	local or regional jail. In establishing the per diem rate and capital contribution, if any, to be			
24	charged to such locality by a local or regional jail, the Compensation Board and the local			
25	sheriff or regional jail authority shall consider the operating support and capital contribution			
26	made by the Commonwealth, as required by §§ 15.2-1613, 15.2-1615.1, 53.1-80, and 53.1-81,			
27	Code of Virginia. The Compensation Board shall report periodically to the Chairs of the			
28	House Appropriations and Senate Finance and Appropriations Committees on the progress of			
29	these negotiations and may withhold the exemption granted by this paragraph if, in the board's			
30	opinion, the local sheriff fails to negotiate in good faith.			
31	H.1. The Compensation Board shall recover the state-funded costs associated with housing			
32	federal inmates, District of Columbia inmates or contract inmates from other states. The			
33	Compensation Board shall determine, by individual jail, the amount to be recovered by the			
34	Commonwealth by multiplying the jail's current inmate days for this population by the			
35	proportion of the jail's per inmate day salary funds provided by the Commonwealth, as			
36	identified in the most recent Jail Cost Report prepared by the Compensation Board. Beginning			
37	July 1, 2009, the Compensation Board shall determine, by individual jail, the amount to be			
38	recovered by the Commonwealth by multiplying the jail's current inmate days for this			
39	population by the proportion of the jail's per inmate day operating costs provided by the			
40	Commonwealth, excluding payments otherwise provided for in this Item, as identified in the			
41	most recent Jail Cost Report prepared by the Compensation Board. If a jail is not included in			
42	the most recent Jail Cost Report, the Compensation Board shall use the statewide average of			
43	per inmate day salary funds provided by the Commonwealth.			
44	2. The Compensation Board shall deduct the amount to be recovered by the Commonwealth			
45	from the facility's next quarterly per diem payment for state-responsible and local-responsible			
46	inmates. Should the next quarterly per diem payment owed the locality not be sufficient			
47	against which to net the total quarterly recovery amount, the locality shall remit the remaining			
48	amount not recovered to the Compensation Board.			
49	3. Any local or regional jail which receives funding from the Compensation Board shall give			
50	priority to the housing of local-responsible, state-responsible, and state contract inmates, in			
51	that order, as provided in paragraph H.1.			
52	4. The Compensation Board shall not provide any inmate per diem payments to any local or			
53	regional jail which holds federal inmates in excess of the number of beds contracted for with			
54	the Department of Corrections, unless the Director, Department of Corrections, certifies to the

2	facility has operational capacity built under contract with the federal government; c) the		
3	facility has received a grant from the federal government for a portion of the capital costs;		
4	or d) the facility has applied to the Department of Corrections for participation in the		
5	contract bed program with a sufficient number of beds to meet the Department of		
6	Corrections' need or ability to fund contract beds at that facility in any given fiscal year.		
7	5. The Compensation Board shall apply the cost recovery methodology set out in		
8	paragraph H.1. of this Item to any jail which holds inmates from another state on a		
9	contractual basis. However, recovery in such circumstances shall not be made for inmates		
10	held pending extradition to other states or pending transfer to the Virginia Department of		
11	Corrections.		
12	6. The provisions of this paragraph shall not apply to any local or regional jail where the		
13	cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital		
14	contribution.		
15	7. For a local or regional jail which operates bed space specifically built utilizing federal		
16	capital or grant funds for the housing of federal inmates and for which Compensation		
17	Board funding has never been authorized for staff for such bed space, the Compensation		
18	Board shall allow an exemption from the recovery provided in paragraph H.1. for a		
19	defined number of federal prisoners upon certification by the sheriff or superintendent that		
20	the federal government has paid for the construction of bed space in the facility or		
21	provided a grant for a portion of the capital cost. Such certification shall include specific		
22	funding amounts paid by the federal government, localities, and/or regional jail		
23	authorities, and the Commonwealth for the construction of bed space specifically built for		
24	the housing of federal inmates and for the construction of the jail facility in its entirety.		
25	The defined number of federal prisoners to be exempted from the recovery provided in		
26	paragraph H.1. shall be based upon the proportion of funding paid by the federal		
27	government and localities and/or regional jail authorities for the construction of bed space		
28	to house federal prisoners to the total funding paid by all sources, including the		
29	Commonwealth, for all construction costs for the jail facility in its entirety. For Western		
30	Tidewater Regional Jail, exemption from the recovery provided in paragraph H.1. shall		
31	apply to the first 76 federal inmates housed at the jail and for any inmate above 130		
32	housed at the jail at any given time.		
33	8. Beginning March 1, 2013, federal inmates placed in the custody of a regional jail		
34	pursuant to a work release program operated by the federal Bureau of Prisons shall be		
35	exempt from the recovery of costs associated with housing federal inmates pursuant to		
36	paragraph H.1. of this item if such federal inmates have been assigned by the federal		
37	Bureau of Prisons to a home electronic monitoring program in place for such inmates by		
38	agreement with the jail on or before January 1, 2012 and are not housed in the jail facility.		
39	However, no such exemption shall apply to any federal inmate while they are housed in		
40	the regional jail facility.		
41	I. Any amounts in the program Financial Assistance for Confinement of Inmates in Local		
42	and Regional Facilities, may be transferred between Items 72 and 73, as needed, to cover		
43	any deficits incurred in the programs Financial Assistance for Sheriffs' Offices and		
44	Regional Jails and Financial Assistance for Confinement of Inmates in Local and Regional		
45	Facilities.		
46	J.1. The Compensation Board shall provide an annual report on the number and diagnoses		
47	of inmates with mental illnesses in local and regional jails, the treatment services		
48	provided, and expenditures on jail mental health programs. The report shall be prepared in		
49	cooperation with the Virginia Sheriffs Association, the Virginia Association of Regional		
50	Jails, the Virginia Association of Community Services Boards, and the Department of		
51	Behavioral Health and Developmental Services, and shall be coordinated with the data		
52	submissions required for the annual jail cost report. Copies of this report shall be provided		
53	by November 1 of each year to the Governor, Director, Department of Planning and		
54	Budget, and the Chairs of the Senate Finance and Appropriations and House		
55	Appropriations Committees.		
56	2. Whenever a person is admitted to a local or regional correctional facility, the staff of the		
57	facility shall screen such person for mental illness using a scientifically validated

6	K. Out of the amounts appropriated in this item, \$215,939 the first year and \$215,939 the			
7	second year from the general fund is provided for the purpose of reimbursing the County of			
8	Nottoway for the expense of confining residents of the Virginia Center for Behavioral			
9	Rehabilitation arrested for new offenses and held in Piedmont Regional Jail at the expense of			
10	the County. Reimbursements by the Board are to be made quarterly, and shall be equal to			
11	demonstrated costs incurred by the County of Nottoway for confinement of these individuals,			
12	and shall not exceed the amounts provided in this paragraph for each fiscal year.			
13	Demonstrated costs may include expenses incurred in the last month of the prior fiscal year if			
14	not previously reimbursed. The County of Nottoway, the Virginia Center for Behavioral			
15	Rehabilitation, and Piedmont Regional Jail shall upon request provide the Compensation			
16	Board any information and assistance it determines is necessary to calculate amounts to be

25	Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of			
26	Assembly, are continued under the provisions of this act. The Commonwealth's attorneys			
27	receiving such positions shall annually certify to the Compensation Board that the			
28	positions are used primarily, if not exclusively, for the prosecution of delinquency and			
29	domestic relations felony cases, as defined by Chapters 912 and 924. In the event the			
30	positions are not primarily or exclusively used for the prosecution of delinquency and			
31	domestic relations felony cases, the Compensation Board shall reallocate such positions			
32	by using the allocation provisions as provided for the board in Item 74 E of Chapters 912			
33	and 924.			
34	F. The Compensation Board shall monitor the Department of Taxation program regarding			
35	the collection of unpaid fines and court costs by private debt collection firms contracted			
36	by Commonwealth's attorneys and shall include, in its annual report to the General			
37	Assembly on the collection of court-ordered fines and fees for clerks of the courts and			
38	Commonwealth's attorneys, the amount of unpaid fines and costs collected by this			
39	program.			
40	G. Out of this appropriation, \$389,165 the first year and \$389,165 the second year from			
41	the general fund is designated for the Compensation Board to fund five additional			
42	positions in Commonwealth's attorney's offices that shall be dedicated to prosecuting			
43	gang-related criminal activities. The board shall ensure that these positions work across			
44	jurisdictional lines, serving the Northern Virginia area (counties of Fairfax, Loudoun,			
45	Prince William, and Arlington) and the cities of Falls Church, Alexandria, Manassas,			
46	Manassas Park and Fairfax).			
47	H. In accordance with the provisions of § 19.2-349, Code of Virginia, attorneys for the			
48	Commonwealth may employ individuals, or contract with private attorneys, private			
49	collection agencies, or other state or local agencies, to assist in collection of delinquent			
50	fines, costs, forfeitures, penalties, and restitution. If the attorney for the Commonwealth			
51	employs individuals, the costs associated with employing such individuals may be paid			
52	from the proceeds of the amounts collected provided that the cost is apportioned on a pro			
53	rata basis according to the amount collected which is due the state and that which is due			
54	the locality. If the attorney for the Commonwealth does not undertake collection, the			
55	attorney for the Commonwealth shall, as soon as practicable, take steps to ensure that any			
56	agreement or contract with an individual, attorney or agency complies with the terms of			
57	the current Master Guidelines Governing Collection of Unpaid Delinquent Court-Ordered

1	Fines and Costs Pursuant to Virginia Code § 19.2-349 promulgated by the Office of the				
2	Attorney General, the Executive Secretary of the Supreme Court, the Department of Taxation,				
3	and the Compensation Board ("the Master Guidelines"). Notwithstanding any other provision				
4	of law, the delinquent amounts owed shall be increased by seventeen (17) percent to help				
5	offset the costs associated with employing such individuals or contracting with such agencies				
6	or individuals. If such increase would exceed the contracted collection agent's fee, then the				
7	delinquent amount owed shall be increased by the percentage or amount of the collection				
8	agent's fee. Effective July 1, 2015, as provided in § 19.2-349, Code of Virginia, treasurers not				
9	being compensated on a contingency basis as of January 1, 2015 shall be prohibited from				
10	being compensated on a contingency basis but shall instead be compensated for				
11	administrative costs pursuant to § 58.1-3958, Code of Virginia. Treasurers currently				
12	collecting a contingency fee shall be eligible to contract on a contingency fee basis. Effective				
13	July 1, 2015, any treasurer collecting a contingency fee shall retain only the expenses of				
14	collection, and the excess collection shall be divided between the state and the locality in the				
15	same manner as if the collection had been done by the attorney for the Commonwealth. The				
16	attorneys for the Commonwealth shall account for the amounts collected and the fees and				
17	costs associated with the collections consistent with procedures issued by the Auditor of				
18	Public Accounts.				
19	I. Notwithstanding the provisions of Article 7, Chapter 4, Title 38, Code of Virginia,				
20	beginning July 1, 2018, \$600,000 each year from the Insurance Fraud Fund is included in this				
21	appropriation to fund multi-jurisdictional Assistant Commonwealth's Attorney positions that				
22	shall be dedicated to prosecuting insurance fraud and related criminal activities. The				
23	Department of State Police shall identify those jurisdictions most affected by insurance fraud				
24	based upon data provided by the Virginia State Police Insurance Fraud Program. The Virginia				
25	State Police Insurance Fraud Program shall ensure that these positions work across				
26	jurisdictional lines, serving jurisdictions identified as most in need of these resources as				
27	supported by data. These funds shall remain unallocated until the Compensation Board and				
28	Virginia State Police notify the Director of the Department of Planning and Budget of the				
29	joint agreements reached with the Commonwealth's Attorneys of the jurisdictions receiving				
30	the additional Assistant Commonwealth's Attorney positions and the jurisdictions to be served				
31	by these positions. The Commonwealth's Attorneys receiving such positions shall annually				
32	certify to the Compensation Board that these positions are used primarily, if not exclusively,				
33	for the prosecution of insurance fraud and related criminal activities.				
34	J. The appropriations in this item includes \$1,433,928 the first year and \$1,433,928 the second				
35	year from the general fund to fund approximately twenty-five percent of the unfunded				
36	positions needed based on the fiscal year 2020 staffing standards calculation.				
37	K. Any locality in the Commonwealth that employs the use of body worn cameras for its law				
38	enforcement officers shall be required to establish and fund one full-time equivalent entry-				
39	level Assistant Commonwealth's Attorney, at a salary no less than that established by the				
40	Compensation Board for an entry-level Commonwealth's Attorney, at a rate of one Assistant				
41	Commonwealth's Attorney for up to 75 body worn cameras employed for use by local law				
42	enforcement officers, and one Assistant Commonwealth's Attorney for every 75 body worn				
43	cameras employed for use by local law enforcement officers, thereafter. However, with the				
44	consent of the Commonwealth's Attorney, a locality may provide their Commonwealth's				
45	Attorney's office with additional funding, using a different formula than stated above, as				
46	needed to accommodate the additional workload resulting from the requirement to review,				
47	redact and present footage from body worn cameras. If, as of July 1, 2019, a locality is				
48	providing additional funding to the Commonwealth's Attorney's office specifically to address				
49	the staffing and workload impact of the implementation of body worn cameras on that office,				
50	that additional funding shall be credited to the formula used in that locality. Any agreed upon				
51	funding formula between the impacted Commonwealth's Attorney and the locality employing				
52	body worn cameras shall be filed with the Compensation Board by July 1 of each year and				
53	shall remain in effect unless modified by the agreement of both parties until June 30th of the				
54	following year. The term "locality" means every county or independent city with an Attorney				
55	for the Commonwealth. The term "employed for use" includes all body worn cameras				
56	maintained by the law enforcement agency or agencies of that locality, regardless of any				
57	temporary inoperability.				
58	L. Included in this appropriation is \$93,200 the first year and \$93,200 the second year from				
59	the general fund to support the costs of converting the Commonwealth's Attorney's office in

2	4. In any county or city operating under provisions of law which authorizes the governing			
3	body to fix the compensation of the clerk on a salary basis, such clerk shall receive such			
4	salary as shall be allowed by the governing body. Such salary shall not be fixed at an amount			
5	less than the amount that would be allowed the clerk under paragraphs A 1 through A 3 of this			
6	Item.			
7	5. All clerks shall deposit all clerks' fees and state revenue with the State Treasurer in a

9	Compensation Board as set forth in § 17.1-284, Code of Virginia or otherwise provided by

20	C. Each clerk of the circuit court shall submit to the Compensation Board a copy of the report

2	3. The board is authorized to adjust the expenses and other allowances for such officers to

43	exception has been granted as provided for in Item 400 of this act.			
44	I. Subject to appropriations by the General Assembly for this purpose, the Compensation

8	2. Local and regional jails and jail farms and local governments receiving funds from the			
9	Compensation Board shall, as a condition of receiving such funds, provide such			
10	information as may be required by the Compensation Board, necessary to prepare the			
11	annual jail cost report.			
12	3. If any sheriff, superintendent, county administrator, or city manager fails to send such			
13	information within five working days after the information should be forwarded, the			
14	Chairman of the Compensation Board shall notify the sheriff, superintendent, county			
15	administrator or city manager of such failure. If the information is not provided within ten			
16	working days from that date, then the chairman shall cause the information to be prepared

25	Board shall provide funding from Items 72, 75, 76, 77, and 78 of this act, consistent with			
26	the requirements of § 15.2-1302, Code of Virginia. Notwithstanding the provisions of

29	consolidation shall be first reallocated in accordance with Compensation Board staffing			
30	standards to the constitutional officers in the county in which the town is situated or to the			
31	consolidated city, without regard to the Compensation Board's priority of need ranking for			
32	reallocated positions. The salary and fringe benefit costs for these positions shall be			
33	deducted from any amounts due the county or to the consolidated city, as provided in §			
34	15.2-1302, Code of Virginia.			
35	M. Notwithstanding any other provisions of § 15.2-1605, Code of Virginia, the			
36	Compensation Board shall provide no reimbursement for accumulated vacation time for			
37	employees of Constitutional Officers.			
38	N. The Compensation Board is hereby authorized to deduct, from reimbursements made			
39	each year to localities out of the amounts in Items 72, 74, 75, 76, 77, and 78 of this act, an			
40	amount equal to 100 percent of each locality's share of the insurance premium paid by the			
41	Compensation Board on behalf of the constitutional officers, directors of finance, and			
42	regional jails. From sheriffs and regional jails, the Compensation Board shall deduct an			
43	additional \$80,000 each year for the costs of conducting training on managing risk in the			
44	operation of local and regional jails.			
45	O. Effective July 1, 2007, the Compensation Board is authorized to withhold			
46	reimbursements due the locality for sheriff and jail expenses upon notification from the			
47	Superintendent of State Police that there is reason to believe that crime data reported by a			
48	locality to the Department of State Police in accordance with § 52-28, Code of Virginia, is			
49	missing, incomplete or incorrect. Upon subsequent notification by the Superintendent that			
50	the data is accurate, the Compensation Board shall make reimbursement of withheld			
51	funding due the locality when such corrections are made within the same fiscal year that			
52	funds have been withheld.			
53	P. Notwithstanding the provisions of § 51.1-1403 A, Code of Virginia, the Compensation			
54	Board is hereby authorized to deduct, from reimbursements made each year to localities			
55	out of the amounts in Items 72, 74, 75, 76, 77, and 78 of this act, an amount equal to each

5	facility as set by the Board of the Virginia Retirement System or (b) the employer rate				
6	established for the general classified workforce of the Commonwealth covered under and				
7	payable to the Virginia Retirement System.				
8	2. The rate specified in paragraph Q.1. shall exclude the cost of any early retirement program				
9	implemented by the Commonwealth.				
10	3. Any employer paid contribution costs for rates exceeding those specified in paragraph Q.1.				
11	shall be borne by the employer.				
12	4. The benefits rate reimbursed by the Compensation Board to localities and regional jails				
13	shall not exceed the rate identified for fiscal year 2011 in Chapter 890, Item 469, paragraph				
14	I.1.				
15	R. Localities shall not utilize Compensation Board funding to supplant local funds provided				
16	for the salaries of constitutional officers and their employees under the provisions of Chapter				
17	822, 2012 Acts of Assembly, who were affected members in service on June 30, 2012.				
18	S. Effective July 1, 2016, the Compensation Board is authorized to withhold reimbursements				
19	due to the locality for sheriff's law enforcement expenses if the sheriff fails to certify to the				
20	Board that the sheriff's office is compliant with the sex offender registration requirements of §				
21	9.1-903, Code of Virginia. Upon subsequent certification by the sheriff that the sheriff's office				
22	is compliant with the sex offender registration requirements of § 9.1-903, Code of Virginia,				
23	the Compensation Board shall make reimbursement of withheld funding due to the locality				
24	when such subsequent certification is made within the same fiscal year that funds have been				
25	withheld.				
26	T.1. Consistent with the provisions of Chapter 198 of the 2017 Session of the General				
27	Assembly, the Executive Secretary of the State Compensation Board shall implement the				
28	recommendations relating to the State Compensation Board made by the Department of				
29	Medical Assistance Services in its November 30, 2017 report on streamlining the Medicaid				
30	application and enrollment process for incarcerated individuals.				
31	U.1. The Compensation Board shall work with the Virginia Association of Commonwealth's				
32	Attorneys to examine the staffing standards used to determine and distribute funding and				
33	positions allocated to Commonwealth's Attorney's offices, including the use of diversion				
34	programs, specialty dockets, and other programs that incentivize best practices and improved				
35	outcomes as part of overall criminal justice reform efforts, rather than the current practice				
36	which relies solely on metrics related to felony charges and convictions. The examination				
37	shall identify funding needs to support staffing for statutorily prescribed duties while also				
38	identifying funding needs for participation in special programs, discretionary duties, and				
39	current local supplemental funds allocated. To assist in this goal, the Compensation Board				
40	shall contract with the National Center for State Courts to perform a time study as to the				
41	comprehensive duties and responsibilities of Commonwealth's Attorneys' offices including,				
42	but not limited to, "in-court" obligations, the use of diversion programs and specialty dockets,				
43	expungement/rights restoration volume as well as other obligations reflected in the Code of				
44	Virginia (e.g. duties prescribed under §15.2-1627, et seq). The Compensation Board shall				
45	develop a revised staffing standard for Commonwealth's Attorney's offices based on the				
46	results of the study that expands the current model focused on felony charges and convictions				
47	and accounts for the use of diversion programs, specialty dockets, and other programs. All				
48	Commonwealth's Attorneys shall participate in the study as needed and identified by the				
49	Compensation Board and the National Center for State Courts.				
50	2. The Compensation Board shall deliver a report containing the results of the study,

1	2. The department shall develop appropriate criteria and guidelines for the use of the funding			
2	provided to the Virginia Telecommunication Initiative. Such criteria and guidelines shall: (i)			
3	facilitate the extension of broadband networks by the private sector and shall focus on

7	(iv) consider the number of locations where the applicant states that service will be made

9	and in establishing completion and accountability requirements; and, (v) require investment			
10	from the private sector partner in the project prior to making any award from the fund at an			
11	appropriate level determined by the department. The department shall encourage additional			
12	assistance from the local governments in areas designated to receive funds to lower the			
13	overall cost and further assist in the timely completion of construction, including assistance			
14	with permits, rights of way, easement and other issues that may hinder or delay timely			
15	construction and increase the cost.			
16	3. The department shall post electronic copies of all submitted applications to the department's			
17	website after the deadline for application submissions has passed but before project approval,			
18	and shall establish a process for providers to challenge applications where providers assert the			
19	proposed area is served by another broadband provider.			
20	4. The department shall consult with the Broadband Advisory Council to designate the			
21	unserved areas to receive funds.			
22	5. Notwithstanding the foregoing, the department shall allow public broadband authorities to

34	Year 2022. To the extent possible, the annual performance report shall contain information by			
35	grant recipient and year on the following metrics: (1) Number of passings; (2) Grant dollars			
36	expended by fund source (State and Local Recovery Fund, Capital Project Fund, general fund			
37	state grants and match); (3) Contract performance period, and on-time progress towards			
38	project delivery; (4) Maximum advertised project speeds available; and, (5) Achievement of			
39	key project milestones. The annual performance report shall include an evaluation of any			
40	projects under risk of incompleteness or underperformance. The Department of Housing and			
41	Community Development shall develop a public facing dashboard to be updated quarterly that			
42	contains key performance information by grant recipient and year, and includes the key			
43	performance indicators outlined above. Information in this public facing tool shall contain			
44	data beginning with grants awarded in the fiscal year 2022 Virginia Telecommunications			
45	Initiative grant cycle, and any future VATI grant cycles.

54	2. Of the amounts provided in this paragraph, the appropriation shall be distributed as follows:			
55	(i) \$2,250,000 the first year and \$2,250,000 the second year from the general fund shall be

5	the general fund shall be awarded to regional councils on a competitive basis.			
6	3. The Virginia Growth and Opportunity Board may allocate monies among the			
7	distributions outlined in paragraph N.2. of this item to meet demonstrated demand for			
8	funds. However, only those regional councils whose allocation is less than \$1,000,000 in a			
9	fiscal year based on the region's share of state population shall be eligible to receive an			
10	additional allocation, and the amount shall be limited such that the total allocation does			
11	not exceed \$1,000,000 in a fiscal year.			
12	4. The Virginia Growth and Opportunity Board may approve grants for assessments of			
13	commercial economic development demand and current access, and to advance the			
14	planning and engineering of broadband infrastructure that are aligned with the framework			
15	recommended by the working group, established in Chapter 2, 2018 Special Session I,

20	5. The Virginia Growth and Opportunity Board may rescind funds allocated to regional			
21	councils on a per capita basis, if the unobligated balances of a regional council exceeds its			
22	average annual per capita distribution award. Any funds rescinded pursuant to this			
23	paragraph shall be retained in the Virginia Growth and Opportunity Fund (09272) and			
24	may be used by the Virginia Growth and Opportunity Board for grant awards to			
25	competitive projects. The Department shall notify the Chairs of the House Appropriations

27	Virginia Growth and Opportunity Board to rescind regional per capital allocations. The			
28	regional council, the amount, and reason for unused funds shall be included in such notice.			
29	6.a. The department shall report one month after the close of each calendar quarter to the			
30	Governor and the Chairs of the House Appropriations and Senate Finance and			
31	Appropriations Committees on grant awards and expenditures from the Virginia Growth			
32	and Opportunity Fund. The report shall include, but not be limited to, total appropriations			
33	made or transferred to the fund, total grants awarded, total expenditures from the fund,			
34	total per capita allocations rescinded and repurposed to competitive awards, cash balances,			
35	and balances available for future commitments. The report shall further summarize such			
36	amounts by the allocations provided in paragraph N.2. of this item, including amounts			
37	allocated to support organizational and capacity building activities, amounts allocated to			
38	regional councils based on each region's share of the state population, and amounts to be			
39	awarded on a competitive basis by fiscal year. The report shall include details on the cash			
40	balances available in the Virginia Growth and Opportunity Fund including the unobligated			
41	balances by the per capita allocation and competitive allocation of paragraph N.2., which			
42	shall be further disaggregated by fiscal year and regional council, as appropriate.			
43	b. The department shall report at the close of each fiscal year to the Governor and the			
44	Chairs of the House Appropriations and Senate Finance and Appropriations Committees			
45	on the outcomes associated with closed projects that received a grant from the Virginia			
46	Growth and Opportunity Fund. This report shall include itemized information that details

5	Chief Advisor shall provide the initial map by July 1, 2022, or as soon as practicable, and			
6	shall update the map at least annually.			
7	2. Broadband service providers shall be required to submit updated service territory data to			
8	the department annually. The department shall establish a process, timeline, and specific data			
9	requirements for broadband providers to submit their data. All public bodies shall cooperate			
10	with the department, or any agent thereof, to furnish data requested by the Department for the			
11	initial improvement and maintenance of the map.			
12	3. In no instance may the department require broadband providers to submit any data, in either			
13	substantive content or form, beyond that which the provider is required to submit to the			
14	Federal Communications Commission pursuant to the federal Broadband Deployment			
15	Accuracy and Technological Availability Act, 47 U.S.C. § 641 et. seq., provided, however,			
16	that satellite-based broadband providers that have been designated as an eligible			
17	telecommunications carrier pursuant to 47 U.S.C. § 214(e)(6) for any portion of the			
18	Commonwealth shall be required to submit comparable data as other broadband providers.			
19	Public bodies and broadband providers shall not be required to submit any customer			
20	information, such as names, addresses, or account numbers.			
21	4. The department may publish only anonymized versions of the map, showing locations			
22	served and unserved by broadband without reference to any specific provider. The map shall			
23	not include information regarding ownership or control over the network or networks			
24	providing service. The department shall establish a process for broadband providers to			
25	petition the Department to correct inaccuracies in the map. Any determination made by the			
26	department pursuant to any specific petition with respect to any specific map to correct			
27	inaccuracies shall be final and not subject to further review.			
28	5. Maps published by the department pursuant to this section may be considered, but shall not			
29	be considered conclusive, for purposes of determining eligibility for funding for			
30	Commonwealth broadband expansion grant or loan programs, including the Virginia			
31	Telecommunication Initiative, or challenges thereto.			
32	6. The department: (i) may contract with private parties to make the necessary improvements			
33	to the existing map and to maintain the map. Such private parties may include any entities and			
34	individuals selected by the department to assist the department in improving and maintaining			
35	such a map; (ii) shall consult existing broadband maps, particularly those published by the			
36	Federal Communications Commission; and (iii) may acquire existing, privately held data or			
37	mapping information that may contribute to the accuracy of the map.			
38	7. Information submitted by a broadband provider in connection with this section shall be			
39	excluded from the requirements of the Virginia Freedom of Information Act (§ 2.2-3700 et

41	solely for the purposes stated under this section and shall not be released by the department,			
42	or any other public records custodian, without the express written permission of the			
43	submitting broadband provider.			
44	8. The department shall annually evaluate federal mapping data and shall waive the			
45	requirement for broadband providers to submit territory data if a map of near identical or			
46	greater quality is made publicly available by the Federal Communications Commission as part			
47	of the federal Digital Opportunity Data Collection program or its successor. This waiver shall			
48	not be unreasonably withheld.			
49	9. For the purposes of the initiative outlined in paragraph P. of this item, "Broadband" means

10	development and supports for teachers of children with special needs.			
11	J. Out of this appropriation, \$805,600 the first year and \$1,047,000 the second year from the			
12	general fund is provided to ensure that select publicly-funded early childhood programs,			
13	including Virginia Preschool Initiative programs, have the quality of their teacher-child

15	instrument using the CLASS observational instrument for such assessment. These			
16	observations shall be used to verify accuracy and maintain reliability of the measurements			
17	required within Virginia's Unified Measurement and Improvement System, known as VQB5,

19	K. 1. The Department of Education and the Department of Social Services shall determine the			
20	amount of nongeneral funds to be transferred to the Department of Social Services to address			
21	costs associated with administration of the Child Care and Development Fund each year.			
22	2. The Department of Social Services and the Department of Education shall ensure that the

25	TANF, and Child Care Development Fund (CCDF) grant dollars. The amount of needed			
26	CCDF dollars identified in the Memorandum of Agreement between the agencies shall be			
27	transferred from the Department of Education to the Department of Social Services within the			
28	first thirty days of the fiscal year. The Department of Social Services shall notify the			
29	Department of Education of the required amount of the next fiscal year transfer upon the			
30	enrollment of the budget. This amount shall reflect the need identified in the official forecast			
31	as well as changes resulting from actions in the final budget.			
32	L. The Department of Education, in collaboration with the Department of Social Services,			
33	shall prepare an annual Child Care and Development Fund (CCDF) report that reflects all			
34	CCDF expenditures from the previous fiscal year, current grant balances and obligation and			
35	liquidation deadlines, as well as all anticipated spending for the current and two subsequent			
36	fiscal years. Identified spending should, at a minimum, be broken down by subsidies			
37	(mandated and discretionary), administrative costs, and quality efforts. The plan also shall			
38	include a certification from the Department that the maximum amount of federal funds were			
39	drawn down in the preceding fiscal year. Should the Department be unable to certify that			
40	maximum federal funds were drawn down, the Department shall identify strategies for			
41	Virginia to obtain the maximum amount of federal funds in the following fiscal year(s) as part			
42	of this plan. In addition, this plan should report, by locality, the number of subsidies			
43	(mandated and discretionary) provided, number of providers receiving CCDF dollars, the			
44	overall number of child care providers, and the waitlist for services. This information should			
45	be provided the previous fiscal year, current fiscal year, and two subsequent fiscal years. The			
46	plan shall also include an appendix with the most recently completed CCDF annual report as			
47	required by the federal Office of Child Care. The department shall submit the report by			
48	October 1 of each year to the Governor and the Chairs of the House Appropriations and			
49	Senate Finance and Appropriations Committees. In addition, the department shall post this			
50	report on its website along with any reports from previous fiscal years.			
51	M. Notwithstanding any other provision of law, the Department of Education shall have			
52	temporary authority to make any changes to the Child Care and Development Fund (CCDF)			
53	State Plan, request waivers from the federal Office of Child Care, change eligibility criteria			
54	for benefits and services, and payment levels for the Child Care Subsidy Program in response			
55	to the COVID-19 pandemic and new authorities and funding made available by the federal			
56	government to effect those policies necessary to ensure that benefits are available to eligible			
57	populations in response to COVID-19. Prior to the implementation of any change, the			
58	Department of Education must receive written approval from the Governor. Within 15 days of

2	a list of such actions to the Director of the Department of Planning and Budget and the			
3	Chairs of the House Appropriations and Senate Finance and Appropriations Committees.			
4	N. The Department of Education shall convene a work group of early childhood care and			
5	education advocates and appropriate subject matter experts to develop recommendations			
6	for the use of marijuana tax revenues, collected pursuant to § 4.1-614, Code of Virginia, in			
7	combination with other state and federal resources, to maximize access to pre-			
8	kindergarten programs for three- and four-year old children. The work group shall			
9	explore: 1) the current early childhood care and education funding landscape in Virginia;			
10	2) the available literature and data to assess the impact of incorporating pre-kindergarten			
11	into Virginia's public school funding formula; 3) best practices in other states and			
12	localities that could be replicated in Virginia; 4) and the potential impact of different pre-			
13	kindergarten funding mechanisms on the cost and availability of child care for infants and			
14	toddlers. The work group shall identify: 1) any changes to laws, regulations, and policies			
15	required to implement the recommendations; 2) features of existing local, regional, and			
16	state governance structures that may need to be updated, changed or strengthened to			
17	support the equitable allocation and dissemination of mixed-delivery pre-kindergarten			
18	funds; and 3) potential needs for policy changes or redistribution of federal funds to offset			
19	or mitigate potential impacts to the cost and availability of child care for infants and			
20	toddlers. The Department of Education shall submit a report of the work group's findings			
21	and recommendations to the Governor and the Chairs of the House Appropriations and			
22	Senate Finance and Appropriations Committees by October 1, 2023.			
23	O. The Department of Education shall develop a methodology to estimate the actual cost			
24	of providing high-quality early childhood care and education services in community-based			
25	settings. Such methodology shall meet the requirements set forth by the Administration for			
26	Children and Families, U.S. Department of Health and Human Services, for alternative			
27	methodologies to market rate surveys. The Department shall summarize the methodology			
28	in a report to the Governor and the Chairs of the House Appropriations and Senate			
29	Finance and Appropriations Committees by December 31, 2022.			
30	P. Notwithstanding 8VAC-20-790, the Department of Education shall not set a limit on			
31	the duration of time that families may participate in the Child Care Subsidy Program,			
32	subject to available funds.			
33	Q. Notwithstanding 8VAC-20-790, the Department of Education shall increase			
34	participation in the Child Care Subsidy Program among families and providers using non-			
35	general funds by: 1) making child care assistance available to parents or guardians who			
36	are searching for work; 2) piloting the use of categorical eligibility for families with young			
37	children participating in Medicaid and WIC; 3) issuing payments to Child Care Subsidy			
38	Program vendors for authorized enrollment, subject to the attendance threshold established			
39	by the Department of Education; 4) issuing payments to providers for up to 15 days of			
40	planned closure for all vendors in the Child Care Subsidy Program for holidays, vacations,			
41	and professional development or planning time; 5) issuing payments to family day homes			
42	in the Child Care Subsidy program for up to three sick days to care for themselves or a			
43	family member; 6) increasing provider payment rates based on the cost methodology			
44	developed by the Department in its Child Care Cost Estimation Report; 7) ensuring that			
45	Child Care Subsidy Program vendor payment rates for infants and toddlers fully reflect the			
46	cost of care; 8) eliminating copayments for families at or below 100 percent of the federal			
47	poverty guidelines and reducing copayments for families above 100 percent of the federal			
48	poverty guidelines; 9) maximizing federal Child Care Development Funds to eliminate the			
49	waitlist for child care subsidy assistance; and 10) making all families eligible for			
50	assistance through the Child Care Subsidy Program for each child in the family who is			
51	under the age of 13 for as long as (i) the family's income does not exceed 85% of the state			
52	median income; (ii) the family includes at least one child who is five years of age or			
53	younger and has not started kindergarten; and (iii) the family meets all other eligibility			
54	requirements of the Child Care Subsidy Program. These expanded allowances for families			
55	and providers under the Child Care Subsidy Program are effective only in state FY 2023			
56	and state FY 2024. In the Department of Education's October 1 annual Child Care			
57	Development Fund report, required by paragraph L. of this Item, the Department shall

14	the Department of Education by the responsible source agencies no later than November			
15	15, 2021.			
16	b. For any locality whose total calendar year 2019 Virginia Adjusted Gross Income is			
17	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident			
18	income shall be excluded in computing the composite index of ability-to-pay. The			
19	Department of Education shall compute the composite index for such localities by using			
20	adjusted gross income data which exclude nonresident income, but shall not adjust the			
21	composite index of any other localities. The Department of Taxation shall furnish to the			
22	Department of Education such data as are necessary to implement this provision.			
23	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional			
24	state funding for future consolidations shall be as set forth in future Appropriation Acts.			
25	2) In the case of the consolidation of Bedford County and Bedford City school divisions,			
26	the fifteen year period for the application of a new composite shall apply beginning with			
27	the fiscal year that starts on July 1, 2013. The composite index established by the Board of			
28	Education shall equal the lowest composite index that was in effect prior to July 1, 2013,			
29	of any individual localities involved in such consolidation, and this index shall remain in			
30	effect for a period of fifteen years, unless a lower composite index is calculated for the			
31	combined division through the process for computing an index as set forth above.			
32	3) If the composite index of a consolidated school division is reduced during the course of			
33	the fifteen year period to a level that would entitle the school division to a lower interest			
34	rate for a Literary Fund loan than it received when the loan was originally released, the			
35	Board of Education shall reduce the interest rate of such loan for the remainder of the			
36	period of the loan. Such reduction shall be based on the interest rate that would apply at			
37	the time of such adjustment. This rate shall remain in effect for the duration of the loan			
38	and shall apply only to those years remaining to be paid.			
39	d. When it is determined that a substantial error exists in a constituent index element, the			
40	Department of Education will make adjustments in funding for the current school year			
41	only in the division where the error occurred. The composite index of any other locality			
42	shall not be changed as a result of the adjustment. No adjustment during the biennium will			
43	be made as a result of updating of data used in a constituent index element.			
44	e. In the event that any school division consolidates two or more small schools, the			
45	division shall continue to receive Standards of Quality funding and provide for the			
46	required local expenditure for a period of five years as if the schools had not been			
47	consolidated. Small schools are defined as any elementary, middle, or high school with			
48	enrollment below 200, 300 and 400 students, respectively.			
49	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based			
50	on the composite index of local ability-to-pay of the cost required by all the Standards of			
51	Quality minus its estimated revenues from the state sales and use tax dedicated to public			
52	education, those sales tax revenues transferred to the general fund from the Public			
53	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and the			
54	amounts distributed in Item 137.C.5.b.2 for fiscal year 2023 and fiscal year 2024 and			
55	appropriated in this Item, which are returned on the basis of the latest yearly estimate of			
56	school age population provided by the Weldon Cooper Center for Public Service, as			
57	specified in this Item, collected by the Department of Education and distributed to school

1	divisions in the fiscal year in which the school year begins.			
2	6. "Required Local Match" - The locality's required share of program cost based on the			
3	composite index of local ability-to-pay for all Lottery and Incentive programs, where			
4	required, in which the school division has elected to participate in a fiscal year. Amounts			
5	distributed as the Supplemental General Fund Payment in Lieu of Sales Tax on Food and			
6	Personal Hygiene Products, in Item 137.C.5.b.2, require no local match.			
7	7. "Planning District Eight" - The nine localities which comprise Planning District Eight are			
8	Arlington County, Fairfax County, Loudoun County, Prince William County, Alexandria			
9	City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.			
10	8. "State Share of the Standards of Quality" - The state share of the Standards of Quality			
11	(SOQ) shall be equal to the total funded SOQ cost for a school division less the school			
12	division's estimated revenues from the state sales and use tax dedicated to public education			
13	and the amounts distributed in Item 137.C.5.b.2 for fiscal year 2023 and fiscal year 2024			
14	based on the latest yearly estimate of school age population provided by the Weldon Cooper			
15	Center for Public Service, adjusted for the state's share of the composite index of local ability			
16	to pay.			
17	9. Entitlements under this Item that use school-level or division-level Free Lunch eligibility			
18	percentages to determine the entitlement amounts are based on the most recent data available			
19	as of the biennial rebenchmarking calculations made for the current biennium. For schools			
20	that participate in the Community Eligibility Provision program, such entitlements are based			
21	on the most recent Free Lunch eligibility data available prior to that school's enrollment in the			
22	Community Eligibility Provision program.			
23	10. In the event that the general fund appropriations in this Item are not sufficient to meet the			
24	entitlements payable to school divisions pursuant to the provisions of this Item, the			
25	Department of Education is authorized to transfer any available general fund funds between			
26	these Items to address such insufficiencies. If the total general fund appropriations after such			
27	transfers remain insufficient to meet the entitlements of any program funded with general			
28	fund dollars, the Department of Education is authorized to prorate such shortfall			
29	proportionately across all of the school divisions participating in any program where such			
30	shortfall occurred.			
31	11. The Department of Education is directed to apply a cap on inflation rates in the same			
32	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school			
33	divisions during the biennial rebenchmarking process.			
34	12. Notwithstanding any other provision in statute or in this Item, the Department of			
35	Education is directed to combine the end-of-year Average Daily Membership (ADM) for			
36	those school divisions who have partnered together as a fiscal agent division and a contractual			
37	division for the purposes of calculating prevailing costs included in the Standards of Quality			
38	(SOQ).			
39	13. Notwithstanding any other provision in statute or in this Item, the Department of			
40	Education is directed to include zeroes in the linear weighted average calculation of support			
41	non-personal costs for the purpose of calculating prevailing costs included in the Standards of			
42	Quality (SOQ).			
43	14. Notwithstanding any other provision in statute or in this Item, the Department of			
44	Education is directed to eliminate the corresponding and appropriate object code(s) related to			
45	reported travel expenditures included the linear weighted average non-personal cost			
46	calculations for the purpose of calculating prevailing costs included in the Standards of			
47	Quality (SOQ).			
48	15. Notwithstanding any other provision in statute or in this Item, the Department of			
49	Education is directed to eliminate the corresponding and appropriate object code(s) related to			
50	reported leases and rental and facility expenditures included the linear weighted average non-			
51	personal cost calculations for the purpose of calculating prevailing costs included in the			
52	Standards of Quality (SOQ).			
53	16. Notwithstanding any other provision in statute or in this Item, the Department of			
54	Education is directed to fund transportation costs using a 15 year replacement schedule, which

 2 calculating funded transportation costs included in the Standards of Quality (SOQ).

3 17. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code
 4 of Virginia, any school division that was granted a waiver regarding the opening date of
 5 the school year for the 2011-2012 school year under the good cause requirements shall
 6 continue to be granted a waiver for the 2022-2023 school year and the 2023-2024 school
 7 year.

8 **B. General Conditions**

9 1. The Standards of Quality cost in this Item related to fringe benefits shall be limited for
 10 instructional staff members to the employer's cost for a number not exceeding the number
 11 of instructional positions required by the Standards of Quality for each school division and
 12 for their salaries at the statewide prevailing salary levels as printed below.

13 Instructional Position	14 First Year Salary	15 Second Year Salary
16 Elementary Teachers	\$53,996	\$53,996
17 Elementary Assistant Principals	\$75,435	\$75,435

22 Instructional Aides	\$21,304	\$21,304

23 a.1) Payment by the state to a local school division shall be based on the state share of
 24 fringe benefit costs of 55 percent of the employer's cost distributed on the basis of the
 25 composite index.

26 2) A locality whose composite index exceeds 0.8000 shall be considered as having an
 27 index of 0.8000 for purposes of distributing fringe benefit funds under this provision.

28 3) The state payment to each school division for retirement, social security, and group life
 29 insurance costs for non-instructional personnel is included in and distributed through
 30 Basic Aid.

31 b. Payments to school divisions from this Item shall be calculated using March 31
 32 Average Daily Membership adjusted for half-day kindergarten programs.

33 c. Payments for health insurance fringe benefits are included in and distributed through
 34 Basic Aid.

35 2. Each locality shall offer a school program for all its eligible pupils which is acceptable
 36 to the Department of Education as conforming to the Standards of Quality program
 37 requirements.

38 3. In the event the statewide number of pupils in March 31 ADM results in a state share of
 39 cost exceeding the general fund appropriation in this Item, the locality's state share of
 40 Basic Aid shall be reduced proportionately so that this general fund appropriation will not
 be exceeded. In addition, the required local share of Basic Aid shall also be reduced
 proportionately to the reduction in the state's share.

41 4. The Department of Education shall make equitable adjustments in the computation of
 42 indices of wealth and in other state-funded accounts for localities affected by annexation,
 43 unless a court of competent jurisdiction makes such adjustments. However, only the
 44 indices of wealth and other state-funded accounts of localities party to the annexation will
 45 be adjusted.

