Authority: Title 63.1, Chapter 1; § 9-6.14:1 et seq., Code of Virginia; P.L. 98-502, P.L. 104-156, P.L. 104-193, P.L. 104-327, P.L. 105-33, as amended; P.L. 105-89; P.L. 105-178, Federal Code; Titles IV-A, IV-B, IV-D, IV-E, XIX, XX, XXI of the federal Social Security Act, as amended.

A. The Commissioner of the Department of Social Services (DSS) and the Secretaries of Administration and Health and Human Resources shall develop an automated system for eligibility and service programs that include Temporary Assistance to Needy Families (TANF), Food Stamps, and Medicaid. The maximum use of federal funds for this purpose shall be explored.

B.1. To provide adequate oversight of the implementation of automated systems, and to ensure coordination with local social services agencies, the Department of Social Services shall maintain a Local Information Technology Planning Committee. The Committee shall include one representative each from the Department of Technology Planning, the Department of Information Technology, the Department of Social Services, the Department of Medical Assistance Services, and the Joint Legislative Audit and Review Commission, and at least five local social services personnel to be selected by the Virginia League of Social Service Executives. The Committee shall provide advice to the Commissioner on all computer and telecommunications systems operated by the Department in support of programs administered by local social services agencies.

2. The Department shall retain the services of a qualified independent contractor with appropriate experience in information technology project management and systems integration to perform periodic audits of the performance of the ADAPT project. Such audits shall be conducted under the direction of the DSS Local Information Planning Committee and shall include, but not be limited to, the progress of the project in terms of: (a) planned versus actual work plan activities, (b) milestones and deliverables, (c) critical path activities, (d) execution of risk reduction activities, and (e) application of any contingency plans. The audit contractor shall report audit exceptions in a timely manner, note any areas of concern, and recommend remedial actions. At least semiannually, the audit contractor shall issue a written report including audit findings, recommendations, and the results to date of any follow-up actions by the Department. The contractor shall distribute such reports to the Commissioner of Social Services, the DSS Local Information Technology Planning Committee, the Governor, the Department of Planning and Budget, the ~~Council on Information Management~~ *Department of Technology Planning*, and the Chairmen of the Senate Finance and House Appropriations Committees.

3.a. The Department of Social Services shall own hardware and database management software purchased with funds appropriated to it. The Department of Information Technology may charge the Department of Social Services for operations and maintenance of such equipment and products but may not include any portion of the purchase price in the calculation of such charges. The Department of Information Technology may not use or sell the excess capacity resulting from these purchases, except pursuant to a Memorandum of Understanding (MOU) between the Departments of Planning and Budget, Information Technology, and Social Services. Any such MOU must provide for appropriate reimbursement to the general fund and any federal grant contributions for the purchases.

b. Recovery of the federal share of the cost of computer equipment in years following the Department's original purchase with general fund appropriation shall be deposited as revenue of the general fund in reimbursement for general fund expenditures made in prior years.

C. As a condition of the appropriation for this Item, pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, *as amended*, the Department shall, in cooperation with local departments of social services, maintain a waiver of the work requirement for Food Stamp recipients residing in areas that do not have a sufficient number of jobs to provide employment for such individuals, including those areas designated as labor surplus areas by the U.S. Department of Labor.

D. The Department, in consultation with welfare recipients and welfare advocates, shall prepare and distribute brochures, videos, and other community education materials to explain fully, concisely, and simply the rights and responsibilities of welfare applicants and recipients under the Virginia Independence Program and the Virginia Initiative for Employment not Welfare.

E. The Department shall implement an Electronic Benefits Transfer (EBT) system as required under Title Eight of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193. That federal statute mandates that all states distribute Food Stamp benefits by electronic means by October 1, 2002.

F. The Department of Social Services (DSS), in collaboration with the Office of Comprehensive Services, shall provide training to local staff serving on Family Assessment and Planning Teams and Community Policy and Management Teams. Training shall include, but need not be limited to, the federal and state requirements pertaining to the provision of the foster care services funded under § 2.1-757, Code of Virginia. The training shall also include written guidance concerning which services remain the financial responsibility of the local departments of social services. Training shall be provided on a regional basis at least once per year. Written guidance shall be provided to local Comprehensive Services Act teams by July 1, 2000, and updated whenever there is a change in allowable expenses under federal or DSS guidelines. In addition, the Department of Social Services shall provide ongoing local oversight of its federal and state requirements related to the provision of services funded under § 2.1-757, Code of Virginia.

G. The Department of Social Services, in cooperation with local departments of social services, shall promote the

Children's Medical Security Insurance Plan or Family Access to Medical Insurance Security Plan in Southside Virginia localities and promptly enroll eligible children. The Department shall report to the Chairmen of the House Appropriations and Senate Finance Committees by July 1, 2000, on their progress in enrolling children in the program, and provide quarterly progress reports thereafter.

H. On July 1 of each year in which funds are appropriated, the Department of Social Services shall begin payments to local organizations for purposes provided for in this act. If contracts are required in advance of payments, the contracts shall be completed in time to meet the July 1 deadline for beginning payments.

I. To the extent permitted by federal law, the Department of Social Services shall permit local social services agencies to implement semi-annual reporting for food stamp households with earned income as authorized by 65 Federal Register 70133-70212 (November 21, 2000, to be codified at 7 C.F.R. §273.12(a)(1)(vii) et al.).
