In such cases, an appointee's starting salary may be set at a rate which is ten percent higher than the preappointment compensation, provided that the maximum of the range is not exceeded. However, in instances where an appointee's preappointment compensation exceeded the maximum of the respective salary range, then the salary for that appointee may be set at the maximum salary for the respective salary range.

c) Nothing in subdivision c 1 shall be interpreted to supersede the provisions of § 4-6.01 e, f, g, h, i, j, k, l, and m of this act.

2.a) The Governor may increase or decrease the annual salary for incumbents of positions listed in subdivision c 6 below at a rate of up to 10 percent in any single fiscal year between the minimum and the maximum of the respective salary range in accordance with an assessment of performance and service to the Commonwealth.

b)1) The appointing or governing authority may grant performance bonuses of 0-5 percent for positions whose salaries are listed in §§ 1-1 through 1-9, and 4-6.01 b, c, and d of this act, based on an annual assessment of performance, in accordance with policies and procedures established by such appointing or governing authority. Such performance bonuses shall be over and above the salaries listed in this act, and shall not become part of the base rate of pay.

2) The appointing or governing authority shall report performance bonuses which are granted to executive branch employees to the Department of Human Resource Management for retention in its records.

c) Notwithstanding § 4-6.01 c.1.a), b) and c) preceding, the salary for any person who is appointed to and assumes a position listed in § 4-6.01 c.6. on and after January 12, 2002, but before July 1, 2002, shall not be reduced or increased from the salary established for such appointee pursuant to the provisions of § 4-6.01 c.1 of Chapter 1073 of the 2000 Acts of Assembly, as such chapter may be amended in the 2002 Session of the General Assembly. However, such appointee shall be eligible to receive compensation supplements as prescribed in Item 511 of this act.

3. From the effective date of the Executive Pay Plan set forth in Chapter 601, Acts of Assembly of 1981, all incumbents holding positions listed in this § 4-6.01 shall be eligible for all fringe benefits provided to full-time classified state employees and, notwithstanding any provision to the contrary, the annual salary paid pursuant to this § 4-6.01 shall be included as creditable compensation for the calculation of such benefits.

4. Notwithstanding § 4-6.01.c.2.b)1) of this Act, the Board of Commissioners of the Virginia Port Authority may supplement the salary of its Executive Director, with the prior approval of the Governor. The Board should be guided by criteria which provide a reasonable limit on the total additional income of the Executive Director. The criteria should include, without limitation, a consideration of the salaries paid to similar officials at comparable ports of other states. The Board shall report approved supplements to the Department of Human Resource Management for retention in its records.

6.a) The following salaries shall be paid for the current biennium in the amounts shown, however, all salary changes shall be subject to subdivisions c 2 through c 5 above.

b) Existing salary contracts between the Chief Information Officer and the Information Technology Investment Board in effect before the enactment of this act shall remain in effect as originally written until the termination of said contracts. e. Salaries for newly employed or promoted employees shall be established consistent with the compensation and classification plans established by the Governor.

f. The provisions of this section, requiring prior written approval of the Governor relative to compensation, shall

apply also to any system of incentive award payments which may be adopted and implemented by the Governor. The cost of implementing any such system shall be paid from any funds appropriated to the affected agencies.

g. No lump sum appropriation for personal service shall be regarded as advisory or suggestive of individual salary rates or of salary schedules to be fixed under law by the Governor payable from the lump sum appropriation.

h. Subject to approval by the Governor of a plan for a statewide employee meritorious service awards program, as provided for in § 2.2-1201.12, Code of Virginia, the costs for such awards shall be paid from any operating funds appropriated to the affected agencies.

i. The General Assembly hereby affirms and ratifies the Governor's existing authority and the established practice of this body to provide for pay differentials or to supplement base rates of pay for employees in specific job classifications in particular geographic and/or functional areas where, in the Governor's discretion, they are needed for the purpose of maintaining salaries which enable the Commonwealth to maintain a competitive position in the relevant labor market.

j.1. If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the salary listed in § 4-6.01 c 6 of this act. Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6; provided, however, that such additional compensation must be approved by the Council.

2. If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary listed in § 4-6.01 c 6 shall be paid from the Council's appropriation.

k.1. Except as otherwise provided for in this subdivision, any increases in the salary band assignment of any job role contained in the compensation and classification plans approved by the Governor shall be effective beginning with the first pay period, defined as the pay period from June 25 through July 9, of the fiscal year if: (1) the agency certifies to the Secretary of Finance that funds are available within the agency's appropriation to cover the cost of the increase for the remainder of the current biennium and presents a plan for covering the costs next biennium and the Secretary concurs, or (2) such funds are appropriated by the General Assembly. If at any time the Secretary of Administration shall certify that such change in the salary band assignment for a job role is of an emergency nature and the Secretary of Finance shall certify that funds are available to cover the cost of the increase for the remainder of the biennium within the agency's appropriation, such change in compensation may be effective on a date agreed upon by these two Secretaries. The Secretary of Administration shall provide a monthly report of all such emergency changes in accordance with § 4-8.00, Reporting Requirements.

2. Salary adjustments for any employee through a promotion, role change, exceptional recruitment and retention incentive options, or in-range adjustment shall occur only if: (1) the agency has sufficient funds within its appropriation to cover the cost of the salary adjustment for the remainder of the current biennium or (2) such funds are appropriated by the General Assembly.

3. No changes in salary band assignments affecting classified employees of more than one agency shall become effective unless the Secretary of Finance certifies that sufficient funds are available to provide such increase or plan to all affected employees supported from the general fund.

l. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are appointed to a state-level board, council, commission or similar collegial body shall not receive any such compensation for their services as members or chairmen except for reimbursement of reasonable and necessary expenses. The foregoing provision shall likewise apply to the Compensation Board, pursuant to § 15.2-1636.5, Code of Virginia.

m.1. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early retirement incentive plans for their respective institutions pursuant to § 23-9.2:3.1 B and the cash payment offered under such compensation plans pursuant to § 23-9.2:3.1 D, Code of Virginia.
