30	4. Records provided to VITA by a private entity pertaining to VITA's comprehensive

35	party shall require that JLARC also be allowed access to such information for the purposes of			
36	carrying out its duties.

	First Year FY2025	Second Year FY2026	First Year FY2025	Second Year FY2026
1	E. Consistent with the provisions of paragraph B of Item 67, the board shall allocate the			
2	additional jail deputies provided in this appropriation using a ratio of one jail deputy for every			
3	3.0 beds of operational capacity. Operational capacity shall be determined by the State Board			
4	of Local and Regional Jails. No additional deputy sheriffs shall be provided from this			
5	appropriation to a local jail in which the present staffing exceeds this ratio unless the jail is			
6	overcrowded. Overcrowding for these purposes shall be defined as when the average annual			
7	daily population exceeds the operational capacity. In those jails experiencing overcrowding,			
8	the board may allocate one additional jail deputy for every five average annual daily prisoners			
9	above operational capacity. Should overcrowding be reduced or eliminated in any jail, the			
10	Compensation Board shall reallocate positions previously assigned due to overcrowding to			
11	other jails in the Commonwealth that are experiencing overcrowding.			
12	F. Two-thirds of the salaries set by the Compensation Board of medical, treatment, and inmate			
13	classification positions approved by the Compensation Board for local correctional facilities			
14	shall be paid out of this appropriation.			
15	G.1. Subject to appropriations by the General Assembly for this purpose, the Compensation			
16	Board shall provide for a master deputy pay grade to those sheriffs' offices which had			
17	certified, on or before January 1, 1997, having a career development plan for deputy sheriffs			
18	that meet the minimum criteria set forth by the Compensation Board for such plans. The			
19	Compensation Board shall allow for additional grade 9 positions, at a level not to exceed one			
20	grade 9 master deputy per every five Compensation Board grade 7 and 8 deputy positions in			
21	each sheriff's office.			
22	2. Each sheriff who desires to participate in the Master Deputy Program who had not certified			
23	a career development plan on or before January 1, 1997, may elect to participate by certifying			
24	to the Compensation Board that the career development plan in effect in his office meets the			
25	minimum criteria for such plans as set by the Compensation Board. Such election shall be			
26	made by February 1 for an effective date of participation the following July 1.			
27	3. Subject to appropriations by the General Assembly for this purpose, funding shall be			
28	provided by the Compensation Board for participation in the Master Deputy Program to			
29	sheriffs' offices electing participation after January 1, 1997, according to the date of receipt by			
30	the Compensation Board of the election by the sheriff.			
31	H. The Compensation Board shall estimate biannually the number of additional law			
32	enforcement deputies which will be needed in accordance with § 15.2-1609.1, Code of			
33	Virginia. Such estimate of the number of positions and related costs shall be included in the			
34	board's biennial budget request submission to the Governor and General Assembly. The			
35	allocation of such positions, established by the Governor and General Assembly in Item 67 of			
36	this act, shall be determined by the Compensation Board on an annual basis. The annual			
37	allocation of these positions to local sheriffs' offices shall be based upon the most recent final			
38	population estimate for the locality that is available to the Compensation Board at the time			
39	when the agency's annual budget request is completed. The source of such population			
40	estimates shall be the Weldon Cooper Center for Public Service of the University of Virginia			
41	or the United States Bureau of the Census. For the first year of the biennium, the			
42	Compensation Board shall allocate positions based upon the most recent provisional			
43	population estimates available at the time the agency's annual budget is completed.			
44	I. Any amount in the program Financial Assistance for Sheriffs' Offices and Regional Jails			
45	may be transferred between Items 60 and 61, as needed, to cover any deficits incurred in the			
46	programs Financial Assistance for Confinement of Inmates in Local and Regional Facilities,			
47	and Financial Assistance for Sheriffs' Offices and Regional Jails.			
48	J.1. Subject to appropriations by the General Assembly for this purpose, the Compensation			
49	Board shall provide for a Sheriffs' Career Development Program.			
50	2. Following receipt of a sheriff's certification that the minimum requirements of the Sheriffs'			
51	Career Development Program have been met, and provided that such certification is submitted			
52	by sheriffs as part of their annual budget request to the Compensation Board on or before			
53	February 1 of each year, the Compensation Board shall increase the annual salary shown in			
54	paragraph A of this Item by the percentage shown herein for a twelve-month period effective

27	Offender Registry and provide for automated protective order notifications. All law				
28	enforcement agencies receiving general funds pursuant to this item shall provide the data				
29	requirements necessary to participate in the SAVIN system.				
30	2. The data collected for purposes of the Statewide Automated Victim Information and				
31	Notification (SAVIN) system may be used to support additional public safety systems				
32	authorized by statute or the Appropriation Act. In support of these systems, the data may				
33	be used to determine or supplement risk factors, provide notifications, or data-driven				
34	information. The Commonwealth of Virginia's Chief Data Officer and the Compensation				
35	Board shall be permitted access to, and extraction of, such raw state data provided for				
36	these purposes, under terms agreed to by both the vendor collecting data under contract				
37	with the Virginia Center for Policing Innovation and the Commonwealth of Virginia's				
38	Chief Data Officer. No raw data shall be transferred beyond the SAVIN system except				
39	that which is shared with the Commonwealth of Virginia's Chief Data Officer in such				
40	mutually agreed upon manner.				
41	3. Notwithstanding § 18.2-308.2:2, Code of Virginia, the Department of State Police may				
42	operate telephone, mail, VCheck, or other authorized communication response systems to				
43	provide dealers in firearms with information on the legal eligibility of prospective				
44	purchasers to possess or transport firearms covered under these regulations. This				
45	information may be released only to authorized dealers and/or those who have registered				
46	to receive notifications through the Virginia VINE Protective Order Notification System,				
47	including victims (or a legal representative of a victim), crime victim and witness

49	N. Out of the amounts appropriated in this item, \$9,835,820 the first year and \$9,835,820				
50	the second year from the general fund is provided for additional behavioral health case				
51	managers and medical treatment positions in local and regional jails.

23	A. In the event the appropriation in this Item proves to be insufficient to fund all of its				
24	provisions, any amount remaining as of June 1, 2025, and June 1, 2026, may be reallocated				
25	among localities on a pro rata basis according to such deficiency.				
26	B. For the purposes of this Item, the following definitions shall be applicable:				
27	1. Effective sentence--a convicted offender's sentence as rendered by the court less any				
28	portion of the sentence suspended by the court.				
29	2. Local responsible inmate--(a) any person arrested on a state warrant and incarcerated in a				
30	local correctional facility, as defined by § 53.1-1, Code of Virginia, prior to trial; (b) any

34	3. State responsible inmate--any person convicted of one or more felony offenses and (a) the				
35	sum of consecutive effective sentences for felonies, committed on or after January 1, 1995, is				
36	(i) more than 12 months or (ii) one year or more, or (b) the sum of consecutive effective				
37	sentences for felonies, committed before January 1, 1995, is more than two years.				
38	C. The individual or entity responsible for operating any facility which receives funds from				
39	this Item may, if requested by the Department of Corrections, enter into an agreement with the				
40	department to accept the transfer of convicted felons, from other local facilities or from				
41	facilities operated by the Department of Corrections. In entering into any such agreements, or				
42	in effecting the transfer of offenders, the Department of Corrections shall consider the				
43	security requirements of transferred offenders and the capability of the local facility to				
44	maintain such offenders. For purposes of calculating the amount due each locality, all funds				
45	earned by the locality as a result of an agreement with the Department of Corrections shall be				
46	included as receipts from these appropriations.				
47	D. Out of this appropriation, an amount not to exceed \$377,010 the first year and \$377,010				
48	the second year from the general fund, is designated to be held in reserve for unbudgeted

2	1. For local responsible inmates--\$5 per inmate day, or, if the inmate is housed and			
3	maintained in a jail farm not under the control of the sheriff, the rate shall be \$19 per			
4	inmate day.			
5	2. For state responsible inmates--\$15 per inmate day.			
6	F. For the payment specified in paragraph E.1. of this Item for prisoners in alternative			
7	punishment or alternative to incarceration programs:			
8	1. Such payment is intended to be made for prisoners that would otherwise be housed in a			
9	local correctional facility. It is not intended for prisoners that would otherwise be			
10	sentenced to community service or placed on probation.			
11	2. No such payment shall be made unless the program has been approved by the			
12	Department of Corrections or the Department of Criminal Justice Services. Alternative			
13	punishment or alternative to incarceration programs, however, may include supervised			
14	work experience, treatment, and electronic monitoring programs.			
15	G.1. Except as provided for in paragraph G.2., and notwithstanding any other provisions			
16	of this Item, the Compensation Board shall provide payment to any locality with an			
17	average daily jail population of under ten in FY 1995 an inmate per diem rate of \$18 per			
18	day for local responsible inmates and \$12 per day for state responsible inmates held in			
19	these jails in lieu of personal service costs for corrections' officers.			
20	2. Any locality covered by the provisions of this paragraph shall be exempt from the			
21	provisions thereof provided that the locally elected sheriff, with the assistance of the			
22	Compensation Board, enters into good faith negotiations to house his prisoners in an			
23	existing local or regional jail. In establishing the per diem rate and capital contribution, if			
24	any, to be charged to such locality by a local or regional jail, the Compensation Board and			
25	the local sheriff or regional jail authority shall consider the operating support and capital			
26	contribution made by the Commonwealth, as required by §§ 15.2-1613 , 15.2-1615.1 , 53.1-			
27	80 , and 53.1-81 , Code of Virginia. The Compensation Board shall report periodically to			
28	the Chairs of the House Appropriations and Senate Finance and Appropriations			
29	Committees on the progress of these negotiations and may withhold the exemption			
30	granted by this paragraph if, in the board's opinion, the local sheriff fails to negotiate in			
31	good faith.			
32	H.1. The Compensation Board shall recover the state-funded costs associated with housing			
33	federal inmates, District of Columbia inmates or contract inmates from other states. The			
34	Compensation Board shall determine, by individual jail, the amount to be recovered by the			
35	Commonwealth by multiplying the jail's current inmate days for this population by the			
36	proportion of the jail's per inmate day salary funds provided by the Commonwealth, as			
37	identified in the most recent Jail Cost Report prepared by the Compensation Board.			
38	Beginning July 1, 2009, the Compensation Board shall determine, by individual jail, the			
39	amount to be recovered by the Commonwealth by multiplying the jail's current inmate			
40	days for this population by the proportion of the jail's per inmate day operating costs			
41	provided by the Commonwealth, excluding payments otherwise provided for in this Item,			
42	as identified in the most recent Jail Cost Report prepared by the Compensation Board. If a			
43	jail is not included in the most recent Jail Cost Report, the Compensation Board shall use			
44	the statewide average of per inmate day salary funds provided by the Commonwealth.			
45	2. The Compensation Board shall deduct the amount to be recovered by the			
46	Commonwealth from the facility's next quarterly per diem payment for state-responsible			
47	and local-responsible inmates. Should the next quarterly per diem payment owed the			
48	locality not be sufficient against which to net the total quarterly recovery amount, the			
49	locality shall remit the remaining amount not recovered to the Compensation Board.			
50	3. Any local or regional jail which receives funding from the Compensation Board shall			
51	give priority to the housing of local-responsible, state-responsible, and state contract			
52	inmates, in that order, as provided in paragraph H.1.			
53	4. The Compensation Board shall not provide any inmate per diem payments to any local			
54	or regional jail which holds federal inmates in excess of the number of beds contracted for

2	to the Chairman of the Compensation Board that a) such contract beds are not required; b) the			
3	facility has operational capacity built under contract with the federal government; c) the			
4	facility has received a grant from the federal government for a portion of the capital costs; or			
5	d) the facility has applied to the Department of Corrections for participation in the contract			
6	bed program with a sufficient number of beds to meet the Department of Corrections' need or			
7	ability to fund contract beds at that facility in any given fiscal year.			
8	5. The Compensation Board shall apply the cost recovery methodology set out in paragraph			
9	H.1. of this Item to any jail which holds inmates from another state on a contractual basis.			
10	However, recovery in such circumstances shall not be made for inmates held pending			
11	extradition to other states or pending transfer to the Virginia Department of Corrections.			
12	6. The provisions of this paragraph shall not apply to any local or regional jail where the			
13	cumulative federal share of capital costs exceeds the Commonwealth's cumulative capital			
14	contribution.			
15	7. For a local or regional jail which operates bed space specifically built utilizing federal			
16	capital or grant funds for the housing of federal inmates and for which Compensation Board			
17	funding has never been authorized for staff for such bed space, the Compensation Board shall			
18	allow an exemption from the recovery provided in paragraph H.1. for a defined number of			
19	federal prisoners upon certification by the sheriff or superintendent that the federal			
20	government has paid for the construction of bed space in the facility or provided a grant for a			
21	portion of the capital cost. Such certification shall include specific funding amounts paid by			
22	the federal government, localities, and/or regional jail authorities, and the Commonwealth for			
23	the construction of bed space specifically built for the housing of federal inmates and for the			
24	construction of the jail facility in its entirety. The defined number of federal prisoners to be			
25	exempted from the recovery provided in paragraph H.1. shall be based upon the proportion of			
26	funding paid by the federal government and localities and/or regional jail authorities for the			
27	construction of bed space to house federal prisoners to the total funding paid by all sources,			
28	including the Commonwealth, for all construction costs for the jail facility in its entirety. For			
29	Western Tidewater Regional Jail, exemption from the recovery provided in paragraph H.1.			
30	shall apply to the first 76 federal inmates housed at the jail and for any inmate above 130			
31	housed at the jail at any given time.			
32	8. Beginning March 1, 2013, federal inmates placed in the custody of a regional jail pursuant			
33	to a work release program operated by the federal Bureau of Prisons shall be exempt from the			
34	recovery of costs associated with housing federal inmates pursuant to paragraph H.1. of this			
35	item if such federal inmates have been assigned by the federal Bureau of Prisons to a home			
36	electronic monitoring program in place for such inmates by agreement with the jail on or			
37	before January 1, 2012 and are not housed in the jail facility. However, no such exemption			
38	shall apply to any federal inmate while they are housed in the regional jail facility.			
39	I. Any amounts in the program Financial Assistance for Confinement of Inmates in Local and			
40	Regional Facilities, may be transferred between Items 60 and 61, as needed, to cover any			
41	deficits incurred in the programs Financial Assistance for Sheriffs' Offices and Regional Jails			
42	and Financial Assistance for Confinement of Inmates in Local and Regional Facilities.			
43	J.1. The Compensation Board shall provide an annual report on the number and diagnoses of			
44	inmates with mental illnesses in local and regional jails, the treatment services provided, and			
45	expenditures on jail mental health programs. The report shall be prepared in cooperation with			
46	the Virginia Sheriffs Association, the Virginia Association of Regional Jails, the Virginia			
47	Association of Community Services Boards, and the Department of Behavioral Health and			
48	Developmental Services, and shall be coordinated with the data submissions required for the			
49	annual jail cost report. Copies of this report shall be provided by November 1 of each year to			
50	the Governor, Director, Department of Planning and Budget, and the Chairs of the Senate			
51	Finance and Appropriations and House Appropriations Committees.			
52	2. Whenever a person is admitted to a local or regional correctional facility, the staff of the			
53	facility shall screen such person for mental illness using a scientifically validated instrument.			
54	The Commissioner of Behavioral Health and Developmental Services shall designate the			
55	instrument to be used for the screenings and such instrument shall be capable of being			
56	administered by an employee of the local or regional correctional facility, other than a health

28	individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and			
29	restitution. Notwithstanding any other provision of law, beginning on the date upon which			
30	the order or judgment is entered, the costs associated with employing such individuals			
31	may be paid from the proceeds of the amounts collected provided that the cost is			
32	apportioned on a pro rata basis according to the amount collected which is due the state			
33	and that which is due the locality. The attorneys for the Commonwealth shall account for			
34	the amounts collected and apportion costs associated with the collections consistent with			
35	procedures issued by the Auditor of Public Accounts.			
36	D. The provisions of this act notwithstanding, no Commonwealth's attorney, public			
37	defender or employee of a public defender, shall be paid or receive reimbursement for the

42	Item 74 E, of Chapter 912, 1996 Acts of Assembly, and Chapter 924, 1997 Acts of

1	the collection of unpaid fines and court costs by private debt collection firms contracted by			
2	Commonwealth's attorneys and shall include, in its annual report to the General Assembly on			
3	the collection of court-ordered fines and fees for clerks of the courts and Commonwealth's			
4	attorneys, the amount of unpaid fines and costs collected by this program.			
5	G. Out of this appropriation, \$685,705 the first year and \$685,705 the second year from the			
6	general fund is designated for the Compensation Board to fund five additional positions in			
7	Commonwealth's attorney's offices that shall be dedicated to prosecuting gang-related

9	serving the Northern Virginia area (counties of Fairfax, Loudoun, Prince William, and

11	H. In accordance with the provisions of § 19.2-349, Code of Virginia, attorneys for the

18	the attorney for the Commonwealth does not undertake collection, the attorney for the			
19	Commonwealth shall, as soon as practicable, take steps to ensure that any agreement or			
20	contract with an individual, attorney or agency complies with the terms of the current Master

22	Pursuant to Virginia Code § 19.2-349 promulgated by the Office of the Attorney General, the			
23	Executive Secretary of the Supreme Court, the Department of Taxation, and the			
24	Compensation Board ("the Master Guidelines"). Notwithstanding any other provision of law,			
25	the delinquent amounts owed shall be increased by seventeen (17) percent to help offset the			
26	costs associated with employing such individuals or contracting with such agencies or			
27	individuals. If such increase would exceed the contracted collection agent's fee, then the			
28	delinquent amount owed shall be increased by the percentage or amount of the collection			
29	agent's fee. Effective July 1, 2015, as provided in § 19.2-349, Code of Virginia, treasurers not			
30	being compensated on a contingency basis as of January 1, 2015 shall be prohibited from			
31	being compensated on a contingency basis but shall instead be compensated for			
32	administrative costs pursuant to § 58.1-3958, Code of Virginia. Treasurers currently			
33	collecting a contingency fee shall be eligible to contract on a contingency fee basis. Effective			
34	July 1, 2015, any treasurer collecting a contingency fee shall retain only the expenses of			
35	collection, and the excess collection shall be divided between the state and the locality in the			
36	same manner as if the collection had been done by the attorney for the Commonwealth. The			
37	attorneys for the Commonwealth shall account for the amounts collected and the fees and			
38	costs associated with the collections consistent with procedures issued by the Auditor of			
39	Public Accounts.			
40	I. Notwithstanding the provisions of Article 7, Chapter 4, Title 38, Code of Virginia,			
41	beginning July 1, 2018, \$600,000 each year from the Insurance Fraud Fund is included in this			
42	appropriation to fund multi-jurisdictional Assistant Commonwealth's Attorney positions that			
43	shall be dedicated to prosecuting insurance fraud and related criminal activities. The			
44	Department of State Police shall identify those jurisdictions most affected by insurance fraud			
45	based upon data provided by the Virginia State Police Insurance Fraud Program. The Virginia			
46	State Police Insurance Fraud Program shall ensure that these positions work across			
47	jurisdictional lines, serving jurisdictions identified as most in need of these resources as			
48	supported by data. These funds shall remain unallocated until the Compensation Board and			
49	Virginia State Police notify the Director of the Department of Planning and Budget of the			
50	joint agreements reached with the Commonwealth's Attorneys of the jurisdictions receiving			
51	the additional Assistant Commonwealth's Attorney positions and the jurisdictions to be served			
52	by these positions. The Commonwealth's Attorneys receiving such positions shall annually			
53	certify to the Compensation Board that these positions are used primarily, if not exclusively,			
54	for the prosecution of insurance fraud and related criminal activities.			
55	J. Any locality in the Commonwealth that employs the use of body worn cameras for its law			
56	enforcement officers shall be required to establish and fund one full-time equivalent entry-			
57	level Assistant Commonwealth's Attorney, at a salary no less than that established by the			
58	Compensation Board for an entry-level Commonwealth's Attorney, at a rate of one Assistant			
59	Commonwealth's Attorney for up to 75 body worn cameras employed for use by local law

3	with the consent of the Commonwealth's Attorney, a locality may provide their			
4	Commonwealth's Attorney's office with additional funding, using a different formula than			
5	stated above, as needed to accommodate the additional workload resulting from the			
6	requirement to review, redact and present footage from body worn cameras. If, as of July			
7	1, 2019, a locality is providing additional funding to the Commonwealth's Attorney's			
8	office specifically to address the staffing and workload impact of the implementation of			
9	body worn cameras on that office, that additional funding shall be credited to the formula			
10	used in that locality. Any agreed upon funding formula between the impacted			
11	Commonwealth's Attorney and the locality employing body worn cameras shall be filed			
12	with the Compensation Board by July 1 of each year and shall remain in effect unless			
13	modified by the agreement of both parties until June 30th of the following year. The term			
14	"locality" means every county or independent city with an Attorney for the			
15	Commonwealth. The term "employed for use" includes all body worn cameras maintained			
16	by the law enforcement agency or agencies of that locality, regardless of any temporary			
17	inoperability.

20	M. Notwithstanding any other provisions of § 15.2-1605, Code of Virginia, the

33	locality to the Department of State Police in accordance with § 52-28, Code of Virginia, is			
34	missing, incomplete or incorrect. Upon subsequent notification by the Superintendent that			
35	the data is accurate, the Compensation Board shall make reimbursement of withheld

18	A. Definitions				
19	1. "March 31 Average Daily Membership," or "March 31 ADM" - The responsible school				
20	division's average daily membership for grades K-12 including (1) handicapped students ages				
21	5-21 and (2) students for whom English is a second language who entered school for the first				
22	time after reaching their twelfth birthday, and who have not reached twenty-two years of age				
23	on or before August 1 of the school year, for the first seven (7) months (or equivalent period)				
24	of the school year through March 31 in which state funds are distributed from this				
25	appropriation. Preschool and postgraduate students shall not be included in March 31 ADM.				
26	a. School divisions shall take a count of September 30 fall membership and report this				
27	information to the Department of Education no later than October 15 of each year.				
28	b. Except as otherwise provided herein, by statute, or by precedent, all appropriations to the				
29	Department of Education shall be calculated using March 31 ADM unadjusted for half-day				
30	kindergarten programs, estimated at 1,212,152.38 the first year and 1,209,772.52 the second				
31	year. March 31 ADM for half-day kindergarten shall be adjusted at 85 percent.				
32	c. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home instruction				
33	pursuant to § 22.1-254.1 and who are enrolled in a public school on less than a full-time basis				
34	in any mathematics, science, English, history, social science, vocational education, health				
35	education or physical education, fine arts or foreign language course, or receiving special				
36	education services required by a student's individualized education plan, shall be counted in				
37	the funded fall membership and March 31 ADM of the responsible school division. Each				
38	course shall be counted as 0.25, up to a cap of 0.5 of a student.				
39	d. Students enrolled in an Individualized Student Alternative Education Program (ISAEP)				
40	pursuant to § 22.1-254 E shall be counted in the March 31 Average Daily Membership of the				
41	responsible school division. School divisions shall report these students separately in their				
42	March 31 reports of Average Daily Membership.				
43	2. "Standards of Quality" - Operations standards for grades kindergarten through 12 as				
44	prescribed by the Board of Education subject to revision by the General Assembly.				
45	3.a. "Basic Operation Cost" - The cost per pupil, including provision for the number of				
46	instructional personnel required by the Standards of Quality for each school division with a				
47	minimum ratio of 51 professional personnel for each 1,000 pupils or proportionate number				
48	thereof, in March 31 ADM for the same fiscal year for which the costs are computed, and				
49	including provision for driver, gifted, occupational-vocational, and special education, library

2	television, professional and staff improvement, remedial work, fixed charges and other			
3	costs in programs not funded by other state and/or federal aid.			
4	4.a. "Composite Index of Local Ability-to-Pay" - An index figure computed for each			
5	locality. The composite index is the sum of 2/3 of the index of wealth per pupil in			
6	unadjusted March 31 ADM reported for the first seven (7) months of the 2021-2022			
7	school year and 1/3 of the index of wealth per capita (population estimates for 2021 as			
8	determined by the Weldon Cooper Center for Public Service of the University of Virginia)			
9	multiplied by the local nominal share of the costs of the Standards of Quality of 0.45 in			
10	each year. The indices of wealth are determined by combining the following constituent			
11	index elements with the indicated weighting: (1) true values of real estate and public			
12	service corporations as reported by the State Department of Taxation for the calendar year			
13	2021 - 50 percent; (2) adjusted gross income for the calendar year 2021 as reported by the			
14	State Department of Taxation - 40 percent; (3) the sales for the calendar year 2021 which			
15	are subject to the state general sales and use tax, as reported by the State Department of			
16	Taxation - 10 percent. Each constituent index element for a locality is its sum per March			
17	31 ADM, or per capita, expressed as a percentage of the state average per March 31 ADM,			
18	or per capita, for the same element. A locality whose composite index exceeds 0.8000			
19	shall be considered as having an index of 0.8000 for purposes of distributing all payments			
20	based on the composite index of local ability-to-pay. Each constituent index element for a			
21	locality used to determine the composite index of local ability-to-pay for the current			
22	biennium shall be the latest available data for the specified official base year provided to			
23	the Department of Education by the responsible source agencies no later than November			
24	15, 2023.			
25	b. For any locality whose total calendar year 2021 Virginia Adjusted Gross Income is			
26	comprised of at least 3 percent or more by nonresidents of Virginia, such nonresident			
27	income shall be excluded in computing the composite index of ability-to-pay. The			
28	Department of Education shall compute the composite index for such localities by using			
29	adjusted gross income data which exclude nonresident income, but shall not adjust the			
30	composite index of any other localities. The Department of Taxation shall furnish to the			
31	Department of Education such data as are necessary to implement this provision.			
32	c.1) Notwithstanding the funding provisions in § 22.1-25 D, Code of Virginia, additional			
33	state funding for future consolidations shall be as set forth in future Appropriation Acts.			
34	2) In the case of the consolidation of Bedford County and Bedford City school divisions,			
35	the fifteen year period for the application of a new composite shall apply beginning with			
36	the fiscal year that starts on July 1, 2013. The composite index established by the Board of			
37	Education shall equal the lowest composite index that was in effect prior to July 1, 2013,			
38	of any individual localities involved in such consolidation, and this index shall remain in			
39	effect for a period of fifteen years, unless a lower composite index is calculated for the			
40	combined division through the process for computing an index as set forth above.			
41	3) If the composite index of a consolidated school division is reduced during the course of			
42	the fifteen year period to a level that would entitle the school division to a lower interest			
43	rate for a Literary Fund loan than it received when the loan was originally released, the			
44	Board of Education shall reduce the interest rate of such loan for the remainder of the			
45	period of the loan. Such reduction shall be based on the interest rate that would apply at			
46	the time of such adjustment. This rate shall remain in effect for the duration of the loan			
47	and shall apply only to those years remaining to be paid.			
48	d. When it is determined that a substantial error exists in a constituent index element, the			
49	Department of Education will make adjustments in funding for the current school year			
50	only in the division where the error occurred. The composite index of any other locality			
51	shall not be changed as a result of the adjustment. No adjustment during the biennium will			
52	be made as a result of updating of data used in a constituent index element.			
53	e. In the event that any school division consolidates two or more small schools, the			
54	division shall continue to receive Standards of Quality funding and provide for the			
55	required local expenditure for a period of five years as if the schools had not been			
56	consolidated. Small schools are defined as any elementary, middle, or high school with			
57	enrollment below 200, 300 and 400 students, respectively.

1	5. "Required Local Expenditure for the Standards of Quality" - The locality's share based on				
2	the composite index of local ability-to-pay of the cost required by all the Standards of Quality				
3	minus its estimated revenues from the state sales and use tax dedicated to public education,				
4	and those sales tax revenues transferred to the general fund from the Public Education

8	Item, collected by the Department of Education and distributed to school divisions in the				
9	fiscal year in which the school year begins.				
10	6. "Required Local Match" - The locality's required share of program cost based on the				
11	composite index of local ability-to-pay for all Lottery and Incentive programs, where				
12	required, in which the school division has elected to participate in a fiscal year.				
13	7. "Planning District Eight" - The nine localities which comprise Planning District Eight are

15	City, Fairfax City, Falls Church City, Manassas City, and Manassas Park City.				
16	8. "State Share of the Standards of Quality" - The state share of the Standards of Quality

18	division's estimated revenues from the state sales and use tax dedicated to public education				
19	based on the latest yearly estimate of school age population provided by the Weldon Cooper

23	percentages to determine the entitlement amounts are based on the most recent data available				
24	as of the biennial rebenchmarking calculations made for the current biennium. For schools				
25	that participate in the Community Eligibility Provision program, such entitlements are based

27	Community Eligibility Provision program.				
28	10. In the event that the general fund appropriations in this Item are not sufficient to meet the

31	these Items to address such insufficiencies. If the total general fund appropriations after such

33	fund dollars, the Department of Education is authorized to prorate such shortfall				
34	proportionately across all of the school divisions participating in any program where such				
35	shortfall occurred.				
36	11. The Department of Education is directed to apply a cap on inflation rates in the same				
37	manner prescribed in § 51.1-166.B, Code of Virginia, when updating funding to school

3	the Standards of Quality (SOQ).			
4	16. Notwithstanding any other provision in statute or in this Item, the Department of			
5	Education is directed to fund transportation costs using a 15 year replacement schedule,			
6	which is the national standard guideline, for school bus replacement schedule for the			
7	purpose of calculating funded transportation costs included in the Standards of Quality			
8	(SOQ).			
9	17. To provide additional flexibility, notwithstanding the provisions of § 22.1-79.1, Code			
10	of Virginia, any school division that was granted a waiver regarding the opening date of			
11	the school year for the 2011-2012 school year under the good cause requirements shall			
12	continue to be granted a waiver for the 2024-2025 school year and the 2025-2026 school			
13	year.			
14	B. General Conditions

16	instructional staff members to the employer's cost for a number not exceeding the number			
17	of instructional positions required by the Standards of Quality for each school division and			
18	for their salaries at the statewide prevailing salary levels as printed below.

28	fringe benefit costs of 55 percent of the employer's cost distributed on the basis of the			
29	composite index.			
30	2) A locality whose composite index exceeds 0.8000 shall be considered as having an			
31	index of 0.8000 for purposes of distributing fringe benefit funds under this provision.			
32	3) The state payment to each school division for retirement, social security, and group life			
33	insurance costs for non-instructional personnel is included in and distributed through

42	3. In the event the statewide number of pupils in March 31 ADM results in a state share of			
43	cost exceeding the general fund appropriation in this Item, the locality's state share of			
44	Basic Aid shall be reduced proportionately so that this general fund appropriation will not			
45	be exceeded. In addition, the required local share of Basic Aid shall also be reduced

2	5. In the event that the actual revenues from the state sales and use tax dedicated to public			
3	education and those sales tax revenues transferred to the general fund from the Public			
4	Education Standards of Quality/Local Real Estate Property Tax Relief Fund and appropriated			
5	in this Item (both of which are returned on the basis of the latest yearly estimate of school age			
6	population provided by the Weldon Cooper Center for Public Service) for sales in the fiscal			
7	year in which the school year begins are different from the number estimated as the basis for			
8	this appropriation, the estimated state sales and use tax revenues shall not be adjusted.			
9	6. This appropriation shall be apportioned to the public schools with guidelines established by			
10	the Department of Education consistent with legislative intent as expressed in this act.			
11	7.a. Appropriations of state funds in this Item include the number of positions required by the			
12	Standards of Quality. This Item includes a minimum of 51 professional instructional positions			
13	and aide positions (C 5); Education of the Gifted, 1.0 professional instructional position (C 6);			
14	Occupational-Vocational Education Payments and Special Education Payments; a minimum			
15	of 6.0 professional instructional positions and aide positions (C 7 and C 8) for each 1,000			
16	pupils in March 31 ADM each year in support of the current Standards of Quality. Funding in			
17	support of one hour of additional instruction per day based on the percent of students eligible			
18	for the federal free lunch program with a pupil-teacher ratio range of 18:1 to 10:1, depending			
19	upon a school division's combined failure rate on the English and Math Standards of			
20	Learning, is included in Remedial Education Payments (C 9).			
21	b. No actions provided in this section signify any intent of the General Assembly to mandate			
22	an increase in the number of instructional personnel per 1,000 students above the numbers			
23	explicitly stated in the preceding paragraph.			
24	c. Appropriations in this Item include programs supported in part by transfers to the general			
25	fund from the Public Education Standards of Quality/Local Real Estate Property Tax Relief			
26	Fund pursuant to Part 3 of this Act. These transfers combined together with other			
27	appropriations from the general fund in this Item funds the state's share of the following			
28	revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of Assembly			
29	of 2004: five elementary resource teachers per 1,000 students; one support technology			
30	position per 1,000 students; one instructional technology position per 1,000 students; and a			
31	full daily planning period for teachers at the middle and high school levels in order to relieve			
32	the financial pressure these education programs place on local real estate taxes.			
33	d. To provide flexibility, school divisions may use the state and local funds for instructional			
34	technology resource teachers required by the Standards of Quality to employ a data			
35	coordinator position, an instructional technology resource teacher position, or a data			
36	coordinator/instructional resource teacher blended position. The data coordinator position is			
37	intended to serve as a resource to principals and classroom teachers in the area of data			
38	analysis and interpretation for instructional and school improvement purposes, as well as for			
39	overall data management and administration of state assessments. School divisions using			
40	these SOQ funds in this manner shall only employ instructional personnel licensed by the			
41	Board of Education.			
42	e. To provide flexibility in the provision of reading intervention services, school divisions			
43	may use the state Early Reading Intervention initiative funding provided from the Lottery			
44	Proceeds Fund and the required local matching funds to employ reading specialists to provide			
45	the required reading intervention services. School divisions using the Early Reading			
46	Intervention Initiative funds in this manner shall only employ instructional personnel licensed			
47	by the Board of Education.			
48	f. To provide flexibility in the provision of mathematics intervention services, school			
49	divisions may use the state Standards of Learning Algebra Readiness initiative funding			
50	provided from the Lottery Proceeds Fund and the required local matching funds to employ			
51	mathematics teacher specialists to provide the required mathematics intervention services.			
52	School divisions using the Standards of Learning Algebra Readiness initiative funding in this			
53	manner shall only employ instructional personnel licensed by the Board of Education.			
54	g. Notwithstanding the provisions of subsection H 1 of § 22.1-253.13:2 of the Code of

2	h. Notwithstanding the provisions of subsection G of § 22.1-253.13:2 of the Code of			
3	Virginia, school boards may employ other staff such as reading coaches or other			
4	instructional staff who are working towards obtaining the training and licensure			
5	requirements necessary to fulfill the reading specialist staffing standards.			
6	8.a.1) Pursuant to § 22.1-97, Code of Virginia, the Department of Education is required to			
7	make calculations at the start of the school year to ensure that school divisions have			
8	appropriated adequate funds to support their estimated required local expenditure for the			
9	corresponding state fiscal year. In an effort to reduce the administrative burden on school			
10	divisions resulting from state data collections, such as the one needed to make the			
11	aforementioned calculations, the requirements of § 22.1-97, Code of Virginia, pertaining			
12	to the adequacy of estimated required local expenditures, shall be satisfied by signed			
13	certification by each division superintendent at the beginning of each school year that			
14	sufficient local funds have been budgeted to meet all state required local effort and			
15	required local match amounts. This provision shall only apply to calculations required of			
16	the Department of Education related to estimated required local expenditures and shall not			
17	pertain to the calculations associated with actual required local expenditures after the close			
18	of the school year.			
19	2) The Department of Education shall also make calculations after the close of the school			
20	year to verify that the required local effort level, based on actual March 31 Average Daily			
21	Membership, was met. Pursuant to § 22.1-97, Code of Virginia, the Department of			
22	Education shall report annually, no later than the first day of the General Assembly			
23	session, to the House Committees on Education and Appropriations and the Senate			
24	Committees on Finance and Appropriations and Education and Health, the results of such			
25	calculations made after the close of the school year and the degree to which each school			
26	division has met, failed to meet, or surpassed its required local expenditure. The			
27	Department of Education shall specify the calculations to determine if a school division			
28	has expended its required local expenditure for the Standards of Quality. This calculation			
29	may include but is not limited to the following calculations:			
30	b. The total expenditures for operation, defined as total expenditures less all capital			
31	outlays, expenditures for debt service, facilities, non-regular day school programs (such as			
32	adult education, preschool, and non-local education programs), and any transfers to			
33	regional programs will be calculated.			
34	c. The following state funds will be deducted from the amount calculated in paragraph a.			
35	above: revenues from the state sales and use tax (returned on the basis of the latest yearly			
36	estimate of school age population provided by the Weldon Cooper Center for Public			
37	Service, as specified in this Item) for sales in the fiscal year in which the school year			
38	begins; total receipts from state funds (except state funds for non-regular day school			
39	programs and state funds used for capital or debt service purposes); and the state share of			
40	any balances carried forward from the previous fiscal year. Any qualifying state funds that			
41	remain unspent at the end of the fiscal year will be added to the amount calculated in			
42	paragraph a. above.			
43	d. Federal funds, and any federal funds carried forward from the previous fiscal year, will			
44	also be deducted from the amount calculated in paragraph a. above. Any federal funds that			
45	remain unspent at the end of the fiscal year and any capital expenditures paid from federal			
46	funds will be added to the amount calculated in paragraph a. above.			
47	e. Tuition receipts, receipts from payments from other cities or counties, and fund			
48	transfers will also be deducted from the amount calculated in paragraph a, then			
49	f. The final amount calculated as described above must be equal to or greater than the			
50	required local expenditure defined in paragraph A. 5.			
51	g. The Department of Education shall collect the data necessary to perform the			
52	calculations of required local expenditure as required by this section.			
53	h. A locality whose expenditure in fact exceeds the required amount from local funds may			
54	not reduce its expenditures unless it first complies with all of the Standards of Quality.

1	9.a. Any required local matching funds which a locality, as of the end of a school year, has			
2	not expended, pursuant to this Item, for the Standards of Quality shall be paid by the locality			
3	into the general fund of the state treasury. Such payments shall be made not later than the end			
4	of the school year following that in which the under expenditure occurs.			
5	b. Whenever the Department of Education has recovered funds as defined in the preceding			
6	paragraph a., the Secretary of Education is authorized to repay to the locality affected by that			
7	action, seventy-five percent (75%) of those funds upon his determination that:			
8	1) The local school board agrees to include the funds in its June 30 ending balance for the			
9	year following that in which the under expenditure occurs;			
10	2) The local governing body agrees to reappropriate the funds as a supplemental appropriation			
11	to the approved budget for the second year following that in which the under expenditure			
12	occurs, in an appropriate category as requested by the local school board, for the direct benefit			
13	of the students;			
14	3) The local school board agrees to expend these funds, over and above the funds required to			
15	meet the required local expenditure for the second year following that in which the under			
16	expenditure occurs, for a special project, the details of which must be furnished to the			
17	Department of Education for review and approval;			
18	4) The local school board agrees to submit quarterly reports to the Department of Education			
19	on the use of funds provided through this project award; and			
20	5) The local governing body and the local school board agree that the project award will be			
21	cancelled and the funds withdrawn if the above conditions have not been met as of June 30 of			
22	the second year following that in which the under expenditure occurs.			
23	c. There is hereby appropriated, for the purposes of the foregoing repayment, a sum sufficient,			
24	not to exceed 75 percent of the funds deposited in the general fund pursuant to the preceding			
25	paragraph a.			
26	10. The Department of Education shall specify the manner for collecting the required			
27	information and the method for determining if a school division has expended the local funds			
28	required to support the actual local match based on all Lottery and Incentive programs in			
29	which the school division has elected to participate. Unless specifically stated otherwise in			
30	this Item, school divisions electing to participate in any Lottery or Incentive program that			
31	requires a local funding match in order to receive state funding, shall certify to the			
32	Department of Education its intent to participate in each program by July 1 each fiscal year in			
33	a manner prescribed by the Department of Education. As part of this certification process,			
34	each division superintendent must also certify that adequate local funds have been			
35	appropriated, above the required local effort for the Standards of Quality, to support the			
36	projected required local match based on the Lottery and Incentive programs in which the			
37	school division has elected to participate. State funding for such program(s) shall not be made			
38	until such time that the school division can certify that sufficient local funding has been			
39	appropriated to meet required local match. The Department of Education shall make			
40	calculations after the close of the fiscal year to verify that the required local match was met			
41	based on the state funds that were received.			
42	11. Any sum of local matching funds for Lottery and Incentive program which a locality has			
43	not expended as of the end of a fiscal year in support of the required local match pursuant to			
44	this Item shall be paid by the locality into the general fund of the state treasury unless the			
45	carryover of those unspent funds is specifically permitted by other provisions of this act. Such			
46	payments shall be made no later than the end of the school year following that in which the			
47	under expenditure occurred.			
48	12. The Superintendent of Public Instruction shall provide a report annually, no later than the			
49	first day of the General Assembly session, on the status of teacher salaries, by local school			
50	division, to the Governor and the Chairs of the Senate Finance and Appropriations and House			
51	Appropriations Committees. In addition to information on average salaries by school division			
52	and statewide comparisons with other states, the report shall also include information on			
53	starting salaries by school division and average teacher salaries by school.			
54	13. All state and local matching funds required by the programs in this Item shall be

2	14. By November 1 of each year, the Department of Planning and Budget, in cooperation			
3	with the Department of Education, shall prepare and submit a preliminary forecast of			
4	Standards of Quality expenditures, based upon the most current data available, to the			
5	Chairs of the House Appropriations and Senate Finance and Appropriations Committees.			
6	In odd-numbered years, the forecast for the current and subsequent two fiscal years shall			
7	be provided. In even-numbered years, the forecast for the current and subsequent fiscal			
8	year shall be provided. The forecast shall detail the projected March 31 Average Daily			
9	Membership and the resulting impact on the education budget.			
10	15. Except as otherwise provided in this act, the Superintendent of Public Instruction shall			
11	provide guidelines for the distribution and expenditure of general fund appropriations and			
12	such additional federal, private and other funds as may be made available to aid in the			
13	establishment and maintenance of the public schools.			
14	16. At the Department of Education's option, fees for audio-visual services may be			
15	deducted from state Basic Aid payments for individual local school divisions.			
16	17. For distributions not otherwise specified, the Department of Education, at its option,			
17	may use prior year data to calculate actual disbursements to individual localities.			
18	18. Payments for accounts related to the Standards of Quality made to localities for public			
19	education from the general fund, as provided herein, shall be payable in twenty-four semi-			
20	monthly installments at the middle and end of each month.			
21	19. Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
22	Department of Education shall, for purposes of calculating the state and local shares of the			
23	Standards of Quality, apportion state sales and use tax dedicated to public education and			
24	those sales tax revenues transferred to the general fund from the Public Education			
25	Standards of Quality/ Local Real Estate Property Tax Relief Fund in the first year based			
26	on the July 1, 2022, estimate of school age population provided by the Weldon Cooper			
27	Center for Public Service and, in the second year, based on the July 1, 2023, estimate of			
28	school age population provided by the Weldon Cooper Center for Public Service.			
29	Notwithstanding § 58.1-638 D., Code of Virginia, and other language in this Item, the			
30	State Comptroller shall distribute the state sales and use tax revenues dedicated to public			
31	education and those sales tax revenues transferred to the general fund from the Public			
32	Education Standards of Quality/ Local Real Estate Property Tax Relief Fund in the first			
33	year based on the July 1, 2022, estimate of school age population provided by the Weldon			
34	Cooper Center for Public Service and, in the second year, based on the July 1, 2023,			
35	estimate of school age population provided by the Weldon Cooper Center for Public			
36	Service.			
37	20. The school divisions within the Tobacco Region, as defined by the Tobacco Region			
38	Revitalization Commission, shall jointly explore ways to maximize their collective			
39	expenditure reimbursement totals for all eligible E-Rate funding.			
40	21. This Item includes appropriations totaling an estimated \$902,926,201 the first year and			
41	\$852,926,201 the second year from the revenues deposited to the Lottery Proceeds Fund.			
42	These amounts are appropriated for distribution to counties, cities, and towns to support			
43	public education programs pursuant to Article X, Section 7-A Constitution of Virginia.			
44	Any county, city, or town which accepts a distribution from this fund shall provide its			
45	portion of the cost of maintaining an educational program meeting the Standards of			
46	Quality pursuant to Section 2 of Article VIII of the Constitution without the use of			
47	distributions from the fund.			
48	22. For reporting purposes, the Department of Education shall include Lottery Proceeds			
49	Funds as state funds.			
50	23.a. Any locality that has met its required local effort for the Standards of Quality			
51	accounts for FY 2025 and that has met its required local match for incentive or Lottery-			
52	funded programs in which the locality elected to participate in FY 2025 may carry over			
53	into FY 2026 any remaining state Direct Aid to Public Education fund balances available

1	locality. Localities electing to carry forward such unspent state funds must appropriate the			
2	funds to the school division for expenditure in FY 2026.			
3	b. Any locality that has met its required local effort for the Standards of Quality accounts for			
4	FY 2026 and that has met its required local match for incentive or Lottery-funded programs in			
5	which the locality elected to participate in FY 2026 may carry over into FY 2027 any			
6	remaining state Direct Aid to Public Education fund balances available to help minimize any			
7	FY 2027 revenue adjustments that may occur in state funding to that locality. Localities			
8	electing to carry forward such unspent state funds must appropriate the funds to the school			
9	division for expenditure in FY 2027.			
10	24. Localities are encouraged to allow school boards to carry over any unspent local			
11	allocations into the next fiscal year. Localities are also encouraged to provide increased			
12	flexibility to school boards by appropriating state and local funds for public education in a			
13	lump sum.			
14	25. The Department of Education shall include in the annual School Performance Report Card			
15	for school divisions the percentage of each division's annual operating budget allocated to			
16	instructional costs. For this report, the Department of Education shall establish a methodology			
17	for allocating each school division's expenditures to instructional and non-instructional costs			
18	in a manner that is consistent with the funding of the Standards of Quality as approved by the			
19	General Assembly.			
20	26. It is the intent of the General Assembly that all school divisions annually provide their			
21	employees, upon request, with a user-friendly statement of total compensation, including			
22	contract duration if less than 12 months.			
23	27. The Department of Education, in collaboration with the Virginia Community College			
24	System, will ensure that the same policies regarding the cost for dual enrollment courses held			
25	at a community college, are consistently applied to public school students and home-schooled			
26	students alike. These policies will clearly address the school division contributions and any			
27	student charges for dual enrollment courses, and will ensure that public school students and			
28	home-school students are treated in the same manner.			
29	28. Each school division shall report each year to the Department of Education the individual			
30	uses for the prior year of the following funds prescribed by this item: (i) At-Risk Add-On and			
31	(ii) Early Reading Intervention. The Department shall prescribe the format and timeline			
32	required for the reporting of such information, which shall include, permitted categories of			
33	spending, personnel, both state and local contributions, and to the extent possible, the			
34	individual schools which these funds were expended. The Department shall compile and			
35	submit this information to the Chairs of the House Appropriations and Senate Finance and			
36	Appropriations Committees no later than the first day of the General Assembly session.			
37	29. Multidivision online providers, as defined in § 22.1-212.23, Code of Virginia, shall			
38	provide certain data as prescribed by the Department of Education related to students enrolled			
39	through a contract between such a provider and a school division, including such students			
40	who do not reside in the school division that is party to the contract. Such data shall include,			
41	but is not limited to, enrollment, which shall be disaggregated by serving school,			
42	demographics, attendance, achievement, and achievement gaps, and be transmitted in a format			
43	prescribed by the Department. The Department shall report such data annually through the			
44	School Quality Profiles in a manner that clearly disaggregates and communicates school			
45	quality information related to (i) the students that do not reside in the school division and are			
46	served through the contract, and (ii) all other students.			
47	30. Each school division shall report to the Department of Education information on the use			
48	of funds appropriated in fiscal year 2024 for the Flexible Funding Supplement and on the use			
49	of pass-through federal Elementary and Secondary School Emergency Relief funds used since			
50	2020. Such reporting shall specify amounts obligated and expensed based on reporting			
51	categories as prescribed by the Department of Education. School divisions also shall report			
52	how funds address performance gains or losses related to reading and mathematics and			
53	support preparation and implementation of the Virginia Literacy Act. The Department of			
54	Education shall compile this information and submit it to the Governor and the Chairs of the			
55	House Appropriations and Senate Finance and Appropriations Committee no later than			
56	October 1, 2024, 2025, and 2026.

