A. It is the intent of the General Assembly that the Department of Aviation match federal funds for Airport Assistance to the maximum extent possible. *In furtherance of this maximization, the Commonwealth Transportation Board may request funding from the Commonwealth Airport Fund for surface transportation projects that provide airport access. The Aviation Board shall consider such requests and provide funding as it so approves.* However, the legislative intent expressed herein shall not be construed to prohibit the Virginia Aviation Board from allocating funds for promotional activities in the event that federal matching funds are unavailable.
