Authority: § 2.1-20.1, Code of Virginia.

A. The amounts for Medical/Hospitalization Benefits - State are from all funds appropriated to state agencies for this purpose. It is an internal service fund for appropriation purposes in Central Appropriations. Revenues will be paid from state agencies to the Department of Personnel and Training. The estimated cost is \$481,528,970 the first year and \$539,312,447 the second year.

B. The amounts for Medical/Hospitalization Benefits - Local include estimated revenues received from localities for the local option program.

C. The Department of Planning and Budget shall effect such transfers from this appropriation to the Department of Personnel and Training as are required for the payment of medical/hospitalization benefits.

D.1. In the event that the total of all eligible claims exceeds the balance in the employee medical reimbursement account, there is hereby appropriated a sum sufficient from the general fund of the state treasury to enable the payment of such eligible claims.

2. The term "employee medical reimbursement account" means the account administered by the Department of Personnel and Training pursuant to § 125 of the Internal Revenue Code in connection with the health insurance program for state employees (§ 2.1-20.1 of the Code of Virginia).
