A. The Commissioner, Department of Motor Vehicles, is authorized to establish, where feasible and cost efficient, contracts with private/public partnerships with commercial operations, to provide for simplification and streamlining of service to citizens through electronic means. Provided, however, that such commercial operations shall not be entitled to compensation as established under § [46.2-205](#), Code of Virginia, but rather at rates limited to those established by the Commissioner.

B. In order to encourage the use of alternative service delivery methods, the Department of Motor Vehicles shall not charge its customers for the use of credit cards for internet or other types of transactions.

C. In order to provide citizens of the Commonwealth greater access to the Department of Motor Vehicles, the agency is authorized to enter into an agreement with any local constitutional officer or combination of officers to act as a license agent for the department, with the consent of the chief administrative officer of the constitutional officer's county or city, and to negotiate a separate compensation schedule for such office other than the schedule set out in § [46.2-205](#), Code of Virginia. Notwithstanding any other provision of law, any compensation due to a constitutional officer serving as a license agent shall be remitted by the department to the officer's county or city on a monthly basis, and not less than 80 percent of the sums so remitted shall be appropriated by such county or city to the office of the constitutional officer to compensate such officer for the additional work involved with processing transactions for the department. Funds appropriated to the constitutional office for such work shall not be used to supplant existing local funding for such office, nor to reduce the local share of the Compensation Board-approved budget for such office below the level established pursuant to general law.
