A. 1. Notwithstanding § [32.1-163](#) through § [32.1-176](#), Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$425.00, for a construction permit for on-site sewage systems designed for less than 1,000 gallons per day, and alternative discharging systems not supported with certified work from an authorized onsite soil evaluator or a professional engineer working in consultation with an authorized onsite soil evaluator.

2. Notwithstanding § [32.1-163](#) through § [32.1-176](#), Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$350.00, for the certification letter for less than 1,000 gallons per day not supported with certified work from an authorized onsite soil evaluator or a professional engineer working in consultation with an authorized onsite soil evaluator.

3. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$225.00, for a construction permit for an onsite sewage system designed for less than 1,000 gallons per day when the application is supported with certified work from a licensed onsite soil evaluator.

4. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$320.00, for the certification letter for less than 1,000 gallons per day supported with certified work from an authorized onsite soil evaluator or a professional engineer working in consultation with an authorized onsite soil evaluator.

5. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$300.00, for a construction permit for a private well.

6. Notwithstanding § 32.1-163 through § 32.1-176, Code of Virginia, the State Health Commissioner shall charge a fee of no more than \$1,400.00, for a construction permit or certification letter designed for more than 1,000 gallons per day.

7. The State Health Commissioner shall appoint two manufacturers to the Advisory Committee on Sewage Handling and Disposal, representing one system installer and the Association of Onsite Soil Engineers.

B. The State Health Commissioner is authorized to develop, in consultation with the regulated entities, a hotel, campground, and summer camp plan and specification review fee, not to exceed \$40.00, a restaurant plan and specification review fee, not to exceed \$40.00, an annual hotel, campground, and summer camp permit renewal fee, not to exceed \$40.00, and an annual restaurant permit renewal fee, not to exceed \$40.00 to be collected from all establishments, except K-12 public schools, that are subject to inspection by the Department of Health pursuant to §§ 35.1-13, 35.1-14, 35.1-16, and 35.1-17, Code of Virginia. However, any such establishment that is subject to any health permit fee, application fee, inspection fee, risk assessment fee or similar fee imposed by any locality as of January 1, 2002, shall be subject to this annual permit renewal fee only to the extent that the Department of Health fee and the locally imposed fee, when combined, do not exceed the fee amount listed in this paragraph. This fee structure shall be subject to the approval of the Secretary of Health and Human Resources.

C. Pursuant to the Department of Health's Policy Implementation Manual (#07-01), individuals who participate in a local festival, fair, or other community event where food is sold, shall be exempt from the annual temporary food establishment permit fee of \$40.00 provided the event is held only one time each calendar year and the event takes place within the locality where the individual resides.

D. Out of this appropriation, \$504,205 the first year and \$504,205 the second year from the general fund and \$362,947 the first year and \$362,947 the second year from nongeneral funds is provided to address the cost of leasing new or expanding existing local health department facilities. First priority shall be given to Prince William, Isle of Wight, Suffolk, and Roanoke City.

E. The State Health Commissioner shall work with public and private dental providers to develop options for delivering dental services in underserved areas, including the use of public-private partnerships in the development and staffing of facilities, the use of dental hygiene and dental students to expand services and enhance learning experiences, and the availability of reimbursement mechanisms and other public and private resources to expand services.

F. The State Health Commissioner, in consultation with the Department of Medical Assistance Services, shall appoint an advisory committee comprised of relevant stakeholders including representatives from the Virginia Dental Association, the Virginia Dental Hygienists Association, the Virginia Oral Health Coalition, the Virginia Health Care Foundation, the Virginia Association of Free Clinics, and the Virginia Community Healthcare Association to develop a comprehensive oral health plan. The plan shall evaluate the sustainability and efficiency

of the current state-supported dental clinics operated by the department. The plan shall also include the feasibility of transitioning the department's current dental prevention/treatment model to a prevention-only model. The commissioner shall issue a final report from the advisory committee to the Chairmen of the Senate Finance and House Appropriations Committees no later than October 1, 2012.