2	5. Basic Aid Payments			
3	a.1) A state share of the Basic Operation Cost, which cost per pupil in March 31 ADM is

7	costs calculated on a prevailing basis for an estimated March 31 ADM.			
8	2) This appropriation includes funding to recognize the common labor market in the			
9	Washington-Baltimore-Northern Virginia, DC-MD-VA-WV Combined Statistical Area.			
10	Standards of Quality salary payments for instructional and support positions in school			
11	divisions of the localities set out below have been adjusted for the equivalent portion of the			
12	Cost of Competing Adjustment (COCA) rates that are paid to local school divisions in			
13	Planning District Eight. For the counties of Stafford, Fauquier, Spotsylvania, Clarke, Warren,			
14	Frederick, and Culpeper and the Cities of Fredericksburg and Winchester, the SOQ payments

18	b. The state share for a locality shall be equal to the Basic Operation Cost for that locality less			
19	the locality's estimated revenues from the state sales and use tax and the Supplemental			
20	General Fund Payment In Lieu of Sales Tax on Food and Personal Hygiene Products

43	the distribution of state funds appropriated for driver education. The Department of Education

46	will be computed by dividing the current appropriation for the Driver Education Fund by			
47	actual March 31 ADM.			
48	2) Local school boards may charge a per pupil fee for behind-the-wheel driver education			
49	provided, however, that the fee charged plus the per pupil basic aid reimbursement for driver

7	2) School divisions shall provide free textbooks to all students.			
8	3) School divisions may use a portion of this funding to purchase Standards of Learning

11	instruction and the technical equipment required to read and access the electronic			
12	textbooks and electronic curriculum materials.			
13	4) Any funds provided to school divisions for textbook costs that are unexpended as of			
14	June 30, 2025, or June 30, 2026, shall be carried on the books of the locality to be			
15	appropriated to the school division the following year to be used for same purpose. School			
16	divisions are permitted to carry forward any remaining balance of textbook funds until the			
17	funds are expensed for a qualifying purpose.

20	Estate Property Tax Relief Fund and appropriated in this Item which are distributed to			
21	localities on the basis of the latest yearly estimate of school age population provided by			
22	the Weldon Cooper Center for Public Service as specified in this Item shall be reflected in			
23	each locality's annual budget for educational purposes as a separate revenue source for the			
24	current fiscal year.			
25	h. The appropriation for the Standards of Quality for Public Education (SOQ) includes			
26	amounts estimated at \$571,700,000 the first year and \$595,100,000 the second year from			
27	the amounts transferred to the general fund from the Public Education Standards of			
28	Quality/Local Real Estate Property Tax Relief Fund pursuant to Part 3 of this act which			
29	are derived from the 0.375 cent increase in the state sales and use tax levied pursuant to §			
30	58.1-638 , Code of Virginia. These additional funds are provided to local school divisions			
31	and local governments in order to relieve the financial pressure education programs place			
32	on local real estate taxes.			
33	i. From the total amounts in paragraph h. above, an amount estimated at \$381,200,000 the			
34	first year and \$396,700,000 the second year (approximately 1/4 cent of sales and use tax)			
35	is appropriated to support a portion of the cost of the state's share of the following			
36	revisions to the Standards of Quality pursuant to Chapters 939 & 955 of the Acts of			
37	Assembly of 2004: five elementary resource teachers per 1,000 students; one support and			
38	one instructional technology position per 1,000 students; a full daily planning period for			
39	teachers at the middle and high school levels in order to relieve the pressure on local real			
40	estate taxes and shall be taken into account by the governing body of the county, city, or			
41	town in setting real estate tax rates.			
42	j. From the total amounts in paragraph h. above, an amount estimated at \$190,600,000 the			
43	first year and \$198,400,000 the second year (approximately 1/8 cent of sales and use tax)			
44	is appropriated in this Item to distribute the remainder of the revenues collected and			
45	deposited into the Public Education Standards of Quality/Local Real Estate Property Tax			
46	Relief Fund on the basis of the latest yearly estimate of school age population provided by			
47	the Weldon Cooper Center for Public Service as specified in this Item.			
48	k. For the purposes of funding certain support positions in Basic Aid, a funding ratio			
49	methodology is used based upon 24 support positions per 1,000 ADM to funded SOQ			
50	instructional positions in the first year and in the second year. Such methodology shall not			
51	apply to the following SOQ support positions: division superintendent, school board			
52	members, pupil transportation positions, or specialized student support positions			
53	established in Chapter 454, 2021 Acts of Assembly, Special Session I.

23	9. At Risk Add-On			
24	a. Out of this appropriation, \$616,036,160 the first year and \$648,037,570 the second year			
25	from the general fund and \$225,180,150 the first year and \$192,396,464 the second year from			
26	the Lottery Proceeds Fund is provided to distribute the state share of funds for the At-Risk

30	English language learners.			
31	b. The At-Risk Program shall provide each school division the state share of an 11.0 percent			
32	basic-aid add-on per estimated At-Risk student. In addition, the program shall provide each			
33	school division the state share of a payment equal to a 0.0 to 37.0 percent basic-aid add-on per			
34	estimated At-Risk student, with each school division's add-on percentage determined based			
35	upon the school division's concentration of At-Risk students relative to all other school

40	intervention, or remediation activities required pursuant to Standard 1 (§ 22.1-253.13:1);			
41	teacher recruitment programs and incentives; targeted compensation adjustments to assist in			
42	recruiting and retaining experienced teachers in high poverty schools; Dropout Prevention;			
43	community and school-based truancy officer programs; Advancement Via Individual			
44	Determination (AVID); Project Discovery; programs for English language learners; the hiring			
45	of additional school counselors, testing coordinators, and licensed behavior analysts;			
46	programs relating to increasing the success of disadvantaged students in completing a high

48	programs designed to reduce chronic absenteeism.			
49	d. If the Board of Education has required a local school board to submit a corrective action			
50	plan pursuant to § 22.1-253.13:3, Code of Virginia, either for the school division pursuant to a			
51	division level review, or for any schools within its division that have been designated as not

1	school board has met its obligation to develop and submit such corrective action plan(s)			
2	and is making adequate and timely progress in implementing the plan(s). Additionally, if			
3	an academic or other review process undertaken pursuant to § 22.1-253.13:3, Code of			
4	Virginia, has identified actions for a local school board to implement, the Superintendent			
5	of Public Instruction shall determine and report to the Board of Education whether the			
6	local school board has implemented required actions. If the Superintendent certifies that a			
7	local school board has failed or refused to meet any of those obligations as referenced in a			
8	memorandum of understanding between the local school board and the Board of			
9	Education, the Board of Education shall withhold payment of some or all At-Risk Add-On			
10	funds otherwise allocated to the affected division pursuant to this allocation for the			
11	pending fiscal year. In determining the amount of At-Risk Add-On funds to be withheld,			
12	the Board of Education shall take into consideration the extent to which such funds have			
13	already been expended or contractually obligated. The local school board shall be given an			
14	opportunity to correct its failure and, if successful in a timely manner, may have some or			
15	all of its At-Risk Add-On funds restored at the Board of Education's discretion.			
16	10. Regional Alternative Education Programs			
17	a. An additional state payment of \$10,680,318 the first year and \$11,247,727 the second			
18	year from the Lottery Proceeds Fund shall be disbursed for Regional Alternative			
19	Education programs. Such programs shall be for the purpose of educating certain expelled			
20	students and, as appropriate, students who have received suspensions from public schools			
21	and students returned to the community from the Department of Juvenile Justice.			
22	b. Each regional program shall have a small student/staff ratio. Such staff shall include,			
23	but not be limited to education, mental health, health, and law enforcement professionals,			
24	who will collaborate to provide for the academic, psychological, and social needs of the			
25	students. Each program shall be designed to ensure that students make the transition back			
26	into the "mainstream" within their local school division.			
27	c.(i) Regional alternative education programs are funded through this Item based on the			
28	state's share of the incremental per pupil cost for providing such programs. This			
29	incremental per pupil payment shall be adjusted for the composite index of local ability-			
30	to-pay of the school division that counts such students attending such program in its			
31	March 31 Average Daily Membership. It is the intent of the General Assembly that this			
32	incremental per pupil amount be in addition to the basic aid per pupil funding provided to			
33	the affected school division for such students. Therefore, local school divisions are			
34	encouraged to provide the appropriate portion of the basic aid per pupil funding to the			
35	regional programs for students attending these programs, adjusted for costs incurred by the			
36	school division for transportation, administration, and any portion of the school day or			
37	school year that the student does not attend such program.			
38	(ii) In the event a school division does not use all of the student slots it is allocated under			
39	this program, the unused slots may be reallocated or transferred to another school division.			
40	(a) A school division must request from the Department of Education the availability and			
41	possible use of any unused student slots. If any unused slots are available and if the			
42	requesting school division chooses to utilize any of the unused slots, the requesting school			
43	division shall only receive the state's share of tuition for the unused slot that was allocated			
44	in this Item for the originally designated school division.			
45	(b) However, no requesting school division shall receive more tuition funding from the			
46	state for any requested unused slot than what would have been the calculated amount for			
47	the requesting school division had the unused slot been allocated to the requesting school			
48	division in the original budget. Furthermore, the requesting school division shall pay for			
49	any remaining tuition payment necessary for using a previously unused slot.			
50	(c) The Department of Education shall provide assistance for the state share of the			
51	incremental cost of Regional Alternative Education program operations based on the			
52	composite index of local ability-to-pay.			
53	d. Out of the appropriation included in paragraph C.38. of this item, \$549,105 the first			
54	year and \$1,113,010 the second year from the Lottery Proceeds Fund is provided for a			
55	compensation supplement payment equal to 3.0 percent of base pay on July 1, 2024, and

1	3.0 percent of base pay on July 1, 2025, for Regional Alternative Education Program			
2	instructional and support positions.			
3	e. In the second year, the Department of Education shall conduct a biennial application			
4	process to determine the slot allocation of the regional alternative education program for the			
5	subsequent biennium. Each school division, or the fiscal agent for each regional program,			
6	shall apply for the desired number of student slots from the statewide total number of slots			
7	funded in the state formula. The approved number of slots shall be set for both years of the			
8	biennium. The Department of Education shall prorate initial application requests if the initial			
9	application demand for slots exceeds the number of slots available. In each fiscal year, the			
10	Department of Education shall reallocate any unused student slots as prescribed in this item.			
11	11. Remedial Summer School			
12	a. This appropriation includes \$36,359,040 the first year and \$34,291,832 the second year			
13	from the general fund for the state's share of Remedial Summer School Programs. These			
14	funds are available to school divisions for the operation of programs designed to remediate			
15	students who are required to attend such programs during a summer school session or during			
16	an intersession in the case of year-round schools. These funds may be used in conjunction			
17	with other sources of state funding for remediation or intervention. School divisions shall			
18	have maximum flexibility with respect to the use of these funds and the types of remediation			
19	programs offered; however, in exercising this flexibility, students attending these programs			
20	shall not be charged tuition and no high school credit may be awarded to students who			
21	participate in this program.			
22	b. For school divisions charging students tuition for summer high school credit courses,			
23	consideration shall be given to students from households with extenuating financial			
24	circumstances who are repeating a class in order to graduate.			
25	12. K-3 Primary Class Size Reduction Payments			
26	a. An additional payment estimated at \$163,843,284 the first year and \$164,595,097 the			
27	second year from the Lottery Proceeds Fund shall be disbursed by the Department of			
28	Education as an incentive for reducing class sizes in the primary grades.			
29	b. The Department of Education shall calculate the payment based on the incremental cost of			
30	providing the lower class sizes based on the lower of the division average per pupil cost of all			
31	divisions or the actual division per pupil cost.			
32	c. Localities are required to provide a match for these funds based on the composite index of			
33	local ability-to-pay.			
34	d. By October 15 of each year school divisions must provide data to the Department of			
35	Education that each participating school has a September 30 pupil/teacher ratio in grades K			
36	through 3 that meet the following criteria:			
37	Qualifying School Percentage of	Grades K-3	Maximum Individual	
38	Students Approved			
39	Eligible for Free Lunch, Three-Year	School Ratio	K-3 Class Size	
40	Average			
41	30% but less than 45%	19 to 1	24	
42	45% but less than 55%	18 to 1	23	
43	55% but less than 65%	17 to 1	22	
44	65% but less than 70%	16 to 1	21	
45	70% but less than 75%	15 to 1	20	
46	75% or more	14 to 1	19	
47	e. School divisions may elect to have eligible schools participate at a higher ratio, or only in a			
48	portion of grades kindergarten through three, with a commensurate reduction of state and			
49	required local funds, if local conditions do not permit participation at the established ratio			
50	and/or maximum individual class size. In the event that a school division requires additional			
51	actions to ensure participation at the established ratio and/or maximum individual class size,			
52	such actions must be completed by December 1 of the impacted school year. Special

1	education teachers and instructional aides shall not be counted towards meeting these				
2	required pupil/teacher ratios in grades kindergarten through three.				
3	f. The Superintendent of Public Instruction may grant waivers to school divisions for the				
4	class size requirement in eligible schools that have only one class in an affected grade				
5	level in the school.				
6	13. Literary Fund Subsidy Program Payments				
7	a. The Department of Education and the Virginia Public School Authority (VPSA) shall				
8	provide a program of funding for school construction and renovation through the Literary				
9	Fund and through VPSA bond sales. Notwithstanding 8VAC-20-100, the program shall be				
10	used to provide funds, through Literary Fund loans and subsidies, and through VPSA bond				
11	sales, to fund a portion of the projects submitted by localities during the annual open				
12	enrollment process, or other critical projects that may receive priority as identified by the				
13	Board of Education. Interest rate subsidies will provide school divisions with the present				
14	value difference in debt service between a Literary Fund loan and a borrowing through the				
15	VPSA. To qualify for an interest rate subsidy, the school division's project must be				
16	eligible for a Literary Fund loan and shall be subject to the same restrictions. The VPSA				
17	shall work with the Department of Education in selecting those projects to be funded				
18	through the interest rate subsidy/bond financing program, so as to ensure the maximum				
19	leverage of Literary Fund moneys and a minimum impact on the VPSA Bond Pool.				
20	b. Notwithstanding §§ 22.1-146.1 through 22.1-153, Code of Virginia, and 8VAC-20-100,				
21	the Board of Education shall: 1) issue loans from the designated and uncommitted				
22	balances of the Literary Fund to the school boards of local school divisions that apply for				
23	such loans, authorized by the governing body and the school board, for the purposes of a)				
24	erecting, altering, or enlarging school buildings in local school divisions, or b) refinancing				
25	or redemption of negotiable notes, bonds, and other evidences of indebtedness or				
26	obligations incurred by a locality on behalf of a school division which has an application				
27	for a Literary Fund loan for an approved school project pending before the Board of				
28	Education; 2) establish a maximum Literary Fund loan amount per project of \$25.0				
29	million; 3) in consultation with the Department of Treasury, establish loan interest rates				
30	that are benchmarked to a market index on an annual basis for all tiers of localities and				
31	provide interest rates that are reasonably below such market index; 4) replace the existing				
32	First Priority and Second Priority waiting lists with an annual open enrollment process for				
33	loans, with priority based on the local composite index of ability-to-pay; and 5) offer a				
34	loan add-on not to exceed \$5.0 million per loan for projects that will result in school				
35	consolidation and the net reduction of at least one existing school. The Department of				
36	Education, in cooperation with the Department of the Treasury, shall provide an update on				
37	Literary Fund loan issuance to the Governor and the Chairs of the House Appropriations				
38	and Senate Finance and Appropriations Committees by October 1 each year. This report				
39	shall include detail of: 1) loan applications received in the prior fiscal year by locality,				
40	project, and amount; 2) loans issued in the prior fiscal year by locality, project, and				
41	amount; 3) the schedule of loan interest rates and the basis for those rates; 4) loans issued				
42	for school consolidation projects and the projected impact of those school consolidations;				
43	and 5) the impact of loans issued to date on the Literary Fund cash balance, outstanding				
44	loan balance, and projected asset base.				
45	c. The Board of Education may offer up to \$200,000,000 the first year and up to				
46	\$50,000,000 the second year from the Literary Fund in school construction loans, subject				
47	to the availability of funds. Amounts designated for school construction loans that are not				
48	obligated in the first year may be obligated in the second year. In addition, the Department				
49	of Education may offer Literary Fund loans from the uncommitted balances of the Literary				
50	Fund after meeting the obligations of the interest rate subsidy sales and the amounts set				
51	aside from the Literary Fund for Debt Service Payments for Education Technology and				
52	Security Equipment in this Item.

1 counties, and towns (localities) paid to the VPSA and (ii) the proceeds derived from the
 2 application of the provisions of § 15.2-2659, Code of Virginia, to such bonds of localities, is
 3 less than the debt service due on such bonds of the VPSA on such date, there is hereby
 4 appropriated to the VPSA, first, from available moneys of the Literary Fund and, second,
 5 from the general fund a sum equal to such deficiency.

6 2) The Commonwealth shall be subrogated to the VPSA to the extent of any such
 7 appropriation paid to the VPSA and shall be entitled to enforce the VPSA's remedies with
 8 respect to the defaulting locality and to full recovery of the amount of such deficiency,
 9 together with interest at the rate of the defaulting locality's bonds.

10 e. The chairman of the Board of Commissioners of the VPSA shall, on or before November 1
 11 of each year, make and deliver to the Governor and the Secretary of Finance a certificate
 12 setting forth his estimate of total debt service during each fiscal year of the biennium on
 13 bonds of the VPSA issued and projected to be issued during such biennium pursuant to the
 14 bond resolution referred to in paragraph a above. The Governor's budget submission each year
 15 shall include provisions for the payment of debt service pursuant to paragraph 1) above.

16 14. Educational Technology Payments

17 a. Any unobligated amounts transferred to the educational technology fund shall be disbursed
 18 on a pro rata basis to localities. The additional funds shall be used for technology needs
 19 identified in the division's technology plan approved by the Department of Education.

20 b. The Department of Education shall authorize estimated amounts as indicated in Table 1
 21 from the Literary Fund to provide debt service payments for the education technology grant
 22 program conducted through the Virginia Public School Authority in the referenced years.

31 c. It is the intent of the General Assembly to authorize sufficient Literary Fund revenues to
 32 pay debt service on the Virginia Public School Authority bonds or notes authorized for
 33 education technology grant programs. In developing the proposed 2026-2028, 2028-2030, and
 34 2030-2032 biennial budgets for public education, the Department of Education shall include a
 35 recommendation to the Governor to authorize sufficient Literary Fund revenues to make debt
 36 service payments for these programs in fiscal years 2027, 2028, 2029, 2030, and 2031.

37 d. 1) An education technology grant program shall be conducted through the Virginia Public
 38 School Authority, through the issuance of equipment notes in an amount estimated at
 39 \$56,054,800 in fiscal year 2025 and \$56,215,600 in fiscal year 2026. Proceeds of the notes
 40 will be used to establish a computer-based instructional and testing system for the Standards
 41 of Learning (SOL) and to develop the capability for high speed Internet connectivity at high
 42 schools followed by middle schools followed by elementary schools. School divisions shall
 43 use these funds first to develop and maintain the capability to support the administration of
 44 online SOL testing for all students with the exception of students with a documented need for
 45 a paper SOL test.

46 2) Grant funds from the issuance of \$56,054,800 in fiscal year 2025 and \$56,215,600 in fiscal
 47 year 2026 in equipment notes are based on a grant of \$26,000 per school and \$50,000 per
 48 school division. For purposes of this grant program, eligible schools shall include schools that
 49 are subject to state accreditation and reporting membership in grades K through 12 as of
 50 September 30, 2024, for the fiscal year 2025 issuance, and September 30, 2025, for the fiscal
 51 year 2026 issuance, as well as regional vocational centers, special education centers,
 52 alternative education centers, regular school year Governor's Schools, CodeRVA Regional
 53 High School, and the School for the Deaf and the Blind. Schools that serve only pre-

1	kindergarten students shall not be eligible for this grant.				
2	3. a.) Supplemental grants shall be allocated to eligible divisions to support schools that				
3	are not fully accredited in accordance with this paragraph. Schools that include a ninth				
4	grade that administer SOL tests in Spring 2024 and that are not fully accredited for the				
5	second consecutive year, based on school accreditation ratings in effect for fiscal year				
6	2024 and fiscal year 2025 will qualify to participate in the Virginia e-Learning Backpack				
7	Initiative in fiscal year 2025 and receive: (1) a supplemental grant of \$400 per student				
8	reported in ninth grade fall membership in a qualifying school for the purchase of a laptop				
9	or tablet for that student and (2) a supplemental grant of \$2,400 per qualifying school to				
10	purchase two content creation packages for teachers. Schools eligible to receive this				
11	supplemental grant in fiscal year 2025 shall continue to receive the grant for the number of				
12	subsequent years equaling the number of grades 9 through 12 in the qualifying school up				
13	to a maximum of four years. Schools that administer SOL tests in Spring 2025 and that are				
14	not fully accredited for the second consecutive year based on school accreditation ratings				
15	in effect for fiscal year 2025 and fiscal year 2026 will qualify to participate in the				
16	initiative in fiscal year 2026. Schools eligible for the supplemental grants in previous				
17	fiscal years shall continue to be eligible for the remaining years of their grant award.				
18	Schools eligible to receive this supplemental grant in fiscal year 2026 shall continue to				
19	receive the grant for the number of subsequent years equaling the number of grades 9				
20	through 12 in the qualifying school up to a maximum of four years. Grants awarded to				
21	qualifying schools that do not have grades 10, 11, or 12 may transition with the students to				
22	the primary receiving school for all years subsequent to grade 9. Schools are eligible to				
23	receive these grants for a period of up to four years and shall not be eligible to receive a				
24	separate award in the future once the original award period has concluded. Schools that				
25	are fully accredited or that are new schools with conditional accreditation in their first year				
26	shall not be eligible to receive this supplemental grant.				
27	b.) Supplemental grants allocated to school divisions for participation in the Virginia e-				
28	Learning Backpack Initiative prior to fiscal year 2017 shall be used in eligible schools for				
29	(1) the purchase of a laptop or tablet for a student reported in ninth grade fall membership,				
30	and (2) the purchase of two content creation packages for teachers per grant. The amounts				
31	for such grants shall remain unchanged.				
32	4) Required local match:				
33	a) Localities are required to provide a match for these funds equal to 20 percent of the				
34	grant amount, including the supplemental grants provided pursuant to paragraph g. 5). At				
35	least 25 percent of the local match, including the match for supplemental grants, shall be				
36	used for teacher training in the use of instructional technology, with the remainder spent				
37	on other required uses. The Superintendent of Public Instruction is authorized to reduce				
38	the required local match for school divisions with a composite index of local ability-to-pay				
39	below 0.2000. The Virginia School for the Deaf and the Blind is exempt from the match				
40	requirement.				
41	b) School divisions that administer 100 percent of SOL tests online in all elementary,				
42	middle, and high schools may use up to 75 percent of their required local match to				
43	purchase targeted technology-based interventions. Such interventions may include the				
44	necessary technology and software to support online learning, technology-based content				
45	systems, content management systems, technology equipment systems, information and				
46	data management systems, and other appropriate technologies that support the individual				
47	needs of learners. School divisions that receive supplemental grants pursuant to paragraph				
48	g.5) above shall use the funds in qualifying schools to purchase laptops and tablets for				
49	ninth grade students reported in fall membership and content creation packages for				
50	teachers.				
51	5) The goal of the education technology grant program is to improve the instructional,				
52	remedial, and testing capabilities of the Standards of Learning for local school divisions				
53	and to increase the number of schools achieving full accreditation.				
54	6) Funds shall be used in the following manner:				
55	a) Each division shall use funds to reach a goal, in each high school, of: (1) a 5-to-1				
56	student to computer ratio; (2) an Internet-ready local area network (LAN) capability; and

1	(3) high speed access to the Internet. School connectivity (computers, LANs and network				
2	access) shall include sufficient download/upload capability to ensure that each student will				
3	have adequate access to Internet-based instructional, remedial and assessment programs.				
4	b) When each high school in a division meets the goals established in paragraph a) above, the				
5	remaining funds shall be used to develop similar capability in first the middle schools and				
6	then the elementary schools.				
7	c) For purposes of establishing or enhancing a computer-based instructional program				
8	supporting the Standards of Learning pursuant to paragraph g. 1) above, these grant funds				
9	may be used to purchase handheld multifunctional computing devices that support a broad				
10	range of applications and that are controlled by operating systems providing full multimedia				
11	support and mobile Internet connectivity. School divisions that elect to use these grant funds				
12	to purchase such qualifying handheld devices must continue to meet the on-line testing				
13	requirements stated in paragraph g. 1) above.				
14	d) School divisions shall be eligible to receive supplemental grants pursuant to paragraph g.5)				
15	above. These supplemental grants shall be used in qualifying schools for the purchase of				
16	laptops and tablets for ninth grade students reported in fall membership and content creation				
17	packages for teachers. Participating school divisions will be required to select a core set of				
18	electronic textbooks, applications and online services for productivity, learning management,				
19	collaboration, practice, and assessment to be included on all devices. In addition, participating				
20	school divisions will assume recurring costs for electronic textbook purchases and				
21	maintenance.				
22	e) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school				
23	divisions became one school division, whether by consolidation of only the school divisions				
24	or by consolidation of the local governments, such resulting division shall be provided				
25	funding through this program on the basis of having the same number of school divisions as				
26	existed prior to September 30, 2000.				
27	7) Local school divisions shall maximize the use of available federal funds, including E-Rate				
28	Funds, and to the extent possible, use such funds to supplement the program and meet the				
29	goals of this program.				
30	e. The Department of Education shall maintain criteria to determine if high schools, middle				
31	schools, or elementary schools have the capacity to meet the goals of this initiative. The				
32	Department of Education shall be responsible for the project management of this program.				
33	f. 1) In the event that, on any scheduled payment date of bonds or notes of the Virginia Public				
34	School Authority (VPSA) issued for the purpose described in § 22.1-166.2, Code of Virginia,				
35	and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v), Code of				
36	Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary Fund are less				
37	than the amounts authorized for debt service due on such bonds or notes of the VPSA on such				
38	date, there is hereby appropriated to the VPSA from the general fund a sum equal to such				
39	deficiency.				
40	2) The Chairman of the Board of Commissioners of the VPSA shall, on or before November 1				
41	of each year, make and deliver to the Governor and the Secretary of Finance a certificate				
42	setting forth his estimate of total debt service during each fiscal year of the biennium on				
43	bonds and notes of the VPSA issued and projected to be issued during such biennium				
44	pursuant to the resolution referred to in paragraph 1) above. The Governor's budget				
45	submission each year shall include provisions for the payment of debt service pursuant to				
46	paragraph 1) above.				
47	g. Unobligated proceeds of the notes, including investment income derived from the proceeds				
48	of the notes may be used to pay interest on, or to decrease principal of the notes or to fund a				
49	portion of such other educational technology grants as authorized by the General Assembly.				
50	h. 1) For the purposes of § 56-232, Code of Virginia, "Contracts of Telephone Companies				
51	with State Government" and for the purposes of § 56-234 "Contracts for Service Rendered by				
52	a Telephone Company for the State Government" shall be deemed to include communications				
53	lines into public schools which are used for educational technology. The rate structure for				
54	such lines shall be negotiated by the Superintendent of Public Instruction and the Chief

 2 Superintendent and Director are authorized to encourage the development of "by-pass"
 3 infrastructure in localities where it fails to obtain competitive prices or prices consistent
 4 with the best rates obtained in other parts of the state.

5 2) The State Corporation Commission, in its consideration of the discount for services
 6 provided to elementary schools, secondary schools, and libraries and the universal service
 7 funding mechanisms as provided under § 254 of the Telecommunications Act of 1996, is
 8 hereby encouraged to make the discounts for intrastate services provided to elementary
 9 schools, secondary schools, and libraries for educational purposes as large as is prudently
 10 possible and to fund such discounts through the universal fund as provided in § 254 of the
 11 Telecommunications Act of 1996. The commission shall proceed as expeditiously as
 12 possible in implementing these discounts and the funding mechanism for intrastate
 13 services, consistent with the rules of the Federal Communications Commission aimed at
 14 the preservation and advancement of universal service.

15 15. Security Equipment Payments

16 1) A security equipment grant program shall be conducted through the Virginia Public
 17 School Authority, through the issuance of equipment notes in an amount estimated at up to
 18 \$12,000,000 in fiscal year 2025 and \$12,000,000 in fiscal year 2026 in conjunction with
 19 the Virginia Public School Authority technology notes program authorized in C.12. of this
 20 Item. Proceeds of the notes will be used to help offset the related costs associated with the
 21 purchase of appropriate security equipment that will improve and help ensure the safety of
 22 students attending public schools in Virginia.

23 2) The Department of Education shall authorize estimated amounts as indicated in Table 1
 24 from the Literary Fund to provide debt service payments for the security equipment grant
 25 programs conducted through the Virginia Public School Authority in the referenced years.

26 Table 1

34 3) It is the intent of the General Assembly to authorize sufficient Literary Fund revenues
 35 to pay debt service on the Virginia Public School Authority bonds or notes authorized for
 36 this program. In developing the proposed 2026-2028, 2028-2030, and 2030-2032 biennial
 37 budgets for public education, the Department of Education shall include a
 38 recommendation to the Governor to authorize sufficient Literary Fund revenues to make
 39 debt service payments for these programs in fiscal years 2027, 2028, 2029, 2030, and
 40 2031.

41 4) In the event that, on any scheduled payment date of bonds or notes of the Virginia
 42 Public School Authority issued for the purpose described in § 22.1-166.2, Code of
 43 Virginia, and not benefiting from the provisions of either § 22.1-168 (iii), (iv) and (v),
 44 Code of Virginia, or § 22.1-168.1, Code of Virginia, the available moneys in the Literary
 45 Fund are less than the amounts authorized for debt service due on such bonds or notes on
 46 such date, there is hereby appropriated to the Virginia Public School Authority from the
 47 general fund a sum equal to such deficiency.

48 5) The Chairman of the Board of Commissioners of the Virginia Public School Authority
 49 shall, on or before November 1 of each year, deliver to the Governor and the Secretary of
 50 Finance a certificate setting forth his estimate of total debt service during each fiscal year
 51 of the biennium on bonds and notes issued and projected to be issued during such
 52 biennium. The Governor's budget submission each year shall include provisions for the
 53 payment of debt service pursuant to paragraph 1) above.

1	6) Grant award funds from the issuance of up to \$12,000,000 in fiscal year 2025 and			
2	\$12,000,000 in fiscal year 2026 in equipment notes shall be distributed to eligible school			
3	divisions. The grant awards will be based on a competitive grant basis of up to \$250,000 per			
4	school division. School divisions will be permitted to apply annually for grant funding. For			
5	purposes of this program, eligible schools shall include schools that are subject to state			
6	accreditation and reporting membership in grades K through 12 as of September 30, 2024, for			
7	the fiscal year 2025 issuance, and September 30, 2025, for the fiscal year 2026 issuance, as			
8	well as regional vocational centers, special education centers, alternative education centers,			
9	regular school year Governor's Schools, and the Virginia School for the Deaf and the Blind.			
10	7) School divisions would submit their application to Department of Education by August 1			
11	of each year based on the criteria developed by the Department of Education in collaboration			
12	with the Department of Criminal Justice Services who will provide requested technical			
13	support. Furthermore, the Department of Education will have the authority to make such grant			
14	awards to such school divisions.			
15	8) It is also the intent of the General Assembly that, beginning with fiscal year 2020, the total			
16	amount of the grant awards shall not exceed \$60,000,000 over any ongoing revolving five			
17	year period.			
18	9) Required local match:			
19	a) Localities are required to provide a match for these funds equal to 25 percent of the grant			
20	amount. The Superintendent of Public Instruction is authorized to reduce the required local			
21	match for school divisions with a composite index of local ability-to-pay below 0.2000. The			
22	Virginia School for the Deaf and the Blind is exempt from the match requirement.			
23	b) Pursuant to § 15.2-1302, Code of Virginia, and in the event that two or more school			
24	divisions became one school division, whether by consolidation of only the school divisions			
25	or by consolidation of the local governments, such resulting division shall be provided			
26	funding through this program on the basis of having the same number of school divisions as			
27	existed prior to September 30, 2000.			
28	c) Local school divisions shall maximize the use of available federal funds, including E-Rate			
29	Funds, and to the extent possible, use such funds to supplement the program and meet the			
30	goals of this program.			
31	16. Early Reading Intervention Payments			
32	a. An additional payment of \$42,597,923 the first year and \$42,479,126 the second year from			
33	the Lottery Proceeds Fund shall be disbursed by the Department of Education to local school			
34	divisions for the purposes of providing early reading intervention services to students in			
35	grades kindergarten through 3 who demonstrate deficiencies based on their individual			
36	performance on diagnostic tests which have been approved by the Department of Education.			
37	The Department of Education shall review the tests of any local school board that requests			
38	authority to use a test other than the state-provided test to ensure that such local test uses			
39	criteria for the early diagnosis of reading deficiencies that are similar to those criteria used in			
40	the state-provided test. The Department of Education shall make the state-provided diagnostic			
41	test used in this program available to local school divisions. School divisions shall report the			
42	results of the diagnostic tests to the Department of Education on an annual basis at a time to			
43	be determined by the Superintendent of Public Instruction.			
44	b. These payments shall be based on the state's share of the cost of providing two and one-half			
45	hours of additional instruction each week for an estimated number of students in each school			
46	division at a student to teacher ratio of five to one. The estimated number of students in each			
47	school division in each year shall be determined by multiplying the projected number of			
48	students reported in each school division's fall membership in grades kindergarten, 1, 2, and 3			
49	by the percent of students who are determined to need services based on diagnostic tests			
50	administered in the most recent year that data is available in that school division.			
51	c. These payments are available to any school division that certifies to the Department of			
52	Education that an intervention program will be offered to such students and that each student			
53	who receives an intervention will be assessed again at the end of that school year. At the			
54	beginning of the school year, local school divisions shall partner with the parents of those

1	third grade students in the division who demonstrate reading deficiencies, discussing with			
2	them a developed plan for remediation and retesting. Such intervention programs, at the			
3	discretion of the local school division, may include, but not be limited to, the use of:			
4	special reading teachers; trained aides; full-time early literacy tutors; volunteer tutors			
5	under the supervision of a certified teacher; computer-based reading tutorial programs;			
6	aides to instruct in-class groups while the teacher provides direct instruction to the			
7	students who need extra assistance; or extended instructional time in the school day or			
8	year for these students. Localities receiving these payments are required to match these			
9	funds based on the composite index of local ability-to-pay.			
10	d. In the event that a school division does not use the diagnostic test provided by the			
11	Department of Education in the year that serves as the basis for updating the funding			
12	formula for this program but has used it in past years, the Department of Education shall			
13	use the most recent data available for the division for the state-provided diagnostic test.			
14	e. The results of all reading diagnostic tests and reading remediation shall be discussed			
15	with the student and the student's parent prior to the student being promoted to grade four.			
16	f. Funds appropriated for Standards of Quality Remedial Summer School or At-Risk Add-			
17	On may also be used to meet the requirements of this program.			
18	17. Standards of Learning Algebra Readiness Payments			
19	a. An additional payment of \$18,646,449 the first year and \$18,604,551 the second year			
20	from the Lottery Proceeds Fund shall be disbursed by the Department of Education to			
21	local school divisions for the purposes of providing math intervention services to students			
22	in grades 6, 7, 8 and 9 who are at-risk of failing the Algebra I end-of-course test, as			
23	demonstrated by their individual performance on diagnostic tests which have been			
24	approved by the Department of Education. These amounts reflect \$200,000 the first year			
25	and \$200,000 the second year apportioned to each school division to account for the cost			
26	of the diagnostic test. The Department of Education shall review the tests to ensure that			
27	such local test uses state-provided criteria for diagnosis of math deficiencies which are			
28	similar to those criteria used in the state-provided test. The Department of Education shall			
29	make the state-provided diagnostic test used in this program available to local school			
30	divisions. School divisions shall report the results of the diagnostic tests to the Department			
31	of Education on an annual basis at a time to be determined by the Superintendent of Public			
32	Instruction.			
33	b. These payments shall be based on the state's share of the cost of providing two and one-			
34	half hours of additional instruction each week for an estimated number of students in each			
35	school division at a student to teacher ratio of ten to one. The estimate number of students			
36	in each school division shall be determined by multiplying the projected number of			
37	students reported in each school division's fall membership by the percent of students that			
38	qualify for the federal Free Lunch Program.			
39	c. These payments are available to any school division that certifies to the Department of			
40	Education that an intervention program will be offered to such students and that each			
41	student who receives an intervention will be assessed again at the end of that school year.			
42	Localities receiving these payments are required to match these funds based on the			
43	composite index of local ability-to-pay.			
44	18. English Learner Teacher Payments			
45	A payment of \$165,982,653 the first year and \$170,304,480 the second year from the			
46	general fund shall be disbursed by the Department of Education to local school divisions			
47	to support the state's share of professional instructional positions for English Learner			
48	teachers. Local school divisions shall provide a local match based on the composite index			
49	of local ability-to-pay. The number of such English Learner teacher positions required			
50	pursuant to the Standards of Quality are as established below:			
51	EL Student Proficiency Level	SOQ Staffing Required

13	for the purpose of the state's share of the tuition rates for approved public Special Education

21	for educational services to children residing in local or regional detention homes shall only be				
22	determined on the basis of children detained in such facilities through a court order issued by				
23	a court of the Commonwealth. The selection and employment of instructional and				
24	administrative personnel under such agreements will be the responsibility of the local school				
25	board in accordance with procedures as prescribed by the local school board. State payments				
26	for the first year to the local school boards operating these programs will be based on certified				
27	expenditures from the fourth quarter of FY 2024 and the first three quarters of FY 2025. State

38	distributed on the basis of student enrollment in secondary vocational-technical courses. State				
39	funds received for secondary vocational-technical equipment must be used to supplement, not				
40	supplant, any funds currently provided for secondary vocational-technical equipment within

