A. Instruction Payments

1. Aid to localities provided by the Federal Block Grant for Education is appropriated in this subprogram.
2. This appropriation includes \$300,000 in each year from the general fund for Migrant Education.

B. Special Education Instruction Payments

1. The Department of Education shall establish rates for all elements in this subprogram.
2. Out of the amounts for special education payments, the Department of Education shall make available, subject to implementation by the Superintendent of Public Instruction, an amount estimated at \$36,024,033 the first year and \$37,217,000 the second year from the general fund for the purpose of the state's share of the tuition rates for approved public school regional programs. Notwithstanding any contrary provision of law, the state's share of the tuition rates shall be based on the composite index of local ability-to-pay.
3. Out of the amounts for Financial Assistance for Special Education, \$22,790,440 the first year and \$23,853,499 the second year from the general fund is appropriated to permit the Department of Education to contract with selected local school boards for the provision of educational services to children residing in certain hospitals, clinics, and detention homes by employees of the local school boards. The selection and employment of instructional and administrative personnel under such contracts will be the responsibility of the local school board in accordance with procedures as prescribed by the local school board.

C. Vocational Education Instruction Payments

1. It is the intention of the General Assembly that the Department of Education explore initiatives that will encourage greater cooperation between jurisdictions and the Virginia Community College System in meeting the needs of public school systems.
2. This appropriation includes \$75,000 the first year and \$75,000 the second year from the general fund for the School-To-Work Transition Grants Program.
3. An amount estimated at \$11,401,817 the first year and \$11,386,067 the second year from nongeneral funds is appropriated pursuant to the School-to-Work Opportunities Act of 1994.
4. This appropriation includes \$700,000 the first year and \$700,000 the second year from the general fund for secondary vocational-technical equipment. A base allocation of \$1,000 the first year and \$1,000 the second year shall be available for all divisions, with the remainder of the funding distributed on the basis of student enrollment in secondary vocational-technical courses. State funds received for secondary vocational-technical equipment must be used to supplement, not supplant, any funds currently provided for secondary vocational-technical equipment within the locality.

D. Adult Education Payments

State funds shall be used to reimburse general adult education programs on a fixed cost per pupil or cost per class basis. No state funds shall be used to support vocational noncredit courses.

E. General Education Payments

1.a. Out of the amounts for Financial Assistance for General Education shall be paid \$1,085,754 the first year and \$1,085,754 the second year from the general fund for Project Discovery. These funds are to fund approximately one-half of the cost of the program in Abingdon, Accomack/Northampton, Alexandria, Amherst, Appomattox, Arlington, Bedford, Bland, Campbell, Charlottesville, Cumberland, Danville/Pittsylvania, Fairfax, Franklin/Patrick, Goochland/Powhatan, Lynchburg, Newport News, Norfolk, Richmond City, Roanoke City, Smyth, Surry/Sussex, Tazewell, Williamsburg/James City, and Wythe and the salary of a fiscal officer for Project Discovery.

b. The Board of Education shall determine the Project Discovery funding distributions to each community action agency. The contract with Project Discovery, Inc. should specify the allocations to each local Project Discovery program. Allocations shall be on a per pupil basis for students enrolled in the program.

2.a. The Department of Education and the Department of Medical Assistance Services shall jointly issue a request for proposals for the planning and implementation of pilot school/community health centers. This appropriation includes \$1,500,000 the first year and \$1,500,000 the second year from the general fund for pilot projects.

b. A school division which desires to participate in a pilot program must be, or agree to become, a Medicaid provider approved by the Department of Medical Assistance Services. Any Medicaid reimbursements received from services provided through the school/community health center must be retained by the center for the continuation of its operation.

c. Pilots are encouraged to develop different models of service delivery, including but not limited to, individual school-based programs, districtwide efforts through the use of mobile approaches, or regional efforts. Centers should provide a variety of services such as health screening, outreach programs, health counseling, control and management of communicable diseases, and the management of medically fragile students.

3. Out of the amounts for Financial Assistance for General Education, the Board of Education shall provide \$50,000 the first year and \$50,000 the second year from the general fund for the Blue Ridge Regional Education and Training Council.

4. Out of the amounts for Financial Assistance for General Education, the Board of Education shall provide \$477,000 the first year and \$477,000 the second year from the general fund for the Southwest Virginia Public Education Consortium at the University of Virginia's College at Wise. The Consortium shall provide \$115,000 the first year and \$115,000 the second year from the general fund to continue the Van Gogh Outreach program with Lee and Wise County Public Schools and expand the program to the twelve school divisions in Southwest Virginia.

5. The appropriation for Financial Assistance for General Education includes \$215,000 the first year and \$215,000 the second year from the general fund for the Southside Virginia Regional Technology Consortium to expand the research and development phase of a technology linkage.

6. The appropriation for Financial Assistance for General Education includes \$10,000 the first year and \$10,000 the second year from the general fund for student exchanges between Virginia's school divisions.

7. Out of the amounts for Financial Assistance for General Education, the Board of Education shall provide \$55,000 the first year and \$55,000 the second year from the general fund for the Hampton Roads Public Education Regional

Cooperative.

