A.1. The amount shown for Highway Transportation Improvement District Construction shall be derived from payments made to the Transportation Trust Fund pursuant to the Contract between the State Route 28 Highway Transportation Improvement District and the Commonwealth Transportation Board dated September 1, 1988 as amended by the Amended and Restated District Contract by and among the Commonwealth Transportation Board, the Fairfax County Economic Development Authority and the State Route 28 Highway Transportation Improvement District Commission (the "District Commission") dated August 30, 2002 (the "District Contract").

2. There is hereby appropriated for payment immediately upon receipt to a third party approved by the Commonwealth Transportation Board, or a bond trustee selected by such third party, a sum sufficient equal to the special tax revenues collected by the Counties of Fairfax and Loudoun within the State Route 28 Highway Transportation Improvement District and paid to the Commonwealth Transportation Board by or on behalf of the District Commission (the "contract payments") pursuant to § 15.2-4600 et seq., Code of Virginia, and the District Contract between the Commonwealth Transportation Board and the District Commission.

3. The contract payments may be supplemented from primary funds allocated to the highway construction district in which the project financed is located, or from the secondary system construction allocation to the county or counties in which the project financed is located, and from any other lawfully available revenues of the Transportation Trust Fund, as may be necessary to meet debt service obligations. The payment of debt service shall be for the bonds (the Series 2002 Bonds) issued under the "Commonwealth of Virginia Transportation Contract Revenue Bond Act of 1988" (Chapters 653 and 676, Acts of Assembly of 1988 as amended by Chapters 827 and 914 of the Acts of Assembly of 1990). B.1. This payment shall be in lieu of the deposit of state recordation taxes to the Fund, as specified in the cited Code section and shall be made no later than July 15 of each year. Said recordation taxes which would otherwise be deposited to the Fund shall be retained by the general fund. Additional appropriations required for the U.S. Route 58 Corridor Development Fund, an amount estimated at \$12,000,000 the first year and \$12,000,000 the second year, shall be transferred from the highway share of the Transportation Trust Fund.