12	skills.				
13	27. Governor's School Payments				
14	a. Out of the amounts for Governor's School Payments, the Department of Education shall				
15	provide assistance for the state share of the incremental cost of regular school year Governor's				
16	Schools based on each participating locality's composite index of local ability-to-pay.				
17	Participating school divisions must certify that no tuition is assessed to students for				
18	participation in this program.				
19	b.1) Out of the amounts for Governor's School Payments, the Department of Education shall				
20	provide assistance for the state share of the incremental cost of summer residential Governor's				
21	Schools and Foreign Language Academies to be based on the greater of the state's share of the				
22	composite index of local ability-to-pay or 50 percent. Participating school divisions must				
23	certify that no tuition is assessed to students for participation in this program if they are				
24	enrolled in a public school.				
25	2) Out of the amounts for Governor's School Payments, \$41,000 the first year and \$41,000 the				
26	second year is provided to support the Hanover Regional Summer Governor's School for				
27	Career and Technical Advancement, which was established pursuant to Chapter 425, 2014				
28	Acts of Assembly, and Chapter 665, 2015 Acts of Assembly.				
29	c. For the Summer Governor's Schools and Foreign Language Academies programs, the				
30	Superintendent of Public Instruction is authorized to adjust the tuition rates, types of programs				
31	offered, length of programs, and the number of students enrolled in order to maintain costs				
32	within the available state and local funds for these programs.				
33	d. It shall be the policy of the Commonwealth that state general fund appropriations not be				
34	used for capital outlay, structural improvements, renovations, or fixed equipment costs				
35	associated with initiation of existing or proposed Governor's schools. State general fund				
36	appropriations may be used for the purchase of instructional equipment for such schools,				
37	subject to certification by the Superintendent of Public Instruction that at least an equal				
38	amount of funds has been committed by participating school divisions to such purchases.				
39	e. The Board of Education shall not take any action that would increase the state's share of				
40	costs associated with the Governor's Schools as set forth in this Item. This provision shall not				
41	prohibit the Department of Education from submitting requests for the increased costs of				
42	existing programs resulting from updates to student enrollment for school divisions currently				
43	participating in existing programs or for school divisions that begin participation in existing				
44	programs.				
45	f.1) Regular school year Governor's Schools are funded through this Item based on the state's				
46	share of the incremental per pupil cost for providing such programs for each student attending				
47	a Governor's School up to a cap of 1,800 students per Governor's School in the first year and a				
48	cap of 1,800 students per Governor's School in the second year. This incremental per pupil				
49	payment shall be adjusted for the composite index of the school division that counts such				
50	students attending an academic year Governor's School in their March 31 Average Daily				
51	Membership. It is the intent of the General Assembly that this incremental per pupil amount				
52	be in addition to the basic aid per pupil funding provided to the affected school division for				
53	such students. Therefore, local school divisions are encouraged to provide the appropriate

1	portion of the basic aid per pupil funding to the Governor's Schools for students attending			
2	these programs, adjusted for costs incurred by the school division for transportation,			
3	administration, and any portion of the day that the student does not attend a Governor's			
4	School.			
5	2) Students attending a revolving Academic Year Governor's School program for only one			
6	semester shall be counted as 0.50 of a full-time equivalent student and will be funded for			
7	only fifty percent of the full-year funded per pupil amount. Funding for students attending			
8	a revolving Academic Year program will be adjusted based upon actual September 30th			
9	and January 30th enrollment each fiscal year. For purposes of this Item, revolving			
10	programs shall mean Academic Year Governor's School programs that admit students on a			
11	semester basis.			
12	3) Students attending a continuous, non-revolving Academic Year Governor's School			
13	program shall be counted as a full-time equivalent student and will be funded for the full-			
14	year funded per pupil amount. Funding for students attending a continuous, non-revolving			
15	Academic Year Governor's School program will be adjusted based upon actual September			
16	30th student enrollment each fiscal year. For purposes of this Item, continuous, non-			
17	revolving programs shall mean Academic Year Governor's School programs that only			
18	admit students at the beginning of the school year. Fairfax County Public Schools shall not			
19	reduce local per pupil funding for the Thomas Jefferson Governor's School below the			
20	amounts appropriated for the 2003-2004 school year.			
21	g. All regional Governor's Schools are encouraged to provide full-day grades 9 through 12			
22	programs.			
23	h. Out of the appropriation included in paragraph C.38. of this item, \$818,874 the first			
24	year and \$1,699,942 the second year from the general fund is provided in the Academic			
25	Year Governor's School funding allocation to increase the per pupil amount as an add-on			
26	for a compensation supplement equal to 3.0 percent of base pay on July 1, 2024, and 3.0			
27	percent of base pay on July 1, 2025, for Academic Year Governor's School instructional			
28	and support positions.			
29	i. Each Academic Year Governor's School shall set diversity goals for its student body and			
30	faculty, develop a plan to meet said goals in collaboration with community partners at			
31	public meetings, and such goals and plan shall be published on the school's website. Each			
32	school shall submit a report to the Governor by October 1 of each year on its goals and			
33	status of implementing its plan, and such report shall be published on the school's website.			
34	The report shall include, but not be limited to the following: utilization of universal			
35	screenings in feeder divisions; admission processes in place or under consideration that			
36	promote access for historically underserved students; and outreach and communication			
37	efforts deployed to recruit historically underserved students. The report shall include the			
38	racial/ethnic make-up and socioeconomic diversity of its students, faculty, and applicants.			
39	28. School Nutrition Payments			
40	It is provided that, subject to implementation by the Superintendent of Public Instruction,			
41	no disbursement shall be made out of the appropriation for school nutrition to any locality			
42	in which the schools permit the sale of competitive foods in food service facilities or areas			
43	during the time of service of food funded pursuant to this Item.			
44	29. School Breakfast Payments			
45	a. Out of this appropriation, \$11,246,873 the first year and \$12,437,264 the second year			
46	from the Lottery Proceeds Fund is included to continue a state funded incentive program			
47	to maximize federal school nutrition revenues and increase student participation in the			
48	school breakfast program. These funds are available to any school division as a			
49	reimbursement for breakfast meals served that are in excess of the baseline established by			
50	the Department of Education. The per meal reimbursement shall be \$0.28; however, the			
51	department is authorized, but not required to reduce this amount proportionately in the			
52	event that the actual number of meals to be reimbursed exceeds the number on which this			
53	appropriation is based so that this appropriation is not exceeded.			
54	b. In order to receive these funds, school divisions must certify that these funds will be

1	used to supplement existing funds provided by the local governing body and that local funds			
2	derived from sources that are not generated by the school nutrition programs have not been			
3	reduced or eliminated. The funds shall be used to improve student participation in the school			
4	breakfast program. These efforts may include, but are not limited to, reducing the per meal			
5	price paid by students, reducing competitive food sales in order to improve the quality of			
6	nutritional offerings in schools, increasing access to the school breakfast program, or			
7	providing programs to increase parent and student knowledge of good nutritional practices. In			
8	no event shall these funds be used to reduce local tax revenues below the level appropriated to			
9	school nutrition programs in the prior year. Further, these funds must be provided to the			
10	school nutrition programs and may not be used for any other school purpose.			
11	c.1) Out of this appropriation, \$1,074,000 the first year and \$1,074,000 the second year from			
12	the general fund is provided to fund an After-the-Bell Model breakfast program available on a			
13	voluntary basis to elementary, middle, and high schools where student eligibility for free or			
14	reduced lunch exceeds 45.0 percent for the participating eligible school, and to provide			
15	additional reimbursement for eligible meals served in the current traditional school breakfast			
16	program at all grade levels in any participating school. The Department of Education is			
17	directed to ensure that only eligible schools receive reimbursement funding for participating			
18	in the After-the-Bell school breakfast model. The schools participating in the program shall			
19	evaluate the educational impact of the models implemented that provide school breakfasts to			
20	students after the first bell of the school day, based on the guidelines developed by the			
21	Department of Education and submit the required report to the Department of Education no			
22	later than August 31 each year.			
23	2) The Department of Education shall communicate, through Superintendent's Memo, to			
24	school divisions the types of breakfast serving models and the criteria that will meet the			
25	requirements for this State reimbursement, which may include, but are not limited to,			
26	breakfast in the classroom, grab and go breakfast, or a breakfast after first period. School			
27	divisions may determine the breakfast serving model that best applies to its students, so long			
28	as it occurs after the instructional day has begun. The Department of Education shall monthly			
29	transfer to each school division a reimbursement rate of \$0.05 per breakfast meal that meets			
30	either of the established criteria in elementary schools and a reimbursement rate of \$0.10 per			
31	breakfast meal that meets either of the established criteria in middle or high schools.			
32	3) No later than July 1 each year, the Department of Education shall provide for a breakfast			
33	program application process for school divisions with eligible schools, including guidelines			
34	regarding specified required data to be compiled from the prior school year or years and for			
35	the upcoming school year program. The number of approved applications shall be based on			
36	the estimated number of sites that can be accommodated within the approved funding level.			
37	The Department of Education shall set criteria for establishing priority should the number of			
38	applications from eligible schools exceed the approved funding level. The reporting			
39	requirements must include: chronic absenteeism rates, student attendance and tardy arrivals,			
40	office discipline referrals, student achievement measures, teachers' and administrators'			
41	responses to the impact of the program on student hunger, student attentiveness, and overall			
42	classroom learning environment before and after implementation, and the financial impact on			
43	the division's school food program. Funded schools that do not provide data by August 31 are			
44	subject to exclusion from funding in the following year. The Department of Education shall			
45	collect and compile the results of the breakfast program and shall submit the report to the			
46	Governor and the Chairs of the House Appropriations and Senate Finance and Appropriations			
47	Committees no later than November 1 following each school year.			
48	30. Clinical Faculty and Mentor Teacher Program Payments			
49	This appropriation includes \$1,000,000 the first year and \$1,000,000 the second year from the

52	into full-time teaching. This appropriation also includes \$318,750 the first year and \$318,750			
53	the second year from the general fund for Clinical Faculty programs to assist pre-service			
54	teachers and beginning teachers to make a successful transition into full-time teaching. Such			
55	programs shall include elements which are consistent with the following:			
56	a. An application process for localities and school/higher education partnerships that wish to

5	teachers, collaboration between the school division and institutions of higher education,				
6	the clinical faculty and mentor teacher assignment process, and a process for evaluation of				
7	the programs;				
8	d. The Department of Education shall allow flexibility to local school divisions and higher				
9	education institutions regarding compensation for clinical faculty and mentor teachers				
10	consistent with these elements of the programs; and				
11	e. It is the intent of the General Assembly that no preference between pre-service or				
12	beginning teacher programs be construed by the language in this Item. School divisions				
13	operating beginning teacher mentor programs shall receive equal consideration for				
14	funding.				
15	31. Career Switcher/Alternative Licensure Payments				
16	Appropriations in this Item include \$279,983 the first year and \$279,983 the second year

22	from the general fund to provide support grants to school divisions for standard diploma				
23	graduates. To provide flexibility, school divisions may use the state grants for the actual				
24	assessment or for other industry certification preparation and testing.				
25	33. Early Reading Specialists Initiative				
26	a. An additional payment of \$3,476,790 the first year and \$3,476,790 the second year from				
27	the general fund shall be disbursed by the Department of Education to qualifying local				
28	school divisions for the purpose of providing a reading specialist for schools with a third				
29	grade that rank lowest statewide on the reading Standards of Learning (SOL) assessments.				
30	Funding for a reading specialist during the 2024-2026 biennium shall be based on the				
31	results of the Spring 2023 reading SOL assessments. Such schools shall be eligible to				
32	receive the state share of funding for both years of the biennium. Following certification				
33	from a school division that it will not participate in the program, the Department is				
34	authorized to identify additional eligible schools based upon the list of schools that rank				
35	lowest on the Spring 2023 SOL reading assessment.				
36	b. These payments shall be based on the state's share of the cost of providing one reading				
37	specialist per qualifying school.				
38	c. These payments are available to any school division with a qualifying school that				
39	certifies to the Department of Education that the division has hired a reading specialist or				
40	reading coach to provide direct services to children reading below grade level in the				
41	school to improve reading achievement for the purpose of creating additional instructional

46	this Item to serve students at the qualifying school.				
47	d. These payments also are available to any school division with a qualifying school that				
48	certifies to the Department of Education that the division is supporting tuition for				
49	collegiate programs and instruction for currently employed instructional school personnel				
50	to earn the credentials necessary to meet licensure requirements to be endorsed as a				
51	reading specialist. Additionally, school divisions shall certify that the currently employed				
52	instructional school personnel whose tuition is supported pursuant to this program are in				
53	addition to the reading specialist positions funded through Basic Aid and required

2	e. School divisions receiving these payments are required to match these funds based on the			
3	composite index of local ability-to-pay.			
4	f. Within the fiscal year, any funds not awarded from this program may be awarded to eligible			
5	schools under the Math/Reading Instructional Specialist Initiative.			
6	34. Math/Reading Instructional Specialist Initiative			
7	a. Included in this appropriation is \$1,834,538 the first year and \$1,834,538 the second year			
8	from the general fund in additional payments for reading or math instructional specialists at			
9	underperforming schools. From this amount, the state share of one reading or math specialist			
10	shall be provided to local school divisions with schools which rank lowest statewide on the			
11	Spring Standards of Learning (SOL) math or reading assessment. Funding for one math or			
12	reading specialist during the 2024-2026 biennium shall be based on the results of the Spring

16	based upon the list of schools that rank lowest on the Spring 2023 SOL math or reading			
17	assessment.			
18	b. These payments are available to any school division with a qualifying school that certifies			
19	to the Department of Education that the division has (1) hired a math or reading instructional			
20	specialist, or (2) is supporting tuition for collegiate programs and instruction for currently			
21	employed instructional school personnel to earn the credentials necessary to meet licensure			
22	requirements to be endorsed as a math specialist or a reading specialist. Localities receiving			
23	these payments are required to match these funds based on the composite index of local

25	c. School divisions that elect to use funding to support tuition for collegiate programs and			
26	instruction for currently employed instructional school personnel pursuant to paragraph b.			
27	shall provide documentation of these costs to the Department of Education prior to receiving			
28	state funds. The Department of Education shall provide state funding for the lesser of the			
29	actual cost or the state share of a math or reading specialist position per eligible school for			
30	funds used in such a manner.			
31	d. The Department of Education is authorized to utilize available funding appropriated to the			
32	Early Reading Specialist Initiative contained in this Item to pay for instructional specialists at			
33	additional eligible schools, or to support tuition for collegiate programs and instruction for			
34	currently employed instructional school personnel at additional eligible schools to earn the			
35	credentials necessary to meet licensure requirements to be endorsed as an instructional			
36	specialist.			
37	e. Within the fiscal year, any funds not awarded from this program may be awarded to eligible			
38	schools under the Early Reading Specialists Initiative.			
39	f. The Department of Education may award prorated state funds for specialist positions filled			
40	after the beginning of the school year.			
41	35. Broadband Connectivity Capabilities			
42	By November 1 each year, school divisions shall report to the Department of Education the			
43	status of broadband connectivity capability of schools in the division on a form to be provided			
44	by the Department. Such report shall include school-level information on the method of			
45	Internet service delivery, the level of bandwidth capacity and the degree such capacity is			
46	sufficient for delivery of school-wide digital resources and instruction, degree of internet			
47	connectivity via Wi-Fi, cost information related to Internet connectivity, data security, and			
48	such other pertinent information as determined by the Department of Education. The			
49	Department shall provide a summary of the division responses in a report to be made			
50	available on its agency Web site.

1	\$276,361,284 the second year from the Lottery Proceeds Fund shall be disbursed by the			
2	Department of Education to local school divisions to support the state share of an			
3	estimated \$446.67 per pupil the first year and \$410.62 per pupil the second year in			
4	adjusted March 31 average daily membership. These per pupil amounts are subject to			
5	change for the purpose of payment to school divisions based on the actual March 31 ADM			
6	collected each year. These funds shall be matched by the local government, based on the			
7	composite index of local ability-to-pay. Further, in order to receive this funding, the			
8	locality in which the school division is located shall appropriate these funds solely for			
9	educational purposes and shall not use such funds to reduce total local operating			
10	expenditures for public education below the amount expended by the locality for such			
11	purposes in the year upon which the 2020-2022 biennial Standards of Quality expenditure			
12	data were based; provided however that no locality shall be required to maintain a per-			
13	pupil expenditure which is greater than the per pupil amount expended by the locality for			
14	such purposes in the year upon which the 2020-2022 biennial Standards of Quality			
15	expenditure data were based. The Department of Education is authorized each year to			
16	temporarily suspend Infrastructure and Operations Per Pupil Allocation payments made to			
17	school divisions from Lottery funds to ensure that any shortfall in Lottery revenue can be			
18	accounted for in the remaining Infrastructure and Operations Per Pupil Allocation			
19	payments to be made for the year.			
20	b. From the amounts listed above, funds are provided to ensure that small school divisions			
21	receive an Infrastructure and Operations payment of at least \$200,000 each year. Divisions			
22	receiving additional funds for a payment of at least \$200,000 shall only be required to			
23	provide the local match on the per pupil amount distributed in paragraph C.35.a.			
24	c. Of the amounts listed above, no more than 60 percent shall be used for recurring costs			
25	and at least 40 percent shall be spent on nonrecurring expenditures by the relevant school			
26	divisions. Nonrecurring costs shall include school construction, additions, infrastructure,			
27	site acquisition, renovations, school buses, technology, and other expenditures related to			
28	modernizing classroom equipment, and debt service payments on school projects			
29	completed or initiated during the last 10 years. The Department of Education shall			
30	consider such nonrecurring expenses by school divisions from local funds to be credited			
31	toward their required local match under this program.			
32	d. Any funds provided to school divisions that are unexpended as of June 30, 2025, and			
33	June 30, 2026, shall not revert to the Commonwealth but shall be carried on the books of			
34	the locality in local escrow accounts pursuant to § 22.1-175.5, to be appropriated to the			
35	school division for use for the same purpose.			
36	37. Special Education Endorsement Program			
37	a. Notwithstanding § 22.1-290.02, Code of Virginia, out of this appropriation, \$437,186			
38	the first year and \$437,186 the second year from the general fund is provided for			
39	traineeships and program operation grants that shall be awarded to public Virginia			
40	institutions of higher education to prepare persons who are employed in the public schools			
41	of Virginia, state operated programs, or regional special education centers as special			
42	educators with a provisional license and enrolled either part-time or full-time in programs			
43	for the education of children with disabilities. Applicants shall be graduates of a regionally			
44	accredited college or university.			
45	b. The award of such grants shall be made by the Department of Education, and the			
46	number of awards during any one year shall depend upon the amounts appropriated by the			
47	General Assembly for this purpose. The amount awarded for each traineeship shall be			
48	\$600 for a minimum of three semester hours of course work in areas required for the			
49	special education endorsement to be taken by the applicant during a single semester or			
50	summer session. Only one traineeship shall be awarded to a single applicant in a single			
51	semester or summer session.			
52	38. Compensation Supplement			
53	a. Out of this appropriation, \$178,149,562 the first year and \$361,023,394 the second year			
54	from the general fund is provided for the state share of the following salary increases and			
55	related fringe benefit costs:			

ITEM 125.	Item Details(\$)		Appropriations(\$)	
	First Year FY2025	Second Year FY2026	First Year FY2025	Second Year FY2026
1	1) For the first year, a 3.0 percent salary increase effective July 1, 2024, for funded SOQ			
2	instructional and support positions. Sufficient funds are appropriated in this act to finance, on			
3	a statewide basis, the state share of up to a 3.0 percent salary increase effective July 1, 2024,			
4	to school divisions that certify to the Department of Education that an equivalent increase will			
5	be provided to instructional and support personnel the first year. The state share of funding			
6	provided to a school division in support of this compensation supplement shall be prorated for			
7	school divisions that provide less than an average 3.0 percent salary increase the first year;			
8	however, to access these funds, a school division must provide at least an average 1.5 percent			
9	salary increase the first year.			
10	2) For the second year, an additional 3.0 percent salary increase effective July 1, 2025, for			
11	funded SOQ instructional and support positions. Sufficient funds are appropriated in this act			
12	to finance, on a statewide basis, the state share of up to an additional 3.0 percent salary			
13	increase effective July 1, 2025, to school divisions that certify to the Department of Education			
14	that an equivalent increase will be provided to instructional and support personnel the second			
15	year. The state share of funding provided to a school division in support of this compensation			
16	supplement shall be prorated for school divisions that provide less than an additional average			
17	3.0 percent salary increase the second year; however, to access these funds, a school division			
18	must provide at least an additional average 1.5 percent salary increase the second			
19	year. School divisions that provided an average increase in excess of 3.0 percent in the first			
20	year may credit the excess portion of the increase toward the second year for the purpose of			
21	accessing these funds in the second year.			
22	3) Payments in the second year to any school division shall be based on providing the funds			
23	needed to continue the first year increase actually provided by the division plus the increase			
24	provided by the division in the second year.			
25	b. Out of this appropriation, \$818,874 the first year and \$1,699,942 the second year from the			
26	general fund is provided for the state share of the salary increases stated in paragraph a. above			
27	for Academic Year Governor's Schools, and \$549,105 the first year and \$1,113,010 the			
28	second year from the Lottery Proceeds fund is provided for the state share of these salary			
29	increases for Regional Alternative Education Programs.			
30	c. It is the intent that the average instructional and support position salaries are increased in			
31	local school divisions throughout the state by at least 3.0 percent the first year, at least an			
32	additional 3.0 percent the second year, resulting in a combined increase of at least 6.09			
33	percent during the biennium.			
34	d. The state funds that the school division is eligible to receive shall be matched by the local			
35	government based on the composite index of local ability-to-pay. This local match shall be			
36	calculated for funded SOQ instructional and support positions using an effective date of July			
37	1, 2024, the first year and July 1, 2025, the second year. Local school divisions shall certify to			
38	the Department of Education that funds used as the local match are derived solely from local			
39	revenue sources.			
40	e. This funding is not intended as a mandate to increase salaries.			
41	39. School Meals Expansion			
42	Out of this appropriation, \$4,100,000 the first year and \$4,100,000 the second year from the			
43	general fund is provided for local school divisions to reduce or eliminate the cost of school			
44	breakfast and school lunch for students who are eligible for reduced price meals under the			
45	federal National School Lunch Program and School Breakfast Program. The Department of			
46	Education is authorized to reduce this amount proportionately so as not to exceed this			
47	appropriation.			
48	40. Alleghany County - Covington City School Division Consolidation Incentive			
49	Out of this appropriation, \$600,000 the first year from the general fund is provided as an			
50	incentive for the consolidation of the Alleghany County and Covington City school divisions.			
51	This incentive payment represent the fifth installment of five \$600,000 payments as			
52	recommended for this consolidation incentive through the methodology contained in the			
53	Study on School Division Joint Contracting Incentives (Report Document 548, 2016).			
54	41. Supplemental Support for Accomack and Northampton

1	Out of this appropriation, \$1,750,000 the first year and \$1,750,000 the second year from			
2	the Lottery Proceeds Fund shall be disbursed to provide support to Accomack and			
3	Northampton school divisions for teacher recruitment and retention efforts, including			
4	adjustments to salary scales to minimize the misalignment to salary scales of adjacent			
5	counties.			
6	42. School Construction Assistance Program.			
7	a. Out of this appropriation, \$80,000,000 the first year and \$80,000,000 the second year			
8	from the School Construction Fund is provided for the Board of Education to award grants			
9	on a competitive basis from the Fund to local school boards that demonstrate poor			
10	building conditions, commitment, and need in order for such local school boards to fund			
11	the construction, expansion, or modernization of public school buildings. Any unobligated			
12	balance for this program on June 30, each year shall be reappropriated for expenditure in			
13	the second year for the same purpose.			
14	b. The Board of Education shall develop guidelines for the administration of this program,			
15	which shall provide at a minimum that:			
16	1. Grants shall be provided only for projects that conform to the Department of			
17	Education's "Guidelines for School Facilities in Virginia's Public Schools," as amended.			
18	2. Grant awards shall be based on project costs, including planning, design, site			
19	acquisition and construction, the school division's local composite index, and the fiscal			
20	stress category as designated by the Virginia Commission on Local Government in its			
21	most recent "Report on Comparative Revenue Capacity, Revenue Effort, and Fiscal Stress			
22	of Virginia's Counties and Cities" for the locality that contains the school division, as			
23	follows:			
24	School Division		Grant Award Amount	
25	School divisions with a local composite index value		30 percent of project costs	
26	below .3000, or contained in a locality designated with			
27	high fiscal stress			
28	School divisions with a local composite index value at or		20 percent of project costs	
29	above .3000 and below .4000, or contained in a locality			
30	designated with above average fiscal stress			
31	All other school divisions		10 percent of project costs	
32	3. A minimum qualifying score shall be met for a project to qualify for a grant award			
33	based on Board-developed scoring criteria. The Board shall set such minimum score at a			
34	level to ensure funds are reserved for critical school construction projects. Such scoring			
35	criteria shall provide appropriate weight to the following categories for the award of			
36	grants:			
37	a.) Commitment, which may be demonstrated by factors such as: (i) an agreement by the			
38	local governing body to maintain or increase the percentage of local revenues dedicated to			
39	public education throughout the duration of the financing proposed for the project and (ii)			
40	the extent of project design and site acquisition for such project that has been completed			
41	prior to application of anticipated grant funds.			
42	b.) Need, which may consider factors such as: (i) the percentage of students in the local			
43	school division eligible to receive free price meals; (ii) the percentage of residents of the			
44	locality in which the local school division is located with incomes at or below the federal			
45	poverty guidelines established by the U.S. Department of Health and Human Services;			
46	(iii) the local composite index of local ability-to-pay for the local school division; (iv) debt			
47	capacity of the locality in which the school division is located; and (v) the most recent			
48	fiscal stress score of the locality that includes the local school division as designated by			
49	the Virginia Commission on Local Government.			
50	c.) Poor school building conditions, which may consider factors such as: (i) the condition

2	level of compliance of the existing facility with the Americans with Disabilities Act of 1990				
3	(42 U.S.C. § 12101 et seq.) and the facilities potential threat to the health or safety of building				
4	occupants; (ii) the school division maintenance reserve tool established pursuant to Chapter				
5	650 of the 2022 General Assembly; and (iii) the overall condition of other facilities within the				
6	school division.				
7	4. If qualifying grant award requests exceed the amount of funds available, grants shall be				
8	awarded based on ranked project scores, and shall not be prorated.				
9	5. The release of funds to grant awardees shall be reasonably aligned with the timing of				
10	incurred expenses.				
11	6. A specific project shall only receive one grant award. The total project cost eligible to				
12	receive a grant shall be up to \$100,000,000. Grant awards shall not be amended for any				
13	additional reasonable project costs after the Board awards a grant to a division.				
14	c. For the purpose of this program, "project costs" shall include reasonable project				
15	construction costs as defined by the Board, including planning, design, site acquisition and				
16	construction, and not to include financing costs, outdoor facilities predominantly used for				
17	extracurricular athletic activities, loose equipment, and furniture.				
18	d. The Board of Education shall submit an executive summary of the program, including				
19	details on projects funded each year and any necessary legislative or budget recommendations				
20	to improve the program, no later than December 1 of each year to the Chairs of the House				
21	Education Committee, Senate Education and Health Committee, House Appropriations				
22	Committee, and Senate Finance and Appropriations Committee.				
23	43. Supplemental General Fund Payment in Lieu of Sales Tax on Food and Personal Hygiene				
24	Products				
25	Out of this appropriation, \$272,500,000 the first year and \$273,600,000 the second year from				
26	the general fund shall be distributed to localities on the basis of the latest yearly estimate of				
27	school age population provided by the Weldon Cooper Center for Public Service as specified				
28	in this item for SOQ sales tax payments pursuant to § 58.1-611.1.C of the Code of Virginia.				
29	These funds represent the reduction of sales tax distributions to school divisions resulting				
30	from the exemption of the state sales and use tax on food for human consumption and				
31	essential personal hygiene products. These payments shall be applied in the same manner as				
32	sales tax payments to offset the state and local shares of basic aid and shall require no local				
33	match.

15	1. The Department of Education and the Department of Social Services shall determine				
16	the amount of nongeneral funds to be transferred to the Department of Social Services to				
17	address costs associated with administration of the Child Care and Development Fund				
18	each year.				
19	2. The Department of Education, in collaboration with the Department of Social Services,				
20	shall prepare an annual Child Care and Development Fund (CCDF) report that reflects all				
21	CCDF expenditures from the previous fiscal year, current grant balances and obligation				
22	and liquidation deadlines, as well as all anticipated spending for the current and two				
23	subsequent fiscal years. Identified spending should, at a minimum, be broken down by				
24	subsidies (mandated and discretionary), administrative costs, and quality efforts. The plan				
25	also shall include a certification from the Department that the maximum amount of federal				
26	funds were drawn down in the preceding fiscal year. Should the Department be unable to				
27	certify that maximum federal funds were drawn down, the Department shall identify				
28	strategies for Virginia to obtain the maximum amount of federal funds in the following				
29	fiscal year(s) as part of this plan. In addition, this plan should report, by locality, the				
30	number of subsidies (mandated and discretionary) provided, number of providers				
31	receiving CCDF dollars, the overall number of child care providers, and the waitlist for				
32	services. This information should be provided the previous fiscal year, current fiscal year,				
33	and two subsequent fiscal years. The plan shall also include an appendix with the most				
34	recently completed CCDF annual report as required by the federal Office of Child Care.				
35	The department shall submit the report by October 1 of each year to the Governor and the				
36	Chairs of the House Appropriations and Senate Finance and Appropriations Committees.				
37	In addition, the department shall post this report on its website along with any reports

39	3. Notwithstanding 8VAC-20-790, the Department of Education shall establish an annual				
40	target at the local level for the number of children that may be served by available funds

42	demand exceeds the targets.				
43	4. Family copayment rates for the 2024-2026 biennium shall not exceed those that were in

49	learning services for birth to five-year-old children. Programs must provide full-day or				
50	half-day services. The Department of Education is authorized to prorate payment for this				
51	program so as not to exceed available appropriation. Actual funding provided to the

2	agencies shall report to the Virginia Early Childhood Foundation on actual use of allocated			
3	slots, and any funds allocated but not used on the actual provision of early childhood services			
4	shall be returned to the Department of Education.			
5	a) The Department of Education shall establish academic standards that are in accordance			
6	with appropriate preparation for students to be ready to successfully enter kindergarten. These			
7	standards shall be established in such a manner as to be measurable for student achievement			
8	and success. Students shall be required to be evaluated in the fall and in the spring by each			
9	participating provider and grantees must certify that the Virginia Preschool Initiative			
10	standards are followed in order to receive the funding for quality preschool education and			
11	criteria for the service components. Such standards shall align with the Virginia Standards of			
12	Learning for Kindergarten.			
13	b) The Department of Education shall require and ensure that all participating classrooms			
14	have the quality of their teacher-child interactions assessed through a rigorous and research-			
15	based observation instrument in accordance with the statewide measurement and			
16	improvement system VQB5.			
17	c) Any locality that desires to participate in this grant program must submit a proposal each			
18	year to the Virginia Early Childhood Foundation. The application must be submitted by May			
19	15 to align with the Virginia Preschool Initiative timeline. Each application shall identify a			
20	lead agency for this program within the locality. The lead agency shall be responsible for			
21	developing a local plan for the delivery of quality preschool services to at-risk birth to five-			
22	year-old children in private settings that demonstrates the coordination of resources in an			
23	effort to serve the greatest number of at-risk children.			
24	d) The proposal must demonstrate: (i) coordination with all parties necessary for the			
25	successful delivery of comprehensive services, including schools, child care providers, local			
26	social services agencies, Head Start, local health departments, and other groups identified by			
27	the lead agency, (ii) a plan for supporting inclusive practices for children with identified			
28	special needs, (iii) a plan to transition the Mixed-Delivery local model into a sustainable			
29	program, and (iv) a mechanism for annually measuring and reporting unmet parental demand			
30	and preference, including establishing waitlists.			
31	e) Local plans must indicate the number of at-risk children to be served, and the eligibility			
32	criteria for participation in this program shall be consistent with the economic and educational			
33	risk factors stated in the current program guidelines that are specific to: (i) family income at			
34	or below 200 percent of federal poverty guidelines, (ii) homelessness, (iii) student's parents or			
35	guardians are school dropouts, or (iv) children with disabilities or delays who are eligible for			
36	special education services under the Individuals with Disabilities Education Act, regardless of			
37	household income. Up to 15 percent of slots may be filled based on locally established			
38	eligibility criteria so as to meet the unique needs of at-risk children in the community.			
39	Localities that can demonstrate that more than 15 percent of slots are needed to meet the			
40	needs of at-risk children in their community may apply for a waiver from the Superintendent			
41	of Public Instruction to use a larger percentage of their slots. Localities must demonstrate that			
42	increasing eligibility will enable the maximization of federal funds and will not have a			
43	negative impact on access for other individuals currently being served.			
44	f) Notwithstanding any provisions of § 22.1-299, Code of Virginia, and in order to achieve the			
45	priorities of the Joint Subcommittee on Early Childhood Care and Education for exploring the			
46	feasibility of and barriers to mixed delivery preschool systems in Virginia, recipients of a			
47	Mixed-Delivery Preschool grant shall be provided maximum flexibility within their respective			
48	local initiative in order to fully implement the associated goals and objectives of Mixed-			
49	Delivery Models. Recipients of a Mixed-Delivery Preschool grant and divisions participating			
50	in such grant activities shall be exempted from all regulatory and statutory provisions related			
51	to teacher licensure requirements and qualifications when paid by public funds within the			
52	confines of the Mixed-Delivery Preschool initiative.			
53	g) Children served by the Mixed-Delivery initiative shall be assigned student identification			
54	numbers as provided in § 22.1-287.03 B of the Code of Virginia to evaluate program			
55	outcomes and to permit comparison with Virginia Preschool Initiative outcomes.			
56	h) Mixed-Delivery providers shall provide information to the Department of Education as

1	necessary to fulfill the reporting requirement established.				
2	i) The Department of Education shall report to the Governor and the Chairs of the House				
3	Committee on Education and the Senate Committee on Education and Health by July 1,				
4	2025, on the efficacy of the Mixed-Delivery Initiative since the inception of the program				
5	and compare its outcomes relative to the Virginia Preschool Initiative and the Child Care				
6	Subsidy Program.				
7	2. Providers in the program may collect copayments from participating families. Such				
8	copayments shall be based on the same schedule provided for the Child Care Subsidy				
9	Program.				
10	3. Parental work and job search requirements shall be the same as required for the Child				
11	Care Subsidy Program.				
12	D. Virginia Preschool Initiative				
13	1.a. Funds shall be disbursed by the Department of Education to schools and community-				
14	based organizations to provide quality preschool programs for at-risk four-year-olds who				
15	are residents of Virginia and unserved by Head Start program funding and for at-risk five-				
16	year-olds who are not eligible to attend kindergarten, or who did not have access to a				
17	sufficient preschool experience and whose families request preschool as the most				
18	appropriate placement. Final Virginia Preschool Initiative placement decisions for eligible				
19	children shall be based on family and program leader input.				
20	b. These state funds and required local matching funds shall be used to provide programs				
21	for at-risk four-year-old children, which include quality preschool education, health				
22	services, social services, parental involvement and transportation. It shall be the policy of				
23	the Commonwealth that state funds and required local matching funds for the Virginia				
24	Preschool Initiative not be used for capital outlay, not be used to supplant any Head Start				
25	federal funds provided for local early education programs, and not be used until the local				
26	Head Start grantee certifies that all local Head Start slots are filled. Programs must provide				
27	full-day or half-day and, at least, school-year services.				
28	c. The Department of Education shall establish academic standards that are in accordance				
29	with appropriate preparation for students to be ready to successfully enter kindergarten.				
30	These standards shall be established in such a manner as to be measurable for student				
31	achievement and success. Students shall be required to be evaluated in the fall and in the				
32	spring by each participating school division and the school divisions must certify that the				
33	Virginia Preschool Initiative program follows the established standards in order to receive				
34	the funding for quality preschool education and criteria for the service components. Such				
35	standards shall align with the Virginia Standards of Learning for Kindergarten.				
36	d.(i) Grants shall be distributed based on an allocation formula providing the state share of				
37	a \$9,968 per pupil grant in the first year and a \$9,968 per pupil grant in the second year for				
38	100 percent of the unserved at-risk four-year-olds in each locality for a full-day program.				
39	Grants to half-day programs shall be funded based on the state share of \$4,984 in the first				
40	year and \$4,984 in the second year per unserved at-risk four-year-old in each locality.				
41	For Planning District Eight localities, grants shall be distributed based on an allocation				
42	formula providing the state share of a \$10,701 per pupil grant in the first year and a				
43	\$10,701 per pupil grant in the second year for 100 percent of the unserved at-risk four-				
44	year-olds in each locality for a full-day program; grants to half-day programs for these				
45	localities shall be funded based on the state share of \$5,351 in the first year and \$5,351 in				
46	the second year per unserved at-risk four-year-old in each locality.				
47	For the counties of Stafford, Fauquier, Spotsylvania, Clarke, Warren, Frederick, and				
48	Culpeper and the Cities of Fredericksburg and Winchester, grants shall be distributed				
49	based on an allocation formula providing the state share of a \$10,151 per pupil grant in the				
50	first year and a \$10,151 per pupil grant in the second year for 100 percent of the unserved				
51	at-risk four-year-olds in each locality for a full-day program; grants to half-day programs				
52	for these localities shall be funded based on the state share of \$5,076 in the first year and				
53	\$5,076 in the second year per unserved at-risk four-year-old in each locality.				
54	The number of unserved at-risk four-year-olds in each locality shall be based on the

1	projected number of kindergarten students, updated once each biennium for the Governor's			
2	introduced biennial budget. The Department of Education shall biennially rebenchmark the			
3	Virginia Preschool Initiative per pupil amounts using a formula similar to the current formula			
4	supporting public K-12 education in Virginia.			
5	For slots filled as of September 30 each year, grants shall be based on the state share of 100			
6	percent of the per pupil amount for a full-day or half-day program. For slots filled between			
7	October 1 and December 31 each year, grants shall be based on the state share of the per pupil			
8	amount for a full-day or half-day program prorated for the portion of the school year each			
9	child is served. Following the Department of Education's fall student record collection each			
10	year, the Department shall project the number of additional slots that may be filled between			
11	October 1 and December 31 each year. The Department of Education is authorized to prorate			
12	state funding for slots filled between October 1 and December 31 each year if demand			
13	exceeds available appropriation.			
14	(ii) VPI Expansion funds are provided to serve at-risk three-year-olds who are residents of			
15	Virginia and unserved by Head Start funding using criteria determined by the Department of			
16	Education and subject to available appropriation. Localities may apply to participate by May			
17	15 each year and shall be selected on a competitive basis. Localities shall be required to: (i)			
18	demonstrate broad stakeholder support, (ii) track outcomes for participating children, (iii)			
19	demonstrate how they will maximize federal and state funds to preserve existing birth to five			
20	slots, including certifying that all local Head Start slots are filled, (iv) support inclusive			
21	practices of children with identified special needs, and (v) collaborate among the school			
22	division, local department of social services, programs accepting child care subsidy payments,			
23	and providers for Head Start, private child care, and early childhood special education and			
24	early intervention programs. Localities that meet the following characteristics shall be			
25	prioritized for participation: (i) communities with limited child care options; (ii) programs			
26	serving children in private, mixed-delivery settings; or (iii) communities that demonstrate full			
27	support of public and private providers. Grants shall be distributed based on an allocation			
28	formula providing the state share of the per pupil amounts as provided for four-year old slots.			
29	(iii) Full-day programs shall operate for a minimum of five and one-half instructional hours,			
30	excluding breaks for meals, and half-day programs shall operate for a minimum of three hours			
31	of classroom instructional time per day, excluding breaks for lunch. Virginia Preschool			
32	Initiative programs may include unstructured recreational time that is intended to develop			
33	teamwork, social skills, and overall physical fitness in any calculation of total instructional			
34	time, provided that such unstructured recreational time does not exceed 15 percent of total			
35	instructional time or teaching hours. No additional state funding is provided for programs			
36	operating greater than three hours per day but less than five and one-half hours per day. In			
37	determining the state and local shares of funding, the composite index of local ability-to-pay			
38	is capped at 0.5000.			
39	(iv) For new programs in the first year of implementation only, programs operating less than a			
40	full school year shall receive state funds on a fractional basis determined by the pro-rata			
41	portion of a school year program provided. In determining the prorated state funds to be			
42	received, a school year shall be 180 days or 990 teaching hours.			
43	(v) To ensure children with special needs have equitable opportunity to enter kindergarten			
44	ready, all Virginia Preschool Initiative programs are expected to be inclusive of children with			
45	disabilities. Specifically, programs shall meet or exceed a target inclusion rate, such that 10			
46	percent of all children participating in the Virginia Preschool Initiative are children with			
47	disabilities, defined as those with an Individualized Education Plan, and are served in			
48	inclusive classrooms that include children who do not have an Individualized Education Plan.			
49	A program that is unable to meet this target shall provide reasons a 10 percent inclusion rate			
50	was not achieved in the given school year in its annual comprehensive report.			
51	2.a. Any locality that desires to participate in this grant program must submit a proposal			
52	through its chief administrator (county administrator or city manager) by May 15 of each			
53	year. The chief administrator, in conjunction with the school superintendent, shall identify a			
54	lead agency for this program within the locality. The lead agency shall be responsible for			
55	developing a local plan for the delivery of quality preschool services to at-risk children, which			
56	demonstrates the coordination of resources and the combination of funding streams in an			
57	effort to serve the greatest number of at-risk four-year-old children and, if applicable, to serve

1				
2	at-risk three-year-old children. The plan shall also include a mechanism for annually			
3	measuring and reporting unmet parental demand and preference, including establishing			
4	waitlists.			
5	b. The proposal must demonstrate coordination with all parties necessary for the			
6	successful delivery of comprehensive services, including the schools, child care providers,			
7	local social services agency, Head Start, local health department, and other groups			
8	identified by the lead agency. The proposal must identify which entities were consulted			
9	and how the locality will ensure that federal funds are preserved and maximized including			
10	demonstrating compliance with Title I of the federal Elementary and Secondary Education			
11	Act to ensure that a Local Educational Agency receiving Title I funding coordinates with			
12	Head Start programs and other early learning programs receiving federal funds by			
13	developing Memorandums of Understanding with such agencies to coordinate services.			
14	The proposal must also demonstrate a plan for supporting inclusive practices for children			
15	with identified special needs.			
16	c. A local match, based on the composite index of local ability-to-pay, shall be required.			
17	For purposes of meeting the local match, localities may use local expenditures for existing			
18	qualifying programs, however, at least fifty percent of the local match will be cash and no			
19	more than fifty percent will be in-kind. In-kind contributions are defined as cash outlays			
20	that are made by the locality that benefit the program but are not directly charged to the			
21	program. The value of fixed assets cannot be considered as an in-kind contribution.			
22	Philanthropic or other private funds may be contributed to the locality to be appropriated			
23	in their local budget and then utilized as local match. Localities shall also continue to			
24	pursue and coordinate other funding sources, including child care subsidies. Funds			
25	received through this program must be used to supplement, not supplant, any funds			
26	currently provided for programs within the locality. However, in the event a locality is			
27	unable to continue the previous level of support to programs for at-risk four-year-olds			
28	from Title I of the federal Elementary and Secondary Education Act (ESEA), the state and			
29	local funds provided in this grants program may be used to continue services to these Title			
30	I students. Such inability may occur due to adjustments to the allocation formula in the			
31	reauthorization of ESEA as the Every Student Succeeds Act of 2015, or due to a			
32	percentage reduction in a locality's Title I allocation in a particular year. Any locality so			
33	affected shall provide written evidence to the Superintendent of Public Instruction and			
34	request his approval to continue the services to Title I students.			
35	3. Local plans must provide clear methods of service coordination for the purpose of			
36	reducing the per child cost for the service, increasing the number of at-risk children served			
37	and/or extending services for the entire year.			
38	Examples of these include:			
39	a. "Wraparound Services" - methods for combining funds such as child care subsidy			
40	dollars administered by local social service agencies with dollars for quality preschool			
41	education programs.			
42	b. "Wrap-out Services" - methods for using grant funds to purchase quality preschool			
43	services to at-risk four-year-old children through an existing child care setting by			
44	purchasing comprehensive services within a setting which currently provides quality			
45	preschool education.			
46	c. "Expansion of Service" - methods for using grant funds to purchase slots within existing			
47	programs, such as Head Start, which provides comprehensive services to at-risk three- and			
48	four-year-old children.			
49	4. Local plans must indicate the number of at-risk four-year-old children to be served, and			
50	the eligibility criteria for participation in this program shall be consistent with the			
51	economic and educational risk factors stated in the current program guidelines that are			
52	specific to: (i) family income at or below 200 percent of federal poverty guidelines, (ii)			
53	homelessness, (iii) student's parents or guardians are school dropouts, or (iv) children with			
54	disabilities or delays who are eligible for special education services under the Individuals			
55	with Disabilities Education Act, regardless of household income. Up to 15 percent of a			
56	division's slots may be filled based on locally established eligibility criteria so as to meet			
	the unique needs of at-risk children in the community. If applicable, local plans must also

