A. To the extent permitted by federal law, the State Plan for Temporary Assistance for Needy Families (TANF) shall provide that the eligibility for assistance of an alien who is qualified alien (as defined in § 431 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law Number 104-193) shall be determined without regard to alienage.

B. Notwithstanding any other provision of state law, the Department of Social Services shall maintain a separate state program, as that term is defined by federal regulations governing the Temporary Assistance for Needy Families (TANF) program, 45 C.F.R. § 260.30, for the purpose of providing welfare cash assistance payments to able-bodied two-parent families. The separate state program shall be funded by state funds and operated outside of the TANF program. Able-bodied two-parent families shall not be eligible for TANF cash assistance as defined at 45 C.F.R. § 260.31 (a)(1), but shall receive benefits under the separate state program provided for in this paragraph. Although various conditions and eligibility requirements may be different under the separate state program, the basic benefit payment for which two-parent families are eligible under the separate state program shall not be less than what they would have received under TANF. The Department of Social Services shall establish regulations to govern this separate state program.

C. As a condition of this appropriation, the Department of Social Services shall disregard the value of one motor vehicle per assistance unit in determining eligibility for cash assistance in the Temporary Assistance for Needy

Families (TANF) program and in the separate state program for able-bodied two-parent families.

D.1. The Department of Social Services shall be authorized to make necessary changes in the State Plan for the Temporary Assistance for Needy Families (TANF) Program to meet the federal TANF requirements, pursuant to federal Deficit Reduction Omnibus Reconciliation Act of 2005, and to minimize the Commonwealth's exposure to federal financial penalties, provided it does so in the most efficient and least costly manner.

2. No less than 30 days prior to submitting amendments to the federal government on the State Plan for the Temporary Assistance for Needy Families Program, the Commissioner of the Department of Social Services shall provide the Chairmen of the House Appropriations and Senate Finance Committees with written documentation of the proposed policy changes, including an estimate of the fiscal impact of the proposed changes and information summarizing public comment that was received on the proposed changes.

E. Out of this appropriation, \$7,800,000 the first year and \$7,800,000 the second year from the federal Temporary Assistance for Needy Families (TANF) block grant shall be used by the Department of Social Services to provide recipients of Temporary Assistance for Needy Families (TANF) cash assistance a monthly TANF supplement up to the current child support collected by the Division of Child Support Enforcement for each such recipient, less any disregard passed through to such recipient pursuant to any other provision of law. The TANF child support supplement shall be paid within two months following collection of the child support payment or payments used to determine the amount of such supplement. For purposes of determining eligibility for medical assistance services, the TANF supplement described in this paragraph shall be disregarded. In the event there are sufficient federal TANF funds to provide all other assistance required by the TANF State Plan, the Commissioner may use unobligated federal TANF block grant funds in excess of this appropriation to provide the TANF supplement described in this paragraph.

F. The Department of Social Services, in collaboration with local departments of social services, shall maintain minimum performance standards for all local departments of social services participating in the Virginia Initiative for Employment, Not Welfare (VIEW) program. The Department shall allocate VIEW funds to local departments of social services based on these performance standards and VIEW caseloads. The allocation formula shall be developed and revised in cooperation with the local social services departments and the Department of Planning and Budget.

The sliding fee scale and eligibility criteria are to be set according to the rules and regulations of the State Board of Social Services, except that the income eligibility thresholds for day care assistance shall account for variations in the local cost of living index by metropolitan statistical areas. The Department of Social Services shall report on the sliding fee scale and eligibility criteria adopted by the Board of Social Services by December 15 of each year. The Department of Social Services shall make the necessary amendments to the Child Care and Development Funds Plan to accomplish this intent.
