Authority: Title 2.2, Chapter 20.1, Code of Virginia.

A. Out of this appropriation, \$329,182,128 the first year and ~~\$329,182,128~~ \$273,570,619 the second year for Information Technology Development and Operations is sum sufficient and amounts shown are estimates from an internal service fund which shall be paid solely from revenues derived from charges for services.

B. Political subdivisions and local school divisions are hereby authorized to purchase information technology goods and services of every description from the Virginia Information Technologies Agency and its vendors, provided that such purchases are not prohibited by the terms and conditions of the contracts for such goods and services.

C.1. In consultation with the General Assembly and the Office of the Governor, the Virginia Information Technologies Agency (VITA) is authorized to plan for, procure, and take other actions necessary to replace information technology services currently provided by Northrop Grumman. VITA's plan to replace information technology services currently provided by Northrop Grumman shall involve agencies served by VITA.

2. The Secretary of Finance and Secretary of Administration shall approve the draw downs from the agency's line of credit authorized in § 3-2.03 of this act prior to the expenditure of funds for costs associated with replacing information technology services currently provided by Northrop Grumman.

3. The Director, Department of Planning and Budget, is authorized to administratively adjust the appropriation in this item and Item 84.60 of this act for approved transition costs associated with replacing information technology services currently provided by Northrop Grumman.

D. The Chief Information Officer of the Commonwealth shall report to the Governor and Chairmen of the House Appropriations and Senate Finance Committees on progress toward transitioning to new information technology

services that will replace the information technology services currently provided by Northrop Grumman under the Comprehensive Infrastructure Agreement. Such a report shall be made at least quarterly, in a format mutually agreeable to them, and shall (i) describe efforts to discontinue the Unisys mainframe, (ii) assess the Virginia Information Technologies Agency's organization and in-scope information technology and telecommunications costs, and (iii) identify options available to the Commonwealth at the expiry of the current agreement including any anticipated steps required to plan for its expiration.

E. 1. The Virginia Information Technologies Agency shall, in consultation with state agencies, report quarterly to the Secretary of Administration and the Secretary of Finance with a detailed transition plan for this migration out of the Commonwealth Enterprise Solutions Center (CESC). This plan will, at a minimum, identify the migration-readiness status of all such applications, data, and systems, propose detailed transition timelines, and identify ongoing and one-time costs for the migration.

2. For purposes of facilitating and expediting the migration of all Commonwealth applications, data, and systems currently physically located or hosted in CESC to the Quality Technology Services data center by June 30, 2022, The Virginia Information Technologies Agency shall procure a statewide contract on behalf of executive branch agencies to provide migration-readiness modifications where such modifications are deemed necessary by the Chief Information Officer of the Commonwealth.

3. The Virginia Information Technologies Agency is hereby authorized to fund approved migration expenses on behalf of agencies from its line of credit authorized in § 3-2.03 of this act. All proposed draws from the Virginia Information Technologies Agency's line of credit recommended by the Chief Information Officer of the Commonwealth for required migration expenses shall be approved by the Secretary of Finance and the Secretary of Administration prior to any expenditure of funds.

4. It is the responsibility of each approved agency to repay its specific costs incurred on the Virginia Information Technologies Agency's line of credit. Upon approval of expenditures to be paid from the line of credit draw request, the Secretary of Administration and the Secretary of Finance shall specify the repayment period.

5. Notwithstanding the provisions of § 4-3.02 of this act, the Secretary of Finance may provide agencies whose applications or systems are funded in whole or in part by nongeneral funds interest-free treasury loans to fund expenses associated with the migration of agency applications, data, and systems out of CESC where such modifications are deemed necessary by the Chief Information Officer of the Commonwealth. Such treasury loans shall only be for the nongeneral fund component of the migration costs. The repayment plan for such loans may be extended for a period longer than twelve months by the Secretary of Finance.