1	indicate the number of at-risk three-year-old children to be served using the same eligibility			
2	criteria listed above. Localities that can demonstrate that more than 15 percent of slots are			
3	needed to meet the needs of at-risk children in their community may apply for a waiver from			
4	the Superintendent of Public Instruction to use a larger percentage of their slots. Localities			
5	must demonstrate that increasing eligibility will enable the maximization of federal funds and			
6	will not have a negative impact on access for other individuals currently being served.			
7	5.a. The Department of Education shall provide technical assistance for the administration of			
8	this grant program to provide assistance to localities in developing a comprehensive,			
9	coordinated, quality preschool program that prepares all participants for kindergarten.			
10	b. The Department shall provide interested localities with information on models for service			
11	delivery, methods of coordinating funding streams, such as funds to match federal IV-A child			
12	care dollars, to maximize funding without supplanting existing sources of funding for the			
13	provision of services to at-risk three- and four-year-old children. A priority for technical			
14	assistance in the design of programs shall be given to localities where the majority of the at-			
15	risk three- and four-year-old population is currently unserved.			
16	6. VPI Expansion funds are provided to support Virginia Preschool Initiative slots to serve			
17	children on wait lists. In each year, unused grants distributed as provided in for four-year old			
18	slots shall be redistributed based on guidelines established by the Department of Education			
19	subject to the appropriation available for this purpose. Such guidelines shall provide the			
20	criteria used to redistribute grants and provide for the notification of grants redistribution to			
21	programs no later than July 1 of each year. The Department shall conduct this process			
22	annually, and the redistribution shall not affect the allocation formula for the subsequent year.			
23	7.a. VPI Expansion funds are provided to support an add-on grant per child for approximately			
24	2,000 children to incentivize mixed-delivery of services through private providers. These add-			
25	on grants are intended to provide funds to minimize the difference between the amount of the			
26	per-pupil grant allocation and the per-pupil cost to serve a child in a community-based or			
27	private provider setting. Recipients of the add-on grants will be encouraged to support			
28	classrooms that support inclusive practices of children with special needs. Localities shall			
29	indicate in their plans submitted pursuant to this Item how many of their Virginia Preschool			
30	Initiative slots will be provided in community-based or private provider settings to receive the			
31	add-on grant. Community-based providers that are recipients of Virginia Preschool Initiative			
32	grants shall be exempted from all regulatory and statutory provisions related to teacher			
33	licensure requirements and qualifications when paid by public funds within the confines of the			
34	Virginia Preschool Initiative community-add-on partnerships and provided that the provider			
35	meets the expectations of the statewide measurement and improvement system.			
36	b. The amount of these add-on grants for community-based providers shall be informed by the			
37	Department of Education's methodology to estimate the actual cost of providing high-quality			
38	early childhood education services in community-based settings. This is not intended as a			
39	mandate to increase the individual amounts of these add-on grants or to increase the state			
40	appropriation supporting these add-on grants. The amount of the add-on grant plus the			
41	Virginia Preschool Initiative per pupil amount shall not exceed prevailing child care market			
42	rates in a particular region and shall align with Child Care Subsidy Program rates. The			
43	Department of Education is authorized to prorate payments for these add-on grants so as not			
44	to exceed the available appropriation.			
45	8. VPI Expansion funds are provided to support increased Virginia Preschool Initiative			
46	teacher to student ratios and class sizes, as follows:			
47	a. Any classroom that exceeds benchmarks set by the Board of Education shall be staffed as			
48	follows: (i) one teacher shall be provided for any class of ten students or less; (ii) if the			
49	enrollment in any class exceeds ten students but does not exceed 20, a full-time teacher's aide			
50	shall be assigned to the class; and (iii) the maximum class size shall be 20 students.			
51	b. All other classrooms shall be staffed as follows: (i) one teacher shall be employed for any			
52	class of nine students or less; (ii) if the enrollment in any class exceeds nine students but does			
53	not exceed 18, a full-time teacher's aide shall be assigned to the class; and (iii) the maximum			
54	class size shall be 18 students.			
55	9.a. The Department of Education shall collect information from local Virginia Preschool

1	Initiative programs and from providers participating in the Virginia Early Childhood			
2	Foundation's Mixed-Delivery Preschool Initiative as needed to compile a comprehensive			
3	report on the usage of state funds detailing, but not limited to the number of calculated			
4	slots and funding allocated to each local program or provider, and the number of such			
5	slots that have been filled.			
6	b. Such comprehensive report shall be aggregated in a manner to identify: (i) funding and			
7	the number of slots used to serve a student in a public school and non-public school			
8	setting, (ii) the number of three-year olds served, (iii) waitlist slots requested, offered, and			
9	provided, (iv) the number of students served whose families are at or below 130 percent			
10	poverty, above 130 percent but at or below 200 percent of poverty, above 200 percent but			
11	at or below 350 percent of poverty, and above 350 percent of poverty.			
12	c. Such comprehensive report shall describe the Virginia Preschool Initiative programs'			
13	progress towards the target inclusion rate, such that 10 percent of all children enrolled in			
14	each program are children with disabilities, defined as those with an Individualized			
15	Education Plan. Virginia Preschool Initiative programs shall report the share of children			
16	with Individualized Education Plans in inclusive classrooms annually starting with the			
17	2020-2021 school year. If the program's current inclusion rate falls below 10 percent, the			
18	program shall provide reasons a 10 percent inclusion rate was not achieved in the given			
19	school year and what actions the program could implement to increase its rate of inclusion			
20	in the next year.			
21	d. The Department shall submit such comprehensive report to the Chairs of the House			
22	Appropriations and Senate Finance and Appropriations Committees no later than			
23	December 31 each year.			
24	e. The Department shall develop a plan for comprehensive public reporting on early			
25	childhood expenditures, outcomes, and program quality to replace this reporting			
26	requirement. Such plan and subsequent reports shall consider the components included in			
27	this reporting requirement, and include all publicly-funded providers as defined in Chapter			
28	860 and Chapter 861, 2020 Acts of Assembly. The plan shall identify any fiscal,			
29	legislative, or regulatory barriers to implementing such public reporting, and shall			
30	consider integration with the Department's School Quality Profiles. The Department of			
31	Education shall submit an update on implementation of the plan to the Chairs of the House			
32	Appropriations and Senate Finance and Appropriations Committees by December 1 each			
33	year. Once fully implemented, the Department of Education shall update and submit the			
34	report by December 1 of each year.			
35	G. Notwithstanding 8VAC-20-780, or any other requirement in state law or regulation, the			
36	Superintendent of Public Instruction shall have the authority to alter staff-to-child ratios			
37	and group sizes for licensed child day centers and child day centers that participate in the			
38	Child Care Subsidy Program or Mixed Delivery Grant Program by increasing the number			
39	of children per staff by (1) one child for groups of children from birth to the age of			
40	eligibility to attend public school, and (2) two children for groups of children from the age			
41	of eligibility to attend public school through 12 years. Child day centers that take			
42	advantage of this flexibility must notify families in writing of the temporary increase in			
43	ratios and group size. This authority and any resultant waiver of state law or regulation			
44	shall expire June 30, 2026. The Superintendent of Public Instruction shall ensure that any			
45	action taken under this provision is permissible under federal requirements.			
46	H. The Early Childhood Care and Education Commission shall review and recommend			
47	updates to the current copayment schedule, parental work requirements, and attendance			
48	expectations applicable to the Child Care Subsidy Program and Mixed Delivery Grant			
49	Program. In its review, the Commission shall consider: (i) leveraging state general funds			
50	to minimize the fiscal cliff as family income increases beyond program eligibility, (ii) use			
51	of reasonable family copayments to minimize the need for additional general funds. No			
52	later than December 1, 2024, the Commission shall submit its recommendations to the to			
53	the Governor and the Chairmen of the House Committee on Appropriations, the Senate			
54	Committee on Finance and Appropriations, the House Committee on Commerce and			
55	Energy, the Senate Committee on Commerce and Labor, the House Committee on

23	Virginia with one or more paid internships during their undergraduate course of study,

21	location in which their services were rendered, and (ii) an indicator specifying that the			
22	services were rendered in a free-standing emergency department.			
23	CC.1. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, the Department of			
24	Medical Assistance Services, in consultation with the Department of Behavioral Health			
25	and Developmental Services, shall amend the State Plan for Medical Assistance Services			
26	to modify the delivery system of pharmaceutical products to include a Preferred Drug List.			
27	In developing the modifications, the department shall consider input from physicians,			
28	pharmacists, pharmaceutical manufacturers, patient advocates, and others, as appropriate.			
29	2.a. The department shall utilize a Pharmacy and Therapeutics Committee to assist in the			
30	development and ongoing administration of the Preferred Drug List program. The			
31	Pharmacy and Therapeutics Committee shall be composed of 8 to 12 members, including			
32	the Commissioner, Department of Behavioral Health and Developmental Services, or his			
33	designee. Other members shall be selected or approved by the department. The			
34	membership shall include a ratio of physicians to pharmacists of 2:1 and the department			
35	shall ensure that at least one-half of the physicians and pharmacists are either direct			
36	providers or are employed with organizations that serve recipients for all segments of the			
37	Medicaid population. Physicians on the committee shall be licensed in Virginia, one of			
38	whom shall be a psychiatrist, and one of whom specializes in care for the aging.			
39	Pharmacists on the committee shall be licensed in Virginia, one of whom shall have			
40	clinical expertise in mental health drugs, and one of whom has clinical expertise in			
41	community-based mental health treatment. The Pharmacy and Therapeutics Committee			
42	shall recommend to the department (i) which therapeutic classes of drugs should be			
43	subject to the Preferred Drug List program and prior authorization requirements; (ii)			
44	specific drugs within each therapeutic class to be included on the preferred drug list; (iii)			
45	appropriate exclusions for medications, including atypical anti-psychotics, used for the			
46	treatment of serious mental illnesses such as bi-polar disorders, schizophrenia, and			
47	depression; (iv) appropriate exclusions for medications used for the treatment of brain			
48	disorders, cancer and HIV-related conditions; (v) appropriate exclusions for therapeutic			
49	classes in which there is only one drug in the therapeutic class or there is very low			
50	utilization, or for which it is not cost-effective to include in the Preferred Drug List			
51	program; and (vi) appropriate grandfather clauses when prior authorization would			
52	interfere with established complex drug regimens that have proven to be clinically			
53	effective. In developing and maintaining the preferred drug list, the cost effectiveness of			
54	any given drug shall be considered only after it is determined to be safe and clinically			
55	effective.			
56	b. The Pharmacy and Therapeutics Committee shall schedule meetings at least semi-			
57	annually and may meet at other times at the discretion of the chairperson and members. At			
58	the meetings, the Pharmacy and Therapeutics committee shall review any drug in a class			
59	subject to the Preferred Drug List that is newly approved by the Federal Food and Drug

1	Administration, provided there is at least thirty (30) days notice of such approval prior to the				
2	date of the quarterly meeting.				
3	3. The department shall establish a process for acting on the recommendations made by the				
4	Pharmacy and Therapeutics Committee, including documentation of any decisions which				
5	deviate from the recommendations of the committee.				
6	4. The Preferred Drug List program shall include provisions for (i) the dispensing of a 72-				
7	hour emergency supply of the prescribed drug when requested by a physician and a				
8	dispensing fee to be paid to the pharmacy for such supply; (ii) prior authorization decisions to				
9	be made within 24 hours and timely notification of the recipient and/or the prescribing				
10	physician of any delays or negative decisions; (iii) an expedited review process of denials by				
11	the department; and (iv) consumer and provider education, training and information regarding				
12	the Preferred Drug List prior to implementation, and ongoing communications to include				
13	computer access to information and multilingual material.				
14	5. The Preferred Drug List program shall generate savings as determined by the department				
15	that are net of any administrative expenses to implement and administer the program.				
16	6. Notwithstanding § 32.1-331.12 et seq., Code of Virginia, to implement these changes, the				
17	Department of Medical Assistance Services shall promulgate emergency regulations to				
18	become effective within 280 days or less from the enactment of this Act. With respect to such				
19	State Plan amendments and regulations, the provisions of § 32.1-331.12 et seq., Code of				
20	Virginia, shall not apply. In addition, the department shall work with the Department of				
21	Behavioral Health and Development Services to consider utilizing a Preferred Drug List				
22	program for its non-Medicaid clients.				
23	7. The Department of Medical Assistance Services shall (i) continually review utilization of				
24	behavioral health medications under the State Medicaid Program for Medicaid recipients; and				
25	(ii) ensure appropriate use of these medications according to federal Food and Drug				
26	Administration (FDA) approved indications and dosage levels. The department may also				
27	require retrospective clinical justification according to FDA approved indications and dosage				
28	levels for the use of multiple behavioral health drugs for a Medicaid patient. For individuals				
29	18 years of age and younger who are prescribed three or more behavioral health drugs, the				
30	department may implement clinical edits that target inefficient, ineffective, or potentially				
31	harmful prescribing patterns in accordance with FDA-approved indications and dosage levels.				
32	8. The Department of Medical Assistance Services shall ensure that in the process of				
33	developing the Preferred Drug List, the Pharmacy and Therapeutics Committee considers the				
34	value of including those prescription medications which improve drug regimen compliance,				
35	reduce medication errors, or decrease medication abuse through the use of medication				
36	delivery systems that include, but are not limited to, transdermal and injectable delivery				
37	systems.				
38	DD.1. The Department of Medical Assistance Services may amend the State Plan for Medical				
39	Assistance Services to modify the delivery system of pharmaceutical products to include a				
40	specialty drug program. In developing the modifications, the department shall consider input				
41	from physicians, pharmacists, pharmaceutical manufacturers, patient advocates, the Pharmacy				
42	Liaison Committee, and others as appropriate.				
43	2. In developing the specialty drug program to implement appropriate care management and				
44	control drug expenditures, the department shall contract with a vendor who will develop a				
45	methodology for the reimbursement and utilization through appropriate case management of				
46	specialty drugs and distribute the list of specialty drug rates, authorized drugs and utilization				
47	guidelines to medical and pharmacy providers in a timely manner prior to the implementation				
48	of the specialty drug program and publish the same on the department's website.				
49	3. In the event that the Department of Medical Assistance Services contracts with a vendor,				
50	the department shall establish the fee paid to any such contractor based on the reasonable cost				
51	of services provided. The department may not offer or pay directly or indirectly any material				
52	inducement, bonus, or other financial incentive to a program contractor based on the denial or				
53	administrative delay of medically appropriate prescription drug therapy, or on the decreased				
54	use of a particular drug or class of drugs, or a reduction in the proportion of beneficiaries who				
55	receive prescription drug therapy under the Medicaid program. Bonuses cannot be based on

		First Year FY2025	Second Year FY2026	First Year FY2025	Second Year FY2026
1	the percentage of cost savings generated under the benefit management of services.				
2	4. The department shall: (i) review, update and publish the list of authorized specialty				
3	drugs, utilization guidelines, and rates at least quarterly; (ii) implement and maintain a				
4	procedure to revise the list or modify specialty drug program utilization guidelines and				
5	rates, consistent with changes in the marketplace; and (iii) provide an administrative				
6	appeals procedure to allow dispensing or prescribing providers to contest the listed				
7	specialty drugs and rates.				
8	5. The department shall have authority to enact emergency regulations under § 2.2-4011 of				
9	the Administrative Process Act to effect these provisions.				
10	EE. In the event that the Department of Medical Assistance Services decides to contract				
11	for pharmaceutical benefit management services to administer, develop, manage, or				
12	implement Medicaid pharmacy benefits, the department shall establish the fee paid to any				
13	such contractor based on the reasonable cost of services provided. The department may				
14	not offer or pay directly or indirectly any material inducement, bonus, or other financial				
15	incentive to a program contractor based on the denial or administrative delay of medically				
16	appropriate prescription drug therapy, or on the decreased use of a particular drug or class				
17	of drugs, or a reduction in the proportion of beneficiaries who receive prescription drug				
18	therapy under the Medicaid program. Bonuses cannot be based on the percentage of cost				
19	savings generated under the benefit management of services.				
20	FF. The Department of Medical Assistance Services, in cooperation with the Department				
21	of Social Services' Division of Child Support Enforcement (DSCE), shall identify and				
22	report third party coverage where a medical support order has required a custodial or				
23	noncustodial parent to enroll a child in a health insurance plan. The Department of				
24	Medical Assistance Services shall also report to the DCSE third party information that has				
25	been identified through their third party identification processes for children handled by				
26	DCSE.				
27	GG.1. Notwithstanding the provisions of § 32.1-325.1:1, Code of Virginia, upon				
28	identifying that an overpayment for medical assistance services has been made to a				
29	provider, the Director, Department of Medical Assistance Services shall notify the				
30	provider of the amount of the overpayment. Such notification of overpayment shall be				
31	issued within the earlier of (i) four years after payment of the claim or other payment				
32	request, or (ii) four years after filing by the provider of the complete cost report as defined				
33	in the Department of Medical Assistance Services' regulations, or (iii) 15 months after				
34	filing by the provider of the final complete cost report as defined in the Department of				
35	Medical Assistance Services' regulations subsequent to sale of the facility or termination				
36	of the provider.				
37	2. Notwithstanding the provisions of § 32.1-325.1, Code of Virginia, the director shall				
38	issue an informal fact-finding conference decision concerning provider reimbursement in				
39	accordance with the State Plan for Medical Assistance, the provisions of § 2.2-4019, Code				
40	of Virginia, and applicable federal law. The informal fact-finding conference decision				
41	shall be issued within 180 days of the receipt of the appeal request, except as provided				
42	herein. If the agency does not render an informal fact-finding conference decision within				
43	180 days of the receipt of the appeal request or, in the case of a joint agreement to stay the				
44	appeal decision as detailed below, within the time remaining after the stay expires and the				
45	appeal timeframes resume, the decision is deemed to be in favor of the provider. An				
46	appeal of the director's informal fact-finding conference decision concerning provider				
47	reimbursement shall be heard in accordance with § 2.2-4020 of the Administrative Process				
48	Act (§ 2.2-4020 et seq.) and the State Plan for Medical Assistance provided for in § 32.1-				
49	325, Code of Virginia. The Department of Medical Assistance Services and the provider				
50	may jointly agree to stay the deadline for the informal appeal decision or for the formal				
51	appeal recommended decision of the Hearing Officer for a period of up to sixty (60) days				
52	to facilitate settlement discussions. If the parties reach a resolution as reflected by a				
53	written settlement agreement within the sixty-day period, then the stay shall be extended				
54	for such additional time as may be necessary for review and approval of the settlement				
55	agreement in accordance § 2.2-514 of the Code of Virginia. Once a final agency case				
56	decision has been made, the director shall undertake full recovery of such overpayment				
57	whether or not the provider disputes, in whole or in part, the informal fact-finding

2	of any overpayment shall accrue pursuant to § 32.1-313, Code of Virginia, from the date the			
3	Director's agency case decision becomes final.			
4	HH.1. Effective July 1, 2021, the Department of Medical Assistance Services shall amend the			
5	State Plan for Medical Assistance to revise per diem rates paid to psychiatric residential			
6	treatment facilities (PRTF) using the provider's audited cost per day from the facility's cost			
7	report for provider fiscal years ending in state fiscal year 2018. New Virginia-based			
8	residential psychiatric facilities must submit proforma cost report data, which will be used to			
9	set the initial per diem rate for up to two years. After this period, the department shall			
10	establish a per diem rate based on an audited cost report for a 12-month period within the first			
11	two years of operation. Providers that do not submit cost reports shall be paid at 75% of the			
12	established rate ceiling. If necessary to enroll out-of-state providers for network adequacy, the			
13	department shall negotiate rates. If there is sufficient utilization, the department may require			
14	out-of-state providers to submit a cost report to establish a per diem rate. In-state and out-of-			
15	state provider per diem rates shall be subject to a ceiling based on the statewide weighted			
16	average cost per day from fiscal year 2018 cost reports. The department shall have the			
17	authority to implement these changes effective July 1, 2021, and prior to the completion of			
18	any regulatory process undertaken in order to effect such change.			
19	2. The Department of Medical Assistance Services shall have the authority to establish			
20	rebasings of PRTF rates every three years. The first rebasing of rates shall take effect July 1,			
21	2023. All PRTF and Addiction and Rehabilitation Treatment Services (ARTS) providers who			
22	offer qualifying services under 12VAC30-70-418(C) shall be required to submit cost reports			
23	as a part of rebasing. Out of state providers with more than 1,500 paid days for Virginia			
24	Medicaid members in the most recently completed state fiscal year shall also be required to			
25	submit a cost report. A rate ceiling shall be established based on a statewide weighted average			
26	cost per day. Rate ceilings shall be established independently for PRTFs and participating			
27	ARTS residential services. The department shall have the authority to implement these			
28	changes effective July 1, 2022 and prior to the completion of any regulatory process to effect			
29	such change.			
30	3. DMAS shall also establish inflation increases for each non-rebasing fiscal year for both			
31	PRTF and qualifying ARTS providers. Inflation rates shall be tied to the Nursing Facility			
32	Moving Average as established by IHS Markit (or its successor). The most recent four			
33	quarters will be averaged to create the PRTF inflation rate. The department shall have the			
34	authority to implement these changes effective July 1, 2023, and prior to the completion of			
35	any regulatory process to effect such change.			
36	4. Effective July 1, 2022, the department shall adjust PRTF rates by 8.89% to account for			
37	inflation since the last audited cost report of fiscal year 2018. The rate ceiling shall increase to			
38	\$460.89 per day. The department shall have the authority to implement these changes			
39	effective July 1, 2022, and prior to the completion of any regulatory process to effect such			
40	change.			
41	5. The department shall revise reimbursement methodologies for PRTF rates to implement			
42	inflation increases for each fiscal year to be effective July 1, 2024. Inflation rates shall be tied			
43	to the Nursing Facility Moving Average as established by IHS Markit (or its successor). The			
44	most recent four quarters will be averaged to create the PRTF inflation rate. The department			
45	shall have the authority to implement these changes prior to the completion of any regulatory			
46	process to effect such change.			
47	II. Effective July 1, 2013, the Department of Medical Assistance Services shall establish a			
48	Medicaid Physician and Managed Care Liaison Committee including, but not limited to,			
49	representatives from the following organizations: the Virginia Academy of Family			
50	Physicians; the American Academy of Pediatricians – Virginia Chapter; the Virginia College			
51	of Emergency Physicians; the American College of Obstetrics and Gynecology – Virginia			
52	Section; Virginia Chapter, American College of Radiology; the Psychiatric Society of			
53	Virginia; the Virginia Medical Group Management Association; and the Medical Society of			
54	Virginia. The committee shall also include representatives from each of the department's			
55	contracted managed care organizations and a representative from the Virginia Association of			
56	Health Plans. The committee will work with the department to investigate the implementation			
57	of quality, cost-effective health care initiatives, to identify means to increase provider

1	participation in the Medicaid program, to remove administrative obstacles to quality, cost-				
2	effective patient care, and to address other matters as raised by the department or members				
3	of the committee. The committee shall establish an Emergency Department Care				
4	Coordination work group comprised of representatives from the committee, including the				
5	Virginia College of Emergency Physicians, the Medical Society of Virginia, the Virginia				
6	Hospital and Healthcare Association, the Virginia Academy of Family Physicians and the				
7	Virginia Association of Health Plans to review the following issues: (i) how to improve				
8	coordination of care across provider types of Medicaid "super utilizers"; (ii) the impact of				
9	primary care provider incentive funding on improved interoperability between hospital				
10	and provider systems; and (iii) methods for formalizing a statewide emergency department				
11	collaboration to improve care and treatment of Medicaid recipients and increase cost				
12	efficiency in the Medicaid program, including recognized best practices for emergency				
13	departments. The committee shall meet semi-annually, or more frequently if requested by				
14	the department or members of the committee. The department, in cooperation with the				
15	committee, shall report on the committee's activities annually to the Board of Medical				
16	Assistance Services and to the Chairmen of the House Appropriations and Senate Finance				
17	and Appropriations Committees and the Department of Planning and Budget no later than				
18	October 1 each year.				
19	JJ.1. The Department of Medical Assistance Services shall monitor the capacity available				
20	under the Upper Payment Limit (UPL) for all hospital supplemental payments and adjust				
21	payments accordingly when the UPL cap is reached. The department shall make an				
22	adjustment to stay under the UPL cap by reducing or eliminating as necessary				
23	supplemental payments to hospitals based on when the first supplemental payments were				
24	actually made so that the newest supplemental payments to hospitals would be impacted				
25	first and so on.				
26	2. The Department of Medical Assistance Services shall have the authority to implement				
27	reimbursement changes deemed necessary to meet the requirements of this paragraph prior				
28	to the completion of any regulatory process in order to effect such changes.				
29	KK. The Department of Medical Assistance Services shall submit a report annually on all				
30	supplemental payments made to hospitals through the Medicaid program. This report shall				
31	include information for each hospital and by type of supplemental payment				
32	(Disproportionate Share Hospital, Graduate Medical Education, Indirect Medical				
33	Education, Upper Payment Limit program, and others). The report shall include total				
34	Medicaid payments from all sources and calculate the percent of overall payments that are				
35	supplemental payments. Furthermore, it shall include a description of each type of				
36	supplemental payment and the methodology used to calculate the payments. Each report				
37	shall reflect the data for the prior three fiscal years and shall be submitted to the Chairmen				
38	of the House Appropriations and Senate Finance and Appropriations Committees by				
39	September 1 each year.				
40	LL. The Department of Medical Assistance Services shall have the authority to amend the				
41	state plan for medical assistance services and associated regulations to remove any				
42	obsolete provider supplemental payments that were authorized prior to July 1, 2021. This				
43	includes any supplemental payments that have no qualifying providers, have sunset or for				
44	which no payments have ever been made. The department shall have the authority to				
45	promulgate emergency regulations to implement these amendments within 280 days or				
46	less from the enactment of this Act.				
47	MM. The Department of Medical Assistance Service shall have the authority to amend the				
48	State Plan for Medical Assistance to implement a supplemental disproportionate share				
49	hospital (DSH) redistribution methodology for DSH funds that allows the redistribution of				
50	excess DSH payments to other eligible DSH hospitals that have not met their				
51	uncompensated care costs. This supplemental redistribution shall be budget neutral and				
52	not use state funds in excess of those already appropriated for DSH payments. The				
53	department shall have the authority to implement these changes prior to completion of any				
54	regulatory process undertaken in order to effect such change.				
55	NN. The Disproportionate Share Hospital (DSH) per diem for Type One hospitals shall be				
56	17 times the DSH per diem for Type Two hospitals. The department shall have the				
57	authority to implement these reimbursement changes effective July 1, 2014, and prior to

1	completion of any regulatory process in order to effect such changes.			
2	OO.1.a. There is hereby appropriated sum-sufficient nongeneral funds for the Department of			
3	Medical Assistance Services (DMAS) to pay the state share of supplemental payments for			
4	qualifying private hospital partners of Type One hospitals (consisting of state-owned teaching			
5	hospitals) as provided in the State Plan for Medical Assistance Services. Qualifying private			
6	hospitals shall consist of any hospital currently enrolled as a Virginia Medicaid provider and			
7	owned or operated by a private entity in which a Type One hospital has a non-majority			
8	interest. The supplemental payments shall be based upon the reimbursement methodology			
9	established for such payments in Attachments 4.19-A and 4.19-B of the State Plan for			
10	Medical Assistance Services. DMAS shall enter into a transfer agreement with any Type One			
11	hospital whose private hospital partner qualifies for such supplemental payments, under			
12	which the Type One hospital shall provide the state share in order to match federal Medicaid			
13	funds for the supplemental payments to the private hospital partner. The department shall			
14	have the authority to implement these reimbursement changes consistent with the effective			
15	date in the State Plan amendment approved by the Centers for Medicare and Medicaid			
16	Services (CMS) and prior to completion of any regulatory process in order to effect such			
17	changes.			
18	b. The department shall adjust capitation payments to Medicaid managed care organizations			
19	for the purpose of securing access to Medicaid hospital services for the qualifying private			
20	hospital partners of Type One hospitals (consisting of state-owned teaching hospitals). The			
21	department shall revise its contracts with managed care organizations to incorporate these			
22	supplemental capitation payments and provider payment requirements. DMAS shall enter into			
23	a transfer agreement with any Type One hospital whose private hospital partner qualifies for			
24	such supplemental payments, under which the Type One hospital shall provide the state share			
25	in order to match federal Medicaid funds for the supplemental payments to the private			
26	hospital partner. The department shall have the authority to implement these reimbursement			
27	changes consistent with the effective date approved by the Centers for Medicare and Medicaid			
28	Services (CMS). No payment shall be made without approval from CMS.			
29	2.a. The Department of Medical Assistance Services shall promulgate regulations to make			
30	supplemental payments to Medicaid physician providers with a medical school located in			
31	Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the			
32	supplemental payment shall be based on the difference between the average commercial rate			
33	approved by CMS and the payments otherwise made to physicians. The department shall have			
34	the authority to implement these reimbursement changes consistent with the effective date in			
35	the State Plan amendment approved by CMS and prior to completion of any regulatory			
36	process in order to effect such changes.			
37	b. The department shall increase payments to Medicaid managed care organizations for the			
38	purpose of securing access to Medicaid physician services in Eastern Virginia, through higher			
39	rates to physicians affiliated with a medical school located in Eastern Virginia that is a			
40	political subdivision of the Commonwealth subject to applicable limits. The department shall			
41	revise its contracts with managed care organizations to incorporate these supplemental			
42	capitation payments, and provider payment requirements, subject to approval by CMS. No			
43	payment shall be made without approval from CMS.			
44	c. Funding for the state share for these Medicaid payments is authorized in Item 171.			
45	3.a. The Department of Medical Assistance Services (DMAS) shall have the authority to			
46	amend the State Plan for Medical Assistance Services (State Plan) to implement a			
47	supplemental Medicaid payment for local government-owned nursing homes. The total			
48	supplemental Medicaid payment for local government-owned nursing homes shall be based			
49	on the difference between the Upper Payment Limit of 42 CFR §447.272 as approved by			
50	CMS and all other Medicaid payments subject to such limit made to such nursing homes.			
51	There is hereby appropriated sum-sufficient funds for DMAS to pay the state share of the			
52	supplemental Medicaid payment hereunder. However, DMAS shall not submit such State			
53	Plan amendment to CMS until it has entered into an intergovernmental agreement with			
54	eligible local government-owned nursing homes or the local government itself which requires			
55	them to transfer funds to DMAS for use as the state share for the supplemental Medicaid			
56	payment each nursing home is entitled to and to represent that each has the authority to			
57	transfer funds to DMAS and that the funds used will comply with federal law for use as the

2	home or the local government itself is unable to comply with the intergovernmental			
3	agreement, DMAS shall have the authority to modify the State Plan. The department shall			
4	have the authority to implement the reimbursement change consistent with the effective			
5	date in the State Plan amendment approved by CMS and prior to the completion of any			
6	regulatory process undertaken in order to effect such change.			
7	b. If by June 30, 2017, the Department of Medical Assistance Services has not secured			
8	approval from the Centers for Medicare and Medicaid Services to use a minimum fee			
9	schedule pursuant to 42 C.F.R. § 438.6(c)(1)(iii) for local government-owned nursing			
10	homes participating in Cardinal Care Managed Care (Cardinal Care) at the same level as			
11	and in lieu of the supplemental Medicaid payments authorized in Section OO.3.a., then			
12	DMAS shall: (i) exclude Medicaid recipients who elect to receive nursing home services			
13	in local government-owned nursing homes from Cardinal Care; (ii) pay for such excluded			
14	recipient's nursing home services on a fee-for-service basis, including the related			
15	supplemental Medicaid payments as authorized herein; and (iii) prohibit Cardinal Care			
16	contracted health plans from in any way limiting Medicaid recipients from electing to			
17	receive nursing home services from local government-owned nursing homes. The			
18	department may include in Cardinal Care Medicaid recipients who elect to receive nursing			
19	home services in local government-owned nursing homes in the future when it has secured			
20	federal CMS approval to use a minimum fee schedule as described above.			
21	4. The Department of Medical Assistance Services shall have the authority to amend the			
22	State Plan for Medical Assistance Services to implement a supplemental payment for			
23	clinic services furnished by the Virginia Department of Health (VDH) effective July 1,			
24	2015. The total supplemental Medicaid payment shall be based on the Upper Payment			
25	Limit approved by the Centers for Medicare and Medicaid Services and all other Medicaid			
26	payments. VDH may transfer general fund to the department from funds already			
27	appropriated to VDH to cover the non-federal share of the Medicaid payments. The			
28	department shall have the authority to implement the reimbursement change effective July			
29	1, 2015, and prior to the completion of any regulatory process undertaken in order to			
30	effect such changes.			
31	5. The Department of Medical Assistance Services shall amend the State Plan for Medical			
32	Assistance to increase the supplemental physician payments for physicians employed at a			
33	freestanding children's hospital serving children in Planning District 8 with more than 50			
34	percent Medicaid inpatient utilization in fiscal year 2014 to the maximum allowed by the			
35	Centers for Medicare and Medicaid Services within the limit of the appropriation provided			
36	for this purpose. The total supplemental Medicaid payment shall be based on the Upper			
37	Payment Limit approved by the Centers for Medicare and Medicaid Services and all other			
38	Virginia Medicaid fee-for-service payments. The department shall have the authority to			
39	implement these reimbursement changes effective July 1, 2016, and prior to the			
40	completion of any regulatory process undertaken in order to effect such change.			
41	6.a. The department shall amend the State plan for Medical Assistance to implement a			
42	supplemental inpatient and outpatient payment for Chesapeake Regional Hospital based			
43	on the difference between reimbursement with rates using an adjustment factor of 100%			
44	minus current authorized reimbursement subject to the inpatient and outpatient Upper			
45	Payment Limits for non-state governmental owned hospitals, and for managed care claims			
46	based on the difference between the amount included in the capitation rates for inpatient			
47	and outpatient services based on historical paid claims for non-state government hospitals			
48	and the maximum managed care directed payment supported by the department's			
49	calculations and allowed by CMS, subject to CMS approval under 42 C.F.R. section			
50	438.6(c). The department shall include in its contracts with managed care organizations a			
51	percentage increase for Chesapeake Regional Hospital consistent with the approved			
52	managed care directed percentage increase. The department shall adjust capitation			
53	payments to Medicaid managed care organizations to fund this percentage increase. Both			
54	the contract changes and capitation rate adjustments shall be compliant with 42 C.F.R.			
55	438.6(c)(1)(iii) and subject to CMS approval.			
56	b. The department shall also amend the State Plan for Medical Assistance to implement			
57	supplemental physician payments for practice plans employed by or under contract with			
58	Chesapeake Regional Hospital to the maximum allowed by the Centers for Medicare and

2	organizations for the purpose of providing higher rates to physicians employed by or under				
3	contract with Chesapeake Regional Hospital based on the maximum allowed by CMS. The				
4	department shall revise its contracts with managed care organizations to incorporate these				
5	managed care directed payments, subject to approval by CMS. The department shall have the				
6	authority to implement these reimbursement changes effective July 1, 2022, and prior to				
7	completion of any regulatory process undertaken in order to effect such change.				
8	c. Prior to submitting the State Plan Amendment or making the managed care contract				
9	changes, Chesapeake Regional Hospital shall enter into an agreement with the department to				
10	transfer the non-federal share for these payments. The department shall have the authority to				
11	implement these reimbursement changes consistent with the effective date(s) approved by the				
12	Centers for Medicare and Medicaid (CMS).				
13	7.a. There is hereby appropriated sum-sufficient nongeneral funds for the department to pay				
14	the state share of supplemental payments for nursing homes owned by Type One hospitals				
15	(consisting of state-owned teaching hospitals) as provided in the State Plan for Medical				
16	Assistance Services. The total supplemental payment shall be based on the difference between				
17	the Upper Payment Limit of 42 CFR § 447.272 as approved by CMS and all other Medicaid				
18	payments subject to such limit made to such nursing homes. DMAS shall enter into a transfer				
19	agreement with any Type One hospital whose nursing home qualifies for such supplemental				
20	payments, under which the Type One hospital shall provide the state share in order to match				
21	federal Medicaid funds for the supplemental payments. The department shall have the				
22	authority to implement these reimbursement changes consistent with the effective date in the				
23	State Plan amendment approved by CMS and prior to completion of any regulatory process in				
24	order to effect such changes.				
25	b. The department shall adjust capitation payments to Medicaid managed care organizations				
26	to fund a minimum fee schedule compliant with requirements in 42 C.F.R. § 438.6(c)(1)(iii)				
27	at a level consistent with the State Plan amendment authorized above for nursing homes				
28	owned by Type One hospitals. The department shall revise its contracts with managed care				
29	organizations to incorporate these supplemental capitation payments and provider payment				
30	requirements. DMAS shall enter into a transfer agreement with any Type One hospitals whose				
31	nursing home qualifies for such supplemental payments, under which the Type One hospital				
32	shall provide the state share in order to match federal Medicaid funds for the supplemental				
33	payments. The department shall have the authority to implement these reimbursement				
34	changes consistent with the effective date approved by CMS. No payment shall be made				
35	without approval from CMS.				
36	8. The department shall amend the State plan for Medical Assistance to implement a				
37	supplemental inpatient payment for Lake Taylor Transitional Care Hospital based on the				
38	difference between Medicaid reimbursement and the inpatient Upper Payment Limit for non-				
39	state government owned hospitals, and for managed care claims based on the difference				
40	between the amount included in the capitation rates for inpatient and outpatient services based				
41	on historical paid claims for non-state government hospitals and the maximum managed care				
42	directed payment supported by the department's calculations and allowed by CMS, subject to				
43	CMS approval under 42 C.F.R. section 438.6(c). The department shall include in its contracts				
44	with managed care organizations a percentage increase for Lake Taylor Transitional Care				
45	Hospital consistent with the approved managed care directed fee for service supplemental				
46	payment percentage increase. The department shall adjust capitation payments to Medicaid				
47	managed care organizations to fund this percentage increase. Both the contract changes and				
48	capitation rate adjustments shall be compliant with 42 C.F.R. 438.6(c)(1)(iii) and subject to				
49	CMS approval. Prior to submitting the State Plan Amendment or making the managed care				
50	contract changes, Lake Taylor Transitional Care Hospital shall enter into an agreement with				
51	the department to transfer the non-federal share for these payments. The department shall				
52	have the authority to implement these reimbursement changes consistent with the effective				
53	date(s) approved by the Centers for Medicare and Medicaid (CMS). The originating funding				
54	for this program will come entirely from Lake Taylor.				
55	9.a. The Department of Medical Assistance Services shall develop a State Plan for Medical				
56	Assistance amendment to make supplemental payments to private hospitals and related health				
57	systems who intend to execute affiliation agreements with public entities that are capable of				
58	transferring funds to the department for purposes of covering the non-federal share of the

2	education, local governments, and instrumentalities of local government are public entities			
3	that are authorized to transfer funds to the department for purposes of covering the non-			
4	federal share of the authorized payments. Such public entities would enter into an			
5	Interagency Agreement with the department for this purpose. The department shall			
6	develop a plan, that could take effect July 1, 2023, for making managed care directed			
7	payments or supplemental payments as follows: Physician fee-for-service (FFS)			
8	supplemental payments through a state plan amendment and physician managed care			
9	directed payments through managed care contracts up to the Average Commercial Rate			
10	for practice plans that are a component of the participating hospitals or health system. The			
11	plan shall identify the public entity who will transfer funds to the department, the amount			
12	and duration of such transfers, the purpose and amount of any supplemental payment or			
13	managed care direct payments made to private hospitals and related health systems, and			
14	the impact, if any, on other supplemental payment programs currently in effect. The plan			
15	shall also include the appropriate references that provide authority for such payments.			
16	b. The department shall have the authority to amend the State Plan for Medical Assistance			
17	and managed care contracts to make supplemental payments and managed care directed			
18	payments to private hospitals for physician services effective July 1, 2024.			
19	Reimbursement changes shall be effective prior to completion of any regulatory process in			
20	order to effect such changes. No payment shall be made without approval from CMS and			
21	an Interagency Agreement with a public entity capable of transferring the non-federal			
22	share of authorized payments to the department. The funds to be transferred must comply			
23	with 42 CFR 433.51 and 433.54. Such funds may not be paid from any private agreements			
24	with public entities that are in excess of fair market value or that alleviate pre-existing			
25	financial burdens of such public entities. Public entities are authorized to use general fund			
26	dollars to accomplish this transfer. As part of the Interagency Agreements the department			
27	shall require the public entities to attest to compliance with applicable CMS criteria. The			
28	department shall also require any private hospital and related health systems receiving			
29	payments under this Item to attest to compliance with applicable CMS criteria. Upon			
30	notification by the Department of any deferral or disallowance issued by CMS regarding			
31	the supplemental or managed care directed payment arrangement, the hospital provider			
32	will return the entire balance of the payment to the Department within 30 days of			
33	notification. If the hospital does not return the entire balance of the payment to the			
34	Department within the specified timeframe, a judgement rate of interest set forth in Title			
35	6.2-302 will be applied to the entire balance, regardless of whatever portion has been			
36	repaid. In addition, the non-federal share of the agency's administrative costs directly			
37	related to administration of the programs authorized in this paragraph, including staff and			
38	contractors, shall be funded by participating public entities. These funds shall be deposited			
39	into a special fund created by the Comptroller and used to support the administrative costs			
40	associated with managing this program. Any funds received for this purpose but			
41	unexpended at the end of the fiscal year shall remain in the fund for use in accordance			
42	with this provision.			
43	c. The purposes to which the additional payments authorized in paragraph OO.9.b. of this			
44	Item shall be applied include: (i) increasing and enhancing access to outpatient care for			
45	Medicaid recipients; (ii) stabilizing and supporting critical healthcare workforce needs;			
46	and (iii) advancing the department's health and quality improvement goals; these shall			
47	contain specific measurable outcomes that will be approved, and monitored by the			
48	Department quarterly. Payment shall be dependent on progress towards goal attainment on			
49	all three purposes. Participating organizations must submit quarterly updates and annual			
50	reports on programs no later than October 1. The department, with the assistance of the			
51	participating organizations, shall report to the Chairs of the House Appropriations and			
52	Senate Finance and Appropriations Committees by December 1 of each year on the impact			
53	of this initiative.			
54	10. The Department of Medical Assistance Services shall have the authority to amend the			
55	State Plan for Medical Assistance to make supplemental payments through an adjustment			
56	to the formula for indirect medical education (IME) reimbursement, using managed care			
57	discharge days, for an acute care hospital chain with a level one trauma center in the			
58	Tidewater Metropolitan Statistical Area (MSA) in 2020, upon the execution of affiliation			
59	agreements with public entities that are capable of transferring funds to the department for			
60	purposes of covering the non-federal share of the authorized payments. Such public

