Notwithstanding the provisions of §§ 9.1-165 through 9.1-172, Code of Virginia, the total amount to be distributed to localities shall be \$197,295,927 the first year and ~~\$197,295,927~~ \$180,824,184 the second year. The amount to be distributed to each locality in the second year shall be ~~equal~~ *proportionate* to the amount distributed to the locality in the first year.

B. For purposes of receiving funds in accordance with this program, it is the intention of the General Assembly that the Town of Boone's Mill shall be considered to have had a police department in operation since the 1980-82 biennium and is therefore eligible for financial assistance under Title 9.1, Chapter 1, Article 8, Code of Virginia (House Bill 599).

C.1. It is the intent of the General Assembly that state funding provided to localities operating police departments be used to fund local public safety services. Funds provided in this item shall not be used to supplant the funding provided by localities for public safety services.

2. To ensure that state funding provided to localities operating police departments does not supplant local funding for public safety services, all localities shall annually certify to the Department of Criminal Justice Services the amount of funding provided by the locality to support public safety services and that the funding provided in this item was used to supplement that local funding. This certification shall be provided in such manner and on such date as determined by the Department. The Department shall provide this information to the Chairmen of the House Appropriations and Senate Finance Committees within 30 days following the submission of the local certifications.

D. The director of the Department of Criminal Justice Services is authorized to withhold reimbursements due a locality under Title 9.1, Chapter 1, Article 8, Code of Virginia, upon notification from the Superintendent of State Police that there is reason to believe that crime data reported by the locality to the Department of State Police in accordance with § 52-28, Code of Virginia, is missing, incomplete or incorrect. Upon subsequent notification by the superintendent that the data is accurate, the director shall make reimbursement of withheld funding due the locality when such corrections are made within the same fiscal year that funds have been withheld.
