The State Comptroller is hereby authorized to deposit collections from such agencies into the Contract Collector Fund (§ 58.1-1803, Code of Virginia). B.1. The Department of Taxation is authorized to retain, as special revenue, its reasonable share of any court fines and fees to reimburse the department for any ongoing operational collection expenses.

2. Any form of state debt assigned to the Department of Taxation for collection may be collected by the department in the same manner and means as state taxes may be collected pursuant to Title 58.1, Chapter 18, Code of Virginia.

E. The Tax Commissioner shall have the authority to waive penalties and grant extensions of time to file a return or pay a tax, or both, to any class of taxpayers when the Tax Commissioner in his discretion finds that the normal due date has, or would, cause undue hardship to taxpayers who were, or would be, unable to use electronic means to file a return or pay a tax because of a power or systems failure that causes the department's electronic filing or payment systems to be nonfunctional for all or a portion of a day on or about the due date for a return or payment.