2	Public entities are authorized to use general fund dollars to accomplish this transfer. The			
3	funds to be transferred must comply with 42 CFR 433.51 and 433.54. As part of the			
4	Interagency Agreements the department shall require the public entities to attest to			
5	compliance with applicable CMS criteria. The department shall also require any private			
6	hospital and related health systems receiving payments under this Item to attest to compliance			
7	with applicable CMS criteria. The department shall have the authority to implement these			
8	changes prior to completion of any regulatory process undertaken in order to effect such			
9	change.			
10	11. The Department of Medical Assistance Services shall periodically assess the quality			
11	measures that are submitted to the Centers for Medicare and Medicaid Services for			
12	supplemental payments to ensure that appropriate quality measures are being included for			
13	supplemental payments such that the additional funding is improving the Medicaid program's			
14	quality and delivery of health care services. The department shall report on quality measures			
15	and outcomes for the programs to the Joint Subcommittee for Health and Human Resources			
16	Oversight no later than November 15, 2024.			
17	PP.1. Effective July 1, 2017, the Department of Medical Assistance Services shall amend the			
18	State Plan for Medical Assistance to increase the formula for indirect medical education			
19	(IME) for freestanding children's hospitals with greater than 50 percent Medicaid utilization			
20	in 2009 as a substitute for disproportionate share hospital (DSH) payments. The formula for			
21	these hospitals for IME for inpatient hospital services provided to Medicaid patients but			
22	reimbursed by capitated managed care providers shall be identical to the formula for Type			
23	One hospitals. The IME payments shall continue to be limited such that total payments to			
24	freestanding children's hospitals with greater than 50 percent Medicaid utilization do not			
25	exceed the federal uncompensated care cost limit to which DSH payments are subject,			
26	excluding third party reimbursement for Medicaid eligible patients. The department shall have			
27	the authority to implement these changes effective July 1, 2017, and prior to completion of			
28	any regulatory action to effect such changes.			
29	2. The Department of Medical Assistance Services (DMAS) shall have the authority to create			
30	additional hospital supplemental payments for freestanding children's hospitals with greater			
31	than 50 percent Medicaid utilization in 2009 to replace payments that have been reduced due			
32	to the federal regulation on the definition of uncompensated care costs effective June 2, 2017.			
33	Effective July 1, 2024, these new payments shall equal the greater of what would have been			
34	paid to the freestanding children's hospitals under the current disproportionate share hospital			
35	(DSH) formula or \$16,000,000 annually, the average DSH that CHKD was due by formula			
36	prior to Medicaid expansion without regard to the uncompensated care cost limit. These			
37	additional hospital supplemental payments shall take precedence over supplemental payments			
38	for private acute care hospitals. If the federal regulation is voided, DMAS shall continue DSH			
39	payments to the impacted hospitals and adjust the additional hospital supplemental payments			
40	authorized in this paragraph accordingly. The department shall have the authority to			
41	implement these changes prior to completion of any regulatory process undertaken in order to			
42	effectuate such change.			
43	QQ. The Department of Medical Assistance Services shall have the authority to amend the			
44	State Plan for Medical Assistance to adjust the formula for indirect medical education (IME)			
45	reimbursement for managed care discharges for freestanding children's hospitals with greater			
46	than 50 percent Medicaid utilization in 2009 by increasing the case mix adjustment factor to			
47	the greater of 3.2962 or the most recent rebasing. Total payments for IME in combination			
48	with other payments for freestanding children's hospitals with greater than 50 percent			
49	Medicaid utilization in 2009 may not exceed the hospital's Medicaid costs. The department			
50	shall have the authority to implement these changes prior to completion of any regulatory			
51	process undertaken in order to effect such change.			
52	RR. The Department of Medical Assistance Services shall implement managed care directed			
53	payments for physician services for practice plans affiliated with a freestanding children's			
54	hospital with more than 50 percent Medicaid utilization in fiscal year 2009 for \$11,050,000			
55	annually but not to exceed the average commercial rate. The department shall have the			
56	authority to implement this reimbursement change effective July 1, 2023, and prior to the			
57	completion of any regulatory process undertaken in order to effect such changes. The agency			
58	shall implement this by determining at the beginning of each year the percent of Medicaid that

2	SS. The Department of Medical Assistance Services shall amend the State Plan for				
3	Medical Assistance to implement a supplemental disproportionate share hospital (DSH)				
4	payment for Chesapeake Regional Hospital up to its hospital-specific disproportionate				
5	share hospital limit (OBRA '93 DSH limit) as determined pursuant to 42 U.S.C. Section				
6	1396r-4. The payment shall be made annually based upon the hospital's disproportionate				
7	share limit for the most recent year for which the disproportionate share limit has been				
8	calculated subject to the availability of DSH funds under the federal allotment of such				
9	funds to the department. Prior to submitting the State Plan amendment, Chesapeake				
10	Regional Hospital shall enter into an agreement with the department to transfer the non-				
11	federal share of the supplemental DSH payment. Payment of the supplemental DSH				
12	payment is contingent upon receipt of intergovernmental transfer of funds or certified				
13	public expenditures from Chesapeake Regional Hospital. In the event that Chesapeake				
14	Regional Hospital is ineligible to transfer or certify necessary funds pursuant to federal				
15	law, the department may amend the State Plan for Medical Assistance to terminate the				
16	supplemental DSH payment program. The department shall have the authority to				
17	implement these reimbursement changes consistent with effective date(s) approved by the				
18	Centers for Medicare and Medicaid Services (CMS). No payments shall be made without				
19	CMS approval. In the event that CMS recoups supplemental DSH hospital funds from the				
20	department, Chesapeake Regional Hospital shall reimburse such funds to the department.				
21	TT. The Department of Medical Assistance Services (DMAS) is authorized to amend the				
22	State Plan for Medical Assistance Services to implement a supplemental Medicaid				
23	payment for Department of Veterans Services (DVS) state government-owned nursing				
24	facilities. The total supplemental Medicaid payment for DVS state government owned				
25	nursing homes shall be based on the difference between the Upper Payment Limit of 42				
26	CFR 447.272, as approved by the Centers for Medicare and Medicaid Services (CMS),				
27	and all other Medicaid payments subject to such limit made to such nursing homes.				
28	DMAS shall not submit any State Plan amendment to CMS that implements this payment				
29	until DMAS enters into an intergovernmental agreement with DVS. This agreement shall				
30	include the following provisions: 1) DVS shall transfer funds to DMAS for use as the state				
31	share of the full cost of the supplemental Medicaid payment for which each nursing home				
32	is entitled; 2) DVS must demonstrate that it has the authority and ability to transfer the				
33	necessary funds to DMAS; and, 3) DVS shall attest that any funds provided for state				
34	match will comply with federal law for use as the state share for the supplemental				
35	Medicaid payment. If DVS is unable to enter into or comply with the provisions of such				
36	an intergovernmental agreement, then DMAS shall immediately modify the Medicaid				
37	State Plan and adjust any supplemental payments accordingly. DMAS shall have the				
38	authority to implement the reimbursement changes consistent with the effective date in the				
39	State Plan amendment approved by CMS and prior to the completion of any regulatory				
40	process undertaken in order to effect such change.				
41	UU.1.a. Out of this appropriation, \$5,850,000 the first year and \$5,850,000 the second				
42	year from the general fund and \$5,850,000 the first year and \$5,850,000 the second year				
43	from nongeneral funds shall be used for supplemental payments to fund graduate medical				
44	education for 3 residents who began their residencies in July 2021; 19 residents who				
45	began their residencies in July 2022; 30 residents who began their residencies in July				
46	2024.				
47	b. Of the amounts appropriated in UU.1.a., \$1,000,000 the first year and \$1,000,000 the				
48	second year from the general fund and \$1,000,000 the first year and \$1,000,000 the				
49	second year from nongeneral funds shall be used for supplemental payments to fund				
50	graduate medical residencies for 20 psychiatric residents who began their residencies in				
51	July 2024. The Department of Medical Assistance Services shall pursue available				
52	administrative processes to initiate these residencies in FY 2025.				
53	c. Of the amounts appropriated in UU.1.a., \$500,000 the first year and \$500,000 the				
54	second year from the general fund and \$500,000 the first year and \$500,000 the second				
55	year from nongeneral funds shall be used for supplemental payments to fund graduate				
56	medical residencies for 10 obstetric-gynecological residents. The Department of Medical				
57	Assistance Services shall work with the Virginia Health Workforce Development				
58	Authority to pursue available administrative processes to initiate these residencies in fiscal

1	year 2025. Two of these residencies shall be awarded to Johnston Memorial Hospital			
2	contingent on the hospital's intent to apply for and accept the residencies.			
3	2. The supplemental payment for each qualifying residency slot shall be \$100,000 annually			
4	minus any Medicare residency payment for which the sponsoring institution is eligible. For			
5	any residency program at a facility whose number of residency slots are above the cap set by			
6	the Centers for Medicare and Medicaid Services or have exceeded the Upper Payment Limit			
7	(UPL) set by CMS, the supplemental payments for each qualifying residency slot shall be			
8	\$50,000 from the general fund annually minus any Medicare residency payments for which			
9	the residency program is eligible. Supplemental payments shall be made for up to four years			
10	for each qualifying resident. Payments shall be made quarterly following the same schedule			
11	used for other medical education payments.			
12	3.a. By July 1 of each year, the Department of Medical Assistance Services shall determine			
13	the number of residency slots that could be funded in the next two fiscal years within the			
14	resources provided in this Item. In addition, DMAS shall issue a call for applications to all			
15	hospitals in the Commonwealth to determine the number of residency slots, by hospital, that			
16	could be filled in the following fiscal year.			
17	b. The Department of Medical Assistance Service, in cooperation with the Virginia Health			
18	Workforce Development Authority, shall determine which new residency slots to fund based			
19	on priorities developed by the authority. Preference shall be given for residency slots located			
20	in underserved areas. Applications for slots that involve multiple medical care providers			
21	collaborating in training residents and that involve providing residents the opportunity to train			
22	in underserved areas are encouraged. A majority of the new residency slots funded each year			
23	shall be for primary care. The department shall adopt criteria for primary care, high need			
24	specialties and underserved areas as developed by the Virginia Health Workforce			
25	Development Authority. The department shall also review and consider applications from			
26	non-hospital sponsoring institutions, such as Federally Qualified Health Centers (FQHCs).			
27	c. By August 15 of each year, the Department of Medical Assistance Services shall develop a			
28	prioritized list of hospitals for which residencies are recommended. Using this list, DMAS			
29	shall request budget authorization for those residencies that can be supported with the funds			
30	as appropriated in this Item.			
31	4. The sponsoring institution will be eligible for the supplemental payments as long as it			
32	maintains the number of residency slots in total and by category as a result of the increase.			
33	The sponsoring institutions must certify by June 1 each year that they continue to meet the			
34	criteria for the supplemental payments and report any changes during the year to the number			
35	of residents.			
36	5. The department shall require all sponsoring institutions receiving Medicaid medical			
37	education funding to report annually by September 15 on the number of residents in total and			
38	by specialty/subspecialty. Medical education funding includes payments for graduate medical			
39	education (GME) and indirect medical education (IME). The department shall make the report			
40	available to the Virginia Health Workforce Development Authority to assist in their efforts to			
41	set priorities for and manage graduate medical education programs overseen by the			
42	Commonwealth.			
43	6.a. Effective July 1, 2021, the department shall make remaining supplemental payments to			
44	the following sponsoring institutions for the specified number of primary care residencies:			
45	Carilion Medical Center (7 residencies) and Centra Health (3 residencies). The department			
46	shall make supplemental payments to Sentara Norfolk General for 1 OB/GYN residency and			
47	1 emergency medicine residency. The department shall make supplemental payments to			
48	Carilion Medical Center for 2 psychiatry residencies. The department shall make			
49	supplemental payments to Riverside Regional Medical Center for 8 emergency medicine			
50	residencies.			
51	b. Effective July 1, 2022, the department shall make remaining supplemental payments to the			
52	following sponsoring institutions for the specified number of primary care residencies:			
53	Carilion Medical Center (5 Internal Medicine residencies), Centra Health (3 Family Medicine			
54	residencies), and Riverside Regional Medical Center (1 Family Medicine residency). The			
55	department shall make supplemental payments to Carilion Medical Center for 2 Psychiatry

3	make supplemental payments to Riverside for 4 Emergency Medicine and 1 OB/GYN				
4	residencies.				
5	c. Effective July 1, 2024, the department shall make supplemental payments to the				
6	following sponsoring institutions for the specified number of primary care residencies:				
7	Carilion Medical Center (6 Internal Medicine residencies), Centra Health (3 Family				
8	Medicine residencies), Riverside Regional Medical Center (1 Family Medicine residency				
9	and 6 Internal Medicine residencies), Sentara Norfolk General (1 Internal Medicine				
10	residency), and the University of Virginia Health System (2 Family Medicine residencies).				
11	The department shall make supplemental payments to Carilion Medical Center for 2				
12	Psychiatry residencies. The department shall make supplemental payments to Children's				
13	Hospital of the King's Daughters for 3 Pediatric residences and 2 Child & Adolescent				
14	Psychiatry residencies. The department shall make supplemental payments to Riverside				
15	Regional Medicine Center for 4 Emergency Medicine residencies.				
16	VV.1. The Department of Medical Assistance Services shall work with stakeholders to				
17	review and adjust medical necessity criteria for Medicaid-funded nursing services				
18	including private duty nursing, skilled nursing, and home health. The department shall				
19	adjust the medical necessity criteria to reflect advances in medical treatment, new				
20	technologies, and use of integrated care models including behavioral supports. The				
21	department shall have the authority to amend the necessary waiver(s) and the State Plan				
22	under Titles XIX and XXI of the Social Security Act to include changes to services				
23	covered, provider qualifications, medical necessity criteria, and rates and rate				
24	methodologies for private duty nursing. The adjustments to these services shall meet the				
25	needs of members and maintain budget neutrality by not requiring any additional				
26	expenditure of general fund beyond the current projected appropriation for such nursing				
27	services.				
28	2. The department shall have authority to implement these changes to be effective July 1,				
29	2022. The department shall also have authority to promulgate any emergency regulations				
30	required to implement these necessary changes within 280 days or less from the enactment

22	participating nursing facilities to be invested in functions, staffing, and other efforts necessary			
23	to build their capacity to enhance the quality of care furnished to Medicaid members. This			
24	funding shall be administered as a Medicaid rate add-on in the same manner as in paragraph			
25	1. above. The remaining funding shall be allocated based on performance criteria as			
26	designated under the nursing facility VBP program. The amount of funding devoted to			
27	nursing facility quality of care investments shall be 25 percent of available funding in the

45	of the 2023 Acts of Assembly, this increase shall be considered to satisfy that requirement.			
46	RRR. The Department of Medical Assistance Services shall seek federal authority through			
47	waiver and State Plan amendments under Titles XIX and XXI of the Social Security Act to

11	such payment or overpayment shall be returned to the Department of Social Services by				
12	the locality.				
13	B. However, no such repayments may be required of the locality if the department

17	regulations, and policy decisions, causing the overpayment or payment to ineligible(s) to				
18	be made by the locality or from situations where a locality exercised due diligence, yet				
19	received incomplete or incorrect information from the client which caused the				
20	overpayment or payment to ineligibles. If a locality fails to effect the return, the				
21	Department of Social Services shall withhold an equal amount from the next disbursement				
22	made by the department to the locality for the same program.

34	eligible to be served; (iii) provide accurate and timely oral interpreter services; and (iv)				
35	develop an effective implementation plan to address the identified needs of the LEP				
36	populations served.

51	Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, as				
52	amended, shall be permitted to satisfy such work requirement by providing volunteer

6 Authority: Title 2.2, Chapter 2, Article 8, and § 2.2-201, Code of Virginia.

7 A. The Secretary of Public Safety and Homeland Security shall present revised six-year
8 state and local juvenile and state and local responsibility adult offender population
9 forecasts to the Governor, the Chairs of the House Appropriations and Senate Finance and
10 Appropriations Committees, and the Chairs of the House Courts of Justice and Senate
11 Judiciary Committees by October 15 of each year. The secretary shall ensure that the
12 revised forecast for state-responsible adult offenders shall include an estimate of the
13 number of probation violators included each year within the overall population forecast
14 who may be appropriate for alternative sanctions.

15 B. The secretary shall continue to work with other secretaries to (i) develop services
16 intended to improve the re-entry of offenders from prisons and jails to general society and
17 (ii) enhance the coordination of service delivery to those offenders by all state agencies.
18 The secretary shall provide a status report on actions taken to improve offender
19 transitional and reentry services, as provided in § 2.2-221.1, Code of Virginia, including
20 improvements to the preparation and provision for employment, treatment, and housing
21 opportunities for those being released from incarceration. The report shall be provided to
22 the Governor and the Chairs of the House Appropriations and Senate Finance and
23 Appropriations Committees no later than November 15 of each year.

24 C.1. The Secretary of Public Safety and Homeland Security, in collaboration with the
25 Secretary of Education and the Secretary of Health and Human Resources, with the
26 cooperation and assistance of the Department of Planning and Budget, the Virginia
27 Association of Counties, and the Virginia Municipal League, shall evaluate and submit to
28 the General Assembly no later than October 15, 2024, a report on juvenile detention center
29 cost savings strategies. The report shall include a proposal to reduce state formula
30 financial assistance for juvenile confinement in local facilities (“juvenile detention center
31 block grant”) in order to incentivize consolidation of juvenile detention centers in the
32 Commonwealth. The proposal shall: (i) recommend five to eight juvenile detention centers
33 for consolidation, identifying the five to eight facilities recommended for closure and
34 alternative facilities recommended to house youth impacted by the closures; (ii) describe
35 the criteria used to identify such facilities including, but not limited to, distance between
36 the facilities recommended for closure and the recommended alternative sites of
37 incarceration, funded and licensed capacity, historical and projected average daily
38 population by region, age and condition of facilities and their electronic security systems,
39 outstanding debt service, deferred maintenance and annual maintenance reserve as a
40 percentage of the replacement asset value, potential for repurposing or sale of facilities
41 recommended for closure, regional distribution of juvenile detention centers, and
42 availability of programming; (iii) estimate the state savings that would result from
43 elimination of juvenile detention center block grant funding for facilities recommended for
44 closure, net any expected increase in block grant or per diem funding for facilities
45 recommended to house additional youth; and (iv) recommend two to five options for
46 reinvesting the net savings in services for youth involved or at-risk of becoming involved
47 in the juvenile justice system.

48 2. In addition, the report shall assess alternative delivery models for education services at
49 juvenile detention centers, including: (i) determining the extent to which each juvenile
50 detention center currently implements or could further implement cost effective staffing
51 methods, including strategies identified in the 2021 Board of Education report entitled
52 “Recommendations for Appropriate Staffing and Funding Levels Necessary for State
53 Operated Programs (SOPs) in Regional and Local Detention Centers”; (ii) continuing to
54 develop an alternative to the statutorily required 1:12 teacher to student staffing ratio; (iii)

2	E.1. The appropriation for Financial Assistance for Community Based Alternative			
3	Treatment Services includes \$10,379,926 the first year and \$10,379,926 the second year			
4	from the general fund for the implementation of the financial assistance provisions of the			
5	Juvenile Community Crime Control Act (VJCCCA), §§ 16.1-309.2 through 16.1-309.10,			
6	Code of Virginia. Notwithstanding § 16.1-309.6, Code of Virginia, localities participating			
7	in this program and contributing through their local match an amount of local funds which			
8	is greater than they receive from the Commonwealth under this program are authorized,			
9	but not required, to provide a contribution greater than the state general fund contribution.			
10	In no case shall their local match be less than their state share.			
11	2. Notwithstanding the provisions of §§ 16.1-309.2 through 16.1-309.10, Code of			
12	Virginia, the Board of Juvenile Justice shall establish guidelines for use in determining the			
13	types of programs for which VJCCCA funding may be expended. The department shall			
14	establish a format to receive biennial or annual requests for funding from localities, based			
15	on these guidelines. For each program requested, the plan shall document the need for the			
16	program, goals, and measurable objectives, and a budget for the proposed expenditure of			
17	these funds and any other resources to be committed by localities.			
18	3.a. Notwithstanding the provisions of § 16.1-309.7 B, Code of Virginia, unobligated			
19	VJCCCA funds must be returned to the department by each grantee locality no later than			
20	October 1 of the fiscal year following the fiscal year in which they were received, or a			
21	similar amount may be withheld from the current fiscal year's periodic payments			
22	designated by the department for that locality. The Director, Department of Planning and			
23	Budget, may increase the general fund appropriation for this Item up to the amount of			
24	unobligated VJCCCA funds returned to the Department of Juvenile Justice.			
25	b. All such unobligated and reappropriated balances shall be used by the department for			
26	the purpose of awarding short-term supplementary grants to localities, for programs and			
27	services which have been demonstrated to improve outcomes, including reduced			
28	recidivism, of juvenile offenders. Such programs and services must augment and support			
29	current VJCCCA-funded programs within each affected locality. The grantee locality shall			
30	submit an outcomes report to the department, in accord with a written memorandum of			
31	agreement which shall accompany the supplementary grant award. This provision shall			
32	apply to funds obligated to and in the possession of the department and its grant recipients.			
33	The entity which returns unobligated funds under this provision shall not have a

36	Corrections, the Virginia Council on Juvenile Detention, juvenile court service unit			
37	directors, juvenile and domestic relations district court judges, and juvenile justice			
38	advocacy groups, shall provide a report on the types of programs supported by the			
39	Juvenile Community Crime Control Act and whether the youth participating in such			
40	programs are statistically less likely to be arrested, adjudicated or convicted, or			
41	incarcerated for either misdemeanors or crimes that would otherwise be considered			
42	felonies if committed by an adult.			
43	F. The department shall consolidate the annual reporting requirements in §§ 2.2-222 and			
44	66-13 and in Chapters 755 and 914 of the 1996 Acts of the General Assembly concerning			
45	juvenile offender demographics. The consolidated annual report shall address the progress			
46	of Virginia Juvenile Community Crime Control Act programs including the requirements			
47	in Article 12.1 of Chapter 11 of Title 16.1 (§ 16.1-309.2 et seq.) relating to the number of			
48	juveniles served, the average cost for residential and nonresidential services, the number			
49	of employees, and descriptions of the contracts entered into by localities. Notwithstanding			
50	any other provisions of the Code of Virginia, the consolidated report shall be submitted to			
51	the Governor, the General Assembly, the Chairs of the House Appropriations and Senate			
52	Finance and Appropriations Committees, the Secretary of Public Safety and Homeland

14	Virginia.				
15	A. The Department of Juvenile Justice shall retain all funds paid for the support of children				
16	committed to the department to be used for the security, care, and treatment of said children.				
17	B.1. The Director, Department of Juvenile Justice, (the “Department”) shall develop a				
18	transformation plan to provide more effective and efficient services for juveniles, using data-				
19	based decision-making, that improves outcomes and safely reduces the number of juveniles				
20	housed in state-operated juvenile correctional centers, consistent with public safety. To				
21	accomplish these objectives, the Department will provide, when appropriate, alternative				
22	placements and services for juveniles committed to the Department that offer treatment,				
23	supervision and programs that meet the levels of risk and need, as identified by the				
24	Department's risk and needs assessment instruments, for each juvenile placed in such				
25	placements or programs. Prior to implementation, the plan shall be approved by the Secretary				
26	of Public Safety and Homeland Security.				
27	2. The Department shall reallocate any savings from the reduced cost of operating state				
28	juvenile correctional centers to support the goals of the transformation plan including, but not				
29	limited to: (a) increasing the number of male and female local placement options, and post-				
30	dispositional treatment programs and services; (b) ensuring that appropriate placements and				
31	treatment programs are available across all regions of the Commonwealth; and (c) providing				
32	appropriate levels of educational, career readiness, rehabilitative, and mental health services				
33	for these juveniles in state, regional, or local programs and facilities, including but not limited				
34	to, community placement programs, independent living programs, and group homes. The				
35	goals of such transformation services shall be to reduce the risks for reoffending for juveniles				
36	supervised or committed to the Department and to improve and promote the skills and				
37	resiliencies necessary for the juveniles to lead successful lives in their communities.				
38	3. No later than November 1 of each year, the Department of Juvenile Justice shall provide a				
39	report to the Governor, the Chairs of the House Appropriations and Senate Finance and				
40	Appropriations Committees, the Secretary of Public Safety and Homeland Security and the				
41	Director, Department of Planning and Budget, assessing the impact and results of the				
42	transformation plan and its related actions. The report shall include, but is not limited to,				
43	assessing juvenile offender recidivism rates, fiscal and operational impact on detention				
44	homes; changes (if any) in commitment orders by the courts; and use of the savings redirected				
45	as a result of transformation, including the amount expended for contracted programs and				
46	treatment services, including the number of juveniles receiving each specific service. The				
47	report should also include the average length of stay for juveniles in each placement option.				
48	4. The Director, Department of Planning and Budget, is authorized to transfer appropriations				
49	between items and programs within the Department of Juvenile Justice to reallocate any				
50	savings achieved through transformation to accomplish the goals of transformation.				
51	5. If the Department of Juvenile Justice deems it necessary, due to facility population decline,				
52	efficient use of resources, and the need to further reduce recidivism, to close a state juvenile				
53	correctional center, the Department shall (i) work cooperatively with the affected localities to				
54	minimize the effect of the closure on those communities and their residents, and (ii)				
55	implement a general closure plan, preferably not less than 12 months from announcement of				
56	the closure, to create opportunities to place affected state employees in existing departmental

17	A.1. Consistent with the provisions of Chapter 198 of the 2017 Session of the General				
18	Assembly, the Director, Department of Juvenile Justice, shall implement the				
19	recommendations relating to the Department of Juvenile Justice made by the Department

6	Authority: Title 2.2, Chapter 2, Article 10, § 2.2-201, and Titles 33, 46, and 58, Code of			
7	Virginia.			
8	A. The transportation policy goals enumerated in this act shall be implemented by the			
9	Secretary of Transportation, including the secretary acting as Chairman of the			
10	Commonwealth Transportation Board.			
11	1. The maintenance of existing transportation assets to ensure the safety of the public shall			
12	be the first priority in budgeting, allocation, and spending. The highway share of the			
13	Transportation Trust Fund shall be used for highway maintenance and operation purposes			
14	prior to its availability for new development, acquisition, and construction.			
15	2. It is in the interest of the Commonwealth to have an efficient and cost-effective			
16	transportation system that promotes economic development and all modes of			
17	transportation, intermodal connectivity, environmental quality, accessibility for people and			
18	freight, and transportation safety. The planning, development, construction, and operations			
19	of Virginia's transportation facilities will reflect this goal.			
20	3. To the greatest extent possible, the appropriation of transportation revenues shall reflect			
21	planned spending of such revenues by agency and by program.			
22	B. The maximization of all federal transportation funds available to the Commonwealth			
23	shall be paramount in the budgetary, spending, and allocation processes.			
24	1. Notwithstanding any provision of law to the contrary, the secretary and all agencies			
25	within the transportation secretariat are hereby authorized to take all actions necessary to			
26	ensure that federal transportation funds are allocated and utilized for the maximum benefit			
27	of the Commonwealth, whether such actions or funds or both are authorized under P.L.			
28	117-58 of the 117th Congress, or any successor or related federal transportation			
29	legislation, or regulation, rule, or guidance issued by the U.S. Department of			
30	Transportation or any federal agency. The secretary and agencies within the transportation			
31	secretariat shall utilize, to the maximum extent practicable, the flexibility provided in			
32	federal law, regulation, rule, or guidance to use federal funds in a manner consistent with			
33	the Code of Virginia. However, neither the secretary nor an agency in the transportation			
34	secretariat may materially delay a project selected pursuant to § 33.2-214.1, Code of			
35	Virginia, under the authority in this paragraph.			
36	2. The secretary shall ensure that the allocation of transportation funds apportioned and for			
37	which obligation authority is expected to be available under federal law shall be in			
38	accordance with such laws and in support of the transportation policy goals enumerated in			
39	section A. of this Item. Furthermore, the secretary is authorized to take all actions			
40	necessary to allocate the required match for federal highway funds to ensure their			
41	appropriate and timely obligation and expenditure within the fiscal constraints of state			
42	transportation revenues and in support of the efforts addressed in B.1. By June 1 of each			
43	year, the secretary, as Chairman of the Board, shall report to the Governor and General			
44	Assembly on the allocation of such federal transportation funds and the actions taken to			
45	provide the required match.			
46	3. The board shall only make allocations providing the required match for federal			
47	Regional Surface Transportation Block Grant Program funds to those Metropolitan			
48	Planning Organizations in urbanized areas greater than 200,000 that, in consultation with			
49	the Office of Intermodal Planning and Investment, have developed regional transportation			
50	and land use performance measures pursuant to Chapters 670 and 690 of the 2009 Acts of			
51	Assembly and have been approved by the board.

17	conditions authorized by federal law in a manner consistent with the Code of Virginia. The				
18	Commonwealth Transportation Board, in consultation with the appropriate local and regional				
19	entities, may allocate state revenues to local and regional public transit operators, for				
20	operating and/or capital purposes.				
21	8. If a regional area (or areas) of the Commonwealth is determined to be not in compliance				
22	with Clean Air Act rules regarding conformity and as a result federal and/or state allocations,				
23	apportionments or obligations cannot be used to fund or support transportation projects or				
24	programs in that area, such funds may be used to finance demand management, conformity,

26	amount of such allocations, apportionments, or obligations shall be set aside to the extent				
27	possible under law for use in that regional area.

35	the Construction District Grant Program pursuant to §33.2-371.				
36	C. The secretary may ensure that appropriate action is taken to maintain a minimum cash				
37	balance and/or cash reserve in the Highway Maintenance and Operating Fund.				
38	D.1. The Office of Intermodal Planning and Investment shall recommend to the				
39	Commonwealth Transportation Board all allocations of funds made available in subsections

41	Department of Transportation, Department of Rail and Public Transportation, or another				
42	qualified entity selected and/or approved by the Commonwealth Transportation Board.				
43	2. The office shall be responsible for implementing the statewide prioritization processes				
44	pursuant to §§ 33.2-214.1 and 33.2-372 for the Commonwealth Transportation Board.				
45	3. The office shall work directly with affected Metropolitan Planning Organizations to				
46	develop and implement quantifiable and achievable goals relating to congestion reduction and				
47	safety, transit and HOV usage, job/housing ratios, job and housing access to transit and				
48	pedestrian facilities, air quality, and/or per-capita vehicle miles traveled pursuant to Chapters				
49	670 and 690 of the 2009 Acts of Assembly.				
50	4. For allocation of funds under Paragraph 1, the office may give a higher priority for				
51	planning grants to (i) regional organizations to analyze various land development scenarios				
52	for their long range transportation plans, (ii) local governments to revise their comprehensive				
53	plans and other applicable local ordinances to designate urban development areas pursuant to

10	Private Transportation Act of 1995, as amended. Any such application, agreement and/or			
11	endorsement shall not financially obligate the Commonwealth or be construed to implicate			
12	the credit of the Commonwealth as security for any such federal credit assistance.			
13	2. The Commonwealth Transportation Board is hereby authorized to pursue or otherwise			
14	apply for, and execute, an agreement to obtain financing using a federal credit instrument

31	were dedicated to transportation-related funds have been appropriated in conformity with			
32	the requirements of those respective chapters.			
33	J. Notwithstanding § 33.2-502, Code of Virginia, the high-occupancy requirement for a

12	of this act, as approved by the General Assembly.			
13	B. The estimated interest earnings and other revenues shall be distributed to those specific			
14	public institutions of higher education that have been certified by the State Council of Higher			
15	Education for Virginia as having met the standards provided in § 4-9.01 of this act, based on			
16	the distribution methodology developed pursuant to Chapter 933, Enactment 2, Acts of			
17	Assembly of 2005 and reported to the Chairmen of the House Appropriations Committee and			
18	Senate Finance and Appropriations Committee.			
19	C. In accordance with § 23.1-1002, Code of Virginia, this Item provides \$7,906,831 the first

35	made by the institution using the state-approved credit card in comparison to all transactions

PART 2: CAPITAL PROJECT EXPENSES

§ 2-0. GENERAL CONDITIONS

A.1. The General Assembly hereby authorizes the capital projects listed in this act. The amounts hereinafter set forth are appropriated to the state agencies named for the indicated capital projects. Amounts so appropriated and amounts reappropriated pursuant to paragraph G. of this section shall be available for expenditure during the current biennium, subject to the conditions controlling the expenditures of capital project funds as provided by law. Reappropriated amounts, unless otherwise stated, are limited to the unexpended appropriation balances at the close of the previous biennium, as shown by the records of the Department of Accounts.

2. The Director, Department of Planning and Budget, may transfer appropriations listed in Part 2 of this act from the second year to the first year in accordance with § 4-1.03 c.5. of this act.

B. The five-digit number following the title of a project is the code identification number assigned for the life of the project.

C. Except as herein otherwise expressly provided, appropriations or reappropriations for structures may be used for the purchase of equipment to be used in the structures for which the funds are provided, subject to guidelines prescribed by the Governor.

D. Notwithstanding any other provisions of law, appropriations for capital projects shall be subject to the following:

1. Appropriations or reappropriations of funds made pursuant to this act for planning of capital projects shall not constitute implied approval of construction funds in a future biennium. Funds, other than the reappropriations referred to above, for the preparation of capital project proposals must come from the affected agency's existing resources.

2. No capital project for which appropriations for planning are contained in this act, nor any project for which appropriations for planning have been previously approved, shall be considered for construction funds until preliminary plans and cost estimates are reviewed by the Department of General Services. The purpose of this review is to avoid unnecessary expenditures for each project, in the interest of assuring the overall cost of the project is reasonable in relation to the purpose intended, regardless of discrete design choices.

E.1. Expenditures from Items in this act identified as "Maintenance Reserve" are to be made only for the maintenance of property, plant, and equipment as defined in § 4-4.01 c. of this act to the extent that funds included in the appropriation to the agency for this purpose in Part 1 of this act are insufficient.

2. Agencies and institutions of higher education can expend up to \$2,000,000 for a single repair or project, and up to \$4,000,000 for a roof replacement project, through the maintenance reserve appropriation. Such expenditures shall be subject to rules and regulations prescribed by the Governor. To the extent an agency or institution of higher education has identified a potential project that exceeds this threshold, the Director, Department of Planning and Budget, can provide exemptions to the threshold as long as the project still meets the definition of a maintenance reserve project as defined by the Department of Planning and Budget.

3. Only facilities supported wholly or in part by the general fund shall utilize general fund maintenance reserve appropriations. Facilities supported entirely by nongeneral funds shall accomplish maintenance through the use of nongeneral funds.

F. Conditions Applicable to Bond Projects

1. 6 on or after July 1, 2015, and (ii) requires at last 75 acres of land for its operations, and (iii) such land is purchased or leased by the
7 entertainment venue owner on or after June 1, 2015. The tax shall not exceed 10 percent of the amount of charge for admission to
8 any such venue. The provisions of this section shall expire on July 1, 2019 if no entertainment venue exists in Stafford County upon
9 which the tax authorized is imposed.

10 § 3-5.13 SUNSET DATES FOR INCOME TAX CREDITS AND SALES AND USE TAX EXEMPTIONS

11 A. Notwithstanding any other provision of law the General Assembly shall not advance the sunset date on any existing sales tax

15 relating to exemptions for nonprofit entities nor shall it apply to exemptions or tax credits with sunset dates after June 30, 2022,
16 enacted or advanced during the 2016 Session of the General Assembly to the Virginia housing opportunity tax credit under Article

21 distributed to every member of the General Assembly and to the Joint Subcommittee to Evaluate Tax Preferences.

22 § 3-5.14 PROVIDER COVERAGE ASSESSMENT

23 A. The Department of Medical Assistance Services (DMAS) is authorized to levy an assessment upon private acute care hospitals
24 operating in Virginia in accordance with this Item. Private acute care hospitals operating in Virginia shall pay a coverage assessment
25 beginning on or after October 1, 2018. For the purposes of this coverage assessment, the definition of private acute care hospitals
26 shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's hospitals, long stay hospitals, long-
27 term acute care hospitals and critical access hospitals.

28 B.1. The coverage assessment shall be used only to cover the non-federal share of the "full cost of expanded Medicaid coverage" for
29 newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, including
30 the administrative costs of collecting the coverage assessment and implementing and operating the coverage for newly eligible adults
31 which includes the costs of administering the provisions of the Section 1115 waiver.

32 2.a. The "full cost of expanded Medicaid coverage" shall include: 1) any and all Medicaid expenditures related to individuals eligible
33 for Medicaid pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, including any federal
34 actions or repayments; and, 2) all administrative costs associated with providing coverage, which includes the costs of administering
35 the provisions of the Section 1115 waiver, and collecting the coverage assessment.

36 b. The "full cost of expanded Medicaid coverage" shall be updated: 1) on November 1 of each year based on the official Medicaid
37 forecast and latest administrative cost estimates developed by DMAS; 2) no more than 30 days after the enactment of this Act to
38 reflect policy changes adopted by the latest session of the General Assembly; and 3) on March 1 of any year in which DMAS
39 estimates that the most recent non-federal share of the "full cost of expanded Medicaid coverage" times 1.08 will be insufficient to
40 pay all expenses in 2.a. for that year.

41 C.1. The "coverage assessment amount" shall equal the non-federal share of the "full cost of expanded Medicaid coverage" times
42 1.02.

43 2. The "coverage assessment percentage" shall be calculated quarterly by dividing (i) the "coverage assessment amount" by (ii) the
44 total "net patient service revenue" for hospitals subject to the assessment. The coverage assessment amount used in the quarterly
45 calculation of the "coverage assessment percentage" shall include a reconciliation of the Health Care Coverage Assessment Fund
46 prescribed in D.1 and subtract all prior quarterly assessments paid for that fiscal year before dividing the remainder by the remaining
47 quarters in the fiscal year.

48 3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information (VHI)
49 "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount shall be the
50 assessment basis for the following fiscal year.

51 4. Each hospital's coverage assessment amount shall be calculated by multiplying the quarterly "coverage assessment percentage"
52 times each hospital's net patient service revenue.

1 D.1. DMAS shall, at a minimum, update the "coverage assessment amount" whenever the "full cost of expanded Medicaid
2 coverage" is updated in section B.2.b or to ensure amounts are sufficient to cover the full cost of expanded Medicaid coverage
3 based on the latest estimate. Hospitals shall be given no less than 15 days' notice prior to the beginning of the quarter with
4 associated calculations supporting the change in its coverage assessment amount. Prior to any change to the coverage
5 assessment amount, DMAS shall perform and incorporate a reconciliation of the Health Care Coverage Assessment Fund
6 through the most recent complete quarter. Any estimated excess or shortfall of revenue shall be deducted from or added to the
7 "coverage assessment amount."

8 2. DMAS shall be responsible for collecting the coverage assessment amount. Hospitals subject to the coverage assessment
9 shall make quarterly payments due no later than July 1, October 1, January 1 and April 1 of each state fiscal year.

10 3. Hospitals that fail to make the coverage assessment payments within 30 days of the due date shall incur a five percent
11 penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid coverage assessment or penalty will be considered
12 a debt to the Commonwealth and DMAS is authorized to recover it as such.

13 E. DMAS shall submit a report, due September 1 of each year, to the Director, Department of Planning and Budget and Chairs
14 of the House Appropriations and Senate Finance and Appropriations Committees, and the Virginia Hospital and Healthcare
15 Association. The report shall include, for the most recently completed fiscal year, the revenue collected from the coverage
16 assessment, expenditures for purposes authorized by this Item, and the year-end coverage assessment balance in the Health
17 Care Coverage Assessment Fund. The report shall also include a complete and itemized listing of all administrative costs
18 included in the coverage assessment.

19 F. All revenue from the coverage assessment excluding penalties, shall be deposited into the Health Care Coverage Assessment
20 Fund. Proceeds from the coverage assessment, excluding penalties, shall not be used for any other purpose than to cover the
21 non-federal share of the full cost of expanded Medicaid coverage. Notwithstanding any other provision of law, the net state
22 share of any prior year recovery of Medicaid expansion costs that were paid with coverage assessment revenue shall be
23 deposited into the Health Care Coverage Assessment Fund.

24 G. Any provision of this Item is contingent upon approval by the Centers for Medicare and Medicaid Services if necessary.

25 H. The Hospital Payment Policy Advisory Council shall meet to consider the implementation and provisions of the Provider
26 Coverage and Payment Rate Assessments in order to consider and make recommendations to ensure the collection and use of
27 such funds are appropriate and consistent with the intent of the General Assembly. Specifically, the Council shall consider the
28 level of detail and format necessary to develop the report pursuant to paragraph E. The Council shall recommend a format and
29 associated level of detail, to be included in the report to the Joint Subcommittee for Health and Human Resources Oversight.
30 The Joint Subcommittee shall approve the final format and associated level of detail of the report to be submitted by the
31 Department of Medical Assistance Services.

32 § 3-5.15 PROVIDER PAYMENT RATE ASSESSMENT

33 A. The Department of Medical Assistance Services (DMAS) is hereby authorized to levy a payment rate assessment upon
34 private acute care hospitals operating in Virginia in accordance with this item. Private acute care hospitals operating in Virginia
35 shall pay a payment rate assessment beginning on or after October 1, 2018 when all necessary state plan amendments are
36 approved by the Centers for Medicare and Medicaid Services (CMS). For purposes of this assessment, the definition of private
37 acute care hospitals shall exclude public hospitals, freestanding psychiatric and rehabilitation hospitals, children's hospitals,
38 long stay hospitals, long-term acute care hospitals and critical access hospitals.

39 B. Proceeds from the payment rate assessment shall be used to (i) fund an increase in inpatient and outpatient payment rates
40 paid to private acute care hospitals operating in Virginia up to the "upper payment limit gap"; and (ii) fill the "managed care
41 organization hospital payment gap" for care provided to recipients of medical assistance services. Payments made under the
42 provisions i and ii of this paragraph shall be referred to as "private acute care hospital enhanced payments".

43 C.1. The Department of Medical Assistance Services (DMAS) shall calculate each hospital's "payment rate assessment
44 amount" by multiplying the "payment rate assessment percentage" times "net patient service revenue" as defined below.

45 2. The "payment rate assessment percentage" for hospitals shall be calculated as (i) the non-federal share of funding the
46 "private acute care hospitals enhanced payments" divided by (ii) the total "net patient service revenue" for hospitals subject to
47 the assessment.

48 3. Each hospital's "net patient service revenue" equals the amount reported in the most recent Virginia Health Information
49 (VHI) "Hospital Detail Report." Hospitals shall certify that the net patient service revenue is hospital revenue and this amount
50 shall be the assessment basis for the following fiscal year.

51 D. DMAS is authorized to update the payment rate assessment amount and payment rate assessment percentage on a quarterly
52 basis to ensure amounts are sufficient to cover the non-federal share of the full cost of the private acute care hospital enhanced
53 payments based on the department's quarterly claims and encounter data. Hospitals shall be given no less than 15 days prior

1 notice of the new assessment amount and be provided with calculations. Prior to any change to the payment rate assessment amount,
 2 DMAS shall perform and incorporate a reconciliation of the Health Care Provider Payment Rate Assessment Fund. Any estimated
 3 excess or shortfall of revenue since the previous reconciliation shall be deducted from or added to the calculation of the private acute
 4 care hospital enhanced payments.

5 E.1. The "upper payment limit" means the limit on payment for inpatient services for recipients of medical assistance established in
 6 accordance with 42 C.F.R. § 447.272 and outpatient services for recipients of medical assistance pursuant to 42 C.F.R. § 447.321 for
 7 private hospitals. DMAS shall complete a calculation of the "upper payment limit" for each state fiscal year with a detailed analysis
 8 of how it was determined. The "upper payment limit payment gap" means the difference between the amount of the private hospital
 9 upper payment limit and the amount otherwise paid pursuant to the state plan for inpatient and outpatient services. The "managed
 10 care organization hospital payment gap" means the difference between the amount included in the capitation rates for inpatient and
 11 outpatient services based on historical paid claims and the amount that would be included when the projected hospital services
 12 furnished by private acute care hospitals operating in Virginia are priced for the contract year equivalent to the maximum managed
 13 care directed payment amount as allowed by CMS subject to CMS approval under 42 C.F.R. section 438.6(c). As part of the
 14 development of the managed care capitation rates, the DMAS shall calculate a "Medicaid managed care organization (MCO)
 15 supplemental hospital capitation payment adjustment". This is a distinct additional amount that shall be added to Medicaid MCO
 16 capitation rates to fund supplemental payments under this section to private acute care hospitals operating in Virginia for services to
 17 Medicaid recipients.