46 5. In the event that the actual revenues from the state sales and use tax dedicated to public
 47 education and those sales tax revenues transferred to the general fund from the Public
 48 Education Standards of Quality/Local Real Estate Property Tax Relief Fund and
 49 appropriated in this Item (both of which are returned on the basis of the latest yearly

1	Service) for sales in the fiscal year in which the school year begins are different from the			
2	number estimated as the basis for this appropriation, the estimated state sales and use tax			
3	revenues shall not be adjusted.			
4	6. This appropriation shall be apportioned to the public schools with guidelines established by			
5	the Department of Education consistent with legislative intent as expressed in this act.			
6	7.a. Appropriations of state funds in this Item include the number of positions required by the			
7	Standards of Quality. This Item includes a minimum of 51 professional instructional positions			
8	and aide positions (C 5); Education of the Gifted, 1.0 professional instructional position (C 6);			
9	Occupational-Vocational Education Payments and Special Education Payments; a minimum			
10	of 6.0 professional instructional positions and aide positions (C 7 and C 8) for each 1,000			
11	pupils in March 31 ADM each year in support of the current Standards of Quality. Funding in			
12	support of one hour of additional instruction per day based on the percent of students eligible			
13	for the federal free lunch program with a pupil-teacher ratio range of 18:1 to 10:1, depending			
14	upon a school division's combined failure rate on the English and Math Standards of			
15	Learning, is included in Remedial Education Payments (C 9).			
16	b. No actions provided in this section signify any intent of the General Assembly to mandate			
17	an increase in the number of instructional personnel per 1,000 students above the numbers			
18	explicitly stated in the preceding paragraph.			
19	c. Appropriations in this Item include programs supported in part by transfers to the general			
20	fund from the Public Education Standards of Quality/Local Real Estate Property Tax Relief			
21	Fund pursuant to Part 3 of this Act. These transfers combined together with other			
22	appropriations from the general fund in this Item funds the state's share of the following			
23	revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of Assembly			
24	of 2004: five elementary resource teachers per 1,000 students; one support technology			
25	position per 1,000 students; one instructional technology position per 1,000 students; and a			
26	full daily planning period for teachers at the middle and high school levels in order to relieve			
27	the financial pressure these education programs place on local real estate taxes.			
28	d. To provide flexibility, school divisions may use the state and local funds for instructional			
29	technology resource teachers required by the Standards of Quality to employ a data			
30	coordinator position, an instructional technology resource teacher position, or a data			
31	coordinator/instructional resource teacher blended position. The data coordinator position is			
32	intended to serve as a resource to principals and classroom teachers in the area of data			
33	analysis and interpretation for instructional and school improvement purposes, as well as for			
34	overall data management and administration of state assessments. School divisions using			
35	these SOQ funds in this manner shall only employ instructional personnel licensed by the			
36	Board of Education.			
37	e. To provide flexibility in the provision of reading intervention services, school divisions			
38	may use the state Early Reading Intervention initiative funding provided from the Lottery			
39	Proceeds Fund and the required local matching funds to employ reading specialists to provide			
40	the required reading intervention services. School divisions using the Early Reading			
41	Intervention Initiative funds in this manner shall only employ instructional personnel licensed			
42	by the Board of Education.			
43	f. To provide flexibility in the provision of mathematics intervention services, school			
44	divisions may use the state Standards of Learning Algebra Readiness initiative funding			
45	provided from the Lottery Proceeds Fund and the required local matching funds to employ			
46	mathematics teacher specialists to provide the required mathematics intervention services.			
47	School divisions using the Standards of Learning Algebra Readiness initiative funding in this			
48	manner shall only employ instructional personnel licensed by the Board of Education.			
49	g. Notwithstanding the provisions of subsection H 1 of § 22.1-253.13:2 of the Code of			
50	Virginia, each local school board shall employ, at a minimum, one full-time principal in each			
51	elementary school.			
52	h. Notwithstanding the provisions of subsection G of § 22.1-253.13:2 of the Code of Virginia,			
53	each local school board shall employ a reading specialist for each 550 students in			
54	kindergarten through grade three. To provide flexibility, school boards may employ other			
55	staff such as reading coaches or other instructional staff who are working towards obtaining

1	the training and licensure requirements necessary to fulfill the staffing standards that			
2	become effective at the start of the 2024-2025 school year. School divisions are			
3	encouraged to deploy these positions to assist in reading instruction and intervention to			
4	students in kindergarten through sixth grade.			
5	8.a.1) Pursuant to § 22.1-97, Code of Virginia, the Department of Education is required to			
6	make calculations at the start of the school year to ensure that school divisions have			
7	appropriated adequate funds to support their estimated required local expenditure for the			
8	corresponding state fiscal year. In an effort to reduce the administrative burden on school			
9	divisions resulting from state data collections, such as the one needed to make the			
10	aforementioned calculations, the requirements of § 22.1-97, Code of Virginia, pertaining			
11	to the adequacy of estimated required local expenditures, shall be satisfied by signed			
12	certification by each division superintendent at the beginning of each school year that			
13	sufficient local funds have been budgeted to meet all state required local effort and			
14	required local match amounts. This provision shall only apply to calculations required of			
15	the Department of Education related to estimated required local expenditures and shall not			
16	pertain to the calculations associated with actual required local expenditures after the close			
17	of the school year.			
18	2) The Department of Education shall also make calculations after the close of the school			
19	year to verify that the required local effort level, based on actual March 31 Average Daily			
20	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of			
21	Education shall report annually, no later than the first day of the General Assembly			
22	session, to the House Committees on Education and Appropriations and the Senate			
23	Committees on Finance and Appropriations and Education and Health, the results of such			
24	calculations made after the close of the school year and the degree to which each school			
25	division has met, failed to meet, or surpassed its required local expenditure. The			
26	Department of Education shall specify the calculations to determine if a school division			
27	has expended its required local expenditure for the Standards of Quality. This calculation			
28	may include but is not limited to the following calculations:			
29	b. The total expenditures for operation, defined as total expenditures less all capital			
30	outlays, expenditures for debt service, facilities, non-regular day school programs (such as			
31	adult education, preschool, and non-local education programs), and any transfers to			
32	regional programs will be calculated.			
33	c. The following state funds will be deducted from the amount calculated in paragraph a.			
34	above: revenues from the state sales and use tax (returned on the basis of the latest yearly			
35	estimate of school age population provided by the Weldon Cooper Center for Public			
36	Service, as specified in this Item) for sales in the fiscal year in which the school year			
37	begins; total receipts from state funds (except state funds for non-regular day school			
38	programs and state funds used for capital or debt service purposes); and the state share of			
39	any balances carried forward from the previous fiscal year. Any qualifying state funds that			
40	remain unspent at the end of the fiscal year will be added to the amount calculated in			
41	paragraph a. above.			
42	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will			
43	also be deducted from the amount calculated in paragraph a. above. Any federal funds that			
44	remain unspent at the end of the fiscal year and any capital expenditures paid from federal			
45	funds will be added to the amount calculated in paragraph a. above.			
46	e. Tuition receipts, receipts from payments from other cities or counties, and fund			
47	transfers will also be deducted from the amount calculated in paragraph a, then			
48	f. The final amount calculated as described above must be equal to or greater than the			
49	required local expenditure defined in paragraph A. 5.			
50	g. The Department of Education shall collect the data necessary to perform the			
51	calculations of required local expenditure as required by this section.			
52	h. A locality whose expenditure in fact exceeds the required amount from local funds may			
53	not reduce its expenditures unless it first complies with all of the Standards of Quality.			
54	9.a. Any required local matching funds which a locality, as of the end of a school year, has

1	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the locality			
2	into the general fund of the state treasury. Such payments shall be made not later than the end			
3	of the school year following that in which the under expenditure occurs.			
4	b. Whenever the Department of Education has recovered funds as defined in the preceding			
5	paragraph a., the Secretary of Education is authorized to repay to the locality affected by that			
6	action, seventy-five percent (75%) of those funds upon his determination that:			
7	1) The local school board agrees to include the funds in its June 30 ending balance for the			
8	year following that in which the under expenditure occurs;			
9	2) The local governing body agrees to reappropriate the funds as a supplemental appropriation			
10	to the approved budget for the second year following that in which the under expenditure			
11	occurs, in an appropriate category as requested by the local school board, for the direct benefit			
12	of the students;			
13	3) The local school board agrees to expend these funds, over and above the funds required to			
14	meet the required local expenditure for the second year following that in which the under			
15	expenditure occurs, for a special project, the details of which must be furnished to the			
16	Department of Education for review and approval;			
17	4) The local school board agrees to submit quarterly reports to the Department of Education			
18	on the use of funds provided through this project award; and			
19	5) The local governing body and the local school board agree that the project award will be			
20	cancelled and the funds withdrawn if the above conditions have not been met as of June 30 of			
21	the second year following that in which the under expenditure occurs.			
22	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum sufficient,			
23	not to exceed 75 percent of the funds deposited in the general fund pursuant to the preceding			
24	paragraph a.			
25	10. The Department of Education shall specify the manner for collecting the required			
26	information and the method for determining if a school division has expended the local funds			
27	required to support the actual local match based on all Lottery and Incentive programs in			
28	which the school division has elected to participate. Unless specifically stated otherwise in			
29	this Item, school divisions electing to participate in any Lottery or Incentive program that			
30	requires a local funding match in order to receive state funding, shall certify to the			
31	Department of Education its intent to participate in each program by July 1 each fiscal year in			
32	a manner prescribed by the Department of Education. As part of this certification process,			
33	each division superintendent must also certify that adequate local funds have been			
34	appropriated, above the required local effort for the Standards of Quality, to support the			
35	projected required local match based on the Lottery and Incentive programs in which the			
36	school division has elected to participate. State funding for such program(s) shall not be made			
37	until such time that the school division can certify that sufficient local funding has been			
38	appropriated to meet required local match. The Department of Education shall make			
39	calculations after the close of the fiscal year to verify that the required local match was met			
40	based on the state funds that were received.			
41	11. Any sum of local matching funds for Lottery and Incentive program which a locality has			
42	not expended as of the end of a fiscal year in support of the required local match pursuant to			
43	this Item shall be paid by the locality into the general fund of the state treasury unless the			
44	carryover of those unspent funds is specifically permitted by other provisions of this act. Such			
45	payments shall be made no later than the end of the school year following that in which the			
46	under expenditure occurred.			
47	12. The Superintendent of Public Instruction shall provide a report annually, no later than the			
48	first day of the General Assembly session, on the status of teacher salaries, by local school			
49	division, to the Governor and the Chairs of the Senate Finance and Appropriations and House			
50	Appropriations Committees. In addition to information on average salaries by school division			
51	and statewide comparisons with other states, the report shall also include information on			
52	starting salaries by school division and average teacher salaries by school.			
53	13. All state and local matching funds required by the programs in this Item shall be			
54	appropriated to the budget of the local school board.

4	Chairs of the House Appropriations and Senate Finance and Appropriations Committees.			
5	In odd-numbered years, the forecast for the current and subsequent two fiscal years shall

9	15. School divisions may choose to use state payments provided for Standards of Quality			
10	Prevention, Intervention, and Remediation in both years as a block grant for remediation

12	a basis for determining funding for the program.			
13	16. Except as otherwise provided in this act, the Superintendent of Public Instruction shall			
14	provide guidelines for the distribution and expenditure of general fund appropriations and			
15	such additional federal, private and other funds as may be made available to aid in the			
16	establishment and maintenance of the public schools.			
17	17. At the Department of Education's option, fees for audio-visual services may be

21	19. Payments for accounts related to the Standards of Quality made to localities for public			
22	education from the general fund, as provided herein, shall be payable in twenty-four semi-			
23	monthly installments at the middle and end of each month.			
24	20. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
25	Department of Education shall, for purposes of calculating the state and local shares of the			
26	Standards of Quality, apportion state sales and use tax dedicated to public education and

43	22. This Item includes appropriations totaling an estimated \$784,671,715 the first year and			
44	\$764,671,715 the second year from the revenues deposited to the Lottery Proceeds Fund.			
45	These amounts are appropriated for distribution to counties, cities, and towns to support			
46	public education programs pursuant to Article X, Section 7-A Constitution of Virginia.			
47	Any county, city, or town which accepts a distribution from this fund shall provide its			
48	portion of the cost of maintaining an educational program meeting the Standards of			
49	Quality pursuant to Section 2 of Article VIII of the Constitution without the use of			
50	distributions from the fund.

2	funded programs in which the locality elected to participate in FY 2023 may carry over into			
3	FY 2024 any remaining state Direct Aid to Public Education fund balances available to help			
4	minimize any FY 2024 revenue adjustments that may occur in state funding to that locality.			
5	Localities electing to carry forward such unspent state funds must appropriate the funds to the			
6	school division for expenditure in FY 2024.			
7	b. Any locality that has met its required local effort for the Standards of Quality accounts for			
8	FY 2024 and that has met its required local match for incentive or Lottery-funded programs in			
9	which the locality elected to participate in FY 2024 may carry over into FY 2025 any			
10	remaining state Direct Aid to Public Education fund balances available to help minimize any			
11	FY 2025 revenue adjustments that may occur in state funding to that locality. Localities			
12	electing to carry forward such unspent state funds must appropriate the funds to the school			
13	division for expenditure in FY 2025.			
14	25. Localities are encouraged to allow school boards to carry over any unspent local			
15	allocations into the next fiscal year. Localities are also encouraged to provide increased			
16	flexibility to school boards by appropriating state and local funds for public education in a			
17	lump sum.			
18	26. The Department of Education shall include in the annual School Performance Report Card			
19	for school divisions the percentage of each division's annual operating budget allocated to			
20	instructional costs. For this report, the Department of Education shall establish a methodology			
21	for allocating each school division's expenditures to instructional and non-instructional costs			
22	in a manner that is consistent with the funding of the Standards of Quality as approved by the			
23	General Assembly.			
24	27. It is the intent of the General Assembly that all school divisions annually provide their			
25	employees, upon request, with a user-friendly statement of total compensation, including			
26	contract duration if less than 12 months.			
27	28. The Department of Education, in collaboration with the Virginia Community College			
28	System, will ensure that the same policies regarding the cost for dual enrollment courses held			
29	at a community college, are consistently applied to public school students and home-schooled			
30	students alike. These policies will clearly address the school division contributions and any			
31	student charges for dual enrollment courses, and will ensure that public school students and			
32	home-school students are treated in the same manner.			
33	29. Each school division shall report each year to the Department of Education the individual			
34	uses for the prior year of the following funds prescribed by this item: (i) Prevention,			
35	Intervention, and Remediation, (ii) At-Risk Add-On, and (iii) Early Reading Intervention. The			
36	Department shall prescribe the format and timeline required for the reporting of such			
37	information, which shall include, permitted categories of spending, personnel, both state and			
38	local contributions, and to the extent possible, the individual schools which these funds were			
39	expended. The Department shall compile and submit this information to the Chairs of the			
40	House Appropriations and Senate Finance and Appropriations Committees no later than the			
41	first day of the General Assembly session.			
42	30. Multidivision online providers, as defined in § 22.1-212.23, Code of Virginia, shall			
43	provide certain data as prescribed by the Department of Education related to students enrolled			
44	through a contract between such a provider and a school division, including such students			
45	who do not reside in the school division that is party to the contract. Such data shall include,			
46	but is not limited to, enrollment, which shall be disaggregated by serving school,			
47	demographics, attendance, achievement, and achievement gaps, and be transmitted in a format			
48	prescribed by the Department. The Department shall report such data annually through the			
49	School Quality Profiles in a manner that clearly disaggregates and communicates school			
50	quality information related to (i) the students that do not reside in the school division and are			
51	served through the contract, and (ii) all other students.			
52	31. Each school division shall report to the Department of Education information about pass-			
53	through federal Elementary and Secondary School Emergency Relief funds provided through			
54	the Coronavirus Aid, Relief, and Economic Security Act (P.L. 116-136), the Coronavirus			
55	Response and Relief Supplemental Appropriations Act of 2021 (P.L. 116-260) and the			
56	American Rescue Plan Act (P.L. 117-2). The Department shall prescribe the format and

2	unobligated amounts, planned uses and planned timing for the use of the remaining			
3	obligated and unobligated amounts. The Department shall compile and submit this			
4	information to the Chairs of the House Appropriations and Senate Finance and			
5	Appropriations Committees no later than September 1, 2023 and September 1, 2024.			
6	C. Apportionment			
7	1. Subject to the conditions stated in this paragraph and in paragraph B of this Item, each			
8	locality shall receive sums as listed above within this program for the basic operation cost			
9	and payments in addition to that cost. The apportionment herein directed shall be inclusive			
10	of, and without further payment by reason of, state funds for library and other teaching			
11	materials.			
12	2. School Employee Retirement Contributions			
13	a. This Item provides funds to each local school board for the state share of the employer's			
14	retirement cost incurred by it, on behalf of instructional and support personnel, for			
15	subsequent transfer to the retirement allowance account as provided by Title 51.1, Chapter			
16	1, Code of Virginia.			
17	b. Notwithstanding § 51.1-1401, Code of Virginia, the Commonwealth shall provide			
18	payments for only the state share of the Standards of Quality fringe benefit cost of the			
19	retiree health care credit. This Item includes payments in both years based on the state			
20	share of fringe benefit costs of 55 percent of the employer's cost on funded Standards of			
21	Quality instructional and support positions, distributed based on the composite index of			
22	the local ability-to-pay.			
23	3. School Employee Social Security Contributions			
24	This Item provides funds to each local school board for the state share of the employer's			
25	Social Security cost incurred by it, on behalf of the instructional personnel for subsequent			
26	transfer to the Contribution Fund pursuant to Title 51.1, Chapter 7, Code of Virginia.			
27	4. School Employee Insurance Contributions			
28	This Item provides funds to each local school board for the state share of the employer's			
29	Group Life Insurance cost incurred by it on behalf of instructional personnel who			
30	participate in group insurance under the provisions of Title 51.1, Chapter 5, Code of			
31	Virginia.			
32	5. Basic Aid Payments			
33	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is			
34	established individually for each local school division based on the number of			
35	instructional personnel required by the Standards of Quality and the statewide prevailing			
36	salary levels (adjusted in Planning District Eight for the cost of competing) as well as			
37	recognized support costs calculated on a prevailing basis for an estimated March 31 ADM.			
38	2) This appropriation includes funding to recognize the common labor market in the			
39	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.			
40	Standards of Quality salary payments for instructional and support positions in school			
41	divisions of the localities set out below have been adjusted for the equivalent portion of			
42	the Cost of Competing Adjustment (COCA) rates that are paid to local school divisions in			
43	Planning District Eight. For the counties of Stafford, Fauquier, Spotsylvania, Clarke,			
44	Warren, Frederick, and Culpeper and the Cities of Fredericksburg and Winchester, the			
45	SOQ payments for instructional and support positions have been increased by 25 percent			
46	each year of the COCA rates paid to school divisions in Planning District Eight.			
47	The support COCA rate is 18.0 percent.			
48	b. 1) The state share for a locality shall be equal to the Basic Operation Cost for that			
49	locality less the locality's estimated revenues from the state sales and use tax and the			
50	amounts distributed in Item 137.C.5.b.2 for fiscal year 2023 and fiscal year 2024 (returned			
51	on the basis of the latest yearly estimate of school age population provided by the Weldon

2	school year begins and less the required local expenditure.			
3	2) \$104,100,000 the first year and \$257,200,000 the second year from the general fund shall			
4	be distributed to localities on the basis of the latest yearly estimate of school age population			
5	provided by the Weldon Cooper Center for Public Service as specified in this item. These			
6	funds represent the reduction to divisions from the exemption of the state sales and use tax on			
7	food for human consumption and essential personal hygiene products.			
8	c. For the purpose of this paragraph, the Department of Taxation's fiscal year sales and use tax			
9	estimates are as cited in this Item.			
10	d. 1) In accordance with the provisions of § 37.2-713, Code of Virginia, the Department of			
11	Education shall deduct the locality's share for the education of handicapped pupils residing in			
12	institutions within the Department of Behavioral Health and Developmental Services from the			
13	locality's Basic Aid payments.			
14	2) The amounts deducted from Basic Aid for the education of intellectually disabled persons			
15	shall be transferred to the Department of Behavioral Health and Developmental Services in			
16	support of the cost of educating such persons; the amount deducted from Basic Aid for the			
17	education of emotionally disturbed persons shall be used to cover extraordinary expenses			
18	incurred in the education of such persons. The Department of Education shall establish			
19	guidelines to implement these provisions and shall provide for the periodic transfer of sums			
20	due from each local school division to the Department of Behavioral Health and			
21	Developmental Services and for Special Education categorical payments. The amount of the			
22	actual transfers will be based on data accumulated during the prior school year.			
23	e. 1) The apportionment to localities of all driver education revenues received during the			
24	school year shall be made as an undesignated component of the state share of Basic Aid in			
25	accordance with the provisions of this Item. Only school divisions complying with the			
26	standardized program established by the Board of Education shall be entitled to participate in			
27	the distribution of state funds appropriated for driver education. The Department of Education			
28	will deduct a designated amount per pupil from a school division's Basic Aid payment when			
29	the school division is not in compliance with § 22.1-205 C, Code of Virginia. Such amount			
30	will be computed by dividing the current appropriation for the Driver Education Fund by			
31	actual March 31 ADM.			
32	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education			
33	provided, however, that the fee charged plus the per pupil basic aid reimbursement for driver			
34	education shall not exceed the actual average per pupil cost. Such fees shall not be cause for a			
35	pro rata reduction in Basic Aid payments to school divisions.			
36	f. Textbooks			
37	1) The appropriation in this Item includes \$89,797,176 the first year and \$90,101,186 the			
38	second year from the general fund as the state's share of the cost of textbooks based on a per			
39	pupil amount of \$132.38 the first year and \$132.38 the second year. A school division shall			
40	appropriate these funds for textbooks or any other public education instructional expenditure			
41	by the school division. The state's distributions for textbooks shall be based on adjusted			
42	March 31 ADM. These funds shall be matched by the local government, based on the			
43	composite index of local ability-to-pay.			
44	2) School divisions shall provide free textbooks to all students.			
45	3) School divisions may use a portion of this funding to purchase Standards of Learning			
46	instructional materials. School divisions may also use these funds to purchase electronic			
47	textbooks or other electronic media resources integral to the curriculum and classroom			
48	instruction and the technical equipment required to read and access the electronic textbooks			
49	and electronic curriculum materials.			
50	4) Any funds provided to school divisions for textbook costs that are unexpended as of June			
51	30, 2023, or June 30, 2024, shall be carried on the books of the locality to be appropriated to			
52	the school division the following year to be used for same purpose. School divisions are			
53	permitted to carry forward any remaining balance of textbook funds until the funds are			
54	expended for a qualifying purpose.

6	each locality's annual budget for educational purposes as a separate revenue source for the			
7	current fiscal year.			
8	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes			
9	amounts estimated at \$507,300,000 the first year and \$522,000,000 the second year from			
10	the amounts transferred to the general fund from the Public Education Standards of			
11	Quality/Local Real Estate Property Tax Relief Fund pursuant to Part 3 of this act which			
12	are derived from the 0.375 cent increase in the state sales and use tax levied pursuant to §			
13	58.1-638, Code of Virginia. These additional funds are provided to local school divisions			
14	and local governments in order to relieve the financial pressure education programs place			
15	on local real estate taxes.			
16	i. From the total amounts in paragraph h. above, an amount estimated at \$338,200,000 the			
17	first year and \$348,000,000 the second year (approximately 1/4 cent of sales and use tax)			
18	is appropriated to support a portion of the cost of the state's share of the following			
19	revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of			
20	Assembly of 2004: five elementary resource teachers per 1,000 students; one support and			
21	one instructional technology position per 1,000 students; a full daily planning period for			
22	teachers at the middle and high school levels in order to relieve the pressure on local real			
23	estate taxes and shall be taken into account by the governing body of the county, city, or			
24	town in setting real estate tax rates.			
25	j. From the total amounts in paragraph h. above, an amount estimated at \$169,100,000 the			
26	first year and \$174,000,000 the second year (approximately 1/8 cent of sales and use tax)			
27	is appropriated in this Item to distribute the remainder of the revenues collected and			
28	deposited into the Public Education Standards of Quality/Local Real Estate Property Tax			
29	Relief Fund on the basis of the latest yearly estimate of school age population provided by			
30	the Weldon Cooper Center for Public Service as specified in this Item.			
31	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio			
32	methodology is used based upon 20 support positions per 1,000 ADM to funded SOQ			
33	instructional positions in the first year and 21 support positions per 1,000 ADM to funded			
34	SOQ instructional positions in the second year. Such methodology shall not apply to the			
35	following SOQ support positions: division superintendent, school board members, pupil			
36	transportation positions, or specialized student support positions established in Chapter			
37	454, 2021 Acts of Assembly, Special Session I.			
38	6. Education of the Gifted Payments			
39	a. An additional payment shall be disbursed by the Department of Education to local			
40	school divisions to support the state share of one full-time equivalent instructional position			
41	per 1,000 students in adjusted March 31 ADM.			
42	b. Local school divisions are required to spend, as part of the required local expenditure			
43	for the Standards of Quality the established per pupil cost for gifted education (state and			
44	local share) on approved programs for the gifted.			
45	7. Occupational-Vocational Education Payments			
46	a. An additional payment shall be disbursed by the Department of Education to the local			
47	school divisions to support the state share of the number of Vocational Education			
48	instructors required by the Standards of Quality. These funds shall be disbursed on the			
49	same basis as the payment is calculated.			
50	b. An amount estimated at \$131,951,563 the first year and \$132,238,627 the second year			
51	from the general fund included in Basic Aid Payments relates to vocational education			
52	programs in support of the Standards of Quality.

1	a. An additional payment shall be disbursed by the Department of Education to the local				
2	school divisions to support the state share of the number of Special Education instructors				
3	required by the Standards of Quality. These funds shall be disbursed on the same basis as the				
4	payment is calculated.				
5	b. Out of the amounts for special education payments, general fund support is provided to				
6	fund the caseload standards for speech pathologists at 68 students for each year of the				
7	biennium.				
8	9. Remedial Education Payments				
9	a. An additional payment estimated at \$125,697,172 the first year and \$125,949,775 the				
10	second year from the general fund shall be disbursed by the Department of Education to				
11	support the Board of Education's Standards of Quality Prevention, Intervention, and				
12	Remediation program adopted in June 2003.				
13	b. The payment shall be calculated based on one hour of additional instruction per day for				
14	identified students, using the three year average percent of students eligible for the federal				
15	Free Lunch program as a proxy for students needing such services. Fall membership shall be				
16	multiplied by the three year average division-level Free Lunch eligibility percentage to				
17	determine the estimated number of students eligible for services. Pupil-teacher ratios shall be				
18	applied to the estimated number of eligible students to determine the number of instructional				
19	positions needed for each school division. The pupil-teacher ratio applied for each school				
20	division shall range from 10:1 for those divisions with the most severe combined three year				
21	average failure rates for English and math Standards of Learning test scores to 18:1 for those				
22	divisions with the lowest combined three year average failure rates for English and math				
23	Standards of Learning test scores.				
24	c. Funding shall be matched by the local government based on the composite index of local				
25	ability-to-pay.				
26	d. To provide flexibility in the instruction of English Language Learners who have limited				
27	English proficiency and who are at risk of not meeting state accountability standards, school				
28	divisions may use state and local funds from the SOQ Prevention, Intervention, and				
29	Remediation account to employ additional English Language Learner teachers to provide				
30	instruction to identified limited English proficiency students. Using these funds in this manner				
31	is intended to supplement the instructional services provided through the staffing standard of				
32	20 instructional positions per 1,000 limited English proficiency students. School divisions				
33	using the SOQ Prevention, Intervention, and Remediation funds in this manner shall only				
34	employ instructional personnel licensed by the Board of Education.				
35	e. An additional state payment estimated at \$178,977,243 the first year and \$209,141,908 the				
36	second year from the general fund and \$158,134,094 the first year and \$131,056,691 the				
37	second year from the Lottery Proceeds Fund shall be disbursed based on the estimated				
38	number of federal Free Lunch participants, in support of programs for students who are				
39	educationally at risk. The additional payment shall be based on the state share of:				
40	1) A minimum 1.0 percent Add-On, as a percent of the per pupil basic aid cost, for each child				
41	who qualifies for the federal Free Lunch Program; and				
42	2) An addition to the Add-On, based on the concentration of children qualifying for the				
43	federal Free Lunch Program. Based on its percentage of Free Lunch participants, each school				
44	division will receive a total between 1.0 and 36.0 percent in additional basic aid per Free				
45	Lunch participant. These funds shall be matched by the local government, based on the				
46	composite index of local ability-to-pay.				
47	3a) Local school divisions are required to spend the established At-Risk Add-On payment				
48	(state and local share) on approved programs for students who are educationally at risk.				
49	b) To receive these funds, each school division shall certify to the Department of Education				
50	that the state and local share of the At-Risk Add-On payment will be used to support				
51	approved programs for students who are educationally at risk. These programs may include:				
52	teacher recruitment programs and incentives, Dropout Prevention, community and school-

6	4) If the Board of Education has required a local school board to submit a corrective				
7	action plan pursuant to § 22.1-253.13:3, Code of Virginia, either for the school division				
8	pursuant to a division level review, or for any schools within its division that have been				
9	designated as not meeting the standards as approved by the Board of Education, the				
10	Superintendent of Public Instruction shall determine and report to the Board of Education				
11	whether each such local school board has met its obligation to develop and submit such				
12	corrective action plan(s) and is making adequate and timely progress in implementing the				
13	plan(s). Additionally, if an academic or other review process undertaken pursuant to §				
14	22.1-253.13:3, Code of Virginia, has identified actions for a local school board to				
15	implement, the Superintendent of Public Instruction shall determine and report to the				
16	Board of Education whether the local school board has implemented required actions. If				
17	the Superintendent certifies that a local school board has failed or refused to meet any of				
18	those obligations as referenced in a memorandum of understanding between the local				
19	school board and the Board of Education, the Board of Education shall withhold payment				
20	of some or all At-Risk Add-On funds otherwise allocated to the affected division pursuant				
21	to this allocation for the pending fiscal year. In determining the amount of At-Risk Add-				
22	On funds to be withheld, the Board of Education shall take into consideration the extent to				
23	which such funds have already been expended or contractually obligated. The local school				
24	board shall be given an opportunity to correct its failure and, if successful in a timely				
25	manner, may have some or all of its At-Risk Add-On funds restored at the Board of				
26	Education's discretion.				
27	f. Regional Alternative Education Programs				
28	1) An additional state payment of \$10,453,748 the first year and \$11,097,555 the second				
29	year from the Lottery Proceeds Fund shall be disbursed for Regional Alternative				
30	Education programs. Such programs shall be for the purpose of educating certain expelled				
31	students and, as appropriate, students who have received suspensions from public schools				
32	and students returned to the community from the Department of Juvenile Justice.				
33	2) Each regional program shall have a small student/staff ratio. Such staff shall include,				
34	but not be limited to education, mental health, health, and law enforcement professionals,				
35	who will collaborate to provide for the academic, psychological, and social needs of the				
36	students. Each program shall be designed to ensure that students make the transition back				
37	into the "mainstream" within their local school division.				
38	3) a) Regional alternative education programs are funded through this Item based on the				
39	state's share of the incremental per pupil cost for providing such programs. This				
40	incremental per pupil payment shall be adjusted for the composite index of local ability-				
41	to-pay of the school division that counts such students attending such program in its				
42	March 31 Average Daily Membership. It is the intent of the General Assembly that this				
43	incremental per pupil amount be in addition to the basic aid per pupil funding provided to				
44	the affected school division for such students. Therefore, local school divisions are				
45	encouraged to provide the appropriate portion of the basic aid per pupil funding to the				
46	regional programs for students attending these programs, adjusted for costs incurred by the				
47	school division for transportation, administration, and any portion of the school day or				
48	school year that the student does not attend such program.				
49	b) In the event a school division does not use all of the student slots it is allocated under				
50	this program, the unused slots may be reallocated or transferred to another school division.				
51	1. A school division must request from the Department of Education the availability and				
52	possible use of any unused student slots. If any unused slots are available and if the				
53	requesting school division chooses to utilize any of the unused slots, the requesting school				
54	division shall only receive the state's share of tuition for the unused slot that was allocated				
55	in this Item for the originally designated school division.				
56	2. However, no requesting school division shall receive more tuition funding from the

6	cost of Regional Alternative Education program operations based on the composite index of			
7	local ability-to-pay.			
8	4) Out of the appropriation included in paragraph C.37. of this item, \$750,443 the first year			
9	and \$1,648,377 the second year from the Lottery Proceeds Fund is provided for a			
10	compensation supplement payment equal to 5.0 percent of base pay on August 1, 2022, and			
11	an additional 5.0 percent of base pay on July 1, 2023, for Regional Alternative Education			
12	Program instructional and support positions, as referenced in paragraph C.37. of this item.			
13	5) In the second year, the Department of Education shall conduct a biennial application			
14	process to determine the slot allocation of the regional alternative education program for the			
15	subsequent biennium. Each school division, or the fiscal agent for each regional program,			
16	shall apply for the desired number of student slots from the statewide total number of slots			
17	funded in the state formula. The approved number of slots shall be set for both years of the			
18	biennium. The Department of Education shall utilize the existing reallocation process as			
19	prescribed in this item to allocate initial application requests if the initial application demand			
20	for slots exceeds the number of slots available. In each fiscal year, the Department of			
21	Education shall reallocate any unused student slots as prescribed in this item.			
22	g. Remedial Summer School			
23	1) This appropriation includes \$22,725,378 the first year and \$22,725,378 the second year			
24	from the general fund for the state's share of Remedial Summer School Programs. These			
25	funds are available to school divisions for the operation of programs designed to remediate			
26	students who are required to attend such programs during a summer school session or during			
27	an intersession in the case of year-round schools. These funds may be used in conjunction			
28	with other sources of state funding for remediation or intervention. School divisions shall			
29	have maximum flexibility with respect to the use of these funds and the types of remediation			
30	programs offered; however, in exercising this flexibility, students attending these programs			
31	shall not be charged tuition and no high school credit may be awarded to students who			
32	participate in this program.			
33	2) For school divisions charging students tuition for summer high school credit courses,			
34	consideration shall be given to students from households with extenuating financial			
35	circumstances who are repeating a class in order to graduate.			
36	10. K-3 Primary Class Size Reduction Payments			
37	a. An additional payment estimated at \$141,268,750 the first year and \$141,778,274 the			
38	second year from the Lottery Proceeds Fund shall be disbursed by the Department of			
39	Education as an incentive for reducing class sizes in the primary grades.			
40	b. The Department of Education shall calculate the payment based on the incremental cost of			
41	providing the lower class sizes based on the lower of the division average per pupil cost of all			
42	divisions or the actual division per pupil cost.			
43	c. Localities are required to provide a match for these funds based on the composite index of			
44	local ability-to-pay.			
45	d. By October 15 of each year school divisions must provide data to the Department of			
46	Education that each participating school has a September 30 pupil/teacher ratio in grades K			
47	through 3 that meet the following criteria:			
48	Qualifying School Percentage of	Grades K-3	Maximum Individual

6	e. School divisions may elect to have eligible schools participate at a higher ratio, or only				
7	in a portion of grades kindergarten through three, with a commensurate reduction of state				
8	and required local funds, if local conditions do not permit participation at the established				
9	ratio and/or maximum individual class size. In the event that a school division requires				
10	additional actions to ensure participation at the established ratio and/or maximum				
11	individual class size, such actions must be completed by December 1 of the impacted				
12	school year. Special education teachers and instructional aides shall not be counted				
13	towards meeting these required pupil/teacher ratios in grades kindergarten through three.				
14	f. The Superintendent of Public Instruction may grant waivers to school divisions for the				
15	class size requirement in eligible schools that have only one class in an affected grade				
16	level in the school.				
17	11. Literary Fund Subsidy Program Payments				
18	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
19	provide a program of funding for school construction and renovation through the Literary				
20	Fund and through VPSA bond sales. Notwithstanding 8VAC-20-100, the program shall be				
21	used to provide funds, through Literary Fund loans and subsidies, and through VPSA bond				
22	sales, to fund a portion of the projects submitted by localities during the annual open				
23	enrollment process, or other critical projects that may receive priority as identified by the				
24	Board of Education. Interest rate subsidies will provide school divisions with the present				
25	value difference in debt service between a Literary Fund loan and a borrowing through the				
26	VPSA. To qualify for an interest rate subsidy, the school division's project must be				
27	eligible for a Literary Fund loan and shall be subject to the same restrictions. The VPSA				
28	shall work with the Department of Education in selecting those projects to be funded				
29	through the interest rate subsidy/bond financing program, so as to ensure the maximum				
30	leverage of Literary Fund moneys and a minimum impact on the VPSA Bond Pool.				
31	b. Notwithstanding §§ 22.1-146.1 through 22.1-153, Code of Virginia, and 8VAC-20-100,				
32	the Board of Education shall: 1) issue loans from the designated and uncommitted				
33	balances of the Literary Fund to the school boards of local school divisions that apply for				
34	such loans, authorized by the governing body and the school board, for the purposes of a)				
35	erecting, altering, or enlarging school buildings in local school divisions, or b) refinancing				
36	or redemption of negotiable notes, bonds, and other evidences of indebtedness or				
37	obligations incurred by a locality on behalf of a school division which has an application				
38	for a Literary Fund loan for an approved school project pending before the Board of				
39	Education; 2) establish a maximum Literary Fund loan amount per project of \$25.0				
40	million; 3) in consultation with the Department of the Treasury, establish loan interest				
41	rates that are benchmarked to a market index on an annual basis, not to exceed 2.0 percent				
42	for the tier of localities with a school division local composite index of ability-to-pay				
43	between 0.0 and 0.2999; 4) replace the existing First Priority and Second Priority waiting				
44	lists with an annual open enrollment process for loans, with priority based on the local				
45	composite index of ability-to-pay; and 5) offer a loan add-on not to exceed \$5.0 million				
46	per loan for projects that will result in school consolidation and the net reduction of at				
47	least one existing school. The Department of Education, in cooperation with the				
48	Department of the Treasury, shall provide an update on Literary Fund loan issuance to the				
49	Governor and the Chairs of the House Appropriations and Senate Finance and				
50	Appropriations Committees by October 1, 2023, and each year thereafter. This report shall				
51	include detail of: 1) loan applications received in the prior fiscal year by locality, project,				
52	and amount; 2) loans issued in the prior fiscal year by locality, project, and amount; 3) the				
53	schedule of loan interest rates and the basis for those rates; 4) loans issued for school				
54	consolidation projects and the projected impact of those school consolidations; and 5) the				
55	impact of loans issued to date on the Literary Fund cash balance, outstanding loan				
56	balance, and projected asset base.

1 c. The Board of Education may offer up to \$200,000,000 the first year and up to \$200,000,000
 2 the second year from the Literary Fund in school construction loans, subject to the availability
 3 of funds. Amounts designated for school construction loans that are not obligated in the first
 4 year may be obligated in the second year. In addition, the Department of Education may offer
 5 Literary Fund loans from the uncommitted balances of the Literary Fund after meeting the
 6 obligations of the interest rate subsidy sales and the amounts set aside from the Literary Fund
 7 for Debt Service Payments for Education Technology and Security Equipment in this Item.

8 d. 1) In the event that on any scheduled payment date of bonds of the Virginia Public School
 9 Authority (VPSA) authorized under the provisions of a bond resolution adopted subsequent to
 10 June 30, 1997, issued subsequent to June 30, 1997, and not benefiting from the provisions of
 11 either § 22.1-168 (iii), (iv), and (v), Code of Virginia, or § 22.1-168.1, Code of Virginia, the
 12 sum of (i) the payments on general obligation school bonds of cities, counties, and towns
 13 (localities) paid to the VPSA and (ii) the proceeds derived from the application of the
 14 provisions of § 15.2-2659, Code of Virginia, to such bonds of localities, is less than the debt
 15 service due on such bonds of the VPSA on such date, there is hereby appropriated to the
 16 VPSA, first, from available moneys of the Literary Fund and, second, from the general fund a
 17 sum equal to such deficiency.

18 2) The Commonwealth shall be subrogated to the VPSA to the extent of any such
 19 appropriation paid to the VPSA and shall be entitled to enforce the VPSA's remedies with
 20 respect to the defaulting locality and to full recovery of the amount of such deficiency,
 21 together with interest at the rate of the defaulting locality's bonds.

22 e. The chairman of the Board of Commissioners of the VPSA shall, on or before November 1
 23 of each year, make and deliver to the Governor and the Secretary of Finance a certificate
 24 setting forth his estimate of total debt service during each fiscal year of the biennium on
 25 bonds of the VPSA issued and projected to be issued during such biennium pursuant to the
 26 bond resolution referred to in paragraph a above. The Governor's budget submission each year
 27 shall include provisions for the payment of debt service pursuant to paragraph 1) above.

28 12. Educational Technology Payments

29 a. Any unobligated amounts transferred to the educational technology fund shall be disbursed
 30 on a pro rata basis to localities. The additional funds shall be used for technology needs
 31 identified in the division's technology plan approved by the Department of Education.

32 b. The Department of Education shall authorize estimated amounts as indicated in Table 1
 33 from the Literary Fund to provide debt service payments for the education technology grant
 34 program conducted through the Virginia Public School Authority in the referenced years.

43 c. It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to
 44 pay debt service on the Virginia Public School Authority bonds or notes authorized for
 45 education technology grant programs. In developing the proposed 2024-2026, 2026-2028, and
 46 2028-2030 biennial budgets for public education, the Department of Education shall include a
 47 recommendation to the Governor to authorize sufficient Literary Fund revenues to make debt
 48 service payments for these programs in fiscal years 2025, 2026, 2027, 2028, and 2029.

49 d. 1) An education technology grant program shall be conducted through the Virginia Public
 50 School Authority, through the issuance of equipment notes in an amount estimated at
 51 \$56,348,000 in fiscal year 2023 and \$56,672,000 in fiscal year 2024. Proceeds of the notes
 52 will be used to establish a computer-based instructional and testing system for the Standards
 53 of Learning (SOL) and to develop the capability for high speed Internet connectivity at high

2	shall use these funds first to develop and maintain the capability to support the			
3	administration of online SOL testing for all students with the exception of students with a			
4	documented need for a paper SOL test.			
5	2) Grant funds from the issuance of \$56,348,000 in fiscal year 2023 and \$56,672,000 in			
6	fiscal year 2024 in equipment notes are based on a grant of \$26,000 per school and			
7	\$50,000 per school division. For purposes of this grant program, eligible schools shall			
8	include schools that are subject to state accreditation and reporting membership in grades			
9	K through 12 as of September 30, 2022, for the fiscal year 2023 issuance, and September			
10	30, 2023, for the fiscal year 2024 issuance, as well as regional vocational centers, special			
11	education centers, alternative education centers, regular school year Governor's Schools,			
12	CodeRVA Regional High School, and the School for the Deaf and the Blind. Schools that			
13	serve only pre-kindergarten students shall not be eligible for this grant.			
14	3. a.) Supplemental grants shall be allocated to eligible divisions to support schools that			
15	are not fully accredited in accordance with this paragraph. Schools that include a ninth			
16	grade that administer SOL tests in Spring 2022 and that are not fully accredited for the			
17	second consecutive year, based on school accreditation ratings in effect for fiscal year			
18	2022 and fiscal year 2023 will qualify to participate in the Virginia e-Learning Backpack			
19	Initiative in fiscal year 2023 and receive: (1) a supplemental grant of \$400 per student			
20	reported in ninth grade fall membership in a qualifying school for the purchase of a laptop			
21	or tablet for that student and (2) a supplemental grant of \$2,400 per qualifying school to			
22	purchase two content creation packages for teachers. Schools eligible to receive this			
23	supplemental grant in fiscal year 2023 shall continue to receive the grant for the number of			
24	subsequent years equaling the number of grades 9 through 12 in the qualifying school up			
25	to a maximum of four years. Schools that administer SOL tests in Spring 2023 and that are			
26	not fully accredited for the second consecutive year based on school accreditation ratings			
27	in effect for fiscal year 2023 and fiscal year 2024 will qualify to participate in the			
28	initiative in fiscal year 2024. Schools eligible for the supplemental grants in previous			
29	fiscal years shall continue to be eligible for the remaining years of their grant award.			
30	Schools eligible to receive this supplemental grant in fiscal year 2024 shall continue to			
31	receive the grant for the number of subsequent years equaling the number of grades 9			
32	through 12 in the qualifying school up to a maximum of four years. Grants awarded to			
33	qualifying schools that do not have grades 10, 11, or 12 may transition with the students to			
34	the primary receiving school for all years subsequent to grade 9. Schools are eligible to			
35	receive these grants for a period of up to four years and shall not be eligible to receive a			
36	separate award in the future once the original award period has concluded. Schools that			
37	are fully accredited or that are new schools with conditional accreditation in their first year			
38	shall not be eligible to receive this supplemental grant.			
39	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-			
40	Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for			
41	(1) the purchase of a laptop or tablet for a student reported in ninth grade fall membership,			
42	and (2) the purchase of two content creation packages for teachers per grant. The amounts			
43	for such grants shall remain unchanged.			
44	4) Required local match:			
45	a) Localities are required to provide a match for these funds equal to 20 percent of the			
46	grant amount, including the supplemental grants provided pursuant to paragraph g. 5). At			
47	least 25 percent of the local match, including the match for supplemental grants, shall be			
48	used for teacher training in the use of instructional technology, with the remainder spent			
49	on other required uses. The Superintendent of Public Instruction is authorized to reduce			
50	the required local match for school divisions with a composite index of local ability-to-pay			
51	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match			
52	requirement.			
53	b) School divisions that administer 100 percent of SOL tests online in all elementary,			
54	middle, and high schools may use up to 75 percent of their required local match to			
55	purchase targeted technology-based interventions. Such interventions may include the			
56	necessary technology and software to support online learning, technology-based content			
57	systems, content management systems, technology equipment systems, information and

2	needs of learners. School divisions that receive supplemental grants pursuant to paragraph			
3	g.5) above shall use the funds in qualifying schools to purchase laptops and tablets for ninth			
4	grade students reported in fall membership and content creation packages for teachers.			
5	5) The goal of the education technology grant program is to improve the instructional,			
6	remedial, and testing capabilities of the Standards of Learning for local school divisions and			
7	to increase the number of schools achieving full accreditation.			
8	6) Funds shall be used in the following manner:			
9	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1 student to			
10	computer ratio; (2) an Internet-ready local area network (LAN) capability; and (3) high speed			
11	access to the Internet. School connectivity (computers, LANs and network access) shall			
12	include sufficient download/upload capability to ensure that each student will have adequate			
13	access to Internet-based instructional, remedial and assessment programs.			
14	b) When each high school in a division meets the goals established in paragraph a) above, the			
15	remaining funds shall be used to develop similar capability in first the middle schools and			
16	then the elementary schools.			
17	c) For purposes of establishing or enhancing a computer-based instructional program			
18	supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds			
19	may be used to purchase handheld multifunctional computing devices that support a broad			
20	range of applications and that are controlled by operating systems providing full multimedia			
21	support and mobile Internet connectivity. School divisions that elect to use these grant funds			
22	to purchase such qualifying handheld devices must continue to meet the on-line testing			
23	requirements stated in paragraph g. 1) above.			
24	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph g.5)			
25	above. These supplemental grants shall be used in qualifying schools for the purchase of			
26	laptops and tablets for ninth grade students reported in fall membership and content creation			
27	packages for teachers. Participating school divisions will be required to select a core set of			
28	electronic textbooks, applications and online services for productivity, learning management,			
29	collaboration, practice, and assessment to be included on all devices. In addition, participating			
30	school divisions will assume recurring costs for electronic textbook purchases and			
31	maintenance.			
32	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
33	divisions became one school division, whether by consolidation of only the school divisions			
34	or by consolidation of the local governments, such resulting division shall be provided			
35	funding through this program on the basis of having the same number of school divisions as			
36	existed prior to September 30, 2000.			
37	7) Local school divisions shall maximize the use of available federal funds, including E-Rate			
38	Funds, and to the extent possible, use such funds to supplement the program and meet the			
39	goals of this program.			
40	e. The Department of Education shall maintain criteria to determine if high schools, middle			
41	schools, or elementary schools have the capacity to meet the goals of this initiative. The			
42	Department of Education shall be responsible for the project management of this program.			
43	f. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public			
44	School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code of Virginia,			
45	and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of			
46	Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less			
47	than the amounts authorized for debt service due on such bonds or notes of the VPSA on such			
48	date, there is hereby appropriated to the VPSA from the general fund a sum equal to such			
49	deficiency.			
50	2) The Chairman of the Board of Commissioners of the VPSA shall, on or before November 1			
51	of each year, make and deliver to the Governor and the Secretary of Finance a certificate			
52	setting forth his estimate of total debt service during each fiscal year of the biennium on			
53	bonds and notes of the VPSA issued and projected to be issued during such biennium			
54	pursuant to the resolution referred to in paragraph 1) above. The Governor's budget

 2 paragraph 1) above.

