A. Grants provided for in this Item shall be administered by the Department of Historic Resources. As determined by the department, projects of museums and historic sites, as provided for in § [10.1-2211](#), [10.1-2212](#), and [10.1-2213](#) of the Code of Virginia, shall be administered under the provisions of those sections. The application shall state whether grant funds provided under this item will be used for purposes of operating support or capital outlay and shall include project and spending plans. Unless otherwise specified in this item, the matching share for grants funded from this item may be cash or in-kind contributions as requested by the nonstate organization in its application for state grant funds, but must be concurrent with the grant period. The department shall use applicable federal guidelines assessing the value and eligibility of in-kind contributions to be used as matching amounts.

C. Any balances not drawn down by recipient organizations on June 30, ~~2007~~ 2008, from appropriations in this item shall not revert to the general fund, but shall be carried forward on the books of the Comptroller. E. The distribution of a grant originally appropriated to Merchants Hope Church within Chapter 951 of the Acts of Assembly of 2005 shall not be contingent upon the organization providing any source of matching funds as is normally required by §§ [2.2-1505](#) and [10.1-2213](#), Code of Virginia, or §4-5.05 of this act.

F. Of the amounts appropriated to the Patrick County Music Association, up to \$25,000 shall not be subject to the matching requirements of § 4-5.05 of this act if used by the organization to pay for a study to locate a permanent
