A. By July 15 of each year, the State Coordinator of Emergency Management shall assess emergencies and disasters that have been authorized sum sufficient funding by the Governor and provide to the Department of Planning and Budget written justification to support continuing sum sufficient funding longer than one year for a locally declared emergency (or disaster), three years for a state declared disaster, and five years for a nationally declared disaster. At the same time, the state coordinator shall identify any disasters that can be closed due to fulfillment of the state's obligations.

B.1. Localities and eligible private non-profit organizations that have received cost reimbursement through state and/or federal assistance programs to support homeland security and eligible recovery and mitigation projects and initiatives associated with disaster events, that are subsequently notified that either a portion or all of the funds provided are to be returned, shall reimburse the Virginia Department of Emergency Management for such overpayments, including any interest accrued on such funds, within sixty (60) days of being notified and receiving the request for reimbursement.

2. Overpayment amounts shall be based on the difference between the amount reimbursed or prepaid to the entity involved by the Department of Emergency Management and the final amount approved by the granting agency. 4. The Department of Emergency Management shall not provide future prepayments to any locality or eligible private non-profit organization once the Comptroller has been required to withhold funding.
