2. Each four-year public institution of higher education, Richard Bland College, and the Virginia Community College System shall submit to the State Council of Higher Education, pursuant to Item 165, paragraph B 1, a progress report on implementing its current strategic plan, including the progress it has made in meeting the following statewide goals: a) enhancing instructional quality; b) accommodating enrollment demand; and c) increasing Virginia's national standing with regard to sponsored research.

In implementing these statewide goals and their institutional goals, Virginia public colleges and universities shall apply the following guiding principles: a) maximize student access to higher education and minimize the cost to students and the state; b) enhance administrative efficiency and productivity; and c) streamline operations as a means for improving managerial flexibility.

B. In making such allocations, the Secretary of Education is directed to give priority to allocation requests for qualified zone academies having at least 35 percent free lunch participation or either located in federal enterprise communities or located in cities and counties within which federal enterprise communities are located.

C. The Secretary of Education is hereby authorized to make allocations of the portion of the tax-exempt private activity bond limitation amount to be allocated annually to the Commonwealth of Virginia pursuant to the Economic Growth and Tax Relief Reconciliation Act of 2001 (PL 107-16)(Section 142(k)(5) of the Internal Revenue Code of 1986, as amended) for the development of education facilities using public-private partnerships, and to provide for carryovers of any unused limitation amount. In making such allocations, the Secretary is directed to give priority to public-private partnership proposals that will serve as demonstration projects concerning the leveraging of private sector contributions and resources, the achievement of economies or efficiencies associated

with private sector innovation, and other benefits that are or may be derived from public-private partnerships in contrast to more traditional approaches to public school construction and renovation. The Secretary is directed to report annually not later than August 31 (commencing August 31, 2002) to the Chairmen of the Senate Finance and House Appropriations Committees regarding any guidelines implemented and any allocations made pursuant to this paragraph.
