A. The June 30, 2003 and June 30, 2004 unexpended balances for Construction Assistance are hereby reappropriated.

B. The Department of Environmental Quality, as part of its regular water testing program, shall provide \$36,500 the first year from the general fund to the Smith Mountain Lake Volunteer Water Quality Monitoring Project.

C. The Department of Environmental Quality, as part of its regular water testing program, shall provide \$25,000 the first year from the general fund to the Virginia Division of the Izaak Walton League of America.

D. Out of the amounts provided for the Virginia Water Facilities Revolving Fund, the Department of Environmental Quality shall transfer \$25,000 the first year and \$20,000 the second year to the Town of Tangier for a comprehensive plan to clean up waste and ash piles found on the island and implement systems to assure compliance with state environmental protection requirements.

E. This appropriation includes \$1,272,750 from the Virginia Environmental Emergency Response Fund for litter control and recycling grants for fiscal year 2004.

F. Included in this appropriation is \$106,000 the second year in nongeneral funds for citizen water quality monitoring. The source of the nongeneral funds is from dredging royalties collected by the Marine Resources Commission pursuant to § 28.2-1206, Code of Virginia, and deposited into the Marine Habitat and Waterways Improvement Fund.

G. The Department of Environmental Quality is authorized to make a loan to the City of Staunton from the Virginia Water Facilities Revolving Fund to assist in the environmental clean-up for the reuse of the property at the former Staunton Correctional Center.
