A. The Department shall waive fees for Water Protection Permits required for maintenance dredging and the placement of dredged materials by the United States Corps of Engineers in Accomack County.

B. Prior to January 8, 1997, the Department of Environmental Quality shall present a plan to the Chairmen of the House Appropriations and Senate Finance Committees detailing the resources required to implement the Title V permitting program mandated by the federal Clean Air Act amendments of 1990. The Department shall not expend funds to implement the Title V program until sixty days after the submittal of the plan to the two committees.

C. As a condition of the appropriation for this item, the Department of Environmental Quality shall ensure that

each regional office has a full-time compliance auditor position filled by September 1, 1997. All compliance auditor positions shall be filled through the competitive hiring process.

D. As a condition of the appropriation for this item, the Department of Environmental Quality shall establish a process for the effective central office review of consent orders and shall develop a program to conduct post-audits of a random sample of enforcement actions each year. The Department shall report on its implementation of this item by December 1, 1997, to the Chairmen of the House Committees on Appropriations and on Conservation and Natural Resources and the Senate Committees on Finance and on Agriculture, Conservation and Natural Resources.

E. The Department of Environmental Quality shall provide quarterly reports to the Chairmen of the House Committees on Appropriations and on Conservation and Natural Resources and the Senate Committees on Finance and on Agriculture, Conservation and Natural Resources, on its progress in implementing an air pollution operating permit program pursuant to Title V of the federal Clean Air Act.
