This Item contains supplemental funding for the project to renovate an existing building at Powhatan Correctional Center into an expanded dairy processing center and to construction a new expanded dairy barn and milking parlor at Powhatan Correctional Center, originally authorized in 2004 (Chapter 4, 2004 Acts of Assembly). The total cost of the project with the supplement is \$15,078,000. The project will enable the Department of Corrections to expand its production of milk and other dairy products. The department shall limit its customer base for dairy products to governmental entities and private vendors that have contracts with governmental entities to provide food services.
