- b. Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce of the Commonwealth covered under the Virginia Retirement System. The Secretary of Transportation shall develop guidelines for the implementation of such programs and any agency program must be developed in accordance with such guidelines. The guidelines shall be in accordance with the federal National Energy Policy Act of 1992 (P.L. 102-486), and no program shall provide an incentive that exceeds the actual costs incurred by the employee. Participation in the program shall be monitored by the Department of Mines, Minerals and Energy, which shall submit a report to the Governor by July 15, of each year on the operation of the program during the prior fiscal year.
- d. Any hospital with fewer than 105 beds and which has a minority patient population in excess of 75 percent, shall be allowed to participate in the Employee Health Insurance Program pursuant to § 2.1-20.1, Code of Virginia, provided that such hospital enters into a written agreement to accept the same level of reimbursement as the participating hospitals in the same geographic region.
