Authority: Title 63.1, Chapters 1, 3, 6, 6.2, 6.5, and 12.1, Code of Virginia; P.L. 104-193, Federal Code, as amended.

A. The amount for Financial Assistance for Individual and Family Services shall be expended under regulations of the Board of Social Services to reimburse county and city welfare/social services boards pursuant to § 63.1-92, Code of Virginia, and subject to the same percentage limitations for other administrative services performed by county and city public welfare/social services boards and superintendents of public welfare/social services pursuant to other provisions of the Code of Virginia.

B. Out of the total appropriation for day care, \$3,050,000 from the general fund and \$21,075,000 from federal funds the first year and \$3,050,000 from the general fund and \$21,075,000 from federal funds the second year will support state day care programs which will be administered on a sliding scale basis to income eligible families. The sliding fee scale and eligibility criteria are to be set according to the rules and regulations of the State Board of Social Services. Funds shall be targeted to families who are most in need of assistance with day care costs. Localities may exceed the standards established by the state by supplementing state funds with local funds.

C. Out of the amounts for day care, \$21,206,472 from the general fund and \$26,508,091 from federal funds the first year and \$21,206,472 from the general fund and \$26,508,091 from federal funds the second year will support child care necessary to permit a TANF-eligible family member to prepare for employment, accept employment, or remain employed, and for families eligible for services after termination of TANF benefits in accordance with federal regulations.

D. Included in this appropriation are funds to reimburse local social service agencies for social workers who deliver program services which include but are not limited to: child and adult protective services complaint investigations; foster care and adoption services; and adult services.

E. Notwithstanding § 4-1.03 of this act, general fund and nongeneral fund appropriations for the Child Day Care Fee System At-risk and At-risk Pass-thru programs shall not be: (1) transferred to support other child day care

programs or for any other purpose; and (2) administratively restricted to provide preferential eligibility for these programs to former Temporary Assistance for Needy Families recipients.

F. Included in this Item is funding to carry out the former responsibilities of the Virginia Council on Child Day Care and Early Childhood Programs. Nongeneral fund appropriations allocated for uses associated with the Head Start program shall not be transferred for any other use until eligible Head Start families have been fully served. Any remaining funds may be used to provide services to eligible low-income families in accordance with federal and state requirements. Families, who are working or in education and training programs, with income at or below the poverty level, whose children are enrolled in Head Start wrap-around programs paid for with the federal block grant funding in this Item shall not be required to pay fees for these wrap-around services.

G. Out of this appropriation shall be provided \$105,871 from the general fund and \$755,665 from the federal trust fund the first year and \$105,871 from the general fund and \$755,665 from the federal trust fund the second year to support the statewide Information and Referral System, to expand the system to provide resource and referral information on child day care availability and providers in localities throughout the state, and to publish consumer-oriented materials for those interested in learning the location of child day care providers throughout the state.

H. Included in this Item is funding in the amount of \$600,000 the first year and \$600,000 the second year for scholarships for students in early childhood education and related majors who plan to work in the field, or are working in the field, whether in public schools, child care or other early childhood programs, who enroll in a state community college or a state supported senior institution of higher education. Also included in this Item is funding in the amount of \$505,000 the first year and \$505,000 the second year for training of individuals in the field of early childhood education.

I. Out of this appropriation shall be provided \$25,000 in the first year and \$25,000 the second year from the general fund for the Craig County Child Care Center.

J. To the extent permitted by federal law, the eligibility for social services of an alien who is a qualified alien (as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law No. 104-193) shall be determined without regard to alienage.

K. Out of this appropriation shall be provided \$1,365,000 in nongeneral funds in the first year and \$1,365,000 in nongeneral funds in the second year from the federal Temporary Assistance for Needy Families block grant for child care training of participants in the Virginia Initiative for Employment not Welfare program (VIEW). Regional training shall be developed at Norfolk State University, Virginia Commonwealth University, Virginia State University, and the Virginia Community College System in cooperation with the Department of Social Services, local social services departments, and the Virginia League of Social Service Executives.
