Upon subsequent notification by the Superintendent that the data is accurate, the Compensation Board shall make reimbursement of withheld funding due the locality when such corrections are made within the same fiscal year that funds have been withheld.

The report shall include requirements to complete such a review within a two-year period, to develop a standard for the establishment of operational capacity based upon facility design standards, and to establish a baseline staffing standard for each facility and a standard to accommodate growth in inmate populations in excess of established capacities. The report shall be provided to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by October 1, 2008.
