Authority: §§ [2.2-1700](#) and 2.2-1701, Code of Virginia.

A. Included within this appropriation is \$9,800,000 the first year from the Wireless E-911 Fund to establish a grant program to assist localities that are making a good-faith effort to develop E-911 wireline emergency telephone services but have a demonstrated financial need for state assistance.

B. Included within this appropriation is \$8,000,000 the first year from the Wireless E-911 Fund to continue in partnership with the Virginia Geographic Information Network Division the acquisition, processing, quality control, and distribution of high-resolution digital orthophotography of the entire land base of Virginia.

C. The Department of Technology Planning shall provide a status report on the utilization and status of monies held and anticipated in the E-911 Fund by November 1, each year, to the Governor and the Chairmen of the Senate Finance and House Appropriations Committees.