18 2. DMAS shall contractually direct Medicaid MCOs to disburse supplemental hospital capitation payment funds consistent with this
 19 section and 42 C.F.R. § 438.6(c), to ensure that all such funds are disbursed to private acute care hospitals operating in Virginia. In
 20 addition, DMAS shall contractually prohibit MCOs from making reductions to or supplanting hospital payments otherwise paid by
 21 MCOs.

22 3. DMAS shall make available quarterly a report of the additional capitation payments that are made to each MCO pursuant to this
 23 item. Further, DMAS shall consider recommendations of the Medicaid Hospital Payment Policy and Advisory Council in designing
 24 and implementing the specific elements of the payment rate assessment and private acute care hospital supplemental payment
 25 program authorized by this item.

26 F.1. DMAS shall be responsible for collecting the payment rate assessment amount. Hospitals subject to the payment rate assessment
 27 shall make quarterly payments due no later than August 15, November 15, February 15 and May 15 of each state fiscal year.

28 2. Hospitals that fail to make the payment rate assessment payments on or before the due date in subsection F.1. shall incur a five
 29 percent penalty that shall be deposited in the Virginia Health Care Fund. Any unpaid payment assessment or penalty will be
 30 considered a debt to the Commonwealth and DMAS is authorized to recover it as such.

31 G. DMAS shall submit a report due September 1 of each year to the Director, Department of Planning and Budget and Chairs of the
 32 House Appropriations and Senate Finance and Appropriations Committees. The report shall include, for the most recently completed
 33 fiscal year, the revenue collected from the payment rate assessment, expenditures for purposes authorized by this item, and the year-
 34 end assessment balance in the Health Care Provider Payment Rate Assessment Fund.

35 H. All revenue from the payment rate assessment shall be deposited into the Health Care Provider Payment Rate Assessment Fund, a
 36 special non-reverting fund in the state treasury. Proceeds from the payment rate assessment, excluding penalties, shall not be used
 37 for any other purpose than to fund (i) an increase in inpatient and outpatient payment rates paid to private acute care hospitals
 38 operating in Virginia up to the private hospital "upper payment limit" and "managed care organization hospital payment gap" for
 39 care provided to recipients of medical assistance services, and (ii) the administrative costs of collecting the assessment and of
 40 implementing and operating the associated payment rate actions.

41 I. Any provision of this Section is contingent upon approval by the Centers for Medicare and Medicaid Services if necessary.

42 § 3-5.16 TOBACCO TAX STUDY

43 The Joint Subcommittee to Evaluate Tax Preferences is hereby directed to continue studying options for the modernization of §
 44 [58.1-1001\(A\)](#), Code of Virginia, to reflect advances in science and technology in the area of tobacco harm reduction, and the role
 45 innovative non-combustible tobacco products can play in reducing harm, including products that produce vapor or aerosol from
 46 heating tobacco or liquid nicotine. In addition, the Joint Subcommittee shall study possible reforms to the taxation of tobacco
 47 products that will provide fairness and equity for all local governments and also ensure stable tax revenues for the Commonwealth.
 48 The Joint Subcommittee shall complete its study and submit a final report with recommended reforms to the Finance Committees of
 49 the Virginia Senate and Virginia House of Delegates. All agencies of the Commonwealth shall provide assistance for this study,
 50 upon request.

51 §3-5.17 HISTORIC PRESERVATION TAX CREDIT

52 A. Notwithstanding § [58.1-339.2](#) or any other provision of law, effective for taxable years beginning on and after January 1, 2017,
 53 but before January 1, 2025, the amount of the Historic Rehabilitation Tax Credit that may be claimed by each taxpayer, including
 54 amounts carried over from prior taxable years, shall not exceed \$5 million for any taxable year.

1 B. Notwithstanding § 58.1-339.2 or any other provision of law, effective for taxable years beginning on and after January 1,
2 2025, the amount of the Historic Rehabilitation Tax Credit that may be claimed by each taxpayer, including amounts carried
3 over from prior taxable years, shall not exceed \$7.5 million for any taxable year.

4 § 3-5.18 NEIGHBORHOOD ASSISTANCE ACT TAX CREDIT

5 A. Notwithstanding § 58.1-439.20 or any other provision of law, for fiscal Year 2025 and fiscal year 2026, the amount of the
6 Neighborhood Assistance Act Tax Credit available under § 58.1-439.18 et seq., Code of Virginia, shall be limited to \$20
7 million allocated as follows: \$12.0 million for education proposals for approval by the Superintendent of Public Instruction and
8 \$8.0 million for all other proposals for approval by the Commissioner of the State Department of Social Services. In making
9 such equitable allocation of credits, the Commissioner of Social Services and the Superintendent of Public Instruction shall
10 consider the portion of a neighborhood organization's revenues and expenses that are used to serve low-income persons and
11 shall not rely solely on the amount of credits allocated to the neighborhood organization in the prior year in allocating available
12 credits.

13 B. For purposes of this section, the term "individual" means the same as that term is defined in § 58.1-302, but excluding any
14 individual included in the definition of a "business firm" as such term is defined in § 58.1-439.18.

15 C. Notwithstanding any other provision of law or regulation, in order to be eligible to receive an allocation of credits pursuant
16 to § 58.1-439.20:1, Code of Virginia, at least 50 percent of the persons served by the neighborhood organization, either directly
17 by the neighborhood organization or through the provision of revenues to other organizations or groups serving such persons,

b. All appropriations contained in this act, or in any other appropriating act of the General Assembly, are declared to be maximum appropriations and conditional on receipt of revenue.

c. The Governor, as chief budget officer of the state, shall ensure that the provisions and conditions as set forth in this section are strictly observed.

d. Public higher education institutions are not subject to the provisions of § 2.2-4800, Code of Virginia, or the provisions of the Department of Accounts' Commonwealth Accounting Policies and Procedures manual (CAPP) topic 20505 with regard to students who are veterans of the United States armed services and National Guard and are in receipt of federal educational benefits under the G.I. Bill. Public higher education shall establish internal procedures for the continued enrollment of such students to include resolution of outstanding accounts receivable.

e. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq. of the Code of Virginia) shall not apply to grants made in support of the 2019 Commemoration to non-profit entities organized under § 501 (c)(3) of the Internal Revenue Code.

f. 1. The State Council of Higher Education for Virginia shall establish a policy for granting undergraduate course credit to entering freshman students who have taken one or more Advanced Placement, Cambridge Advanced (A/AS), College-Level Examination Program (CLEP), or International Baccalaureate examinations by August 1, 2017. The policy shall:

a) Outline the conditions necessary for each public institution of higher education to grant course credit, including the minimum required scores on such examinations;

b) Identify the course credit or other academic requirements of each public institution of higher education that the student satisfies by achieving the minimum required scores on such examinations; and

c) Ensure, to the extent possible, that the grant of course credit is consistent across each public institution of higher education and each such examination.

2. The Council and each public institution of higher education shall make the policy available to the public on its website.

g. 1. Notwithstanding any other provision of law, any public body, including any state, local, regional, or regulatory body, or a governing board as defined in § 54.1-2345 of the Code of Virginia, or any joint meeting of such entities, may meet by electronic communication means without a quorum of the public body or any member of the governing board physically assembled at one location when the Governor has declared a state of emergency in accordance with § 44-146.17, provided that (i) the nature of the declared emergency makes it impracticable or unsafe for the public body or governing board to assemble in a single location; (ii) the purpose of meeting is to discuss or transact the business statutorily required or necessary to continue operations of the public body or common interest community association as defined in § 54.1-2345 of the Code of Virginia and the discharge of its lawful purposes, duties, and responsibilities; (iii) a public body shall make available a recording or transcript of the meeting on its website in accordance with the timeframes established in §§ 2.2-3707 and 2.2-3707.1 of the Code of Virginia; and (iv) the governing board shall distribute minutes of a meeting held pursuant to this subdivision to common interest community association members by the same method used to provide notice of the meeting.

2. A public body or governing board convening a meeting in accordance with this subdivision shall:

a) Give notice to the public or common interest community association members using the best available method given the nature of the emergency, which notice shall be given contemporaneously with the notice provided to members of the public body or governing board conducting the meeting;

b) Make arrangements for public access or common interest community association members access to such meeting through electronic means including, to the extent practicable, videoconferencing technology. If the means of communication allows, provide the public or common interest community association members with an opportunity to comment; and

3. Public bodies must otherwise comply with the provisions of § 2.2-3708.2 of the Code of Virginia. The nature of the emergency, the fact that the meeting was held by electronic communication means, and the type of electronic communication means by which the meeting was held shall be stated in the minutes of the public body or governing board.

1 h. To the extent that a public institution of higher education maintains and operates university housing during scheduled
 2 intercessions, the institution shall provide access to housing for students eligible under § 23.1-601, Code of Virginia at no cost
 3 to the student provided that the student (i) is a registered student for the immediate following term and (ii) meets the definitions
 4 and conditions of the federal McKinney-Vento Homeless Assistance Act.

5 § 4-1.00 APPROPRIATIONS

6 § 4-1.01 PREREQUISITES FOR PAYMENT

7 a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any
 8 other act of the General Assembly making an appropriation during the current biennium.

9 b. Moneys shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as
 10 specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of
 11 Claims with Individuals. Should the Governor find that moneys are not being spent in accordance with provisions of the act
 12 appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said
 13 appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending moneys in
 14 accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the
 15 State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance
 16 and Appropriations and House Appropriations Committees.

17 c. Exclusive of revenues paid into the general fund of the state treasury, all revenues earned or collected by an agency, and
 18 contained in an appropriation item to the agency shall be expended first during the fiscal year, prior to the expenditure of any
 19 general fund appropriation within that appropriation item, unless prohibited by statute or by the terms and conditions of any
 20 gift, grant or donation.

21 § 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

22 a. For purposes of this subsection, withholding of spending authority is defined as any action pursuant to a budget reduction
 23 plan approved by the Governor to address a declared shortfall in budgeted revenue that impedes or limits the ability to spend
 24 appropriated moneys, regardless of the mechanism used to effect such withholding.

25 b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of
 26 appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon
 27 which the appropriation was based. Moneys generated from the withholding action shall not be reallocated for any other
 28 purpose, provided the withholding of allotments of appropriations under this provision shall not occur until at least 15 days
 29 after the Governor has transmitted a statement of changed factors and intent to withhold moneys to the Chairmen of the House
 30 Appropriations and Senate Finance and Appropriations Committees.

31 2. Moneys shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations
 32 have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

33 c. Increased Nongeneral Fund Revenue:

34 1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues
 35 collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the
 36 operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments
 37 of appropriations, in an equivalent amount. However, this limitation shall not apply to (a) restricted excess tuition and fees for
 38 educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations
 39 to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any
 40 state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or intellectually
 41 disabled payable from the Behavioral Health and Developmental Services Revenue Fund; and (e) general fund appropriations
 42 for highway construction and mass transit. Moneys unallotted under this provision shall not be reallocated for any other
 43 purpose.

44 2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program,
 45 following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by
 46 withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is
 47 prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations,
 48 which are required to match grant funds. Moneys unallotted under this provision shall not be reallocated for any other purpose.

49 d. Reduced General Fund Resources:

50 1. The term "general fund resources" as applied in this subsection includes revenues collected and paid into the general fund of
 51 the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium,
 52 and all unexpended balances brought forward from the previous biennium.

- 1 2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund
2 appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold
3 general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated
4 general fund resources available.
- 5 3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal
6 year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the
7 previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund
8 revenues shall be communicated to the Chairmen of the Senate Finance and Appropriations, House Appropriations and House
9 Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.
- 10 4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor
11 shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of
12 the House Appropriations, House Finance, and Senate Finance and Appropriations Committees.
- 13 b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall
14 provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes for the just-
15 completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that
16 fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes,
17 as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the
18 just-completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the
19 next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance and
20 Appropriations, House Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal
21 year.
- 22 5.a) The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by
23 the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and
24 Senate Finance and Appropriations Committees. Subsequent modifications to the approved reduction plan also must be submitted to
25 the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees, prior to withholding allotments of
26 appropriations.
- 27 b) In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to
28 the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet
29 secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be made available via electronic means to the
30 Chairmen of the House Appropriations and Senate Finance and Appropriations Committees concurrently with that budget reduction
31 plan.
- 32 6. In effecting the reduction of expenditures, the Governor shall not withhold allotments of appropriations for:
- 33 a) More than 15 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any
34 one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency
35 or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and Appropriations and House
36 Appropriations Committees. State agencies providing funds directly to grantees named in this act shall not apportion a larger cut to
37 the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.05 b.4. of this act, the remaining
38 appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by
39 July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation
40 is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.
- 41 b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its
42 authorities, or for payment of a legally authorized deficit.
- 43 c) The payments for care of graves of Confederate and historical African American dead.
- 44 d) The employer contributions, and employer-paid member contributions, to the Social Security System, Virginia Retirement
45 System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional
46 Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan
47 for Superintendents, the Volunteer Service Award Program, the Virginia Retirement System's group life insurance, sickness and
48 disability, and retiree health care credit programs for state employees, state-supported local employees and teachers. If the Virginia
49 Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the
50 appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the
51 current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for
52 health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be
53 increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed
54 in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the
55 governing board.

- 1 e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.
- 2 f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.
- 3 g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source
4 for payment of salaries and wages); however, the percentage of reduction shall be uniformly applied to all employees within the
5 Executive Department.
- 6 h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting
7 revenues for such appropriation are estimated to be insufficient to pay the appropriation.
- 8 7. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction
9 or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to
10 the maximum of 15 percent, as prescribed in subdivision 6a of this subsection.
- 11 8. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the
12 appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund
13 appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such
14 appropriations; however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund
15 sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next
16 biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the
17 Chairmen of the Senate Finance and Appropriations, House Finance, and House Appropriations Committees. For purposes of
18 this subsection, major nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation
19 Trust Fund.
- 20 9. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each
21 year of the biennium, or within 20 days from that date, any available unexpended balances in other funds in the state treasury,
22 subject to the following:
- 23 a) The Governor shall declare in writing to the Chairmen of the Senate Finance and Appropriations and House Appropriations
24 Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the
25 exact amount of such transfer within five calendar days of the transfer;
- 26 b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913,
27 Code of Virginia, debt service funds, or federal funds; and
- 28 c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the
29 amount transferred from each account or fund and recommendations for restoring such amounts.
- 30 10. The Director, Department of Planning and Budget, shall make available via electronic means a report of spending authority
31 withheld under the provisions of this subsection to the Chairmen of the Senate Finance and Appropriations and House
32 Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld
33 by agency and appropriation item.
- 34 11. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between
35 projected general fund resources and appropriations, the Speaker of the House of Delegates and the President pro tempore of
36 the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the General
37 Assembly.

38 § 4-1.03 APPROPRIATION TRANSFERS

39 GENERAL

- 40 a. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority from one state
41 or other agency to another, to effect the following:
- 42 1) distribution of amounts budgeted in the central appropriation to agencies, or withdrawal of budgeted amounts from agencies
43 in accordance with specific language in the central appropriation establishing reversion clearing accounts;
- 44 2) distribution of pass-through grants or other funds held by an agency as fiscal agent;
- 45 3) correction of errors within this act, where such errors have been identified in writing by the Chairmen of the House
46 Appropriations and Senate Finance and Appropriations Committees;
- 47 4) proper accounting between fund sources 0100 and 0300 in higher education institutions;
- 48 5) transfers specifically authorized elsewhere in this act or as specified in the Code of Virginia;

- 1 6) to supplement capital projects in order to realize efficiencies or provide for cost overruns unrelated to changes in size or scope; or
- 2 7) to administer a program for another agency or to effect budgeted program purposes approved by the General Assembly, pursuant
3 to a signed agreement between the respective agencies.
- 4 b. During any fiscal year, the Director, Department of Planning and Budget, may transfer appropriation authority within an agency to
5 effect proper accounting between fund sources and to effect program purposes approved by the General Assembly, unless
6 specifically provided otherwise in this act or as specified in the Code of Virginia. However, appropriation authority for local aid
7 programs and aid to individuals, with the exception of student financial aid, shall not be transferred elsewhere without advance
8 notice to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees. Further, any transfers
9 between capital projects shall be made only to realize efficiencies or provide for cost overruns unrelated to changes in size or scope.
- 10 c.1. In addition to authority granted elsewhere in this act, the Director, Department of Planning and Budget, may transfer operating
11 appropriations authority among sub-agencies within the Judicial System, the Department of Corrections, and the Department of
12 Behavioral Health and Developmental Services to effect changes in operating expense requirements which may occur during the
13 biennium.
- 14 2. The Director, Department of Planning and Budget, may transfer appropriations from the Department of Behavioral Health and
15 Developmental Services to the Department of Medical Assistance Services, consisting of the general fund amounts required to
16 match federal funds for reimbursement of services provided by its institutions and Community Services Boards.
- 17 3. The Director, Department of Planning and Budget, may transfer appropriations from the Office of Comprehensive Services to the
18 Department of Medical Assistance Services, consisting of the general fund amounts required to match federal funds for

- 20 4. The Director, Department of Planning and Budget, may transfer an appropriation or portion thereof within a state or other agency,
21 or from one such agency to another, to support changes in agency organization, program or responsibility enacted by the General
22 Assembly to be effective during the current biennium.
- 23 5. The Director, Department of Planning and Budget, may transfer appropriations from the second year to the first year, with said
24 transfer to be reported in writing to the Chairmen of the Senate Finance and Appropriations and House Appropriations Committees
25 within five calendar days of the transfer, when the expenditure of such funds is required to:
- 26 a) address a threat to life, safety, health or property, or
- 27 b) provide for unbudgeted cost increases for statutorily required services or federally mandated services, in order to continue those
28 services at the present level, or
- 29 c) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a
30 situation deemed threatening to life, safety, health, or property, or
- 31 d) provide for payments to the beneficiaries of certain public safety officers killed in the line of duty, as authorized in Title 2.2,
32 Chapter 4, Code of Virginia and for payments to the beneficiaries of certain members of the National Guard and United States
33 military reserves killed in action in any armed conflict on or after October 7, 2001, as authorized in § 44-93.1 B., Code of Virginia,
34 or
- 35 e) continue a program at the present level of service or at an increased level of service when required to address unanticipated
36 increases in workload such as enrollment, caseload or like factors, or unanticipated costs, or
- 37 f) to address unanticipated business or industrial development opportunities which will benefit the state's economy, provided that
38 any such appropriations be used in a manner consistent with the purposes of the program as originally appropriated.
- 39 6. An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed specifically
40 for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized budgeting and
41 accounting systems.
- 42 7. The Director, Department of Planning and Budget, may transfer from any other agency, appropriations to supplement any project
43 of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such capital project
44 shall be transferred to the state agency designated as the managing agency for the Virginia Public Building Authority.
- 45 8. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of Virginia
46 (§ 15.2-4100 et seq.) or the consolidation of a city and a county into a single city pursuant to the provisions of Chapter 35 of Title
47 15.2, Code of Virginia (§ 15.2-3500 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern distributions
48 from state agencies to the county in which the town is situated or to the consolidated city, and the Director, Department of Planning
49 and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from one such agency to another, if
50 necessary to fulfill the requirements of § 15.2-1302.

1 § 4-1.04 APPROPRIATION INCREASES

2 a. UNAPPROPRIATED NONGENERAL FUNDS:

3 1. Sale of Surplus Materials:

4 The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by
5 the amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

6 2. Insurance Recovery:

7 The Director, Department of Planning and Budget, shall increase the appropriation authority for any state agency by the amount
8 of the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be
9 necessary, to pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

10 3. Gifts, Grants and Other Nongeneral Funds:

11 a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director,
12 Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of
13 the proceeds of donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations
14 during a fiscal year. Such appropriations shall be increased only when the expenditure of moneys is authorized elsewhere in
15 this act or is required to:

16 1) address a threat to life, safety, health or property or

17 2) provide for unbudgeted increases in costs for services required by statute or services mandated by the federal government, in
18 order to continue those services at the present level or implement compensation adjustments approved by the General
19 Assembly, or

20 3) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred
21 during a situation deemed threatening to life, safety, health, or property, or

22 4) continue a program at the present level of service or at an increased level of service when required to address unanticipated
23 increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which
24 will benefit the state's economy, or

25 5) participate in a federal or sponsored program provided that the provisions of § 4-5.03 shall also apply to increases in
26 appropriations for additional gifts, grants, and other nongeneral fund revenue which require a general fund match as a condition
27 of their acceptance; or

28 6) realize cost savings in excess of the additional funds provided, or

29 7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or

30 8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 l of this act, or

31 9) address caseload or workload changes in programs approved by the General Assembly.

32 b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

33 c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from
34 donations, gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and
35 verify their accuracy, as part of the budget planning and review process.

36 d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the
37 Director, Department of Planning and Budget. Expenditures from any gift, grant or donation shall be in accordance with the
38 purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject
39 to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General, and 4-5.03 b Services and Clients-New Services,
40 of this act.

41 e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations,
42 Gifts, Grants, and Contracts of this act.

43 4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of
44 the fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director,
45 Department of Planning and Budget, unless the General Assembly shall have specifically provided otherwise. Revenues
46 deposited to the Virginia Health Care Fund shall be used only as the state share of Medicaid, unless the General Assembly
47 specifically authorizes an alternate use. With regard to the appropriation of other nongeneral fund cash balances, the Director

1 shall make a listing of such transactions available to the public via electronic means no less than ten business days following the
2 approval of the appropriation of any such balance.

3 5. Reporting:

4 The Director, Department of Planning and Budget, shall make available via electronic means a report on increases in unappropriated
5 nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.

6 b. AGRIBUSINESS EQUIPMENT FOR THE DEPARTMENT OF CORRECTIONS

7 The Director of the Department of Planning and Budget may increase the Department of Corrections appropriation for the purchase
8 of agribusiness equipment or the repair or construction of agribusiness facilities by an amount equal to fifty percent of any annual
9 amounts in excess of fiscal year 1992 deposits to the general fund from agribusiness operations. It is the intent of the General
10 Assembly that appropriation increases for the purposes specified shall not be used to reduce the general fund appropriations for the
11 Department of Corrections.

12 § 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

13 a. GENERAL FUND OPERATING EXPENSE:

14 1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium or (ii) the last day of the first
15 year of the current biennium, shall be reappropriated and allotted for expenditure where required by the Code of Virginia, where
16 necessary for the payment of preexisting obligations for the purchase of goods or services, or where desirable, in the determination
17 of the Governor, to address any of the six conditions listed in § 4-1.03 c.5 of this act or to provide financial incentives to reduce
18 spending to effect current or future cost savings. With the exception of the unexpended general fund appropriations of agencies in
19 the Legislative Department, the Judicial Department, the Independent Agencies, or institutions of higher education, all other such
20 unexpended general fund appropriations unexpended on the last day of the previous biennium or the last day of the first year of the
21 current biennium shall revert to the general fund.

22 b) General fund appropriations for agencies in the Legislative Department, the Judicial Department, and the Independent Agencies
23 shall be reappropriated, except as may be specifically provided otherwise by the General Assembly. General fund appropriations
24 shall also be reappropriated for institutions of higher education, subject to § 23.1-1002, Code of Virginia.

25 c) To improve the stability in institutional planning and predictability for students and families to prepare for the cost of higher
26 education, public higher education institutions are encouraged to employ the financial management strategy of establishing an
27 institutional reserve fund supported by any unexpended education and general appropriations of the institution at the end of the fiscal
28 year. The establishment of such a fund is designed to foster more long-term planning, promote efficient resource utilization and
29 reduce the need for substantial year-to-year increases in tuition, thereby increasing affordability for Virginians. Independent of the
30 provisions of § 23.1-1001, institutions are authorized to carry over education and general unexpended balances to establish and
31 maintain a reserve fund in an amount not to exceed six percent of their general fund appropriation for educational and general
32 programs in the most recently-completed fiscal year. Any use of the reserve fund shall be approved by the Board of Visitors of the
33 affected institution, and the institution shall immediately report the details of the approved plan for use of the reserve fund to the
34 Governor, the Secretary of Education, the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance
35 and Appropriations Committees. Any reserve fund shall be subject to the provisions of § 23.1-1303.B.11.

36 2. a. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate
37 Finance and Appropriations and House Appropriations Committees on the reappropriated amounts for each state agency in the
38 Executive Department. He shall provide a preliminary report of reappropriation actions on or before November 1 and a final report
39 on or before December 20 to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees.

40 b. The Director, Department of Planning and Budget, may transfer reappropriated amounts within an agency to cover nonrecurring
41 costs.

42 3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with
43 management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction
44 over the agency or institution, acting jointly.

45 4. The general fund resources available for appropriation in the first enactment of this act include the reversion of certain
46 unexpended balances in operating appropriations as of June 30 of the prior fiscal year, which were otherwise required to be
47 reappropriated by language in the Appropriation Act.

48 5. Upon request, the Director, Department of Planning and Budget, shall provide a report to the Chairmen of the House
49 Appropriations and Senate Finance and Appropriations Committees showing the amount reverted for each agency and the total
50 amount of such reversions.

51 b. NONGENERAL FUND OPERATING EXPENSE:

1 Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a
 2 period of 24 months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general
 3 fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred,
 4 the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General
 5 Assembly. This provision does not apply to funds held in trust by the Commonwealth.

6 c. CAPITAL PROJECTS:

7 1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert
 8 to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding
 9 appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for
 10 completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the
 11 unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not
 12 needed to complete the project.

13 2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall
 14 revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director,
 15 Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with
 16 the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State
 17 Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source
 18 from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or
 19 reappropriation of said nongeneral funds.

20 3. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he
 21 shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for
 22 which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he
 23 may likewise restore any portion of such amount under the same conditions.

24 § 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

25 a. LIMITED CONTINUATION OF APPROPRIATIONS.

26 Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last
 27 day of the previous biennium shall be continued in force for such period, not exceeding 10 days from such date, as may be
 28 necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of
 29 business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of
 30 the last day of the previous biennium, against such unexpended balances.

31 b. LIMITATIONS ON CASH DISBURSEMENTS.

32 Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth
 33 for each subsequent fiscal year on or about 10 days before the start of such fiscal year. The books will be open only to enter
 34 budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an
 35 emergency arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30,
 36 the State Comptroller may, with notification to the Auditor of Public Accounts, authorize the disbursement of funds drawn
 37 against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the
 38 general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in
 39 accordance with bond documents, trust indentures, and/or escrow agreements.

40 § 4-1.07 ALLOTMENTS

41 Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority,
 42 4-1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and
 43 Budget, shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia,
 44 and the authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if
 45 the personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the
 46 head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and
 47 Budget, under this section.

48 § 4-2.00 REVENUES

49 § 4-2.01 NONGENERAL FUND REVENUES

50 a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

51 1. a) No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor
 52 except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds,

1 except that donations or gifts to the Virginia War Memorial Foundation that are small in size and number and valued at less than
 2 \$5,000, such as library items or small display items, may be approved by the Executive Director of the Virginia War Memorial in
 3 consultation with the Secretary of Veterans Affairs and Homeland Security. All other gifts and donations to the Virginia War
 4 Memorial Foundation must receive written approval from the Secretary of Veterans Affairs and Homeland Security.

5 b) The limits on solicitation and acceptance of donations, gifts, grants, and contracts stated in paragraph 1.a) above shall not apply to
 6 donations, gifts, grants, and contracts associated with support and/or response to the needs and impacts of the COVID-19 pandemic
 7 provided that acceptance of such does not create any ongoing commitments against general or nongeneral fund resources of the
 8 Commonwealth.

9 2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary
 10 donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and
 11 § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of
 12 institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately
 13 incorporated foundation or corporation.

14 3. The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a
 15 lease purchase agreement and subsequently donated to the state agency or institution during or at the expiration of the lease purchase
 16 agreement, provided that the lessor is the Virginia College Building Authority.

17 4. The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-
 18 4.01 Capital Projects-General and 4-5.03 Services and Clients of this act.

19 5. Notwithstanding any other provision of law, public institutions of higher education may enter into agreements or contracts with
 20 nonprofit organizations that provide funding for research or other mission related activities and require use of binding arbitration or
 21 application of the laws of another jurisdiction, upon approval of the Office of the Attorney General.

22 b. HIGHER EDUCATION TUITION AND FEES

23 1. Except as provided in Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly,
 24 and Chapters 675 and 685 of the 2009 Acts of Assembly, all nongeneral fund collections by public institutions of higher education,
 25 including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802,
 26 Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this
 27 act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments
 28 and gifts.

29 2. a) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels
 30 they deem to be appropriate for all resident student groups based on, but not limited to, competitive market rates, provided that the
 31 total revenue generated by the collection of tuition and fees from all students is within the nongeneral fund appropriation for
 32 educational and general programs provided in this act.

33 b) The Boards of Visitors or other governing bodies of institutions of higher education may set tuition and fee charges at levels they
 34 deem to be appropriate for all nonresident student groups based on, but not limited to, competitive market rates, provided that: i) the
 35 tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students cover at least 100
 36 percent of the average cost of their education, as calculated through base adequacy guidelines adopted, and periodically amended, by
 37 the Joint Subcommittee Studying Higher Education Funding Policies, and ii) the total revenue generated by the collection of tuition
 38 and fees from all students is within the nongeneral fund appropriation for educational and general programs provided in this act.

39 c) For institutions charging nonresident students less than 100 percent of the cost of education, the State Council of Higher
 40 Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual
 41 tuition and fee increases for nonresident students that would discourage their enrollment.

42 d) The Boards of Visitors or other governing bodies of institutions of higher education shall not increase the current proportion of
 43 nonresident undergraduate students if the institution's nonresident undergraduate enrollment exceeds 25 percent, unless: i) such
 44 enrollment is intended to support workforce development needs within the Commonwealth of Virginia as identified in consultation
 45 with the Virginia Economic Development Partnership, and ii) the number of in-state undergraduate students does not drop below fall
 46 2018 full-time equivalent census levels as certified by the State Council of Higher Education for Virginia. Norfolk State University,
 47 Virginia Military Institute, Virginia State University, and two-year public institutions are exempt from this restriction. Any such
 48 increases shall be limited to no more than a one percentage point increase over the prior year.

49 3. a) In setting the nongeneral fund appropriation for educational and general programs at the institutions of higher education, the
 50 General Assembly shall take into consideration the appropriate student share of costs associated with providing full funding of the
 51 base adequacy guidelines referenced in subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th
 52 percentile of peer institutions, and other priorities set forth in this act.

53 b) In determining the appropriate state share of educational costs for resident students, the General Assembly shall seek to cover at

- 1 least 67 percent of educational costs associated with providing full funding of the base adequacy guidelines referenced in
2 subparagraph 2. b), raising average salaries for teaching and research faculty to the 60th percentile of peer institutions, and
3 other priorities set forth in this act.
- 4 4. a) Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as
5 well as the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities
6 to citizens of Virginia is served, while recognizing the material contributions provided by the presence of nonresident students.
7 The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student
8 enrollments and the domiciliary status of students.
- 9 b) The State Council of Higher Education for Virginia shall report to the Governor and the Chairmen of the House
10 Appropriations and Senate Finance and Appropriations Committees no later than August 1 of each year the annual change in
11 total charges for tuition and all required fees approved and allotted by the Board of Visitors. As it deems appropriate, the State
12 Council of Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges
13 assessed students for tuition and required fees at institutions outside of the Commonwealth.
- 14 c) Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003
15 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources
16 at the institutions of higher education.
- 17 d) Except for those public institutions of higher education that have a Management Agreement with the Commonwealth of
18 Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations Act, each institution shall
19 work with the State Council of Higher Education for Virginia and the Virginia College Savings Plan to determine appropriate
20 tuition and fee estimates for tuition savings plans.
- 21 5. It is the intent of the General Assembly that each institution's combined general and nongeneral fund appropriation within its
22 educational and general program closely approximate the anticipated annual budget each fiscal year.
- 23 6. Nonresident graduate students employed by an institution as teaching assistants, research assistants, or graduate assistants
24 and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition
25 and fees.
- 26 7. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education
27 includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the
28 construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the
29 Commonwealth of Virginia Educational Facilities Bond Act of 2002.
- 30 8. a) Except for those public institutions of higher education that have a Management Agreement with the Commonwealth of
31 Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations Act, mandatory fees for
32 purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond three percent
33 annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee
34 increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision,
35 provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House
36 Appropriations and Senate Finance and Appropriations Committees by the institution of higher education at least 30 days prior
37 to the effective date of the fee increase.
- 38 b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the
39 General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the
40 General Assembly.
- 41 c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia
42 Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case
43 basis, subject to approval by the State Board for Community Colleges.
- 44 9. Any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the
45 Code of Virginia must absorb the cost of any discretionary waivers.
- 46 10. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional
47 Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to
48 those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.
- 49 c. HIGHER EDUCATION PLANNED EXCESS REVENUES:
- 50 An institution of higher education, except for those public institutions of higher education that have a Management Agreement
51 with the Commonwealth of Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations
52 Act, may generate and retain tuition and fee revenues in excess of those provided in § 4-2.01 b Higher Education Tuition and
53 Fees, subject to the following:

- 1 1. Such revenues are identified by language in the appropriations in this act to any such institution.
- 2 2. The use of such moneys is fully documented by the institution to the Governor prior to each fiscal year and prior to allotment.
- 3 3. The moneys are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as the
- 4 basis for funding in subsequent biennia.
- 5 4. The receipt and expenditure of these moneys shall be recorded as restricted funds on the books of the Department of Accounts and
- 6 shall not revert to the surplus of the general fund at the end of the biennium.
- 7 5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-1.04
- 8 a.3 Gifts, Grants, and Other Nongeneral Funds of this act.

9 § 4-2.02 GENERAL FUND REVENUE

10 a. STATE AGENCY PAYMENTS INTO GENERAL FUND:

11 1. Except as provided in § 4-2.02 a.2., all moneys, fees, taxes, charges and revenues received at any time by the following agencies

12 from the sources indicated shall be paid immediately into the general fund of the state treasury:

13 a) Marine Resources Commission, from all sources, except:

14 1) Revenues payable to the Public Oyster Rocks Replenishment Fund established by § 28.2-542, Code of Virginia.

15 2) Revenue payable to the Virginia Marine Products Fund established by § 3.2-2705, Code of Virginia.

16 3) Revenue payable to the Virginia Saltwater Recreational Fishing Development Fund established by § 28.2-302.3, Code of

17 Virginia.

18 4) Revenue payable to the Marine Fishing Improvement Fund established by § 28.2-208, Code of Virginia.

19 5) Revenue payable to the Marine Habitat and Waterways Improvement Fund established by § 28.2-1206, Code of Virginia.

20 6) Revenue payable to the Oyster Leasing Conservation and Replenishment Programs Fund.

 44 inform the Committee, and ensure that such money or property, or both, is distributed or used, or both, in a manner that is

3 agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall reflect
4 the indirect costs in the program incurring the costs.

5 2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director, Department of
6 Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of such excess
7 indirect cost recovery. Such increase shall be made in the program incurring the costs.

8 3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically

31 § 4-3.01 DEFICITS

32 a. GENERAL:

33 1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations

35 expend moneys in excess of nongeneral fund revenues that are collected and appropriated.

36 2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

37 a) an unanticipated federal or judicial mandate has been imposed,

38 b) insufficient moneys are available in the first year of the biennium for start-up of General Assembly-approved action, or

39 c) delay pending action by the General Assembly at its next legislative session will result in the curtailment of services required by
40 statute or those required by federal mandate or will produce a threat to life, safety, health or property.

41 d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this
42 act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance and Appropriations
43 Committees within five calendar days of deficit approval.

44 3. Deficits shall not be authorized for capital projects.

45 4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital
46 nature not covered by § 4-4.00 Capital Projects, of this act provided such projects a) are delineated in the Virginia Transportation

1 Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and b) have sufficient cash
 2 allocated to each such project to cover projected costs in each year of the Program; and provided that c) sufficient revenues are
 3 projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the
 4 General Assembly in the biennial budget.

5 b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an
 6 unauthorized deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further,
 7 there shall be no reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any
 8 appropriation hereafter to meet such unauthorized deficit. Further, those members of the governing board of any such agency
 9 who shall have voted therefor, or its head if there be no governing board, making any such excess obligation or expenditure
 10 shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be
 11 deemed guilty of neglect of official duty and be subject to removal therefor. Further, the State Comptroller is hereby directed to
 12 make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed to set out
 13 such unauthorized deficits in the next biennium budget. In addition, the Governor is directed to bring this provision of this act
 14 to the attention of the members of the governing board of each state agency, or its head if there be no governing board, within
 15 two weeks of the date that this act becomes effective. The governing board or the agency head shall execute and return to the
 16 Governor a signed acknowledgment of such notification.

17 c. TOTAL AUTHORIZED DEFICITS: The amount which the Governor may authorize, under the provisions of this section
 18 during the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state
 19 agencies, or other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one
 20 and one-half percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined in § 4-
 21 2.02 b. of this act during the last year of the previous biennium and the first year of the current biennium.

22 d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and
 23 Senate Finance and Appropriations Committees within five calendar days of deficit approval. By August 15 of each year, the
 24 Governor shall provide a comprehensive report to the Chairmen of the House Appropriations and Senate Finance and
 25 Appropriations Committees detailing all such deficits.

