2014 Special Session I

Budget Bill - HB5001 (Introduced)

Radford University

Item C-19.20 (Not set out)

The authorized scope of capital project 17565 in Chapter 879, Acts of Assembly, Item C-56 using 9(c) debt for $36,000,000, is hereby changed from “Construct New Residence Halls” to “Renovate Residence Halls”. This allows the university to utilize this debt authorization to renovate existing residence halls rather than constructing new ones.