3 g. Unobligated proceeds of the notes, including investment income derived from the
 4 proceeds of the notes may be used to pay interest on, or to decrease principal of the notes
 5 or to fund a portion of such other educational technology grants as authorized by the
 6 General Assembly.

7 h. 1) For the purposes of § 56-232, Code of Virginia, "Contracts of Telephone Companies
 8 with State Government" and for the purposes of § 56-234 "Contracts for Service Rendered
 9 by a Telephone Company for the State Government" shall be deemed to include
 10 communications lines into public schools which are used for educational technology. The
 11 rate structure for such lines shall be negotiated by the Superintendent of Public Instruction
 12 and the Chief Information Officer of the Virginia Information Technologies Agency.
 13 Further, the Superintendent and Director are authorized to encourage the development of
 14 "by-pass" infrastructure in localities where it fails to obtain competitive prices or prices
 15 consistent with the best rates obtained in other parts of the state.

16 2) The State Corporation Commission, in its consideration of the discount for services
 17 provided to elementary schools, secondary schools, and libraries and the universal service
 18 funding mechanisms as provided under § 254 of the Telecommunications Act of 1996, is
 19 hereby encouraged to make the discounts for intrastate services provided to elementary
 20 schools, secondary schools, and libraries for educational purposes as large as is prudently
 21 possible and to fund such discounts through the universal fund as provided in § 254 of the
 22 Telecommunications Act of 1996. The commission shall proceed as expeditiously as
 23 possible in implementing these discounts and the funding mechanism for intrastate
 24 services, consistent with the rules of the Federal Communications Commission aimed at
 25 the preservation and advancement of universal service.

26 **13. Security Equipment Payments**

27 1) A security equipment grant program shall be conducted through the Virginia Public
 28 School Authority, through the issuance of equipment notes in an amount estimated at up to
 29 \$12,000,000 in fiscal year 2023 and \$12,000,000 in fiscal year 2024 in conjunction with
 30 the Virginia Public School Authority technology notes program authorized in C.12. of this
 31 Item. Proceeds of the notes will be used to help offset the related costs associated with the
 32 purchase of appropriate security equipment that will improve and help ensure the safety of
 33 students attending public schools in Virginia.

34 2) The Department of Education shall authorize estimated amounts as indicated in Table 1
 35 from the Literary Fund to provide debt service payments for the security equipment grant
 36 programs conducted through the Virginia Public School Authority in the referenced years.

45 3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues
 46 to pay debt service on the Virginia Public School Authority bonds or notes authorized for
 47 this program. In developing the proposed 2024-2026, 2026-2028, and 2028-2030 biennial
 48 budgets for public education, the Department of Education shall include a
 49 recommendation to the Governor to authorize sufficient Literary Fund revenues to make
 50 debt service payments for these programs in fiscal years 2025, 2026, 2027, 2028, and

13	\$12,000,000 in fiscal year 2024 in equipment notes shall be distributed to eligible school			
14	divisions. The grant awards will be based on a competitive grant basis of up to \$250,000 per			
15	school division. School divisions will be permitted to apply annually for grant funding. For			
16	purposes of this program, eligible schools shall include schools that are subject to state			
17	accreditation and reporting membership in grades K through 12 as of September 30, 2022, for			
18	the fiscal year 2023 issuance, and September 30, 2023, for the fiscal year 2024 issuance, as			
19	well as regional vocational centers, special education centers, alternative education centers,			
20	regular school year Governor's Schools, and the Virginia School for the Deaf and the Blind.			
21	7) School divisions would submit their application to Department of Education by August 1			
22	of each year based on the criteria developed by the Department of Education in collaboration			
23	with the Department of Criminal Justice Services who will provide requested technical			
24	support. Furthermore, the Department of Education will have the authority to make such grant			
25	awards to such school divisions.			
26	8) It is also the intent of the General Assembly that, beginning with fiscal year 2020, the total			
27	amount of the grant awards shall not exceed \$60,000,000 over any ongoing revolving five			
28	year period.			
29	9) Required local match:			
30	a) Localities are required to provide a match for these funds equal to 25 percent of the grant			
31	amount. The Superintendent of Public Instruction is authorized to reduce the required local			
32	match for school divisions with a composite index of local ability-to-pay below 0.2000. The			
33	Virginia School for the Deaf and the Blind is exempt from the match requirement.			
34	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
35	divisions became one school division, whether by consolidation of only the school divisions			
36	or by consolidation of the local governments, such resulting division shall be provided			
37	funding through this program on the basis of having the same number of school divisions as			
38	existed prior to September 30, 2000.			
39	c) Local school divisions shall maximize the use of available federal funds, including E-Rate			
40	Funds, and to the extent possible, use such funds to supplement the program and meet the			
41	goals of this program.			
42	14. Virginia Preschool Initiative Payments			
43	a.1) It is the intent of the General Assembly that a payment estimated at \$115,987,950 the first			
44	year and \$116,283,670 the second year from the general fund shall be disbursed by the			
45	Department of Education to schools and community-based organizations to provide quality			
46	preschool programs for at-risk four-year-olds who are residents of Virginia and unserved by			
47	Head Start program funding and for at-risk five-year-olds who are not eligible to attend			
48	kindergarten, or who did not have access to a sufficient preschool experience and whose			
49	families request preschool as the most appropriate placement. Final Virginia Preschool			
50	Initiative placement decisions for eligible children shall be based on family and program			
51	leader input.			
52	2) These state funds and required local matching funds shall be used to provide programs for			
53	at-risk four-year-old children, which include quality preschool education, health services,			
54	social services, parental involvement and transportation. It shall be the policy of the

1	Commonwealth that state funds and required local matching funds for the Virginia			
2	Preschool Initiative not be used for capital outlay, not be used to supplant any Head Start			
3	federal funds provided for local early education programs, and not be used until the local			
4	Head Start grantee certifies that all local Head Start slots are filled. Programs must provide			
5	full-day or half-day and, at least, school-year services.			
6	3) The Department of Education shall establish academic standards that are in accordance			
7	with appropriate preparation for students to be ready to successfully enter kindergarten.			
8	These standards shall be established in such a manner as to be measurable for student			
9	achievement and success. Students shall be required to be evaluated in the fall and in the			
10	spring by each participating school division and the school divisions must certify that the			
11	Virginia Preschool Initiative program follows the established standards in order to receive			
12	the funding for quality preschool education and criteria for the service components. Such			
13	standards shall align with the Virginia Standards of Learning for Kindergarten.			
14	4) a) Grants shall be distributed based on an allocation formula providing the state share of			
15	a \$8,359 per pupil grant in the first year and a \$8,359 per pupil grant in the second year for			
16	100 percent of the unserved at-risk four-year-olds in each locality for a full-day program.			
17	Grants to half-day programs shall be funded based on the state share of \$4,180 in the first			
18	year and \$4,180 in the second year per unserved at-risk four-year-old in each locality.			
19	For Planning District Eight localities, grants shall be distributed based on an allocation			
20	formula providing the state share of a \$8,989 per pupil grant in the first year and a \$8,989			
21	per pupil grant in the second year for 100 percent of the unserved at-risk four-year-olds in			
22	each locality for a full-day program; grants to half-day programs for these localities shall			
23	be funded based on the state share of \$4,495 in the first year and \$4,495 in the second year			
24	per unserved at-risk four-year-old in each locality.			
25	For the counties of Stafford, Fauquier, Spotsylvania, Clarke, Warren, Frederick, and			
26	Culpeper and the Cities of Fredericksburg and Winchester, grants shall be distributed			
27	based on an allocation formula providing the state share of a \$8,516 per pupil grant in the			
28	first year and a \$8,516 per pupil grant in the second year for 100 percent of the unserved			
29	at-risk four-year-olds in each locality for a full-day program; grants to half-day programs			
30	for these localities shall be funded based on the state share of \$4,258 in the first year and			
31	\$4,258 in the second year per unserved at-risk four-year-old in each locality.			
32	The number of unserved at-risk four-year-olds in each locality shall be based on the			
33	projected number of kindergarten students, updated once each biennium for the			
34	Governor's introduced biennial budget. The Department of Education shall biennially			
35	rebenchmark the Virginia Preschool Initiative per pupil amounts using a formula similar			
36	to the current formula supporting public K-12 education in Virginia.			
37	For slots filled as of September 30 each year, grants shall be based on the state share of			
38	100 percent of the per pupil amount for a full-day or half-day program. For slots filled			
39	between October 1 and December 31 each year, grants shall be based on the state share of			
40	the per pupil amount for a full-day or half-day program prorated for the portion of the			
41	school year each child is served. Following the Department of Education's fall student			
42	record collection each year, the Department shall project the number of additional slots			
43	that may be filled between October 1 and December 31 each year. The Department of			
44	Education is authorized to prorate state funding for slots filled between October 1 and			
45	December 31 each year if demand exceeds available appropriation.			
46	b) Out of this appropriation, \$12,729,291 the first year and \$20,029,791 the second year			
47	from the general fund is provided to serve at-risk three-year-olds who are residents of			
48	Virginia and unserved by Head Start funding using criteria determined by the Department			
49	of Education and subject to available appropriation. Localities may apply to participate by			
50	May 15 each year and shall be selected on a competitive basis. Localities shall be required			
51	to: (i) demonstrate broad stakeholder support, (ii) track outcomes for participating			
52	children, (iii) demonstrate how they will maximize federal and state funds to preserve			
53	existing birth to five slots, including certifying that all local Head Start slots are filled, (iv)			
54	support inclusive practices of children with identified special needs, and (v) collaborate			
55	among the school division, local department of social services, programs accepting child			
56	care subsidy payments, and providers for Head Start, private child care, and early			
57	childhood special education and early intervention programs. Localities that meet the

1	following characteristics shall be prioritized for participation: (i) communities with limited			
2	child care options; (ii) programs serving children in private, mixed-delivery settings; or (iii)			
3	communities that demonstrate full support of public and private providers. Grants shall be			
4	distributed based on an allocation formula providing the state share of the per pupil amounts			
5	in paragraph C.14.a.4)a).			
6	c) Full-day programs shall operate for a minimum of five and one-half instructional hours,			
7	excluding breaks for meals, and half-day programs shall operate for a minimum of three hours			
8	of classroom instructional time per day, excluding breaks for lunch. Virginia Preschool			
9	Initiative programs may include unstructured recreational time that is intended to develop			
10	teamwork, social skills, and overall physical fitness in any calculation of total instructional			
11	time, provided that such unstructured recreational time does not exceed 15 percent of total			
12	instructional time or teaching hours. No additional state funding is provided for programs			
13	operating greater than three hours per day but less than five and one-half hours per day. In			
14	determining the state and local shares of funding, the composite index of local ability-to-pay			
15	is capped at 0.5000.			
16	d) For new programs in the first year of implementation only, programs operating less than a			
17	full school year shall receive state funds on a fractional basis determined by the pro-rata			
18	portion of a school year program provided. In determining the prorated state funds to be			
19	received, a school year shall be 180 days or 990 teaching hours.			
20	e) To ensure children with special needs have equitable opportunity to enter kindergarten			
21	ready, all Virginia Preschool Initiative programs are expected to be inclusive of children with			
22	disabilities. Specifically, programs shall meet or exceed a target inclusion rate, such that 10			
23	percent of all children participating in the Virginia Preschool Initiative are children with			
24	disabilities, defined as those with an Individualized Education Plan, and are served in			
25	inclusive classrooms that include children who do not have an Individualized Education Plan.			
26	A program that is unable to meet this target shall provide reasons a 10 percent inclusion rate			
27	was not achieved in the given school year in its annual comprehensive report.			
28	b.1) Any locality that desires to participate in this grant program must submit a proposal			
29	through its chief administrator (county administrator or city manager) by May 15 of each			
30	year. The chief administrator, in conjunction with the school superintendent, shall identify a			
31	lead agency for this program within the locality. The lead agency shall be responsible for			
32	developing a local plan for the delivery of quality preschool services to at-risk children, which			
33	demonstrates the coordination of resources and the combination of funding streams in an			
34	effort to serve the greatest number of at-risk four-year-old children and, if applicable, to serve			
35	at-risk three-year-old children.			
36	2) The proposal must demonstrate coordination with all parties necessary for the successful			
37	delivery of comprehensive services, including the schools, child care providers, local social			
38	services agency, Head Start, local health department, and other groups identified by the lead			
39	agency. The proposal must identify which entities were consulted and how the locality will			
40	ensure that federal funds are preserved and maximized including demonstrating compliance			
41	with Title I of the federal Elementary and Secondary Education Act to ensure that a Local			
42	Educational Agency receiving Title I funding coordinates with Head Start programs and other			
43	early learning programs receiving federal funds by developing Memorandums of			
44	Understanding with such agencies to coordinate services. The proposal must also demonstrate			
45	a plan for supporting inclusive practices for children with identified special needs.			
46	3) A local match, based on the composite index of local ability-to-pay, shall be required. For			
47	purposes of meeting the local match, localities may use local expenditures for existing			
48	qualifying programs, however, at least fifty percent of the local match will be cash and no			
49	more than fifty percent will be in-kind. In-kind contributions are defined as cash outlays that			
50	are made by the locality that benefit the program but are not directly charged to the program.			
51	The value of fixed assets cannot be considered as an in-kind contribution. Philanthropic or			
52	other private funds may be contributed to the locality to be appropriated in their local budget			
53	and then utilized as local match. Localities shall also continue to pursue and coordinate other			
54	funding sources, including child care subsidies. Funds received through this program must be			
55	used to supplement, not supplant, any funds currently provided for programs within the			
56	locality. However, in the event a locality is unable to continue the previous level of support to			
57	programs for at-risk four-year-olds from Title I of the federal Elementary and Secondary

1	Education Act (ESEA), the state and local funds provided in this grants program may be			
2	used to continue services to these Title I students. Such inability may occur due to			
3	adjustments to the allocation formula in the reauthorization of ESEA as the Every Student			
4	Succeeds Act of 2015, or due to a percentage reduction in a locality's Title I allocation in a			
5	particular year. Any locality so affected shall provide written evidence to the			
6	Superintendent of Public Instruction and request his approval to continue the services to			
7	Title I students.			
8	c. Local plans must provide clear methods of service coordination for the purpose of			
9	reducing the per child cost for the service, increasing the number of at-risk children served			
10	and/or extending services for the entire year. Examples of these include:			
11	1) "Wraparound Services" - methods for combining funds such as child care subsidy			
12	dollars administered by local social service agencies with dollars for quality preschool			
13	education programs.			
14	2) "Wrap-out Services" - methods for using grant funds to purchase quality preschool			
15	services to at-risk four-year-old children through an existing child care setting by			
16	purchasing comprehensive services within a setting which currently provides quality			
17	preschool education.			
18	3) "Expansion of Service" - methods for using grant funds to purchase slots within			
19	existing programs, such as Head Start, which provides comprehensive services to at-risk			
20	three- and four-year-old children.			
21	d. Local plans must indicate the number of at-risk four-year-old children to be served, and			
22	the eligibility criteria for participation in this program shall be consistent with the			
23	economic and educational risk factors stated in the current program guidelines that are			
24	specific to: (i) family income at or below 200 percent of federal poverty guidelines, (ii)			
25	homelessness, (iii) student's parents or guardians are school dropouts, or (iv) children with			
26	disabilities or delays who are eligible for special education services under the Individuals			
27	with Disabilities Education Act, regardless of household income. Up to 15 percent of a			
28	division's slots may be filled based on locally established eligibility criteria so as to meet			
29	the unique needs of at-risk children in the community. If applicable, local plans must also			
30	indicate the number of at-risk three-year-old children to be served using the same			
31	eligibility criteria listed above. Localities that can demonstrate that more than 15 percent			
32	of slots are needed to meet the needs of at-risk children in their community may apply for			
33	a waiver from the Superintendent of Public Instruction to use a larger percentage of their			
34	slots. Localities must demonstrate that increasing eligibility will enable the maximization			
35	of federal funds and will not have a negative impact on access for other individuals			
36	currently being served.			
37	e.1) The Department of Education shall provide technical assistance for the administration			
38	of this grant program to provide assistance to localities in developing a comprehensive,			
39	coordinated, quality preschool program that prepares all participants for kindergarten.			
40	2) The Department shall provide interested localities with information on models for			
41	service delivery, methods of coordinating funding streams, such as funds to match federal			
42	IV-A child care dollars, to maximize funding without supplanting existing sources of			
43	funding for the provision of services to at-risk three- and four-year-old children. A priority			
44	for technical assistance in the design of programs shall be given to localities where the			
45	majority of the at-risk three- and four-year-old population is currently unserved.			
46	f. Out of this appropriation, \$3,587,390 the first year and \$3,587,390 the second year from			
47	the general fund is provided to support Virginia Preschool Initiative slots to serve children			
48	on wait lists. In each year, unused grants distributed as provided in paragraph C.14.a.4) of			
49	this Item shall be redistributed based on guidelines established by the Department of			
50	Education subject to the appropriation available for this purpose. Such guidelines shall			
51	provide the criteria used to redistribute grants and provide for the notification of grants			
52	redistribution to programs no later than July 1 of each year. The Department shall conduct			
53	this process annually, and the redistribution shall not affect the allocation formula for the			
54	subsequent year.			
55	g.1) Out of this appropriation, \$4,886,000 the first year and \$8,334,384 the second year

1	from the general fund is provided to support an add-on grant per child for approximately			
2	2,000 children to incentivize mixed-delivery of services through private providers. These add-			
3	on grants are intended to provide funds to minimize the difference between the amount of the			
4	per-pupil grant allocation and the per-pupil cost to serve a child in a community-based or			
5	private provider setting. Recipients of the add-on grants will be encouraged to support			
6	classrooms that support inclusive practices of children with special needs. Localities shall			
7	indicate in their plans submitted pursuant to C.14.b.1) of this Item how many of their Virginia			
8	Preschool Initiative slots will be provided in community-based or private provider settings to			
9	receive the add-on grant.			
10	2) In the first year, the amount of these add-on grants for community-based or private			
11	providers shall vary by region and provide a grant of: (i) \$3,500 per child for divisions in			
12	Planning District Eight, (ii) \$2,500 per child for divisions in Planning District 15, Planning			
13	District 23, and for the counties of Stafford, Fauquier, Spotsylvania, Clarke, Warren,			
14	Frederick, and Culpeper and the Cities of Fredericksburg and Winchester, and (iii) \$1,500 per			
15	child in any other division. In the second year, these add-on grants shall be informed by the			
16	Department of Education's methodology to estimate the actual cost of providing high-quality			
17	early childhood education services in community-based settings. In the Department's report			
18	on this methodology to the Governor and Chairs of the House Appropriations and Senate			
19	Finance and Appropriations Committees, required by Item 129.O, the Department shall			
20	include recommendations for the amount of these add-on grants in the second year. This			
21	reporting requirement is not intended as a mandate to increase the individual amounts of these			
22	add-on grants or to increase the state appropriation supporting these add-on grants. The			
23	Department of Education is authorized to prorate payments for these add-on grants so as not			
24	to exceed the available appropriation.			
25	3) The Department of Education shall develop a plan to determine the magnitude of the gap			
26	between regional prevailing child care market rates and the Virginia Preschool Initiative per			
27	pupil amount. The Department shall establish a schedule designating the amount of the add-			
28	on grants for each school division for fiscal year 2023. The amount of the add-on grant plus			
29	the Virginia Preschool Initiative per pupil amount shall not exceed prevailing child care			
30	market rates in a particular region.			
31	h. Out of this appropriation, \$7,711,560 the first year and \$7,711,560 the second year from the			
32	general fund is provided to support increased Virginia Preschool Initiative teacher to student			
33	ratios and class sizes, as follows:			
34	1) Any classroom that exceeds benchmarks set by the Board of Education shall be staffed as			
35	follows: (i) one teacher shall be provided for any class of ten students or less; (ii) if the			
36	enrollment in any class exceeds ten students but does not exceed 20, a full-time teacher's aide			
37	shall be assigned to the class; and (iii) the maximum class size shall be 20 students.			
38	2) All other classrooms shall be staffed as follows: (i) one teacher shall be employed for any			
39	class of nine students or less; (ii) if the enrollment in any class exceeds nine students but does			
40	not exceed 18, a full-time teacher's aide shall be assigned to the class; and (iii) the maximum			
41	class size shall be 18 students.			
42	i. Out of this appropriation, \$306,100 the first year and \$306,100 the second year from the			
43	general fund is allocated for the Department of Education to provide grants of no more than			
44	\$30,000 each for local school divisions that have applied for such funds for the sole purpose			
45	of providing financial incentives to provisionally licensed teachers teaching students enrolled			
46	in the Virginia Preschool Initiative or other publicly-funded preschool programs operated by			
47	the school division and who are actively engaged in coursework and professional			
48	development, toward achieving the required degree and license that satisfy the licensure			
49	requirements reflected in § 22.1-299, Code of Virginia. School divisions must submit			
50	applications to the Department of Education by December 1 of each year. Priority for			
51	awarding grants shall be given to hard-to-staff schools and schools with the highest number of			
52	provisionally licensed teachers teaching students enrolled in the Virginia Preschool Initiative			
53	or other publicly-funded preschool programs operated by the school division. The Department			
54	of Education shall develop the application process to be provided to school divisions that have			
55	provisionally licensed preschool teachers employed and are teaching students enrolled in the			
56	Virginia Preschool Initiative or other publicly-funded preschool programs operated by the			
57	school division.

1	j. 1.) The Department of Education shall collect information from local Virginia Preschool			
2	Initiative programs and from pilot providers participating in the Virginia Early Childhood			
3	Foundation's pilot Mixed-Delivery Preschool Initiative established in Item 136 as needed			
4	to compile a comprehensive report on the usage of state funds detailing, but not limited to			
5	the number of calculated slots and funding allocated to each local program or pilot			
6	provider, and the number of such slots that have been filled.			
7	2.) Such comprehensive report shall be aggregated in a manner to identify: (i) funding and			
8	the number of slots used to serve a student in a public school and non-public school			
9	setting, (ii) the number of three-year olds served, (iii) waitlist slots requested, offered, and			
10	provided, (iv) the number of students served whose families are at or below 130 percent			
11	poverty, above 130 percent but at or below 200 percent of poverty, above 200 percent but			
12	at or below 350 percent of poverty, and above 350 percent of poverty.			
13	3.) Such comprehensive report shall describe the Virginia Preschool Initiative programs'			
14	progress towards the target inclusion rate, such that 10 percent of all children enrolled in			
15	each program are children with disabilities, defined as those with an Individualized			
16	Education Plan. Virginia Preschool Initiative programs shall report the share of children			
17	with Individualized Education Plans in inclusive classrooms annually starting with the			
18	2020-2021 school year. If the program's current inclusion rate falls below 10 percent, the			
19	program shall provide reasons a 10 percent inclusion rate was not achieved in the given			
20	school year and what actions the program could implement to increase its rate of inclusion			
21	in the next year.			
22	4.) The Department shall submit such comprehensive report to the Chairs of the House			
23	Appropriations and Senate Finance and Appropriations Committees no later than			
24	December 31 each year.			
25	5.) The Department shall develop a plan for comprehensive public reporting on early			
26	childhood expenditures, outcomes, and program quality to replace this reporting			
27	requirement. Such plan and subsequent reports shall consider the components included in			
28	this reporting requirement, and include all publicly-funded providers as defined in Chapter			
29	860 and Chapter 861, 2020 Acts of Assembly. The plan shall identify any fiscal,			
30	legislative, or regulatory barriers to implementing such public reporting, and shall			
31	consider integration with the Department's School Quality Profiles. The Department of			
32	Education shall submit an update on implementation of the plan to the Chairs of the House			
33	Appropriations and Senate Finance and Appropriations Committees by December 1 each			
34	year. Once fully implemented, the Department of Education shall update and submit the			
35	report by December 1 of each year.			
36	k. Out of this appropriation, \$5,453,795 the first year and \$5,453,795 the second year from			
37	the general fund is provided as flexible funding available to supplement any of the other			
38	initiatives provided in section C.14 of this item. Additionally, within the fiscal year, any			
39	funds appropriated for Virginia Preschool Initiative Payments that are not awarded may be			
40	used as flexible funding to supplement any of the other initiatives provided in paragraph			
41	C.14 of this Item. The Department of Education shall prioritize serving at-risk four-year-			
42	old children when executing the flexibility provisions in this paragraph.			
43	15. Early Reading Intervention Payments			
44	a. An additional payment of \$51,193,084 the first year and \$51,352,970 the second year			
45	from the Lottery Proceeds Fund shall be disbursed by the Department of Education to			
46	local school divisions for the purposes of providing early reading intervention services to			
47	students in grades kindergarten through 3 who demonstrate deficiencies based on their			
48	individual performance on diagnostic tests which have been approved by the Department			
49	of Education. The Department of Education shall review the tests of any local school			
50	board that requests authority to use a test other than the state-provided test to ensure that			
51	such local test uses criteria for the early diagnosis of reading deficiencies that are similar			
52	to those criteria used in the state-provided test. The Department of Education shall make			
53	the state-provided diagnostic test used in this program available to local school divisions.			
54	School divisions shall report the results of the diagnostic tests to the Department of			
55	Education on an annual basis at a time to be determined by the Superintendent of Public			
56	Instruction.

4	school division in each year shall be determined by multiplying the projected number of			
5	students reported in each school division's fall membership in grades kindergarten, 1, 2, and 3			
6	by the percent of students who are determined to need services based on diagnostic tests			
7	administered in the most recent year that data is available in that school division.			
8	c. These payments are available to any school division that certifies to the Department of			
9	Education that an intervention program will be offered to such students and that each student			
10	who receives an intervention will be assessed again at the end of that school year. At the			
11	beginning of the school year, local school divisions shall partner with the parents of those			
12	third grade students in the division who demonstrate reading deficiencies, discussing with			
13	them a developed plan for remediation and retesting. Such intervention programs, at the			
14	discretion of the local school division, may include, but not be limited to, the use of: special			
15	reading teachers; trained aides; full-time early literacy tutors; volunteer tutors under the			
16	supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct			
17	in-class groups while the teacher provides direct instruction to the students who need extra			
18	assistance; or extended instructional time in the school day or year for these students.			
19	Localities receiving these payments are required to match these funds based on the composite			
20	index of local ability-to-pay.			
21	d. In the event that a school division does not use the diagnostic test provided by the			
22	Department of Education in the year that serves as the basis for updating the funding formula			
23	for this program but has used it in past years, the Department of Education shall use the most			
24	recent data available for the division for the state-provided diagnostic test.			
25	e. The results of all reading diagnostic tests and reading remediation shall be discussed with			
26	the student and the student's parent prior to the student being promoted to grade four.			
27	f. Funds appropriated for Standards of Quality Prevention, Intervention, and Remediation,			
28	Remedial Summer School, or At-Risk Add-On may also be used to meet the requirements of			
29	this program.			
30	16. Standards of Learning Algebra Readiness Payments			
31	a. An additional payment of \$15,775,313 the first year and \$15,781,896 the second year from			
32	the Lottery Proceeds Fund shall be disbursed by the Department of Education to local school			
33	divisions for the purposes of providing math intervention services to students in grades 6, 7, 8			
34	and 9 who are at-risk of failing the Algebra I end-of-course test, as demonstrated by their			
35	individual performance on diagnostic tests which have been approved by the Department of			
36	Education. These amounts reflect \$200,000 the first year and \$200,000 the second year			
37	apportioned to each school division to account for the cost of the diagnostic test. The			
38	Department of Education shall review the tests to ensure that such local test uses state-			
39	provided criteria for diagnosis of math deficiencies which are similar to those criteria used in			
40	the state-provided test. The Department of Education shall make the state-provided diagnostic			
41	test used in this program available to local school divisions. School divisions shall report the			
42	results of the diagnostic tests to the Department of Education on an annual basis at a time to			
43	be determined by the Superintendent of Public Instruction.			
44	b. These payments shall be based on the state's share of the cost of providing two and one-half			
45	hours of additional instruction each week for an estimated number of students in each school			
46	division at a student to teacher ratio of ten to one. The estimate number of students in each			
47	school division shall be determined by multiplying the projected number of students reported			
48	in each school division's fall membership by the percent of students that qualify for the			
49	federal Free Lunch Program.			
50	c. These payments are available to any school division that certifies to the Department of			
51	Education that an intervention program will be offered to such students and that each student			
52	who receives an intervention will be assessed again at the end of that school year. Localities			
53	receiving these payments are required to match these funds based on the composite index of			
54	local ability-to-pay.

21	provided for educational services to children residing in local or regional detention homes				
22	shall only be determined on the basis of children detained in such facilities through a court				
23	order issued by a court of the Commonwealth. The selection and employment of				
24	instructional and administrative personnel under such agreements will be the				
25	responsibility of the local school board in accordance with procedures as prescribed by the				
26	local school board. State payments for the first year to the local school boards operating

38	the funding distributed on the basis of student enrollment in secondary vocational-				
39	technical courses. State funds received for secondary vocational-technical equipment must				
40	be used to supplement, not supplant, any funds currently provided for secondary				
41	vocational-technical equipment within the locality. Local school divisions are not required				
42	to provide a local match in order to receive these state funds.				
43	c.1) This appropriation includes an additional \$2,000,000 the first year and \$2,000,000 the

2	a. Appropriations in this Item include \$125,000 the first year and \$125,000 the second				
3	year from the general fund for the ongoing literacy programs conducted by Mountain				
4	Empire Community College.				
5	b. Out of this appropriation, the Department of Education shall provide \$100,000 the first				
6	year and \$100,000 the second year from the general fund for the Virginia Literacy				
7	Foundation grants to support programs for adult literacy including those delivered by				
8	community-based organizations and school divisions providing services for adults with 0-				
9	9th grade reading skills.				
10	26. Governor's School Payments				
11	a. Out of the amounts for Governor's School Payments, the Department of Education shall				
12	provide assistance for the state share of the incremental cost of regular school year				
13	Governor's Schools based on each participating locality's composite index of local ability-				
14	to-pay. Participating school divisions must certify that no tuition is assessed to students for				
15	participation in this program.				
16	b.1) Out of the amounts for Governor's School Payments, the Department of Education				
17	shall provide assistance for the state share of the incremental cost of summer residential				
18	Governor's Schools and Foreign Language Academies to be based on the greater of the				
19	state's share of the composite index of local ability-to-pay or 50 percent. Participating				
20	school divisions must certify that no tuition is assessed to students for participation in this				
21	program if they are enrolled in a public school.				
22	2) Out of the amounts for Governor's School Payments, \$41,000 the first year and \$41,000				
23	the second year is provided to support the Hanover Regional Summer Governor's School				
24	for Career and Technical Advancement, which was established pursuant to Chapter 425,				
25	2014 Acts of Assembly, and Chapter 665, 2015 Acts of Assembly.				
26	c. For the Summer Governor's Schools and Foreign Language Academies programs, the				
27	Superintendent of Public Instruction is authorized to adjust the tuition rates, types of				
28	programs offered, length of programs, and the number of students enrolled in order to				
29	maintain costs within the available state and local funds for these programs.				
30	d. It shall be the policy of the Commonwealth that state general fund appropriations not be				
31	used for capital outlay, structural improvements, renovations, or fixed equipment costs				
32	associated with initiation of existing or proposed Governor's schools. State general fund				
33	appropriations may be used for the purchase of instructional equipment for such schools,				
34	subject to certification by the Superintendent of Public Instruction that at least an equal				
35	amount of funds has been committed by participating school divisions to such purchases.				
36	e. The Board of Education shall not take any action that would increase the state's share of				
37	costs associated with the Governor's Schools as set forth in this Item. This provision shall				
38	not prohibit the Department of Education from submitting requests for the increased costs				
39	of existing programs resulting from updates to student enrollment for school divisions				
40	currently participating in existing programs or for school divisions that begin participation				
41	in existing programs.				
42	f.1) Regular school year Governor's Schools are funded through this Item based on the				
43	state's share of the incremental per pupil cost for providing such programs for each student				
44	attending a Governor's School up to a cap of 1,800 students per Governor's School in the				
45	first year and a cap of 1,800 students per Governor's School in the second year. This				
46	incremental per pupil payment shall be adjusted for the composite index of the school				
47	division that counts such students attending an academic year Governor's School in their				
48	March 31 Average Daily Membership. It is the intent of the General Assembly that this				
49	incremental per pupil amount be in addition to the basic aid per pupil funding provided to				
50	the affected school division for such students. Therefore, local school divisions are				
51	encouraged to provide the appropriate portion of the basic aid per pupil funding to the				
52	Governor's Schools for students attending these programs, adjusted for costs incurred by				
53	the school division for transportation, administration, and any portion of the day that the				
54	student does not attend a Governor's School.

3	fifty percent of the full-year funded per pupil amount. Funding for students attending a			
4	revolving Academic Year program will be adjusted based upon actual September 30th and			
5	January 30th enrollment each fiscal year. For purposes of this Item, revolving programs shall

7	3) Students attending a continuous, non-revolving Academic Year Governor's School			
8	program shall be counted as a full-time equivalent student and will be funded for the full-year			
9	funded per pupil amount. Funding for students attending a continuous, non-revolving			
10	Academic Year Governor's School program will be adjusted based upon actual September			
11	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-revolving			
12	programs shall mean Academic Year Governor's School programs that only admit students at			
13	the beginning of the school year. Fairfax County Public Schools shall not reduce local per			
14	pupil funding for the Thomas Jefferson Governor's School below the amounts appropriated			
15	for the 2003-2004 school year.			
16	g. All regional Governor's Schools are encouraged to provide full-day grades 9 through 12

18	h. Out of the appropriation included in paragraph C.37. of this item, \$1,052,140 the first year			
19	and \$2,402,751 the second year from the general fund is provided in the Academic Year			
20	Governor's School funding allocation to increase the per pupil amount as an add-on for a			
21	compensation supplement equal to 5.0 percent of base pay on August 1, 2022, and an			
22	additional 5.0 percent of base pay on July 1, 2023, for Academic Year Governor's School			
23	instructional and support positions.			
24	i. Each Academic Year Governor's School shall set diversity goals for its student body and			
25	faculty, develop a plan to meet said goals in collaboration with community partners at public			
26	meetings, and such goals and plan shall be published on the school's website. Each school			
27	shall submit a report to the Governor by October 1 of each year on its goals and status of			
28	implementing its plan, and such report shall be published on the school's website. The report			
29	shall include, but not be limited to the following: utilization of universal screenings in feeder			
30	divisions; admission processes in place or under consideration that promote access for			
31	historically underserved students; and outreach and communication efforts deployed to recruit			
32	historically underserved students. The report shall include the racial/ethnic make-up and			
33	socioeconomic diversity of its students, faculty, and applicants.			
34	27. School Nutrition Payments			
35	It is provided that, subject to implementation by the Superintendent of Public Instruction, no			
36	disbursement shall be made out of the appropriation for school nutrition to any locality in			
37	which the schools permit the sale of competitive foods in food service facilities or areas			
38	during the time of service of food funded pursuant to this Item.			
39	28. School Breakfast Payments			
40	a. Out of this appropriation, \$9,637,895 the first year and \$11,898,741 the second year from			
41	the Lottery Proceeds Fund is included to continue a state funded incentive program to			
42	maximize federal school nutrition revenues and increase student participation in the school			
43	breakfast program. These funds are available to any school division as a reimbursement for			
44	breakfast meals served that are in excess of the baseline established by the Department of			
45	Education. The per meal reimbursement shall be \$0.22; however, the department is			
46	authorized, but not required to reduce this amount proportionately in the event that the actual			
47	number of meals to be reimbursed exceeds the number on which this appropriation is based so			
48	that this appropriation is not exceeded.			
49	b. In order to receive these funds, school divisions must certify that these funds will be used to			
50	supplement existing funds provided by the local governing body and that local funds derived			
51	from sources that are not generated by the school nutrition programs have not been reduced or			
52	eliminated. The funds shall be used to improve student participation in the school breakfast			
53	program. These efforts may include, but are not limited to, reducing the per meal price paid			
54	by students, reducing competitive food sales in order to improve the quality of nutritional			
55	offerings in schools, increasing access to the school breakfast program, or providing programs

2	these funds be used to reduce local tax revenues below the level appropriated to school			
3	nutrition programs in the prior year. Further, these funds must be provided to the school			
4	nutrition programs and may not be used for any other school purpose.			
5	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year			
6	from the general fund is provided to fund an After-the-Bell Model breakfast program			
7	available on a voluntary basis to elementary, middle, and high schools where student			
8	eligibility for free or reduced lunch exceeds 45.0 percent for the participating eligible			
9	school, and to provide additional reimbursement for eligible meals served in the current			
10	traditional school breakfast program at all grade levels in any participating school. The			
11	Department of Education is directed to ensure that only eligible schools receive			
12	reimbursement funding for participating in the After-the-Bell school breakfast model. The			
13	schools participating in the program shall evaluate the educational impact of the models			
14	implemented that provide school breakfasts to students after the first bell of the school			
15	day, based on the guidelines developed by the Department of Education and submit the			
16	required report to the Department of Education no later than August 31 each year.			
17	2) The Department of Education shall communicate, through Superintendent's Memo, to			
18	school divisions the types of breakfast serving models and the criteria that will meet the			
19	requirements for this State reimbursement, which may include, but are not limited to,			
20	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School			
21	divisions may determine the breakfast serving model that best applies to its students, so			
22	long as it occurs after the instructional day has begun. The Department of Education shall			
23	monthly transfer to each school division a reimbursement rate of \$0.05 per breakfast meal			
24	that meets either of the established criteria in elementary schools and a reimbursement rate			
25	of \$0.10 per breakfast meal that meets either of the established criteria in middle or high			
26	schools.			
27	3) No later than July 1 each year, the Department of Education shall provide for a			
28	breakfast program application process for school divisions with eligible schools, including			
29	guidelines regarding specified required data to be compiled from the prior school year or			
30	years and for the upcoming school year program. The number of approved applications			
31	shall be based on the estimated number of sites that can be accommodated within the			
32	approved funding level. The Department of Education shall set criteria for establishing			
33	priority should the number of applications from eligible schools exceed the approved			
34	funding level. The reporting requirements must include: chronic absenteeism rates, student			
35	attendance and tardy arrivals, office discipline referrals, student achievement measures,			
36	teachers' and administrators' responses to the impact of the program on student hunger,			
37	student attentiveness, and overall classroom learning environment before and after			
38	implementation, and the financial impact on the division's school food program. Funded			
39	schools that do not provide data by August 31 are subject to exclusion from funding in the			
40	following year. The Department of Education shall collect and compile the results of the			
41	breakfast program and shall submit the report to the Governor and the Chairs of the House			
42	Appropriations and Senate Finance and Appropriations Committees no later than			
43	November 1 following each school year.

45	This appropriation includes \$1,000,000 the first year and \$1,000,000 the second year from			
46	the Lottery Proceeds Fund to be paid to local school divisions for statewide Mentor			
47	Teacher Programs to assist pre-service teachers and beginning teachers to make a			
48	successful transition into full-time teaching. This appropriation also includes \$318,750 the			
49	first year and \$318,750 the second year from the general fund for Clinical Faculty			
50	programs to assist pre-service teachers and beginning teachers to make a successful			
51	transition into full-time teaching. Such programs shall include elements which are			
52	consistent with the following:			
53	a. An application process for localities and school/higher education partnerships that wish			
54	to participate in the programs;			
55	b. For Clinical Faculty programs only, provisions for a local funding or institutional

5	programs;			
6	d. The Department of Education shall allow flexibility to local school divisions and higher			
7	education institutions regarding compensation for clinical faculty and mentor teachers			
8	consistent with these elements of the programs; and			
9	e. It is the intent of the General Assembly that no preference between pre-service or beginning			
10	teacher programs be construed by the language in this Item. School divisions operating			
11	beginning teacher mentor programs shall receive equal consideration for funding.

20	To provide flexibility, school divisions may use the state grants for the actual assessment or			
21	for other industry certification preparation and testing.			
22	32. Early Reading Specialists Initiative			
23	a. An additional payment of \$3,476,790 the first year and \$3,476,790 the second year from			
24	the general fund shall be disbursed by the Department of Education to qualifying local school			
25	divisions for the purpose of providing a reading specialist for schools with a third grade that			
26	rank lowest statewide on the reading Standards of Learning (SOL) assessments. Funding for a			
27	reading specialist during the 2022-2024 biennium shall be based on the results of the Spring			
28	2021 reading SOL assessments. Such schools shall be eligible to receive the state share of			
29	funding for both years of the biennium. Following certification from a school division that it			
30	will not participate in the program, the Department is authorized to identify additional eligible			
31	schools based upon the list of schools that rank lowest on the Spring 2021 SOL reading			
32	assessment.			
33	b. These payments shall be based on the state's share of the cost of providing one reading			
34	specialist per qualifying school.			
35	c. These payments are available to any school division with a qualifying school that certifies			
36	to the Department of Education that the division has hired a reading specialist or reading			
37	coach to provide direct services to children reading below grade level in the school to improve			
38	reading achievement for the purpose of creating additional instructional time for reading			
39	specialists or reading coaches to work with students reading below grade level to improve			
40	reading achievement. Additionally, school divisions shall certify that the reading specialists			
41	or reading coaches hired pursuant to this program are in addition to the reading specialist			
42	positions funded through Basic Aid and required pursuant to B.7.h. of this Item to serve			
43	students at the qualifying school.			
44	d. These payments also are available to any school division with a qualifying school that			
45	certifies to the Department of Education that the division is supporting tuition for collegiate			
46	programs and instruction for currently employed instructional school personnel to earn the			
47	credentials necessary to meet licensure requirements to be endorsed as a reading			
48	specialist. Additionally, school divisions shall certify that the currently employed			
49	instructional school personnel whose tuition is supported pursuant to this program are in			
50	addition to the reading specialist positions funded through Basic Aid and required pursuant to			
51	B.7.h. of this Item to serve students at the qualifying school.			
52	e. School divisions receiving these payments are required to match these funds based on the			
53	composite index of local ability-to-pay.

