Bill Order » Office of Health and Human Resources » Item 310

Department of Mental Health, Mental Retardation and Substance Abuse Services

Item 310

It is the intent of the General Assembly that the Department of Mental Health, Mental Retardation and Substance Abuse Services proceed in transforming its system of care into a model that embodies best practices and state-of-the art services. The consumer-driven system of services and supports shall promote self-determination, empowerment, recovery, resilience, health, and the highest possible level of consumer participation in all aspects of community life. The transformed system shall include investments in a suitable array and adequate quantity of community-based services, with an emphasis on consumer choice and the appropriate use of facility resources. State facilities shall be redesigned to ensure high quality care, efficient operation, and capacity necessary for persons most in need of such care. Amounts authorized herein, and in related legislation, shall be used to support the transformation of the system of care and to promote the provision of mental health, mental retardation and substance abuse services in the most efficient and appropriate setting. The authorized amounts, which are included in the affected items 302, 308, 311, 312, 316, and 321, include the following:
