Authority: Title 2.2, Chapter 13, Code of Virginia.

A. Operational costs for this program shall be paid solely from charges to other programs within this agency.

B. 1. The Director, Department of Planning and Budget, is authorized to transfer general fund and nongeneral fund appropriations from Executive Department agencies, other than institutions of higher education, to the Department of Information Technology. These transfers represent funds appropriated to agencies for information technology resource expenses in FY 2003 that have been identified by the Secretary of Technology for transfer to the Department of Information Technology. The State Comptroller shall transfer cash consistent with these appropriation transfers.

2. The Governor shall provide to the Chairmen of the House Appropriations and Senate Finance Committees no later than 30 days after any such transfers the approved amounts and/or positions and the agencies affected.

C. The Director, Department of Planning and Budget, is authorized to transfer in FY 2003 general fund and nongeneral fund positions of information technology employees identified by the Secretary of Technology in the Executive Department agencies, other than institutions of higher education, as technology-related positions, to the Department of Information Technology. An information technology employee is any full-time or part-time classified, wage, or contractual employee in a state agency, the majority of whose actual job duties involves information technology.
