A. Grants provided for in this Item shall be administered by the Department of Historic Resources. As determined by the department, projects of museums and historic sites, as provided for in § 10.1-2211, 10.1-2212, and 10.1-2213 of the Code of Virginia, shall be administered under the provisions of those sections. Others listed in this item shall be administered under the provisions of § 4-5.05 of this act.

B. Prior to the distribution of any funds, the organization or entity shall make application to the department in a format prescribed by the department. The application shall state whether grant funds provided under this item will be used for purposes of operating support or capital outlay and shall include project and spending plans. Unless otherwise specified in this item, the matching share for grants funded from this item may be cash or in-kind contributions as requested by the nonstate organization in its application for state grant funds, but must be concurrent with the grant period. The department shall use applicable federal guidelines assessing the value and eligibility of in-kind contributions to be used as matching amounts.

C. Any balances not drawn down by recipient organizations on June 30, 2007, from appropriations in this item shall not revert to the general fund, but shall be carried forward on the books of the Comptroller. The Governor shall report amounts reverted and the affected organizations in the 2007 Budget Bill.
