Higher Education Operating	\$49,479,231	\$49,479,231

---

Authority: Title 23.1, Chapter 18, Code of Virginia.

A. This Item includes general and nongeneral fund appropriations to support institutional initiatives that help meet statewide goals described in the Restructured Higher Education Financial and Administrative Operations Act of 2005 (Chapters 933 and 945, 2005 Acts of Assembly).

B. Out of this appropriation an amount estimated at \$80,483 the first year and \$80,483 the second year from the general fund and \$36,130 the first year and \$36,130 the second year nongeneral funds are designated for the educational telecommunications project to provide graduate engineering education. The participating institutions and centers shall jointly submit an annual report and operating plan to the State Council of Higher Education for Virginia in support of these funded activities.

C. As Virginia's public colleges and universities approach full funding of the base adequacy guidelines and as the General Assembly strives to fully fund the general fund share of the base adequacy guidelines, these funds are provided with the intent that, in exercising their authority to set tuition and fees, the Board of Visitors shall take into consideration the impact of escalating college costs for Virginia students and families. In accordance with the cost-sharing goals set forth in § 4-2.01 b. of this act, the Board of Visitors is encouraged to limit increases on tuition and mandatory educational and general fees for in-state, undergraduate students to the extent possible.

D. Notwithstanding any other provision of law, the University of Mary Washington may enter into an agreement with the Fredericksburg Regional Alliance, a nonprofit organization dedicated to cooperative economic development efforts in the Fredericksburg region, for the purpose of expanding regional efforts in the field of

economic development and research.

E. Pursuant to § [2.2-1155](#) B., Code of Virginia, the University of Mary Washington may enter into written agreements to lease property on its Stafford Campus. The lease dated September 1, 2017 for use of the Gates Hudson Building by Stafford County Public Schools, which lease is expressly conditioned upon approval by the General Assembly, is hereby approved.
