This appropriation includes \$500,000 the first year and \$700,000 the second year from the general fund for statewide Clinical Faculty and Mentor Teacher Programs to assist preservice teachers and beginning teachers to make a successful transition into full-time teaching. Such programs shall include elements which are consistent with the following:

1. An application process for localities and school/higher education partnerships that wish to participate in the programs;
2. Provisions for a local resource or institutional commitment of 50 percent, to match state grants of 50 percent;
3. Program plans which include a description of the criteria for selection of clinical faculty and mentor teachers, training, support, and compensation for clinical faculty and mentor teachers, collaboration between the school division and institutions of higher education, the clinical faculty and mentor teacher assignment process, and a process for evaluation of the programs; and
4. The Department of Education shall allow flexibility to local school divisions and higher education institutions regarding compensation for clinical faculty and mentor teachers consistent with these elements of the programs.
