A.1. The purpose of this Item is to provide an ongoing program for the acquisition and replacement of instructional and research equipment at state-supported institutions of higher education in accordance with the intent and purpose of Chapter 597, Acts of Assembly of 1986.

2. Debt service payments required to support equipment purchases are appropriated in Item 296 for the Treasury Board. 4. The Governor shall annually present to the General Assembly through the Commonwealth's budget process, the estimated amount of lease payments and the corresponding total value of equipment to be acquired.

B.1. The State Council of Higher Education for Virginia shall establish and maintain procedures through which institutions of higher education apply for allocations made available under the program, and shall develop guidelines and recommendations for the apportionment of such equipment to each state-supported institution of higher education.

2. Bonds or notes issued by the Virginia College Building Authority to finance equipment may be sold and issued at the same time with other obligations of the Authority as separate issues or as a combined issue. Each institution shall make available such additional detail on specific equipment to be purchased as may be requested by the Governor or the General Assembly. If emergency acquisitions are necessary when the General Assembly is not in session, the Governor may approve such acquisitions.