26 § 4-3.02 TREASURY LOANS

27 a. AUTHORIZED DEFICIT LOANS: A state agency requesting authorization for deficit spending shall prepare a plan for the
 28 Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to
 29 eliminate the deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a
 30 deficit under the provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized
 31 amount on such terms and from such sources as may be approved by the Governor. At the close of business on the last day of
 32 the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is
 33 contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next
 34 biennial budget all such loans which require an appropriation for repayment. A copy of the approved plan to eliminate the
 35 deficit shall be transmitted to the Chairmen of the House Appropriations and the Senate Finance and Appropriations

14 activities.
- 15 f. Legislative Approval: It is the intent of the General Assembly that, with the exceptions noted in this paragraph and paragraph m,

17 to approvals by the General Assembly as provided in the Six-Year Capital Outlay Plan established pursuant to § 2.2-1515, et seq.,
18 Code of Virginia. Otherwise, the consideration of capital projects shall be limited to:
- 19 1. Supplementing projects which have been bid and determined to have insufficient funding to be placed under contract, and
20 2. Projects declared by the Governor or the General Assembly to be of an emergency nature, which may avoid an increase in cost or
21 otherwise result in a measurable benefit to the state, and/or which are required for the continued use of existing facilities.
- 22 3. This paragraph does not prohibit the initiation of projects authorized by § 4-4.01 I hereof, or projects included under the central
23 appropriations for capital project expenses in this act.
- 24 g. Preliminary Requirements: In regard to each capital project for which appropriation or reappropriation is made pursuant to this
25 act, or which is hereafter considered by the Governor for inclusion in the Executive Budget, or which is offered as a gift or is
26 considered for purchase, the Governor is hereby required: (1) to determine the urgency of its need, as compared with the need for
27 other capital projects as herein authorized, or hereafter considered; (2) to determine whether the proposed plans and specifications
28 for each capital project are suitable and adequate, and whether they involve expenditures which are excessive for the purposes
29 intended; (3) to determine whether labor, materials, and other requirements, if any, needed for the acquisition or construction of such
30 project can and will be obtained at reasonable cost; and (4) to determine whether or not the project conforms to a site or master plan
31 approved by the agency head or board of visitors of an institution of higher education for a program approved by the General
32 Assembly.
- 33 h. Initiation Generally:

- 36 2. The requirements of § 10.1-1190, Code of Virginia, shall be met prior to the release of funds for a major state project, provided,
37 however, that the Governor or his designee is authorized to release from any appropriation for a major state project made pursuant to
38 this act such sum or sums as may be necessary to pay for the preparation of the environmental impact report required by § 10.1-
39 1188, Code of Virginia.
- 40 3. The Governor, at his discretion, or his designee may release from any capital project appropriation or reappropriation made
41 pursuant to this act such sum (or sums) as may be necessary to pay for the preparation of plans and specifications by architects and
42 engineers, provided that the estimated cost of the construction covered by such drawings and specifications does not exceed the
43 appropriation therefor; provided, further, however, that the architectural and engineering fees paid on completion of the preliminary
44 design for any such project may be based on such estimated costs as may be approved by the Governor in writing, where it is shown
45 to the satisfaction of the Governor that higher costs of labor or material, or both, or other unforeseen conditions, have made the
46 appropriation inadequate for the completion of the project for which the appropriation was made, and where in the judgment of the
47 Governor such changed conditions justify the payment of architectural or engineering fees based on costs exceeding the
48 appropriation.
- 49 4. Architectural or engineering contracts shall not be awarded in perpetuity for capital projects at any state institution, agency or
50 activity.
- 51 i. Capital Projects Financed with Bonds: Capital projects proposed to be financed with (i) 9 (c) general obligation bonds or (ii) 9(d)
52 obligations where debt service is expected to be paid from project revenues or revenues of the agency or institution, shall be
53 reviewed as follows:

1. By August 15 of each year, requests for inclusion in the Executive Budget of capital projects to be financed with 9(c) general obligation bonds shall be submitted to the State Treasurer for evaluation of financial feasibility. Submission shall be in accordance with the instructions prescribed by the State Treasurer. The State Treasurer shall distribute copies of financial feasibility studies to the Director, Department of Planning and Budget, the Secretary for the submitting agency or institution, the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees, and the Director, State Council of Higher Education for Virginia, if the project is requested by an institution of higher education.
2. By August 15 of each year, institutions shall also prepare and submit copies of financial feasibility studies to the State Council of Higher Education for Virginia for 9(d) obligations where debt service is expected to be paid from project revenues or revenues of the institution. The State Council of Higher Education for Virginia shall identify the impact of all projects requested by the institutions of higher education, and as described in § 4-4.01 j.1. of this act, on the current and projected cost to students in institutions of higher education and the impact of the project on the institution's need for student financial assistance. The State Council of Higher Education for Virginia shall report such information to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees no later than October 1 of each year.
3. Prior to the issuance of debt for 9(c) general obligation projects, when more than one year has elapsed since the review of financial feasibility specified in § 4-4.01 j 1 above, an updated feasibility study shall be prepared by the agency and reviewed by the State Treasurer prior to requesting the Governor's Opinion of Financial Feasibility required under Article X, Section 9 (c), of the Constitution of Virginia.
- j. Transfers to supplement capital projects from nongeneral funds may be made under the conditions set forth in §§ 4-1.03 a, 4-1.04 a.3, and 4-4.01 l of this act.
- k.1. Change in Size and Scope: Unless otherwise provided by law, the scope, which is the function or intended use, of any capital project may not be substantively changed, nor its size increased or decreased by more than five percent in size beyond the plans and justification which were the basis for the appropriation or reappropriation in this act or for the Governor's authorization pursuant to § 4-4.01 l of this act. However, this prohibition is not applicable to changes in size and scope required because of circumstances determined by the Governor to be an emergency, or requirements imposed by the federal government when such capital project is for armories or other defense-related installations and is funded in whole or in part by federal funds. Furthermore, this prohibition shall not apply to minor increases, beyond five percent, in square footage determined by the Director, Department of General Services, to be reasonable and appropriate based on a written justification submitted by the agency stating the reason for the increase, with the provision that such increase will not increase the cost of the project beyond the amount appropriated; nor to decreases in size beyond five percent to offset unbudgeted costs when such costs are determined by the Director, Department of Planning and Budget, to be reasonable based on a written justification submitted by the agency specifying the amount and nature of the unbudgeted costs and the types of actions that will be taken to decrease the size of the project. The written justification shall also include a certification, signed by the agency head, that the resulting project will be consistent with the original programmatic intent of the appropriations.
2. If space planning, energy conservation, and environmental standards guides for any type of construction have been approved by the Governor or the General Assembly, the Governor shall require capital projects to conform to such planning guides.
- l. Projects Not Included In This Act:
1. Authorization by Governor:
- a) The Governor may authorize initiation of, planning for, construction of or acquisition of a nongeneral fund capital project not specifically included in this act or provided for a program approved by the General Assembly through appropriations, under one or more of the following conditions:
- 1) The project is required to meet an emergency situation.
 - 2) The project is to be operated as an auxiliary enterprise or sponsored program in an institution of higher education and will be fully funded by revenues of auxiliary enterprises or sponsored programs.
 - 3) The project is to be operated as an educational and general program in an institution of higher education and will be fully funded by nongeneral fund revenues of educational and general programs or from private gifts and indirect cost recoveries.
 - 4) The project consists of plant or property which has become available or has been received as a gift.
 - 5) The project has been recommended for funding by the Tobacco Indemnification and Community Revitalization Commission or the Virginia Tobacco Settlement Foundation.
- b) The foregoing conditions are subject to the following criteria:
- 1) Funds are available within the appropriations made by this act (including those subject to §§ 4-1.03 a, 4-1.04 a.3, and 4-2.03)

- 1 without adverse effect on other projects or programs, or from unappropriated nongeneral fund revenues or balances.
- 2 2) In the Governor's opinion such action may avoid an increase in cost or otherwise result in a measurable benefit to the state.
- 3 3) The authorization includes a detailed description of the project, the project need, the total project cost, the estimated operating
4 costs, and the fund sources for the project and its operating costs.
- 5 4) The Chairmen of the House Appropriations and Senate Finance and Appropriations Committees shall be notified by the Governor
6 prior to the authorization of any capital project under the provisions of this subsection.
- 7 5) Permanent funding for any project initiated under this section shall only be from nongeneral fund sources.
- 8 2. Authorization by Director, Department of Planning and Budget:
- 9 a) The Director, Department of Planning and Budget, may authorize initiation of a capital project not included in this act, if the
10 General Assembly has enacted legislation to fund the project from bonds of the Virginia Public Building Authority, Virginia College
11 Building Authority, or from reserves created by refunding of bonds issued by those Authorities.
- 12 3. Delegated authorization by Boards of Visitors, Public Institutions of Higher Education:
- 13 a) In accordance with § 4-5.06 of this act, the board of visitors of any public institution of higher education that: i) has met the
14 eligibility criteria set forth in Chapters 933 and 945 of the 2005 Acts of Assembly for additional operational and administrative
15 autonomy, including having entered into a memorandum of understanding with the Secretary of Administration for delegated
16 authority of nongeneral fund capital outlay projects, and ii) has received a sum sufficient nongeneral fund appropriation for
17 emergency projects as set out in Part 2: Capital Project Expenses of this act, may authorize the initiation of any capital project that is
18 not specifically set forth in this act provided that the project meets at least one of the conditions and criteria identified in § 4-4.01 I 1
19 of this act.
- 20 b) At least 30 days prior to the initiation of a project under this provision, the board of visitors must notify the Governor and
21 Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and must provide a life-cycle budget
22 analysis of the project. Such analysis shall be in a form to be prescribed by the Auditor of Public Accounts.
- 23 c) The Commonwealth of Virginia shall have no general fund obligation for the construction, operation, insurance, routine
24 maintenance, or long-term maintenance of any project authorized by the board of visitors of a public institution of higher education
25 in accordance with this provision.
- 26 m. Acquisition, maintenance, and operation of buildings and nonbuilding facilities in colleges and universities shall be subject to the
27 following policies:
- 28 1. The anticipated program use of the building or nonbuilding facility should determine the funding source for expenditures for
29 acquisition, construction, maintenance, operation, and repairs.
- 30 2. For new campuses to be established within the Virginia Community College System, expenditures for land acquisition, site
31 preparation beyond five feet from a building, and the construction of additional outdoor lighting, sidewalks, outdoor athletic and
32 recreational facilities, and parking lots in the Virginia Community College System shall be made only from appropriated federal
33 funds, Trust and Agency funds, including local government allocations or appropriations, or the proceeds of indebtedness authorized
34 by the General Assembly.
- 35 3. The general policy of the Commonwealth shall be that parking services are to be operated as an auxiliary enterprise by all colleges
36 and universities. Institutions should develop sufficient reserves for ongoing maintenance and replacement of parking facilities.
- 37 4. Except as provided in paragraph 2 above, expenditures for maintenance, replacement, and repair of outdoor lighting, sidewalks,
38 and other infrastructure facilities may be made from any appropriated funds.
- 39 5. Expenditures for operations, maintenance, and repair of athletic, recreational, and public service facilities, both indoor and
40 outdoor, should be from nongeneral funds. However, this condition shall not apply to any indoor recreational facility existing on a
41 community college campus as of July 1, 1988.
- 42 6.a.1. At institutions of higher education that have met the eligibility criteria for additional operational and administrative authority
43 as set forth in Chapters 933 and 945 of the 2005 Acts of Assembly or Chapters 824 and 829 of the 2008 Acts of Assembly, any
44 repair, renovation, or new construction project costing up to \$3,000,000 shall be exempt from the capital outlay review and approval
45 process. For purposes of this paragraph, projects shall not include any subset of a series of projects, which in combination would
46 exceed the \$3,000,000 maximum.
- 47 2. All state agencies and institutions of higher education shall be exempt from the capital review and approval process for repair,
48 renovation, or new construction projects costing up to \$3,000,000.
- 49 b. Blanket authorizations funded entirely by nongeneral funds may be used for 1) renovation and infrastructure projects costing up to

- 1 \$3,000,000 and 2) the planning of nongeneral fund new construction and renovation projects through bidding, with bid award
 2 made after receipt of a construction authorization. The Director, Department of Planning and Budget, may provide exemptions
 3 to the threshold.
- 4 7. It is the policy of the Commonwealth that the institutions of higher education shall treat the maintenance of their facilities as
 5 a priority for the allocation of resources. No appropriations shall be transferred from the "Operation and Maintenance of Plant"
 6 subprogram except for closely and definitely related purposes, as approved by the Director, Department of Planning and
 7 Budget, or his designee. A report providing the rationale for each approved transfer shall be made to the Chairmen of the House
 8 Appropriations and Senate Finance and Appropriations Committees.
- 9 n. Legislative Intent and Reporting: Appropriations for capital projects shall be deemed to have been made for purposes which
 10 require their expenditure, or being placed under contract for expenditure, during the current biennium. Agencies to which such
 11 appropriations are made in this act or any other act are required to report progress as specified by the Governor. If, in the
 12 opinion of the Governor, these reports do not indicate satisfactory progress, he is authorized to take such actions as in his
 13 judgment may be necessary to meet legislative intent as herein defined. Reporting on the progress of capital projects shall be in
 14 accordance with § 4-8.00, Reporting Requirements.
- 15 o. No expenditure from a general fund appropriation in this act shall be made to expand or enhance a capital outlay project
 16 beyond that anticipated when the project was initially approved by the General Assembly except to comply with requirements
 17 imposed by the federal government when such capital project is for armories or other defense-related installations and is funded
 18 in whole or in part by federal funds. General fund appropriations in excess of those necessary to complete the project shall not
 19 be reallocated to expand or enhance the project, or be reallocated to a different project. The prohibitions in this subsection shall
 20 not apply to transfers from projects for which reappropriations have been authorized.
- 21 p. Local or private funds to be used for the acquisition, construction or improvement of capital projects for state agency use as
 22 owner or lessee shall be deposited into the state treasury for appropriation prior to their expenditure for such projects.
- 23 q. State-owned Registered Historic Landmarks: To guarantee that the historical and/or architectural integrity of any state-
 24 owned properties listed on the Virginia Landmarks Register and the knowledge to be gained from archaeological sites will not
 25 be adversely affected because of inappropriate changes, the heads of those agencies in charge of such properties are directed to
 26 submit all plans for significant alterations, remodeling, redecoration, restoration or repairs that may basically alter the
 27 appearance of the structure, landscaping, or demolition to the Department of Historic Resources. Such plans shall be reviewed
 28 within thirty days and the comments of that department shall be submitted to the Governor through the Department of General
 29 Services for use in making a final determination.
- 30 r.1. The Governor may authorize the conveyance of any interest in property or improvements thereon held by the
 31 Commonwealth to the educational or real estate foundation of any institution of higher education where he finds that such
 32 property was acquired with local or private funds or by gift or grant to or for the use of the institution, and not with funds
 33 appropriated to the institution by the General Assembly. Any approved conveyance shall be exempt from § 2.2-1156, Code of
 34 Virginia, and any other statute concerning conveyance, transfer or sale of state property. If the foundation conveys any interest
 35 in the property or any improvements thereon, such conveyance shall likewise be exempt from compliance with any statute
 36 concerning disposition of state property. Any income or proceeds from the conveyance of any interest in the property shall be
 37 deemed to be local or private funds and may be used by the foundation for any foundation purpose.
- 38 2. This section shall not apply to public institutions of higher education that have a Management Agreement with the
 39 Commonwealth of Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations Act.
- 40 s.1. Facility Lease Agreements Involving Institutions of Higher Education: In the case of any lease agreement involving state-
 41 owned property controlled by an institution of higher education, where the lease has been entered into consistent with the
 42 provisions of § 2.2-1155, Code of Virginia, the Governor may amend, adjust or waive any project review and reporting
 43 procedures of Executive agencies as may reasonably be required to promote the property improvement goals for which the
 44 lease agreement was developed.
- 45 2. This section shall not apply to public institutions of higher education that have a Management Agreement with the
 46 Commonwealth of Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations Act.
- 47 t. Energy-efficiency Projects: Improvements to state-owned properties for the purpose of energy-efficiency shall be treated as
 48 follows:
- 49 1. Such improvements shall be considered an operating expense, provided that:
- 50 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of
 51 Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-
 52 1989 and is limited to measures listed in guidelines issued by the Department of General Services;
- 53 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board

- 1 approval and is executed through a nonprofessional services contract with a vendor approved by the Department of General
2 Services;
- 3 c) the scope of work has been reviewed and recommended by the Department of Energy;
- 4 d) the total cost does not exceed \$3,000,000; and
- 5 e) if the total cost exceeds \$3,000,000, but does not exceed \$7,000,000, the energy savings from the project offset the total cost of
6 the project, including debt service and interest payments.
- 7 2. If (a) the total cost of the improvement exceeds \$7,000,000 or (b) the total cost exceeds \$3,000,000, but does not exceed
8 \$7,000,000, and the energy savings from the project do not fully offset the total cost of the project, including debt services and
9 interest payments, the improvement shall be considered a capital expense regardless of the type of improvement and the following
10 conditions must be met:
- 11 a) the scope of the project meets or exceeds the applicable energy-efficiency standards set forth in the American Society of Heating,
12 Refrigerating, and Air Conditioning Engineers (ASHRAE), the Illuminating Engineering Society (IES) standard 90.1-1989 and is
13 limited to measures listed in guidelines issued by the Department of General Services;
- 14 b) the project is financed consistent with the provisions of § 2.2-2417, Code of Virginia, which requires Treasury Board approval
15 and is executed through a nonprofessional services contract with a vendor approved by the Department of General Services;
- 16 c) the scope of work has been reviewed and recommended by the Department of Energy;
- 17 d) the project has been reviewed by the Department of Planning and Budget; and
- 18 e) the project has been approved by the Governor.
- 19 3. If the total project exceeds \$250,000, the agency director will submit written notification to the Director, Department of Planning
20 and Budget, verifying that the project meets all of the conditions in subparagraph 1 above.
- 21 The provisions of §§ 2.0 and 4-4.01 of this act and the provisions of § 2.2-1132, Code of Virginia, shall not apply to energy
22 conservation projects that qualify as capital expenses.
- 23 4. As used in this paragraph, “improvement” does not include (a) constructing, enlarging, altering, repairing or demolishing a
24 building or structure, (b) changing the use of a building either within the same use group or to a different use group when the new
25 use requires greater degrees of structural strength, fire protection, exit facilities or sanitary provisions, or (c) removing or disturbing
26 any asbestos-containing materials during demolition, alteration, renovation of or additions to building or structures. If the projected
27 scope of an energy-efficiency project includes any of these elements, it shall be subject to the capital outlay process as set out in this
28 section.
- 29 5. The Director, Department of Planning and Budget, shall notify the Chairmen of the House Appropriations and Senate Finance and
30 Appropriations Committees upon the initiation of any energy-efficiency projects under the provisions of this paragraph.
- 31 u. No expenditures shall be authorized for the purchase of fee simple title to any real property to be used for a correctional facility or
32 for the actual construction of a correctional facility provided for in this act, or by reference hereto, that involves acquisition or new
33 construction of youth or adult correctional facilities on real property which was not owned by the Commonwealth on January 1,
34 1995, until the governing body of the county, city or town wherein the project is to be located has adopted a resolution supporting
35 the location of such project within the boundaries of the affected jurisdiction. The foregoing does not prohibit expenditures for site
36 studies, real estate options, correctional facility design and related expenditures.
- 37 v. Except for institutions of higher education that have a Management Agreement with the Commonwealth of Virginia pursuant to
38 the Restructured Higher Education Financial and Administrative Operations Act, any alternative financing agreement entered into
39 between a state agency or institution of higher education and a private entity or affiliated foundation must be reviewed and approved
40 by the Treasury Board.
- 41 w. Prior to requesting authorization for new dormitory capital projects, institutions of higher education shall conduct a cost study to
42 determine whether an alternative financing arrangement or public-private transaction would provide a more effective option for the
43 construction of the proposed facility. This study shall be submitted to the Department of Planning and Budget as part of the budget
44 development process and shall be evaluated by the Governor prior to submitting his proposed budget.
- 45 x. Construction or improvement projects of the Department of Military Affairs are not exempt from the capital outlay review process
46 when the state procurement process is utilized, except for those projects with both an estimated cost of \$3,000,000 or less and are
47 100 percent federally reimbursed. The Department of Military Affairs shall submit by July 30 of each year to the Department of
48 Planning and Budget a list of such projects that were funded pursuant to this exemption in the previous fiscal year and any projects
49 that would be eligible for such funding in future fiscal years.

1 a. It shall be the intent of the General Assembly to make biennial appropriations for a capital improvements program sufficient
2 to address the program needs of the Commonwealth. The capital improvements program shall include maintenance and
3 deferred maintenance of the Commonwealth's existing facilities, and of the facility requirements necessary to deliver the
4 programs of state agencies and institutions.

5 b. In effecting these policies, the Governor shall establish a capital budget plan to address the renewal and replacement of the
6 Commonwealth's physical plant, using such guidelines as recommended by industry or government to maintain the
7 Commonwealth's investment in its property and plant.

8 § 4-5.00 SPECIAL CONDITIONS AND RESTRICTIONS ON EXPENDITURES

9 § 4-5.01 TRANSACTIONS WITH INDIVIDUALS

10 a. SETTLEMENT OF CLAIMS: Whenever a dispute, claim or controversy involving the interest of the Commonwealth is
11 settled pursuant to § 2.2-514, Code of Virginia, payment may be made out of any appropriations, designated by the Governor,
12 to the state agency(ies) which is (are) party to the settlement.

13 b. STUDENT FINANCIAL ASSISTANCE FOR HIGHER EDUCATION:

14 1. General:

15 a) The appropriations made in this act to state institutions of higher education within the Items for student financial assistance
16 may be expended for any one, all, or any combination of the following purposes: grants to undergraduate students enrolled at
17 least one-half time in a degree, certificate, industry-based certification and related programs that do not qualify for other
18 sources of student financial assistance or diploma program; grants to full-time graduate students; graduate assistantships; grants
19 to students enrolled full-time in a dual or concurrent undergraduate and graduate program. The institutions may also use these
20 appropriations for the purpose of supporting work study programs. The institution is required to transfer to educational and
21 general appropriations all funds used for work study or to pay graduate assistantships. Institutions may also contribute to
22 federal or private student grant aid programs requiring matching funds by the institution, except for programs requiring work.
23 The State Council of Higher Education for Virginia shall annually review each institution's plan for the expenditures of its
24 general fund appropriation for undergraduate student financial assistance prior to the start of the fall term to determine program
25 compliance. The institution's plan shall include the institution's assumptions and calculations for determining the cost of
26 attendance, student financial need, and student remaining need as well as an award schedule or description of how funds are
27 awarded. For the purposes of the proposed plan, each community college shall be considered independently. No limitations
28 shall be placed on the awarding of nongeneral fund appropriations made in this act to state institutions of higher education
29 within the Items for student financial assistance other than those found previously in this paragraph and as follows: (i) funds
30 derived from in-state student tuition will not subsidize out-of-state students, (ii) students receiving these funds must be making
31 satisfactory academic progress, (iii) awards made to students should be based primarily on financial need, and (iv) institutions
32 should make larger grant and scholarship awards to students taking the number of credit hours necessary to complete a degree
33 in a timely manner.

34 b) All awards made to undergraduate students from such Items shall be for Virginia students only and such awards shall offset
35 all, or portions of, the costs of tuition and required fees, and, in the case of students qualifying under subdivision b 2 c)1)
36 hereof, the cost of books. All undergraduate financial aid award amounts funded by this appropriation shall be proportionate to
37 the remaining need of individual students, with students with higher levels of remaining need receiving grants before other
38 students. No criteria other than the need of the student shall be used to determine the award amount. Because of the low cost of
39 attendance and recognizing that federal grants provide a much higher portion of cost than at other institutions, a modified
40 approach and minimum award amount for the neediest VGAP student should be implemented for community college and
41 Richard Bland College students based on remaining need and the combination of federal and grant state aid. Student financial
42 need shall be determined by a need-analysis system approved by the Council.

43 c)1) All need-based awards made to graduate students shall be determined by the use of a need-analysis system approved by the
44 Council.

45 2) As part of the six-year financial plans required in the provisions of Chapters 933 and 945 of the 2005 Acts of Assembly,
46 each institution of higher education shall report the extent to which tuition and fee revenues are used to support graduate
47 student aid and graduate compensation and how the use of these funds impacts planned increases in student tuition and fees.

48 d) A student who receives a grant under such Items and who, during a semester, withdraws from the institution which made the
49 award must surrender the unearned portion. The institution shall calculate the unearned portion of the award based on the
50 percentage used for federal Return to Title IV program purposes.

51 e) An award made under such Items to assist a student in attending an institution's summer session shall be prorated according
52 to the size of comparable awards made in that institution's regular session.

53 f) The provisions of this act under the heading "Student Financial Assistance for Higher Education" shall not apply to (1) the

1 soil scientist scholarships authorized under § 23.1-615, Code of Virginia and (2) need-based financial aid programs for industry-
 2 based certification and related programs that do not qualify for other sources of student financial assistance, which will be subject to
 3 guidelines developed by the State Council of Higher Education for Virginia.

4 g) Unless noted elsewhere in this act, general fund awards shall be named "Commonwealth" grants.

5 h) Unless otherwise provided by statute, undergraduate awards shall not be made to students seeking a second or additional
 6 baccalaureate degree until the financial aid needs of first-degree seeking students are fully met.

7 i) In determining financial need for student financial assistance, the institution shall recognize the federal Student Aid Index at no
 8 less than zero.

9 j) Students receiving student financial assistance in 2023-2024 may be considered for Virginia Student Financial Assistance Program
 10 awards based on the Expected Family Contribution demonstrated in 2023-2024, or appropriately adjusted need as determined by the
 11 institution, for as long as the student maintains continuous enrollment, unless granted an exception for cause by the State Council of
 12 Higher Education for Virginia, until current degree completion or current degree program eligibility limits have otherwise expired,
 13 whichever comes first.

14 k) Notwithstanding any other provision of law to the contrary, the Student Aid Index as calculated according to federal Title IV
 15 financial aid methodology shall be deemed an approved replacement of any mention or use of the precedent federal Expected Family
 16 Contribution for purposes of administrating state higher education financial aid programs.

17 l) Notwithstanding any other provision of law to the contrary, private institutions admitted on or after January 1, 2024 in any state
 18 program of higher education financial assistance shall (i) be a nonprofit private institution of higher education whose primary
 19 purpose is to provide collegiate, graduate, or professional education and not to provide religious training or theological education;
 20 (ii) be formed, chartered, established, or incorporated within the Commonwealth; (iii) have their principal place of business within
 21 the Commonwealth; (iv) conduct their primary educational activity within the Commonwealth; and (v) be accredited by a nationally
 22 recognized regional institutional accrediting agency.

23 2. Grants To Undergraduate Students:

24 a) Each institution which makes undergraduate grants paid from its appropriation for student financial assistance shall expend such
 25 sums as approved for that purpose by the Council.

26 b) A student receiving an award must be duly admitted and enrolled in a degree, certificate or diploma program at the institution
 27 making the award, and shall be making satisfactory academic progress as defined by the institution for the purposes of eligibility
 28 under Title IV of the federal Higher Education Act, as amended.

29 c)1) It is the intent of the General Assembly that students eligible under the Virginia Guaranteed Assistance Program (VGAP)
 30 authorized in Title 23.1, Chapter 4.4:2, Code of Virginia, shall receive grants before all other students at the same institution with
 31 equivalent remaining need from the appropriations for undergraduate student financial assistance found in Part 1 of this act (service
 32 area 1081000 - Scholarships). In each instance, VGAP eligible students shall receive awards greater than other students with
 33 equivalent remaining need.

34 2) The amount of each VGAP grant shall vary according to each student's remaining need and the total of tuition, all required fees
 35 and the cost of books at the institution the student will attend upon acceptance for admission. The actual amount of the VGAP award
 36 will be determined by the proportionate award schedule adopted by each institution; however, those students with the greatest
 37 financial need shall be guaranteed an award at least equal to tuition.

38 3) It is the intent of the General Assembly that the Virginia Guaranteed Assistance Program serve as an incentive to financially
 39 needy students now attending elementary and secondary school in Virginia to raise their expectations and their academic
 40 performance and to consider higher education an achievable objective in their futures.

41 4) Students may not receive a VGAP and a Commonwealth grant in the same semester.

42 d) Of the amount allocated for undergraduate need-based financial aid, up to one percent may be used for emergency assistance
 43 programs for students facing a financial emergency that puts them at risk of dropping out. The Council shall establish reporting
 44 guidelines and approve criteria for making student awards.

45 3. Grants To Graduate Students:

46 a) An individual award may be based on financial need but may, in addition to or instead of, be based on other criteria determined by
 47 the institution making the award. The amount of an award shall be determined by the institution making the award; however, the
 48 Council shall annually be notified as to the maximum size of a graduate award that is paid from funds in the appropriation.

49 b) A student receiving a graduate award paid from the appropriation must be duly admitted into a graduate degree program at the
 50 institution making the award.

- 1 c) Not more than 50 percent of the funds designated by an institution as graduate grants from the appropriation, and approved
2 as such by the Council, shall be awarded to persons not eligible to be classified as Virginia domiciliary resident students except
3 in cases where the persons meet the criteria outlined in § 4-2.01b.6.
- 4 4. Matching Funds: Any institution of higher education may, with the approval of the Council, use funds from its appropriation
5 for fellowships and scholarships to provide the institutional contribution to any student financial aid program established by the
6 federal government or private sources which requires the matching of the contribution by institutional funds, except for
7 programs requiring work.
- 8 5. Discontinued Loan Program:
- 9 a) If any federal student loan program for which the institutional contribution was appropriated by the General Assembly is
10 discontinued, the institutional share of the discontinued loan program shall be repaid to the fund from which the institutional
11 share was derived unless other arrangements for the use of the funds are recommended by the Council and approved by the
12 Department of Planning and Budget. Should the institution be permitted to retain the federal contributions to the program, the
13 funds shall be used according to arrangements authorized by the Council and approved by the Department of Planning and
14 Budget.
- 15 b)1) An institution of higher education may discontinue its student loan fund established pursuant to Title 23.1, Chapter 4.01,
16 Code of Virginia. The full amount of cash in such discontinued loan fund shall be paid into the state treasury into a
17 nonrevertible nongeneral fund account. Prior to such payment, the State Comptroller shall verify its accuracy, including the fact
18 that the cash held by the institution in the loan fund will be fully depleted by such payment. The loan fund shall not be
19 reestablished thereafter for that institution.
- 20 2) The cash so paid into the state treasury shall be used only for grants to undergraduate and graduate students in the Higher

13 § 4-5.02 THIRD PARTY TRANSACTIONS

14 a. EMPLOYMENT OF ATTORNEYS:

15 1.a) All attorneys authorized by this act to be employed by any state agency and all attorneys compensated out of any moneys
16 appropriated in this session of the General Assembly shall be appointed by the Attorney General and be in all respects subject to the
17 provisions of Title 2.2, Chapter 5, Code of Virginia, to the extent not to conflict with Title 12.1, Chapter 4, Code of Virginia;
18 provided, however, that if the Governor certifies the need for independent legal counsel for any Executive Department agency, such
19 agency shall be free to act independently of the Office of the Attorney General in regard to selection, and provided, further, that
20 compensation of such independent legal counsel shall be paid from the moneys appropriated to such Executive Department agency
21 or from the moneys appropriated to the Office of the Attorney General.

22 b) For purposes of this act, "attorney" shall be defined as an employee or contractor who represents an agency before a court, board
23 or agency of the Commonwealth of Virginia or political subdivision thereof. This term shall not include members of the bar
24 employed by an agency who perform in a capacity that does not require a license to practice law, including but not limited to,
25 instructing, managing, supervising or performing normal or customary duties of that agency.

26 2. This section does not apply to attorneys employed by state agencies in the Legislative Department, Judicial Department or
27 Independent Agencies.

28 3. Reporting on employment of attorneys shall be in accordance with § 4-8.00, Reporting Requirements.

29 4. Notwithstanding § 2.2-510.1 of the Code of Virginia and any other conflicting provision of law, the Virginia Retirement System

33 third party nongovernmental contracts for studies or consultative services shall be made out of any appropriation to the General
34 Assembly or to any study group created by the General Assembly, nor shall any such expenditure for third party nongovernmental
35 contracts be made by any Executive Department agency in response to a legislative request for a study, without the prior approval of
36 two of the following persons: the Chairman of the House Appropriations Committee; the Chairman of the Senate Finance and
37 Appropriations Committee; the Speaker of the House of Delegates; the President pro tempore of the Senate. All such expenditures
38 shall be made only in accordance with the terms of a written contract approved as to form by the Attorney General.

45 collection agents and attorneys to pursue collection actions, and to independently compromise, settle, and discharge accounts
46 receivable claims.

47 2. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the University of Virginia Medical Center shall
48 have the authority to collect its accounts receivable by engaging private collection agents and attorneys to pursue collection actions,
49 and to independently compromise, settle, and discharge accounts receivable claims, provided that the University of Virginia
50 demonstrates to the Secretary of Finance that debt collection by an agent other than the Office of the Attorney General is anticipated
51 to be more cost effective. Nothing in this paragraph is intended to limit the ability of the University of Virginia Medical Center from
52 voluntarily contracting with the Office of the Attorney General's Division of Debt Collection in cases where the Center would

1 benefit from the expertise of legal counsel and collection services offered by the Office of the Attorney General.

2 3. Notwithstanding any provision of the Code of Virginia or this act to the contrary, the Department of Taxation shall be
3 exempt from participating in the debt collection process of the Office of the Attorney General.

4 § 4-5.03 SERVICES AND CLIENTS

5 a. CHANGED COST FACTORS:

6 1.a) No state agency, or its governing body, shall alter factors (e.g., qualification level for receipt of payment or service) which
7 may increase the number of eligible recipients for its authorized services or payments, or alter factors which may increase the
8 unit cost of benefit payments within its authorized services, unless the General Assembly has made an appropriation for the
9 cost of such change.

10 b) The limits on altering or changing cost factors stated in paragraph 1.a) above shall not apply to changes associated with
11 implementing and/or altering services in response to COVID-19 when funding is provided from a nongeneral fund source
12 dedicated to addressing the impact of COVID-19 or from any source when specifically approved by the Governor in response
13 to the COVID-19 pandemic.

14 2. Notwithstanding any other provision of law, the Department of Planning and Budget, with assistance from agencies that
15 operate internal service funds as requested, shall establish policies and procedures for annually reviewing and approving
16 internal service fund overhead surcharge rates and working capital reserves.

17 3. By September 1 each year, state agencies that operate an internal service fund, pursuant to §§ 2.2-803, 2.2-1101, and 2.2-
18 2013, Code of Virginia, that have an impact on agency expenditures, shall submit a report to the Department of Planning and
19 Budget to include all information as required by the Department of Planning and Budget to conduct a thorough review of
20 overhead surcharge rates, revenues, expenditures, full-time positions, and working capital reserves for each internal service
21 fund. The report shall include any proposed modifications in rates to be charged by internal service funds for review and
22 approval by the Department of Planning and Budget. In its review, the Department of Planning and Budget shall determine
23 whether the requested rate modifications are consistent with budget assumptions. The format by which agencies submit the
24 operating plan for each internal service fund shall be determined by the Department of Planning and Budget with assistance
25 from agencies that operate internal service funds as requested.

26 4. State agencies that operate internal service funds may not change a billable overhead surcharge rate to another state agency
27 unless the resulting change is provided in the final General Assembly enacted budget.

28 5. State agencies that operate more than one internal service fund shall comply with the review and approval requirements
29 detailed in this Item for each internal service fund.

30 6. As determined by the Director, Department of Planning and Budget, state agencies that operate select programs where an
31 agency provides a service to and bills other agencies shall be subject to the annual review of the agency's internal service funds
32 consistent with the provisions of this Item, unless such payment for services is pursuant to a memorandum of understanding
33 authorized by § 4-1.03 a. 7 of this act.

34 7. The Governor is authorized to change internal service fund overhead surcharge rates, including the creation of new rates,
35 beyond the rates enacted in the budget in the event of an emergency or to implement actions approved by the General
36 Assembly, upon prior notice to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees.
37 Such prior notice shall be no less than five days prior to enactment of a revised or new rate and shall include the basis of the
38 rate change and the impact on state agencies.

39 8. Notwithstanding any other provision of law, the Commonwealth's statewide electronic procurement system and program
40 known as eVA shall have all rates and working capital reserves reviewed and approved by the Department of Planning and
41 Budget consistent with the provisions of this Item.

42 9. State agencies that are partially or fully funded with nongeneral funds and are billed for services provided by another state
43 agency shall pay the nongeneral fund cost for the service from the agency's applicable nongeneral fund revenue source
44 consistent with an appropriation proration of such expenses.

45 b. NEW SERVICES:

46 1.a) No state agency shall begin any new service that will call for future additional property, plant or equipment or that will
47 require an increase in subsequent general or nongeneral fund operating expenses without first obtaining the authorization of the
48 General Assembly.

49 b) The limits on establishing new services stated in paragraph 1.a) above shall not apply to new services established to respond
50 to COVID-19 when funding is provided from a nongeneral fund source dedicated to addressing the impact of COVID-19 or
51 from any source when specifically approved by the Governor in response to the COVID-19 pandemic.

1 2. Pursuant to the policies and procedures of the State Council of Higher Education regarding approval of academic programs and
2 the concomitant enrollment, no state institution of higher education shall operate any academic program with funds in this act unless
3 approved by the Council and included in the Executive Budget, or approved by the General Assembly. The Council may grant
4 exemptions to this policy in exceptional circumstances.

5 3. a) The General Assembly is supportive of the increasing commitment by both Virginia Tech and the Carilion Clinic to the success
6 of the programs at the Virginia Tech/Carilion School of Medicine and the Virginia Tech/Carilion Research Institute, and encourages
7 these two institutions to pursue further developments in their partnership. Therefore, notwithstanding § 4-5.03 c. of the
8 Appropriation Act, if through the efforts of these institutions to further strengthen the partnership, Virginia Tech acquires the
9 Virginia Tech Carilion School of Medicine during the current biennium, the General Assembly approves the creation and
10 establishment of the Virginia Tech/Carilion School of Medicine within the institution notwithstanding § 23.1-203 Code of Virginia.
11 No additional funds are required to implement establishment of the Virginia Tech/Carilion School of Medicine within the institution.

12 b) Virginia Tech Carilion School of Medicine is hereby authorized to transfer funds to the Department of Medical Assistance
13 Services to fully fund the state share for Medicaid supplemental payments to the teaching hospital affiliated with the Virginia Tech
14 Carilion School of Medicine. These Medicaid supplemental fee-for-service and/or capitation payments to managed care
15 organizations are for the purpose of securing access to Medicaid hospital services in Western Virginia. The funds to be transferred
16 must comply with 42 CFR 433.51.

17 4. Reporting on all new services shall be in accordance with § 4-8.00, Reporting Requirements.

18 c. OFF-CAMPUS SITES OF INSTITUTIONS OF HIGHER EDUCATION:

19 No moneys appropriated by this act shall be used for off-campus sites unless as provided for in this section.

20 1. A public college or university seeking to create, establish, or operate an off-campus instructional site, funded directly or indirectly
21 from the general fund or with revenue from tuition and mandatory educational and general fees generated from credit course
22 offerings, shall first refer the matter to the State Council of Higher Education for Virginia for its consideration and approval. The
23 State Council of Higher Education for Virginia may provide institutions with conditional approval to operate the site for up to one
24 year, after which time the college or university must receive approval from the Governor and General Assembly, through legislation
25 or appropriation, to continue operating the site.

26 2. For the colleges of the Virginia Community College System, the State Board for Community Colleges shall be responsible for
27 approving off-campus locations. Sites governed by this requirement are those at any locations not contiguous to the main campus of
28 the institution, including locations outside Virginia.

29 3. a) The provisions herein shall not apply to credit offerings on the site of a public or private entity if the offerings are supported
30 entirely with private, local, or federal funds or revenue from tuition and mandatory educational and general fees generated entirely
31 by course offerings at the site.

32 b) Offerings at previously approved off-campus locations shall also not be subject to these provisions.

33 c) Further, the provisions herein do not govern the establishment and operations of campus sites with a primary function of carrying
34 out grant and contract research where direct and indirect costs from such research are covered through external funding sources.
35 Such locations may offer limited graduate education as appropriate to support the research mission of the site.

36 d) Nothing herein shall prohibit an institution from offering non-credit continuing education programs at sites away from the main
37 campus of a college or university.

38 4. The State Council of Higher Education shall establish guidelines to implement this provision.

39 d. PERFORMANCE MEASUREMENT

40 1. In accordance with § 2.2-1501, Code of Virginia, the Department of Planning and Budget shall develop a programmatic budget
41 and accounting structure for all new programs and activities to ensure that it provides the appropriate financial and performance
42 measures to determine if programs achieve desired results and outcomes. The Department of Accounts shall provide assistance as
43 requested by the Department of Planning and Budget. The Department of Planning and Budget shall provide this information each
44 year when the Governor submits the budget in accordance with § 2.2-1509, Code of Virginia, to the Chairmen of the House
45 Appropriations, House Finance, and Senate Finance and Appropriations Committees.

46 2.a) Within thirty days of the enactment of this act, the Director, Department of Planning and Budget, shall make available via
47 electronic means to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and the public a
48 list of the new initiatives for which appropriations are provided in this act.

49 b) Not later than ninety days after the end of the first year of the biennium, the Director, Department of Planning and Budget, shall
50 make available via electronic means a report on the performance of each new initiative contained in the list, to be submitted to the
51 Chairmen of the House Appropriations and Senate Finance and Appropriations Committees and the public. The report shall compare

1 the actual results, including expenditures, of the initiative with the anticipated results and the appropriation for the initiative.
 2 This information shall be used to determine whether the initiative should be extended beyond the beginning period. In the
 3 preparation of this report, all state agencies shall provide assistance as requested by the Department of Planning and Budget.

4 § 4-5.04 GOODS AND SERVICES

5 a. STUDENT ATTENDANCE AT INSTITUTIONS OF HIGHER EDUCATION:

6 1. Public Information Encouraged: Each public institution of higher education is expected and encouraged to provide
 7 prospective students with accurate and objective information about its programs and services. The institution may use public
 8 funds under the control of the institution's Board of Visitors for the development, preparation and dissemination of factual
 9 information about the following subjects: academic programs; special programs for minorities; dates, times and procedures for
 10 registration; dates and times of course offerings; admission requirements; financial aid; tuition and fee schedules; and other
 11 information normally distributed through the college catalog. This information may be presented in any and all media, such as
 12 newspapers, magazines, television or radio where the information may be in the form of news, public service announcements or
 13 advertisements. Other forms of acceptable presentation would include brochures, pamphlets, posters, notices, bulletins, official
 14 catalogs, flyers available at public places and formal or informal meetings with prospective students.

15 2. Excessive Promotion Prohibited: Each public institution of higher education is prohibited from using public funds under the
 16 control of the institution's Board of Visitors for the development, preparation, dissemination or presentation of any material
 17 intended or designed to induce students to attend by exaggerating or extolling the institution's virtues, faculty, students,
 18 facilities or programs through the use of hyperbole. Artwork and photographs which exaggerate or extol rather than supplement
 19 or complement permissible information are prohibited. Mass mailings are generally prohibited; however, either mass mailings
 20 or newspaper inserts, but not both, may be used if other methods of distributing permissible information are not economically
 21 feasible in the institution's local service area.

22 3. Remedial Education: Senior institutions of higher education shall make arrangements with community colleges for the
 23 remediation of students accepted for admission by the senior institutions.

24 4. Compliance: The president or chancellor of each institution of higher education is responsible for the institution's compliance
 25 with this subsection.

26 b. INFORMATION TECHNOLOGY FACILITIES AND SERVICES:

27 1.a) The Virginia Information Technologies Agency shall procure information technology and telecommunications goods and
 28 services of every description for its own benefit or on behalf of other state executive branch agencies and institutions, or
 29 authorize other state executive branch agencies or institutions to undertake such procurements on their own. For the purposes of
 30 § 4-5.04 of this act, "executive branch agency" means the same as that term is defined in § 2.2-2006, Code of Virginia.

31 b) Except for research projects, research initiatives, or instructional programs at public institutions of higher education, or any
 32 non-major information technology project request from the Virginia Community College System, Longwood University, or
 33 from an institution of higher education which is a member of the Virginia Association of State Colleges and University
 34 Purchasing Professionals (VASCUPP) as of July 1, 2003, or any procurement of information technology and
 35 telecommunications goods and services by public institutions of higher education governed by some combination of Chapters
 36 933 and 945 of the 2005 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, and those public institutions
 37 of higher education that have a Management Agreement with the Commonwealth of Virginia pursuant to the Restructured
 38 Higher Education Financial and Administrative Operations Act, requests for authorization from state agencies and institutions
 39 to procure information technology and telecommunications goods and services on their own behalf shall be made in writing to
 40 the Chief Information Officer or his designee. Members of VASCUPP as of July 1, 2003, are hereby recognized as: The
 41 College of William and Mary, George Mason University, James Madison University, Old Dominion University, Radford
 42 University, Virginia Commonwealth University, Virginia Military Institute, Virginia Polytechnic Institute and State University,
 43 and the University of Virginia.

44 c) The Chief Information Officer or his designee may grant the authorization upon a written determination that the request
 45 conforms to the statewide information technology plan and the individual information technology plan of the requesting agency
 46 or institution.

47 d) Any procurement authorized by the Chief Information Officer or his designee for information technology and
 48 telecommunications goods and services, including geographic information systems, shall be issued by the requesting state
 49 agency or institution in accordance with the regulations, policies, procedures, standards, and guidelines of the Virginia
 50 Information Technologies Agency.

51 e) Nothing in this subsection shall prevent public institutions of higher education or the Virginia Community College System
 52 from using the services of Network Virginia.

53 f) To ensure that the Commonwealth's research universities maintain a competitive position with access to the national optical

1 research network infrastructure including the National LambdaRail and Internet2, the Network Virginia Contract Administrator is
 2 hereby authorized to renegotiate the term of the existing contracts. Additionally, the contract administrator is authorized to
 3 competitively negotiate additional agreements in accordance with the Code of Virginia and all applicable regulations, as required, to
 4 establish and maintain research network infrastructure.

5 2. If the billing rates and associated systems for computer, telecommunications and systems development services to state agencies
 6 are altered, the Director, Department of Planning and Budget, may transfer appropriations from the general fund between programs
 7 affected. These transfers are limited to actions needed to adjust for overfunding or underfunding the program appropriations affected
 8 by the altered billing systems.

9 3. The provisions of this subsection shall not in any way affect the duties and responsibilities of the State Comptroller under the
 10 provisions of § 2.2-803, Code of Virginia.

11 4. It is the intent of the General Assembly that information technology (IT) systems, products, data, and service costs, including
 12 geographic information systems (GIS), be contained through the shared use of existing or planned equipment, data, or services
 13 which may be available or soon made available for use by state agencies, institutions, authorities, and other public bodies. State
 14 agencies, institutions, and authorities shall cooperate with the Virginia Information Technologies Agency in identifying the
 15 development and operational requirements for proposed IT and GIS systems, products, data, and services, including the proposed
 16 use, functionality, capacity and the total cost of acquisition, operation and maintenance.

17 5. This section shall not apply to public institutions of higher education governed by some combination of Chapters 933 and 945 of
 18 the 2005 Acts of Assembly, Chapters 824 and 829 of the 2008 Acts of Assembly, those public institutions of higher education that
 19 have a Management Agreement with the Commonwealth of Virginia pursuant to the Restructured Higher Education Financial and
 20 Administrative Operations Act, or to the Virginia Alcoholic Beverage Control Authority.

21 6. Notwithstanding any other provision of law, state agencies that do not receive computer services from the Virginia Information
 22 Technologies Agency may develop their own policies and procedures governing the sale of surplus computers and laptops to their
 23 employees or officials. Any proceeds from the sale of surplus computers or laptops shall be deposited into the appropriate fund or
 24 funds used to purchase the equipment.

25 c. MOTOR VEHICLES AND AIRCRAFT:

26 1. No motor vehicles shall be purchased or leased with public funds by the state or any officer or employee on behalf of the state
 27 without the prior written approval of the Director, Department of General Services.

28 2. The institutions of higher education and the Alcoholic Beverage Control Authority shall be exempt from this provision but shall
 29 be required to report their entire inventory of purchased and leased vehicles including the cost of such to the Director of the
 30 Department of General Services by June 30 of each year. The Director of the Department of General Services shall compare the cost
 31 of vehicles acquired by institutions of higher education and the Authority to like vehicles under the state contract. If the comparison
 32 demonstrates for a given institution or the Authority that the cost to the Commonwealth is greater for like vehicles than would be the
 33 case based on a contract of statewide applicability, the Governor or his designee may suspend the exemption granted to the
 34 institution or the Authority pursuant to this subparagraph c.

35 3. The Director, Department of General Services, is hereby authorized to transfer surplus motor vehicles among the state agencies,
 36 and determine the value of such surplus equipment for the purpose of maintaining the financial accounts of the state agencies
 37 affected by such transfers.

