Authority: Title 32.1, Chapters 9 and 10, Code of Virginia; P.L. 89-87, as amended, Title XIX, Social Security Act, Federal Code.

A. By November 15 of each year, the Department of Planning and Budget, in cooperation with the Department of Medical Assistance Services, shall prepare and submit a forecast of Medicaid expenditures, upon which the Governor's budget recommendations will be based, for the current and subsequent two years to the Chairmen of the House Appropriations and Senate Finance Committees. The forecast shall detail the number of new nursing home beds expected to be added each year and the resulting impact on the Medicaid budget.

B. As a condition of this appropriation, the Department of Medical Assistance Services shall submit written status reports to the Secretary of Health and Human Resources and the Directors of the Department of Planning and Budget and the Department of Technology Planning on the development and implementation of its new Medicaid Management Information System. These reports shall be submitted on a quarterly basis, commencing on July 1, 2000, and continuing until the new system has received its certification from the ~~Health Care Financing Administration~~ *Centers for Medicare and Medicaid Services*.

C. The Department of Medical Assistance Services and the Department of Planning and Budget, with the assistance of the Department of Mental Health, Mental Retardation and Substance Abuse Services, shall use the Medicaid expenditure forecast models to project expenditures for State Plan Option services, including community mental health rehabilitation services; targeted mental health and mental retardation case management; substance abuse treatment for pregnant and postpartum women; intensive in-home and therapeutic day treatment for children and adolescent services in the Early and Periodic Screening, Diagnosis, and Treatment Program; mental retardation home- and community-based waiver services; and any other new or expanded mental health, mental retardation and substance abuse services that are covered by the State Plan for Medical Assistance.

D. The Department of Medical Assistance Services, to the extent permissible under federal law, shall enter into an agreement with the Department of Mental Health, Mental Retardation and Substance Abuse Services to share Medicaid claims and expenditure data on all Medicaid-reimbursed mental health, mental retardation and

substance abuse services, and any new or expanded mental health, mental retardation and substance abuse services that are covered by the State Plan for Medical Assistance. The information shall be used to increase the effective and efficient delivery of publicly funded mental health, mental retardation and substance abuse services.
