D. Out of the amounts provided to the Department shall be provided \$1,440,339 the first year and \$1,290,339 the second year from the general fund for the Virginia Water Project for operating costs and water and wastewater grants.

E. This appropriation includes annual membership dues in the DELMARVA Advisory Council, \$7,500 the first year and \$7,500 the second year from the general fund.

F.1. This item includes \$2,200,000 the first year and \$2,200,000 the second year from the general fund to carry out the provisions of §§ 59.1-282.2 and [59.1-282.3](#), Code of Virginia, related to the Enterprise Zone Act. Should actual grants to be awarded in each fiscal year be less than the above amounts, the excess shall revert to the general fund on June 30, 1998 and June 30, 1999.

2. The Department shall study the impact of the Enterprise Zone Program on stimulating new investments and job creation since the program's inception. The Department shall report on the program's costs in terms of general

fund appropriations and revenue loss to the state and participating local governments as well as the program's benefits as measured by investments and jobs created by qualified and nonparticipating businesses in the zones. The study shall also address future costs of the program, specifically addressing tax credit benefits and increasing the number of zones. The Department shall submit the study by November 4, 1998, to the Chairmen of the Senate Finance Committee and the House Finance Committee.

G. Any remaining balances in the Abandoned Housing Fund, the Rural Economic Development Grant Fund, the Clean Sites Fund, the Virginia Enterprise Initiative, and the Southside Economic Development Commission shall not revert to the general fund, but shall be carried forward and reappropriated.

H.1. Out of this item, \$10,185,239 the first year and \$6,250,000 the second year from the general fund is appropriated to carry out the provisions of §§ 15.2-1306 through 15.2-1310, Code of Virginia, related to the Regional Competitiveness Act. The Department may use up to \$150,000 the first year from the general fund for staff support for the Regional Competitiveness Program. This appropriation shall be deemed sufficient to meet the state's portion to fund the workforce training and development activities of the qualified plans for the Crater Regional Partnership, Northern Virginia Regional Partnership, Region 2000, Shenandoah Valley Partnership, Southside Regional Partnership, Hampton Roads Partnership, and Richmond Regional Partnership.

2. The Department shall provide copies of the annual reports prepared by the regional partnerships under §15.2-1309.3, Code of Virginia, to the Chairmen of the Senate Committees on Local Government and Finance, and the House Committees on Appropriations, and Counties, Cities and Towns.

3. Incentive funds shall be distributed on a formula based on the population of the qualified region. Each qualified region shall receive no less than \$200,000 the first year.

I. Out of this item \$10,000,000 the first year from the general fund shall be provided to the fiscal agent for the Richmond Centre for expansion of the Centre's convention facility.

J. Out of the amounts in this item shall be provided \$350,000 the first year from the general fund to the Alleghany Highlands Economic Development Authority. Funds may be used to assist with (i) the I-64 Center for Industry and Technology, (ii) the creation of the Alleghany Highlands Innovation Park, and (iii) the development of a small business development center. State funds shall be matched by at least three dollars of nonstate funds for every state dollar.

K. The Department shall report to the Chairmen of the Senate Finance and House Appropriations Committees by November 4, 1998, on the activities of the Virginia Enterprise Initiative in fiscal year 1998. The report shall include, but not be limited to, program costs, the number and location of participating local organizations, the amount of nonstate money matched by state dollars, the number of loans made, the amount of interest and principal collected, the number of persons trained, the number of new businesses started, the number of businesses still in operation 12 months after receiving program assistance, and the number of new jobs created.

L.1. Out of the amounts in this item shall be provided \$3,000,000 the first year from the general fund for the creation of an Industrial Site Development Fund. Funds shall be used to assist communities with the cost of developing industrial properties in distressed areas of the Commonwealth.

2. The Department shall develop criteria and guidelines for the use of such funds. In developing the guidelines, the Department shall give preference to communities in development of regional industrial sites. Such regional sites shall include two or more localities; have identified, purchased, or placed under option the land for the project; and have contracted for or have finished an engineering study of the proposed site. Forty-five days prior to the expenditure of any funds, the Department shall submit for review the guidelines for this program to the Governor and Chairmen of the House Appropriations and Senate Finance Committees.