38 d. MOTION PICTURE, TELEVISION AND RADIO SERVICES PRODUCTION: Except for public institutions of higher
 39 education that have a Management Agreement with the Commonwealth of Virginia pursuant to the Restructured Higher Education
 40 Financial and Administrative Operations Act, no state Executive Department agency or the Virginia Lottery Department shall
 41 expend any public funds for the production of motion picture films or of programs for television transmission, or for the operation of
 42 television or radio transmission facilities, without the prior written approval of the Governor or as otherwise provided in this act,
 43 except for educational television programs produced for elementary-secondary education by authority of the Virginia Information
 44 Technologies Agency. The Joint Subcommittee on Rules is authorized to provide the approval of such expenditures for legislative
 45 agencies. For judicial agencies and independent agencies, other than the Virginia Lottery Department, prior approval action rests
 46 with the supervisory bodies of these entities. With respect to television programs which are so approved and other programs which
 47 are otherwise authorized or are not produced for television transmission, state agencies may enter into contracts without competitive
 48 sealed bidding, or competitive negotiation, for program production and transmission services which are performed by public
 49 telecommunications entities, as defined in § 2.2-2006, Code of Virginia.

50 e. TRAVEL: Reimbursement for the cost of travel on official business of the state government is authorized to be paid pursuant to
 51 law and regulations issued by the State Comptroller to implement such law. Notwithstanding any contrary provisions of law:

52 1. For the use of personal automobiles in the discharge of official duties outside the continental limits of the United States, the State
 53 Comptroller may authorize an allowance not exceeding the actual cost of operation of such automobiles;

- 1 2. The first 15,000 miles of use during each fiscal year of personal automobiles in the discharge of official duties within the
2 continental limits of the United States shall be reimbursed at an amount equal to the most recent business standard mileage rate
3 as established by the Internal Revenue Service for employees or self-employed individuals to use in computing their income tax
4 deductible costs for operating passenger vehicles owned or leased by them for business purposes, or in the instance of a state
5 employee, at the lesser of (a) the IRS rate or (b) the lowest combined capital and operational trip pool rate charged by the
6 Department of General Services, Office of Fleet Management Services (OFMS), posted on the OFMS website at time of travel,
7 for the use of a compact state-owned vehicle. If the head of the state agency concerned certifies that a state-owned vehicle was
8 not available, or if, according to regulations issued by the State Comptroller, the use of a personal automobile in lieu of a state-
9 owned automobile is considered to be an advantage to the state, the reimbursement shall be at the rate of the IRS rate. For such
10 use in excess of 15,000 miles in each fiscal year, the reimbursement shall be at a rate of 13.0 cents per mile, unless a state-
11 owned vehicle is not available; then the rate shall be the IRS rate;
- 12 3. The State Comptroller may authorize exemptions to restrictions upon use of common carrier accommodations;
- 13 4. The State Comptroller may authorize reimbursement by per diem in lieu of actual costs of meals and any other expense
14 category deemed necessary for the efficient and effective operation of state government;
- 15 5. State employees traveling on official business of state government shall be reimbursed for their travel costs using the same
16 bank account authorized by the employee in which their net pay is direct deposited; and
- 17 6. This section shall not apply to members and employees of public school boards.
- 18 f. SMALL PURCHASE CHARGE CARD, ELECTRONIC DATA INTERCHANGE, DIRECT DEPOSIT, AND PAYLINE
19 OPT OUT: The State Comptroller is hereby authorized to charge state agencies a fee of \$5 per check or earnings notice when,
20 in his judgment, agencies have failed to comply with the Commonwealth's electronic commerce initiatives to reduce
21 unnecessary administrative costs for the printing and mailing of state checks and earning notices. The fee shall be collected by
22 the Department of Accounts through accounting entries.
- 23 g. PURCHASES OF APPLIANCES AND EQUIPMENT: State agencies and institutions shall purchase Energy Star rated
24 appliances and equipment in all cases where such appliances and equipment are available.
- 25 h. ELECTRONIC PAYMENTS: Any recipient of payments from the State Treasury who receives six or more payments per
26 year issued by the State Treasurer shall receive such payments electronically. The State Treasurer shall decide the appropriate
27 method of electronic payment and, through his warrant issuance authority, the State Comptroller shall enforce the provisions of
28 this section. The State Comptroller is authorized to grant administrative relief to this requirement when circumstances justify
29 non-electronic payment.
- 30 i. LOCAL AND NON-STATE SAVINGS AND EFFICIENCIES: It is the intent of the General Assembly that State agencies
31 shall encourage and assist local governments, school divisions, and other non-state governmental entities in their efforts to
32 achieve cost savings and efficiencies in the provision of mandated functions and services including but not limited to finance,
33 procurement, social services programs, and facilities management.
- 34 j. TELECOMMUNICATION SERVICES AND DEVICES:
- 35 1. The Chief Information Officer and the State Comptroller shall develop statewide requirements for the use of cellular
36 telephones and other telecommunication devices by executive branch agencies, addressing the assignment, evaluation of need,
37 safeguarding, monitoring, and usage of these telecommunication devices. The requirements shall include an acceptable use
38 agreement template clearly defining an employee's responsibility when they receive and use a telecommunication device.

23 plans established by the Governor.

24 2. The State Comptroller is hereby authorized to require payment of wages or salaries to state employees by direct deposit or by
25 credit to a prepaid debit card or card account from which the employee is able to withdraw or transfer funds.

26 f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall apply also to any
27 system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing any such
28 system shall be paid from any funds appropriated to the affected agencies.

29 g. No lump sum appropriation for personal service shall be regarded as advisory or suggestive of individual salary rates or of salary
30 schedules to be fixed under law by the Governor payable from the lump sum appropriation.

31 h. Subject to approval by the Governor of a plan for a statewide employee meritorious service awards program, as provided for in §
32 2.2-1201, Code of Virginia, the costs for such awards shall be paid from any operating funds appropriated to the affected agencies.

33 i. The General Assembly hereby affirms and ratifies the Governor's existing authority and the established practice of this body to
34 provide for pay differentials or to supplement base rates of pay for employees in specific job classifications in particular geographic
35 and/or functional areas where, in the Governor's discretion, they are needed for the purpose of maintaining salaries which enable the
36 Commonwealth to maintain a competitive position in the relevant labor market.

37 j.1. If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported
38 institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the
39 salary listed in § 4-6.01 c 6 of this act. Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6;
40 provided, however, that such additional compensation must be approved by the Council.

41 2. If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary listed

- 1 in § 4-6.01 c 6 shall be paid from the Council's appropriation.
- 2 k.1.a. Except as otherwise provided for in this subdivision, any increases in the salary band assignment of any job role
3 contained in the compensation and classification plans approved by the Governor shall be effective beginning with the first pay
4 period, defined as the pay period from June 25 through July 9, of the fiscal year if: (1) the agency certifies to the Secretary of
5 Finance that funds are available within the agency's appropriation to cover the cost of the increase for the remainder of the
6 current biennium and presents a plan for covering the costs next biennium and the Secretary concurs, or (2) such funds are
7 appropriated by the General Assembly. If at any time the Secretary of Administration shall certify that such change in the salary
8 band assignment for a job role is of an emergency nature and the Secretary of Finance shall certify that funds are available to
9 cover the cost of the increase for the remainder of the biennium within the agency's appropriation, such change in compensation
10 may be effective on a date agreed upon by these two Secretaries. The Secretary of Administration shall provide a monthly
11 report of all such emergency changes in accordance with § 4-8.00, Reporting Requirements.
- 12 b. Notwithstanding any other provision of law, state employees will be paid on the first workday of July for the work period
13 June 10 to June 24 in any calendar year in which July 1 falls on a weekend.
- 14 2. Salary adjustments for any employee through a promotion, role change, exceptional recruitment and retention incentive
15 options, or in-range adjustment shall occur only if: a) the agency has sufficient funds within its appropriation to cover the cost
16 of the salary adjustment for the remainder of the current biennium or b) such funds are appropriated by the General Assembly.
- 17 3. No changes in salary band assignments affecting classified employees of more than one agency shall become effective unless
18 the Secretary of Finance certifies that sufficient funds are available to provide such increase or plan to all affected employees
19 supported from the general fund.
- 20 l. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are
21 appointed to a state-level board, council, commission or similar collegial body shall not receive any such compensation for
22 their services as members or chairmen except for reimbursement of reasonable and necessary expenses. The foregoing
23 provision shall likewise apply to the Compensation Board, pursuant to § 15.2-1636.5, Code of Virginia.
- 24 m.1. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of
25 higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early
26 retirement incentive plans for their respective institutions pursuant to § 23.1-1302 B and the cash payment offered under such
27 compensation plans pursuant to § 23.1-1302 D, Code of Virginia. Notwithstanding the limitations in § 23.1-1302 D, the total
28 cost in any fiscal year for any such compensation plan, shall be set forth by the governing body in the compensation plan for
29 approval by the Governor and review for legal sufficiency by the Office of the Attorney General.
- 30 2. Notwithstanding any other provision of law, employees holding full-time, academic-year classified positions at public
31 institutions of higher education shall be considered "state employees" as defined in § 51.1-124.3, Code of Virginia, and shall be
32 considered for medical/hospitalization, retirement service credit, and other benefits on the same basis as those individuals
33 appointed to full-time, 12-month classified positions.
- 34 n. Notwithstanding the Department of Human Resource Management Policies and Procedures, payment to employees with five
35 or more years of continuous service who either terminate or retire from service shall be paid in one sum for twenty-five percent
36 of their sick leave balance, provided, however, that the total amount paid for sick leave shall not exceed \$5,000 and the
37 remaining seventy-five percent of their sick leave shall lapse. This provision shall not apply to employees who are covered by
38 the Virginia Sickness and Disability Program as defined in § 51.1-1100, Code of Virginia. Such employees shall not be paid for
39 their sick leave balances. However, they will be paid, if eligible as described above, for any disability leave credits they have at
40 separation or retirement or may convert disability credits to service credit under the Virginia Retirement System pursuant to §
41 51.1-1103 (F), Code of Virginia.
- 42 o. It is the intent of the General Assembly that calculation of the faculty salary benchmark goal for the Virginia Community
43 College System shall be done in a manner consistent with that used for four-year institutions, taking into consideration the
44 number of faculty at each of the community colleges. In addition, calculation of the salary target shall reflect an eight percent
45 salary differential in a manner consistent with other public four-year institutions and for faculty at Northern Virginia
46 Community College.
- 47 p. Any public institution of higher education that has met the eligibility criteria set out in Chapters 933 and 945 of the 2005
48 Acts of Assembly may supplement annual salaries for classified employees from private gifts, endowment funds, or income
49 from endowments and gifts, subject to policies approved by the board of visitors. The Commonwealth shall have no general
50 fund obligations for the continuation of such salary supplements.
- 51 q. The Governor, or any other appropriate Board or Public Body, is authorized to adjust the salaries of employees specified in

- 53 r. Any public institution of higher education shall not provide general fund monies above \$100,000 for any individual athletic
54 coaching salaries after July 1, 2013. Athletic coaching salaries with general fund monies above this amount shall be phased-

1 down over a five-year period at 20 percent per year until reaching the cap of \$100,000.

2 § 4-6.02 EMPLOYEE TRAINING AND STUDY

3 Subject to uniform rules and regulations established by the Governor, the head of any state agency may authorize, from any funds
4 appropriated to such department, institution or other agency in this act or subsequently made available for the purpose, compensation
5 or expenses or both compensation and expenses for employees pursuing approved training courses or academic studies for the
6 purpose of becoming better equipped for their employment in the state service. The rules and regulations shall include reasonable
7 provision for the return of any employee receiving such benefits for a reasonable period of duty, or for reimbursement to the state for
8 expenditures incurred on behalf of the employee should he not return to state service.

9 § 4-6.03 EMPLOYEE BENEFITS

10 a. Any medical/hospitalization benefit program provided for state employees shall include the following provision: any state
11 employee, as defined in § 2.2-2818, Code of Virginia, shall have the option to accept or reject coverage.

12 b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer
13 paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the
14 Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce
15 of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be
16 borne by the employee or, in the case of a political subdivision, by the employer.

17 c. Each agency may, within the funds appropriated by this act, implement a transit and ridesharing incentive program for its
18 employees. With such programs, agencies may reimburse employees for all or a portion of the costs incurred from using public
19 transit, car pools, or van pools. The Secretary of Transportation shall develop guidelines for the implementation of such programs
20 and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the
21 federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs
22 incurred by the employee.

23 d. Any hospital that serves as the primary medical facility for state employees may be allowed to participate in the State Employee
24 Health Insurance Program pursuant to § 2.2-2818, Code of Virginia, provided that (1) such hospital is not a participating provider in
25 the network, contracted by the Department of Human Resource Management, that serves state employees and (2) such hospital
26 enters into a written agreement with the Department of Human Resource Management as to the rates of reimbursement. The
27 department shall accept the lowest rates offered by the hospital from among the rates charged by the hospital to (1) its largest
28 purchaser of care, (2) any state or federal public program, or (3) any special rate developed by the hospital for the state employee
29 health benefits program which is lower than either of the rates above. If the department and the hospital cannot come to an
30 agreement, the department shall reimburse the hospital at the rates contained in its final offer to the hospital until the dispute is
31 resolved. Any dispute shall be resolved through arbitration or through the procedures established by the Administrative Process Act,
32 as the hospital may decide, without impairment of any residual right to judicial review.

33 e. Any classified employee of the Commonwealth and any person similarly employed in the legislative, judicial and independent
34 agencies who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time
35 employee for the purposes of participation in the Virginia Retirement System's group life insurance and retirement programs. Any
36 part-time magistrate hired prior to July 1, 1999, shall have the option of participating in the programs under this provision.

37 f.1. Any member of the Virginia Retirement System who is retired under the provisions of § 51.1-155.1, Code of Virginia who: 1)
38 returns to work in a position that is covered by the provisions of § 51.1-155.1, Code of Virginia after a break of not less than four
39 years, 2) receives no other compensation for service to a public employer than that provided for the position covered by § 51.1-
40 155.1, Code of Virginia during such period of reemployment, 3) retires within one year of commencing such period of
41 reemployment, and 4) retires directly from service at the end of such period of reemployment may either:

42 a) Revert to the previous retirement benefit received under the provisions of § 51.1-155.1, Code of Virginia, including any annual
43 cost of living adjustments granted thereon. This benefit may be adjusted upward to reflect the effect of such additional months of
44 service and compensation received during the period of reemployment, or

45 b) Retire under the provisions of Title 51.1 in effect at the termination of his or her period of reemployment, including any purchase
46 of service that may be eligible for purchase under the provisions of § 51.1-142.2, Code of Virginia.

47 2. The Virginia Retirement System shall establish procedures for verification by the employer of eligibility for the benefits provided
48 for in this paragraph.

49 g. Notwithstanding any other provision of law, no agency head compensated by funds appropriated in this act may be a member of
50 the Virginia Law Officers' Retirement System created under Title 51.1, Chapter 2.1, Code of Virginia. The provisions of this
51 paragraph are effective on July 1, 2002, and shall not apply to the Chief of the Capitol Police.

52 h. Full-time employees appointed by the Governor who, except for meeting the minimum service requirements, would be eligible for
53 the provisions of § 51.1-155.1, Code of Virginia, may, upon termination of service, use any severance allowance payment to

1 purchase service to meet, but not exceed, the minimum service requirements of § 51.1-155.1, Code of Virginia. Such service
 2 purchase shall be at the rate of 15 percent of the employee's final creditable compensation or average final compensation,
 3 whichever is greater, and shall be completed within 90 days of separation of service.

4 i. When calculating the retirement benefits payable under the Virginia Retirement System (VRS), the State Police Officers'
 5 Retirement System (SPORS), the Virginia Law-enforcement Officers' Retirement System (VaLORS), or the Judicial
 6 Retirement System (JRS) to any employee of the Commonwealth or its political subdivisions who is called to active duty with
 7 the armed forces of the United States, including the United States Coast Guard, the Virginia Retirement System shall:

8 1) utilize the pre-deployment salary, or the actual salary paid by the Commonwealth or the political subdivision, whichever is
 9 higher, when calculating average compensation, and

10 2) include those months after September 1, 2001 during which the employee was serving on active duty with the armed forces
 11 of the United States in the calculation of creditable service.

12 j. The provisions in § 51.1-144, Code of Virginia, that require a member to contribute five percent of his creditable
 13 compensation for each pay period for which he receives compensation on a salary reduction basis, shall not apply to any (i)
 14 "state employee," as defined in § 51.1-124.3, Code of Virginia, who is an elected official, or (ii) member of the Judicial
 15 Retirement System under Chapter 3 of Title 51.1 (§ 51.1-300 et seq.), who is not a "person who becomes a member on or after
 16 July 1, 2010," as defined in § 51.1-124.3, Code of Virginia.

17 k. Notwithstanding the provisions of subsection G of § 51.1-156, any employee of a school division who completed a period of
 18 24 months of leave of absence without pay during October 2013 and who had previously submitted an application for disability
 19 retirement to VRS in 2011 may submit an application for disability retirement under the provisions of § 51.1-156. Such
 20 application shall be received by the Virginia Retirement System no later than October 1, 2014. This provision shall not be
 21 construed to grant relief in any case for which a court of competent jurisdiction has already rendered a decision, as
 22 contemplated by Article II, Section 14 of the Constitution of Virginia.

23 § 4-6.04 CHARGES

24 a. FOOD SERVICES: Except as exempted by the prior written approval of the Director, Department of Human Resource
 25 Management, and the provisions of § 2.2-3605, Code of Virginia, state employees shall be charged for meals served in state
 26 facilities. Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the
 27 cost of direct labor and utilities incidental to preparation and service. Each agency shall maintain records as to the calculation of
 28 meal charges and revenues collected. Except where appropriations for operation of the food service are from nongeneral funds,
 29 all revenues received from such charges shall be paid directly and promptly into the general fund. The provisions of this
 30 paragraph shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections
 31 and Juvenile Justice.

32 b. HOUSING SERVICES:

33 1. Each agency will collect a fee from state employees who occupy state-owned or leased housing, subject to guidelines
 34 provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-
 35 owned or leased housing and for documenting in writing why the rate established was selected. In exceptional circumstances,
 36 which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the
 37 Director, Department of General Services may waive the requirement for collection of fees.

38 2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating
 39 expenses or rent are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund.
 40 For housing for which operating expenses or rent are financed by nongeneral fund appropriations, such revenues shall be
 41 deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses or rent are
 42 financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state
 43 treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion
 44 of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid
 45 into the general fund.

46 c. BUILDING AND PARKING SERVICES:

47 1. State-owned parking facilities

48 Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of
 49 General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such
 50 charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor,
 51 for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned.

52 2. Leased parking facilities in metropolitan Richmond area

1 Agencies occupying private sector leased or rental space in the metropolitan Richmond area, not including institutions of higher
 2 education, shall be required to charge a fee to employees for vehicle parking spaces that are assigned to them or are otherwise
 3 available either incidental to the lease or rental agreement or pursuant to a separate lease agreement for private parking space. In
 4 such cases, the individual employee parking fee shall not be less than that paid by employees parking in Department of General
 5 Services parking facilities at the Seat of Government. The Director, Department of General Services may amend or waive the fee
 6 requirement for good cause. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the
 7 leasing agency to be used to offset the cost of the lease to which it pertains. Any lease for private parking space must be approved by
 8 the Director, Department of General Services.

9 3. The parking facility and office space at the corner of 9th and Broad Streets in the City of Richmond, shall be under the control of,
 10 and administered by, the Clerk of the House and the Clerk of the Senate. Such parking spaces shall be subject to the provisions of
 11 paragraph 1 of this item. The occupancy of Old City Hall shall be under the control of, and administered by, the Clerk of the House
 12 and the Clerk of the Senate. The Clerk of the House and the Clerk of the Senate shall have, and be solely responsible for, security
 13 access control to the parking facility and office space at the corner of 9th and Broad Streets and Old City Hall. No access to such
 14 facilities shall be granted unless approved by the Clerk of the House or the Clerk of the Senate. The Clerk of the House and the
 15 Clerk of the Senate and/or any affected legislative agency may enter into a memorandum of agreement with the Department of
 16 General Services for operations and maintenance of these facilities.

17 § 4-6.05 SELECTION OF APPLICANTS FOR CLASSIFIED POSITIONS

18 It is the responsibility of state agency heads to ensure that all provisions outlined in Title 2.2, Chapter 29, Code of Virginia (the
 19 Virginia Personnel Act), and executive orders that govern the practice of selecting applicants for classified positions are strictly
 20 observed. The Governor's Secretaries shall ensure this provision is faithfully enforced.

21 § 4-6.06 POSITIONS GOVERNED BY MANAGEMENT AGREEMENTS WITH THE COMMONWEALTH OF VIRGINIA

22 Except as provided in subsection A of § 23.1-1020 of the Code of Virginia, § 4-6.00 shall not apply to public institutions of higher
 23 education that have a Management Agreement with the Commonwealth of Virginia pursuant to the Restructured Higher Education
 24 Financial and Administrative Operations Act, with regard to their participating covered employees, as that term is defined in those
 25 Management Agreements, except to the extent a specific appropriation or language in this act addresses such an employee.

26 § 4-7.00 STATEWIDE PLANS

27 § 4-7.01 MANPOWER CONTROL PROGRAM

28 a.1. The term Position Level is defined as the number of full-time equivalent (FTE) salaried employees assigned to an agency in this
 29 act. Except as provided in § 4-7.01 b, the Position Level number stipulated in an agency's appropriation is the upper limit for agency
 30 employment which cannot be exceeded during the fiscal year without approval from the Director, Department of Planning and
 31 Budget for Executive Department agencies, approval from the Joint Committee on Rules for Legislative Department agencies or
 32 approval from the appropriate governing authority for the independent agencies.

33 2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee
 34 and the Senate Finance and Appropriations Committee, the Governor and the Directors of the Department of Planning and Budget
 35 and Department of Human Resource Management within ten days of such approval. Approvals for executive department agencies
 36 shall be based on threats to life, safety, health, or property, or compliance with judicial orders or federal mandates, to support federal
 37 grants or private donations, to administer a program for another agency or to address an immediate increase in workload or
 38 responsibility or when to delay approval of increased positions would result in a curtailment of services prior to the next legislative
 39 session. Any such position level increases pursuant to this provision may not be approved for more than one year.

40 b. The Position Levels stipulated for the individual agencies within the Department of Behavioral Health and Developmental
 41 Services and the Department of Corrections are for reference only and are subject to changes by the applicable Department, provided
 42 that such changes do not result in exceeding the Position Level for that department.

43 c.1. The Governor shall implement such policies and procedures as are necessary to ensure that the number of employees in the
 44 Executive Department, excluding institutions of higher education and the State Council of Higher Education, may be further
 45 restricted to the number required for efficient operation of those programs approved by the General Assembly. Such policies and
 46 procedures shall include periodic review and analysis of the staffing requirements of all Executive Department agencies by the
 47 Department of Planning and Budget with the object of eliminating through attrition positions not necessary for the efficient
 48 operation of programs.

49 2. The institutions of higher education and the State Council of Higher Education are hereby authorized to fill all positions
 50 authorized in this act. This provision shall be waived only upon the Governor's official declaration that a fiscal emergency exists
 51 requiring a change in the official estimate of general fund revenues available for appropriation.

52 d.1. Position Levels are for reference only and are not binding on agencies in the legislative department, independent agencies, the
 53 Executive Offices other than the offices of the Governor's Secretaries, and the judicial department.

- 1 2. Positions assigned to programs supported by internal service funds are for reference only and may fluctuate depending upon
2 workload and funding availability.
- 3 3. Positions assigned to sponsored programs, auxiliary enterprises, continuing education, and teaching hospitals in the
4 institutions of higher education are for reference only and may fluctuate depending upon workload and funding availability.
5 Positions assigned to Item Detail 43012, State Health Services Technical Support and Administration, at Virginia
6 Commonwealth University are for reference only and may fluctuate depending upon workload and funding availability.
- 7 4. Positions assigned to educational and general programs in the institutions of higher education are for reference only and may
8 fluctuate depending upon workload and funding availability. However, total general fund positions filled by an institution of
9 higher education may not exceed 105 percent of the general fund positions appropriated without prior approval from the
10 Director, Department of Planning and Budget.
- 11 5. Positions assigned to Item Details 47001, Job Placement Services; 47002, Unemployment Insurance Services; 47003,
12 Workforce Development Services; and 53402, Economic Information Services, at the Virginia Employment Commission are
13 for reference only and may fluctuate depending upon workload and funding availability. Unless otherwise required by the
14 funding source, after enactment of this act, any new positions hired using this provision shall not be subject to transitional
15 severance benefit provisions of the Workforce Transition Act of 1995, Title 2.2, Chapter 32, Code of Virginia.
- 16 6. Positions assigned to the Virginia Management Fellows Program Administration are for reference only and may fluctuate
17 depending on funding availability.
- 18 e. Prior to implementing any Executive Department hiring freeze, the Governor shall consider the needs of the Commonwealth
19 in regards to the safe and efficient operation of state facilities and performance of essential services to include the exemption of
20 certain positions assigned to agencies and institutions that provide services pertaining to public safety and public health from
21 such hiring freezes.
- 22 f.1. Full-time, part-time, wage or contractual state employees assigned to the Governor's Cabinet Secretaries from agencies and
23 institutions under their control for the purpose of carrying out temporary assignments or projects may not be so assigned for a
24 period exceeding 180 days in any calendar year. The permanent transfer of positions from an agency or institution to the
25 Offices of the Secretaries, or the temporary assignment of agency or institutional employees to the Offices of the Secretaries for
26 periods exceeding 180 days in any calendar year regardless of the separate or discrete nature of the projects, is prohibited
27 without the prior approval of the General Assembly.
- 28 2. Not more than three positions in total, as described in subsection 1 hereof, may be assigned at any time to the Office of any
29 Cabinet Secretary, unless specifically approved in writing by the Governor. The Governor shall notify the Chairmen of the
30 House Appropriations and Senate Finance and Appropriations Committees in the case of any such approvals.
- 31 g. All state employees, including those in the legislative, judicial, and executive branches and the independent agencies of the
32 Commonwealth, who are not eligible for benefits under a health care plan established and administered by the Department of
33 Human Resource Management (DHRM) pursuant to Va. Code § 2.2-2818, or by an agency administering its own health care
34 plan, may not work more than 29 hours per week on average over a twelve month period. Adjunct faculty at institutions of
35 higher education may not work more than 29 hours per week on average over a twelve month period, including classroom or
36 other instructional time plus additional hours determined by the institution as necessary to perform the adjunct faculty's duties.
37 DHRM shall provide relevant program requirements to agencies and employees, including, but not limited to, information on
38 wage, variable and seasonal employees. All state agencies/employers in all branches of government shall provide information
39 requested by DHRM concerning hours worked by employees as needed to comply with the Affordable Care Act (the "Act")
40 and this provision. State agencies/employers are accountable for compliance with this provision, and are responsible for any
41 costs associated with maintaining compliance with it and for any costs or penalties associated with any violations of the Act or
42 regulations thereunder and any such costs shall be borne by the agency from existing appropriations. The provisions of this
43 paragraph shall not apply to employees of state teaching hospitals that have their own health insurance plan; however, the state
44 teaching hospitals are accountable for compliance with, and are responsible for any costs associated with maintaining
45 compliance with the Act and for any costs or penalties associated with any violations of the Act or regulations thereunder and
46 any such costs shall be borne by the agency from existing appropriations. Subject to approval of the Governor, DHRM shall
47 modify this provision consistent with any updates or changes to federal law and regulations.

 24 their estimated net worth, to the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees.

25 d. Any state agency that is required to return federal grant funding as a result of not fulfilling the specifications of a grant, shall, as
 26 soon as practicable but no later than November 1st, report to the Chairmen of the Senate Finance and Appropriations and House
 27 Appropriations Committees of such forfeiting of federal grant funding.

28 e.1) Any entity specifically identified in this Act as a recipient of state funds that is not a political subdivision of the Commonwealth
 29 of Virginia shall annually provide a report delineating the use of the funds, as well as the outcomes generated because of the funds.
 30 The report will be due by September 15 each year and shall be submitted to the state agency distributing the funding. The report will
 31 be used to help determine whether future funding should be provided by the state to the reporting entity.

32 2) For an entity providing services or programs on behalf of the Commonwealth, at a minimum the entity's report shall provide a
 33 description of the programs or services being provided, the number of individuals served or treated, and any outcomes from the

 39 Virginia for the use of state funds.

40 § 4-8.03 LOCAL GOVERNMENTS

41 a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local
 42 government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or
 43 otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor,
 44 budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue
 45 fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public
 46 Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the
 47 Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is
 48 threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay
 49 expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and
 50 discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the
 51 Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress may be
 52 caused by factors internal to the unit of government or external to the unit of government and in various degrees such conditions
 53 may or may not be controllable by management, or the local governing body, or its constitutional officers.

- 1 2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts
2 shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts
3 shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a
4 local government is in fiscal distress.
- 5 3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based
6 upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary
7 determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief
8 executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local
9 government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and
10 payables, revenues and receivables, and other areas including staffing, and the identification of external variables contributing
11 to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for
12 information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described
13 threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames
14 specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state
15 assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the
16 Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance and Appropriations
17 Committees, and the governing body of the local government in writing outlining specific issues or actions that need to be
18 addressed by state intervention.
- 19 4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification
20 requirement necessary to effectuate the provisions of this act in paragraph b.3 below.
- 21 b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general
22 fund appropriations in this Act as of June 30 of each year, which constitute state aid to local governments. The Director shall
23 provide a listing of such amounts designated by item number and by program on or before August 15 of each year, to the
24 Governor and the Chairmen of the House Appropriations Committee and the Senate Finance and Appropriations Committee.
- 25 2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may
26 reappropriate up to \$750,000 from amounts which would otherwise revert to the balance of the general fund and transfer such
27 amounts as necessary to establish a component of fund balance which may be used for the purpose of providing technical
28 assistance and intervention actions for local governments deemed to be fiscally distressed and in need of intervention to address
29 such distress. Any such reappropriation approved by the Governor, shall be separately identified in the commitments specified
30 on the balance sheet and financial statements of the State Comptroller for the close of each fiscal year, to the extent that such
31 reserve is not used or added to by future appropriation actions.
- 32 3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations
33 Committee and the Senate Finance and Appropriations Committee must receive a notification from the Auditor of Public
34 Accounts that a specific locality is in need of intervention because of a worsening financial situation. The Auditor of Public
35 Accounts may issue such a notification upon receipt of audited financial statement or other information that indicates the
36 existence of fiscal distress. But, no such notification shall be made until appropriate follow up and correspondence ascertains
37 that, in the opinion of the Auditor of Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by
38 the Auditor of Public Accounts if written concerns raised about fiscal distress are not adequately addressed by the locality in
39 question.
- 40 4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific
41 local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate
42 Finance and Appropriations Committee about a plan for state intervention prior to any expenditure of funds from the cash
43 reserve. Any plan approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention,
44 the estimated duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The
45 staffing necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both
46 and, notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such
47 staffing when, in his judgment, the need for intervention is of an emergency nature such that action must be taken in a timely
48 manner to avoid or address unacceptable financial risks to the Commonwealth.
- 49 5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the
50 Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public
51 agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the
52 House Appropriations Committee and the Senate Finance and Appropriations Committee outlining the scope of issues
53 discovered and any recommendations made to remediate such issues, and the progress that is made on such recommendations
54 or other remediation efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is
55 receiving from locally elected officials, including constitutional officers, city, county, or town managers and other local
56 personnel in regards to their intervention work.
- 57 6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround

1 specialists with expertise in local government intervention that the Governor can use to procure intervention services in an
 2 expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.

3 § 4-9.00 HIGHER EDUCATION RESTRUCTURING

4 § 4-9.01 ASSESSMENT OF INSTITUTIONAL PERFORMANCE

5 Consistent with § 23.1-206, Code of Virginia, the following education-related and financial and administrative management
 6 measures shall be the basis on which the State Council of Higher Education shall biennially assess and certify institutional
 7 performance. Such certification shall be completed and forwarded in writing to the Governor and the General Assembly no later than
 8 October 1 of each even-numbered year. Institutional performance on measures set forth in paragraph D of this section shall be
 9 evaluated year-to-date by the Secretaries of Finance and Administration as appropriate, and communicated to the State Council of
 10 Higher Education before October 1 of each even-numbered year. Financial benefits provided to each institution in accordance with §
 11 23.1-1002 will be evaluated in light of that institution's performance.

12 In general, institutions are expected to achieve all performance measures in order to be certified by SCHEV, but it is understood that
 13 there can be circumstances beyond an institution's control that may prevent achieving one or more performance measures. The
 14 Council shall consider, in consultation with each institution, such factors in its review: (1) institutions meeting all performance
 15 measures will be certified by the Council and recommended to receive the financial benefits, (2) institutions that do not meet all
 16 performance measures will be evaluated by the Council and the Council may take one or more of the following actions: (a) request
 17 the institution provide a remediation plan and recommend that the Governor withhold release of financial benefits until Council
 18 review of the remediation plan or (b) recommend that the Governor withhold all or part of financial benefits.

19 Further, the State Council shall have broad authority to certify institutions as having met the standards on education-related
 20 measures. The State Council shall likewise have the authority to exempt institutions from certification on education-related measures
 21 that the State Council deems unrelated to an institution's mission or unnecessary given the institution's level of performance.

22 The State Council may develop, adopt, and publish standards for granting exemptions and ongoing modifications to the certification
 23 process.

41 2. a) The Virginia Department of Education and the State Council of Higher Education for Virginia shall share personally
 42 identifiable information from education records in order to evaluate and study student preparation for and enrollment and
 43 performance at state institutions of higher education in order to improve educational policy and instruction in the Commonwealth.
 44 However, such study shall be conducted in such a manner as to not permit the personal identification of students by persons other
 45 than representatives of the Department of Education or the State Council for Higher Education for Virginia, and such shared
 46 information shall be destroyed when no longer needed for purposes of the study.

47 b) Notwithstanding § 2.2-3800 of the Code of Virginia, the Virginia Department of Education, State Council of Higher Education
 48 for Virginia, Virginia Community College System, and the Virginia Employment Commission may collect, use, share, and maintain
 49 de-identified student data to improve student and program performance including those for career readiness.

50 3. Institutions of higher education shall disclose information from a pupil's scholastic record to the Superintendent of Public

1 Instruction or his designee for the purpose of studying student preparation as it relates to the content and rigor of the Standards
 2 of Learning. Furthermore, the superintendent of each school division shall disclose information from a pupil's scholastic record
 3 to the Superintendent of Public Instruction or his designee for the same purpose. All information provided to the Superintendent
 4 or his designee for this purpose shall be used solely for the purpose of evaluating the Standards of Learning and shall not be

7 c. SIX-YEAR PLAN

 12 Act.

13 1. As specified in § 2.2-5004, Code of Virginia, institution takes all appropriate actions to meet the following financial and
 14 administrative standards:

16 b) No significant audit deficiencies attested to by the Auditor of Public Accounts;

17 c) Substantial compliance with all financial reporting standards approved by the State Comptroller;

18 d) Substantial attainment of accounts receivable standards approved by the State Comptroller, including but not limited to, any

 33 approved by the institution's governing board for projects initiated under delegated authority, or the budget set out in the
 34 Appropriation Act or other Acts of Assembly. If the institution exceeds the budget for any such project, the Secretaries of
 35 Administration and Finance shall review the circumstances causing the cost overrun and the manner in which the institution
 36 responded and determine whether the institution shall be considered in compliance with the measure despite the cost overrun.

37 6. The institution will complete major information technology projects (with an individual cost of over \$1,000,000) within the
 38 budgets and schedules originally approved by the institution's governing board. If the institution exceeds the budget and/or time
 39 schedule for any such project, the Secretary of Administration shall review the circumstances causing the cost overrun and/or
 40 delay and the manner in which the institution responded and determine whether the institution appropriately adhered to Project
 41 Management Institute's best management practices and, therefore, shall be considered in compliance with the measure despite
 42 the cost overrun and/or delay.

 46 by the administrative standards outlined in the Management Agreements and § 4-9.02.d.4. of this act. However, the Governor
 47 may supplement or replace those administrative performance measures with the administrative performance measures listed in
 48 this paragraph. Effective July 1, 2009, the following administrative and financial measures shall be used for the assessment of

 33 education that have operational authority in the area of procurement, the small purchases thresholds shall be the same
 34 thresholds set forth in the Virginia Public Procurement Act (§ 2.2- 4300 et seq). Where small purchase thresholds in the Rules
 35 Governing Procurement for such institutions exceed those in 2.2-4300 et seq, the Rules Governing Procurement shall be the
 36 authorized procurement threshold.

 41 financial and administrative authority as set out in each of the two functional areas of information technology and procurement
 42 as set forth and subject to all the conditions in §§ 2.0 and 3.0 of the second enactment of Chapter 824 and 829 of the Acts of

 50 for Level III institutions shall be the small purchase thresholds set forth in the Virginia Public Procurement Act (§ 2.2-4300 et
 51 seq). Where small purchase thresholds under Rules Governing Procurement for Level III institutions exceed those in 2.2-4300
 52 et seq, the Rules Governing Procurement shall be the authorized procurement threshold.

2 Agreements are permitted to conform their Request for Proposal advertising rules to that of § 2.2-4302.2.A.2

3 d. References in this act to public institutions of higher education that have a Management Agreement with the Commonwealth of
4 Virginia pursuant to the Restructured Higher Education Financial and Administrative Operations Act shall include those governed
5 by Chapters 933 and 943 of the 2006 Acts of Assembly, Chapters 594 and 616 of the 2008 Acts of Assembly, Chapters 675 and 685

8 § 4-9.04 IMPLEMENT JLARC RECOMMENDATIONS

9 a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

10 1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page
11 should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider
12 requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate
13 page attached to student invoices;

14 2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance
15 on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging
16 for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

17 3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of
18 control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards
19 should further direct staff to implement the recommendations of the review to streamline their organizational structures where
20 possible;

21 4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

22 5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that
23 establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the
24 institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances
25 that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting
26 or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

27 6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods,
28 including use of institution-wide contracts;

29 7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are
30 exceptions to the institutional policies for standardizing purchases;

31 8. participate in national faculty teaching load assessments by discipline and faculty type.

32 b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

33 1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of
34 Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-
35 E&G fees, including for intercollegiate athletics;

36 2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-
37 E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts,
38 and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

39 3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure
40 current use of space and plans for future use of space at Virginia's public higher education institutions;

41 4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory
42 Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the
43 committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions'
44 instructional expenditures per student while maintaining or enhancing student learning;

45 5. include factors such as discipline, faculty rank, cost of living, and regional comparisons in developing faculty salary goals;

46 6. identify instructional technology best practices that directly or indirectly lower student cost while maintaining or enhancing
47 learning.

48 c. Notwithstanding the provisions of § 23.1-1304, the State Council of Higher Education for Virginia shall annually train boards of

1 visitors members on the types of information members should request from institutions to inform decision making, such as
 2 performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost
 3 trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the
 4 training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or
 5 delivering the training from relevant agencies such as the Department of General Services and past or present finance officers at
 6 Virginia's public four-year institutions, as appropriate.

7 d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's
 8 maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities,
 9 and differences in facility use.

10 e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate
 11 shall use the results of the prioritization process established by the State Council of Higher Education for Virginia in
 12 determining which capital projects should receive funding.

13 f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of
 14 higher education a review of progress in implementing the JLARC recommendations contained in paragraph § 4-9.04 a.

15 § 4-11.00 STATEMENT OF FINANCIAL CONDITION

16 Each agency head handling any state funds shall, at least once each year, upon request of the Auditor of Public Accounts, make
 17 a detailed statement, under oath, of the financial condition of his office as of the date of such call, to the Auditor of Public
 18 Accounts, and upon such forms as shall be prescribed by the Auditor of Public Accounts.

19 § 4-12.00 SEVERABILITY

20 If any part, section, subsection, paragraph, sentence, clause, phrase, or item of this act or the application thereof to any person
 21 or circumstance is for any reason declared unconstitutional, such decisions shall not affect the validity of the remaining portions
 22 of this act which shall remain in force as if such act had been passed with the unconstitutional part, section, subsection,
 23 paragraph, sentence, clause, phrase, item or such application thereof eliminated; and the General Assembly hereby declares that
 24 it would have passed this act if such unconstitutional part, section, subsection, paragraph, sentence, clause, phrase, or item had
 25 not been included herein, or if such application had not been made.

26 § 4-13.00 CONFLICT WITH OTHER LAWS

27 Notwithstanding any other provision of law, and until June 30, 2026, the provisions of this act shall prevail over any conflicting
 28 provision of any other law, without regard to whether such other law is enacted before or after this act; however, a conflicting
 29 provision of another law enacted after this act shall prevail over a conflicting provision of this act if the General Assembly has
 30 clearly evidenced its intent that the conflicting provision of such other law shall prevail, which intent shall be evident only if
 31 such other law (i) identifies the specific provision(s) of this act over which the conflicting provision of such other law is
 32 intended to prevail and (ii) specifically states that the terms of this section are not applicable with respect to the conflict
 33 between the provision(s) of this act and the provision of such other law.

34 § 4-14.00 EFFECTIVE DATE

35 This act is effective on July 1, 2024.

36 ADDITIONAL ENACTMENTS

37 **2. That the provisions of the first enactment of 2019 Acts of Assembly, Chapter 808, shall apply to taxable years beginning**
 38 **on and after January 1, 2019, but before January 1, 2028, notwithstanding the second enactment of such act or any**
 39 **provision of law or regulation to the contrary.**

40 **3. That § 58.1-1802.1 of the Code of Virginia is amended and reenacted as follows:**

41 § 58.1-1802.1. Period of limitations on collection; accrual of interest and penalty.

42 A. Where the assessment of any tax imposed by this subtitle has been made within the period of limitation properly applicable
 43 thereto, such tax may be collected by levy, by a proceeding in court, or by any other means available to the Tax Commissioner
 44 under the laws of the Commonwealth, but only if such collection effort is made or instituted within seven years from the date of
 45 the assessment of such tax. Except as otherwise provided in this section, effective for assessments made on and after July 1, 2016,
 46 all collection efforts shall cease after such seven-year period even if initiated during the seven-year period. Prior to the expiration
 47 of any period for collection, the period may be extended by a written agreement between the Tax Commissioner and the taxpayer,
 48 and subsequent written agreements may likewise extend the period previously agreed upon. The period of limitations provided in
 49 this subsection during which a tax may be collected shall not apply to executions, levy or other actions to enforce a lien created
 50 before the expiration of the period of limitations by the docketing of a judgment or the filing of a memorandum of lien pursuant to

- 1 B. The running of the period of limitations on collection shall be suspended for (i) the period the assessment is the subject of a

3 custody of any state or federal court, including the United States Bankruptcy Court; or (iii) the period that an installment agreement
4 entered into by the taxpayer pursuant to § 58.1-1817 is in effect.
- 5 C. If the Department of Taxation has no contact with the delinquent taxpayer for a period of six years and no memorandum of lien has
6 been appropriately filed in a jurisdiction in which such taxpayer owns real estate, interest and penalty shall no longer be added to the
7 delinquent tax liability. The mailing of notices by the Department to the taxpayer's last known address shall constitute contact with the
8 taxpayer.
- 9 D. For purposes of this section, the "last known address" of the taxpayer means the address shown on the most recent return filed by or
10 on behalf of the taxpayer or the address provided in correspondence by or on behalf of the taxpayer indicating that it is a change of the
11 taxpayer's address.
- 12 *E. In any pending or future administrative or judicial proceeding in which the validity of a tax assessment is an issue, the participation*
13 *of the Department of Taxation in any capacity shall be considered a collection effort for purposes of this section.*
- 14 **4. That the provisions of the first enactment of this act shall expire at midnight on June 30, 2026.**
- 15 **5. That the provisions of the second enactment of this act shall have no expiration date.**
- 16 **6. That the provisions of the third enactment of this act are declarative of existing law and shall have no expiration date.**