3	33. Math/Reading Instructional Specialist Initiative			
4	a. Included in this appropriation is \$1,834,538 the first year and \$1,834,538 the second			
5	year from the general fund in additional payments for reading or math instructional			
6	specialists at underperforming schools. From this amount, the state share of one reading or			
7	math specialist shall be provided to local school divisions with schools which rank lowest			
8	statewide on the Spring Standards of Learning (SOL) math or reading assessment.			
9	Funding for one math or reading specialist during the 2022-2024 biennium shall be based			
10	on the results of the Spring 2021 SOL assessments. Such schools shall be eligible to			
11	receive the state share of funding for both years of the biennium. If, following certification			
12	from a school division that it will not participate in the program, the Department is			
13	authorized to identify additional eligible schools based upon the list of schools that rank			
14	lowest on the Spring 2021 SOL math or reading assessment.			
15	b. These payments are available to any school division with a qualifying school that			
16	certifies to the Department of Education that the division has (1) hired a math or reading			
17	instructional specialist, or (2) is supporting tuition for collegiate programs and instruction			
18	for currently employed instructional school personnel to earn the credentials necessary to			
19	meet licensure requirements to be endorsed as a math specialist or a reading specialist.			
20	Localities receiving these payments are required to match these funds based on the			
21	composite index of local ability-to-pay.			
22	c. School divisions that elect to use funding to support tuition for collegiate programs and			
23	instruction for currently employed instructional school personnel pursuant to paragraph b.			
24	shall provide documentation of these costs to the Department of Education prior to			
25	receiving state funds. The Department of Education shall provide state funding for the			
26	lesser of the actual cost or the state share of a math or reading specialist position per			
27	eligible school for funds used in such a manner.			
28	d. The Department of Education is authorized to utilize available funding appropriated to			
29	the Early Reading Specialist Initiative contained in this Item to pay for instructional			
30	specialists at additional eligible schools, or to support tuition for collegiate programs and			
31	instruction for currently employed instructional school personnel at additional eligible			
32	schools to earn the credentials necessary to meet licensure requirements to be endorsed as			
33	an instructional specialist.			
34	e. Within the fiscal year, any funds not awarded from this program may be awarded to			
35	eligible schools under the Early Reading Specialists Initiative.			
36	f. The Department of Education may award prorated state funds for specialist positions			
37	filled after the beginning of the school year.			
38	34. Broadband Connectivity Capabilities			
39	By November 1 each year, school divisions shall report to the Department of Education			
40	the status of broadband connectivity capability of schools in the division on a form to be			
41	provided by the Department. Such report shall include school-level information on the			
42	method of Internet service delivery, the level of bandwidth capacity and the degree such			
43	capacity is sufficient for delivery of school-wide digital resources and instruction, degree			
44	of internet connectivity via Wi-Fi, cost information related to Internet connectivity, data			
45	security, and such other pertinent information as determined by the Department of			
46	Education. The Department shall provide a summary of the division responses in a report			
47	to be made available on its agency Web site.			
48	35. Infrastructure and Operations Per Pupil Funds			
49	a. Out of this appropriation, an amount estimated at \$276,361,274 the first year and			
50	\$276,361,272 the second year from the Lottery Proceeds Fund shall be disbursed by the			
51	Department of Education to local school divisions to support the state share of an

2	collected each year. These funds shall be matched by the local government, based on the			
3	composite index of local ability-to-pay. Further, in order to receive this funding, the locality			
4	in which the school division is located shall appropriate these funds solely for educational			
5	purposes and shall not use such funds to reduce total local operating expenditures for public			
6	education below the amount expended by the locality for such purposes in the year upon			
7	which the 2020-2022 biennial Standards of Quality expenditure data were based; provided			
8	however that no locality shall be required to maintain a per-pupil expenditure which is greater			
9	than the per pupil amount expended by the locality for such purposes in the year upon which			
10	the 2020-2022 biennial Standards of Quality expenditure data were based. The Department of			
11	Education is authorized each year to temporarily suspend Infrastructure and Operations Per			
12	Pupil Allocation payments made to school divisions from Lottery funds to ensure that any			
13	shortfall in Lottery revenue can be accounted for in the remaining Infrastructure and			
14	Operations Per Pupil Allocation payments to be made for the year.			
15	b. From the amounts listed above, funds are provided to ensure that small school divisions			
16	receive an Infrastructure and Operations payment of at least \$200,000 each year. Divisions			
17	receiving additional funds for a payment of at least \$200,000 shall only be required to provide			
18	the local match on the per pupil amount distributed in paragraph C.35.a.			
19	c. Of the amounts listed above, no more than 60 percent shall be used for recurring costs and			
20	at least 40 percent shall be spent on nonrecurring expenditures by the relevant school			
21	divisions. Nonrecurring costs shall include school construction, additions, infrastructure, site			
22	acquisition, renovations, school buses, technology, and other expenditures related to			
23	modernizing classroom equipment, and debt service payments on school projects completed			
24	or initiated during the last 10 years. The Department of Education shall consider such			
25	nonrecurring expenses by school divisions from local funds to be credited toward their			
26	required local match under this program.			
27	d. Any funds provided to school divisions that are unexpended as of June 30, 2023, and June			
28	30, 2024, shall not revert to the Commonwealth but shall be carried on the books of the			
29	locality in local escrow accounts pursuant to § 22.1-175.5, to be appropriated to the school			
30	division for use for the same purpose.			
31	36. Special Education Endorsement Program			
32	a. Notwithstanding § 22.1-290.02, Code of Virginia, out of this appropriation, \$437,186 the			
33	first year and \$437,186 the second year from the general fund is provided for traineeships and			
34	program operation grants that shall be awarded to public Virginia institutions of higher			
35	education to prepare persons who are employed in the public schools of Virginia, state			
36	operated programs, or regional special education centers as special educators with a			
37	provisional license and enrolled either part-time or full-time in programs for the education of			
38	children with disabilities. Applicants shall be graduates of a regionally accredited college or			
39	university.			
40	b. The award of such grants shall be made by the Department of Education, and the number of			
41	awards during any one year shall depend upon the amounts appropriated by the General			
42	Assembly for this purpose. The amount awarded for each traineeship shall be \$600 for a			
43	minimum of three semester hours of course work in areas required for the special education			
44	endorsement to be taken by the applicant during a single semester or summer session. Only			
45	one traineeship shall be awarded to a single applicant in a single semester or summer session.			
46	37. Compensation Supplement			
47	a. Out of this appropriation, \$231,754,237 the first year and \$525,462,688 the second year			
48	from the general fund is provided for the state share of the following salary increases and			
49	related fringe benefit costs:			
50	1) For the first year, a 5.0 percent salary increase effective August 1, 2022, for funded SOQ			
51	instructional and support positions. Sufficient funds are appropriated in this act to finance, on			
52	a statewide basis, the state share of up to a 5.0 percent salary increase effective August 1,			
53	2022, to school divisions that certify to the Department of Education that an equivalent			
54	increase will be provided to instructional and support personnel the first year. The state share			
55	of funding provided to a school division in support of this compensation supplement shall be

2	the first year; however, to access these funds, a school division must provide at least an			
3	average 2.5 percent salary increase the first year.			
4	2) For the second year, an additional 5.0 percent salary increase effective July 1, 2023, for			
5	funded SOQ instructional and support positions. Sufficient funds are appropriated in this			
6	act to finance, on a statewide basis, the state share of up to an additional 5.0 percent salary			
7	increase effective July 1, 2023, to school divisions that certify to the Department of			
8	Education that an equivalent increase will be provided to instructional and support			
9	personnel the second year. The state share of funding provided to a school division in			
10	support of this compensation supplement shall be prorated for school divisions that			
11	provide less than an additional average 5.0 percent salary increase the second year;			
12	however, to access these funds, a school division must provide at least an average 2.5			
13	percent salary increase the first year and at least an additional average 2.5 percent salary			
14	increase the second year.			
15	3) Payments in the second year to any school division shall be based on providing the			
16	funds needed to continue the first year increase actually provided by the division plus the			
17	increase provided by the division in the second year.			
18	b. Out of this appropriation, \$1,052,140 the first year and \$2,402,751 the second year from			
19	the general fund is provided for the state share of the salary increases stated in paragraph			
20	a. above for Academic Year Governor's Schools, and \$750,443 the first year and			
21	\$1,648,377 the second year from the Lottery Proceeds fund is provided for the state share			
22	of these salary increases for Regional Alternative Education Programs.			
23	c. It is the intent that the average instructional and support position salaries are increased			
24	in local school divisions throughout the state by at least 5.0 percent the first year, at least			
25	an additional 5.0 the second year, resulting in a combined increase of at least 10.25			
26	percent during the biennium.			
27	d. The state funds that the school division is eligible to receive shall be matched by the			
28	local government based on the composite index of local ability-to-pay. This local match			
29	shall be calculated for funded SOQ instructional and support positions using an effective			
30	date of August 1, 2022, the first year and July 1, 2023, the second year. Local school			
31	divisions shall certify to the Department of Education that funds used as the local match			
32	are derived solely from local revenue sources.			
33	e. This funding is not intended as a mandate to increase salaries.			
34	38. School Meals Expansion			
35	Out of this appropriation, \$4,100,000 the first year and \$4,100,000 the second year from			
36	the general fund is provided for local school divisions to reduce or eliminate the cost of			
37	school breakfast and school lunch for students who are eligible for reduced price meals			
38	under the federal National School Lunch Program and School Breakfast Program. The			
39	Department of Education is authorized to reduce this amount proportionately so as not to			
40	exceed this appropriation.			
41	39. Alleghany County - Covington City School Division Consolidation Incentive			
42	Out of this appropriation, \$600,000 the first year and \$600,000 the second year from the			
43	general fund is provided as an incentive for the consolidation of the Alleghany County and			
44	Covington City school divisions. These incentive payments represent the third and fourth			
45	installments of five \$600,000 payments as recommended for this consolidation incentive			
46	through the methodology contained in the Study on School Division Joint Contracting			
47	Incentives (Report Document 548, 2016). In fiscal year 2025, \$600,000 shall be provided			
48	as the incentive payment, with no adjustments.

50	Out of this appropriation, \$177,079,892 the first year and \$177,441,317 the second year			
51	from the general fund is provided to support an additional payment based on the state's			
52	share of Standards of Quality Basic Aid and Special Education payments to school			
53	divisions in the 2022-2024 biennium in response to unanticipated reductions in the base

2	support costs. This additional payment is based on child count and local expenditure			
3	projections for the base year rebenchmarking data that was affected by the mandatory school			
4	closings and virtual school settings that resulted from the COVID-19 pandemic. The projected			
5	data supporting this additional payment shall remain constant for the 2022-2024 biennium,			
6	and no subsequent technical updates shall be made to the data during the biennium that affect			
7	the appropriated amounts. These funds are provided to local school divisions pursuant to the			
8	Standards of Quality and shall be matched by the local government based on the composite			
9	index of local ability-to-pay. The Department of Education shall account for these funds in its			
10	calculations for required local effort, pursuant to paragraph B.8. of this Item and § 22.1-97,			
11	Code of Virginia. Local school divisions shall use these funds to support expenses allowable			
12	under Standards of Quality Basic Aid and Special Education.			
13	41. School Construction Grants Program			
14	a. Out of this appropriation, \$400,000,000 the first year from the general fund is provided for

18	equipment, school safety equipment or school safety renovations, and debt service payments			
19	on school projects completed or initiated during the last ten years. These funds shall not be			
20	used for the repair or replacement of parking lots or the replacement or modernization of			
21	school facilities that are predominantly used for extracurricular athletics activities.			
22	b. For any school construction projects funded with these grant proceeds, school divisions are			
23	encouraged to utilize best practices for construction and renovation, which may include value			
24	engineering, Leadership in Energy and Environmental Design (LEED) standards, or other			
25	relevant standards that would improve the health, safety, and quality of educational facilities.			
26	c. Any funds provided to school divisions for school construction that are unexpended as of			
27	June 30, 2023, and June 30, 2024, shall not revert to the Commonwealth but shall be carried			
28	on the books of the locality in local escrow accounts pursuant to § 22.1-175.5, to be			
29	appropriated to the school division for use for the same purposes listed in Item 137 C.41.a.			
30	42. Supplemental Support for Accomack and Northampton			
31	An additional state payment of \$1,750,000 the first year from the Lottery Proceeds Fund shall			
32	be disbursed to provide one-time support to Accomack and Northampton school divisions for			
33	teacher recruitment and retention efforts, including adjustments to salary scales to minimize			
34	the misalignment to salary scales of adjacent counties.			
35	43. School Construction Assistance Program.			
36	a. Out of this appropriation, \$400,000,000 the first year from the general fund and			
37	\$50,000,000 the first year from the Literary Fund shall be transferred into the School			
38	Construction Fund for the Board of Education to award grants on a competitive basis from the			
39	Fund to local school boards that demonstrate poor building conditions, commitment, and need			
40	in order for such local school boards to fund the construction, expansion, or modernization of			
41	public school buildings. Any unobligated balance for this program on June 30, 2023, shall be			
42	reappropriated for expenditure in the second year for the same purpose.			
43	b. The Board of Education shall develop guidelines for the administration of this program,			
44	which shall provide at a minimum that:			
45	1. Grants shall be provided only for projects that conform to the Department of Education's			
46	"Guidelines for School Facilities in Virginia's Public Schools," as amended.			
47	2. Grant awards shall be based on project costs, including planning, design, site acquisition			
48	and construction, the school division's local composite index, and the fiscal stress category as			
49	designated by the Virginia Commission on Local Government in its most recent "Report on			
50	Comparative Revenue Capacity, Revenue Effort, and Fiscal Stress of Virginia's Counties and			
51	Cities" for the locality that contains the school division, as follows:

4	School divisions with a local composite index value at or	20 percent of project costs		
5	above .3000 and below .4000, or contained in a locality			
6	designated with above average fiscal stress			
7	All other school divisions	10 percent of project costs		
8	3. A minimum qualifying score shall be met for a project to qualify for a grant award			
9	based on Board-developed scoring criteria. The Board shall set such minimum score at a			
10	level to ensure funds are reserved for critical school construction projects. Such scoring			
11	criteria shall provide appropriate weight to the following categories for the award of			
12	grants:			
13	a.) Commitment, which may be demonstrated by factors such as: (i) an agreement by the			
14	local governing body to maintain or increase the percentage of local revenues dedicated to			
15	public education throughout the duration of the financing proposed for the project and (ii)			
16	the extent of project design and site acquisition for such project that has been completed

20	locality in which the local school division is located with incomes at or below the federal			
21	poverty guidelines established by the U.S. Department of Health and Human Services;			
22	(iii) the local composite index of local ability-to-pay for the local school division; (iv) debt			
23	capacity of the locality in which the school division is located; and (v) the most recent			
24	fiscal stress score of the locality that includes the local school division as designated by			
25	the Virginia Commission on Local Government.			
26	c.) Poor school building conditions, which may consider factors such as: (i) the condition			
27	of the facilities proposed to be replaced or upgraded using these funds, including the			
28	current level of compliance of the existing facility with the Americans with Disabilities			
29	Act of 1990 (42 U.S.C. § 12101 et seq.) and the facilities potential threat to the health or			
30	safety of building occupants; (ii) the school division maintenance reserve tool established			
31	pursuant to Chapter 650 of the 2022 General Assembly; and (iii) the overall condition of			
32	other facilities within the school division.			
33	4. If qualifying grant award requests exceed the amount of funds available, grants shall be			
34	awarded based on ranked project scores, and shall not be prorated.			
35	5. The release of funds to grant awardees shall be reasonably aligned with the timing of			
36	incurred expenses.			
37	6. A specific project shall only receive one grant award. The total project cost eligible to			
38	receive a grant shall be up to \$100,000,000. Grant awards shall not be amended for any			
39	additional reasonable project costs after the Board awards a grant to a division.			
40	c. For the purpose of this program, "project costs" shall include reasonable project			
41	construction costs as defined by the Board, including planning, design, site acquisition and			
42	construction, and not to include financing costs, outdoor facilities predominantly used for			
43	extracurricular athletic activities, loose equipment, and furniture.			
44	d. The Board of Education shall submit an executive summary of the program, including			
45	details on projects funded each year and any necessary legislative or budget			
46	recommendations to improve the program, no later than December 1 of each year to the			
47	Chairs of the House Education Committee, Senate Education and Health Committee,			
48	House Appropriations Committee, and Senate Finance and Appropriations Committee.			
49	44. College Partnership Laboratory Schools Fund			
50	a. Out of this appropriation, \$100,000,000 the first year from the general fund shall be			
51	deposited to the College Partnership Laboratory Schools Fund established pursuant to §

7 A.1. The Secretary of Health and Human Resources, in collaboration with the Office of the
 8 Attorney General and the Secretary of Public Safety and Homeland Security, shall present a
 9 six-year forecast of the adult offender population presently incarcerated in the Department of
 10 Corrections and approaching release who meet the criteria set forth in Chapter 863 and
 11 Chapter 914 of the 2006 Acts of Assembly, and who may be eligible for evaluation as
 12 sexually violent predators (SVPs) for each fiscal year within the six-year forecasting period.
 13 As part of the forecast, the secretary shall report on: (i) the number of Commitment Review
 14 Committee (CRC) evaluations to be completed; (ii) the number of eligible inmates
 15 recommended by the CRC for civil commitment, conditional release, and full release; (iii) the
 16 number of civilly committed residents of the Virginia Center for Behavioral Rehabilitation
 17 who are eligible for annual review; and (iv) the number of individuals civilly committed to the
 18 Virginia Center for Behavioral Rehabilitation and granted conditional release from civil
 19 commitment in a state SVP facility. The secretary shall complete a summary report of current
 20 SVP cases and a forecast of SVP eligibility, civil commitments, and SVP conditional releases,
 21 including projected bed space requirements, to the Governor and Senate Finance and
 22 Appropriations and House Appropriations Committees by November 15 of each year.

23 2. As part of the forecast process, the Department of Corrections shall administer a STATIC-

 25 pursuant to § 37.2-900 et seq., Code of Virginia, within six months of admission to the
 26 Department of Corrections. The results of such screenings shall be provided to the

 28 on a monthly basis and used for the SVP population forecast process.

29 3. The Office of the Attorney General shall also provide to the commissioner of DBHDS, on a
 30 monthly basis, the status of all SVP cases pending before their office for purposes of
 31 forecasting the SVP population.

32 B. The Secretary of Health and Human Resources shall create a trauma-informed care
 33 workgroup to develop a shared vision and definition of trauma-informed care for agencies
 34 within the Health and Human Resources Secretariat. The workgroup shall include
 35 representatives from the Departments of Social Services, Behavioral Health and
 36 Developmental Services, Medical Assistance Services, and Health, as well as stakeholders,
 37 researchers, community organizations and representatives from impacted communities. The
 38 workgroup shall also (i) examine Virginia's applicable child and family-serving programs and
 39 data; (ii) develop strategies to build a trauma-informed system of care for children, using best
 40 practices for families who are impacted by the human service delivery system; (iii) identify
 41 indicators to measure progress in developing such a system of care; (iv) identify needed
 42 professional development/training in trauma-informed practices for all child-serving

 44 system. In addition, the workgroup shall explore opportunities to expand trauma-informed

2	and Senate Finance and Appropriations Committees, and other agencies as deemed				
3	appropriate by the respective Secretaries. The purpose of the workgroup shall be to				
4	evaluate common business requirements for electronic health records to ensure				
5	consistency and interoperability with other partner state and local agencies and public and				
6	private health care entities to the extent allowed by federal and state law and regulations.				
7	The goal of the workgroup is to develop an integrated EHR which may be shared as				
8	appropriate with other partner state and local agencies and public and private health care				
9	entities. The workgroup shall evaluate the DBHDS statement of work developed for its				
10	EHR system and the DBHDS platform for potential adaption and/or use by state agencies				
11	in order to develop an integrated statewide EHR.				
12	2. The workgroup may consider and evaluate other EHR systems that may be more				
13	appropriate to meet specific agency needs and evaluate the cost-effectiveness of pursuing a				
14	separate EHR system as compared to a statewide integrated EHR. However, the				
15	workgroup shall ensure that standards are developed to ensure that EHRs can be shared as				
16	appropriate with public and private partner agencies and health care entities.				
17	3. The workgroup shall also develop an implementation timeline, cost estimates, and				
18	assess other issues that may need to be addressed in order to implement an integrated				
19	statewide EHR system. The timeline and cost estimates shall be used by the respective				
20	agencies to coordinate implementation. The workgroup shall report on its activities and				
21	any recommendations to the Joint Subcommittee on Health and Human Resources				
22	Oversight by November 1 of each year.				
23	D.1. The Secretary of Health and Human Resources shall develop a state innovation				
24	waiver under Section 1332 of the federal Patient Protection and Affordable Care Act (42

26	insurance market by reducing individual insurance premiums and out-of-pocket costs				
27	while preserving access to health insurance. The Secretary shall convene stakeholders to				
28	include representatives of health insurers, the State Corporation Commission Bureau of				
29	Insurance, consumer advocates, and others deemed necessary to assist in developing the

32	assistance to the Secretary of Health and Human Resources as requested.				
33	E. The Secretary of Health and Human Resources, in collaboration with the Virginia				
34	Department of Health and appropriate stakeholders, shall continue to support the efforts of				
35	the Virginia Task Force on Primary Care. The Secretary shall assist the Task Force to				
36	enhance the financing, quality and delivery of primary care in the Commonwealth. The				
37	Secretary of Health and Human Resources, in collaboration with the Virginia Department				
38	of Health, shall report on task force activities to the Governor and Chairmen of the House				
39	Appropriations and Senate Finance and Appropriations Committees by December 1, 2022.				
40	F.1. The Secretary of Health and Human Resources shall establish a workgroup to review				
41	the current structure of the Department of Behavioral Health and Developmental Services				
42	(DBHDS) and make recommendations on modifications to the department's structure that				
43	improves the delivery of behavioral health and developmental disability services to the				
44	citizens of the Commonwealth. The workgroup shall include representatives of DBHDS,				
45	the Department of Medical Assistance Services, the Department of Planning and Budget,				
46	the Behavioral Health Commission and other entities as deemed necessary by the				
47	Secretary to complete the tasks of the workgroup. Specifically, the workgroup shall				
48	evaluate: (i) whether responsibility for developmental disability services is more				
49	appropriate in another state agency or a new state agency; (ii) whether community-based				
50	behavioral health services and the operations of the state mental health hospitals should be				
51	divided into separate entities; (iii) whether a different structure or model, such as public-				
52	private partnerships, is appropriate for the operation of state mental health hospitals; and				
53	(iv) whether the current structure for community-based services can be enhanced to better				
54	deliver services.				
55	2. Out of this appropriation, \$750,000 from the general fund the first year shall be				
56	provided for the Secretary of Health and Human Resources to contract for a feasibility

26	analysis of the necessary costs and funding needs to elevate aging services in a new structure.			
27	The workgroup shall evaluate all state aging services and programs and determine how they

40	individuals to the appropriate aid category that was assumed in the November 2021 forecast;			
41	(ii) evaluate the current plan, including the timeline, of the Department of Medical Assistance			
42	Services and the local departments of social services to redetermine Medicaid eligibility in the			
43	most efficient manner after the expiration of the maintenance of eligibility requirement; (iii)			
44	assess the resources and operational capabilities of the agencies to handle the increased			
45	workload efficiently; and (iv) make recommendations as appropriate to improve the			
46	unwinding process until its conclusion.			
47	2. At the direction of the Secretary of Health and Human Resources, the Department of

20	Services, Department of the Treasury, University of Virginia Health System, Virginia				
21	Commonwealth University Health System Authority, Department of Corrections,				
22	federally qualified health centers, local health departments, local school divisions,				
23	community service boards, local hospitals, and local governments, that focus on				
24	optimizing Medicaid claims and cost recoveries. Any revenues generated through these				
25	activities shall be transferred to the Virginia Health Care Fund to be used for the purposes				
26	specified in this Item.				
27	2. The Department of Medical Assistance Services shall retain the savings necessary to				
28	reimburse a vendor for its efforts to implement paragraph M.1. of this Item. However,				
29	prior to reimbursement, the department shall identify for the Secretary of Health and				
30	Human Resources each of the vendor's revenue maximization efforts and the manner in				
31	which each vendor would be reimbursed. No reimbursement shall be made to the vendor				
32	without the prior approval of the above plan by the Secretary.				
33	N. The Department of Medical Assistance Services shall have the authority to pay				
34	contingency fee contractors, engaged in cost recovery activities, from the recoveries that				
35	are generated by those activities. All recoveries from these contractors shall be deposited				
36	to a special fund. After payment of the contingency fee any prior year recoveries shall be				
37	transferred to the Virginia Health Care Fund. The Director, Department of Medical				
38	Assistance Services, shall report to the Chairmen of the House Appropriations and Senate				
39	Finance and Appropriations Committees the increase in recoveries associated with this				
40	program as well as the areas of audit targeted by contractors by November 1 each year.				
41	O. The Department of Medical Assistance Services in cooperation with the State				
42	Executive Council, shall provide semi-annual training to local Children's Services Act				
43	teams on the procedures for use of Medicaid for residential treatment and treatment foster				
44	care services, including, but not limited to, procedures for determining eligibility, billing,				
45	reimbursement, and related reporting requirements. The department shall include in this				
46	training information on the proper utilization of inpatient and outpatient mental health				
47	services as covered by the Medicaid State Plan.				
48	P.1. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, the Department of Medical				
49	Assistance Services, in consultation with the Department of Behavioral Health and				
50	Developmental Services, shall amend the State Plan for Medical Assistance Services to				
51	modify the delivery system of pharmaceutical products to include a Preferred Drug List.				
52	In developing the modifications, the department shall consider input from physicians,				
53	pharmacists, pharmaceutical manufacturers, patient advocates, and others, as appropriate.				
54	2.a. The department shall utilize a Pharmacy and Therapeutics Committee to assist in the				
55	development and ongoing administration of the Preferred Drug List program. The				
56	Pharmacy and Therapeutics Committee shall be composed of 8 to 12 members, including				
57	the Commissioner, Department of Behavioral Health and Developmental Services, or his

2	shall include a ratio of physicians to pharmacists of 2:1 and the department shall ensure that at			
3	least one-half of the physicians and pharmacists are either direct providers or are employed			
4	with organizations that serve recipients for all segments of the Medicaid population.			
5	Physicians on the committee shall be licensed in Virginia, one of whom shall be a			
6	psychiatrist, and one of whom specializes in care for the aging. Pharmacists on the committee			
7	shall be licensed in Virginia, one of whom shall have clinical expertise in mental health drugs,			
8	and one of whom has clinical expertise in community-based mental health treatment. The			
9	Pharmacy and Therapeutics Committee shall recommend to the department (i) which			
10	therapeutic classes of drugs should be subject to the Preferred Drug List program and prior			
11	authorization requirements; (ii) specific drugs within each therapeutic class to be included on			
12	the preferred drug list; (iii) appropriate exclusions for medications, including atypical anti-			
13	psychotics, used for the treatment of serious mental illnesses such as bi-polar disorders,			
14	schizophrenia, and depression; (iv) appropriate exclusions for medications used for the			
15	treatment of brain disorders, cancer and HIV-related conditions; (v) appropriate exclusions for			
16	therapeutic classes in which there is only one drug in the therapeutic class or there is very low			
17	utilization, or for which it is not cost-effective to include in the Preferred Drug List program;			
18	and (vi) appropriate grandfather clauses when prior authorization would interfere with			
19	established complex drug regimens that have proven to be clinically effective. In developing			
20	and maintaining the preferred drug list, the cost effectiveness of any given drug shall be			
21	considered only after it is determined to be safe and clinically effective.			
22	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-annually			
23	and may meet at other times at the discretion of the chairperson and members. At the			
24	meetings, the Pharmacy and Therapeutics committee shall review any drug in a class subject			
25	to the Preferred Drug List that is newly approved by the Federal Food and Drug			
26	Administration, provided there is at least thirty (30) days notice of such approval prior to the			
27	date of the quarterly meeting.			
28	3. The department shall establish a process for acting on the recommendations made by the			
29	Pharmacy and Therapeutics Committee, including documentation of any decisions which			
30	deviate from the recommendations of the committee.			
31	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-			
32	hour emergency supply of the prescribed drug when requested by a physician and a			
33	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization decisions to			
34	be made within 24 hours and timely notification of the recipient and/or the prescribing			
35	physician of any delays or negative decisions; (iii) an expedited review process of denials by			
36	the department; and (iv) consumer and provider education, training and information regarding			
37	the Preferred Drug List prior to implementation, and ongoing communications to include			
38	computer access to information and multilingual material.			
39	5. The Preferred Drug List program shall generate savings as determined by the department			
40	that are net of any administrative expenses to implement and administer the program.			
41	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the			
42	Department of Medical Assistance Services shall promulgate emergency regulations to			
43	become effective within 280 days or less from the enactment of this Act. With respect to such			
44	State Plan amendments and regulations, the provisions of § 32.1-331.12 et seq., Code of			
45	Virginia, shall not apply. In addition, the department shall work with the Department of			
46	Behavioral Health and Development Services to consider utilizing a Preferred Drug List			
47	program for its non-Medicaid clients.			
48	7. The Department of Medical Assistance Services shall (i) continually review utilization of			
49	behavioral health medications under the State Medicaid Program for Medicaid recipients; and			
50	(ii) ensure appropriate use of these medications according to federal Food and Drug			
51	Administration (FDA) approved indications and dosage levels. The department may also			
52	require retrospective clinical justification according to FDA approved indications and dosage			
53	levels for the use of multiple behavioral health drugs for a Medicaid patient. For individuals			
54	18 years of age and younger who are prescribed three or more behavioral health drugs, the			
55	department may implement clinical edits that target inefficient, ineffective, or potentially			
56	harmful prescribing patterns in accordance with FDA-approved indications and dosage levels.			
57	8. The Department of Medical Assistance Services shall ensure that in the process of

1	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers				
2	the value of including those prescription medications which improve drug regimen				
3	compliance, reduce medication errors, or decrease medication abuse through the use of				
4	medication delivery systems that include, but are not limited to, transdermal and injectable				
5	delivery systems.				
6	Q.1. The Department of Medical Assistance Services may amend the State Plan for				
7	Medical Assistance Services to modify the delivery system of pharmaceutical products to				
8	include a specialty drug program. In developing the modifications, the department shall				
9	consider input from physicians, pharmacists, pharmaceutical manufacturers, patient				
10	advocates, the Pharmacy Liaison Committee, and others as appropriate.				
11	2. In developing the specialty drug program to implement appropriate care management				
12	and control drug expenditures, the department shall contract with a vendor who will				
13	develop a methodology for the reimbursement and utilization through appropriate case				
14	management of specialty drugs and distribute the list of specialty drug rates, authorized				
15	drugs and utilization guidelines to medical and pharmacy providers in a timely manner				
16	prior to the implementation of the specialty drug program and publish the same on the				
17	department's website.				
18	3. In the event that the Department of Medical Assistance Services contracts with a				
19	vendor, the department shall establish the fee paid to any such contractor based on the				
20	reasonable cost of services provided. The department may not offer or pay directly or				
21	indirectly any material inducement, bonus, or other financial incentive to a program				
22	contractor based on the denial or administrative delay of medically appropriate				
23	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or				
24	a reduction in the proportion of beneficiaries who receive prescription drug therapy under				
25	the Medicaid program. Bonuses cannot be based on the percentage of cost savings				
26	generated under the benefit management of services.				
27	4. The department shall: (i) review, update and publish the list of authorized specialty				
28	drugs, utilization guidelines, and rates at least quarterly; (ii) implement and maintain a				
29	procedure to revise the list or modify specialty drug program utilization guidelines and				
30	rates, consistent with changes in the marketplace; and (iii) provide an administrative				
31	appeals procedure to allow dispensing or prescribing providers to contest the listed				
32	specialty drugs and rates.				
33	5. The department shall have authority to enact emergency regulations under § 2.2-4011 of				
34	the Administrative Process Act to effect these provisions.				
35	R.1. The Department of Medical Assistance Services shall reimburse school divisions who				
36	sign an agreement to provide administrative support to the Medicaid program and who				
37	provide documentation of administrative expenses related to the Medicaid program 50				
38	percent of the Federal Financial Participation by the department.				
39	2. The Department of Medical Assistance Services shall retain five percent of the Federal				
40	Financial Participation for reimbursement to school divisions for medical and				
41	transportation services.				
42	3. The Department shall amend the State Plan for Medical Assistance to allow payment of				
43	medical assistance services delivered to Medicaid-eligible students when such services				
44	qualify for reimbursement by the Virginia Medicaid program and may be provided by				
45	school divisions, regardless of whether the student receiving care has an individualized				
46	education program or whether the health care service is included in a student's				
47	individualized education program. Such services shall include those covered under the				
48	State Plan for medical assistance services or by the Early and Periodic Screening,				
49	Diagnostic, and Treatment (EPSDT) benefit as specified in § 1905(r) of the federal Social				
50	Security Act, and shall include a provision for payment of medical assistance for health				
51	care services provided through telemedicine services, as defined in § 38.2-3418.16. No				
52	health care provider who provides health care services through telemedicine shall be				
53	required to use proprietary technology or applications in order to be reimbursed for				
54	providing telemedicine services.				
55	S. In the event that the Department of Medical Assistance Services decides to contract for

1	pharmaceutical benefit management services to administer, develop, manage, or implement				
2	Medicaid pharmacy benefits, the department shall establish the fee paid to any such contractor				
3	based on the reasonable cost of services provided. The department may not offer or pay				
4	directly or indirectly any material inducement, bonus, or other financial incentive to a				
5	program contractor based on the denial or administrative delay of medically appropriate				
6	prescription drug therapy, or on the decreased use of a particular drug or class of drugs, or a				
7	reduction in the proportion of beneficiaries who receive prescription drug therapy under the				
8	Medicaid program. Bonuses cannot be based on the percentage of cost savings generated				
9	under the benefit management of services.				
10	T. The Department of Medical Assistance Services, in cooperation with the Department of				
11	Social Services' Division of Child Support Enforcement (DSCE), shall identify and report				
12	third party coverage where a medical support order has required a custodial or noncustodial				
13	parent to enroll a child in a health insurance plan. The Department of Medical Assistance				
14	Services shall also report to the DCSE third party information that has been identified through				
15	their third party identification processes for children handled by DCSE.				
16	U.1. Notwithstanding the provisions of § 32.1-325.1:1, Code of Virginia, upon identifying				
17	that an overpayment for medical assistance services has been made to a provider, the Director,				
18	Department of Medical Assistance Services shall notify the provider of the amount of the				
19	overpayment. Such notification of overpayment shall be issued within the earlier of (i) four				
20	years after payment of the claim or other payment request, or (ii) four years after filing by the				
21	provider of the complete cost report as defined in the Department of Medical Assistance				
22	Services' regulations, or (iii) 15 months after filing by the provider of the final complete cost				
23	report as defined in the Department of Medical Assistance Services' regulations subsequent to				
24	sale of the facility or termination of the provider.				
25	2. Notwithstanding the provisions of § 32.1-325.1, Code of Virginia, the director shall issue				
26	an informal fact-finding conference decision concerning provider reimbursement in				
27	accordance with the State Plan for Medical Assistance, the provisions of § 2.2-4019, Code of				
28	Virginia, and applicable federal law. The informal fact-finding conference decision shall be				
29	issued within 180 days of the receipt of the appeal request, except as provided herein. If the				
30	agency does not render an informal fact-finding conference decision within 180 days of the				
31	receipt of the appeal request or, in the case of a joint agreement to stay the appeal decision as				
32	detailed below, within the time remaining after the stay expires and the appeal timeframes				
33	resume, the decision is deemed to be in favor of the provider. An appeal of the director's				
34	informal fact-finding conference decision concerning provider reimbursement shall be heard				
35	in accordance with § 2.2-4020 of the Administrative Process Act (§ 2.2-4020 et seq.) and the				
36	State Plan for Medical Assistance provided for in § 32.1-325, Code of Virginia. The				
37	Department of Medical Assistance Services and the provider may jointly agree to stay the				
38	deadline for the informal appeal decision or for the formal appeal recommended decision of				
39	the Hearing Officer for a period of up to sixty (60) days to facilitate settlement discussions. If				
40	the parties reach a resolution as reflected by a written settlement agreement within the sixty-				
41	day period, then the stay shall be extended for such additional time as may be necessary for				
42	review and approval of the settlement agreement in accordance § 2.2-514 of the Code of				
43	Virginia. Once a final agency case decision has been made, the director shall undertake full				
44	recovery of such overpayment whether or not the provider disputes, in whole or in part, the				
45	informal fact-finding conference decision or the final agency case decision. Interest charges				
46	on the unpaid balance of any overpayment shall accrue pursuant to § 32.1-313, Code of				
47	Virginia, from the date the Director's agency case decision becomes final.				
48	V.1. The Department of Medical Assistance Services shall delay the last quarterly payment of				
49	certain quarterly amounts paid to hospitals, from the end of each state fiscal year to the first				
50	quarter of the following year. Quarterly payments that shall be delayed from each June to				
51	each July shall be Disproportionate Share Hospital payments, Indirect Medical Education				
52	payments, and Direct Medical Education payments. The department shall have the authority				
53	to implement this reimbursement change effective upon passage of this Act, and prior to the				
54	completion of any regulatory process undertaken in order to effect such change.				
55	2. The Department of Medical Assistance Services shall make the monthly capitation payment				
56	to managed care organizations for the member months of each month in the first week of the				
57	subsequent month. The department shall have the authority to implement this reimbursement				
58	schedule change effective upon passage of this Act, and prior to the completion of any

1	regulatory process undertaken in order to effect such change.			
2	3. In every June, the remittance that would normally be paid to providers on the last			
3	remittance date of the state fiscal year shall be delayed one week longer than is normally			
4	the practice. This change shall apply to the remittances of Medicaid and FAMIS providers.			
5	This change does not apply to providers who are paid a per-month capitation payment.			
6	The department shall have the authority to implement this reimbursement change effective			
7	upon passage of this Act, and prior to the completion of any regulatory process undertaken			
8	in order to effect such change.			
9	W. The Department of Medical Assistance Services shall impose an assessment equal to			
10	6.0 percent of revenue on all ICF-ID providers. The department shall determine			
11	procedures for collecting the assessment, including penalties for non-compliance. The			
12	department shall have the authority to adjust interim rates to cover new Medicaid costs as			
13	a result of this assessment.			
14	X.1. Effective July 1, 2021, the Department of Medical Assistance Services shall amend			
15	the State Plan for Medical Assistance to revise per diem rates paid to psychiatric			
16	residential treatment facilities (PRTF) using the provider's audited cost per day from the			
17	facility's cost report for provider fiscal years ending in state fiscal year 2018. New			
18	Virginia-based residential psychiatric facilities must submit proforma cost report data,			
19	which will be used to set the initial per diem rate for up to two years. After this period, the			
20	department shall establish a per diem rate based on an audited cost report for a 12-month			
21	period within the first two years of operation. Providers that do not submit cost reports			
22	shall be paid at 75% of the established rate ceiling. If necessary to enroll out-of-state			
23	providers for network adequacy, the department shall negotiate rates. If there is sufficient			
24	utilization, the department may require out-of-state providers to submit a cost report to			
25	establish a per diem rate. In-state and out-of-state provider per diem rates shall be subject			
26	to a ceiling based on the statewide weighted average cost per day from fiscal year 2018			
27	cost reports. The department shall have the authority to implement these changes effective			
28	July 1, 2021, and prior to the completion of any regulatory process undertaken in order to			
29	effect such change.			
30	2. The Department of Medical Assistance Services shall have the authority to establish			
31	rebasings of PRTF rates every three years. The first rebasing of rates shall take effect July			
32	1, 2023. All PRTF and Addiction and Rehabilitation Treatment Services (ARTS)			
33	providers who offer qualifying services under 12VAC30-70-418(C) shall be required to			
34	submit cost reports as a part of rebasing. Out of state providers with more than 1,500 paid			
35	days for Virginia Medicaid members in the most recently completed state fiscal year shall			
36	also be required to submit a cost report. A rate ceiling shall be established based on a			
37	statewide weighted average cost per day. Rate ceilings shall be established independently			
38	for PRTFs and participating ARTS residential services. The department shall have the			
39	authority to implement these changes effective July 1, 2022 and prior to the completion of			
40	any regulatory process to effect such change.			
41	3. DMAS shall also establish inflation increases for each non-rebasing fiscal year for both			
42	PRTF and qualifying ARTS providers. Inflation rates shall be tied to the Nursing Facility			
43	Moving Average as established by IHS Markit (or its successor). The most recent four			
44	quarters will be averaged to create the PRTF inflation rate. The department shall have the			
45	authority to implement these changes effective July 1, 2023, and prior to the completion of			
46	any regulatory process to effect such change.			
47	4. Effective July 1, 2022, the department shall adjust PRTF rates by 8.89% to account for			
48	inflation since the last audited cost report of fiscal year 2018. The rate ceiling shall			
49	increase to \$460.89 per day. The department shall have the authority to implement these			
50	changes effective July 1, 2022, and prior to the completion of any regulatory process to			
51	effect such change.			
52	Y. The Department of Medical Assistance Services shall seek federal authority through			
53	the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the			
54	Social Security Act to merge the Commonwealth Coordinated Care Plus and Medallion			
55	4.0 managed care programs, effective July 1, 2022, into a single, streamlined managed			
56	care program that links seamlessly with the fee-for-service program, ensuring an efficient			
57	and well-coordinated Virginia Medicaid delivery system that provides high-quality care to

2	the authority to promulgate emergency regulations to implement these amendments within				
3	280 days or less from the enactment of this Act. The department shall have authority to				
4	implement necessary changes upon federal approval and prior to the completion of any				
5	regulatory process undertaken in order to effect such change.				
6	Z. The Department of Medical Assistance Services (DMAS) shall have the authority to amend				
7	the State Plan for Medical Assistance to enroll and reimburse freestanding birthing centers				
8	accredited by the Commission for the Accreditation of Birthing Centers. Reimbursement shall				
9	be based on the Enhanced Ambulatory Patient Group methodology applied in a manner				
10	similar to the reimbursement methodology for ambulatory surgery centers. The department				
11	shall have authority to implement necessary changes upon federal approval and prior to the				
12	completion of any regulatory process undertaken in order to effect such change.				
13	AA. Effective July 1, 2013, the Department of Medical Assistance Services shall establish a				
14	Medicaid Physician and Managed Care Liaison Committee including, but not limited to,				
15	representatives from the following organizations: the Virginia Academy of Family				
16	Physicians; the American Academy of Pediatricians – Virginia Chapter; the Virginia College				
17	of Emergency Physicians; the American College of Obstetrics and Gynecology – Virginia				
18	Section; Virginia Chapter, American College of Radiology; the Psychiatric Society of				
19	Virginia; the Virginia Medical Group Management Association; and the Medical Society of				
20	Virginia. The committee shall also include representatives from each of the department's				
21	contracted managed care organizations and a representative from the Virginia Association of				
22	Health Plans. The committee will work with the department to investigate the implementation				
23	of quality, cost-effective health care initiatives, to identify means to increase provider				
24	participation in the Medicaid program, to remove administrative obstacles to quality, cost-				
25	effective patient care, and to address other matters as raised by the department or members of				
26	the committee. The committee shall establish an Emergency Department Care Coordination				
27	work group comprised of representatives from the committee, including the Virginia College				
28	of Emergency Physicians, the Medical Society of Virginia, the Virginia Hospital and				
29	Healthcare Association, the Virginia Academy of Family Physicians and the Virginia				
30	Association of Health Plans to review the following issues: (i) how to improve coordination				
31	of care across provider types of Medicaid "super utilizers"; (ii) the impact of primary care				
32	provider incentive funding on improved interoperability between hospital and provider				
33	systems; and (iii) methods for formalizing a statewide emergency department collaboration to				
34	improve care and treatment of Medicaid recipients and increase cost efficiency in the				
35	Medicaid program, including recognized best practices for emergency departments. The				
36	committee shall meet semi-annually, or more frequently if requested by the department or				
37	members of the committee. The department, in cooperation with the committee, shall report				
38	on the committee's activities annually to the Board of Medical Assistance Services and to the				
39	Chairmen of the House Appropriations and Senate Finance and Appropriations Committees				
40	and the Department of Planning and Budget no later than October 1 each year.				
41	BB.1. The Department of Medical Assistance Services shall seek federal authority through				
42	any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the				
43	Social Security Act to implement a comprehensive value-driven, market-based reform of the				
44	Virginia Medicaid/FAMIS programs.				
45	2. The department is authorized to contract with qualified health plans to offer recipients a				
46	Medicaid benefit package adhering to these principles. This reformed service delivery model				
47	shall be mandatory, to the extent allowed under the relevant authority granted by the federal				
48	government and shall, at a minimum, include (i) limited high-performing provider networks				
49	and medical/health homes; (ii) financial incentives for high quality outcomes and alternative				
50	payment methods; (iii) improvements to encounter data submission, reporting, and oversight;				
51	(iv) standardization of administrative and other processes for providers; and (v) support of the				
52	health information exchange.				
53	3.a. Notwithstanding § 30-347, Code of Virginia, or any other provision of law, the				
54	Department of Medical Assistance Services shall have the authority to (1) amend the State				
55	Plan for Medical Assistance under Title XIX of the Social Security Act, and any waivers				
56	thereof, to implement coverage for newly eligible individuals pursuant to 42 U.S.C. §				
57	1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act (PPACA) and (2) begin				
58	the process of implementing a § 1115 demonstration project to transform the Medicaid

1 program for newly eligible individuals and eligible individuals enrolled in the existing
2 Medicaid program. DMAS shall submit the § 1115 demonstration waiver application to
3 the Centers for Medicare and Medicaid Services (CMS) for approval. The department
4 shall provide updates on the progress of the State Plan amendments and demonstration
5 waiver applications to the Chairmen of the House Appropriations and Senate Finance and
6 Appropriations Committees, or their designees, upon request, and provide for participation
7 in discussions with CMS staff. The department shall respond to all requests for
8 information from CMS on State Plan amendments and demonstration waiver applications
9 in a timely manner.

10 b. The demonstration project shall include the following elements in the design: The
11 Department of Medical Assistance Services shall develop a supportive employment and
12 housing benefit targeted to high risk Medicaid beneficiaries with mental illness, substance
13 use disorder, or other complex, chronic conditions who need intensive, ongoing support to
14 obtain and maintain employment and stable housing.

15 c. The department shall have the authority to promulgate emergency regulations to
16 implement these changes within 280 days or less from the enactment date of this Act.

17 4. In the event that the increased federal medical assistance percentages for newly eligible
18 individuals included in 42 U.S.C. § 1396d(y)(1)[2010] of the PPACA are modified
19 through federal law or regulation from the methodology in effect on January 1, 2014,
20 resulting in a reduction in federal medical assistance as determined by the department in
21 consultation with the Department of Planning and Budget, the Department of Medical
22 Assistance Services shall disenroll and eliminate coverage for individuals who obtained
23 coverage through 42 U.S.C. § 1396d(y)(1) [2010] of the PPACA. The disenrollment
24 process shall include written notification to affected Medicaid beneficiaries, Medicaid
25 managed care plans, and other providers that coverage will cease as soon as allowable
26 under federal law following the date the department is notified of a reduction in Federal
27 Medical Assistance Percentage.

