Authority: P.L. 89-87, as amended, Title XIX, Social Security Act, Federal Code; Title 32.1, Chapters 9 and 10, Code of Virginia.

A. By November 15 of each year, the Department of Planning and Budget, in cooperation with the Department of Medical Assistance Services, shall prepare and submit a forecast of Medicaid expenditures, upon which the Governor's budget recommendations will be based, for the current and subsequent two years to the Chairmen of the House Appropriations and Senate Finance Committees. The forecast shall detail the number of new nursing home beds expected to be added each year and the resulting impact on the Medicaid budget.

B. As a condition of this appropriation, the Department of Medical Assistance Services shall submit written status reports to the Secretary of Health and Human Resources and the Directors of the Department of Planning and Budget and the Department of Technology Planning on the development and implementation of its new Medicaid Management Information System. These reports shall be submitted on a quarterly basis, commencing on July 1, 2000, and continuing until the new system has received its certification from the Health Care Financing Administration.