8. The amounts for Financial Assistance for General Education include \$50,000 the first year and \$50,000 the second year from the general fund for Project ECOLE (Electronic Community of Learning and Education). The funds shall be used to develop the curriculum and learning system for replication to other schools in the Commonwealth. The Department of Education shall assist in the dissemination of information regarding Project ECOLE to school divisions statewide and in the provision of technical assistance to school divisions replicating this program.

9. Out of the amounts for Financial Assistance for General Education, the Board of Education shall provide \$125,000 the first year and \$125,000 the second year from the general fund for the Western Virginia Public Education Consortium.

10. Out of the amounts for Financial Assistance for General Education, the Board of Education shall provide \$60,000 the first year and \$60,000 the second year from the general fund for grants to three alternative school pilots. Funding shall be provided for one pilot each for alternative programs for disruptive elementary students in the Newport News and Norfolk school divisions. The third pilot shall be for Victory Academy, an alternative school operated by the Gloucester County school division.

F. Cultural Transition Payments

A payment of \$8,958,507 the first year and \$10,671,341 the second year from the general fund shall be disbursed by the Department of Education to local school divisions to support the state share of ten professional instructional positions per 1,000 students for whom English is a second language.

G. Educational Telecommunications Payments

1. Out of the amounts for Financial Assistance for Educational Telecommunications, the Board of Education shall provide assistance for electronic classrooms.

2. The local share of costs associated with operation of electronic classrooms shall be computed using the local composite index.

H. Dropout Prevention Payments

1. Out of the amounts for Financial Assistance for Dropout Prevention shall be paid \$10,970,997 the first year and \$10,970,977 the second year from the general fund to support a statewide dropout prevention program. Such program shall include elements which are consistent with the following:

a. An application process for localities that wish to participate in the program;

b. Provisions for a local funding commitment of 40 percent, to match state grants of 60 percent; and

c. Local program plans which include systematic identification of potential dropouts, assessment of individual student needs, and provision of coordinated alternative programs to meet such needs.

2.a. This appropriation includes \$1,230,000 the first year and \$1,230,000 the second year from the general fund to provide at least three pilot programs related to increasing the success of disadvantaged students in completing a high school degree and providing opportunities to encourage further education and training. Of this appropriation, \$450,000 the first year and \$450,000 the second year from the general fund shall be provided for An Achievable Dream, Inc. to operate an extended-school-day and summer tennis and educational enhancement program in Newport News. Out of this appropriation, \$95,000 the first year and \$95,000 the second year from the general fund

shall be provided for a Virginia Guaranteed Assistance Program in the City of Fredericksburg Public Schools. Out of this appropriation, \$30,000 the first year and \$30,000 the second year from the general fund shall be provided for an Achievable Dream Program for Hampton Public Schools.

b. Pilot programs must contain the following:

- 1) A focus on early intervention, dropout prevention, and college preparation;
- 2) Evidence of cooperation among local schools, colleges, universities, and community groups;
- 3) Evidence of coordination of programs and funding available through Project Discovery, Dropout Prevention, the Virginia Plan for Equal Opportunity in State-Supported Institutions of Higher Education, or similar sources;
- 4) Evidence of private sector cooperation and support.

c. The Department of Education shall develop guidelines for submitting pilot program proposals, as well as for implementation and assessment of these programs. Such guidelines shall ensure that school boards are allowed broad flexibility to design and implement program components which best serve the needs of the students enrolled in the program.

3. Out of this appropriation, \$831,645 the first year and \$784,369 the second year from the general fund is designated to establish pilot Advancement Via Individual Determination (AVID) programs to prepare middle and high school at-risk students for college eligibility and success in college once they are enrolled. These pilots shall be in the Cities of Newport News, Norfolk, Richmond, Hampton, Petersburg, Staunton, Virginia Beach, and Culpeper and Fairfax Counties. In order to participate, localities are required to provide a match for these funds based on the composite index of local ability-to-pay.

4. Out of this appropriation, \$2,247,581 the first year and \$2,247,581 in the second year from the general fund shall be provided for the secondary schools' Individual Student Alternative Education Program (ISAE), pursuant to Chapter 488 and Chapter 552 of the 1999 Session of the General Assembly. The Department of Education shall report the status of this program along with any recommendations for determining the cost of this program to the Governor and the Chairmen of the Senate Finance, Senate Education and Health, House Appropriations, and House Education Committees no later than September 1 of each year.

I. Foster Children Education Payments

1. An additional state payment is provided from the general fund for the prior year's local operations costs, as determined by the Department of Education, for each pupil not a resident of the school division providing his education (a) who has been placed in foster care or other custodial care within the geographical boundaries of such school division by a Virginia agency, whether state or local, which is authorized under the laws of this Commonwealth to place children; (b) who has been placed in an orphanage or children's home which exercises legal guardianship rights; or (c) who is a resident of Virginia and has been placed, not solely for school purposes, in a child-caring institution or group home.

2. This appropriation also provides \$5,504,589 the first year and \$5,504,589 the second year from the general fund to support handicapped children attending public school who have been placed in foster care or other such custodial care across jurisdictional lines, as provided by subsection B of § 22.1-101.1, Code of Virginia. To the extent these funds are not adequate to cover the full costs specified therein, the Department is authorized to expend unobligated balances in this Item and Item 147 for this support.