28 CC. The Disproportionate Share Hospital (DSH) per diem for Type One hospitals shall be

41 agreement with any Type One hospital whose private hospital partner qualifies for such
42 supplemental payments, under which the Type One hospital shall provide the state share
43 in order to match federal Medicaid funds for the supplemental payments to the private

2	No payment shall be made without approval from CMS.				
3	2.a. The Department of Medical Assistance Services shall promulgate regulations to make				
4	supplemental payments to Medicaid physician providers with a medical school located in				
5	Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the				
6	supplemental payment shall be based on the difference between the average commercial rate				
7	approved by CMS and the payments otherwise made to physicians. The department shall have				
8	the authority to implement these reimbursement changes consistent with the effective date in				
9	the State Plan amendment approved by CMS and prior to completion of any regulatory				
10	process in order to effect such changes.				
11	b. The department shall increase payments to Medicaid managed care organizations for the				
12	purpose of securing access to Medicaid physician services in Eastern Virginia, through higher

23	on the difference between the Upper Payment Limit of 42 CFR §447.272 as approved by				
24	CMS and all other Medicaid payments subject to such limit made to such nursing homes.				
25	There is hereby appropriated sum-sufficient funds for DMAS to pay the state share of the				
26	supplemental Medicaid payment hereunder. However, DMAS shall not submit such State

29	them to transfer funds to DMAS for use as the state share for the supplemental Medicaid				
30	payment each nursing home is entitled to and to represent that each has the authority to				
31	transfer funds to DMAS and that the funds used will comply with federal law for use as the				
32	state share for the supplemental Medicaid payment. If a local government-owned nursing				
33	home or the local government itself is unable to comply with the intergovernmental

41	participating in Commonwealth Coordinated Care Plus (CCC Plus) at the same level as and in				
42	lieu of the supplemental Medicaid payments authorized in Section XX.3.a., then DMAS shall:				
43	(i) exclude Medicaid recipients who elect to receive nursing home services in local				
44	government-owned nursing homes from CCC Plus; (ii) pay for such excluded recipient's				
45	nursing home services on a fee-for-service basis, including the related supplemental Medicaid				
46	payments as authorized herein; and (iii) prohibit CCC Plus contracted health plans from in				
47	any way limiting Medicaid recipients from electing to receive nursing home services from				
48	local government-owned nursing homes. The department may include in CCC Plus Medicaid

40	based on the difference between the amount included in the capitation rates for inpatient			
41	and outpatient services based on historical paid claims for non-state government hospitals			
42	and the maximum managed care directed payment supported by the department's			
43	calculations and allowed by CMS, subject to CMS approval under 42 C.F.R. section

34	7. The sponsoring institution will be eligible for the supplemental payments as long as it			
35	maintains the number of residency slots in total and by category as a result of the increase.			
36	The sponsoring institutions must certify by June 1 each year that they continue to meet the			
37	criteria for the supplemental payments and report any changes during the year to the			
38	number of residents.			
39	8. The department shall require all sponsoring institutions receiving Medicaid medical			
40	education funding to report annually by September 15 on the number of residents in total

42	medical education (GME) and indirect medical education (IME).			
43	HH.1. The Department of Medical Assistance Services, in consultation with the			
44	appropriate stakeholders, shall amend the State Plan for medical assistance and/or seek			
45	federal authority through an 1115 demonstration waiver, as soon as feasible, to provide

51	Community Based and Residential Treatment services (group homes and facilities) for			
52	individuals with substance abuse disorders in order to ensure parity between the substance			
53	abuse treatment services and the medical and mental health services covered by the

2	current industry standards. The department shall consider all available options including, but				
3	not limited to, service definitions, prior authorization, utilization review, provider				
4	qualifications, and reimbursement rates for the following Medicaid services: substance abuse				
5	day treatment for pregnant women, substance abuse residential treatment for pregnant women,

7	substance abuse intensive outpatient. Any amendments to the State Plan or waivers initiated				
8	under the provisions of this paragraph shall not exceed funding appropriated in this Act for				
9	this purpose. The department shall have the authority to promulgate regulations to implement				
10	these changes within 280 days or less from the enactment date of this Act.				
11	3. The Department of Medical Assistance Services shall amend the State Plan for Medical				
12	Assistance and any waivers thereof to include peer support services to children and adults				
13	with mental health conditions and/or substance use disorders. The department shall work with				
14	its contractors, the Department of Behavioral Health and Developmental Services, and				
15	appropriate stakeholders to develop service definitions, utilization review criteria and provider				
16	qualifications. Any amendments to the State Plan or waivers initiated under the provisions of				
17	this paragraph shall not exceed funding appropriated in this Act for this purpose. The				
18	department shall have the authority to promulgate regulations to implement these changes				
19	within 280 days or less from the enactment date of this Act.				
20	4. The Department of Medical Assistance Services shall, prior to the submission of any State				
21	Plan amendment or waivers to implement paragraphs HH.1., HH.2., and HH.3., submit a plan				
22	detailing the changes in provider rates, new services added, other programmatic changes, and				
23	a certification of budget neutrality to the Director, Department of Planning and Budget and				
24	the Chairmen of the House Appropriation and Senate Finance and Appropriations				
25	Committees.				
26	II.1. The Department of Medical Assistance Services shall monitor the capacity available				
27	under the Upper Payment Limit (UPL) for all hospital supplemental payments and adjust				
28	payments accordingly when the UPL cap is reached. The department shall make an				
29	adjustment to stay under the UPL cap by reducing or eliminating as necessary supplemental				
30	payments to hospitals based on when the first supplemental payments were actually made so				
31	that the newest supplemental payments to hospitals would be impacted first and so on.				
32	2. The Department of Medical Assistance Services shall have the authority to implement				
33	reimbursement changes deemed necessary to meet the requirements of this paragraph prior to				
34	the completion of any regulatory process in order to effect such changes.				
35	JJ.1. Effective July 1, 2017, the Department of Medical Assistance Services shall amend the				
36	State Plan for Medical Assistance to increase the formula for indirect medical education				
37	(IME) for freestanding children's hospitals with greater than 50 percent Medicaid utilization				
38	in 2009 as a substitute for disproportionate share hospital (DSH) payments. The formula for				
39	these hospitals for IME for inpatient hospital services provided to Medicaid patients but				
40	reimbursed by capitated managed care providers shall be identical to the formula for Type				
41	One hospitals. The IME payments shall continue to be limited such that total payments to				
42	freestanding children's hospitals with greater than 50 percent Medicaid utilization do not				
43	exceed the federal uncompensated care cost limit to which DSH payments are subject,				
44	excluding third party reimbursement for Medicaid eligible patients. The department shall have				
45	the authority to implement these changes effective July 1, 2017, and prior to completion of				
46	any regulatory action to effect such changes.				
47	2. The Department of Medical Assistance Services (DMAS) shall have the authority to create				
48	additional hospital supplemental payments for freestanding children's hospitals with greater				
49	than 50 percent Medicaid utilization in 2009 to replace payments that have been reduced due				
50	to the federal regulation on the definition of uncompensated care costs effective June 2, 2017.				
51	These new payments shall equal what would have been paid to the freestanding children's				
52	hospitals under the current disproportionate share hospital (DSH) formula without regard to				
53	the uncompensated care cost limit. These additional hospital supplemental payments shall				
54	take precedence over supplemental payments for private acute care hospitals. If the federal				
55	regulation is voided, DMAS shall continue DSH payments to the impacted hospitals and				
56	adjust the additional hospital supplemental payments authorized in this paragraph				
57	accordingly. The department shall have the authority to implement these changes prior to

2	KK. For the period beginning September 1, 2016 until 180 days after publication and				
3	distribution of the Developmental Disabilities Waivers provider manual by the				
4	Department of Medical Assistance Services (DMAS), retraction of payment from				
5	Developmental Disabilities Waivers providers following an audit by DMAS or one of its				
6	contractors is only permitted when the audit points identified are supported by the Code of				
7	Virginia, regulations, DMAS general providers manuals, or DMAS Medicaid Memos in				
8	effect during the date of services being audited.				
9	LL. The Department of Medical Assistance Services shall submit a report annually on all				
10	supplemental payments made to hospitals through the Medicaid program. This report shall				
11	include information for each hospital and by type of supplemental payment				
12	(Disproportionate Share Hospital, Graduate Medical Education, Indirect Medical				
13	Education, Upper Payment Limit program, and others). The report shall include total				
14	Medicaid payments from all sources and calculate the percent of overall payments that are				
15	supplemental payments. Furthermore, it shall include a description of each type of				
16	supplemental payment and the methodology used to calculate the payments. Each report				
17	shall reflect the data for the prior three fiscal years and shall be submitted to the Chairmen				
18	of the House Appropriations and Senate Finance and Appropriations Committees by				
19	September 1 each year.				
20	MM.1. The Department of Medical Assistance Services shall work with stakeholders to				
21	review and adjust medical necessity criteria for Medicaid-funded nursing services				
22	including private duty nursing, skilled nursing, and home health. The department shall				
23	adjust the medical necessity criteria to reflect advances in medical treatment, new				
24	technologies, and use of integrated care models including behavioral supports. The				
25	department shall have the authority to amend the necessary waiver(s) and the State Plan				
26	under Titles XIX and XXI of the Social Security Act to include changes to services				
27	covered, provider qualifications, medical necessity criteria, and rates and rate				
28	methodologies for private duty nursing. The adjustments to these services shall meet the				
29	needs of members and maintain budget neutrality by not requiring any additional				
30	expenditure of general fund beyond the current projected appropriation for such nursing				
31	services.				
32	2. The department shall have authority to implement these changes to be effective July 1,				
33	2022. The department shall also have authority to promulgate any emergency regulations				
34	required to implement these necessary changes within 280 days or less from the enactment				
35	date of this act. The department shall submit a report and estimates of any projected cost				
36	savings to the Chairmen of the House Appropriations and Senate Finance and				
37	Appropriations Committees 30 days prior to implementation of such changes.				
38	NN. The Department of Medical Assistance Services shall pursue any and all alternatives				
39	and cost based reimbursement models to allow a private hospital in rural Southwest				
40	Virginia that has closed in the last five years to recoup capital startup costs and minimize				
41	operating losses for the next five years, including but not limited to optimizing federal				
42	matching dollars in accordance with federal law.				
43	OO. The Department of Medical Assistance Services and the Department of Behavioral				
44	Health and Developmental Services shall recognize the Certified Employment Support				
45	Professional (CESP) and Association of Community Rehabilitation Educators (ACRE)				
46	certifications in lieu of competency requirements for supported employment staff in the				
47	Medicaid Community Living, Family and Individual Support and Building Independence				
48	Waiver programs and shall allow providers that are Department for the Aging and				
49	Rehabilitative Services vendors that hold a national three-year accreditation from the				
50	Commission on Accreditation of Rehabilitation Facilities (CARF) to be deemed qualified				
51	to meet employment staff competency requirements, provided the provider submits the				
52	results from their CARF surveys including recommendations received to the Department				
53	of Behavioral Health and Developmental Services so that the agency can verify that there				
54	are no recommendations for the standards that address staff competency.				
55	PP.1. The Department of Medical Assistance Services (DMAS) shall have the authority to				
56	implement programmatic changes to service definitions, prior authorization and utilization

8	3. Effective on or after July 1, 2021, DMAS shall implement programmatic changes and				
9	reimbursement rates for the following services: assertive community treatment, multi-				
10	systemic therapy and family functional therapy.				
11	4. Effective on or after July 1, 2021, DMAS shall implement programmatic changes and				
12	reimbursement rates for the following services: intensive outpatient services, partial				
13	hospitalization programs, mobile crisis intervention services, 23 hour temporary observation				
14	services, crisis stabilization services and residential crisis stabilization unit services.				
15	5. In the development and implementation of these changes, the department shall ensure				
16	appropriate utilization and cost efficiency. Reimbursement rate changes shall be budget				
17	neutral and must not exceed the funding appropriated in the Act for these services.				
18	6. The Department of Medical Assistance Services shall, prior to the submission of any State				
19	Plan amendment or waivers to implement these paragraphs, submit a plan detailing the				
20	changes in provider rates, new services added and other programmatic changes to the				
21	Director, Department of Planning and Budget and the Chairmen of the House Appropriation				
22	and Senate Finance and Appropriations Committees.				
23	7. The department shall have the authority to promulgate emergency regulations to implement				
24	this amendment within 280 days or less from the enactment of this Act.				
25	QQ. Effective July 1, 2021, the Department of Medical Assistance Services shall seek federal				
26	authority through waiver and State Plan amendments under Titles XIX and XXI of the Social				
27	Security Act, as necessary, to provide continuous coverage to enrollees for the duration of				
28	pregnancy and through 12 months postpartum. The department shall have the authority to				
29	promulgate emergency regulations to implement these amendments within 280 days or less				
30	from the enactment of this Act. The department shall have authority to implement these				
31	amendments upon federal approval and prior to the completion of any regulatory process.				
32	RR. Effective July 1, 2021, the Department of Medical Assistance Services shall increase				
33	rates by 14.7 percent for psychiatric services to the equivalent of 110 percent of Medicare				
34	rates. The department shall have the authority to implement these reimbursement changes				
35	prior to the completion of any regulatory process to effect such changes.				
36	SS. Effective on and after July 1, 2021, the Department of Medical Assistance Services shall				
37	amend the State Plan for Medical Assistance to modify reimbursement for nursing facility				
38	services such that the direct peer group price percentage shall be increased to 109.3 percent				
39	and the indirect peer group price percentage shall be increased to 103.3 percent. The				
40	department shall have the authority to implement these changes effective July 1, 2021 and				
41	prior to the completion of any regulatory process undertaken in order to effect such change.				
42	TT. The Department of Medical Assistance Services shall amend the State Plan for Medical				
43	Assistance to implement a supplemental disproportionate share hospital (DSH) payment for				
44	Chesapeake Regional Hospital up to its hospital-specific disproportionate share hospital limit				
45	(OBRA '93 DSH limit) as determined pursuant to 42 U.S.C. Section 1396r-4. The payment				
46	shall be made annually based upon the hospital's disproportionate share limit for the most				
47	recent year for which the disproportionate share limit has been calculated subject to the				
48	availability of DSH funds under the federal allotment of such funds to the department. Prior				
49	submitting the State Plan amendment, Chesapeake Regional Hospital shall enter into an				
50	agreement with the department to transfer the non-federal share of the supplemental DSH				
51	payment. Payment of the supplemental DSH payment is contingent upon receipt of				
52	intergovernmental transfer of funds or certified public expenditures from Chesapeake				
53	Regional Hospital. In the event that Chesapeake Regional Hospital is ineligible to transfer or				
54	certify necessary funds pursuant to federal law, the department may amend the State Plan for

1	Medical Assistance to terminate the supplemental DSH payment program. The department				
2	shall have the authority to implement these reimbursement changes consistent with				
3	effective date(s) approved by the Centers for Medicare and Medicaid Services (CMS). No				
4	payments shall be made without CMS approval. In the event that CMS recoups				
5	supplemental DSH hospital funds from the department, Chesapeake Regional Hospital				
6	shall reimburse such funds to the department.				
7	UU. The Department of Medical Assistance Services shall amend the State Plan for				
8	Medical Assistance to provide that any nursing facility which thereafter loses its Medicaid				
9	capital reimbursement status as a hospital-based nursing facility because a replacement				
10	hospital was built at a different location and Medicare rules no longer allow the nursing				
11	home's cost to be included on the hospital's Medicare cost report shall have its first fair				
12	rental value (FRV) capital payment rate set at the maximum FRV rental rate for a new				
13	free-standing nursing facility with the date of acquisition for its capital assets being the				
14	date the replacement hospital is licensed. The department shall have the authority to				
15	implement these reimbursement changes effective July 1, 2021 and prior to the completion				
16	of the regulatory process.				
17	VV. Effective July 1, 2022, the department shall amend the State Plan for Medical				
18	Assistance to establish a new direct and indirect care peer group for nursing facilities				
19	operating with at least 80% of the resident population having one or more of the following				
20	diagnoses: quadriplegia, traumatic brain injury, multiple sclerosis, paraplegia, or cerebral				
21	palsy. In addition, a qualifying facility must have at least 90% Medicaid utilization and a				
22	case mix index of 1.15 or higher in fiscal year 2014. The department shall utilize the data				
23	from the most recent rebasing to make this change effective for fiscal year 2023 and				
24	subsequent rate years until this change is incorporated into the next scheduled rebasing.				
25	This change shall not affect rates established in the most recent rebasing for facilities in				
26	any other direct and indirect care peer groups. The department shall have the authority to				
27	implement this reimbursement change prior to completion of any regulatory process in				
28	order to effect such change. To the extent federal approval requires alternative approaches				
29	to achieve the same general results, the department shall have the authority to follow the				
30	federal guidance effecting this change.				
31	WW. The Department of Medical Assistance Services shall amend the State Plan for				
32	Medical Assistance to establish Specialized Care operating rates for fiscal years 2021,				
33	2022 and 2023 by inflating the fiscal year 2020 rates using Virginia nursing home				
34	inflation. After fiscal year 2023, the department shall revert to the existing prospective				
35	methodology. The department has the authority to implement this change notwithstanding				
36	current regulations and consistent with the approved State Plan amendment.				
37	XX. The Department of Medical Assistance Services shall require Medicaid managed care				
38	organizations to reimburse at no less than 90 percent of the state Medicaid program				
39	Durable Medical Equipment fee schedule for the same service or item of durable medical				
40	equipment, prosthetics, orthotics, and supplies. The department shall have the authority to				
41	implement this reimbursement change effective July 1, 2021 and prior to the completion				
42	of any regulatory process undertaken in order to effect such change.				
43	YY. The Department of Medical Assistance Services (DMAS) shall convene an advisory				
44	panel of representatives chosen by the Virginia Association of Community Services				
45	Boards (VACSB), the Virginia Association of Community-Based Providers (VACBP), the				
46	Virginia Coalition of Private Provider Associations (VCOPPA), Caliber, the Virginia				
47	Network of Private Providers (VNPP), and the Virginia Hospital and Healthcare				
48	Association. The advisory panel shall meet at least every two months with the appropriate				
49	staff from DMAS to review and advise on all aspects of the plan for and implementation				
50	of the redesign of behavioral health services with a specific focus on ensuring that the				
51	systemic plan incorporates development and maintenance of sustainable business models.				
52	Upon advice of the Advisory panel, DMAS may assign staff, as necessary, to review				
53	operations of a sample of providers to examine the process for service authorization, the				
54	interpretation of the medical necessity criteria, and the claims processing by all Medicaid				
55	managed care organizations. DMAS will report their findings from this review to the				
56	advisory panel and to the Secretary of Health and Human Resources, and the Chairs of				
57	House Appropriations and Senate Finance and Appropriations Committees by December

2	earnings allowance for individuals in the CCC Plus, Community Living, Family and				
3	Individual Support and Building Independence waiver programs to incentivize employment				
4	for individuals receiving waiver services. DMAS shall lower the number of hours from at				
5	least eight hours but less than 20 hours per week requirement to at least four hours but less				
6	than 20 hours per week. The Special Earnings Allowance for waiver participants allows a				
7	percentage of earned income to be disregarded when calculating an individual's contribution				
8	to the cost of their waiver services when earning income. The current requirement is at least				
9	eight hours but less than 20 hours per week for a disregard of up to 200 percent of

14	affiliated with a Liaison Committee on Medical Education (LCME) accredited medical school				
15	located in Planning District 23 that is a political subdivision of the Commonwealth, based on				
16	the department's reimbursement methodology established for such payments. If such				
17	opportunities do exist, the department shall work with the entities to determine the framework

43	appropriation provided for this purpose. The total supplemental Medicaid payment shall be				
44	based on the Upper Payment Limit approved by the Centers for Medicare and Medicaid				
45	Services and all other Virginia Medicaid fee-for-service payments. The department shall have				
46	the authority to implement these reimbursement changes effective July 1, 2021, and prior to				
47	the completion of any regulatory process undertaken in order to effect such change.				
48	EEE. The Department of Medical Assistance Services shall have the authority to amend the

56	Medicaid currently served through the Commonwealth Coordinated Care (CCC) Plus			
57	program. Behavioral health services shall be defined to include the following: case

3	models, such as the Chronic Illness and Disability Payment System (COPS) or Clinical			
4	Classifications Software Refined (CCSR), and shall incorporate variables predictive of			
5	behavioral health service utilization. Managed care experience shall be utilized as the basis			
6	for the risk adjustment.			
7	2. Effective January 1, 2021, the Department of Medical Assistance Services shall develop			
8	and implement differential capitation rates for members in behavioral health treatment versus			
9	those who are not, for the community well population of individuals who are dually eligible			
10	for Medicare and Medicaid currently served through the CCC Plus program. The rates shall			
11	be actuarially sound and the behavioral health rates shall additionally incorporate risk			
12	adjustment to account for acuity differences amongst the managed care organizations.			
13	Behavioral health services shall be defined to include the following: case management			
14	services, community behavioral health, early intervention services, and addiction and			
15	recovery treatment services. The risk adjustment shall be based on nationally accepted			
16	models, such as The Chronic Illness and Disability Payment System (COPS) or Clinical

18	behavioral health service utilization. Managed care experience shall be utilized as the basis			
19	for the establishment of the capitation rates and the risk adjustment.			
20	3. The risk adjustment model and differential capitation rates in these paragraphs shall be			
21	implemented such that the impact is budget neutral.			
22	LLL. Free-standing emergency departments, also referred to as dedicated emergency			
23	departments as defined in 42 C.F.R. § 489.24(b) that operate as a department of a hospital

26	shall submit to the payor upon billing for services rendered (i) the campus location in which			
27	their services were rendered, and (ii) an indicator specifying that the services were rendered in			
28	a free-standing emergency department.			
29	MMM. Effective July 1, 2021, the Department of Medical Assistance Services shall have the			
30	authority to amend the State Plan of Medical Assistance under Title XIX of the Social			
31	Security Act to provide a comprehensive dental benefit to adults. The department shall work			
32	with its Dental Advisory Committee, including members of the Virginia Dental Association,			
33	the Virginia Health Catalyst, the Virginia Commonwealth University School of Dentistry, the			
34	Virginia Dental Hygienists Association, the Virginia Health Care Association, a			
35	representative of the developmental and intellectual disability community, the Virginia			
36	Department of Health and the administrator of the Smiles for Children program to develop the			
37	benefit. The benefit shall be modeled after the existing benefit for pregnant women. The			
38	benefit shall include preventive and restorative services and shall not include any cosmetic			
39	services or orthodontic services. The Dental Advisory Committee shall design a benefit that			
40	does not exceed the appropriated funds to provide such services. The department shall work			
41	with its dental benefit administrator, the Virginia Dental Association, the Virginia Association			
42	of Free and Charitable Clinics, the Virginia Community Healthcare Association and other			
43	stakeholders to ensure an adequate network of providers and awareness among beneficiaries.			
44	The department shall have authority to promulgate emergency regulations to implement these			
45	changes within 280 days or less from the enactment date of this act.			
46	NNN. The Department of Medical Assistance Services, in collaboration with the Virginia			
47	Department of Social Services, state workforce agencies and programs, and appropriate			
48	stakeholders, shall develop a referral system designed to connect current and newly eligible			
49	Medicaid enrollees to employment, training, education assistance and other support services.			
50	The department shall review current federal law and regulations that may allow, through State			
51	Plan amendments, contracts, or other policy changes, the department to support such a referral			
52	program. The department shall provide new enrollees in the Medicaid program, that have			
53	been identified as being potentially unemployed or underemployed with information on all			
54	available state and federal programs available to them that offer training, education assistance			
55	or other types of employment support services. The department shall work with its contracted			
56	managed care organizations to facilitate referrals to employment related services. To the			
57	degree that resources are available in other state agencies or from federal grants to support the

2	OOO.1. The Department of Medical Assistance Services shall increase nursing home and			
3	specialized care per diem rates by \$20 per day per patient effective until June 30, 2021,			
4	and by \$15 per day effective July 1, 2021. Such adjustment shall be made through existing			
5	managed care capitation rates as a mandated specified rate increase. DMAS shall adjust			
6	capitation rates to account for the nursing facility rate increase. The department shall have			
7	the authority to file all necessary regulatory authorities without delay, make any necessary			
8	contract changes, and implement these reimbursement changes without regard to existing			
9	regulations. The specified rate increase in this paragraph applies across fee-for-service and			
10	Medicaid managed care.			
11	2.a. The Department of Medical Assistance Services (DMAS) shall work with appropriate			
12	nursing facility (NF) stakeholders and the CCC Plus managed care organizations (MCOs)			
13	to develop a unified, value-based purchasing (VBP) program that includes enhanced			
14	funding for facilities that meet or exceed performance and/or improvement thresholds as			
15	developed, reported, and consistently measured by DMAS in cooperation with			
16	participating facilities. The methodology and timing for the Virginia nursing facility VBP			
17	program, including structures for nursing facility performance accountability and			
18	disbursement of earned financial incentives, shall be completed no later than December			
19	31, 2021, with the program targeted to begin no later than July 1, 2022. Nursing facility			
20	performance evaluation under the program shall prioritize maintenance of adequate			
21	staffing levels and avoidance of negative care events, such as hospital admissions and			
22	emergency department visits. The program may also consider performance evaluation in			
23	the areas of preventive care, utilization of home and community-based services, including			
24	community transitions, and other relevant domains of care.			
25	b. During the first year of this program, half of the available funding shall be distributed to			
26	participating nursing facilities to be invested in functions, staffing, and other efforts			
27	necessary to build their capacity to enhance the quality of care furnished to Medicaid			
28	members. This funding shall be administered as a Medicaid rate add-on in the same			
29	manner as in paragraph 1. above. The remaining funding shall be allocated based on			
30	performance criteria as designated under the nursing facility VBP program. The amount of			
31	funding devoted to nursing facility quality of care investments shall be 25 percent of			
32	available funding in the second year of the program before the program transitions to			
33	payments based solely on nursing facility performance criteria in the third year of the			
34	program. In the third year of this program, such funds as appropriated for this purpose			
35	shall be fully disbursed according to the aforementioned unified VBP arrangement to			
36	participating nursing facilities that qualify for the enhanced funding.			
37	c. The department shall convene the stakeholders no less than annually through at least the			
38	first two years of the program to review program progress and discuss potential			
39	modifications to components of the arrangement, including, but not limited to, timing of			
40	enhanced payments, performance metrics, and threshold determinations. The department			
41	shall implement the necessary regulatory changes and other necessary measures to be			
42	consistent with federal approval of any appropriate changes to the State Plan or relevant			
43	waivers thereof, and prior to the completion of any regulatory process undertaken to effect			
44	such change.			
45	PPP. The Department of Medical Assistance Services shall seek federal authority through			
46	waiver and State Plan amendments under Titles XIX and XXI of the Social Security Act			
47	to expand the Preferred Office-Based Opioid Treatment (OBOT) model to include			
48	individuals with substance use disorders (SUD) that are covered in the Addiction and			
49	Recovery Treatment Services (ARTS) benefit. The department shall have the authority to			
50	promulgate emergency regulations to implement these amendments within 280 days or			
51	less from the enactment of this Act. The department shall have the authority to implement			
52	these changes prior to completion of any regulatory process undertaken in order to effect			
53	such change.			
54	QQQ. The Department of Medical Assistance Services shall seek federal authority			
55	through waiver and State Plan amendments under Titles XIX and XXI of the Social			
56	Security Act to expand the definition of durable medical equipment per 42 CFR 440.70 (b)			
57	(3), so that the definition is no longer limited to items primarily used in the home but also

4	these changes prior to completion of any regulatory process undertaken in order to effect such			
5	change.			
6	RRR. The Department of Medical Assistance Services (DMAS) is authorized to amend the			
7	State Plan for Medical Assistance Services to implement a supplemental Medicaid payment			
8	for Department of Veterans Services (DVS) state government-owned nursing facilities. The			
9	total supplemental Medicaid payment for DVS state government owned nursing homes shall			
10	be based on the difference between the Upper Payment Limit of 42 CFR 447.272, as approved			
11	by the Centers for Medicare and Medicaid Services (CMS), and all other Medicaid payments			
12	subject to such limit made to such nursing homes. DMAS shall not submit any State Plan			
13	amendment to CMS that implements this payment until DMAS enters into an			
14	intergovernmental agreement with DVS. This agreement shall include the following			
15	provisions: 1) DVS shall transfer funds to DMAS for use as the state share of the full cost of			
16	the supplemental Medicaid payment for which each nursing home is entitled; 2) DVS must			
17	demonstrate that it has the authority and ability to transfer the necessary funds to DMAS; and,			
18	3) DVS shall attest that any funds provided for state match will comply with federal law for			
19	use as the state share for the supplemental Medicaid payment. If DVS is unable to enter into			
20	or comply with the provisions of such an intergovernmental agreement, then DMAS shall			
21	immediately modify the Medicaid State Plan and adjust any supplemental payments			
22	accordingly. DMAS shall have the authority to implement the reimbursement changes			
23	consistent with the effective date in the State Plan amendment approved by CMS and prior to			
24	the completion of any regulatory process undertaken in order to effect such change.			
25	SSS. The Department of Medical Assistance Services shall update its regulations to reflect the			
26	Department of Behavioral Health and Developmental Services licensing criteria for the			
27	American Society of Addiction Medicine (ASAM) Level of Care 4.0. The Department shall			
28	have the authority to promulgate emergency regulations to implement this amendment within			
29	280 days or less from the enactment of this Act. The department shall have the authority to			
30	implement these changes prior to completion of any regulatory process undertaken in order to			
31	effect such change.			
32	TTT. The Department of Medical Assistance Services shall amend the State Plan for Medical			
33	Assistance to authorize the reimbursement, using a budget neutral methodology, of pharmacy-			
34	administered immunizations for all vaccinations covered under the medical benefit for			
35	Medicaid members. Reimbursement for fee-for-service members shall be the cost of the			
36	vaccine plus an administration fee not to exceed \$16. Reimbursement for pharmacy-			
37	administered vaccinations for pediatric Medicaid members eligible for free vaccinations			
38	through the Vaccines For Children (VFC) program shall include only the administration fee.			
39	The department is authorized to set the administration fee for COVID-19 vaccines at the same			
40	level as Medicare reimbursement for such vaccines. The Department shall promulgate

52	payments for postpartum and newborn care.			
53	WWW. The Department of Medical Assistance Services (DMAS) shall have the authority to			
54	make necessary changes to waivers and/or the Medicaid State Plan to ensure that all adult			
55	Medicaid members have access to COVID-19 vaccinations. The department shall have the			
56	authority to implement such changes effective upon passage of this Act, and prior to the			
57	completion of any regulatory process undertaken in order to effect such changes.

7	Appropriations and Senate Finance and Appropriations Committees by November 1,			
8	2022.			
9	H. Out of this appropriation, \$100,000 the first year and \$100,000 the second year from			
10	the general fund is provided for the Department of Social Services to increase			
11	interpretation and translation services to help immigrants in Virginia access local			
12	resources through 2-1-1, including healthcare, housing, and other social services.			
13	351.	A. In the operation of any program of public assistance, including benefit and service		
14		programs in any locality, for which program appropriations are made to the Department of		
15		Social Services, it is provided that if a payment or overpayment is made to an individual		
16		who is ineligible therefor under federal and/or state statutes and regulations, the amount of		
17		such payment or overpayment shall be returned to the Department of Social Services by		
18		the locality.		
19		B. However, no such repayments may be required of the locality if the department		
20		determines that such overpayment or payments to ineligibles resulted from the		
21		promulgation of vague or conflicting regulations by the department or from the failure of		
22		the department to make timely distribution to the localities of the statutes, rules,		
23		regulations, and policy decisions, causing the overpayment or payment to ineligible(s) to		
24		be made by the locality or from situations where a locality exercised due diligence, yet		
25		received incomplete or incorrect information from the client which caused the		
26		overpayment or payment to ineligibles. If a locality fails to effect the return, the		
27		Department of Social Services shall withhold an equal amount from the next disbursement		
28		made by the department to the locality for the same program.		
29		C. The Department of Social Services shall implement the guidance issued by the U.S.		
30		Department of Health and Human Services concerning the obligation of recipients of		
31		federal financial assistance to comply with Title VI of the Civil Rights Act of 1964 by		
32		ensuring that meaningful access to federally-funded programs, activities and services		
33		administered by the department is provided to limited English proficient (LEP) persons,		
34		63 Fed. Reg. 47,311-47,323 (August 8, 2003). At a minimum, the department shall (i)		
35		identify the need for language assistance by analyzing the following factors: (1) the		
36		number or proportion of LEP persons in the eligible service population, (2) the frequency		
37		of contact with such persons, (3) the nature and importance of the program, activity or		
38		service, and (4) the costs of providing language assistance and resources available; (ii)		
39		translate vital documents into the language of each frequently encountered LEP group		
40		eligible to be served; (iii) provide accurate and timely oral interpreter services; and (iv)		
41		develop an effective implementation plan to address the identified needs of the LEP		
42		populations served.		
43	352.	A. The amount for the Supplemental Nutrition Assistance Program (SNAP) shall be		
44		expended under regulations of the Board of Social Services to reimburse county and city		
45		welfare/social services boards pursuant to § 63.2-401, Code of Virginia, and subject to the		
46		same percentage limitations for other administrative services performed by county and		
47		city public welfare/social services boards and superintendents of public welfare/social		
48		services pursuant to other provisions of the Code of Virginia, as amended.		
49		B. Pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of		
50		1996, Public Law 104-193, the Department of Social Services shall, in cooperation with		
51		local departments of social services, maintain a waiver of the work requirement for		
52		Supplemental Nutrition Assistance Program (SNAP) recipients residing in areas that do		
53		not have a sufficient number of jobs to provide employment for such individuals,		
54		including those areas designated as labor surplus areas by the U.S. Department of Labor.

1	b. All such unobligated and reappropriated balances shall be used by the department for the				
2	purpose of awarding short-term supplementary grants to localities, for programs and services				
3	which have been demonstrated to improve outcomes, including reduced recidivism, of				
4	juvenile offenders. Such programs and services must augment and support current VJCCA-				
5	funded programs within each affected locality. The grantee locality shall submit an outcomes				
6	report to the department, in accord with a written memorandum of agreement which shall				
7	accompany the supplementary grant award. This provision shall apply to funds obligated to				
8	and in the possession of the department and its grant recipients. The entity which returns				
9	unobligated funds under this provision shall not have a presumptive entitlement to a				
10	supplementary grant.				
11	c. The Department of Juvenile Justice, with the assistance of the Department of Corrections,				
12	the Virginia Council on Juvenile Detention, juvenile court service unit directors, juvenile and				
13	domestic relations district court judges, and juvenile justice advocacy groups, shall provide a				
14	report on the types of programs supported by the Juvenile Community Crime Control Act and				
15	whether the youth participating in such programs are statistically less likely to be arrested,				
16	adjudicated or convicted, or incarcerated for either misdemeanors or crimes that would				
17	otherwise be considered felonies if committed by an adult.				
18	F. The department shall consolidate the annual reporting requirements in §§ 2.2-222 and 66-				
19	13 and in Chapters 755 and 914 of the 1996 Acts of the General Assembly concerning

22	Article 12.1 of Chapter 11 of Title 16.1 (§ 16.1-309.2 et seq.) relating to the number of				
23	juveniles served, the average cost for residential and nonresidential services, the number of				
24	employees, and descriptions of the contracts entered into by localities. Notwithstanding any				
25	other provisions of the Code of Virginia, the consolidated report shall be submitted to the				
26	Governor, the General Assembly, the Chairs of the House Appropriations and Senate Finance				
27	and Appropriations Committees, the Secretary of Public Safety and Homeland Security, and				
28	the Department of Planning and Budget by the first day of the regular General Assembly

49	B.1. The Director, Department of Juvenile Justice, (the “Department”) shall develop a

51	based decision-making, that improves outcomes and safely reduces the number of juveniles

1	placements or programs. Prior to implementation, the plan shall be approved by the			
2	Secretary of Public Safety and Homeland Security.			
3	2. The Department shall reallocate any savings from the reduced cost of operating state			
4	juvenile correctional centers to support the goals of the transformation plan including, but			
5	not limited to: (a) increasing the number of male and female local placement options, and			
6	post-dispositional treatment programs and services; (b) ensuring that appropriate			
7	placements and treatment programs are available across all regions of the Commonwealth;			
8	and (c) providing appropriate levels of educational, career readiness, rehabilitative, and			
9	mental health services for these juveniles in state, regional, or local programs and			
10	facilities, including but not limited to, community placement programs, independent living			
11	programs, and group homes. The goals of such transformation services shall be to reduce			
12	the risks for reoffending for juveniles supervised or committed to the Department and to			
13	improve and promote the skills and resiliencies necessary for the juveniles to lead			
14	successful lives in their communities.			
15	3. No later than November 1 of each year, the Department of Juvenile Justice shall provide			
16	a report to the Governor, the Chairs of the House Appropriations and Senate Finance and			
17	Appropriations Committees, the Secretary of Public Safety and Homeland Security and			
18	the Director, Department of Planning and Budget, assessing the impact and results of the			
19	transformation plan and its related actions. The report shall include, but is not limited to,			
20	assessing juvenile offender recidivism rates, fiscal and operational impact on detention			
21	homes; changes (if any) in commitment orders by the courts; and use of the savings			
22	redirected as a result of transformation, including the amount expended for contracted			
23	programs and treatment services, including the number of juveniles receiving each			
24	specific service. The report should also include the average length of stay for juveniles in			
25	each placement option.			
26	4. The Director, Department of Planning and Budget, is authorized to transfer			
27	appropriations between items and programs within the Department of Juvenile Justice to			
28	reallocate any savings achieved through transformation to accomplish the goals of			
29	transformation.			
30	5. If the Department of Juvenile Justice deems it necessary, due to facility population			
31	decline, efficient use of resources, and the need to further reduce recidivism, to close a			
32	state juvenile correctional center, the Department shall (i) work cooperatively with the			
33	affected localities to minimize the effect of the closure on those communities and their			
34	residents, and (ii) implement a general closure plan, preferably not less than 12 months			
35	from announcement of the closure, to create opportunities to place affected state			
36	employees in existing departmental vacancies, assist affected employees with placement			
37	in other state agencies, create training opportunities for affected employees to increase			
38	their qualifications for additional positions, and safely reduce the population of the facility			
39	facing closure, consistent with public safety.			
40	C.1. Included in the appropriation for this Item is \$1,500,000 the first year from the			
41	general fund for security camera upgrades, external lighting, walk-through detection			
42	system, perimeter fencing upgrades, and a man-down communication system to enhance			
43	security at the Bon Air Juvenile Correctional Center.			
44	2. In procuring any new security systems or components for the existing facility at Bon			
45	Air from such funds available in this Item, the Department shall consider ways to reuse			
46	the system procured in a future facility. To that end, the Department shall work with the			
47	Department of General Services to plan for reuse of a previously acquired security system

7	Virginia.			
8	A. The transportation policy goals enumerated in this act shall be implemented by the			
9	Secretary of Transportation, including the secretary acting as Chairman of the Commonwealth			
10	Transportation Board.			
11	1. The maintenance of existing transportation assets to ensure the safety of the public shall be			
12	the first priority in budgeting, allocation, and spending. The highway share of the			
13	Transportation Trust Fund shall be used for highway maintenance and operation purposes			
14	prior to its availability for new development, acquisition, and construction.			
15	2. It is in the interest of the Commonwealth to have an efficient and cost-effective			
16	transportation system that promotes economic development and all modes of transportation,			
17	intermodal connectivity, environmental quality, accessibility for people and freight, and			
18	transportation safety. The planning, development, construction, and operations of Virginia's			
19	transportation facilities will reflect this goal.			
20	3. To the greatest extent possible, the appropriation of transportation revenues shall reflect			
21	planned spending of such revenues by agency and by program.			
22	B. The maximization of all federal transportation funds available to the Commonwealth shall			
23	be paramount in the budgetary, spending, and allocation processes.			
24	1. Notwithstanding any provision of law to the contrary, the secretary and all agencies within			
25	the transportation secretariat are hereby authorized to take all actions necessary to ensure that			
26	federal transportation funds are allocated and utilized for the maximum benefit of the			
27	Commonwealth, whether such actions or funds or both are authorized under P.L. 117-58 of			
28	the 117th Congress, or any successor or related federal transportation legislation, or			
29	regulation, rule, or guidance issued by the U.S. Department of Transportation or any federal

31	maximum extent practicable, the flexibility provided in federal law, regulation, rule, or			
32	guidance to use federal funds in a manner consistent with the Code of Virginia. However,			
33	neither the secretary nor an agency in the transportation secretariat may materially delay a			
34	project selected pursuant to § 33.2-214.1, Code of Virginia, under the authority in this			
35	paragraph.			
36	2. The secretary shall ensure that the allocation of transportation funds apportioned and for			
37	which obligation authority is expected to be available under federal law shall be in accordance			
38	with such laws and in support of the transportation policy goals enumerated in section A. of			
39	this Item. Furthermore, the secretary is authorized to take all actions necessary to allocate the			
40	required match for federal highway funds to ensure their appropriate and timely obligation			
41	and expenditure within the fiscal constraints of state transportation revenues and in support of			
42	the efforts addressed in B.1. By June 1 of each year, the secretary, as Chairman of the Board,			
43	shall report to the Governor and General Assembly on the allocation of such federal			
44	transportation funds and the actions taken to provide the required match.

52	of the Department of Human Resource Management to establish and enforce employer			
53	contribution rates for any health insurance plan established pursuant to §2.2-2818, Code of

10 L. The purpose of this paragraph is to provide a transitional severance benefit, under the
11 conditions specified, to eligible city, county, school division or other political subdivision
12 employees who are involuntarily separated from employment with their employer.

13 1.a. "Involuntary separation" includes, but is not limited to, terminations and layoffs from
14 employment with the employer, or being placed on leave without pay-layoff or equivalent
15 status, due to budget reductions, employer reorganizations, workforce downsizings, or
16 other causes not related to the job performance or misconduct of the employee, but shall
17 not include voluntary resignations. As used in this paragraph, a "terminated employee"
18 shall mean an employee who is involuntarily separated from employment with his
19 employer.

20 b. The governing authority of a city, county, school division or other political subdivision
21 electing to cover its employees under the provisions of this paragraph shall adopt a
22 resolution, as prescribed by the Board of Trustees of the Virginia Retirement System, to
23 that effect. An election by a school division shall be evidenced by a resolution approved
24 by the Board of such school division and its local governing authority.

25 2.a. Any (i) "eligible employee" as defined in § 51.1-132, (ii) "teacher" as defined in §
26 51.1-124.3, and (iii) any "local officer" as defined in § 51.1.124.3 except for the treasurer,
27 commissioner of the revenue, attorney for the Commonwealth, clerk of a circuit court, or

29 possible because there is no available position for which the employee is qualified or the
30 position offered to the employee requires relocation or a reduction in salary and (b) whose
31 involuntary separation was due to causes other than job performance or misconduct, shall
32 be eligible, under the conditions specified, for the transitional severance benefit conferred
33 by this paragraph. The date of involuntary separation shall mean the date an employee was
34 terminated from employment or placed on leave without pay-layoff or equivalent status.

35 b. Eligibility shall commence on the date of involuntary separation.

36 3.a. On his date of involuntary separation, an eligible employee with (i) two years' service
37 or less to the employer shall be entitled to receive a transitional severance benefit
38 equivalent to four weeks of salary; (ii) three years through and including nine years of
39 consecutive service to the employer shall be entitled to receive a transitional severance
40 benefit equivalent to four weeks of salary plus one additional week of salary for every
41 year of service over two years; (iii) ten years through and including fourteen years of
42 consecutive service to the employer shall be entitled to receive a transitional severance
43 benefit equivalent to twelve weeks of salary plus two additional weeks of salary for every
44 year of service over nine years; or (iv) fifteen years or more of consecutive service to the
45 employer shall be entitled to receive a transitional severance benefit equivalent to two
46 weeks of salary for every year of service, not to exceed thirty-six weeks of salary.

47 b. Transitional severance benefits shall be computed by the terminating employer's payroll
48 department. Partial years of service shall be rounded up to the next highest year of service.

