T. 1. The State Compensation Board is hereby directed to ~~convene~~ *continue convening the same* group of stakeholders *that met three times during 2016 and which is* comprised of, and representing the interests of, constitutional officers, regional jail authorities, and local governments. *The stakeholder group shall continue to* jointly review current and alternative primary liability, medical malpractice, and employee malfeasance policy coverages and contracts, and alternatives for liability reinsurance, for such coverage currently paid for by localities under VARisk.

2. In ~~its~~ *this continuing* review, the group shall consider the premiums which have been and are currently being charged to local governments by VARisk for primary liability, medical malpractice, and employee malfeasance policy coverages for the current and prior ~~five (5)~~ *six (6)* years, and the educational and training services that have been and are currently being provided to constitutional officers in coordination with the VARisk coverage over the

same time period. *The stakeholder group shall consider the current statutory requirements specifying when localities must prepare budgets, the impact on local governments of the currently utilized system that allows large unanticipated VARisk premium increases, and the resulting hardships on localities caused by an inability to budget for these increases.* These findings shall be compared by the State Compensation Board and stakeholders to potential alternative coverage and contracts which could be provided by public and private providers of primary liability, medical malpractice, and employee malfeasance policy coverage, and reinsurance coverage to insure constitutional officers, regional jails authorities, and local governments, and the premiums that would be charged for such coverage. In its review, the group shall also identify and compare any and all policy limits, exclusions, and terms and conditions of VARisk and comparable coverages available from public or private insurance providers.

3. The State Compensation Board and stakeholders shall *continue to explore whether proper and current full funding of these liability programs would be desirable and* determine whether the available alternative coverage and service options are competitive with or preferable to the coverage and service options provided under VARisk, and the potential financial benefits or liabilities to the stakeholders or the Commonwealth resulting from the provision of primary liability, medical malpractice, employee malfeasance, and reinsurance coverage by alternative providers, and shall report their *final findings and recommendations* by December 1, ~~2016~~ 2017, to the Chairmen of the House Appropriations Committee and the Senate Finance Committee.

4. The Director, Division of Risk Management, shall provide technical assistance to the stakeholder group upon request of the Executive Secretary of the Compensation Board.
