B. Agencies and institutions of higher education may use maintenance reserve funds in the first year to plan subprojects to be funded from allocations in the second year. Any agency or institution of higher education which has not expended or contractually obligated itself in a legally binding manner to expend 85 percent or more of its biennial general fund appropriation for maintenance reserve by June 30, 2008, shall revert to the general fund of the Commonwealth the amount related to the difference between its percentage actually expended or obligated

and the 85 percent standard. For good cause the Director, Department of Planning and Budget may grant exceptions to this requirement.

C. Agencies and institutions of higher education may use maintenance reserve funds: to repair or replace damaged or inoperable equipment, components of plant, and utility systems; to correct deficiencies in property and plant required to conform with building and safety codes or those associated with hazardous condition corrections, including asbestos abatement; to correct deficiencies in fire protection, energy conservation and handicapped access; and to address such other physical plant deficiencies as the Director, Department of Planning and Budget may approve. Agencies and institutions of higher education may also use maintenance reserve funds to make other necessary improvements or address minor deficiencies that do not meet the criteria for maintenance reserve funding with the prior approval of the Director, Department of Planning and Budget.

D. Agencies may transfer amounts from maintenance reserve funds to the operating budget subject to the provisions of 4-4.01c of this act.