49 c. Transitional severance benefits shall be paid by the employer in the same manner as
50 normal salary. In accordance with § 60.2-229, transitional severance benefits shall be
51 allocated to the date of involuntary separation. The right of any employee who receives a
52 transitional severance benefit to also receive unemployment compensation pursuant to §
53 60.2-100 et seq. shall not be denied, abridged, or modified in any way due to receipt of the
54 transitional severance benefit; however, any employee who is entitled to unemployment
55 compensation shall have his transitional severance benefit reduced by the amount of such
56 unemployment compensation. Any offset to a terminated employee's transitional

2	lump sum at the time the last transitional severance benefit payment is made.			
3	d. For twelve months after the employee's date of involuntary separation, the employee shall			
4	continue to be covered under the (i) health insurance plan administered by the employer for its			
5	employees, if he participated in such plan prior to his date of involuntary separation, and (ii)			
6	group life insurance plan administered by the Virginia Retirement System pursuant to Chapter			
7	5 (§ 51.1-500 et seq.) of Title 51.1, or such other group life insurance plan as may be			
8	administered by the employer. During such twelve months, the terminating employer shall			
9	continue to pay its share of the terminated employee's premiums. Upon expiration of such			
10	twelve month period, the terminated employee shall be eligible to purchase continuing health			
11	insurance coverage under COBRA.			
12	e. Transitional severance benefit payments shall cease if a terminated employee is reemployed			
13	or hired in an individual capacity as an independent contractor or consultant by the employer			
14	during the time he is receiving such payments.			
15	f. All transitional severance benefits payable pursuant to this section shall be subject to			
16	applicable federal laws and regulations.			
17	4.a. In lieu of the transitional severance benefit provided in subparagraph 3 of this paragraph,			
18	any otherwise eligible employee who, on the date of involuntary separation, is also (i) a			
19	vested member of a defined benefit plan within the Virginia Retirement System, including the			
20	hybrid retirement program described in § 51.1-169, and including a member eligible for the			
21	benefits described in subsection B of § 51.1-138, and (ii) at least fifty years of age, may elect			
22	to have the employer purchase on his behalf years to be credited to either his age or creditable			
23	service or a combination of age and creditable service, except that any years of credit			
24	purchased on behalf of a member of the Virginia Retirement System, including a member			
25	eligible for the benefits described in subsection B of § 51.1-138, who is eligible for unreduced			
26	retirement shall be added to his creditable service and not his age. The cost of each year of			
27	age or creditable service purchased by the employer shall be equal to fifteen percent of the			
28	employee's present annual compensation. The number of years of age or creditable service to			
29	be purchased by the employer shall be equal to the quotient obtained by dividing (i) the cash			
30	value of the benefits to which the employee would be entitled under subparagraphs 3.a. and			
31	3.d. of this paragraph by (ii) the cost of each year of age or creditable service. Partial years			
32	shall be rounded up to the next highest year. Deferred retirement under the provisions of			
33	subsection C of §§ 51.1-153 and disability retirement under the provisions of § 51.1-156 et			
34	seq., shall not be available under this paragraph.			
35	b. In lieu of the (i) transitional severance benefit provided in subparagraph 3 of this paragraph			
36	and (ii) the retirement program provided in this subsection, any employee who is otherwise			
37	eligible may take immediate retirement pursuant to §§ 51.1-155.1 or 51.1-155.2.			
38	c. The retirement allowance for any employee electing to retire under this paragraph who, by			
39	adding years to his age, is between ages fifty-five and sixty-five, shall be reduced on the			
40	actuarial basis provided in subdivision A. 2. of § 51.1-155.			
41	d. The retirement program provided in this subparagraph shall be otherwise governed by			
42	policies and procedures developed by the Virginia Retirement System.			
43	e. Costs associated with the provisions of this subparagraph shall be factored into the			
44	employer contribution rates paid to the Virginia Retirement System.			
45	f. Notwithstanding the foregoing, the provisions of this paragraph N shall apply to an			
46	otherwise eligible employee who is a person who becomes a member on or after July 1, 2010,			
47	a person who does not have 60 months of creditable service as of January 1, 2013, or a person			
48	who is enrolled in the hybrid retirement program described in § 51.1-169, mutatis mutandis.			
49	M.1. a. In order to address the potential for stranded liability in the Virginia Retirement			
50	System, notwithstanding any other contrary provisions of the Appropriation Act or of § 51.1-			
51	145, institutions of higher education that have established their own optional retirement plan			
52	under § 51.1-126(B) shall pay, effective July 1, 2019, contributions to the employer's

7	and whether current employees in such positions have elected ORPHE participation.			
8	b. Such contributions shall not be required for any new position established by the			
9	institution after January 1, 2012, that may be eligible for participation in the Optional			
10	Retirement Plan for Higher Education.			
11	2. Furthermore, the Department of Accounts, the Virginia Retirement System, and the			
12	universities of higher education shall work to develop a methodology to identify and			
13	report separately personnel services expenditures for university personnel in positions that			
14	use to be classified positions but have been transitioned to university staff positions.

1 PART 2: CAPITAL PROJECT EXPENSES

2 § 2-0. GENERAL CONDITIONS

3 A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated
4 to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to
5 paragraph G. of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the
6 expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the
7 unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

8 2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the
9 first year in accordance with § 4-1.03 c.5. of this act.

10 B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

11 C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of
12 equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

13 D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

14 1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied
15 approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of
16 capital project proposals must come from the affected agency's existing resources.

17 2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for
18 planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are
19 reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in
20 the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design
21 choices.

22 E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property,
23 plant, and equipment as defined in § 4-4.01 c. of this act to the extent that funds included in the appropriation to the agency for this
24 purpose in Part 1 of this act are insufficient.

25 2. Agencies and institutions of higher education can expend up to \$2,000,000 for a single repair or project, and up to \$4,000,000 for a
26 roof replacement project, through the maintenance reserve appropriation. Such expenditures shall be subject to rules and regulations
27 prescribed by the Governor. To the extent an agency or institution of higher education has identified a potential project that exceeds this
28 threshold, the Director, Department of Planning and Budget, can provide exemptions to the threshold as long as the project still meets
29 the definition of a maintenance reserve project as defined by the Department of Planning and Budget.

30 3. Only facilities supported wholly or in part by the general fund shall utilize general fund maintenance reserve appropriations.
31 Facilities supported entirely by nongeneral funds shall accomplish maintenance through the use of nongeneral funds.

32 F. Conditions Applicable to Bond Projects

33 1. The capital projects listed in §§ 2-30 and 2-31 for the indicated agencies and institutions of higher education are hereby authorized
34 and sums from the sources and in the amount indicated are hereby appropriated and reappropriated. The issuance of bonds in a
35 principal amount plus amounts needed to fund issuance costs, reserve funds, and other financing expenses, including capitalized
36 interest for any project listed in §§ 2-30 and 2-31 is hereby authorized.

37 2. The issuance of bonds for any project listed in § 2-30 is to be separately authorized pursuant to Article X, Section 9 (c), Constitution
38 of Virginia.

39 3. The issuance of bonds for any project listed in §§ 2-30 or 2-31 shall be authorized pursuant to § 23.1-1106, Code of Virginia.

40 4. In the event that the cost of any capital project listed in §§ 2-30 and 2-31 shall exceed the amount appropriated therefore, the
41 Director, Department of Planning and Budget, is hereby authorized, upon request of the affected institution, to approve an increase in
42 appropriation authority of not more than ten percent of the amount designated in §§ 2-30 and 2-31 for such project, from any available
43 nongeneral fund revenues, provided that such increase shall not constitute an increase in debt issuance authorization for such capital
44 project. Furthermore, the Director, Department of Planning and Budget, is hereby authorized to approve the expenditure of all interest
45 earnings derived from the investment of bond proceeds in addition to the amount designated in §§ 2-30 and 2-31 for such capital

19	perpetual and irrevocable right, privilege and easement to inspect, maintain, repair, replace			
20	and rebuild the sidewalks and elements thereof (but not traffic control devices and signage or			
21	street lighting located thereupon) of the referenced right-of-way of North 9th Street and East			
22	Broad Street and (c) any necessary or appropriate temporary construction easements, upon			
23	terms approved by the Mayor of Richmond and the Governor (pursuant to § 2.2-1149, Code			
24	of Virginia); approval by Richmond City Council shall not be required.			
25	2. The City, without expending City funds, shall cooperate with DGS (i) to support the			
26	referenced construction project work and incorporation of safety and security enhancements at			
27	and along North 9th Street and East Broad Street, (ii) to relocate any utilities located in the			
28	agreed upon easement area, if necessary, and (iii) to coordinate any closure or other traffic			
29	flow controls of North 9th Street and East Broad Street during the performance of the

45	be concentrated in an area requiring traffic and pedestrian operational safety and security			
46	enhancements. As such, and pursuant to the responsibilities of the Department of General			
47	Services (DGS) (§ 2.2-1129) and the Division of Capitol Police (DCP) (§ 30-34.2:1), Bank

 18 Code of Virginia. The amount deducted on any individual income tax return in any taxable year shall be limited to \$2,000 per ABLE
 19 savings trust account. No deduction shall be allowed pursuant to this section if such contributions are deducted on the contributor's
 20 federal income tax return. If the contribution to an ABLE savings trust account exceeds \$2,000 the remainder may be carried
 21 forward and subtracted in future taxable years until the ABLE savings trust contribution has been fully deducted; however, in no
 22 event shall the amount deducted in any taxable year exceed \$2,000 per ABLE savings trust account.

23 B. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, Code of Virginia, any deduction taken

 36 purchased or leased for use or consumption directly and exclusively in basic research or research and development in the
 37 experimental or laboratory sense, shall apply to such property used in a federally funded research and development center, regardless
 38 of whether such property is used by the purchaser, lessee, or another person or entity.

39 B. Notwithstanding any other provision of law, beginning July 1, 2018, tangible personal property purchased by a federally funded
 40 research and development center sponsored by the U.S. Department of Energy shall be exempt from the retail sales and use tax.

41 C. Nothing in this section shall be construed to relieve any federally funded research and development center of any liability for
 42 retail sales and use tax due for the purchase of tangible personal property pursuant to the law in effect at the time of the purchase.

43 § 3-5.13 ADMISSIONS TAX

44 Notwithstanding the provisions of § 58.1-3818.02, Code of Virginia, or any other provision of law, subject to the execution of a
 45 memorandum of understanding between an entertainment venue and the County of Stafford, Stafford County is authorized to impose
 46 a tax on admissions to an entertainment venue located in the county that (i) is licensed to do business in the county for the first time
 47 on or after July 1, 2015, and (ii) requires at last 75 acres of land for its operations, and (iii) such land is purchased or leased by the
 48 entertainment venue owner on or after June 1, 2015. The tax shall not exceed 10 percent of the amount of charge for admission to
 49 any such venue. The provisions of this section shall expire on July 1, 2019 if no entertainment venue exists in Stafford County upon
 50 which the tax authorized is imposed.

51 § 3-5.14 SUNSET DATES FOR INCOME TAX CREDITS AND SALES AND USE TAX EXEMPTIONS

1 A. Notwithstanding any other provision of law the General Assembly shall not advance the sunset date on any existing sales tax
 2 exemption or tax credit beyond June 30, 2025. Any new sales tax exemption or tax credit enacted by the General Assembly
 3 after the 2019 regular legislative session, but prior to the 2024 regular legislative session, shall have a sunset date of not later
 4 than June 30, 2025. However, this requirement shall not apply to tax exemptions administered by the Department of Taxation
 5 under § 58.1-609.11, relating to exemptions for nonprofit entities nor shall it apply to exemptions or tax credits with sunset
 6 dates after June 30, 2022, enacted or advanced during the 2016 Session of the General Assembly, or to the Motion Picture
 7 Production Tax Credit under § 58.1-439.12:03, Code of Virginia.

8 B. The Department shall provide an updated revenue impact report no later than November 1, 2025, and every five years
 9 thereafter, for sales tax exemptions and tax credits set to expire within two years following the date of the report. Such reports
 10 shall be distributed to every member of the General Assembly and to the Joint Subcommittee to Evaluate Tax Preferences.

11 § 3-5.15 PROVIDER COVERAGE ASSESSMENT

12 A. The Department of Medical Assistance Services (DMAS) is authorized to levy an assessment upon private acute care
 13 hospitals operating in Virginia in accordance with this Item. Private acute care hospitals operating in Virginia shall pay a
 14 coverage assessment beginning on or after October 1, 2018. For the purposes of this coverage assessment, the definition of
 15 private acute care hospitals shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's
 16 hospitals, long stay hospitals, long-term acute care hospitals and critical access hospitals.

17 B.1. The coverage assessment shall be used only to cover the non-federal share of the "full cost of expanded Medicaid
 18 coverage" for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable
 19 Care Act, including the administrative costs of collecting the coverage assessment and implementing and operating the
 20 coverage for newly eligible adults which includes the costs of administering the provisions of the Section 1115 waiver.

21 2.a. The "full cost of expanded Medicaid coverage" shall include: 1) any and all Medicaid expenditures related to individuals
 22 eligible for Medicaid pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, including
 23 any federal actions or repayments; and, 2) all administrative costs associated with providing coverage, which includes the costs
 24 of administering the provisions of the Section 1115 waiver, and collecting the coverage assessment.

25 b. The "full cost of expanded Medicaid coverage" shall be updated: 1) on November 1 of each year based on the official
 26 Medicaid forecast and latest administrative cost estimates developed by DMAS; 2) no more than 30 days after the enactment of
 27 this Act to reflect policy changes adopted by the latest session of the General Assembly; and 3) on March 1 of any year in
 28 which DMAS estimates that the most recent non-federal share of the "full cost of expanded Medicaid coverage" times 1.08 will
 29 be insufficient to pay all expenses in 2.a. for that year.

30 C.1. The "coverage assessment amount" shall equal the non-federal share of the "full cost of expanded Medicaid coverage"
 31 times 1.02.

32 2. The "coverage assessment percentage" shall be calculated quarterly by dividing (i) the "coverage assessment amount" by (ii)
 33 the total "net patient service revenue" for hospitals subject to the assessment. The coverage assessment amount used in the
 34 quarterly calculation of the "coverage assessment percentage" shall include a reconciliation of the Health Care Coverage
 35 Assessment Fund prescribed in D.1 and subtract all prior quarterly assessments paid for that fiscal year before dividing the
 36 remainder by the remaining quarters in the fiscal year.

37 3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information
 38 (VHI) "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount
 39 shall be the assessment basis for the following fiscal year.

40 4. Each hospital's coverage assessment amount shall be calculated by multiplying the quarterly "coverage assessment
 41 percentage" times each hospital's net patient service revenue.

42 D.1. DMAS shall, at a minimum, update the "coverage assessment amount" whenever the "full cost of expanded Medicaid
 43 coverage" is updated in section B.2.b or to ensure amounts are sufficient to cover the full cost of expanded Medicaid coverage
 44 based on the latest estimate. Hospitals shall be given no less than 15 days' notice prior to the beginning of the quarter with
 45 associated calculations supporting the change in its coverage assessment amount. Prior to any change to the coverage
 46 assessment amount, DMAS shall perform and incorporate a reconciliation of the Health Care Coverage Assessment Fund
 47 through the most recent complete quarter. Any estimated excess or shortfall of revenue shall be deducted from or added to the
 48 "coverage assessment amount."

49 2. DMAS shall be responsible for collecting the coverage assessment amount. Hospitals subject to the coverage assessment
 50 shall make quarterly payments due no later than July 1, October 1, January 1 and April 1 of each state fiscal year.

51 3. Hospitals that fail to make the coverage assessment payments within 30 days of the due date shall incur a five percent
 52 penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid coverage assessment or penalty will be considered
 53 a debt to the Commonwealth and DMAS is authorized to recover it as such.

1 E. DMAS shall submit a report, due September 1 of each year, to the Director, Department of Planning and Budget and Chairs of the
 2 House Appropriations and Senate Finance and Appropriations Committees, and the Virginia Hospital and Healthcare Association.
 3 The report shall include, for the most recently completed fiscal year, the revenue collected from the coverage assessment,
 4 expenditures for purposes authorized by this Item, and the year-end coverage assessment balance in the Health Care Coverage
 5 Assessment Fund. The report shall also include a complete and itemized listing of all administrative costs included in the coverage
 6 assessment.

7 F. All revenue from the coverage assessment excluding penalties, shall be deposited into the Health Care Coverage Assessment
 8 Fund. Proceeds from the coverage assessment, excluding penalties, shall not be used for any other purpose than to cover the non-
 9 federal share of the full cost of expanded Medicaid coverage. Notwithstanding any other provision of law, the net state share of any
 10 prior year recovery of Medicaid expansion costs that were paid with coverage assessment revenue shall be deposited into the Health
 11 Care Coverage Assessment Fund.

12 G. Any provision of this Item is contingent upon approval by the Centers for Medicare and Medicaid Services if necessary.

13 H. The Hospital Payment Policy Advisory Council shall meet to consider the implementation and provisions of the Provider
 14 Coverage and Payment Rate Assessments in order to consider and make recommendations to ensure the collection and use of such
 15 funds are appropriate and consistent with the intent of the General Assembly. Specifically, the Council shall consider the level of
 16 detail and format necessary to develop the report pursuant to paragraph E. The Council shall recommend a format and associated
 17 level of detail, to be included in the report to the Joint Subcommittee for Health and Human Resources Oversight. The Joint
 18 Subcommittee shall approve the final format and associated level of detail of the report to be submitted by the Department of
 19 Medical Assistance Services.

20 § 3-5.16 PROVIDER PAYMENT RATE ASSESSMENT

21 A. The Department of Medical Assistance Services (DMAS) is hereby authorized to levy a payment rate assessment upon private
 22 acute care hospitals operating in Virginia in accordance with this item. Private acute care hospitals operating in Virginia shall pay a
 23 payment rate assessment beginning on or after October 1, 2018 when all necessary state plan amendments are approved by the
 24 Centers for Medicare and Medicaid Services (CMS). For purposes of this assessment, the definition of private acute care hospitals
 25 shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's hospitals, long stay hospitals, long-
 26 term acute care hospitals and critical access hospitals.

27 B. Proceeds from the payment rate assessment shall be used to (i) fund an increase in inpatient and outpatient payment rates paid to
 28 private acute care hospitals operating in Virginia up to the "upper payment limit gap"; and (ii) fill the "managed care organization
 29 hospital payment gap" for care provided to recipients of medical assistance services. Payments made under the provisions i and ii of
 30 this paragraph shall be referred to as "private acute care hospital enhanced payments".

31 C.1. The Department of Medical Assistance Services (DMAS) shall calculate each hospital's "payment rate assessment amount" by
 32 multiplying the "payment rate assessment percentage" times "net patient service revenue" as defined below.

33 2. The "payment rate assessment percentage" for hospitals shall be calculated as (i) the non-federal share of funding the "private
 34 acute care hospitals enhanced payments" divided by (ii) the total "net patient service revenue" for hospitals subject to the
 35 assessment.

36 3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information (VHI)
 37 "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount shall be the
 38 assessment basis for the following fiscal year.

39 D. DMAS is authorized to update the payment rate assessment amount and payment rate assessment percentage on a quarterly basis
 40 to ensure amounts are sufficient to cover the non-federal share of the full cost of the private acute care hospital enhanced payments
 41 based on the department's quarterly claims and encounter data. Hospitals shall be given no less than 15 days prior notice of the new
 42 assessment amount and be provided with calculations. Prior to any change to the payment rate assessment amount, DMAS shall
 43 perform and incorporate a reconciliation of the Health Care Provider Payment Rate Assessment Fund. Any estimated excess or
 44 shortfall of revenue since the previous reconciliation shall be deducted from or added to the calculation of the private acute care
 45 hospital enhanced payments.

46 E.1. The "upper payment limit" means the limit on payment for inpatient services for recipients of medical assistance established in
 47 accordance with 42 C.F.R. § 447.272 and outpatient services for recipients of medical assistance pursuant to 42 C.F.R. § 447.321 for
 48 private hospitals. DMAS shall complete a calculation of the "upper payment limit" for each state fiscal year with a detailed analysis
 49 of how it was determined. The "upper payment limit payment gap" means the difference between the amount of the private hospital
 50 upper payment limit and the amount otherwise paid pursuant to the state plan for inpatient and outpatient services. The "managed
 51 care organization hospital payment gap" means the difference between the amount included in the capitation rates for inpatient and
 52 outpatient services based on historical paid claims and the amount that would be included when the projected hospital services
 53 furnished by private acute care hospitals operating in Virginia are priced for the contract year equivalent to the maximum managed
 54 care directed payment amount as allowed by CMS subject to CMS approval under 42 C.F.R. section 438.6(c). As part of the
 55 development of the managed care capitation rates, the DMAS shall calculate a "Medicaid managed care organization (MCO)

1 supplemental hospital capitation payment adjustment". This is a distinct additional amount that shall be added to Medicaid
 2 MCO capitation rates to fund supplemental payments under this section to private acute care hospitals operating in Virginia for
 3 services to Medicaid recipients.

4 2. DMAS shall contractually direct Medicaid MCOs to disburse supplemental hospital capitation payment funds consistent with
 5 this section and 42 C.F.R. § 438.6(c), to ensure that all such funds are disbursed to private acute care hospitals operating in
 6 Virginia. In addition, DMAS shall contractually prohibit MCOs from making reductions to or supplanting hospital payments
 7 otherwise paid by MCOs.

8 3. DMAS shall make available quarterly a report of the additional capitation payments that are made to each MCO pursuant to
 9 this item. Further, DMAS shall consider recommendations of the Medicaid Hospital Payment Policy and Advisory Council in
 10 designing and implementing the specific elements of the payment rate assessment and private acute care hospital supplemental
 11 payment program authorized by this item.

12 F.1. DMAS shall be responsible for collecting the payment rate assessment amount. Hospitals subject to the payment rate
 13 assessment shall make quarterly payments due no later than August 15, November 15, February 15 and May 15 of each state
 14 fiscal year.

15 2. Hospitals that fail to make the payment rate assessment payments on or before the due date in subsection F.1. shall incur a
 16 five percent penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid payment assessment or penalty will
 17 be considered a debt to the Commonwealth and DMAS is authorized to recover it as such.

18 G. DMAS shall submit a report due September 1 of each year to the Director, Department of Planning and Budget and Chairs
 19 of the House Appropriations and Senate Finance and Appropriations Committees. The report shall include, for the most
 20 recently completed fiscal year, the revenue collected from the payment rate assessment, expenditures for purposes authorized
 21 by this item, and the year-end assessment balance in the Health Care Provider Payment Rate Assessment Fund.

22 H. All revenue from the payment rate assessment shall be deposited into the Health Care Provider Payment Rate Assessment
 23 Fund, a special non-reverting fund in the state treasury. Proceeds from the payment rate assessment, excluding penalties, shall
 24 not be used for any other purpose than to fund (i) an increase in inpatient and outpatient payment rates paid to private acute care
 25 hospitals operating in Virginia up to the private hospital "upper payment limit" and "managed care organization hospital
 26 payment gap" for care provided to recipients of medical assistance services, and (ii) the administrative costs of collecting the
 27 assessment and of implementing and operating the associated payment rate actions.

28 I. Any provision of this Section is contingent upon approval by the Centers for Medicare and Medicaid Services if necessary.

29 § 3-5.17 TOBACCO TAX STUDY

30 The Joint Subcommittee to Evaluate Tax Preferences is hereby directed to continue studying options for the modernization of §
 31 58.1-1001(A), Code of Virginia, to reflect advances in science and technology in the area of tobacco harm reduction, and the
 32 role innovative non-combustible tobacco products can play in reducing harm, including products that produce vapor or aerosol
 33 from heating tobacco or liquid nicotine. In addition, the Joint Subcommittee shall study possible reforms to the taxation of
 34 tobacco products that will provide fairness and equity for all local governments and also ensure stable tax revenues for the
 35 Commonwealth. The Joint Subcommittee shall complete its study and submit a final report with recommended reforms to the
 36 Finance Committees of the Virginia Senate and Virginia House of Delegates. All agencies of the Commonwealth shall provide
 37 assistance for this study, upon request.

 49 allocated as follows: \$12.0 million for education proposals for approval by the Superintendent of Public Instruction and \$8.0
 50 million for all other proposals for approval by the Commissioner of the State Department of Social Services. In making such
 51 equitable allocation of credits, the Commissioner of Social Services and the Superintendent of Public Instruction shall consider the
 52 portion of a neighborhood organization's revenues and expenses that are used to serve low-income persons and shall not rely

1 solely on the amount of credits allocated to the neighborhood organization in the prior year in allocating available credits.

2 B. For purposes of this section, the term "individual" means the same as that term is defined in § 58.1-302, but excluding any individual
3 included in the definition of a "business firm" as such term is defined in § 58.1-439.18.

8 provide services to low-income persons or to eligible students with disabilities, either directly by the neighborhood organization or
9 through the provision of revenues to other organizations or groups providing such services. A tax credit shall be issued by the
10 Superintendent of Public Instruction or the Commissioner of Social Services to an individual only upon receipt of a certification made

30 Distributor, as defined in § 58.1-1021.01, shall be deemed to have sufficient activity within the Commonwealth to require

32 1. Receives more than \$100,000 in gross revenue, or other minimum amount as may be required by federal law, from sales of
33 tobacco products in the Commonwealth in the previous or current calendar year, provided that in determining the amount of a

c. The Governor, as chief budget officer of the state, shall ensure that the provisions and conditions as set forth in this section are strictly observed.

d. Public higher education institutions are not subject to the provisions of § 2.2-4800, Code of Virginia, or the provisions of the Department of Accounts' Commonwealth Accounting Policies and Procedures manual (CAPP) topic 20505 with regard to students who are veterans of the United States armed services and National Guard and are in receipt of federal educational benefits under the G.I. Bill. Public higher education shall establish internal procedures for the continued enrollment of such students to include resolution of outstanding accounts receivable.

e. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq. of the Code of Virginia) shall not apply to grants made in support of the 2019 Commemoration to non-profit entities organized under § 501 (c)(3) of the Internal Revenue Code.

f. 1. The State Council of Higher Education for Virginia shall establish a policy for granting undergraduate course credit to entering freshman students who have taken one or more Advanced Placement, Cambridge Advanced (A/AS), College-Level Examination Program (CLEP), or International Baccalaureate examinations by August 1, 2017. The policy shall:

a) Outline the conditions necessary for each public institution of higher education to grant course credit, including the minimum required scores on such examinations;

b) Identify the course credit or other academic requirements of each public institution of higher education that the student satisfies by achieving the minimum required scores on such examinations; and

c) Ensure, to the extent possible, that the grant of course credit is consistent across each public institution of higher education and each such examination.

2. The Council and each public institution of higher education shall make the policy available to the public on its website.

g. 1. Notwithstanding any other provision of law, any public body, including any state, local, regional, or regulatory body, or a governing board as defined in § 54.1-2345 of the Code of Virginia, or any joint meeting of such entities, may meet by electronic communication means without a quorum of the public body or any member of the governing board physically assembled at one location when the Governor has declared a state of emergency in accordance with § 44-146.17, provided that (i) the nature of the declared emergency makes it impracticable or unsafe for the public body or governing board to assemble in a single location; (ii) the purpose of meeting is to discuss or transact the business statutorily required or necessary to continue operations of the public body or common interest community association as defined in § 54.1-2345 of the Code of Virginia and the discharge of its lawful purposes, duties, and responsibilities; (iii) a public body shall make available a recording or transcript of the meeting on its website in accordance with the timeframes established in §§ 2.2-3707 and 2.2-3707.1 of the Code of Virginia; and (iv) the governing board shall distribute minutes of a meeting held pursuant to this subdivision to common interest community association members by the same method used to provide notice of the meeting.

2. A public body or governing board convening a meeting in accordance with this subdivision shall:

b) Make arrangements for public access or common interest community association members access to such meeting through electronic means including, to the extent practicable, videoconferencing technology. If the means of communication allows, provide the public or common interest community association members with an opportunity to comment; and

3. Public bodies must otherwise comply with the provisions of § 2.2-3708.2 of the Code of Virginia. The nature of the emergency, the fact that the meeting was held by electronic communication means, and the type of electronic communication means by which the meeting was held shall be stated in the minutes of the public body or governing board.

 2 intercessions, the institution shall provide access to housing for students eligible under § 23.1-601, Code of Virginia at no cost to the
 3 student provided that the student (i) is a registered student for the immediate following term and (ii) meets the definitions and
 4 conditions of the federal McKinney-Vento Homeless Assistance Act.

5 § 4-1.00 APPROPRIATIONS

6 § 4-1.01 PREREQUISITES FOR PAYMENT

7 a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any
 8 other act of the General Assembly making an appropriation during the current biennium.

9 b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically
 10 provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with
 11 Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act appropriating them,
 12 he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further,
 13 should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in accordance with provisions
 14 of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of
 15 the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and Appropriations and House
 16 Appropriations Committees.

17 c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and contained
 18 in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any general fund
 19 appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any gift, grant or
 20 donation.

21 § 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

22 a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction plan
 23 approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend appropriated
 24 moneys, regardless of the mechanism used to effect such withholding.

25 b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of
 26 appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon
 27 which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other purpose,
 28 provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor
 29 has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House Appropriations and
 30 Senate Finance and Appropriations Committees.

31 2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have
 32 been specifically presented in writing to the General Assembly at its next regularly scheduled session.

33 c. Increased Nongeneral Fund Revenue:

34 1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by
 35 the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget
 36 was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in
 37 an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for educational and general
 38 programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher
 39 education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct
 40 costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually disabled payable from the
 41 Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations for highway construction and
 42 mass transit. Moneys unallotted under this provision shall not be reallocated for any other purpose.

43 2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program,
 44 following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding
 45 allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the
 46 original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to
 47 match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

48 d. Reduced General Fund Resources:

49 1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of the
 50 state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all
 51 unexpended balances brought forward from the previous biennium.

- 1 2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund
2 appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold
3 general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the
4 estimated general fund resources available.
- 5 3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current
6 fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared
7 within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of
8 general fund revenues shall be communicated to the Chairmen of the Senate Finance and Appropriations, House Appropriations
9 and House Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of
10 reduced resources.
- 11 4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the
12 Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to
13 the Chairmen of the House Appropriations, House Finance, and Senate Finance and Appropriations Committees.
- 14 b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller
15 shall provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes
16 for the just-completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget
17 estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income
18 taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the
19 official budget estimate for the just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund
20 revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the
21 Chairmen of the Senate Finance and Appropriations, House Finance and House Appropriations Committees, not later than
22 September 1 following the close of the fiscal year.
- 23 5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved
24 by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House
25 Appropriations and Senate Finance and Appropriations Committees. Subsequent modifications to the approved reduction plan
26 also must be submitted to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees, prior
27 to withholding allotments of appropriations.
- 28 b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state
29 agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the
30 Governor's Cabinet secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via
31 electronic means to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees
32 concurrently with that budget reduction plan.
- 33 6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:
- 34 a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of
35 any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate
36 agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and Appropriations and
37 House Appropriations Committees. State agencies providing funds directly to grantees named in this act shall not apportion a
38 larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the
39 remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation,
40 shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the
41 remaining appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a
42 different payment schedule.
- 43 b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies
44 and its authorities, or for payment of a legally authorized deficit.
- 45 c) The payments for care of graves of Confederate and historical African American dead.
- 46 d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement
47 System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System,
48 Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional
49 Retirement Plan for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life
50 insurance, sickness and disability, and retiree health care credit programs for state employees, state-supported local employees
51 and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower
52 than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is
53 lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and
54 employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-
55 supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General
56 Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary

- 1 billing cycles that have been established by law or policy by the governing board.
- 2 e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.
- 3 f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.
- 4 g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for
5 payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the
6 Executive Department.
- 7 h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting
8 revenues for such appropriation are estimated to be insufficient to pay the appropriation.
- 9 7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on
10 an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the
11 maximum of 15 percent, as prescribed in subdivision 6a of this subsection.
- 12 8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the
13 appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund
14 appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations;
15 however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of
16 reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in
17 accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance and
18 Appropriations, House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund
19 sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.
- 20 9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year
21 of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury, subject to
22 the following:
- 23 a) The Governor shall declare in writing to the Chairmen of the Senate Finance and Appropriations and House Appropriations
24 Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact
25 amount of such transfer within five calendar days of the transfer;
- 26 b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of
27 Virginia, debt service funds, or federal funds; and
- 28 c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount
29 transferred from each account or fund and recommendations for restoring such amounts.
- 30 10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority
31 withheld under the provisions of this subsection to the Chairmen of the Senate Finance and Appropriations and House
32 Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld by
33 agency and appropriation item.
- 34 11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected
35 general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of the Senate shall
36 be advised in writing by the Governor, so that they may consider requesting a special session of the General Assembly.

37 § 4-1.03 APPROPRIATION TRANSFERS

8 local aid programs and aid to individuals, with the exception of student financial aid, shall not be transferred elsewhere without

- 25 5. The Director, Department of Planning and Budget, may transfer appropriations from the second year to the first year, with
26 said transfer to be reported in writing to the Chairmen of the Senate Finance and Appropriations and House Appropriations
27 Committees within five calendar days of the transfer, when the expenditure of such funds is required to:
- 28 a) address a threat to life, safety, health or property, or
- 29 b) provide for unbudgeted cost increases for statutorily required services or federally mandated services, in order to continue
30 those services at the present level, or
- 31 c) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred
32 during a situation deemed threatening to life, safety, health, or property, or
- 33 d) provide for payments to the beneficiaries of certain public safety officers killed in the line of duty, as authorized in Title 2.2,

36 Virginia, or

38 increases in workload such as enrollment, caseload or like factors, or unanticipated costs, or
- 39 f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided
40 that any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.
- 41 6. An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed
42 specifically for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized
43 budgeting and accounting systems.
- 44 7. The Director, Department of Planning and Budget, may transfer from any other agency, appropriations to supplement any
45 project of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such
46 capital project shall be transferred to the state agency designated as the managing agency for the Virginia Public Building
47 Authority.
- 48 8. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of
49 Virginia (§ 15.2-4100 et seq.) or the consolidation of a city and a county into a single city pursuant to the provisions of Chapter
50 35 of Title 15.2, Code of Virginia (§ 15.2-3500 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern
51 distributions from state agencies to the county in which the town is situated or to the consolidated city, and the Director,

1 Department of Planning and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from one
2 such agency to another, if necessary to fulfill the requirements of § 15.2-1302.

3 § 4-1.04 APPROPRIATION INCREASES

4 a. UNAPPROPRIATED NONGENERAL FUNDS:

5 1. Sale of Surplus Materials:

6 The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the
7 amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

8 2. Insurance Recovery:

9 The Director, Department of Planning and Budget, shall increase the appropriation authority for any state agency by the amount of
10 the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be necessary, to
11 pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

12 3. Gifts, Grants and Other Nongeneral Funds:

13 a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director, Department of
14 Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of the proceeds of
15 donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations during a fiscal year.
16 Such appropriations shall be increased only when the expenditure of moneys is authorized elsewhere in this act or is required to:

17 1) address a threat to life, safety, health or property or

18 2) provide for unbudgeted increases in costs for services required by statute or services mandated by the federal government, in
19 order to continue those services at the present level or implement compensation adjustments approved by the General Assembly, or

20 3) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a
21 situation deemed threatening to life, safety, health, or property, or

22 4) continue a program at the present level of service or at an increased level of service when required to address unanticipated
23 increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which will
24 benefit the state's economy, or

25 5) participate in a federal or sponsored program provided that the provisions of § 4-5.03 shall also apply to increases in
26 appropriations for additional gifts, grants, and other nongeneral fund revenue which require a general fund match as a condition of
27 their acceptance; or

28 6) realize cost savings in excess of the additional funds provided, or

29 7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or

30 8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 l of this act, or

31 9) address caseload or workload changes in programs approved by the General Assembly.

32 b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

33 c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations,
34 gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and verify their
35 accuracy, as part of the budget planning and review process.

36 d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director,
37 Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which
38 it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§
39 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services, of this act.

40 e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts,
41 Grants, and Contracts of this act.

42 4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of the
43 fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director, Department of
44 Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues deposited to the Virginia
45 Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly specifically authorizes an alternate
46 use. With regard to the appropriation of other nongeneral fund cash balances, the Director shall make a listing of such transactions
47 available to the public via electronic means no less than ten business days following the approval of the appropriation of any such

1 balance.

2 5. Reporting:

3 The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in
4 unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in
5 this subsection.

6 b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS

7 The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the
8 purchase of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of
9 any annual amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of
10 the General Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund
11 appropriations for the Department of Corrections.

12 § 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

13 a. GENERAL FUND OPERATING EXPENSE:

14 1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of
15 the first year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of
16 Virginia, where necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable,
17 in the determination of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial
18 incentives to reduce spending to effect current or future cost savings. With the exception of the unexpended general fund
19 appropriations of agencies in the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of
20 higher education, all other such unexpended general fund appropriations unexpended on the last day of the previous biennium
21 or the last day of the first year of the current biennium shall revert to the general fund.

22 b) General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent
23 Agencies shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund
24 appropriations shall also be reappropriated for institutions of higher education, subject to § 23.1-1002, Code of Virginia.

25 c) To improve the stability in institutional planning and predictability for students and families to prepare for the cost of higher
26 education, public higher education institutions are encouraged to employ the financial management strategy of establishing an
27 institutional reserve fund supported by any unexpended education and general appropriations of the institution at the end of the
28 fiscal year. The establishment of such a fund is designed to foster more long-term planning, promote efficient resource
29 utilization and reduce the need for substantial year-to-year increases in tuition, thereby increasing affordability for Virginians.
30 Independent of the provisions of § 23.1-1001, institutions are authorized to carry over education and general unexpended
31 balances to establish and maintain a reserve fund in an amount not to exceed six percent of their general fund appropriation for
32 educational and general programs in the most recently-completed fiscal year. Any use of the reserve fund shall be approved by
33 the Board of Visitors of the affected institution, and the institution shall immediately report the details of the approved plan for
34 use of the reserve fund to the Governor, the Secretary of Education, the Secretary of Finance and the Chairmen of the House
35 Appropriations and Senate Finance and Appropriations Committees. Any reserve fund shall be subject to the provisions of §
36 23.1-1303.B.11.

37 2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the
38 Senate Finance and Appropriations and House Appropriations Committees on the reappropriated amounts for each state agency
39 in the Executive Department. He shall provide a preliminary report of reappropriation actions on or before November 1 and a
40 final report on or before December 20 to the Chairmen of the House Appropriations and Senate Finance and Appropriations
41 Committees.

42 b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover
43 nonrecurring costs.

44 3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with
45 management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having
46 jurisdiction over the agency or institution, acting jointly.

47 4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain
48 unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be
49 reappropriated by language in the Appropriation Act.

50 5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House
51 Appropriations and Senate Finance and Appropriations Committees showing the amount reverted for each agency and the total
52 amount of such reversions.

1 b. NONGENERAL FUND OPERATING EXPENSE:

2 Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a
 3 period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it
 4 is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director,
 5 Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly. This
 6 provision does not apply to funds held in trust by the Commonwealth.

7 c. CAPITAL PROJECTS:

8 1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the
 9 fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or
 10 reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The
 11 State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and
 12 reduce any appropriation or reappropriation which the Director determines is not needed to complete the project.

13 2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to
 14 and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of
 15 Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the
 16 appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return
 17 the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral
 18 funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds.

19 3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall
 20 subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an
 21 unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise
 22 restore any portion of such amount under the same conditions.

23 § 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

24 a. LIMITED CONTINUATION OF APPROPRIATIONS.

25 Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of
 26 the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be necessary in
 27 order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such
 28 date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the
 29 previous biennium, against such unexpended balances.

30 b. LIMITATIONS ON CASH DISBURSEMENTS.

31 Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for
 32 each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter budgetary
 33 transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency
 34 arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State
 35 Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn against
 36 appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This
 37 provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond
 38 documents, trust indentures, and/or escrow agreements.

39 § 4-1.07 ALLOTMENTS

40 Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-
 41 1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget, shall
 42 prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations
 43 for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the
 44 Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the
 45 Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

46 § 4-2.00 REVENUES

47 § 4-2.01 NONGENERAL FUND REVENUES

48 a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

49 1. a) No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except
 50 under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds, except that
 51 donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less than \$5,000, such as

- 1 library items or small display items, may be approved by the Executive Director of the Virginia War Memorial in consultation
2 with the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the Virginia War Memorial
3 Foundation must receive written approval from the Secretary of Veterans Affairs and Homeland Security.
- 4 b) The limits on solicitation and acceptance of donations, gifts, grants, and contracts stated in paragraph 1.a) above shall not
5 apply to donations, gifts, grants, and contracts associated with support and/or response to the needs and impacts of the COVID-
6 19 pandemic provided that acceptance of such does not create any ongoing commitments against general or nongeneral fund
7 resources of the Commonwealth.
- 8 2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary
9 donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this
10 act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment
11 funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a
12 separately incorporated foundation or corporation.
- 13 3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution
14 through a lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the
15 lease purchase agreement, provided that the lessor is the Virginia College Building Authority.
- 16 4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs,
17 4-4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.
- 18 5. Notwithstanding any other provision of law, public institutions of higher education may enter into agreements or contracts
19 with nonprofit organizations that provide funding for research or other mission related activities and require use of binding
20 arbitration or application of the laws of another jurisdiction, upon approval of the Office of the Attorney General.
- 21 b. HIGHER EDUCATION TUITION AND FEES
- 22 1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
23 Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of
24 higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in
25 accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the
26 appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment
27 funds, or income derived from endowments and gifts.
- 28 2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at
29 levels they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates,
30 provided that the total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund
31 appropriation for educational and general programs provided in this act.
- 32 b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels
33 they deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided
34 that: i) the tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at
35 least 100 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and
36 periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue
37 generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for educational and
38 general programs provided in this act.
- 39 c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher
40 Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in
41 annual tuition and fee increases for nonresident students that would discourage their enrollment.
- 42 d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion
43 of nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent, unless: i)
44 such enrollment is intended to support workforce development needs within the Commonwealth of Virginia as identified in
45 consultation with the Virginia Economic Development Partnership, and ii) the number of in-state undergraduate students does
46 not drop below fall 2018 full-time equivalent census levels as certified by the State Council of Higher Education for Virginia.
47 Norfolk State University, Virginia Military Institute, Virginia State University, and two-year public institutions are exempt
48 from this restriction. Any such increases shall be limited to no more than a one percentage point increase over the prior year.
- 49 3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education,
50 the General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding
51 of the base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to
52 the 60th percentile of peer institutions, and other priorities set forth in this act.
- 53 b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to

1 cover at least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced in
2 subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and other
3 priorities set forth in this act.

4 4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as
5 the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of
6 Virginia is served, while recognizing the material contributions provided by the presence of nonresident students. The State Council
7 of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the
8 domiciliary status of students.

9 b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House Appropriations
10 and Senate Finance and Appropriations Committees no later than August 1 of each year the annual change in total charges for tuition
11 and all required fees approved and allotted by the Board of Visitors. As it deems appropriate, the State Council of Higher Education
12 for Virginia shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and
13 required fees at institutions outside of the Commonwealth.

14 c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts
15 of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the
16 institutions of higher education.

17 d) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly,
18 Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 144 and 145 of the 2019 Acts of Assembly, each institution shall
19 work with the State Council of Higher Education for Virginia and the Virginia College Savings Plan to determine appropriate tuition
20 and fee estimates for tuition savings plans.

21 5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its
22 educational and general program closely approximate the anticipated annual budget each fiscal year.

23 6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants and
24 paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.

25 7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education
26 includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction
27 of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of
28 Virginia Educational Facilities Bond Act of 2002.

29 8. a) 1) Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of
30 Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly,
31 mandatory fees for purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond
32 three percent annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly.
33 Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision,
34 provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House Appropriations
35 and Senate Finance and Appropriations Committees by the institution of higher education at least 30 days prior to the effective date
36 of the fee increase.

37 2) The University of Mary Washington is hereby authorized to undertake a review of its tuition and fee structure for the purpose of
38 more closely aligning auxiliary fees, including room, board, and the comprehensive fee, with auxiliary expenditure budgets.
39 Adjustments to mandatory fees in auxiliary programs may exceed three percent subject to annual approval by the University's Board
40 of Visitors to the extent required to effect budgetary alignment of revenues and expenditures. This exemption will be limited to the
41 period beginning in fiscal year 2019-20 and extending through the end of fiscal year 2023-24.

42 b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the
43 General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General
44 Assembly.

45 c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community
46 College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to
47 approval by the State Board for Community Colleges.

48 9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of
49 Virginia must absorb the cost of any discretionary waivers.

50 10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional
51 Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those
52 students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

53 c. HIGHER EDUCATION PLANNED EXCESS REVENUES:

1 An institution of higher education, except for those public institutions governed by Chapters 933 and 943 of the 2006 Acts of
 2 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and
 3 Chapters 124 and 125 of the 2019 Acts of Assembly, may generate and retain tuition and fee revenues in excess of those
 4 provided in § 4-2.01 b Higher Education Tuition and Fees, subject to the following:

- 5 1. Such revenues are identified by language in the appropriations in this act to any such institution.
- 6 2. The use of such moneys is fully documented by the institution to the Governor prior to each fiscal year and prior to
 7 allotment.
- 8 3. The moneys are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as
 9 the basis for funding in subsequent biennia.
- 10 4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of
 11 Accounts and shall not revert to the surplus of the general fund at the end of the biennium.
- 12 5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-
 13 1.04 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

14 § 4-2.02 GENERAL FUND REVENUE

15 a. STATE AGENCY PAYMENTS INTO GENERAL FUND:

16 1. Except as provided in § 4-2.02 a.2., all moneys, fees, taxes, charges and revenues received at any time by the following
 17 agencies from the sources indicated shall be paid immediately into the general fund of the state treasury:

 29 of Virginia.

30 c) All state institutions for the mentally ill or intellectually disabled, from fees or per diem paid employees for the performance
 31 of services for which such payment is made, except for a fee or per diem allowed by statute to a superintendent or staff member
 32 of any such institution when summoned as a witness in any court.

33 d) Secretary of the Commonwealth, from all sources.

34 e) The Departments of Corrections and Juvenile Justice, as required by law, including revenues from sales of dairy and other

41 i) Attorney General, from recoveries of attorneys' fees and costs of litigation.

42 j) Department of Social Services, from net revenues received from child support collections after all disbursements are made in
 43 accordance with state and federal statutes and regulations, and the state's share of the cost of administering the programs is

1 paid.

2 k) Department of General Services, from net revenues received from refunds of overpayments of utilities charges in prior fiscal
3 years, after deduction of the cost of collection and any refunds due to the federal government.

4 l) Without regard to paragraph e) above, the following revenues shall be excluded from the requirement for deposit to the general
5 fund and shall be deposited as follows: (1) payments to Virginia Correctional Enterprises shall be deposited into the Virginia
6 Correctional Enterprises Fund; (2) payments to the Departments of Corrections and Juvenile Justice for work performed by inmates,
7 work release prisoners, probationers or wards, which are intended to cover the expenses of these inmates, work release prisoners,
8 probationers, or wards, shall be retained by the respective agencies for their use; and (3) payments to the Departments of Corrections
9 and Juvenile Justice for work performed by inmates in educational programs shall be retained by the agency to increase vocational

15 similar transfers of the proceeds from the sale of property not subject to § 2.2-1124, Code of Virginia, if said property was originally
16 acquired with general fund appropriations, unless the General Assembly provides otherwise.

