B. Prior to July 1 of each fiscal year, the Virginia Economic Development Partnership shall provide to the Chairmen of the House Appropriations and Senate Finance Committees and the Director of the Department of Planning and Budget a report of its operating plan. Prior to September 1 of each fiscal year, the Partnership shall provide to the Chairmen of the House Appropriations and Senate Finance Committees and the Director of the Department of Planning and Budget a detailed expenditure report and a listing of the salaries and bonuses for all Partnership employees for the prior fiscal year. All three reports shall be prepared in the formats as previously approved by the Department of Planning and Budget.

C. In developing the criteria for any pay for performance plan, the Board shall include, but not be limited to, these variables: 1) the number of economic development prospects committed to move to or expand operations in Virginia; 2) dollar investment made in Virginia for land acquisition, construction, buildings, and equipment; 3) number of full-time jobs directly related to an economic development project; and 4) location of the project. To that end, the pay for performance plan shall be weighted to recognize and reward employees who successfully recruit new economic development prospects or cause existing prospects to expand operations in localities with fiscal stress greater than the statewide average. Fiscal Stress shall be based on the Index published by the Commission on Local Government. If a prospect is physically located in more than one contiguous locality, the highest Fiscal Stress Index of the participating localities will be used.

G. The Virginia Economic Development Partnership shall report one month after the close of each quarter to the Chairmen of the Senate Finance and House Appropriations Committees on the Governor's Development Opportunity Fund. The report shall include, but not be limited to, total appropriations made or transferred to the Fund, total grants awarded, cash balances, and balances available for future commitments.
