B. The secretary shall provide a status report on actions taken to improve offender transitional and reentry services, as provided in § [2.2-221.1](#), Code of Virginia, including improvements to the preparation and provision for employment, treatment, and housing opportunities for those being released from incarceration. The report shall be provided to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than November 15 of each year.

C. The secretary shall coordinate the development of a statewide system for the use of GPS and other electronic methods of monitoring offenders as an alternative to incarceration. To assist in the development of this system, the Department of Corrections, with the assistance and consultation of the Department of General Services, shall negotiate statewide contracts for GPS and other services that can be used by sheriffs and regional jails, as well as state agencies, and the Department of Criminal Justice Services shall develop the guidelines and criteria for the use of these systems.

D. There is hereby continued the Secretary of Public Safety's Task Force on Alternatives for Nonviolent Offenders. The task force shall monitor the progress of its prior recommendations that were adopted and are being implemented.