41 seek input from the Committee, to the extent permissible under applicable federal law and guidelines, for the preparation of a
42 proposed Distribution Plan (the "Plan") regarding the distribution and use of money or property, or both. If a federal entity must
43 approve the Plan for such distribution or use, or both, and does not approve the Plan submitted by the Attorney General, the Plan
44 may be revised if deemed appropriate and resubmitted to the federal entity for approval following notification of the Committee. If
45 the federal entity approves the original Plan or a revised Plan, the Attorney General shall inform the Committee, and ensure that such
46 money or property, or both, is distributed or used, or both, in a manner that is consistent with the Plan approved by the federal entity.
47 The distribution of any money or property, or both, shall be done in a manner as prescribed by the State Comptroller and consistent
48 with any federal authorization in order to ensure proper accounting on the books of the Commonwealth.

49 § 4-2.03 INDIRECT COSTS

50 a. INDIRECT COST RECOVERIES FROM GRANTS AND CONTRACTS:

51 Each state agency, including institutions of higher education, which accepts a grant or contract shall recover full statewide and
52 agency indirect costs unless prohibited by the grantor agency or exempted by provisions of this act.

1 b. AGENCIES OTHER THAN INSTITUTIONS OF HIGHER EDUCATION:

2 The following conditions shall apply to indirect cost recoveries received by all agencies other than institutions of higher
3 education:

4 1. The Governor shall include in the recommended nongeneral fund appropriation for each agency in this act the amount which
5 the agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall
6 reflect the indirect costs in the program incurring the costs.

7 2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director,
8 Department of Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of
9 such excess indirect cost recovery. Such increase shall be made in the program incurring the costs.

10 3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically
11 exempted from this requirement by language in this act. Any statewide indirect cost recoveries received by the agency in excess
12 of the exempted sum shall be deposited to the general fund of the state treasury.

13 c. INSTITUTIONS OF HIGHER EDUCATION:

14 The following conditions shall apply to indirect cost recoveries received by institutions of higher education:

17 by or for the institution pursuant to § 23.1-1106, Code of Virginia, for any appropriate purpose of the institution, including, but
18 not limited to, the conduct and enhancement of research and research-related requirements.

20 Chapter 1042 of the Acts of Assembly of 2003, shall be included in the educational and general revenues of the institution to
21 meet administrative costs.

22 3. Institutions of higher education may retain 100 percent of the indirect cost recoveries related to research grant and contract
23 levels in excess of the levels authorized in Chapter 1042 of the Acts of Assembly of 2003. This provision is included as an
24 additional incentive for increasing externally funded research activities.

25 d. REPORTS

26 The Director, Department of Planning and Budget, shall make available via electronic means a report to the Chairmen of the
27 Senate Finance and Appropriations and House Appropriations Committees and the public no later than September 1 of each
28 year on the indirect cost recovery moneys administratively appropriated.

31 establishment of criteria to certify that an agency is in compliance with the provisions of this subsection.

32 **§ 4-3.00 DEFICIT AUTHORIZATION AND TREASURY LOANS**

33 § 4-3.01 DEFICITS

34 a. GENERAL:

35 1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations
36 under the provisions of this act shall obligate or expend moneys in excess of its general fund appropriations, nor shall it
37 obligate or expend moneys in excess of nongeneral fund revenues that are collected and appropriated.

38 2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

39 a) an unanticipated federal or judicial mandate has been imposed,

40 b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

41 c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required
42 by statute or those required by federal mandate or will produce a threat to life, safety, health or property.

43 d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of
44 this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance and
45 Appropriations Committees within five calendar days of deficit approval.

46 3. Deficits shall not be authorized for capital projects.

1 4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital
 2 nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia Transportation
 3 Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have sufficient cash allocated to
 4 each such project to cover projected costs in each year of the Program; and provided that c) sufficient revenues are projected to meet
 5 all cash obligations for such projects as well as all other commitments and appropriations approved by the General Assembly in the
 6 biennial budget.

7 b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an unauthorized
 8 deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further, there shall be no
 9 reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any appropriation hereafter to meet
 10 such unauthorized deficit. Further, those members of the governing board of any such agency who shall have voted therefor, or its
 11 head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount
 12 of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject
 13 to removal therefor. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director,
 14 Department of Planning and Budget, is hereby directed to set out such unauthorized deficits in the next biennium budget. In addition,
 15 the Governor is directed to bring this provision of this act to the attention of the members of the governing board of each state
 16 agency, or its head if there be no governing board, within two weeks of the date that this act becomes effective. The governing board
 17 or the agency head shall execute and return to the Governor a signed acknowledgment of such notification.

18 c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section during
 19 the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state agencies, or
 20 other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one and one-half
 21 percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined in § 4-2.02 b. of this act
 22 during the last year of the previous biennium and the first year of the current biennium.

23 d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and Senate
 24 Finance and Appropriations Committees within five calendar days of deficit approval. By August 15 of each year, the Governor
 25 shall provide a comprehensive report to the Chairmen of the House Appropriations and Senate Finance and Appropriations
 26 Committees detailing all such deficits.

27 § 4-3.02 TREASURY LOANS

28 a. AUTHORIZED DEFICIT LOANS: A state agency requesting authorization for deficit spending shall prepare a plan for the
 29 Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to eliminate the
 30 deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a deficit under the
 31 provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized amount on such terms
 32 and from such sources as may be approved by the Governor. At the close of business on the last day of the current biennium, any
 33 unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of
 34 the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which
 35 require an appropriation for repayment. A copy of the approved plan to eliminate the deficit shall be transmitted to the Chairmen of
 36 the House Appropriations and the Senate Finance and Appropriations Committees within five calendar days of approval.

53 4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the
 54 projected expenditures for the project within the current biennium.

1 5. To ensure that such loans are repaid as soon as practical and economical, the Department of Planning and Budget shall
 2 monitor the construction and expenditure schedules of all approved capital projects that will be paid for with proceeds from
 3 authorized debt and have anticipation loans.

4 6. Unless otherwise prohibited by federal or state law, the State Treasurer shall charge current market interest rates on
 5 anticipation loans made for operating purposes and capital projects subject to the following:

6 a) Anticipation loans for capital projects for which debt service will be paid with general fund appropriations shall be exempt
 7 from interest payments on borrowed balances.

8 b) Interest payments on anticipation loans for nongeneral fund capital projects or nongeneral fund operating expenses shall be
 9 made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan or
 10 from the proceeds of authorized debt without the approval of the State Treasurer.

11 c) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and
 12 Senate Finance and Appropriations Committees by August 15 of each year. The report shall include a status of the repayment
 13 schedule for each loan.

14 c. ANTICIPATION LOANS FOR PROJECTS NOT INCLUDED IN THIS ACT OR FOR PROJECTS AUTHORIZED
 15 UNDER § 4-4.01 L: Authorization for anticipation loans for projects not included in this act or for projects authorized under §

 19 revenues, any state agency may borrow from the state treasury the required sum with the prior written approval of the Secretary
 20 of Finance or his designee as to the amount, terms, and sources of such funds. Such loans shall not exceed the amount of the
 21 anticipated collections of such nongeneral fund revenues and shall be repaid only from such nongeneral fund revenues when
 22 collected.

23 b) When the payment of obligations for capital expenses for projects authorized under § 4-4.01 l is required prior to the
 24 collection of nongeneral fund revenues, any state agency or body corporate and politic, constituting a public corporation and

 29 minimum amount required to meet projected expenditures. The term of any anticipation loans granted for operating expenses
 30 shall not exceed 12 months.

31 4. Before an anticipation loan is provided for a capital project authorized under § 4-4.01 l, the agency shall develop a plan for
 32 repayment of such loan and approval of the Director of the Department of Planning and Budget shall be obtained for all such
 33 plans and reported to the Chairman of the House Appropriations and Senate Finance and Appropriations Committees.

34 5. Anticipation loans for capital projects authorized under § 4-4.01 l shall be in amounts not greater than the sum identified by
 35 the agency as required to meet the projected expenditures for the project within the current biennium. Such loans shall be repaid
 36 only from nongeneral fund revenues associated with the project.

37 6. The State Treasurer shall charge current market interest rates on anticipation loans made for capital projects authorized under
 38 § 4-4.01 l. Interest payments on anticipation loans for nongeneral fund capital projects authorized under § 4-4.01 l shall be
 39 made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan
 40 without the approval of the Director of the Department of Planning and Budget.

41 a) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and
 42 Senate Finance and Appropriations Committees by August 15 of each year. The report shall include a status of the repayment

44 § 4-3.03 LONG-TERM LEASES

45 a. GENERAL:

46 1. As part of their capital budget submission, all agencies and institutions of the Commonwealth proposing building projects
 47 that may qualify as long-term lease agreements, as defined in Generally Accepted Accounting Principles (GAAP), and that may
 48 be supported in whole, or in part, from appropriations provided for in this act, shall submit copies of such proposals to the
 49 Directors of the Departments of Planning and Budget and General Services, the State Comptroller, and the State Treasurer
 50 based on guidelines promulgated by the Secretary of Finance. In addition, the Secretary of Finance may promulgate guidelines
 51 for the review and approval of such requests.

2. The proposals shall be submitted in such form as the Secretary of Finance may prescribe. The Comptroller and the Director, Department of General Services shall be responsible for evaluating the proposals to determine if they qualify as long-term lease agreements. The State Treasurer shall be responsible for incorporating existing and authorized long-term lease agreements meeting the approved parameters into the annual Debt Capacity Advisory Committee reports.

b. APPROVAL OF FINANCINGS:

1. For any project which qualifies as a long-term lease, as defined in the preceding subdivisions a 1 and 2, and which is financed through the issuance of securities, the Treasury Board shall approve the terms and structure of such financing pursuant to § 2.2-2416, Code of Virginia.

2. For any project for which costs will exceed \$5,000,000 and which is financed through a long-term lease transaction, the Treasury Board shall approve the financing terms and structure of such long-term lease in addition to such other reviews and approvals as may be required by law. Prior to consideration by the Treasury Board, the Departments of Accounts shall notify the Treasury Board of any transaction determined to be a long-term lease. Additionally, the Departments of General Services and Planning and Budget shall notify the Treasury Board upon their approval of any transaction which qualifies as a long-term lease under the terms of this section. § 4-4.00 CAPITAL PROJECTS

§ 4-4.01 GENERAL

a. Definition:

1. Unless defined otherwise, when used in this section, "capital project" or "project" means acquisition of property and new construction and improvements related to state-owned property, plant or equipment (including plans therefor), as the terms "acquisition", "new construction", and "improvements" are defined in the instructions for the preparation of the Executive Budget. "Capital project" or "project" shall also mean any improvements to property leased for use by a state agency, and not owned by the state, when such improvements are financed by public funds, except as hereinafter provided in subdivisions 3 and 4 of this subsection.

2. The provisions of this section are applicable equally to acquisition of property and plant by purchase, gift, or any other means, including the acquisition of property through a lease/purchase contract, regardless of the method of financing or the source of funds. Acquisition of property by lease shall be subject to § 4-3.03 of this act.

3. The provisions of this section shall not apply to property or equipment acquired by lease or improvements to leased property and equipment when the improvements are provided by the lessor pursuant to the terms of the lease and upon expiration of the lease remain the property of the lessor.

4. The provisions of this section shall not apply to property leased by state agencies for the purposes described in §§ 2.2-1151 C and 33.2-1010, Code of Virginia.

b. Notwithstanding any other provisions of law, requests for appropriations for capital projects shall be subject to the following:

1. The agency shall submit a capital project proposal for all requested capital projects. Such proposals shall be submitted to the Director, Department of Planning and Budget, for review and approval in accordance with guidelines prescribed by the director. Projects shall be developed to meet agency functional and space requirements within a cost range comparable to similar public and private sector projects.

2. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly, financings for capital projects shall comply, where applicable, with the Treasury Board Guidelines issued pursuant to § 2.2-2416, Code of Virginia, and any subsequent amendments thereto.

3. As part of any request for appropriations for an armory, the Department of Military Affairs shall obtain a written commitment from the host locality to share in the operating expense of the armory.

- 1 c. Each agency head shall provide annually to the Director, Department of Planning and Budget, a report on the use of the
 2 maintenance reserve appropriation of the agency in Part 2 of this act. In the use of its maintenance reserve appropriation, an
 3 agency shall give first priority to the repair or replacement of roof on buildings under control of the agency. The agency head
 4 shall certify in the agency's annual maintenance reserve report that to the best of his or her knowledge, all necessary roof
 5 repairs have been accomplished or are in the process of being accomplished. Such roof repairs and replacements shall be in
 6 accord with the technical requirements of the Commonwealth's Construction and Professional Services Manual.
- 7 d. The Department of Planning and Budget shall review its approach to capital outlay planning and budgeting from time to time
 8 and make available via electronic means a report of any proposed change to the Chairmen of the House Appropriations and
 9 Senate Finance and Appropriations Committees and the public prior to its implementation. Such report shall include an analysis
 10 of the impact of the suggested change on affected agencies and institutions.
- 11 e. Nothing in §§ 2-0 and 4-4.00 of this act shall be deemed to override the provisions of §§ 2.2-1132 and 62.1-132.6, Code of
 12 Virginia, amended by Chapter 488, 1997 Acts of Assembly, relating to Virginia Port Authority capital projects and
 13 procurement activities.
- 14 f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph
 15 m, all capital projects to be undertaken by agencies of the Commonwealth, including institutions of higher education, shall be
 16 pursuant to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § 2.2-
 17 1515, et seq., Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:
- 18 1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and
 19 2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in
 20 cost or otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing
 21 facilities.
- 22 3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 l hereof, or projects included under the
 23 central appropriations for capital project expenses in this act.
- 24 g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to
 25 this act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or
 26 is considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need
 27 for other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and
 28 specifications for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for
 29 the purposes intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or
 30 construction of such project can and will be obtained at reasonable cost; and (4) to determine whether or not the project
 31 conforms to a site or master plan approved by the agency head or board of visitors of an institution of higher education for a
 32 program approved by the General Assembly.
- 33 h. Initiation Generally:
- 34 1. No architectural or engineering planning for, or construction of, or purchase of any capital project shall be commenced or
 35 revised without the prior written approval of the Governor or his designee.
- 36 2. The requirements of § 10.1-1190, Code of Virginia, shall be met prior to the release of funds for a major state project,
 37 provided, however, that the Governor or his designee is authorized to release from any appropriation for a major state project
 38 made pursuant to this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report
 39 required by § 10.1-1188, Code of Virginia.
- 40 3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made
 41 pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects
 42 and engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed
 43 the appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the
 44 preliminary design for any such project may be based on such estimated costs as may be approved by the Governor in writing,
 45 where it is shown to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen
 46 conditions, have made the appropriation inadequate for the completion of the project for which the appropriation was made,
 47 and where in the judgment of the Governor such changed conditions justify the payment of architectural or engineering fees
 48 based on costs exceeding the appropriation.
- 49 4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or
 50 activity.
- 51 i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii)
 52 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall
 53 be reviewed as follows:

1 1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general
 2 obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in accordance
 3 with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial feasibility studies to
 4 the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution, the Chairmen of the House
 5 Appropriations and Senate Finance and Appropriations Committees, and the Director, State Council of Higher Education for
 6 Virginia, if the project is requested by an institution of higher education.

7 2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State Council of
 8 Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the
 9 institution. The State Council of Higher Education for Virginia shall identify the impact of all projects requested by the institutions
 10 of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost to students in institutions of higher
 11 education and the impact of the project on the institution's need for student financial assistance. The State Council of Higher
 12 Education for Virginia shall report such information to the Secretary of Finance and the Chairmen of the House Appropriations and
 13 Senate Finance and Appropriations Committees no later than October 1 of each year.

14 3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of
 15 financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed by the
 16 State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9 (c), of the
 17 Constitution of Virginia.

18 j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-1.04
 19 a.3, and 4-4.01 l of this act.

20 k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any capital
 21 project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond the plans and
 22 justification which were the basis for the appropriation or reappropriation in this act or for the Governor's authorization pursuant to §
 23 4-4.01 l of this act. However, this prohibition is not applicable to changes in size and scope required because of circumstances
 24 determined by the Governor to be an emergency, or requirements imposed by the federal government when such capital project is
 25 for armories or other defense-related installations and is funded in whole or in part by federal funds. Furthermore, this prohibition
 26 shall not apply to minor increases, beyond five percent, in square footage determined by the Director, Department of General
 27 Services, to be reasonable and appropriate based on a written justification submitted by the agency stating the reason for the
 28 increase, with the provision that such increase will not increase the cost of the project beyond the amount appropriated; nor to
 29 decreases in size beyond five percent to offset unbudgeted costs when such costs are determined by the Director, Department of
 30 Planning and Budget, to be reasonable based on a written justification submitted by the agency specifying the amount and nature of
 31 the unbudgeted costs and the types of actions that will be taken to decrease the size of the project. The written justification shall also
 32 include a certification, signed by the agency head, that the resulting project will be consistent with the original programmatic intent
 33 of the appropriations.

34 2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved by
 35 the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.

36 l. Projects Not Included In This Act:

37 1. Authorization by Governor:

38 a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not
 39 specifically included in this act or provided for a program approved by the General Assembly through appropriations, under one or
 40 more of the following conditions:

41 1) The project is required to meet an emergency situation.

42 2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be fully
 43 funded by revenues of auxiliary enterprises or sponsored programs.

44 3) The project is to be operated as an educational and general program in an institution of higher education and will be fully funded
 45 by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.

46 4) The project consists of plant or property which has become available or has been received as a gift.

47 5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission or
 48 the Virginia Tobacco Settlement Foundation.

49 b) The foregoing conditions are subject to the following criteria:

50 1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03)
 51 without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.

- 1 2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.
- 2 3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated
3 operating costs, and the fund sources for the project and its operating costs.
- 4 4) The Chairmen of the House Appropriations and Senate Finance and Appropriations Committees shall be notified by the
5 Governor prior to the authorization of any capital project under the provisions of this subsection.
- 6 5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.
- 7 2. Authorization by Director, Department of Planning and Budget:
- 8 a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the
9 General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia
10 College Building Authority, or from reserves created by refunding of bonds issued by those Authorities.
- 11 3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:
- 12 a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the
13 eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative
14 autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated
15 authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for
16 emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project
17 that is not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in
18 § 4-4.01 1 1 of this act.
- 19 b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and
20 Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and must provide a life-cycle
21 budget analysis of the project. Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.
- 22 c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine
23 maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher
24 education in accordance with this provision.
- 25 m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject
26 to the following policies:
- 27 1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for
28 acquisition, construction, maintenance, operation, and repairs.
- 29 2. For new campuses to be established within the Virginia Community College System, expenditures for land acquisition, site
30 preparation beyond five feet from a building, and the construction of additional outdoor lighting, sidewalks, outdoor athletic
31 and recreational facilities, and parking lots in the Virginia Community College System shall be made only from appropriated
32 federal funds, Trust and Agency funds, including local government allocations or appropriations, or the proceeds of
33 indebtedness authorized by the General Assembly.
- 34 3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all
35 colleges and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking
36 facilities.
- 37 4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting,
38 sidewalks, and other infrastructure facilities may be made from any appropriated funds.
- 39 5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and
40 outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing
41 on a community college campus as of July 1, 1988.
- 42 6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative
43 authority as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of
44 Assembly, any repair, renovation, or new construction project costing up to \$3,000,000 shall be exempt from the capital outlay
45 review and approval process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which
46 in combination would exceed the \$3,000,000 maximum.
- 47 2. All state agencies and institutions of higher education shall be exempt from the capital review and approval process for
48 repair, renovation, or new construction projects costing up to \$3,000,000.
- 49 b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing
50 up to \$3,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid

- 1 award made after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide
2 exemptions to the threshold.
- 3 7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as a
4 priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant"
5 subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and Budget, or
6 his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House Appropriations
7 and Senate Finance and Appropriations Committees.
- 8 n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which
9 require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such
10 appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the opinion of
11 the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his judgment may be
12 necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in accordance with § 4-
13 8.00, Reporting Requirements.
- 14 o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project beyond
15 that anticipated when the project was initially approved by the General Assembly except to comply with requirements imposed by
16 the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in
17 part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not be reallocated to
18 expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall not apply to transfers
19 from projects for which reappropriations have been authorized.
- 20 p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as owner
21 or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.
- 22 q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-owned
23 properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not be adversely
24 affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to submit all plans
25 for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the appearance of the structure,
26 landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed within thirty days and the
27 comments of that department shall be submitted to the Governor through the Department of General Services for use in making a
28 final determination.
- 29 r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the Commonwealth to
30 the educational or real estate foundation of any institution of higher education where he finds that such property was acquired with
31 local or private funds or by gift or grant to or for the use of the institution, and not with funds appropriated to the institution by the
32 General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of Virginia, and any other statute concerning
33 conveyance, transfer or sale of state property. If the foundation conveys any interest in the property or any improvements thereon,
34 such conveyance shall likewise be exempt from compliance with any statute concerning disposition of state property. Any income or
35 proceeds from the conveyance of any interest in the property shall be deemed to be local or private funds and may be used by the
36 foundation for any foundation purpose.
- 37 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
38 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, Chapters 675
39 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly.
- 40 s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-owned
41 property controlled by an institution of higher education, where the lease has been entered into consistent with the provisions of §
42 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting procedures of Executive
43 agencies as may reasonably be required to promote the property improvement goals for which the lease agreement was developed.
- 44 2. This section shall not apply to public institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of
45 Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, Chapters 675
46 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the 2019 Acts of Assembly.
- 47 t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as
48 follows:
- 49 1. Such improvements shall be considered an operating expense, provided that:
- 50 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating,
51 Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is
52 limited to measures listed in guidelines issued by the Department of General Services;
- 53 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval

- 1 and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;
- 2 c) the scope of work has been reviewed and recommended by the Department of Energy;
- 3 d) the total cost does not exceed \$3,000,000; and
- 4 e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost
5 of the project, including debt service and interest payments.
- 6 2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed
7 \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and
8 interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the
9 following conditions must be met:
- 10 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of
11 Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-
12 1989 and is limited to measures listed in guidelines issued by the Department of General Services;
- 13 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board
14 approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General
15 Services;
- 16 c) the scope of work has been reviewed and recommended by the Department of Energy;
- 17 d) the project has been reviewed by the Department of Planning and Budget; and
- 18 e) the project has been approved by the Governor.
- 19 3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of
20 Planning and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.
- 21 The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy
22 conservation projects that qualify as capital expenses.
- 23 4. As used in this paragraph, "improvement" does not include (a) constructing, enlarging, altering, repairing or demolishing a
24 building or structure, (b) changing the use of a building either within the same use group or to a different use group when the
25 new use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or
26 disturbing any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures,
27 If the projected scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay
28 process as set out in this section.
- 29 5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate
30 Finance and Appropriations Committees upon the initiation of any energy-efficiency projects under the provisions of this
31 paragraph.
- 32 u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional
33 facility or for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves
34 acquisition or new construction of youth or adult correctional facilities on real property which was not owned by the
35 Commonwealth on January 1, 1995, until the governing body of the county, city or town wherein the project is to be located
36 has adopted a resolution supporting the location of such project within the boundaries of the affected jurisdiction. The
37 foregoing does not prohibit expenditures for site studies, real estate options, correctional facility design and related
38 expenditures.
- 39 v. Except for institutions of higher education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594
40 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685 of the 2009 Acts of Assembly, and Chapters 124 and 125 of the
41 2019 Acts of Assembly, any alternative financing agreement entered into between a state agency or institution of higher
42 education and a private entity or affiliated foundation must be reviewed and approved by the Treasury Board.
- 43 w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost
44 study to determine whether an alternative financing arrangement or public-private transaction would provide a more effective
45 option for the construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as
46 part of the budget development process and shall be evaluated by the Governor prior to submitting his proposed budget.
- 47 x. Construction or improvement projects of the Department of Military Affairs are not exempt from the capital outlay review
48 process when the state procurement process is utilized, except for those projects with both an estimated cost of \$3,000,000 or
49 less and are 100 percent federally reimbursed. The Department of Military Affairs shall submit by July 30 of each year to the
50 Department of Planning and Budget a list of such projects that were funded pursuant to this exemption in the previous fiscal

1 year and any projects that would be eligible for such funding in future fiscal years.

2 § 4-4.02 PLANNING AND BUDGETING

3 a. It shall be the intent of the General Assembly to make biennial appropriations for a capital improvements program sufficient to
4 address the program needs of the Commonwealth. The capital improvements program shall include maintenance and deferred
5 maintenance of the Commonwealth's existing facilities, and of the facility requirements necessary to deliver the programs of state
6 agencies and institutions.

7 b. In effecting these policies, the Governor shall establish a capital budget plan to address the renewal and replacement of the
8 Commonwealth's physical plant, using such guidelines as recommended by industry or government to maintain the Commonwealth's
9 investment in its property and plant.

10 **§ 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES**

11 § 4-5.01 TRANSACTIONS WITH INDIVIDUALS

12 a. SETTLEMENT OF CLAIMS: Whenever a dispute, claim or controversy involving the interest of the Commonwealth is settled
13 pursuant to § 2.2-514, Code of Virginia, payment may be made out of any appropriations, designated by the Governor, to the state
14 agency(ies) which is (are) party to the settlement.

15 b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:

16 1. General:

17 a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance may
18 be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at least one-
19 half time in a degree, certificate, industry-based certification and related programs that do not qualify for other sources of student
20 financial assistance or diploma program; grants to full-time graduate students; graduate assistantships: grants to students enrolled
21 full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these appropriations for the
22 purpose of supporting work study programs. The institution is required to transfer to educational and general appropriations all funds
23 used for work study or to pay graduate assistantships. Institutions may also contribute to federal or private student grant aid
24 programs requiring matching funds by the institution, except for programs requiring work. The State Council of Higher Education
25 for Virginia shall annually review each institution's plan for the expenditures of its general fund appropriation for undergraduate
26 student financial assistance prior to the start of the fall term to determine program compliance. The institution's plan shall include the
27 institution's assumptions and calculations for determining the cost of attendance, student financial need, and student remaining need
28 as well as an award schedule or description of how funds are awarded. For the purposes of the proposed plan, each community
29 college shall be considered independently. No limitations shall be placed on the awarding of nongeneral fund appropriations made in
30 this act to state institutions of higher education within the Items for student financial assistance other than those found previously in
31 this paragraph and as follows: (i) funds derived from in-state student tuition will not subsidize out-of-state students, (ii) students
32 receiving these funds must be making satisfactory academic progress, (iii) awards made to students should be based primarily on
33 financial need, and (iv) institutions should make larger grant and scholarship awards to students taking the number of credit hours
34 necessary to complete a degree in a timely manner.

35 b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset all, or
36 portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1) hereof, the cost of
37 books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to the remaining need of
38 individual students, with students with higher levels of remaining need receiving grants before other students. No criteria other than
39 the need of the student shall be used to determine the award amount. Because of the low cost of attendance and recognizing that
40 federal grants provide a much higher portion of cost than at other institutions, a modified approach and minimum award amount for
41 the neediest VGAP student should be implemented for community college and Richard Bland College students based on remaining
42 need and the combination of federal and grant state aid. Student financial need shall be determined by a need-analysis system
43 approved by the Council.

44 c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the
45 Council.

46 2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly, each
47 institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate student aid and
48 graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

49 d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the
50 award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the percentage
51 used for federal Return to Title IV program purposes.

52 e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according to the
53 size of comparable awards made in that institution's regular session.

- 1 f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the
2 soil scientist scholarships authorized under § 23.1-615, Code of Virginia and (2) need-based financial aid programs for
3 industry-based certification and related programs that do not qualify for other sources of student financial assistance, which will
4 be subject to guidelines developed by the State Council of Higher Education for Virginia.
- 5 g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.
- 6 h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional
7 baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.
- 8 2. Grants To Undergraduate Students:
- 9 a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend
10 such sums as approved for that purpose by the Council.
- 11 b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the
12 institution making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes
13 of eligibility under Title IV of the federal Higher Education Act, as amended.
- 14 c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP)
15 authorized in Title 23.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution
16 with equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this
17 act (service area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other
18 students with equivalent remaining need.
- 19 2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required
20 fees and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the
21 VGAP award will be determined by the proportionate award schedule adopted by each institution; however, those students with
22 the greatest financial need shall be guaranteed an award at least equal to tuition.
- 23 3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially
24 needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic
25 performance and to consider higher education an achievable objective in their futures.
- 26 4) Students may not receive a VGAP and a Commonwealth grant in the same semester.
- 27 3. Grants To Graduate Students:
- 28 a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria
29 determined by the institution making the award. The amount of an award shall be determined by the institution making the
30 award; however, the Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in
31 the appropriation.
- 32 b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at
33 the institution making the award.
- 34 c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved
35 as such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except
36 in cases where the persons meet the criteria outlined in § 4-2.01b.6.
- 37 4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation
38 for fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the
39 federal government or private sources which requires the matching of the contribution by institutional funds, except for
40 programs requiring work.
- 41 5. Discontinued Loan Program:
- 42 a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is
43 discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional
44 share was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the
45 Department of Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the
46 funds shall be used according to arrangements authorized by the Council and approved by the Department of Planning and
47 Budget.
- 48 b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 23.1, Chapter 4.01,
49 Code of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a
50 nonrevertible nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact

1 that the cash held by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be reestablished
2 thereafter for that institution.

3 2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher
4 Education Student Financial Assistance program according to arrangements authorized by the Council and approved by the
5 Department of Planning and Budget.

6 3) Payments on principal and interest of any promissory notes held by the discontinued loan fund shall continue to be received by
7 the institution, which shall deposit such payments in the state treasury to the nonrevertible nongeneral fund account specified in
8 subdivision (1) preceding, to be used for grants as specified in subdivision (2) preceding.

9 6. Reporting: The Council shall collect student-specific information for undergraduate students as is necessary for the operation of
10 the Student Financial Assistance Program. The Council shall maintain regulations governing the operation of the Student Financial
11 Assistance Program based on the provisions outlined in this section, the Code of Virginia, and State Council policy.

12 C. PAYMENTS TO CITIZEN MEMBERS OF NONLEGISLATIVE BODIES:

13 Notwithstanding any other provision of law, executive branch agencies shall not pay compensation to citizen members of boards,
14 commissions, authorities, councils, or other bodies from any fund for the performance of such members' duties in the work of the
15 board, commission, authority, council, or other body.

16 d. VIRGINIA BIRTH-RELATED NEUROLOGICAL INJURY COMPENSATION PROGRAM

17 Notwithstanding any other provision of law, the Virginia Birth-Related Neurological Injury Compensation Program is authorized to
18 require each admitted claimant's parent or legal guardian to purchase private health insurance (the "primary payer") to provide
19 coverage for the actual medically necessary and reasonable expenses as described in Virginia Code § 38.2-5009(A)(1) that were, or
20 are, incurred as a result of the admitted claimant's birth-related neurological injury and for the admitted claimant's benefit. Provided,
21 however, that the Program shall reimburse, upon receipt of proof of payment, solely the portion of the premiums that is attributable
22 to the admitted claimant's post-admission coverage from the effective date of this provision forward and paid for by the admitted
23 claimant's parent or legal guardian.

24 § 4-5.02 THIRD PARTY TRANSACTIONS

25 a. EMPLOYMENT OF ATTORNEYS:

26 1.a) All attorneys authorized by this act to be employed by any state agency and all attorneys compensated out of any moneys
27 appropriated in this session of the General Assembly shall be appointed by the Attorney General and be in all respects subject to the
28 provisions of Title 2.2, Chapter 5, Code of Virginia, to the extent not to conflict with Title 12.1, Chapter 4, Code of Virginia;
29 provided, however, that if the Governor certifies the need for independent legal counsel for any Executive Department agency, such
30 agency shall be free to act independently of the Office of the Attorney General in regard to selection, and provided, further, that
31 compensation of such independent legal counsel shall be paid from the moneys appropriated to such Executive Department agency
32 or from the moneys appropriated to the Office of the Attorney General.

34 or agency of the Commonwealth of Virginia or political subdivision thereof. This term shall not include members of the bar
35 employed by an agency who perform in a capacity that does not require a license to practice law, including but not limited to,
36 instructing, managing, supervising or performing normal or customary duties of that agency.

37 2. This section does not apply to attorneys employed by state agencies in the Legislative Department, Judicial Department or
38 Independent Agencies.

39 3. Reporting on employment of attorneys shall be in accordance with § 4-8.00, Reporting Requirements.

40 4. Notwithstanding § 2.2-510.1 of the Code of Virginia and any other conflicting provision of law, the Virginia Retirement System

42 investments. Any such agreements shall be reported to the Office of the Attorney General as soon as practicable.

43 b. STUDIES AND CONSULTATIVE SERVICES REQUIRED BY GENERAL ASSEMBLY: No expenditure for payments on
44 third party nongovernmental contracts for studies or consultative services shall be made out of any appropriation to the General
45 Assembly or to any study group created by the General Assembly, nor shall any such expenditure for third party nongovernmental
46 contracts be made by any Executive Department agency in response to a legislative request for a study, without the prior approval of
47 two of the following persons: the Chairman of the House Appropriations Committee; the Chairman of the Senate Finance and
48 Appropriations Committee; the Speaker of the House of Delegates; the President pro tempore of the Senate. All such expenditures
49 shall be made only in accordance with the terms of a written contract approved as to form by the Attorney General.

2 1. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Virginia Commonwealth University
3 Health System Authority shall have the option to participate in the Office of the Attorney General's debt collection process.
4 Should the Authority choose not to participate, the Authority shall have the authority to collect its accounts receivable by
5 engaging private collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and
6 discharge accounts receivable claims.

7 2. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the University of Virginia Medical Center
8 shall have the authority to collect its accounts receivable by engaging private collection agents and attorneys to pursue
9 collection actions, and to independently compromise, settle, and discharge accounts receivable claims, provided that the
10 University of Virginia demonstrates to the Secretary of Finance that debt collection by an agent other than the Office of the
11 Attorney General is anticipated to be more cost effective. Nothing in this paragraph is intended to limit the ability of the
12 University of Virginia Medical Center from voluntarily contracting with the Office of the Attorney General's Division of Debt
13 Collection in cases where the Center would benefit from the expertise of legal counsel and collection services offered by the
14 Office of the Attorney General.

15 3. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Department of Taxation shall be
16 exempt from participating in the debt collection process of the Office of the Attorney General.

19 1.a) No state agency, or its governing body, shall alter factors (e.g., qualification level for receipt of payment or service) which
20 may increase the number of eligible recipients for its authorized services or payments, or alter factors which may increase the
21 unit cost of benefit payments within its authorized services, unless the General Assembly has made an appropriation for the
22 cost of such change.

23 b) The limits on altering or changing cost factors stated in paragraph 1.a) above shall not apply to changes associated with
24 implementing and/or altering services in response to COVID-19 when funding is provided from a nongeneral fund source
25 dedicated to addressing the impact of COVID-19 or from any source when specifically approved by the Governor in response
26 to the COVID-19 pandemic.

27 2. Notwithstanding any other provision of law, the Department of Planning and Budget, with assistance from agencies that
28 operate internal service funds as requested, shall establish policies and procedures for annually reviewing and approving
29 internal service fund overhead surcharge rates and working capital reserves.

31 2013, Code of Virginia, that have an impact on agency expenditures, shall submit a report to the Department of Planning and
32 Budget to include all information as required by the Department of Planning and Budget to conduct a thorough review of
33 overhead surcharge rates, revenues, expenditures, full-time positions, and working capital reserves for each internal service
34 fund. The report shall include any proposed modifications in rates to be charged by internal service funds for review and
35 approval by the Department of Planning and Budget. In its review, the Department of Planning and Budget shall determine
36 whether the requested rate modifications are consistent with budget assumptions. The format by which agencies submit the
37 operating plan for each internal service fund shall be determined by the Department of Planning and Budget with assistance
38 from agencies that operate internal service funds as requested.

39 4. State agencies that operate internal service funds may not change a billable overhead surcharge rate to another state agency
40 unless the resulting change is provided in the final General Assembly enacted budget.

41 5. State agencies that operate more than one internal service fund shall comply with the review and approval requirements
42 detailed in this Item for each internal service fund.

43 6. As determined by the Director, Department of Planning and Budget, state agencies that operate select programs where an
44 agency provides a service to and bills other agencies shall be subject to the annual review of the agency's internal service funds
45 consistent with the provisions of this Item, unless such payment for services is pursuant to a memorandum of understanding
46 authorized by § 4-1.03 a. 7 of this act.

47 7. The Governor is authorized to change internal service fund overhead surcharge rates, including the creation of new rates,
48 beyond the rates enacted in the budget in the event of an emergency or to implement actions approved by the General
49 Assembly, upon prior notice to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees.
50 Such prior notice shall be no less than five days prior to enactment of a revised or new rate and shall include the basis of the
51 rate change and the impact on state agencies.

52 8. Notwithstanding any other provision of law, the Commonwealth's statewide electronic procurement system and program
53 known as eVA shall have all rates and working capital reserves reviewed and approved by the Department of Planning and

1 Budget consistent with the provisions of this Item.

2 9. State agencies that are partially or fully funded with nongeneral funds and are billed for services provided by another state agency
3 shall pay the nongeneral fund cost for the service from the agency's applicable nongeneral fund revenue source consistent with an
4 appropriation proration of such expenses.

5 b. NEW SERVICES:

6 1.a) No state agency shall begin any new service that will call for future additional property, plant or equipment or that will require
7 an increase in subsequent general or nongeneral fund operating expenses without first obtaining the authorization of the General
8 Assembly.

9 b) The limits on establishing new services stated in paragraph 1.a) above shall not apply to new services established to respond to
10 COVID-19 when funding is provided from a nongeneral fund source dedicated to addressing the impact of COVID-19 or from any
11 source when specifically approved by the Governor in response to the COVID-19 pandemic.

12 2. Pursuant to the policies and procedures of the State Council of Higher Education regarding approval of academic programs and
13 the concomitant enrollment, no state institution of higher education shall operate any academic program with funds in this act unless
14 approved by the Council and included in the Executive Budget, or approved by the General Assembly. The Council may grant
15 exemptions to this policy in exceptional circumstances.

16 3. a) The General Assembly is supportive of the increasing commitment by both Virginia Tech and the Carilion Clinic to the success
17 of the programs at the Virginia Tech/Carilion School of Medicine and the Virginia Tech/Carilion Research Institute, and encourages
18 these two institutions to pursue further developments in their partnership. Therefore, notwithstanding § 4-5.03 c. of the
19 Appropriation Act, if through the efforts of these institutions to further strengthen the partnership, Virginia Tech acquires the
20 Virginia Tech Carilion School of Medicine during the current biennium, the General Assembly approves the creation and
21 establishment of the Virginia Tech/Carilion School of Medicine within the institution notwithstanding § 23.1-203 Code of Virginia.
22 No additional funds are required to implement establishment of the Virginia Tech/Carilion School of Medicine within the institution.

23 b) Virginia Tech Carilion School of Medicine is hereby authorized to transfer funds to the Department of Medical Assistance
24 Services to fully fund the state share for Medicaid supplemental payments to the teaching hospital affiliated with the Virginia Tech
25 Carilion School of Medicine. These Medicaid supplemental fee-for-service and/or capitation payments to managed care
26 organizations are for the purpose of securing access to Medicaid hospital services in Western Virginia. The funds to be transferred
27 must comply with 42 CFR 433.51.

28 4. Reporting on all new services shall be in accordance with § 4-8.00, Reporting Requirements.

29 c. OFF-CAMPUS SITES OF INSTITUTIONS OF HIGHER EDUCATION:

30 No moneys appropriated by this act shall be used for off-campus sites unless as provided for in this section.

31 1. A public college or university seeking to create, establish, or operate an off-campus instructional site, funded directly or indirectly
32 from the general fund or with revenue from tuition and mandatory educational and general fees generated from credit course
33 offerings, shall first refer the matter to the State Council of Higher Education for Virginia for its consideration and approval. The
34 State Council of Higher Education for Virginia may provide institutions with conditional approval to operate the site for up to one
35 year, after which time the college or university must receive approval from the Governor and General Assembly, through legislation
36 or appropriation, to continue operating the site.

37 2. For the colleges of the Virginia Community College System, the State Board for Community Colleges shall be responsible for
38 approving off-campus locations. Sites governed by this requirement are those at any locations not contiguous to the main campus of
39 the institution, including locations outside Virginia.

40 3. a) The provisions herein shall not apply to credit offerings on the site of a public or private entity if the offerings are supported
41 entirely with private, local, or federal funds or revenue from tuition and mandatory educational and general fees generated entirely
42 by course offerings at the site.

43 b) Offerings at previously approved off-campus locations shall also not be subject to these provisions.

44 c) Further, the provisions herein do not govern the establishment and operations of campus sites with a primary function of carrying
45 out grant and contract research where direct and indirect costs from such research are covered through external funding sources.
46 Such locations may offer limited graduate education as appropriate to support the research mission of the site.

47 d) Nothing herein shall prohibit an institution from offering non-credit continuing education programs at sites away from the main
48 campus of a college or university.

49 4. The State Council of Higher Education shall establish guidelines to implement this provision.

50 d. PERFORMANCE MEASUREMENT

1. In accordance with § 2.2-1501, Code of Virginia, the Department of Planning and Budget shall develop a programmatic budget and accounting structure for all new programs and activities to ensure that it provides the appropriate financial and performance measures to determine if programs achieve desired results and outcomes. The Department of Accounts shall provide assistance as requested by the Department of Planning and Budget. The Department of Planning and Budget shall provide this information each year when the Governor submits the budget in accordance with § 2.2-1509, Code of Virginia, to the Chairmen of the House Appropriations, House Finance, and Senate Finance and Appropriations Committees.

2.a) Within thirty days of the enactment of this act, the Director, Department of Planning and Budget, shall make available via electronic means to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and the public a list of the new initiatives for which appropriations are provided in this act.

b) Not later than ninety days after the end of the first year of the biennium, the Director, Department of Planning and Budget, shall make available via electronic means a report on the performance of each new initiative contained in the list, to be submitted to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and the public. The report shall compare the actual results, including expenditures, of the initiative with the anticipated results and the appropriation for the initiative. This information shall be used to determine whether the initiative should be extended beyond the beginning period. In the preparation of this report, all state agencies shall provide assistance as requested by the Department of Planning and Budget.

§ 4-5.04 GOODS AND SERVICES

a. STUDENT ATTENDANCE AT INSTITUTIONS OF HIGHER EDUCATION:

1. Public Information Encouraged: Each public institution of higher education is expected and encouraged to provide prospective students with accurate and objective information about its programs and services. The institution may use public funds under the control of the institution's Board of Visitors for the development, preparation and dissemination of factual information about the following subjects: academic programs; special programs for minorities; dates, times and procedures for registration; dates and times of course offerings; admission requirements; financial aid; tuition and fee schedules; and other information normally distributed through the college catalog. This information may be presented in any and all media, such as newspapers, magazines, television or radio where the information may be in the form of news, public service announcements or advertisements. Other forms of acceptable presentation would include brochures, pamphlets, posters, notices, bulletins, official catalogs, flyers available at public places and formal or informal meetings with prospective students.

2. Excessive Promotion Prohibited: Each public institution of higher education is prohibited from using public funds under the control of the institution's Board of Visitors for the development, preparation, dissemination or presentation of any material intended or designed to induce students to attend by exaggerating or extolling the institution's virtues, faculty, students, facilities or programs through the use of hyperbole. Artwork and photographs which exaggerate or extol rather than supplement or complement permissible information are prohibited. Mass mailings are generally prohibited; however, either mass mailings or newspaper inserts, but not both, may be used if other methods of distributing permissible information are not economically feasible in the institution's local service area.

3. Remedial Education: Senior institutions of higher education shall make arrangements with community colleges for the remediation of students accepted for admission by the senior institutions.

4. Compliance: The president or chancellor of each institution of higher education is responsible for the institution's compliance with this subsection.

b. INFORMATION TECHNOLOGY FACILITIES AND SERVICES:

1.a) The Virginia Information Technologies Agency shall procure information technology and telecommunications goods and services of every description for its own benefit or on behalf of other state executive branch agencies and institutions, or authorize other state executive branch agencies or institutions to undertake such procurements on their own. "Executive branch agency" means the same as that term is defined in § 2.2-2006.

b) Except for research projects, research initiatives, or instructional programs at public institutions of higher education, or any non-major information technology project request from the Virginia Community College System, Longwood University, or from an institution of higher education which is a member of the Virginia Association of State Colleges and University Purchasing Professionals (VASCUPP) as of July 1, 2003, or any procurement of information technology and telecommunications goods and services by public institutions of higher education governed by some combination of Chapters 933 and 945 of the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and Chapters 675 and 685 of the 2009 Acts of Assembly, requests for authorization from state agencies and institutions to procure information technology and telecommunications goods and services on their own behalf shall be made in writing to the Chief Information Officer or his designee. Members of VASCUPP as of July 1, 2003, are hereby recognized as: The College of William and Mary, George Mason University, James Madison University, Old Dominion University, Radford University, Virginia Commonwealth

- 1 University, Virginia Military Institute, Virginia Polytechnic Institute and State University, and the University of Virginia.
- 2 c) The Chief Information Officer or his designee may grant the authorization upon a written determination that the request conforms
3 to the statewide information technology plan and the individual information technology plan of the requesting agency or institution.
- 4 d) Any procurement authorized by the Chief Information Officer or his designee for information technology and telecommunications
5 goods and services, including geographic information systems, shall be issued by the requesting state agency or institution in
6 accordance with the regulations, policies, procedures, standards, and guidelines of the Virginia Information Technologies Agency.
- 7 e) Nothing in this subsection shall prevent public institutions of higher education or the Virginia Community College System from
8 using the services of Network Virginia.
- 9 f) To ensure that the Commonwealth's research universities maintain a competitive position with access to the national optical
10 research network infrastructure including the National LambdaRail and Internet2, the Network Virginia Contract Administrator is
11 hereby authorized to renegotiate the term of the existing contracts. Additionally, the contract administrator is authorized to
12 competitively negotiate additional agreements in accordance with the Code of Virginia and all applicable regulations, as required, to
13 establish and maintain research network infrastructure.
- 14 2. If the billing rates and associated systems for computer, telecommunications and systems development services to state agencies
15 are altered, the Director, Department of Planning and Budget, may transfer appropriations from the general fund between programs
16 affected. These transfers are limited to actions needed to adjust for overfunding or underfunding the program appropriations affected
17 by the altered billing systems.
- 18 3. The provisions of this subsection shall not in any way affect the duties and responsibilities of the State Comptroller under the
19 provisions of § 2.2-803, Code of Virginia.
- 20 4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including
21 geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services
22 which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State
23 agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the
24 development and operational requirements for proposed IT and GIS systems, products, data, and services, including the proposed
25 use, functionality, capacity and the total cost of acquisition, operation and maintenance.
- 26 5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and 945 of
27 the 2005 Acts of Assembly, Chapters 933 and 943 of the 2006 Acts of Assembly or Chapters 594 and 616 of the 2008 Acts of
28 Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly and Chapters 675 and 685 of the 2009 Acts of Assembly, or to the
29 Virginia Alcoholic Beverage Control Authority.
- 30 6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia Information
31 Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and laptops to their
32 employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the appropriate fund or
33 funds used to purchase the equipment.
- 34 c. MOTOR VEHICLES AND AIRCRAFT:
- 35 1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the state
36 without the prior written approval of the Director, Department of General Services.
- 37 2. The institutions of higher education and the Alcoholic Beverage Control Authority shall be exempt from this provision but shall
38 be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of the
39 Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare the cost
40 of vehicles acquired by institutions of higher education and the Authority to like vehicles under the state contract. If the comparison
41 demonstrates for a given institution or the Authority that the cost to the Commonwealth is greater for like vehicles than would be the
42 case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption granted to the
43 institution or the Authority pursuant to this subparagraph c.
- 44 3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state agencies,
45 and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state agencies
46 affected by such transfers.
- 47 d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher
48 education governed by Chapters 933 and 943 of the 2006 Acts of Assembly, no state Executive Department agency or the Virginia
49 Lottery Department shall expend any public funds for the production of motion picture films or of programs for television
50 transmission, or for the operation of television or radio transmission facilities, without the prior written approval of the Governor or
51 as otherwise provided in this act, except for educational television programs produced for elementary-secondary education by
52 authority of the Virginia Information Technologies Agency. The Joint Subcommittee on Rules is authorized to provide the approval
53 of such expenditures for legislative agencies. For judicial agencies and independent agencies, other than the Virginia Lottery

- 1 Department, prior approval action rests with the supervisory bodies of these entities. With respect to television programs which
 2 are so approved and other programs which are otherwise authorized or are not produced for television transmission, state
 3 agencies may enter into contracts without competitive sealed bidding, or competitive negotiation, for program production and
 4 transmission services which are performed by public telecommunications entities, as defined in § 2.2-2006, Code of Virginia.
- 5 e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant
 6 to law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:
- 7 1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the
 8 State Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;
- 9 2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the
 10 continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate
 11 as established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax
 12 deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state
 13 employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the
 14 Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel,
 15 for the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was
 16 not available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-
 17 owned automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such
 18 use in excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-
 19 owned vehicle is not available; then the rate shall be the IRS rate;
- 20 3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;
- 21 4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense
 22 category deemed necessary for the efficient and effective operation of state government;
- 23 5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same
 24 bank account authorized by the employee in which their net pay is direct deposited; and
- 25 6. This section shall not apply to members and employees of public school boards.
- 26 f. SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE
 27 OPT OUT: The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when,
 28 in his judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce
 29 unnecessary administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by
 30 the Department of Accounts through accounting entries.
- 31 g. PURCHASES OF APPLIANCES AND EQUIPMENT: State agencies and institutions shall purchase Energy Star rated
 32 appliances and equipment in all cases where such appliances and equipment are available.
- 33 h. ELECTRONIC PAYMENTS: Any recipient of payments from the State Treasury who receives six or more payments per
 34 year issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate
 35 method of electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of
 36 this section. The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify
 37 non-electronic payment.
- 38 i. LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES: It is the intent of the General Assembly that State agencies
 39 shall encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to
 40 achieve cost savings and efficiencies in the provision of mandated functions and services including but not limited to finance,
 41 procurement, social services programs, and facilities management.
- 42 j. TELECOMMUNICATION SERVICES AND DEVICES:
- 43 1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular
 44 telephones and other telecommunication devices by in-scope Executive Department agencies, addressing the assignment,
 45 evaluation of need, safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an
 46 acceptable use agreement template clearly defining an employee's responsibility when they receive and use a
 47 telecommunication device. Statewide requirements shall require some form of identification on a device in case it is lost or
 48 stolen and procedures to wipe the device clean of all sensitive information when it is no longer in use.
- 49 2. In-scope Executive Department agencies providing employees with telecommunication devices shall develop agency-
 50 specific policies, incorporating the guidance provided in § 4-5.04 k. 1. of this act and shall maintain a cost justification for the
 51 assignment or a public health, welfare and safety need.
- 52 3. The Chief Information Officer shall determine the optimal number of telecommunication vendors and plans necessary to

1 meet the needs of in-scope Executive Department agency personnel. The Chief Information Officer shall regularly procure these
 2 services and provide statewide contracts for use by all such agencies. These contracts shall require the vendors to provide detailed
 3 usage information in a useable electronic format to enable the in-scope agencies to properly monitor usage to make informed
 4 purchasing decisions and minimize costs.

5 4. The Chief Information Officer shall examine the feasibility of providing tools for in-scope Executive Department agencies to
 6 analyze usage and cost data to assist in determining the most cost effective plan combinations for the entity as a whole and
 7 individual users.

8 k. ALTERNATIVE PROCUREMENT: If any payment is declared unconstitutional for any reason or if the Attorney General finds
 9 in a formal, written, legal opinion that a payment is unconstitutional, in circumstances where a good or service can constitutionally
 10 be the subject of a purchase, the administering agency of such payment is authorized to use the affected appropriation to procure, by
 11 means of the Commonwealth's Procurement Act, goods and services, which are similar to those sought by such payment in order to
 12 accomplish the original legislative intent.

13 l. MEDICAL SERVICES: No expenditures from general or nongeneral fund sources may be made out of any appropriation by the
 14 General Assembly for providing abortion services, except otherwise as required by federal law or state statute.

15 m. In an effort to expand cooperative procurement efforts, all public institutions of higher education in the Commonwealth of
 16 Virginia may access the Virginia Association of State Colleges and University Purchasing Professionals (VASCUPP) contracts
 17 regardless of their level of purchasing delegated authority, non-VASCUPP institutions shall amend terms and conditions of
 18 VASCUPP contracts to incorporate Virginia Public Procurement Act, and Commonwealth of Virginia Agency Procurement and
 19 Surplus Property Manual.

20 § 4-5.05 NONSTATE AGENCIES, INTERSTATE COMPACTS AND ORGANIZATIONAL MEMBERSHIPS

21 a. The accounts of any agency, however titled, which receives funds from this or any other appropriating act, and is not owned or
 22 controlled by the Commonwealth of Virginia, shall be subject to audit or shall present an audit acceptable to the Auditor of Public
 23 Accounts when so directed by the Governor or the Joint Legislative Audit and Review Commission.

24 b.1. For purposes of this subsection, the definition of "nonstate agency" is that contained in § 2.2-1505, Code of Virginia.

25 2. Allotment of appropriations to nonstate agencies shall be subject to the following criteria:

26 a) Such agency is located in and operates in Virginia.

27 b) The agency must be open to the public or otherwise engaged in activity of public interest, with expenditures having actually been
 28 incurred for its operation.

29 3. No allotment of appropriations shall be made to a nonstate agency until such agency has certified to the Secretary of Finance that
 30 cash or in-kind contributions are on hand and available to match equally all or any part of an appropriation which may be provided
 31 by the General Assembly, unless the organization is specifically exempted from this requirement by language in this act. Such
 32 matching funds shall not have been previously used to meet the match requirement in any prior appropriation act.

33 4. Operating appropriations for nonstate agencies equal to or in excess of \$150,000 shall be disbursed to nonstate agencies in twelve
 34 or fewer equal monthly installments depending on when the first payment is made within the fiscal year. Operating appropriations
 35 for nonstate agencies of less than \$150,000 shall be disbursed in one payment once the nonstate agency has successfully met
 36 applicable match and application requirements.

37 5. The provisions of § 2.2-4343 A 14, Code of Virginia shall apply to any expenditure of state appropriations by a nonstate agency.

38 c.1. Each interstate compact commission and each organization in which the Commonwealth of Virginia or a state agency thereof
 39 holds membership, and the dues for which are provided in this act or any other appropriating act, shall submit its biennial budget
 40 request to the state agency under which such commission or organization is listed in this act. The state agency shall include the
 41 request of such commission or organization within its own request, but identified separately. Requests by the commission or
 42 organization for disbursements from appropriations shall be submitted to the designated state agency.

43 2. Each state agency shall submit by November 1 each year, a report to the Director, Department of Planning and Budget, listing the
 44 name and purpose for organizational memberships held by that agency with annual dues of \$5,000 or more. The institutions of
 45 higher education shall be exempt from this reporting requirement.

46 § 4-5.06 DELEGATION OF AUTHORITY

47 a. The designation in this act of an officer or agency head to perform a specified duty shall not be deemed to supersede the authority
 48 of the Governor to delegate powers under the provisions of § 2.2-104, Code of Virginia.

49 b. The nongeneral fund capital outlay decentralization programs initiated pursuant to § 4-5.08b of Chapter 912, 1996 Acts of
 50 Assembly as continued in subsequent appropriation acts are hereby made permanent. Decentralization programs for which

1 institutions have executed memoranda of understanding with the Secretary of Administration pursuant to the provisions of § 4-
2 5.08b of Chapter 912, 1996 Acts of Assembly shall no longer be considered pilot projects, and shall remain in effect until
3 revoked.

23 e. 1. Salaries for newly employed or promoted employees shall be established consistent with the compensation and classification
24 plans established by the Governor.

25 2. The State Comptroller is hereby authorized to require payment of wages or salaries to state employees by direct deposit or by
26 credit to a prepaid debit card or card account from which the employee is able to withdraw or transfer funds.

27 f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall apply also to any
28 system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing any such
29 system shall be paid from any funds appropriated to the affected agencies.

30 g. No lump sum appropriation for personal service shall be regarded as advisory or suggestive of individual salary rates or of salary
31 schedules to be fixed under law by the Governor payable from the lump sum appropriation.

32 h. Subject to approval by the Governor of a plan for a statewide employee meritorious service awards program, as provided for in §
33 2.2-1201, Code of Virginia, the costs for such awards shall be paid from any operating funds appropriated to the affected agencies.

34 i. The General Assembly hereby affirms and ratifies the Governor's existing authority and the established practice of this body to
35 provide for pay differentials or to supplement base rates of pay for employees in specific job classifications in particular geographic
36 and/or functional areas where, in the Governor's discretion, they are needed for the purpose of maintaining salaries which enable the
37 Commonwealth to maintain a competitive position in the relevant labor market.

38 j.1. If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported
39 institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the
40 salary listed in § 4-6.01 c 6 of this act. Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6;
41 provided, however, that such additional compensation must be approved by the Council.

42 2. If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary listed
43 in § 4-6.01 c 6 shall be paid from the Council's appropriation.

44 k.1.a. Except as otherwise provided for in this subdivision, any increases in the salary band assignment of any job role contained in
45 the compensation and classification plans approved by the Governor shall be effective beginning with the first pay period, defined as

- 1 the pay period from June 25 through July 9, of the fiscal year if: (1) the agency certifies to the Secretary of Finance that funds
2 are available within the agency's appropriation to cover the cost of the increase for the remainder of the current biennium and
3 presents a plan for covering the costs next biennium and the Secretary concurs, or (2) such funds are appropriated by the
4 General Assembly. If at any time the Secretary of Administration shall certify that such change in the salary band assignment
5 for a job role is of an emergency nature and the Secretary of Finance shall certify that funds are available to cover the cost of
6 the increase for the remainder of the biennium within the agency's appropriation, such change in compensation may be effective
7 on a date agreed upon by these two Secretaries. The Secretary of Administration shall provide a monthly report of all such
8 emergency changes in accordance with § 4-8.00, Reporting Requirements.
- 9 b. Notwithstanding any other provision of law, state employees will be paid on the first workday of July for the work period
10 June 10 to June 24 in any calendar year in which July 1 falls on a weekend.
- 11 2. Salary adjustments for any employee through a promotion, role change, exceptional recruitment and retention incentive
12 options, or in-range adjustment shall occur only if: a) the agency has sufficient funds within its appropriation to cover the cost
13 of the salary adjustment for the remainder of the current biennium or b) such funds are appropriated by the General Assembly.
- 14 3. No changes in salary band assignments affecting classified employees of more than one agency shall become effective unless
15 the Secretary of Finance certifies that sufficient funds are available to provide such increase or plan to all affected employees
16 supported from the general fund.
- 17 l. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are
18 appointed to a state-level board, council, commission or similar collegial body shall not receive any such compensation for
19 their services as members or chairmen except for reimbursement of reasonable and necessary expenses. The foregoing
20 provision shall likewise apply to the Compensation Board, pursuant to § 15.2-1636.5, Code of Virginia.
- 21 m.1. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of
22 higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early
23 retirement incentive plans for their respective institutions pursuant to § 23.1-1302 B and the cash payment offered under such
24 compensation plans pursuant to § 23.1-1302 D, Code of Virginia. Notwithstanding the limitations in § 23.1-1302 D, the total
25 cost in any fiscal year for any such compensation plan, shall be set forth by the governing body in the compensation plan for
26 approval by the Governor and review for legal sufficiency by the Office of the Attorney General.
- 27 2. Notwithstanding any other provision of law, employees holding full-time, academic-year classified positions at public
28 institutions of higher education shall be considered "state employees" as defined in § 51.1-124.3, Code of Virginia, and shall be
29 considered for medical/hospitalization, retirement service credit, and other benefits on the same basis as those individuals
30 appointed to full-time, 12-month classified positions.
- 31 n. Notwithstanding the Department of Human Resource Management Policies and Procedures, payment to employees with five
32 or more years of continuous service who either terminate or retire from service shall be paid in one sum for twenty-five percent
33 of their sick leave balance, provided, however, that the total amount paid for sick leave shall not exceed \$5,000 and the
34 remaining seventy-five percent of their sick leave shall lapse. This provision shall not apply to employees who are covered by
35 the Virginia Sickness and Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for
36 their sick leave balances. However, they will be paid, if eligible as described above, for any disability leave credits they have at
37 separation or retirement or may convert disability credits to service credit under the Virginia Retirement System pursuant to §
38 51.1-1103 (F), Code of Virginia.
- 39 o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community
40 College System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the
41 number of faculty at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent
42 salary differential in a manner consistent with other public four-year institutions and for faculty at Northern Virginia
43 Community College.
- 44 p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005
45 Acts of Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income
46 from endowments and gifts, subject to policies approved by the board of visitors. The Commonwealth shall have no general
47 fund obligations for the continuation of such salary supplements.
- 48 q. The Governor, or any other appropriate Board or Public Body, is authorized to adjust the salaries of employees specified in
49 this item, and other items in the Act, to reflect the compensation adjustments authorized in this Act.
- 50 r. Any public institution of higher education shall not provide general fund monies above \$100,000 for any individual athletic
51 coaching salaries after July 1, 2013. Athletic coaching salaries with general fund monies above this amount shall be phased-
52 down over a five-year period at 20 percent per year until reaching the cap of \$100,000.
- 53 § 4-6.02 EMPLOYEE TRAINING AND STUDY

1 Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any funds
 2 appropriated to such department, institution or other agency in this act or subsequently made available for the purpose, compensation
 3 or expenses or both compensation and expenses for employees pursuing approved training courses or academic studies for the
 4 purpose of becoming better equipped for their employment in the state service. The rules and regulations shall include reasonable
 5 provision for the return of any employee receiving such benefits for a reasonable period of duty, or for reimbursement to the state for
 6 expenditures incurred on behalf of the employee should he not return to state service.

7 § 4-6.03 EMPLOYEE BENEFITS

8 a. Any medical/hospitalization benefit program provided for state employees shall include the following provision: any state
 9 employee, as defined in § 2.2-2818, Code of Virginia, shall have the option to accept or reject coverage.

10 b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer
 11 paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the
 12 Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce
 13 of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be
 14 borne by the employee or, in the case of a political subdivision, by the employer.

15 c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its
 16 employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public
 17 transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such programs
 18 and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the
 19 federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs
 20 incurred by the employee.

21 d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State Employee

 30 as the hospital may decide, without impairment of any residual right to judicial review.

31 e. Any classified employee of the Commonwealth and any person similarly employed in the legislative, judicial and independent
 32 agencies who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time

 42 service and compensation received during the period of reemployment, or

43 b) Retire under the provisions of Title 51.1 in effect at the termination of his or her period of reemployment, including any purchase

17 application shall be received by the Virginia Retirement System no later than October 1, 2014. This provision shall not be
18 construed to grant relief in any case for which a court of competent jurisdiction has already rendered a decision, as
19 contemplated by Article II, Section 14 of the Constitution of Virginia.

20 § 4-6.04 CHARGES

22 Management, and the provisions of § 2.2-3605, Code of Virginia, state employees shall be charged for meals served in state
23 facilities. Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the
24 cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of
25 meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds,
26 all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this
27 paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections
28 and Juvenile Justice.

29 b. HOUSING SERVICES:

30 1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines
31 provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-
32 owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances,
33 which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the
34 Director, Department of General Services may waive the requirement for collection of fees.

35 2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating
36 expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund.
37 For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be
38 deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are
39 financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state
40 treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion
41 of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid
42 into the general fund.

43 c. PARKING SERVICES:

44 1. State-owned parking facilities

45 Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of
46 General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such
47 charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor,
48 for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. -

49 2. Leased parking facilities in metropolitan Richmond area

50 Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher
51 education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise
52 available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space.
53 In such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of

1 General Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or waive
 2 the fee requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will be retained
 3 by the leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking space must be
 4 approved by the Director, Department of General Services.

5 3. The assignment of Lot P1A of the Department of General Services, Capitol Area Site Plan, to include parking spaces 1 through

 14 Streets in the City of Richmond shall be under the control of and administered by the Department of General Services; however, the
 15 Department shall prioritize remaining spaces in the DGS parking system to full-time employees of the Legislative Department with
 16 permanent offices in the General Assembly Building who participate in the DGS parking system on an annual basis. Such parking
 17 spaces shall be subject to the provisions of paragraph 1 of this item.

18 § 4-6.05 SELECTION OF APPLICANTS FOR CLASSIFIED POSITIONS

19 It is the responsibility of state agency heads to ensure that all provisions outlined in Title 2.2, Chapter 29, Code of Virginia (the
 20 Virginia Personnel Act), and executive orders that govern the practice of selecting applicants for classified positions are strictly
 21 observed. The Governor's Secretaries shall ensure this provision is faithfully enforced.

22 § 4-6.06 POSITIONS GOVERNED BY CHAPTERS 933 AND 943 OF THE 2006 ACTS OF ASSEMBLY

23 Except as provided in subsection A of § 23.1-1020 of the Code of Virginia, § 4-6.00 shall not apply to public institutions of higher

 25 and Chapters 675 and 685 of the 2009 Acts of Assembly, with regard to their participating covered employees, as that term is
 26 defined in those two chapters, except to the extent a specific appropriation or language in this act addresses such an employee.

27 § 4-7.00 STATEWIDE PLANS

28 § 4-7.01 MANPOWER CONTROL PROGRAM

29 a.1. The term Position Level is defined as the number of full-time equivalent (FTE) salaried employees assigned to an agency in this
 30 act. Except as provided in § 4-7.01 b, the Position Level number stipulated in an agency's appropriation is the upper limit for agency
 31 employment which cannot be exceeded during the fiscal year without approval from the Director, Department of Planning and
 32 Budget for Executive Department agencies, approval from the Joint Committee on Rules for Legislative Department agencies or
 33 approval from the appropriate governing authority for the independent agencies.

34 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee
 35 and the Senate Finance and Appropriations Committee, the Governor and the Directors of the Department of Planning and Budget
 36 and Department of Human Resource Management within ten days of such approval. Approvals for executive department agencies
 37 shall be based on threats to life, safety, health, or property, or compliance with judicial orders or federal mandates, to support federal
 38 grants or private donations, to administer a program for another agency or to address an immediate increase in workload or
 39 responsibility or when to delay approval of increased positions would result in a curtailment of services prior to the next legislative
 40 session. Any such position level increases pursuant to this provision may not be approved for more than one year.

41 b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental
 42 Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department, provided
 43 that such changes do not result in exceeding the Position Level for that department.

44 c.1. The Governor shall implement such policies and procedures as are necessary to ensure that the number of employees in the
 45 Executive Department, excluding institutions of higher education and the State Council of Higher Education, may be further
 46 restricted to the number required for efficient operation of those programs approved by the General Assembly. Such policies and
 47 procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by the
 48 Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient
 49 operation of programs.

50 2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions
 51 authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency exists
 52 requiring a change in the official estimate of general fund revenues available for appropriation.

- 1 d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies,
2 the Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.
- 3 2. Positions assigned to programs supported by internal service funds are for reference only and may fluctuate depending upon
4 workload and funding availability.
- 5 3. Positions assigned to sponsored programs, auxiliary enterprises, continuing education, and teaching hospitals in the
6 institutions of higher education are for reference only and may fluctuate depending upon workload and funding availability.
7 Positions assigned to Item Detail 43012, State Health Services Technical Support and Administration, at Virginia
8 Commonwealth University are for reference only and may fluctuate depending upon workload and funding availability.
- 9 4. Positions assigned to educational and general programs in the institutions of higher education are for reference only and may
10 fluctuate depending upon workload and funding availability. However, total general fund positions filled by an institution of
11 higher education may not exceed 105 percent of the general fund positions appropriated without prior approval from the
12 Director, Department of Planning and Budget.
- 13 5. Positions assigned to Item Details 47001, Job Placement Services; 47002, Unemployment Insurance Services; 47003,
14 Workforce Development Services; and 53402, Economic Information Services, at the Virginia Employment Commission are
15 for reference only and may fluctuate depending upon workload and funding availability. Unless otherwise required by the
16 funding source, after enactment of this act, any new positions hired using this provision shall not be subject to transitional
17 severance benefit provisions of the Workforce Transition Act of 1995, Title 2.2, Chapter 32, Code of Virginia.
- 18 6. Positions assigned to the Virginia Management Fellows Program Administration are for reference only and may fluctuate
19 depending on funding availability.
- 20 e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth
21 in regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of
22 certain positions assigned to agencies and institutions that provide services pertaining to public safety and public health from
23 such hiring freezes.
- 24 f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and
25 institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a
26 period exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the
27 Offices of the Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for
28 periods exceeding 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited
29 without the prior approval of the General Assembly.
- 30 2. Not more than three positions in total, as described in subsection 1 hereof, may be assigned at any time to the Office of any
31 Cabinet Secretary, unless specifically approved in writing by the Governor. The Governor shall notify the Chairmen of the
32 House Appropriations and Senate Finance and Appropriations Committees in the case of any such approvals.
- 33 g. All state employees, including those in the legislative, judicial, and executive branches and the independent agencies of the
34 Commonwealth, who are not eligible for benefits under a health care plan established and administered by the Department of
35 Human Resource Management (DHRM) pursuant to Va. Code § 2.2-2818, or by an agency administering its own health care
36 plan, may not work more than 29 hours per week on average over a twelve month period. Adjunct faculty at institutions of
37 higher education may not work more than 29 hours per week on average over a twelve month period, including classroom or
38 other instructional time plus additional hours determined by the institution as necessary to perform the adjunct faculty's duties.
39 DHRM shall provide relevant program requirements to agencies and employees, including, but not limited to, information on
40 wage, variable and seasonal employees. All state agencies/employers in all branches of government shall provide information
41 requested by DHRM concerning hours worked by employees as needed to comply with the Affordable Care Act (the "Act")
42 and this provision. State agencies/employers are accountable for compliance with this provision, and are responsible for any
43 costs associated with maintaining compliance with it and for any costs or penalties associated with any violations of the Act or
44 regulations thereunder and any such costs shall be borne by the agency from existing appropriations. The provisions of this
45 paragraph shall not apply to employees of state teaching hospitals that have their own health insurance plan; however, the state
46 teaching hospitals are accountable for compliance with, and are responsible for any costs associated with maintaining
47 compliance with the Act and for any costs or penalties associated with any violations of the Act or regulations thereunder and
48 any such costs shall be borne by the agency from existing appropriations. Subject to approval of the Governor, DHRM shall
49 modify this provision consistent with any updates or changes to federal law and regulations.

7 reporting deadline. Upon receiving approval from the Governor, the reporting entity shall provide the parties designated to

30 § 4-8.02 STATE AGENCIES

31 a. As received, all state agencies shall forward copies of each federal audit performed on agency or institution programs or activities
 32 to the Auditor of Public Accounts and to the State Comptroller. Upon request, all state agencies shall provide copies of all internal
 33 audit reports and access to all working papers prepared by such auditors to the Auditor of Public Accounts and to the State
 34 Comptroller.

35 b. Annually: Within five calendar days after state agencies submit their budget requests, amendment briefs, or requests for
 36 amendments to the Department of Planning and Budget, the Director, Department of Planning and Budget shall submit,
 37 electronically if available, copies to the Chairmen of the Senate Finance and Appropriations and House Appropriations Committees.

38 c. By September 1 of each year, state agencies receiving any asset as the result of a law-enforcement seizure and subsequent
 39 forfeiture by either a state or federal court, shall submit a report identifying all such assets received during the prior fiscal year and
 40 their estimated net worth, to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees.

41 d. Any state agency that is required to return federal grant funding as a result of not fulfilling the specifications of a grant, shall, as
 42 soon as practicable but no later than November 1st, report to the Chairmen of the Senate Finance and Appropriations and House
 43 Appropriations Committees of such forfeiting of federal grant funding.

44 § 4-8.03 LOCAL GOVERNMENTS

45 a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local
 46 government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or
 47 otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor,
 48 budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue
 49 fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public
 50 Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the
 51 Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is
 52 threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay
 53 expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and

- 1 discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the
 2 Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress
 3 may be caused by factors internal to the unit of government or external to the unit of government and in various degrees such
 4 conditions may or may not be controllable by management, or the local governing body, or its constitutional officers.
- 5 2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts
 6 shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts
 7 shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a
 8 local government is in fiscal distress.
- 9 3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based
 10 upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary
 11 determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief
 12 executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local
 13 government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and
 14 payables, revenues and receivables, and other areas including staffing, and the identification of external variables contributing
 15 to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for
 16 information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described
 17 threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames
 18 specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state
 19 assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the
 20 Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance and Appropriations
 21 Committees, and the governing body of the local government in writing outlining specific issues or actions that need to be
 22 addressed by state intervention.
- 23 4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification
 24 requirement necessary to effectuate the provisions of this act in paragraph b.3 below.
- 25 b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general
 26 fund appropriations in this Act as of June 30 of each year, which constitute state aid to local governments. The Director shall
 27 provide a listing of such amounts designated by item number and by program on or before August 15 of each year, to the
 28 Governor and the Chairmen of the House Appropriations Committee and the Senate Finance and Appropriations Committee.
- 29 2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may
 30 reappropriate up to \$750,000 from amounts which would otherwise revert to the balance of the general fund and transfer such
 31 amounts as necessary to establish a component of fund balance which may be used for the purpose of providing technical
 32 assistance and intervention actions for local governments deemed to be fiscally distressed and in need of intervention to address
 33 such distress. Any such reappropriation approved by the Governor, shall be separately identified in the commitments specified
 34 on the balance sheet and financial statements of the State Comptroller for the close of each fiscal year, to the extent that such
 35 reserve is not used or added to by future appropriation actions.
- 36 3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations
 37 Committee and the Senate Finance and Appropriations Committee must receive a notification from the Auditor of Public
 38 Accounts that a specific locality is in need of intervention because of a worsening financial situation. The Auditor of Public
 39 Accounts may issue such a notification upon receipt of audited financial statement or other information that indicates the
 40 existence of fiscal distress. But, no such notification shall be made until appropriate follow up and correspondence ascertains
 41 that, in the opinion of the Auditor of Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by
 42 the Auditor of Public Accounts if written concerns raised about fiscal distress are not adequately addressed by the locality in
 43 question.
- 44 4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific
 45 local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate
 46 Finance and Appropriations Committee about a plan for state intervention prior to any expenditure of funds from the cash
 47 reserve. Any plan approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention,
 48 the estimated duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The
 49 staffing necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both
 50 and, notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such
 51 staffing when, in his judgment, the need for intervention is of an emergency nature such that action must be taken in a timely
 52 manner to avoid or address unacceptable financial risks to the Commonwealth.
- 53 5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the
 54 Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public
 55 agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the
 56 House Appropriations Committee and the Senate Finance and Appropriations Committee outlining the scope of issues
 57 discovered and any recommendations made to remediate such issues, and the progress that is made on such recommendations

1 or other remediation efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is
 2 receiving from locally elected officials, including constitutional officers, city, county, or town managers and other local personnel in
 3 regards to their intervention work.

4 6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround
 5 specialists with expertise in local government intervention that the Governor can use to procure intervention services in an
 6 expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

7 c. No locality that has been previously authorized as an eligible host city pursuant to § 58.1-4107, Code of Virginia, to conduct
 8 casino gaming which held a local referendum on November 2, 2021, that failed, shall be eligible to hold a subsequent local
 9 referendum until November 2023.

10 § 4-9.00 HIGHER EDUCATION RESTRUCTURING

11 § 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

12 Consistent with § 23.1-206, Code of Virginia, the following education-related and financial and administrative management
 13 measures shall be the basis on which the State Council of Higher Education shall annually assess and certify institutional
 14 performance. Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no later than
 15 October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section shall be
 16 evaluated year-to-date by the Secretaries of Finance and Administration as appropriate, and communicated to the State Council of
 17 Higher Education before October 1 of each even-numbered year. Financial benefits provided to each institution in accordance with §
 18 23.1-1002 will be evaluated in light of that institution's performance.

19 In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is understood that
 20 there can be circumstances beyond an institution's control that may prevent achieving one or more performance measures. The
 21 Council shall consider, in consultation with each institution, such factors in its review: (1) institutions meeting all performance
 22 measures will be certified by the Council and recommended to receive the financial benefits, (2) institutions that do not meet all
 23 performance measures will be evaluated by the Council and the Council may take one or more of the following actions: (a) request
 24 the institution provide a remediation plan and recommend that the Governor withhold release of financial benefits until Council
 25 review of the remediation plan or (b) recommend that the Governor withhold all or part of financial benefits.

26 Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related
 27 measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related measures
 28 that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of performance.

29 The State Council may develop, adopt, and publish standards for granting exemptions and ongoing modifications to the certification
 30 process.

48 2. a) The Virginia Department of Education and the State Council of Higher Education for Virginia shall share personally
 49 identifiable information from education records in order to evaluate and study student preparation for and enrollment and

1 However, such study shall be conducted in such a manner as to not permit the personal identification of students by persons
 2 other than representatives of the Department of Education or the State Council for Higher Education for Virginia, and such
 3 shared information shall be destroyed when no longer needed for purposes of the study.

4 b) Notwithstanding § 2.2-3800 of the Code of Virginia, the Virginia Department of Education, State Council of Higher
 5 Education for Virginia, Virginia Community College System, and the Virginia Employment Commission may collect, use,
 6 share, and maintain de-identified student data to improve student and program performance including those for career
 7 readiness.

8 3. Institutions of higher education shall disclose information from a pupil's scholastic record to the Superintendent of Public
 9 Instruction or his designee for the purpose of studying student preparation as it relates to the content and rigor of the Standards
 10 of Learning. Furthermore, the superintendent of each school division shall disclose information from a pupil's scholastic record
 11 to the Superintendent of Public Instruction or his designee for the same purpose. All information provided to the Superintendent
 12 or his designee for this purpose shall be used solely for the purpose of evaluating the Standards of Learning and shall not be
 13 redisclosed, except as provided under federal law. All information shall be destroyed when no longer needed for the purposes

 44 responded and determine whether the institution shall be considered in compliance with the measure despite the cost overrun.

45 6. The institution will complete major information technology projects (with an individual cost of over \$1,000,000) within the
 46 budgets and schedules originally approved by the institution's governing board. If the institution exceeds the budget and/or time

 6 delay; and

7 b) The institution will maintain compliance with institutional security standards as evaluated in internal and external audits. The
 8 institution will have no significant audit deficiencies unresolved beyond one year.

 28 measure for the new area of operational authority. Each education-related measure and its respective target shall be developed
 29 in consultation with the Secretary of Finance, Secretary of Education, the appropriate Cabinet Secretary, and the State Council
 30 of Higher Education for Virginia. Each education-related measure and its respective target must be approved by the State

 34 decentralized procurement of authority by the Department of General Services, the Virginia Community College System
 35 (VCCS) is authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each
 36 of the three functional areas of information technology, procurement and capital projects as set forth and subject to all the
 37 conditions in §§ 2.0, 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that
 38 (i) any effective dates contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of
 39 this item. The State Board for Community Colleges may request any subsequent delegation of procurement authority after
 40 consultation with and positive recommendation by the Department of General Services.

41 d. Notwithstanding the small purchase thresholds set forth in the Rules Governing Procurement for institutions of higher
 42 education that have operational authority in the area of procurement, the small purchases thresholds shall be the same
 43 thresholds set forth in the Virginia Public Procurement Act (§ 2.2- 4300 et seq). Where small purchase thresholds in the Rules
 44 Governing Procurement for such institutions exceed those in 2.2-4300 et seq, the Rules Governing Procurement shall be the
 45 authorized procurement threshold.

46 e. Consistent with the 2019 updates to the Virginia Public Procurement Act, institutions of higher education that have

8 § 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

9 a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

10 1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page
11 should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider
12 requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate
13 page attached to student invoices;

14 2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance
15 on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging
16 for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

17 3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of
18 control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards
19 should further direct staff to implement the recommendations of the review to streamline their organizational structures where
20 possible;

21 4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

22 5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that
23 establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the
24 institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances
25 that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting
26 or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

27 6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods,
28 including use of institution-wide contracts;

29 7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are
30 exceptions to the institutional policies for standardizing purchases;

31 8. participate in national faculty teaching load assessments by discipline and faculty type.

32 b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

33 1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of
34 Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-
35 E&G fees, including for intercollegiate athletics;

36 2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-
37 E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts,
38 and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

39 3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure
40 current use of space and plans for future use of space at Virginia's public higher education institutions;

41 4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory
42 Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the
43 committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions'
44 instructional expenditures per student while maintaining or enhancing student learning;

45 5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;

46 6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing
47 learning.

48 c. Notwithstanding the provisions of § 23.1-1304, the State Council of Higher Education for Virginia shall annually train boards of

1 visitors members on the types of information members should request from institutions to inform decision making, such as
 2 performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost
 3 trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the
 4 training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or
 5 delivering the training from relevant agencies such as the Department of General Services and past or present finance officers at
 6 Virginia's public four-year institutions, as appropriate.

7 d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's
 8 maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities,

17 ~~A. Subject to the provisions of subsection H, a housing opportunity tax credit shall be allowed for each qualified project for each year~~
 18 ~~of the credit period, in an amount equal up to the amount of federal low-income housing tax credit allocated or allowed by the~~
 19 ~~Authority to such qualified project; except that there shall be no reduction in the tax credit allowable in the first year of the credit period~~
 20 ~~due to the calculation in 26 U.S.C. § 42(f)(2). The credit shall be allowed ratably for each qualified project, with one-tenth of the credit~~
 21 ~~amount allowed annually for 10 years over the credit period, except that there shall be a reduction in the tax credit allowable in the~~
 22 ~~first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2) and any reduction by reason of 26 U.S.C. § 42(f)(2) in the~~
 23 ~~credit allowable for the first taxable year of the credit period shall be allowable for the first taxable year following the credit period.~~

24 B. 1. For taxable years beginning on and after January 1, 2021, but before January 1, 2026, a qualified taxpayer may claim a housing
 25 opportunity tax credit against its Virginia tax liability prior to reduction by any other credits allowed the taxpayer. The housing
 26 opportunity tax credit may be allocated by pass-through entities to some or all of its partners, members, or shareholders in any manner
 27 agreed to by such persons, regardless of whether or not any such person is allocated or allowed any portion of any federal low-income
 28 housing tax credit with respect to the qualified project, whether or not the allocation of the housing opportunity tax credit under the
 29 terms of the agreement has substantial economic effect within the meaning of § 704(b) of the Internal Revenue Code, and whether or
 30 not any such person is deemed a partner for federal income tax purposes as long as the partner or member would be considered a
 31 partner or member as defined under applicable state law, and has been admitted as a partner or member on or prior to the date for filing
 32 the qualified taxpayer's tax return, including any amendments thereto, with respect to the year of the housing opportunity tax credit.
 33 Such pass-through entities or qualified taxpayer may assign all or any part of its interest, including its interest in the tax credits, to one
 34 or more pass-through entities or qualified taxpayers, and the qualified taxpayer shall be able to claim the housing opportunity tax credit
 35 so long as its interest is acquired prior to the filing of its tax return claiming the housing opportunity tax credit.

36 2. If a housing opportunity tax credit has been awarded according to the terms of subsection G prior to January 1, 2026, such credit
 37 may continue to be claimed on a return for taxable years on and after January 1, 2026, but only pursuant to the applicable credit
 38 period specified in § 58.1-439.29.

39 C. The housing opportunity tax credit authorized by this article shall not be refundable. Any housing opportunity tax credit not used in
 40 a taxable year may be carried forward by a qualified taxpayer for the succeeding five years.

41 D. A qualified taxpayer claiming a housing opportunity tax credit shall submit a copy of the eligibility certificate at the time of filing its
 42 tax return with the Department. If the owner of the qualified project has applied to the Authority for the eligibility certificate but the
 43 Authority has not yet issued the eligibility certificate at the time the qualified taxpayer files its original tax return claiming the housing
 44 opportunity tax credit, the taxpayer may claim the housing opportunity tax credit based upon the amount of tax credit set forth in
 45 the carryover allocation or 42(m) letter, as applicable, award letter issued by the Authority for the housing opportunity tax credit issued
 46 to the qualified project and shall amend its tax return to include the eligibility certificate upon its receipt. If the amount of tax credit in
 47 the eligibility certificate is different than the amount of tax credit previously claimed, the taxpayer shall adjust the tax credit amount
 48 claimed on the amended tax return.

49 E. If under § 42 of the Internal Revenue Code, as amended, a portion of any federal low-income housing credits taken on a qualified
 50 project is required to be recaptured or is otherwise disallowed during the credit period, the taxpayer claiming housing opportunity tax
 51 credits with respect to such project shall also be required to recapture a portion of any tax credits authorized by this article. The
 52 percentage of housing opportunity tax credits subject to recapture shall be equal to the percentage of federal low-income housing
 53 credits subject to recapture or otherwise disallowed during such period. Any tax credits recaptured or disallowed shall increase the
 54 income tax liability of the qualified taxpayer who claimed the tax credits in a like amount and shall be included on the tax return of the

1 qualified taxpayer submitted for the taxable year in which the recapture or disallowance event is identified. *The balance of any tax*
 2 *credits recaptured or disallowed shall be allocated by the Authority for any qualified project in accordance with subsection G.*

3 F. The Authority shall administer the housing opportunity tax credit program and shall be authorized to promulgate the regulations
 4 and guidelines necessary to implement and administer the provisions of this article. Such regulations and guidelines may include
 5 the imposition of application, allocation, certification, and monitoring fees designed to recoup the costs of the Authority in
 6 administering the housing opportunity tax credit program. The Authority may also promulgate regulations and guidelines in
 7 consultation with the Department to allow a qualified project to elect in its application to the Authority to sell all or any portion of
 8 its credits awarded pursuant to this article to one or more unrelated taxpayers. Regulations and guidelines regarding the sale of
 9 credits; if promulgated, shall not take effect prior to January 1, 2023, and shall not apply to credits awarded prior to January 1,
 10 2023.

11 G. 1. Any housing opportunity tax credit amounts authorized in a calendar year that are subsequently (i) canceled and returned to
 12 the Authority or (ii) recaptured or disallowed pursuant to subsection E may be awarded in the following calendar year, but no
 13 later than December 31, 2025. If the amount of housing opportunity tax credits authorized in a calendar year for qualified
 14 projects is less than the total amount of credits available for qualified projects under subdivision H 2, the balance of such credits,
 15 in an amount not greater than 15 percent of the amount of credits available for qualified projects under subdivision H 2, (a) shall
 16 be allocated by the Authority for any qualified project in the following calendar year, (b) shall not be allocated at any time after
 17 such following calendar year, and (c) shall be allocated no later than December 31, 2025.

18 2. Such housing opportunity tax credits issued pursuant to this subsection shall be allowed ratably, with one-tenth of the total
 19 amount of credits allowed annually for 10 years over the credit period, except that there shall be a reduction in the tax credit
 20 allowable in the first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2) and any reduction by reason of 26
 21 U.S.C. § 42(f)(2) in the credit allowable for the first taxable year of the credit period shall be allowable for the first taxable year
 22 following the credit period.

23 H. 1. The total amount of housing opportunity tax credits authorized for qualified projects under this article shall not exceed \$15
 24 million per for calendar year 2021.

25 2. For calendar years 2022 through 2025, the total amount of housing opportunity tax credits authorized for qualified projects
 26 under this article shall not exceed \$60 million per calendar year. Such credits issued each calendar year shall be allowed ratably,
 27 with one-tenth of the total amount of credits allowed annually for 10 years over the credit period, except that there shall be a
 28 reduction in the tax credit allowable in the first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2) and any
 29 reduction by reason of 26 U.S.C. § 42(f)(2) in the credit allowable for the first taxable year of the credit period shall be allowable
 30 for the first taxable year following the credit period.

31 3. Notwithstanding any other provision of law to the contrary, the aggregate amount of housing opportunity tax credits authorized
 32 for all qualified projects under this article shall not exceed \$255 million across all calendar years.

33 10. That, for the purposes of the ninth enactment of this act, notwithstanding any provision of law or regulation to the
 34 contrary, only Virginia housing opportunity tax credits awarded in calendar year 2021, up to a maximum of \$15 million
 35 total for all taxpayers in all taxable years, may be claimed pursuant to the provisions of § 58.1-439.30 of the Code of
 36 Virginia as set forth in Chapter 495 of the Acts of Assembly of 2021, Special Session I, prior to amendment by the ninth
 37 enactment of this act. Nothing in this enactment shall apply to § 58.1-439.30 of the Code of Virginia as amended by the
 38 sixth enactment of this act.

39 11. That, for the purposes of the ninth enactment of this act, the Virginia Housing Development Authority (the Authority)
 40 shall, upon request from the Chairs of the House Committee on Appropriations, the House Committee on Finance, and the
 41 Senate Committee on Finance and Appropriations, provide information, data, and any other requested advisement on the
 42 potential structure and cost of a separately authorized certificated Virginia housing opportunity tax credit program that
 43 would allow a qualified project to sell all or any portion of its Virginia housing opportunity tax credits, to one or more
 44 unrelated taxpayers based on findings in the report of the Department of Housing and Community Development and the
 45 Authority stakeholder advisory group submitted pursuant to Chapter 517 of the Acts of Assembly of 2020.

46 12. That, for the purposes of the ninth enactment of this act, of the \$60 million of Virginia housing opportunity tax credits
 47 authorized per calendar year from 2022 through 2025 for qualified projects by the Virginia Housing Development
 48 Authority (the Authority) pursuant to Article 13.4 (§ 58.1-439.29 et seq.) of Chapter 3 of Title 58.1 of the Code of Virginia,
 49 as amended by the ninth enactment of this act, \$20 million of such credits shall be first allocated exclusively for qualified
 50 projects located in a locality with a population no greater than 35,000 as determined by the most recent United States
 51 census. Such allocation of Virginia housing opportunity tax credits shall constitute the minimum amount of such tax
 52 credits to be allocated for qualified projects in such localities. However, if the amount of such tax credits requested for
 53 qualified projects in such localities is less than the total amount of such credits available for qualified projects in such
 54 localities, the balance of such credits shall be allocated for any qualified project, regardless of location. In allocating or
 55 allowing such credits to qualified projects in such localities, the Authority shall give equal consideration to qualified
 56 projects allocated or allowed a federal low-income housing credit in an amount equal to the 10-year present value

 35 purposes. This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:

36 (1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital
 37 imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States
 38 government;

39 (2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not

- 2 If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the
3 transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income
4 pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the
5 Tax Commissioner shall permit the corporation to file an amended return.
- 6 For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax
7 Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or
